Dear Sixth Grade Parents and Guardians,

We are excited to share an upcoming team-building experience designed to challenge, engage and bring our sixth-graders together in a unique and interactive way!

On **Friday, September 4**, our students will venture to **ACTIVATE** in Columbus, where they will participate in collaborative games and challenges that encourage teamwork. As they navigate these activities, students will have the opportunity to strengthen their communication, leadership and problem-solving skills that will benefit them both in and out of the classroom.

To participate, this online waiver from ACTIVATE must be completed by the parent or guardian on behalf of the student. Within this waiver is a box where you are required to create a player's name. Creativity is welcome, but please be sure the name is appropriate and shared with your child. It may take more than one attempt to enter a name that has not already been claimed. Please complete this waiver **by Friday, August 28.**

Students will not need to bring anything to ACTIVATE other than a positive attitude, a reusable water bottle and PE shoes. Students are welcome to wear school-appropriate dress-down attire for the day. We will return to school in time for lunch.

If you have any questions, please email me at keatingj@columbusacademy.org.

Sincerely,

Julie Keating
Sixth Grade Faculty Team Leader
