

Dear Middle School Parents,

It is our privilege to serve the PACA board as Middle School Head Parents next year. We are looking forward to a great school year and the opportunity to meet more of you. Our goal for the 2011-2012 school year is to continue to grow the parent/school partnership within the Middle School building upon the successes of the current year.

Communication between and among parents and the administration is a priority at the school and we hope to play an important role in this area. We will be meeting with Karla Long on a regular basis to maintain open lines of communication between the parents and the administration, and we will also hold monthly meetings with Advisory and Grade Parents to discuss various topics within the Middle School. Our hope is that by the end of next year, we will have an even stronger Middle School community.

If you are interested in becoming involved with the Middle School leadership team, as a Grade or Advisory Parent, please contact either one of us using the contact information below. The time line for the leadership team placement is as follows: Grade Parents will be selected in the next few weeks; Advisory Parents will be placed closer to the end of summer. Our intention is to find a place for everyone that expresses interest. Please feel free to contact us with any questions or concerns.

Thank you in advance for your commitment to our children and to the CA community.
