

# Program for New Kids (aka... PiNK)

PiNK is lead by a group of juniors and seniors who are committed to welcoming new students to the Columbus Academy Upper School and making the first weeks and months a happy experience. Every new student will be assigned a buddy in his or her own class, but PiNK leaders are also involved to help ease the transition to new classes, activities, and friends.

Your son or daughter will be receiving a call from a PiNK leader soon to welcome them to the Upper School Community.

Upcoming Events... PiNK members will be present:

June 8: OHSAA Athletic Physical Night

June 13: Pizza Party during Parent Orientation

Dr. Mary Pat Martin, PiNK Faculty Facilitator, will also be at these events to answer any questions you have about PiNK and your transition to Columbus Academy.
