

THE COLUMBUS ACADEMY TUTORING CENTER

Welcome to The Columbus Academy Tutoring Center. This program has been created to help parents, students and tutors connect in an organized and efficient way. Through this center, your child will be able to find a tutor that matches his/her needs and can support growth throughout the summer months. Tutors for The Columbus Academy Tutoring Center will be located on the CA campus with the use of the appropriate tools and facilities your child needs. Our tutors are experienced teachers with a love for teaching. One-on-one tutoring, as well as group sessions are available.

To get a head start, there is a short request form attached to this section of the brochure. Fill out the information and send it to: The Columbus Academy at 4300 Cherry Bottom Road, Gahanna, Ohio 43230-Attn: Alyssa King/Tutoring Center. We will let you know as soon as possible if we have a tutor that matches your needs and will make the connection. After you have approved the tutor, you will create your summer schedule, sign the contract and be ready to go! If you would like further information or have questions, please feel free to call The Columbus Academy at 614-509-2529.

We have tutors with skills ranging from Violin to Chemistry!
