# 2018 WINTER ASA PROGRAMS

All programs run from 3:30-4:30pm unless otherwise specified. Registration and payment is required for enrollment in ASA programs. Classes must reach the minimum number for enrollment or will be canceled. *The registration deadline is Wednesday, January 17th and the cancelation deadline is Friday, January 19th.*

## MONDAYS - Jan. 22, 29 Feb. 5, 12, 26 March 5 (No class Feb. 19)

### Yoga for Kids

Grades: PK-2 | \$160 (6 classes)

*Instructor: BalletMet*

Learn basic yoga poses and breathing techniques to increase health and well-being while having a fun and relaxing time. Open to boys and girls alike! **A yoga mat is required.**

### Young Chefs Academy Winter Favorites

Grades: K-3 | \$130 (6 classes)

*Instructor: Young Chefs Academy*

Join Young Chefs Academy in making some of your favorite winter dishes. In this class we will be making some of your old favorites like chicken noodle soup with homemade rolls, and decorating cupcakes to make your favorite winter scene. We will also be making some new favorites, like king cakes for Mardi Gras and yummy finger foods for March Madness! *Not recommended for students with severe food allergies. All recipes are nut free; substitutions for dairy and gluten free allergies cannot be guaranteed. Please call Young Chefs Academy 614-933-9700 with direct questions.*

### Mechanical Engineering: Master Machines

Grades: 3-6 | \$110 (6 classes)

*Instructor: Engineering for Kids*

During this course, students will use the Engineering Design Process to design, create, test, and refine a variety of machines and mechanical systems. We will learn basics of fluid mechanics, simple machines, and other engineering concepts.

## TUESDAYS - Jan. 23, 30 Feb. 6, 13, 20, 27 March 6

### Battlebot and Invention Fun with LEGO Robots

Grades: PK-2 | \$140 (7 classes)

*Instructor: Robot Academy*

This class encourages creative problem solving. Kids build on pre-programmed LEGO Robots to compete in several BattleBot championships and in prizes. Students learn about the Mindstorms EV3 programming language and sensors. No experience is necessary – we teach students everything they need to know to put together a winning BattleBot. In the final four weeks of class, students bring their ideas to life! We teach 'rapid prototyping', a technique that involves quickly building prototypes of invention ideas using cardboard, LEGO Robots or 3D printers. Kids design and build custom inventions and then present their prototypes to a Shark Tank panel (like on the TV show)! Kids enjoy presenting killer pitches to the judges with the help of their new friends and reaping the rewards (we give the students a lot of tips and talk them through their pitches in advance to make sure they're successful).

### Hallway Warriors

Grades: K-3 | \$115 (7 classes)

*Instructor: JumpBunch*

We're not stuck indoors, we are hallway warriors! Join us for 6 weeks of active games that will challenge your child's mind and body. Just the cure to blast away that cabin fever and improve your focus for school. Wear your sneakers!

### Magic

Grades: 3-6 | \$135 (6 classes)

*Instructor: Carroll Baker*

Tons of new tricks to learn with master magician, Carroll Baker! We will cover tricks that are easy to perform in order to build self-confidence, self esteem, and speaking in front of others. **NOTE: THIS CLASS RUNS 6 WEEKS; ENDS FEB. 27.**

## WEDNESDAYS - Jan. 24, 31 Feb. 7, 14, 21, 28 March 7

### Hip Hop

Grades: PK-2 | \$185 (7 classes)

*Instructor: BalletMet*

Learn the basics of the urban dance style Hip Hop. Bring your sneakers and be ready to have fun!

### Chess Kings & Queens

Grades: K-5 | \$125 (7 classes)

*Instructor: Kyle Jones USCF CM*

Chess Kings and Queens provides children the opportunity to learn world champion moves, practice end game maneuvers, and participate in our own club tournament. In addition, students will be given the opportunity to receive prizes for their hard work!

### Gymnastics & Fitness

Grades: K-5 | \$150 (7 classes)

*Instructor: Gym Skills*

Gym Skills brings a large variety of gymnastics equipment such as various floor mats, beam, springboard, and bars! Our Gymnastics & Fitness class will teach children basic gymnastics skills and techniques. Each class incorporates a fitness warm up/activity.

### Robotics Club

Grades: 3-6 | \$105 (7 classes)

*Instructor: Todd Martin*

Building robots is a great way for students to develop critical thinking skills, grow their ideas, and make their own programmable creations. Students in this club will gain hands-on experience with LEGO Mindstorms, LittleBits and Sphero Robotics.

## THURSDAYS - Jan. 25 Feb. 1, 8, 15, 22 March 8 (No class March 1)

### Young Chefs Academy Winter Favorites

Grades: PK-K | \$130 (6 classes)

*Instructor: Young Chefs Academy*

Join Young Chefs Academy in making some of your favorite winter dishes. In this class we will be making some of your old favorites like chicken noodle soup with homemade rolls, and decorating cupcakes to make your favorite winter scene. We will also be making some new favorites, like king cakes for Mardi Gras and yummy finger foods for March Madness! *Not recommended for students with severe food allergies. All recipes are nut free; substitutions for dairy and gluten free allergies cannot be guaranteed. Please call Young Chefs Academy 614-933-9700 with direct questions.*

### Little Medical School: Meet the Doctor!

Grades: K-3 | \$150 (6 classes)

*Instructor: Little Medical School*

Kids love to dress up and play doctor. Little Medical School® after school class introduces students to the exciting and inspiring world of medicine. Using interactive demonstrations, crafts, and games, kids learn how the body and organs work, how to use instruments that real doctors use, and even tie knots like a real surgeon. Each child gets their own stethoscope and an opportunity to listen to a heartbeat, stomach gurgles, and more. Each child receives a diploma as a graduate of Little Medical School at the completion of the course.

### Sport Performance Club

Grades: 3-6 | \$100 (6 classes)

*Instructor: JumpBunch*

Improve your fitness level and enhance your sports skills each week. The class coach will lead individual drills, conditioning, agility work, and circuit training. **Participants must wear athletic shoes.**

## FRIDAYS -Jan. 19, 26 Feb. 2, 9, 23 March 8 (No class Feb. 16 or March 2)

**NOTE: FRIDAY CLASSES BEGIN ONE WEEK EARLY TO ENSURE 6 WEEKS OF PROGRAMMING.**

### FUNctional Fitness for Kids

Grades: PK-2 | \$120 (6 classes)

*Instructor: Matt Wilson / Crossfit*

This program will focus on moving properly with movements such as squats, lunges, jumps, push ups, pull ups and running. Our goal is to help each kid reach their potential in a fun and challenging environment. Fitness games and nutrition tips will also be involved.

### Junior Engineering Club

Grades: K-3 | \$110 (6 classes)

*Instructor: Engineering for Kids*

This class is designed to introduce young engineers to the fundamental concepts of energy, chemical reactions, and movement. Students explore, design and construct new projects each week of this 6-week session.

### Archaeology, Can You Dig It?

Grades: 3-6 | \$100 (6 classes)

*Instructor: Jeff White*

*Archaeology, Can You Dig It?* is a hands on archaeology class that your child will love. We will take part in an artifact show & tell, participate in a simulated dig, engage in our puzzle-of-pots activity, learn about ancient cultures, and much more!

## SPECIAL FEATURES

### Homework Club

*Tuesdays, Wednesdays and Thursdays, 3:45pm-4:45pm, beginning Jan. 9th*

Grades: 1-5 | \$7.50 per day

*Instructor: Patricia Killoren / Donna Saide*

This quiet environment provides the opportunity to complete homework and get support from a CA faculty/staff member.

### Friday Date Night: Superheroes in Training

*Monthly 6-9:30pm- Jan. 26, Feb. 23, March 16*

Grades: K-6 | \$30 per date

*Instructor: Taylor Kulow*

This is an opportunity to enjoy an evening connecting with your spouse while we entertain the children! While you dine, we will soar into a world full of capes and masks as we explore different Superheros and do some training of our own. We will have lots of fun learning about different Superheros, creating our own secret identities, making costumes, and finding our own super powers! A pizza dinner will be provided for the children.

### Girls On The Run

*Tuesdays/Thursdays beginning February 27th, 3:30pm-4:45pm*

Grades: 3-5 | \$150 - payable at a later date

*Instructors: Wendi Chavarria, Katie Neenan, Lauren Shuneson, Brelle Farrenkopf*

Meeting twice a week for 10 weeks, the girls will learn life skills through dynamic, interactive lessons and running games. The GOTR 5k will be Sunday, May 20th at 10AM at Columbus Commons. Join us while we teach girls that they can! **Note: Payment should not be submitted with CA registration form; payment will be submitted directly to GOTR at a later date.**

**NOTE: GOTR WILL BEGIN ON TUESDAY, FEBRUARY 27TH TO ACCOMMODATE SPRING BREAK.**
