July 7-10, 2025

AP Physics I

Greg Jacobs chairs the Woodberry Forest School science department. He is president emeritus of the US Association for Young Physicists Tournament, the sponsoring organization for an international physics research and debate tournament. He holds a BS from Haverford College and an MS from Northwestern University. Greg has published five books, authored fourteen articles for collegeboard.com, and writes the physics teaching blog [Jacobs Physics](#). Greg has been an AP Physics reader since 1999. He and his pet hippopotamus Edna were featured in the College Board's *AP Live* videos in spring of 2020, as well as in the *AP Daily* videos. Greg hosts the daily [Live Physics Time](#) audio show each weekday morning. Outside the classroom, Greg broadcasts football, soccer, and baseball for his school's audio network. He lives on campus at Woodberry with his wife, [who is a professional potter](#).
