

Dear Columbus Academy Families,

Several years ago, parent volunteers developed a talent show called “Celebrate the Arts” that featured parent, faculty and alumni performers with the goals of celebrating the arts and raising funds. The event evolved into an evening that celebrated our community’s cultures and the arts with a variety of food and performances in addition to showcasing the new gallery space in Morris Hall. Now, we are embarking on a new chapter and are reimagining this event.

As we brainstorm with the arts faculty and school administration on how best to celebrate the arts in our school, we will be moving from an adults-only talent show to other ideas or events that will focus on our students and curriculum. We are exploring many avenues and look forward to sharing more with you down the road, so stay tuned!

Artfully,

Laura Weiser and Mike Ahern
PACA Co-Presidents

PS – Paramount to all of this is the continuation of the arts program/playbill, which spotlights our kids within the arts programs and will be available at all of the showcase events for second semester.
