COACH ROBIN MILLER
Columbus Academy Head Football Coach

Entering his 4th season as the Head Coach of the Vikings, Coach Miller is excited to expand the proud tradition of excellence at Columbus Academy. There is a strong foundation to build on and he is committed to cultivate a Championship Program that the whole Viking community can be proud of.

The ultimate goal for our football program is to win our third State Championship. In order to accomplish this goal, we must build and nurture our program from the bottom up. The best way to achieve this is by starting to teach sound fundamentals to our young Vikings and develop their love for this great game.

Coach Miller's philosophy for his student-athletes is to strive for greatness in everything they do – in the classroom, on the playing field, and in the community. "I feel that Columbus Academy offers outstanding opportunities both in the classroom and on the athletic field. We are looking forward to making their experience on the football field a FAMILY EXPERIENCE!"

"Your child will be guaranteed to learn football skills, compete daily, and have fun! Summer is meant to be an enjoyable time. Let our coaching staff and players increase your child's enjoyment this summer as we strive to build a championship program and PRIDE IN THE GREY HELMET!"

- Coach Miller
