

2024-25 AFTER SCHOOL

ENRICHMENT GUIDE

...after the school day ends

SPECIAL PROGRAMS | ATHLETICS | MIDDLE SCHOOL

Dear Columbus Academy Families,

Another school year is ahead of us, and with all the excitement of a fresh start, comes the need for planning ahead. By creating this Enrichment Guide, which details all after school offerings for the entire school year of 2024-25, we want to give you a tool for informed decision making when planning your after-school activities for the year. Whether you want to take part in one, two, or all three seasons of After School Activities (ASA), Jr. Vikings Sports Clinics, youth sports teams, or Middle School Clubs, this guide will give you the full schedule of options when you are making your Fall, Winter, and Spring extracurricular choices. This guide is designed to help you plan ahead and give your children a diverse collection of activities...

... after the school day ends.

SPECIAL PROGRAMS

The CA Special Programs department manages CASE, ASA, Summer Experience, and Tutoring.

CASE

Columbus Academy's Children's After School Experience (CASE) is a childcare program which provides a safe, supervised environment for CA students during the transitional time between the school day and the evening at home. CASE is offered for our lower-schoolers (Explorers-grade 5) and middle schoolers (grades 6-8) Monday-Friday from 3:15-6:00 p.m. on the days school is in session.

For safety, any child (Explorers - 8th grade) on campus after the school day is over at 3:15 pm, who is not in a school sport or other supervised activity, must attend CASE and pre-registration is required. Children who miss the bus are sent to CASE and charged accordingly. Quarter dates and rates are as follows:

1st quarter	August 20 - October 23
2nd quarter	October 24 - January 10
3rd quarter	January 13 - March 14
4th quarter	March 31 - May 29

5 days per week	\$1075.00 per quarter
Daily drop-in rate	\$28.50 per day
Daily drop-in rate after specified programs	\$15.00 per day

For more CASE information and registration, please visit: www.columbusacademy.org/case

ASA

After School Activities (ASA) are also offered during CASE with several different programs available. Each activity runs from 3:30-4:30 p.m., unless otherwise noted, with a new schedule of programs made available each season (fall, winter, spring).

ASA registration and payment through our registration system (CampBrain) is required for enrollment in

ASA programs. Classes must reach the minimum number for enrollment or will be canceled and fees will be refunded. No refunds will be issued after the start date.

Why do we offer ASA programing?

This program is more than just offering activities for students after school. It’s about giving children the opportunity to explore their interests, discover what they are passionate about, and learn more about themselves in a safe and nurturing environment with people they can trust. We want to offer classes that can meet children where they are now in their knowledge/ interest base, and then expand upon that by showing them different perspectives, through new and creative ways of looking at what they are learning. We want to help build children up and meet their needs as a whole person.

Logistical Details

We employ current CA Faculty and Staff members as well as highly qualified outside sources as teachers for ASAs. Participants meet in the Schoedinger Theatre lobby directly after school dismissal, where they are given a snack before being picked up by their instructor at 3:30pm. When programming ends at 4:30pm, they must be picked-up by someone on their authorized pick-up list. This takes place in the ASA carline located at the front of the Lower School. If students are not picked up by 4:45pm, they will be checked into CASE at the \$15.00 partial day drop-in rate. Parents must inform their child’s classroom teacher of their ASA registration to ensure the child is sent to the proper after school location.

FALL ASA 2024

Mondays	Tuesdays	Wednesdays	Thursdays	Fridays
Karate Zoo grades EXP-PK	SoccerTots grades EXP-PK	Dance Party grades EXP-PK	Storytime Adventures grades EXP-PK	Little Vikings, Big Feelings grades EXP-PK

Fall ASA Offerings

MONDAYS - Sept. 23, 30, Oct. 14, 21, 28, Nov. 4, 11 (no class Oct. 7)

Karate Zoo

Grades: EXP-PK | \$140 (7 classes)

Instructor: Amazing Athletes of Columbus

This high-energy progression-based program teaches the fundamentals of martial arts in a safe and nurturing environment. We use our Muscle Zoo characters to teach karate skills and values like discipline, patience, and respect.

SoccerTots

Grades: K-2 | \$140 (7 classes)

Instructor: SuperTots Columbus

Step into the world of SoccerTots, where learning goes beyond the game! Our program is centered on game-based play, creating a competition-free environment that fosters a love for soccer. Beyond the sport, we emphasize communication, multi-step directions, and the development of gross and fine motor skills. It's a holistic experience designed to cultivate physical and social skills. Join us for an enriching journey that transcends soccer, making every class a dynamic blend of fun and skill-building! Just bring a water bottle; we'll handle the rest!

After School Yoga

Grades: 2-5 | \$140 (7 classes)

Instructor: The Balanced Child Method

During these classes from The Balanced Child Method, instructors weave yoga poses into story books with the goal of teaching children how to integrate yoga, mindful breathing, and inner calm into their daily routines. Not only do they practice yoga poses and stretches, but they also take brain breaks, indulging in dancing and other enjoyable activities. These breaks infuse the sessions with fun and playfulness, making the learning experience memorable. By the end of each class, kids depart feeling refreshed, refocused, and energized.

TUESDAYS - Sept. 24, Oct. 1, 8, 15, 22, 29, Nov. 5, 12

SoccerTots

Grades: EXP-PK | \$160 (8 classes)

Instructor: SuperTots Columbus

Step into the world of SoccerTots, where learning goes beyond the game! Our program is centered on game-based play, creating a competition-free environment that fosters a love for soccer. Beyond the sport, we emphasize communication, multi-step directions, and the development of gross and fine motor skills. It's a holistic experience designed to cultivate physical and social skills. Join us for an enriching journey that transcends soccer, making every class a dynamic blend of fun and skill-building! Just bring a water bottle; we'll handle the rest!

LiteracyLab: STEM Edition

Grades: K-2 | \$160 (8 classes)

Instructor: Alexis Baker

LiteracyLab: STEM Edition is an engaging ASA where students will listen to captivating stories read aloud. Following the read-aloud, students will participate in hands-on STEM projects that directly relate to the themes and concepts of the story. This program fosters creativity, critical thinking, and a love for both literature and science.

Bake Off

Grades: 2-5 | \$160 (8 classes)

Instructor: VAC (vineyard app camp)

Discover the world of baking in our beginner's baking class designed for children! Led by our experienced instructors, young bakers will explore the art of baking while fostering creativity and teamwork. Through a carefully crafted series of beginner-friendly activities, children will master the fundamentals of baking. Throughout the course, they will enhance their skills by participating in exciting projects like cookie decorating, fudge making, crafting caramel popcorn, and creating mouthwatering caramel apples. Along the way, students will also learn essential baking skills and safety techniques. Join us for a hands-on experience where the joy of baking intertwines with the excitement of learning!

WEDNESDAYS - Sept. 25, Oct. 2, 9, 16, 23, 30, Nov. 6, 13

Dance Party!

Grades: EXP-PK | \$160 (8 classes)

Instructor: Hunter Minor

Jump feet first into an exciting, beginner-friendly, dance party designed to invite young dancers to experience new and brilliant styles of dance. This program will cover a different style of dance EVERY week and will culminate in a party where we young dancers will move and groove to some of the songs we've experienced. Hip-Hop, Ballet, Tap, and so much more. See you on the Dance Floor!

Origami

Grades: K-2 | \$200 (8 classes)

Instructor: Nexplore

This class is an introduction to Origami with STEAM! Students will be introduced to the basics of the ancient craft of origami with a creative modern twist. They will fold paper while on a captivating STEAM journey, learning about animal habitats, shapes, fractions, and more! These paper pioneers will transform paper into fascinating take-home figures using beginning origami moves that help them develop fine motor skills, longer attention spans, and geometric awareness. They'll love taking the projects home to share with their families!

Chess Kings and Queens

Grades: K-5 | \$192 (8 classes)

Instructor: Kyle Jones USCF CM

Chess Kings and Queens provides students the opportunity to learn world champion moves, practice end game maneuvers, and participate in our own club tournament.

THURSDAYS - Sept. 26, Oct. 3, 10, 24, Nov. 7, 14 (no class Oct 17, Oct. 31)

Storytime Adventures

Grades: EXP-PK | \$120 (6 classes)

Instructor: April Mealick

Join us each week as we enjoy a fun book, then dive into hands-on activities related to the story. From cooking to crafting to outdoor exploration, you never know where our story will take us! Read the story, then make it, see it, do it, and recreate it with fun, engaging, and age appropriate themed activities.

THURSDAYS (continued)

Exciting Explorations with Art

Grades: K-2 | \$100 (5 classes) *ends on Nov. 7th

Instructor: Kelly Black

Do you just love to play with art supplies and can't get enough of them? Do you like to be creative and maybe get a little messy? Join us on Thursdays to make 2D and 3D art using paint, glue, clay, yarn, and random recycled materials. We will explore different kinds of art and mediums. Plan to be ready to play and have fun testing out your creativity!

Mountain Biking Club

Grades: 3-5 | \$180 (6 classes)

Instructor: Grace Gordon and Lindy Newman

Come join an encouraging community of bike riders and grow your mountain biking skills! We will spend our time together learning the foundational skills of mountain biking and exploring the trails around CA's beautiful campus! The goal is to foster self confidence while on a bike on the trail. Your child must have a two wheel bike they feel comfortable and confident riding. All bikes need to have brakes located on the handlebars (no pedal breaks) and be in good working condition. Bikers will be required to wear a well fitting helmet at all times when they are on their bike. The bikes will need to be dropped off at the Lower School carpool circle (near Athletics) every Thursday morning and then picked up after the ASA each Thursday. We highly recommend using a bike lock when leaving your bike at school. We look forward to creating a community of confident mountain bike riders with your child.

FRIDAYS - Sept. 27, Oct. 4, 11, 25, Nov. 1, 15 (no class Oct. 18, Nov. 8)

Little Vikings, Big Feelings

Grades: EXP-PK | \$120 (6 classes)

Instructor: Danielle Gibbs

Even little people have big feelings and building a personal toolkit is essential. This ASA will help equip our youngest Vikings to identify, build resilience and develop skills to cope with all the big feelings that life brings.

Chess Kings and Queens

Grades: K-2 | \$144 (6 classes)

Instructor: Kyle Jones USCF CM

Chess Kings and Queens provides students the opportunity to learn world champion moves, practice end game maneuvers, and participate in our own club tournament.

Awesome Art Explorations

Grades: 3-5 | \$100 (5 classes) *ends on Nov. 1st

Instructor: Kelly Black

Do you just love to play with art supplies and can't get enough of them? Do you like to be creative and maybe get a little messy? Join us on Thursdays to make 2D and 3D art using paint, glue, clay, yarn, and random recycled materials. We will explore different kinds of art and mediums. Plan to be ready to play and have fun testing out your creativity!

SPECIAL FEATURES

Homework Club

Tuesdays, Wednesdays, and Thursdays, 3:30-4:30p

Beginning Sept. 10th and ending May 22nd

Grades: 2-5 | \$8.50 per day

Instructor: Donna Saide (Tuesdays & Thursdays) Jodi Bering (Wednesdays)

This quiet environment provides the opportunity to complete homework and get support from a CA faculty/staff member. **Fees and Payment:** Charges and payments are processed through the Business Office via your school FACTS account. Billing occurs at the end of each month for the days attended.

Winter ASA Offerings

MONDAYS - Jan. 13, 27 Feb. 3, 10, 24, March 3 (no class Jan. 20, Feb. 17)

Rods & Roll: 3D Art for Tots

Grades: EXP-PK | \$150 (6 classes)

Instructor: Nexplyre

Craft artistic wonders with versatile Art Rods!

Students learn 3D design, sculpting, and modeling in this inventive art program with Art Rods. They maneuver foam Art Rods to prototype inventions, create art, mold letters, and build STEAM knowledge by tackling creative design challenges. Using this colorful and squishy tool, students construct and keep countless beautiful art projects, such as animals, plants, and whatever they imagine and make!

Fit, Flexible and Focused Yoga

Grades: K-2 | \$120 (6 classes)

Instructor: The Balanced Child Method

Join The Balanced Child Method for joyful, expressive yoga classes designed just for kids! These classes introduce the world of yoga through yoga poses, with fun sequences that include flowing, twisting, balancing, and centering. Kids will learn to use their breath, participate in fun mindfulness activities, and practice relaxation techniques, building skills to manage worry, stress, and other life challenges. Each session offers a refreshing, focused, and re-energizing experience, leaving kids with both practical tools and a love for yoga!

Center Stage Drama Club

Grades: 3-5 | \$120 (6 classes)

Instructor: Grace Gordon

Join us for Center Stage Drama Club, an exciting after school theater program designed for 3rd to 5th graders with a passion for storytelling and creativity! Students will come together to embark on a journey of theatrical discovery, culminating in a live performance for family and friends. We will work together to create an original production, filling roles such as director, actor, and prop designer. Participants will learn the art of storytelling and bring their unique ideas to life on stage. We will showcase our hard work with a live performance on March 3 at 4:00pm, where families are invited to join the audience and celebrate our achievements. Logistical details will be provided closer to the date.

TUESDAYS - Jan. 21, 28, Feb. 4, 11, 18, 25, March 4, 11

Superhero Bootcamp

Grades: EXP-PK | \$160 (8 classes)

Instructor: Amazing Athletes of Columbus

This class is all about training to be your favorite superhero! To be a superhero means having strength, agility, balance, and speed. We focus on learning special superhero training skills through fun games and activities such as "jumping over hot lava," "dodging fireballs," "lightsaber training," "scooter flying," "ghostbuster tag," and so many more! Being a superhero also means having compassion for society, a kind heart, and a willingness to do good and help others. These are qualities we discuss with our super-kids. This program encourages campers to be a superhero in everyday life!

GolfTots

Grades: K-2 | \$160 (8 classes)

Instructor: SuperTots Columbus

Embark on a golfing adventure with our Youth Golf Program, a collaboration between Supertots and legendary golfer Payne Stewart!

Designed for little ones, this program blends play and basic golf skills, fostering coordination and a lifelong love for the sport. Watch your tiny golfers tee off with joy!

Read, Solve, Innovate

Grades: 2-5 | \$160 (8 classes)

Instructor: Alexis Baker

"Read, Solve, Innovate" is an engaging after school program designed for grades 2-5, where students embark on an exciting journey of literacy and STEM exploration. Through interactive storytelling sessions, students will delve into captivating narratives and then collaborate to tackle STEM challenges inspired by the stories. By employing critical thinking and problem-solving skills, they will use STEM materials to innovate solutions that connect literature to real-world applications. This program not only enhances reading comprehension but also fosters creativity and hands-on learning.

WEDNESDAYS - Jan. 22, 29, Feb. 5, 12, 19, 26, March 5, 12

GolfTots

Grades: EXP-PK | \$160 (8 classes)

Instructor: SuperTots Columbus

Embark on a golfing adventure with our Youth Golf Program, a collaboration between Supertots and legendary golfer Payne Stewart! Designed for little ones, this program blends play and basic golf skills, fostering coordination and a lifelong love for the sport. Watch your tiny golfers tee off with joy!

Karaoke Stars

Grades: K-2 | \$160 (8 classes)

Instructor: Hunter Minor

Does your student have a knack for "Letting it Go?" Do you hear the exclamatory, "I am Moana" while your child sings to the shower water goddess? Pass the mic, because it is time for some Karaoke to all the songs your students know and love. With a focus on imbuing your young singer with confidence, presence, musicality, and intention, we will create an invite only Karaoke Night (afternoon) for your King and Queen to show their stuff. Prepare for some loud car rides and long song request lists!

Chess Kings and Queens

Grades: K-5 | \$192 (8 classes)

Instructor: Kyle Jones USCF CM

Chess Kings and Queens provides students the opportunity to learn world champion moves, practice end game maneuvers, and participate in our own club tournament.

THURSDAYS - Jan. 16, 23, 30, Feb. 6, 13, 20, 27 (no class March 6)

Storybook Crafts

Grades: EXP-PK | \$140 (7 classes)

Instructor: Molly Murphy

Do you love reading picture books and bringing the pages to life? In this class, we will read books from famous children's authors and create crafts and do activities to support the stories. This is a fun way for students to experience wonderful stories on an enriching level!

Chefs in Training

Grades: K-2 | \$140 (7 classes)

Instructor: April Mealick

Each week we will head to the kitchen to create a simple and yummy snack. While exploring different kitchen tools and practicing measuring, pouring and mixing, this camp allows even our youngest students to be chefs in training.

THURSDAYS (continued)

LEGO Club
Grades: 2-5 | \$140 (7 classes)
Instructor: Kelly Black
Do you love building and playing with Legos? Join us on Thursdays to make new creations and friends! LEGO Club members meet challenges created by the group, play with peers, expand spatial activities, encourage early engineering skills, and even work on social skills! This club is sure to be loads of fun!

FRIDAYS - Jan. 17, 24, 31, Feb. 7, 21, 28 (no class Feb. 14, March 7)

Zumba® Kids
Grades: EXP-PK | \$120 (6 classes)
Instructor: Nexlore
A perfect mix of exercise and excitement! Zumba® Kids fitness classes are rocking dance parties packed with specially choreographed, age-appropriate routines. Students will love moving to the high-energy music, which includes hip-hop, reggaeton, cumbia, and more. This course has many positive effects like how Zumba® increases focus, builds self-confidence, boosts metabolism, and enhances coordination. This class will inspire students to express themselves through movement and play while effectively improving their overall health and well-being.

Chess Kings and Queens
Grades: K-2 | \$144 (6 classes)
Instructor: Kyle Jones USCF CM
Chess Kings and Queens provides students the opportunity to learn world champion moves, practice end game maneuvers, and participate in our own club tournament.

Board Games, Card Games and Puzzles... Oh My!
Grades: 2-5 | \$120 (6 classes)
Instructor: Kelly Black
Join us on Fridays this winter for GAME TIME! Gamers can expect to learn a different game each week while working on cognitive, social, and problem-solving skills. Be ready to make new friends and learn new games!

Spring ASA Offerings

MONDAYS - April 7, 14, 28, May 5, 12, 19 (no class April 21)

BaseballTots

Grades: EXP-PK | \$120 (6 classes)

Instructor: SuperTots Columbus

Step into the world of BaseballTots, where learning baseball is transformed into an exhilarating game-based adventure! Our program goes beyond the sport, fostering communication, multi-step directions, and developing gross and fine motor skills—all in a competition-free environment. With a focus on the fundamentals of hitting, fielding, throwing and base running this class is bound to be a HIT!

Gymnastics & Fitness

Grades: K-2 | \$132 (6 classes)

Instructor: Gym Skills

This class will introduce students to learning basic gymnastics skills individually with an instructor. Children will begin learning basic gymnastics skills and proper techniques. Children will work on skills and drills to establish their balance, flexibility, strength & coordination. Gymnastics related games, learning activities, and obstacle courses will be incorporated along the way. Students will be able to experience the fun of gymnastics and getting active! Curriculum based on each specified age group.

DND

Grades: 3-5 | \$120 (6 classes)

Instructor: VAC (vineyard app camp)

Have you ever wanted to play the nationally-known game Dungeons and Dragons? Stretch your imagination telling stories with your friends, and build useful creative skills? What about playing the game they do in Stranger Things? Well this is your chance! In this class, we'll be exploring collaborative storytelling through Dungeons and Dragons. Along the way, we'll develop social and emotional skills that will serve us well outside of the RPG.

TUESDAYS - April 8, 15, 22, 29, May 6, 13, 20

HoopsterTots

Grades: EXP-PK | \$140 (7 classes)

Instructor: SuperTots Columbus

Introducing HoopsterTots, a dynamic youth sports program tailored for children aged 2-5 years old. Designed to introduce the fundamentals of basketball in a non-competitive and fun environment, HoopsterTots focuses on developing essential motor skills like shooting, passing, and agility. Our carefully crafted curriculum is specially designed to suit the developmental needs of preschoolers, ensuring a positive learning experience. Join us this winter and watch your child grow and thrive while exploring the exciting world of basketball. Enroll your little one in HoopsterTots today for an unforgettable sporting adventure!

Nature Watch

Grades: K-2 | \$175 (7 classes)

Instructor: Nexlore

Bring environmental science into the palms of your hands! Nature Watch's interactive, project-based lessons center around hands-on activities that engage, enlighten, and enliven the learning process. In a given course,

students dive deep into topics like animals, ecosystems, climate, and more. To further promote discovery, all Nature Watch activity kits include a craft so each student can "make and take" their project home.

Young Scientists

Grades: 2-5 | \$180 (7 classes)

Instructor: ClubSciKidz Columbus

This unique session will offer an incredible collection of projects and experiments that will amuse and amaze your young scientist! By being involved with several hands-on activities, your child will explore the basic scientific ideas that play a role in everyday life. Fun and excitement is fostered by great lessons and hands-on experiments, all based on the National Science Standards. Students will explore the natural world as they learn about rattlesnakes, birds of prey and plants. They'll also head into the laboratory as they mix ingredients to create something new (think Oobleck, Gak and window paint)! Next they'll venture into the sky and space as they learn about the moon and flight, and then they'll travel down into the sea as they learn about air pressure. This session will expose your young scientist to all that the world of science has to offer!

Choir

Grades: 3-5 | \$100 (7 classes)

Instructor: Amy McLaughlin

Does your child have an itch to sing? Are they belting out songs in the car? Waking your family up with pop tunes in the shower? Send them to this special after-school choir, led by Amy McLaughlin, so that they can better learn age-appropriate vocal technique, correct breathing, awesome posture, and more than anything, to have fun! There will be a concert to showcase their work later in May.

WEDNESDAYS - April 9, 16, 30, May 7, 14, 21

Karate Zoo

Grades: EXP-PK | \$140 (7 classes)

Instructor: Amazing Athletes of Columbus

This high-energy progression-based program teaches the fundamentals of martial arts in a safe and nurturing environment. We use our Muscle Zoo characters to teach karate skills and values like discipline, patience, and respect.

VolleyKats

Grades: K-2 | \$140 (7 classes)

Instructor: SuperTots Columbus

Introducing VolleyKats, a vibrant youth sports program to teach the basics of volleyball. Children will master essential skills such as serving, passing, setting, along with communication and teamwork, while also enhancing their agility and hand-eye coordination. Our specially crafted curriculum suits the developmental needs of elementary school kids, ensuring an enriching experience. Join us this season and watch your little one grow, learn, and fall in love with the exciting world of volleyball!

Chess Kings and Queens

Grades: K-5 | \$168 (7 classes)

Instructor: Kyle Jones USCF CM

Chess Kings and Queens provides students the opportunity to learn world champion moves, practice end game maneuvers, and participate in our own club tournament.

THURSDAYS - April 10, 17, 24, May 1, 8, 15, 22

Sports, Smiles, Fitness and Fun

Grades: EXP-PK | \$140 (7 classes)

Instructor: Amazing Athletes of Columbus

Your little one needs to get out moving and you need a program just right for their size. Enter JumpBunch Sports, Smiles, Fitness and Fun! Weekly JumpBunch classes begin with kid-friendly warm ups and exercises. The class "Coach" will then introduce participants to individual skills, equipment and simple rules of a different sports/fitness activity each week. Each session concludes with games, obstacle courses and cool downs to keep kids engaged and moving throughout the session.

Eat the Rainbow

Grades: K-2 | \$140 (7 classes)

Instructor: Molly Murphy

Eating the rainbow means the group will taste many different fruits and vegetables of every color! Young learners will embark on a colorful culinary adventure, exploring the vibrant world of fruits and vegetables. Through hands-on activities, interactive games, and creative cooking experiences, students will discover the importance of a balanced diet and the health benefits of consuming a variety of colorful foods. By the end of the course, students will develop a deeper appreciation for nutritious eating habits, empowering them to make healthier food choices in their daily lives. Each week we will eat foods of a different color.

Acting on Camera

Grades: 3-5 | \$140 (7 classes)

Instructor: Hunter Minor

Andddddddddd CUT! Curious about what it's like to be a movie star? Does your student have the next brilliant idea to win Best Cinematography? Want to see what goes on behind the scenes of editing and putting together a short film? Acting on Camera is officially casting! This program will give students opportunities to shoot films, to direct actors, to write scripts, and to star in short films. There is a job for everyone!

FRIDAYS - April 11, 18, 25, May 2, 9, 16, 23

Little Dough-nuts

Grades: EXP-PK | \$175 (7 classes)

Instructor: Nexlore

This course introduces students to the wonderful world of dough as a tool to expand their academic knowledge and build fine motor skills. Through guided hands-on instruction, children use their imagination to plan, construct, and build their own creations. The lessons use dough as a medium for students to explore math, zoology, and art concepts in a unique setting. The course culminates in a final chemistry engineering project where they design and create a personalized model to keep.

Chess Kings and Queens

Grades: K-2 | \$168 (7 classes)

Instructor: Kyle Jones USCF CM

Chess Kings and Queens provides students the opportunity to learn world champion moves, practice end game maneuvers, and participate in our own club tournament.

LEGO Club

Grades: 2-5 | \$140 (7 classes)

Instructor: Kelly Black

Do you love building and playing with Legos? Join us on Fridays to make new creations and friends! Lego Club members meet challenges created by the group, play with peers, expand spatial activities, encourage early engineering skills, and even work on social skills! This club is sure to be loads of fun!

Feelings Factory

Grades: 3-5 | \$140 (7 classes)

Instructor: Danielle Gibbs

This interactive class will help craft coping skills for young minds dealing with big feelings. Through interactive activities and discussions, students will learn to navigate challenges with confidence, embrace their emotions, and begin to solve problems with resiliency.

SPECIAL FEATURES

Homework Club

Tuesdays, Wednesdays, and Thursdays, 3:30-4:30p

Beginning Sept. 10th and ending May 22nd

Grades: 2-5 | \$8.50 per day

Instructor: Donna Saide (Tuesdays & Thursdays) Jodi Bering (Wednesdays)

This quiet environment provides the opportunity to complete homework and get support from a CA faculty/staff member. **Fees and Payment:** Charges and payments are processed through the Business Office via your school FACTS account. Billing occurs at the end of each month for the days attended.

Saturday Series

Beginning April 12th and ending May 24th

Grades: K-2 | \$175 per each themed class (7 classes)

Instructor: Aimee Hall

9am - Magical Math

10am - Literacy & Laughs

11am - Feeling the Music

Pick up and drop off will take place out in front of the Lower School via the carline. More information on the ASA registration website.

SUMMER EXPERIENCE

Columbus Academy Summer Experience offers eight weeks of diverse programming for students from Pre-K through 12th grade. Sessions 1 and 9 focus on off-site/ traveling camps, allowing us to prepare our campus to deliver the best possible experience for our campers and staff. During sessions 2-8, the majority of our offerings take place on-campus. Each week, children can choose from a wide range of themes across the academics, arts & sciences, and athletics... From Mountain Biking to Broadway and everything in between, you can fill your child's summer with experiences they will never forget! Priority registration for CA families will be available, and spots do fill quickly. Our detailed brochure, including registration information and camp offerings, will be released in January 2025. Registration will open in February and camp kicks off in June.

For more information, please visit our website: www.columbusacademy.org/summer

TUTORING

How does the tutoring system work?

Columbus Academy's tutoring system is a matching-based system. All tutor requests should be submitted via email to Alyssa King: KingA@columbusacademy.org

The request should include the following:

1. Student's Name
2. Age & Grade
3. Subjects for tutoring
4. Preferred location, dates and times
5. Teacher requested (if applicable)
6. Any special needs
7. Brief explanation of tutor expectations

What happens after a match is made?

Once you've submitted a request, a search is started and if a match is established, Alyssa King connects the family and the tutor.

Who are the tutors available?

Tutors provided through Columbus Academy are teachers that have been vetted by Columbus Academy. Most of them are CA faculty and Summer Experience instructors, with a few exceptions being local teachers in neighboring school districts.

Where does tutoring take place?

Tutoring may take place on or off CA's campus. If the tutoring session is held on campus, access to CA materials is limited to space, technology and non-consumable goods. Paper, pencils and other materials may be required to be provided by the student. Any teaching materials required will be provided by the tutor.

What is the cost?

The standard hourly rate for tutoring on CA's campus is \$60 per hour for teachers and \$80 per hour for specialists. For any off-campus tutoring, the hourly rate is at the discretion of the tutor, but it is recommended to follow the standard pricing structure.

How is payment handled?

All contracts and fees for on-site tutoring are due by paper check to Columbus Academy's Accounting Department prior to the first tutoring session. Frequency and duration of tutoring will be established by the tutor and family. Off-campus tutoring payment is also handled between the tutor and family.

What is the cancelation policy?

The cancelation policy will be an agreement that both the tutor and family believe is fair. Once a tutoring agreement has been signed and payment has been submitted, it is up to the tutor to issue any refunds to the family. Upon tutoring completion or termination of a tutorial agreement, the family and/or the tutor must inform Alyssa King.

Are there any additional guidelines?

The only situation that would warrant an addition to the guidelines is in the case of teachers tutoring students in their assigned grade and/or music lessons. Tutors will need to acquire an additional signature from the Division Head to ensure there is no conflict of interest with Columbus Academy students.

FACILITY RENTALS

The CA Facilities Department manages rentals for various campus facilities. For more information or to request a facility rental, please visit our website: <https://www.columbusacademy.org/facility-rentals>

CA ATHLETIC DEPARTMENT

On behalf of the athletic department and the coaching staff, welcome to a new athletic school year at Columbus Academy!

One of the best ways for a student and family to get engaged with our school community is being part of a team during the fall athletic season. It is a great opportunity for students to get to know their classmates while being engaged in the exciting atmosphere of a new start to the school year. It's also an excellent opportunity for parents to meet others and share in the strong sense of community.

Why Participate in Youth Sports?

The purpose of our Junior Vikings youth sports programs at Columbus Academy is to positively develop our students ranging from grades 2 through 6 (depending on the sport). Participation, Character Development, and Fun are all key factors in our youth sports offerings. Providing opportunities for growth through sport and a welcoming environment where children feel they are learning how to be involved in their community is important in creating an exceptional experience for our students. All of our youth sports programs focus on fundamentals and development.

Communication

All communication about the youth sports programs offered will come directly from Mary Deeds, Assistant Director of Athletics for Youth Sports. Youth Sports announcements will come from deedsm@columbusacademy.org. For Junior Vikings Clinics, Mary will send an email out each week of the clinic with details about the coming week. For Junior Vikings sports teams, communication will be coming from designated coaches throughout the season. TeamSnap is the main communication channel between coaches and participants. This is where the season schedule, team roster, and team contact information is stored.

Faculty, Staff and Coaches

For Junior Vikings clinics and Youth Sports teams, each offering has designated coaches who may be trained volunteers, community partners, Columbus Academy coaches and/or teachers. Each coach has completed required training, including but not limited to a background check, CPR training, Concussion in sports training, and Lindsay's Law review.

Registration / Payment

Junior Vikings clinic and Youth Sports team opportunities are first shared directly through Mary Deeds' email, and then through the Youth Sports website and Columbus Academy Vikings social media pages, typically 3-4 weeks prior to the program start date. Registration is completed through a designated Google Form shared. Upon filling out registration, payment for participation is completed through billing one's school account after the program begins. Participation fees price range is based on if the

program is a clinic or a team. Upon completion of registration, a confirmation email will be sent before the clinic or sports season noting additional details, including payment.

Cancellations and Changes

For Junior Vikings clinics and Youth Sports teams, once you have submitted your registration, you are committed to attending all clinic dates or being a part of the team. If you need to cancel your participation, please email Mary Deeds at deedsm@columbusacademy.org before the start of the clinic or season.

Rules / Regulations

There are rules for specific sports that will be shared with participants at the beginning of each clinic or season by coaches. Additionally, any school policy in place applies to Junior Vikings youth sports programs. Any necessary regulations will be communicated to participants and their families by the coach or administrator, Mary Deeds. All of the Junior Vikings youth sports programs are developmental, focused on growth and teaching fundamentals of the sport in an environment where students are comfortable to learn.

Inclement Weather Policy

If there is inclement weather expected before any Junior Vikings youth sports program, families will receive an email from Mary Deeds day-of a clinic or the specific head coach will reach out if the participant is on a youth sports team. Indoor space is held for all Junior Vikings clinics. For youth sports teams, the facility space availability will be communicated by Mary Deeds to the coach, then passed along to the participant's family. Events may be canceled if inclement weather persists over a half hour.

Logistical Details

Junior Vikings clinics run on the weekends only, unless otherwise noted, for 1 hour and 30 minutes once a week for 4-6 weeks. Participants meet at a designated athletics facility on campus and check in with the administrator on duty before each clinic. When programming ends, pick-up takes place by a parent or guardian. Prompt pickup at the designated end time is appreciated. Youth Sports teams occur during a specific fall, winter, or spring season with practices and games. Practices are held later in the evening 2-3 times a week at a designated athletics facility on campus. Games are held on the weekends with home events at Columbus Academy and away events at other local schools or sports facilities. Transportation is provided by one's own parent or guardian.

Meet your CA Athletic Department!

CA MIDDLE SCHOOL

Meet your CA Middle School Department!

Shaka Arnold - Head of Middle School

arnolds@columbusacademy.org

Office: (614) 509-2237

Ed Rhee - Associate Head of Middle School

rheee@columbusacademy.org

(614) 509-2238

Lori Robison-Embry - Assistant to Middle School Head

robison-embryl@columbusacademy.org

(614) 509-2264

MIDDLE SCHOOL CLUB OFFERINGS

Environmental / Earth Day Club

Club Advisor: Julie Keating and Alison Eisert

keatingj@columbusacademy.org | eiserta@columbusacademy.org

The objective of the Environmental / Earth Day Club is to help students become conscious of both local and world environmental issues. Students will become mindful of ways to help protect and sustain their environment. In the spring, the group will organize and host an Earth Day Celebration for the entire middle school community. *Club meetings will take place on Wednesdays, beginning in mid-October. Please email Club Advisors for more information!*

Middle School Math Club

Club Advisor: Katie Castle and Emily Dennett

castlek@columbusacademy.org | dennette@columbusacademy.org

Middle School Math Club is a place for all Middle Schoolers who want to have fun doing math! We explore puzzles, games, math art, challenges, and more! For those interested, we also prepare for the MathCounts competition. *Club meetings will begin mid-September, please email Club Advisors for more information!*

Robotics Club

Club Advisor: Margaret Fowler and Michelle Platt

fowlerm@columbusacademy.org | plattm@columbusacademy.org

Robotics Club is a place where students will have hands-on opportunities to create technological solutions to problems. Together in teams they will hypothesize, design, plan, build, test, and refine their solutions. The club runs 10-12 weeks and meets every Tuesday after school for 75 minutes. Due to the commitment and team work required, we will offer two independent club sections allowing kids in Fall or Spring sports an opportunity to attend. The first club will start at the end of September and the second club will begin in February. Students can choose to participate in one or both clubs. *Please email Club Advisors for more information!*

Mountain Bike Club

Club Advisor: Kevin Malhame and Kristin Alexander

kevin@thenorthstarcafe.com | kristin.g.alexander@gmail.com

The Mountain Bike Club is for boys and girls in 6th - 12th grade. The club's goal is to enable students to have fun riding their bikes in nature. Team members will also develop technical riding skills, improve their fitness, and learn about themselves. Our team's activities will be focused on preparing for and racing at cross-country mountain biking events produced by the National Interscholastic Cycling Association (NICA), and the Ohio Mountain Biking League. The club runs from the beginning of August through the middle of October. Practices are on campus on Tuesdays from 5:45-7:30 pm and on Saturday mornings at local parks when there is not a race. There are four races throughout the season at various locations across Columbus. All Mountain Bike Club practices, rides, and races are optional so students can participate in both the MTB club and a CA sports team. *Please email Club Advisors for more information!*

ENRICHMENT GUIDE AT-A-GLANCE

This form is simply a guide to showcase each program in a format that is designed to assist in the planning process.
