About Columbus Academy

Recognized as a premier independent school in the nation, Columbus Academy has, since its founding in 1911, exemplified the country day school educational model. The heart of this model is the idea that the best interests of children are served when home and school work together.

At Columbus Academy, parents are integral members of our community. In our welcoming school, fully dedicated to the development of young scholars, athletes and artists of every kind, parents find what they are looking for: The school to trust with childhood.

We believe that [diversity, inclusion, equity and justice](#) are essential measures of our excellence. Our goal is not to mold young minds but to light them on fire.

[Visit us](#) and you will see this in [the way we teach](#) and the way [our 231-acre campus](#) is designed — the light, the energy and the interconnectedness of our mindfully designed learning spaces that allow for children to gaze out to the open sky.

Our Mission

Columbus Academy – an independent, coeducational college preparatory school – enriches its academic tradition of excellence by valuing a broad diversity of students as it seeks to develop the complete person: mind, body and character. The school rewards rigorous effort and accomplishment, fosters compassion, respect and moral courage, and insists on integrity, fair play and community service. Academy strives to develop and sustain a community of thoughtful, responsible, capable and confident citizens eager to engage in a pluralistic and ever-changing world.

Quality of Life in Columbus

Columbus is the 14th largest city in the United States with a population of 879,170. The city is perfect for active lifestyles, having invested \$20 million to develop a growing system of bike and fitness trails that connect the suburbs and river trails to downtown's \$44 million riverfront park system restoration. Columbus is gaining nationwide recognition for its historic neighborhoods, booming downtown arts and sporting districts, open attitude and a noticeably affordable quality of life. Position Description

Columbus Academy seeks a full-time Learning Specialist to support students in Grades 9-12, to begin August 2024.

The individual selected for this position will be expected to carry out the following responsibilities:

- Provide supportive instruction to students in both individual and small-group settings
- Design individualized daily lesson plans driven by course content
- Develop and implement instructional strategies to improve academic literacy
- Set individual student goals based on student assessment, classroom performance and formal evaluation
- Perform executive function analysis and instruction
- Encourage, over time, student academic independence and self-advocacy
- Foster literacy acquisition and development through a variety of strategies
- Perform educational needs assessment
- Assist with academic planning and educational organization
- Provide expertise in developing strategies with faculty to implement in the classroom to support student learning
- Partner with other support service providers to deliver a unified support program
- Use available technology to enhance the students' learning experiences
- Maintain effective record-keeping procedures (student narratives, comments, written goals)
- Communicate with teachers and parents regarding student progress
- Work collaboratively and build relationships with students and faculty of various departments
- Attend and participate in weekly faculty meetings
- Demonstrate a commitment to continuous professional growth
- Assume a share of supervisory responsibilities expected of all upper school faculty members
- Hold students accountable for the school's standards of behavior
- Assume student advisory responsibilities following 1-2 years of tenure

Qualifications

Preferred candidates will possess the following qualifications:

- Bachelor's degree; master's degree in education field preferred
- 3+ years of teaching experience as a learning or reading specialist
- Experience and training in teaching higher-level literacy and writing skills
- Experience and training in working with students with learning disabilities and executive function challenges
- Additional proficiency in math and/or science subjects a plus
- Excellent oral and written communication skills
- Ability to work independently and manage multiple responsibilities simultaneously
- Strong organizational skills

Physical Conditions

Candidates must be able to manage the following conditions:

- An office environment within an academic setting
- Mobility around school buildings and on different floors (handicap accessible)
- Repetitive motion (use of a computer keyboard)
- Periodic need to move light furniture, hang visuals, carry objects (no more than 40 pounds), etc.
- A non-smoking environment

Columbus Academy believes strongly in the principles of diversity, equity, inclusion and belonging. We strive to foster a diverse campus community, which recognizes the value of all persons regardless of religion, race, ethnicity, gender, sexual orientation, disability or socioeconomic background.

Legal requirements: All Columbus Academy employees must pass required criminal records checks. Where appropriate, individuals will also be required to provide proof of academic credentials.
