Columbus Academy

Hello friends, WELCOME BACK

— we're ready to serve up a great year!

We're committed to creating a dining experience you look forward to every day — a place where you can recharge, connect, and enjoy food that's fresh, flavorful, and made with care.

You can count on us for:

- ***Creative menus*** designed by your SAGE team and inspired by you
- ***Balanced, nutrient-dense options*** that fuel busy days
- ***Thoughtful support*** for food allergies, dietary needs, and eating patterns
- ***Fun special events*** and interactive food and wellness education

AND WE'RE ESPECIALLY EXCITED ABOUT WHAT'S *new and special* THIS YEAR:

- Fun menu additions tied to national food days throughout the year to bring extra excitement to our seasonal lunch offerings
- Enhanced catering presentations with clear signage and allergen information
- Stronger collaboration with the Parents' Association of Columbus Academy (PACA) to keep families informed about the dining program
- Ongoing partnership with the admissions team to recruit and welcome newly admitted students and families
- Educational Seasonings events that help teach our community more about food, ingredients, and culinary topics throughout the year
