SUMMER PROGRAMS FOR BABIES THROUGH SENIOR ADULTS AND PK-12TH GRADE

Columbus Academy

DEAR SUMMER EXPERIENCE FAMILIES,

It is with a happy heart that we share our 2019 Summer Experience offerings. We are very intentional and diligent in making sure we offer something for everyone at Columbus Academy. We are committed to reaching children where they are, understanding and supporting different learning styles, and advocating and caring for the diverse tapestry that is our world. CA Summer Experience is a place to feel safe and where everyone can be their true self. We encourage lifelong learning through exploring what excites and motivates you. From babies to golden agers, and everything in between, we hope you will find something that will spark wonder and enjoyment through fun and play. We cannot wait to see what you choose! Happy planning!

Sincerely,

ALYSSA KING, DIRECTOR

FEES, CANCELATIONS, REFUNDS AND DEADLINES POLICY

Course fees are located in the course descriptions and registration pages. Whether submitting a paper form or registering online, **registration is not complete until payment is received.** Cancellations or changes made prior to the appropriate deadline will incur no penalty and will be refunded in full. Cancellations made after the deadlines will be refunded at 25% of the program fee. Please understand that after these deadlines, we have made firm financial commitments to our faculty and staff, in addition to purchasing materials for the class. If a cancellation is made after the camp's start date, there will be no refund issued. If you do not notify us and your child does not attend, you will be subject to our no-show policy in which no refund will be issued. Changes made to schedules after the deadlines will be charged a non-refundable fee of \$25 per child plus any difference in camp fees. If late registrations are received after the deadlines, camp fees increase by 10%.

DEADLINES: May 16th for Sessions 1-5 and June 20th for Sessions 6-10

	Pre-K (Ages 3 – 5 and fully potty trained)	3
	Lower School (Rising K – Rising 5th)	11
	Middle School (Rising 6th – Rising 9th)	35
	Upper School (Rising 9th – Rising 12th)	57
	Family (EWM, Grown Up & Child, Adult & Senior)	63
	Meet the Teachers	73
	Columbus Academy Campus Map	81

TOP 5 FREQUENTLY ASKED QUESTIONS

1. Where is CA Summer Experience located?

Columbus Academy is located at 4300 Cherry Bottom Road in Gahanna. We are close to the intersection of Morse and Hamilton Roads and just minutes away from Easton Towne Center.

2. Are all programs held on campus?

The majority of our programs are held on campus; however, we do have off-site / traveling program partnerships within the community such as Fairy Tale Farm, Hoover Sailing Club and more. If a program is held off-site, it is indicated in the class description with the 🚌 icon.

3. Is lunch provided?

Lunch is provided for all Half +Plus (9:00am-1:30pm) and Full Day (9:00am-4:00pm) camps that are held on campus and is built into the price of the camp with the exception of Session 10, when all campers will be required to pack a nut free lunch. During Sessions 1-9, CA offers a hot main dish with two sides including vegetarian options as well as a salad bar, deli bar and pasta bar daily. We also do our best to accommodate all dietary requests / restrictions. Please contact our office if you have additional questions related to dietary concerns. Children are welcome to pack a lunch if they wish, but the lunch must be peanut and tree nut free.

Allergy policy: Columbus Academy Summer Experience is peanut and tree nut free.

4. Do I need to pay when I register?

Yes; payment in full is required at the time of registration. Registrations will not be processed and a space is not reserved in any program(s) unless full payment is received.

5. What if I need to cancel or change my child's schedule?

Deadlines are May 16, 2019 for Sessions 1 through 5 and June 20, 2019 for Sessions 6-10. Cancellations or changes made prior to those dates will incur no penalty, and program fee(s) will be refunded in full. Cancellations made after the deadlines will be refunded at 25% of the program fee. Please understand that after these deadlines, we have made firm financial commitments to our faculty and staff, in addition to purchasing materials for the class. If a cancellation is made after the camp's start date, there will be no refund issued. If you do not notify us and your child does not attend, you will be subject to our no-show policy in which no refund will be issued. Changes made to your child's schedule after the deadlines will be charged a non-refundable fee of \$25 per child plus any difference in camp fees.

PRE-KINDERGARTEN

(AGES 3-5 fully potty trained)

PRE-K GENERAL INFORMATION

Faculty, Staff and Sr. Counselors

CA Summer Experience employs current CA Faculty and Staff members as well as highly qualified outside sources as teachers of the Summer Experience programs. Sr. Counselors are typically local college students who have been hired after an extensive interview and training process. Sr. Counselors are assigned to camps each week and will accompany your child all day during their respective camp. CA Summer Experience also employs ample administrative staff to support daily programming.

Communication

Upon registration with full payment, you should receive a confirmation email from Summer_Experience@columbusacademy.org with your child's class schedule and additional information. You can expect communication via email from your child's teacher the Friday prior to camp starting and the Wednesday during the respective camp week. If registration is received late, there may be a delay in this communication.

Facilities

A majority of programs are held on CA's beautiful 231-acre campus that consists of a six-lane indoor pool, computer labs with iMac computers, nature trails, outdoor classroom space, low ropes elements, eight tennis courts, Schoedinger Theatre seating 430, two full-length gymnasiums, a weight room, a ceramics studio, five art studios, three libraries, five playgrounds, eight science labs, four soccer fields, two turf fields, an all-weather track, a full service dining hall, three music rooms, and two baseball fields. The campus may be accessed from the West on Cherry Bottom Road or from the East via Beecher Road off of Hamilton Road. (Please refer to the campus map on the inside of the back cover.)

Field Trip and Off-Site Transportation

Columbus Academy utilizes school bus rental as a means of transportation for field trips and off-site programs. All drivers have proof of credentials and background checks. CA also has a fleet of 7 passenger vans that will be used for smaller traveling groups. All drivers are employees of Columbus Academy and are van-certified.

Extended Care Programs

Available on a pre-registration or drop-in basis, Before Care and After Care are held from 7:00 am to 8:30 am and 4:00 pm to 6:00 pm, respectively. Before Care offers a variety of quiet activities for your child as he or she gets ready for the day. After Care features exciting themed activities, outdoor play, and snack time, as well as quiet places for children to explore and reflect on the experiences they have had at CA. **Parents MUST pick up their children from After Care by 6:00 pm. Parents that do not pick up their children by the end of After Care will be charged \$1.00 per minute beyond 6:00 pm.** If Before or After Care are not needed for the full week, proration is available by contacting our office at (614) 509-2267. Please understand there can be no proration for the combo pricing.

Before Care	\$50 per week	\$10 per day
After Care	\$62.50 per week	\$12.50 per day
Before and After Care Combo	\$85 per week	5 day option only

Before / After Care is best accessed by parking in the Academy Hall Parking Circle near the main entrance to the school. Follow the **ORANGE** signage into the Theatre entrance of the Lower School to the Before / After Care room.

Parents must come into the After Care room and provide a photo ID to sign out their child each day.

Lunch

Lunch is provided by Columbus Academy's Dining Service for Pre-K Half +Plus and Full Day programs for Sessions 1-9. Session 10 offers a full day program, but requires that all students pack a lunch as the Dining Hall will remain closed August 5-9. During Sessions 1-9, Pre-K students eat lunch in a Pre-K friendly dining room within CA's Dining Hall and are served an assortment of offerings including a hot main dish with two sides, vegetarian options and salad in a family style setting. We do our best to accommodate all dietary requests / restrictions. Please contact our office if you have additional questions related to dietary concerns. Children are welcome to pack a lunch if they wish, but the lunch must be peanut and tree nut free.

Allergy Policy: Columbus Academy Summer Experience is peanut and tree nut free.

Daily Drop-off/Pick-up

There will be signage all around campus to help direct parking, as well as a color coded system to follow from the parking areas to help guide you to the correct entrance. Please see the CA campus map on the inside of the back cover for general parking information. Pre-K will follow the **YELLOW** signage.

Drop-off for Pre-K (ages 3-5) is at 8:30 am in the lobby entrance of the Lower School. Pre-K parents or guardians should follow campus signage to the Pre-K parking area (Academy Hall Parking Loop) and escort children into the building to meet with their class. There will be CA Staff available to help parents and students get to their drop-off areas. **Any student who arrives prior to 8:30 am and is not accompanied by an adult will be escorted to Before Care and charged the daily rate of \$10.**

Pick-up for the Half Day program is 11:30 am. If your child is participating in the Half +Plus program, he or she will continue with the program until 1:30 pm. If your child is participating in the Full Day program, he or she will continue with the program until 4:00 pm. All Pre-K pick-up times will be in the Pre-K classrooms. **Parents or guardians will need to come into the classroom and provide a photo ID to sign children out.** If someone other than a parent / guardian will be picking up your child, and you have not completed an authorized pick up list, please notify a staff member during drop-off. If your child is not picked up by 4:15 pm, he or she will be taken to After Care, at which time you will be charged the daily rate of \$12.50.

Late Drop-off/Early Pick-up

If it is necessary to drop off or pick up your child at any time other than the designated camp times, the Operations Lead is available to help with these transitions. If you know this information ahead of time, you may discuss with your child's teacher to make any necessary arrangements. You may also contact the Operations Lead any time during camp hours at 614-653-3117 to arrange a pick-up or drop-off.

Electronics Policy

With the increase in the technology around us, electronics are no longer prohibited at camp; however, we expect that these devices be put away unless specifically required for a camp or in the case of an emergency.

Discipline Action Plan and Termination

Attendees who are found to bully or harass others will generally be subject to serious disciplinary action, including prohibition from further attendance. CA Summer Experience reserves the right to remove any camper from our program for disciplinary reasons. If a child is removed for disciplinary reasons, there will be no refund.

PRE-K PROGRAM DAILY DETAILS

Calling all 3 to 5-year-olds! Are you fully potty trained? Do you want to have fun in the sun this summer? Are you interested in storybooks and things that crawl? Do you want to do it all? Join our expert teachers on a wild adventure throughout the summer at Columbus Academy's Pre-K Summer Experience.

The Pre-K program activities are based on weekly themes. Special guests, arts and crafts, science, games, outdoor education, creative movement, and story time are used to express those themes. Children are encouraged to discover and develop their academic, creative, and social skills at their own pace. Opportunities for active and experiential learning are offered each day through child-initiated and teacher-directed activities in order to assist children in their intellectual, physical, social, and emotional development. We are committed to creating an enriching environment where children are in the continuous process of development based on their individual ability, readiness, and interest. Our emphasis is on play and having fun.

A Pre-K camper's day starts at 8:30 am and programming lasts until 11:30 am, which completes the Half Day option of Pre-K. Should you choose to stay for Half +Plus, you will continue on to lunch and themed activities until 1:30 pm. Should you choose to stay for Full Day, you will continue on to lunch, rest time, and additional Pre-K programming until 4:00 pm. If needed, Before Care is available from 7:00 am to 8:30 am and After Care is available from 4:00-6:00 pm. Campers have the choice of joining us for two, three, or five-day weekly sessions. Your child's experience will focus on the importance of self-confidence and play in a child's life. The activities reflect this each day as your child joins in the fun of cooperative play with others in an environment that promotes a confident and positive attitude.

Snacks are provided each morning and afternoon. The dress is casual: a t-shirt, shorts, and tennis shoes are recommended. Swimming suits are needed for sprinkler days. Please check the Pre-K newsletter and signage on the Pre-K doors to know when sprinkler day will be each week of camp as it can vary based on weather conditions. **Please send an extra outfit in a resealable bag with each camper on the first day of camp.**

Pre-K Summer Experience Staff

AM Coordinator: Debbie Newman

PM Coordinator: Tim Byrer

The Columbus Academy Pre-K staff consists of experienced classroom teachers and senior counselors. A maximum ratio of 6:1 is maintained, with a limit of twenty students per section.

CA defines potty trained as:

1. No longer in training pants/pull ups while awake or asleep (with the exception of medical conditions).
2. Using the toilet for both urination and bowel movements.
3. Able to wipe him/herself after using the toilet.
4. Able to tell the teachers that he/she needs to use the restroom beforehand.

Special Features

Pre-K Special Features are offered Sessions 1 and 10. These camps are modeled after our Lower School programs and offer Pre-K campers the opportunity to experience specialty programming. See page 6 for more details on Special Features.

NEW! for 2019: Session 2 - Nature and Sunbury Urban Farm

In addition to our regular CA Pre-K staff and curriculum, students of Session 2 will spend time each morning at the Crane Outdoor Learning Center with special visitors from Sunbury Urban Farm. To make a full day schedule, students can attend PM Programming instructed by Columbus Academy Pre-K Staff.

Pick-up for these Half Day programs is at 11:30 am at the entrance of the Schoedinger Theatre, unless your child is participating in the Half +Plus or Full Day program. For more information on drop-off and pick-up, please see the Pre-K General Information on page 4.

BalletMet: The Wiggle Jig

3 to 5-year-olds | Session 1 (M-W, F)

Instructor: BalletMet Dance Academy Staff

Mornings (8:30a-11:30a) \$170

BalletMet's Wiggle Jig program combines fun and dancing to positively impact early childhood learning as youngsters wiggle, glide, leap and twirl through this week-long mini-camp experience. We will follow the dance adventures in BalletMet's book, Leap and Twirl. Imagination will lead the way as we use costumes and props to develop the children's fantasies into movement and dance. Join us for this magical time of creativity, movement, and fun!

Earth Explorers

3 to 5-year-olds | Session 1 (M-W, F)

Instructor: Grace Gordon

Mornings (8:30a-11:30a) \$170

Calling all nature explorers! We will spend the week tromping through mud, rolling logs, building wooden shelters, and learning about the natural world from our Base Camp in the forest. Together, we will name our special spot and spend each day getting to know it better. Join us if you want to experience the outdoors in a new way!

Infinity and Beyond

3 to 5-year-olds | Session 1 (M-W, F)

Instructor: Little Scholars Staff

Mornings (8:30a-11:30a) \$170

5,4,3,2,1 blast off to a galaxy far, far away to learn about Earth and the amazing solar system. Discover all things galactic such as comets, planets, shooting stars, rockets and more. Learn about flight, the adventures of space travel, and participate in a rocket launch!

Fun Fair Foods

3 to 5-year-olds | Session 1 (M-W, F)

Instructor: Young Chefs Academy Staff

Mornings (8:30a-11:30a) \$190

Step right up for the greatest camp of the summer! Our little campers will spend their days cooking yummy fair foods and creating their very own fair themed games and crafts.

Forest School

3 to 5-year-olds | Session 10 (M-F) | Instructor: Sunbury Urban Farm Staff

Full (9a-4p) \$285 | Half +Plus (9a-1:30p) \$175 | Half (9a-11:30a) \$145

Columbus Academy is excited for the return of this popular program in connecting with nature! We will be using our Crane Outdoor Learning Center as our home base and the forest as our classroom. Daily, we will spend time connecting with the world around us through the living world of nature. There is a very strong connection to learning through play in a natural setting and all of the benefits that it presents. This program will help with independence and confidence while preparing your child for the adventure of education that lies ahead of them. When we are outside, we learn organically; when we play, our minds open to all of the possibilities surrounding us. Join us for this exploration of our natural world with our youngest and most inquisitive of friends! **Half+Plus and Full Day students are required to pack a nut free lunch each day.**

FEES, CANCELATIONS, REFUNDS AND DEADLINES

Course fees are located in the course descriptions and registration pages. Whether submitting a paper form or registering online, **registration is not complete until payment is received.** Cancellations or changes made prior to the appropriate deadline will incur no penalty and will be refunded in full. Cancellations made after the deadlines will be refunded at 25% of the program fee. Please understand that after these deadlines, we have made firm financial commitments to our faculty and staff, in addition to purchasing materials for the class. If a cancellation is made after the camp's start date, there will be no refund issued. If you do not notify us and your child does not attend, you will be subject to our no-show policy in which no refund will be issued. Changes made to schedules after the deadlines will be charged a non-refundable fee of \$25 per child plus any difference in camp fees. If late registrations are received after the deadlines, camp fees increase by 10%.

DEADLINES: May 16th for Sessions 1-5 and June 20th for Sessions 6-10

LOWER SCHOOL (GRADES K-5)

LOWER SCHOOL GENERAL INFORMATION

Faculty, Staff and Sr. Counselors

CA Summer Experience employs current CA Faculty and Staff members as well as highly qualified outside sources as teachers of the Summer Experience programs. Sr. Counselors are typically local college students who have been hired after an extensive interview and training process. Sr. Counselors are assigned to camps each week and will accompany your child all day during their respective camp. CA Summer Experience also employs ample administrative staff to support daily programming.

Communication

Upon registration with full payment, you should receive a confirmation email from Summer_Experience@columbusacademy.org with your child's class schedule and additional information. You can expect communication via email from your child's teacher the Friday prior to camp starting and the Wednesday during the respective camp week. If registration is received late, there may be a delay in this communication.

Facilities

A majority of programs are held on CA's beautiful 231-acre campus that consists of a six-lane indoor pool, computer labs with iMac computers, nature trails, outdoor classroom space, low ropes elements, eight tennis courts, Schoedinger Theatre seating 430, two full-length gymnasiums, a weight room, a ceramics studio, five art studios, three libraries, five playgrounds, eight science labs, four soccer fields, two turf fields, an all-weather track, a full service dining hall, three music rooms, and two baseball fields. The campus may be accessed from the West on Cherry Bottom Road or from the East via Beecher Road off of Hamilton Road. (Please refer to the campus map on the inside of the back cover.)

Field Trip and Off-Site Transportation

Columbus Academy utilizes school bus rental as a means of transportation for field trips and off-site programs. All drivers have proof of credentials and background checks. CA also has a fleet of 7 passenger vans that will be used for smaller traveling groups. All drivers are employees of Columbus Academy and are van-certified.

Lower School Sample Daily Schedule

Check-in	8:30 am	—	9:00 am
AM Themed Programming	9:00 am	—	11:30 am
Lunch Rotation	11:30 am	—	1:30 pm
(Lunch / Free Choice Activity)			
PM Themed Programming (continued)	1:30 pm	—	4:00 pm

Note- Lower School Half and Half +Plus options would end at 11:30 am and 1:30 pm respectively; see below for more details.

Half Day and Half +Plus Programs

Some programs offer a half day and half +plus option. Please see course listings for availability. Half day programs include the morning themed programming session from 9:00 am to 11:30 am. Half +plus programs include the morning themed programming from 9:00 am to 11:30 am PLUS lunch and free choice activity from 11:30 am to 1:30 pm. **Half day and half +plus programs cannot be combined with other half, or half +plus programs.**

Extended Care Programs

Available on a pre-registration or drop-in basis, Before Care and After Care are held from 7:00 am to 8:30 am and 4:00 pm to 6:00 pm, respectively.

Before Care offers a variety of quiet activities for your child as he or she gets ready for the day. After Care features exciting themed activities as well as quiet places for children to explore and reflect on the experiences they have had at CA. **Parents MUST pick up their children from After Care by 6:00 pm. Parents that do not pick up their children by the end of After Care will be charged \$1.00 per minute beyond 6:00 pm.** If Before or After Care are not needed for the full week, proration is available by contacting our office at (614) 509-2267. Please understand there can be no proration for the combo pricing.

Before Care	\$50 per week	\$10 per day
After Care	\$62.50 per week	\$12.50 per day
Before and After Care Combo	\$85 per week	5 day option only

Before / After Care is best accessed by parking in the Academy Hall Parking Circle near the main entrance to the school. Follow the **ORANGE** signage into the Theatre entrance of the Lower School to the Before / After Care room.

Parents must come into the After Care room and provide a photo ID to sign out their child each day.

Lunch

Lunch is provided by Columbus Academy's Dining Service for **most** of the programs and is built into the price of the camp for Sessions 1-9. Session 10 camps will **all** be required to pack a lunch as the Dining Hall will remain closed August 5-9. Most off-site camps require students to bring a lunch; please check individual course descriptions for lunch specifications. During Sessions 1-9, CA offers a hot main dish including vegetarian options, as well as a salad bar, pasta bar, and deli bar. We also do our best to accommodate all dietary requests / restrictions. Please contact our office if you have additional questions related to dietary concerns. Children are welcome to pack a lunch if they wish, but the lunch must be peanut and tree nut free.

Allergy Policy: Columbus Academy Summer Experience is peanut and tree nut free.

Daily Drop-off/Pick-up

There will be signage all around campus to help direct parking, as well as a color coded system to follow from the parking areas to help guide you to the correct entrance. Please see the CA campus map on the inside of the back cover for general parking information. Lower School will follow the **GREEN** signage.

Check-in for Lower School (rising K through 5th grade) programs is between 8:30 am and 9:00 am in a gym of the Athletic Complex. Lower School parents or guardians should follow campus signage to the Lower School parking area (Athletic Parking Lot) and escort children into the building no earlier than 8:30 am. There will be CA Staff available to help parents and students get to their check-in areas. Students will check-in directly with their Sr. Counselor inside the gym. **Any student who arrives prior to 8:30 am and is not accompanied by an adult will be escorted to Before Care and charged the daily rate of \$10.**

Pick-up is between 4:00 pm and 4:15 pm in a gym of the Athletic Complex. **Parents or guardians will need to come into the gym and provide a photo ID to sign children out.** If someone other than a parent / guardian will be picking up your child, and you have not completed an authorized pick up list, please see a staff member at drop-off. If your child is not picked up by 4:15 pm, he or she will be taken to After Care, at which time you will be charged the daily rate of \$12.50.

Late Drop-off/Early Pick-up

If it is necessary to drop off or pick up your child at any time other than the designated camp times, the Operations Lead is available to help with these transitions. If you know this information ahead of time, you may write it on the sheet provided at the Help Desk outside the gyms. You may also contact the Operations Lead any time during camp hours at 614-653-3117 to arrange a pick-up or drop-off. **Note: Early pick ups are not available after 3:30pm.**

Friday Showcase

Some of our camps perform in our weekly Friday Showcase to share their new skills or creations with their parents and fellow campers. All parents and families are welcome to attend. *For 2019 only*, these shows are held in the Dining Hall and typically begin at 3:15 pm on Friday afternoons. Information regarding the Friday Showcase will be communicated via email and CA Summer Experience's Facebook page.

What to Wear/Bring

Campers should wear comfortable, weather-appropriate clothing and shoes, and should also consider bringing a bookbag, water bottle and sunscreen to camp each day. Please check the course descriptions to see if any other materials are needed for each individual program. If the student is planning to participate in free swim for their free choice activity, campers should also pack a bathing suit, towel and plastic bag for wet clothes. Should a child misplace an item, there will be a Lost & Found table located near the Athletic Complex lobby throughout the summer. Columbus Academy is not responsible for any lost personal items.

Free Choice Activity

Students participating in half +plus or full day programs on campus will have a free choice activity period before or after their lunchtime. Campers may choose from the following daily options: free swim, computer lab, outdoor free play, or quiet reading and crafting room. Children participating in the free swim option will need to bring a bathing suit and towel each day they wish to swim, along with a plastic bag for their wet clothes.

**Electronics Policy**

With the increase in the technology around us, electronics are no longer prohibited at camp; however, we expect that these devices be put away unless specifically required for a camp or in the case of an emergency. We have designated screen time during Before / After Care and free choice for those who wish to participate. Check-in/out in the gyms will be strictly enforced as "no device zones".

Discipline Action Plan and Termination

Attendees who are found to bully or harass others will generally be subject to serious disciplinary action, including prohibition from further attendance. Children will receive one warning and CA Summer Experience reserves the right to remove any camper from our program for disciplinary reasons. If a child is removed for disciplinary reasons, there will be no refund.

Important 2019 Policies

Based on parental feedback and continuous improvement efforts, please note the following Columbus Academy policies:

- Lower School students will check into the Jones Gym while Middle School students will check into the Barton Room. The Mack Gym will be closed for the summer due to construction.
- A substantial amount of construction will take place on CA's campus throughout the summer. We appreciate your patience and flexibility during this time.
- Registration will close on Fridays at 12pm for the following week's camp session to ensure safety, proper preparation and a successful experience for all campers.
- Check-in / out in the gyms will be strictly enforced as "NO DEVICE ZONES" to foster an environment of building relationships and encouraging children to interact with each other, counselors and teachers.
- A security officer and an Operations Lead will now be present in the Athletic Parking Lot to direct traffic and enforce parking drop-off procedures.
- For 2019 only, Friday Showcases will be held in the Dining Hall.
- For Session 10, all students will be required to pack a lunch; the Dining Hall will remain closed August 5-9.

SPORTS CLINICS

- Sports Clinics are joining forces with a Sports & More camp to offer a consistent full day option.
- Sports Clinics can not be paired with a camp other than Sports & More or another Sports Clinic to make a full day schedule.

FEES, CANCELATIONS, REFUNDS AND DEADLINES POLICY

Course fees are located in the course descriptions and registration pages. Whether submitting a paper form or registering online, **registration is not complete until payment is received.** Cancellations or changes made prior to the appropriate deadline will incur no penalty and will be refunded in full. Cancellations made after the deadlines will be refunded at 25% of the program fee. Please understand that after these deadlines, we have made firm financial commitments to our faculty and staff, in addition to purchasing materials for the class. If a cancellation is made after the camp's start date, there will be no refund issued. If you do not notify us and your child does not attend, you will be subject to our no-show policy in which no refund will be issued. Changes made to schedules after the deadlines will be charged a non-refundable fee of \$25 per child plus any difference in camp fees. If late registrations are received after the deadlines, camp fees increase by 10%.

DEADLINES: May 16th for Sessions 1-5 and June 20th for Sessions 6-10

LOWER SCHOOL SUMMER EXPERIENCE

Programs are in alphabetical order and categorized by Academics, Arts & Sciences, and Athletics programming. The Lower School Registration Form is on page 31. **Please note: "rising" indicates the grade your child will be entering in the 2019-2020 school year.**

Academics

Books Galore!

Rising K-2 | Session 3 | Instructor: Leah Baughman
Full (9a-4p) \$260 | Half +Plus (9a-1:30p) \$160 | Half (9a-11:30a) \$130
Hearing books read aloud is an extremely important component of the elementary classroom. Throughout this camp, students will be read aloud to, expanding their vocabulary and working on their comprehension skills. We will compare and contrast the adventures of different characters and practice retelling skills. Throughout the week, we will also make fun crafts to help us further our understanding.

Computer Skills & Fun

Rising 2-5 | Session 6 | Instructor: Michelle Faciana
Full (9a-4p) \$260 | Half +Plus (9a-1:30p) \$160 | Half (9a-11:30a) \$130
Now is the time to play and create projects on the computer. Students will use their basic computer skills while exploring various educational and fun websites on the Internet and by using a variety of multimedia software. PowerPoint, Word, Pixie, Inspiration, and the Internet are only a few tools students will use in this class. More experienced students will be challenged to expand on their projects and activities. The emphasis will be on fun!
Students are required to bring in a personal flash drive to save their work from the week.

Favorite Childhood Stories

Rising K-2 | Session 2, 4 | Instructor: Rusty Oates
Full (9a-4p) \$260 | Half +Plus (9a-1:30p) \$160 | Half (9a-11:30a) \$130
Reading has never been so much fun! Join us as we learn about some of the most famous childhood stories of all time. We will read, learn, play, create, and most importantly, HAVE FUN. Students will have the opportunity to engage with stories such as Winnie the Pooh, Dr. Seuss, Berenstain Bears, Clifford, How to Eat Fried Worms, Stuart Little, Disney, and more.

Fly with Chinese

Rising K-2 | Session 5 (M-W, F) | Instructor: Na Li
Rising 3-5 | Session 6 | Instructor: Na Li
5: Full (9a-4p) \$210 | Half +Plus (9a-1:30p) \$135 | Half (9a-11:30a) \$105
6: Full (9a-4p) \$260 | Half +Plus (9a-1:30p) \$160 | Half (9a-11:30a) \$130
Have you ever wondered what it would be like to know another language? Come fly with Chinese! Join native Chinese instructor, Na Li, on this weeklong journey through Chinese language and culture. Fly with Chinese is an authentic experience where your child will learn to speak and write Chinese as well as learn the culture of China. In the program, your child will experience hands-on activities such as Chinese calligraphy, Chinese paper folding and other crafts, dancing and music, Chinese chess, and Chinese sports.

FUNDamentally Social!

Rising 2-5 | Session 1 (M-W, F), 7 | Instructor: Alisha Porter
1: Full (9a-4p) \$210 | Half +Plus (9a-1:30p) \$135 | Half (9a-11:30a) \$105
7: Full (9a-4p) \$260 | Half +Plus (9a-1:30p) \$160 | Half (9a-11:30a) \$130
Come join us and learn the basics and more of what it takes to have a great SOCIAL experience. Do you enjoy playing games? Working as a team? Doing team-building activities? Then this is the class for you! We work on all of these skills while creating memories and having FUN learning the FUNDamentals of LIFE!

Grades Plus Game

Rising 3-5 | Session 7, 9 | Instructor: Francwau DuBose
Full (9a-4p) \$285 | No Half +Plus | No Half
Come out and have fun with the Grades Plus Game program which is an innovative math and science program designed to integrate academics and physical education through sports and cooperative games!

If You Give a Child a Book

Rising K-2 | Session 7 | Instructor: Rusty Oates
Full (9a-4p) \$260 | Half +Plus (9a-1:30p) \$160 | Half (9a-11:30a) \$130
Watch books come alive! Come have fun with us as we explore the books of Laura Numeroff. Based on the similarly titled books, this camp will explore such selections as "If You Give a Mouse a Cookie." We will do so much more than just read these intriguingly funny books. In the classroom, students will help to bring the stories to life. We will read stories, make crafts, make and eat yummy snacks, and play in the world that Numeroff has created.

Keyboarding

Rising 2-5 | Session 8 | Instructor: Michelle Faciana
Full (9a-4p) \$260 | Half +Plus (9a-1:30p) \$160 | Half (9a-11:30a) \$130
Type to Learn® 4: Agents of Information is a comprehensive, instructional keyboarding program that covers skills ranging from beginner to advanced students. Type to Learn® 4 a web-based program built on a proven method of sequential skill-building instruction. This program uses 36-leveled lessons and includes a diagnostic pre-test, reviews, demonstrations, practice exercises and activities, and multiple formative assessments. We will explore free online typing games that students can play at home to practice on their own. We will also partake in a variety of creative writing activities that will utilize our typing skills. **Students are required to bring in a personal flash drive to save their work from the week.**

MathVentures

Rising 2-4 | Session 10 | Instructor: A Grade Ahead Staff
Full (9a-4p) \$285 | No Half +Plus | No Half
Math can be magical! Matt the Magician will guide students through adventures including money, time, measurement, geometry, and fractions. Students will use critical thinking skills that require investigation, inquiry, and collaboration to solve math puzzles and games. **Students are required to pack a nut free lunch each day.**

Our Solar System

Rising 3-5 | Session 1 (M-W, F) | Instructor: Leah Ecaruan
Full (9a-4p) \$210 | Half +Plus (9a-1:30p) \$135 | Half (9a-11:30a) \$105
Come explore our solar system! During this camp, students will learn all the basic information about the solar system, as well as dive deeper into topics such as asteroid research, the sun, and why Pluto was demoted from planetary status. During this camp, students will work on important skills such as reading non-fiction texts, researching, and using evidence to support claims.

Ready for K!

Rising K | Session 4 | Instructor: Leah Baughman

Full (9a-4p) \$260 | Half +Plus (9a-1:30p) \$160 | Half (9a-11:30a) \$130

Headed to kindergarten in the Fall? This is the camp for you! Throughout the week, we will review letters and sounds as well as counting and numbers! This camp will be full of read alouds, hands-on activities, and lots of fun center-based learning.

Storybook Songs

Rising K-2 | Session 6 | Instructor: Amy Jackson

Full (9a-4p) \$260 | Half +Plus (9a-1:30p) \$160 | Half (9a-11:30a) \$130

Singing and stories and crafts, OH MY! There is no denying that the connection between music and literacy is important to early reading and musical development. The two grow best when done simultaneously rather than apart. In this camp, children will experience their stories sung rather than spoken, as well as music-listening activities and crafts that will enhance literacy and stretch their imagination.

Uni-Stories

Rising K-2 | Session 5 (M-W, F) | Instructor: Amy Jackson

Full (9a-4p) \$210 | Half +Plus (9a-1:30p) \$135 | Half (9a-11:30a) \$105

One horn, many stories! In this camp, students will read and study books like "A Unicorn named Uni," "Not Quite Narwhal," and "A Unicorn Named Sparkle." Students will also do a variety of crafts and games, as well as centers and whole-group activities that will develop their literacy and inspire imagination.

Writing Across Columbus

Rising 1-5 | Session 10 | Instructor: TBA

Full (9a-4p) \$495 | No Half +Plus | No Half

Calling all writers and artists! Learn how to write about your surroundings while also experiencing Columbus. Through daily field trips, students will find excitement in the things around their city as they explore, observe, and think creatively. We will focus on short stories, character development, descriptions of scenes, poetry, and much more. For the budding artist, students can stretch their creative muscles and incorporate illustration and design into their work. Students will improve their skills as they learn to describe their surroundings through writing and illustrating. We will travel each day to places that will inspire us such as Thurber House, Columbus Metropolitan Main Library and Topiary Garden, Franklin Park Conservatory, and local Metro Parks. Join us for an adventure of sights, sounds, and WORDS! **Students are required to pack a nut free lunch each day. Notebooks and writing utensils will be provided, but students may bring their own supplies as well.**

🚗 **This is a traveling/off-site program.**

Young Scholars

Rising K | Session 2, 8 | Instructor: Jessica Espasandin

Rising 1 | Session 9 | Instructor: Jessica Espasandin

Full (9a-4p) \$260 | Half +Plus (9a-1:30p) \$160 | Half (9a-11:30a) \$130

This camp will help support your child by focusing on skills that are needed in the upcoming school year. Our days will be spent practicing letter and number formation, letter sounds, introductory math concepts, fine and gross motor skills, color and shape identification and so much more!

Arts & Sciences

Arts & Sciences classes require dress for mess attire.

A World of Art to See!

Rising 2-5 | Session 3, 8 | Instructor: Brittany Schwarck

Full (9a-4p) \$270 | No Half +Plus | No Half

Do you love to use clay? Have you ever wondered how to do origami? Join us on a journey across the world as we investigate and experience art making from different cultures! We will venture to far away lands and explore both contemporary and ancient art making techniques. No passport required!

Act Out Theater Camp

Rising K-4 | Session 1 (M-W, F) | Instructor: McKenzie Vaughn

Full (9a-4p) \$210 | Half +Plus (9a-1:30p) \$135 | Half (9a-11:30a) \$105

In Act Out Theater Camp, students will learn how to have strong stage presence, great reading skills, improvisation skills, and character development. Students will immerse themselves in fun theatre games, concentration games, and interactive warm up activities. We will be learning and reading a story book and performing a theatrical rendition during the showcase at the end of the week! **Students should wear comfortable clothing and closed-toe shoes. No flip flops.**

Adventurous Explorers

Rising 3-5 | Session 1 (M-W, F) | Instructor: TrekNetwork Staff

Full (9a-4p) \$400 | No Half +Plus | No Half

Adventurous Explorers is an ideal combination of experiential learning, fun and adventure. Rock climbing, kayaking, archery, shelter building and survival training make for an awesome four day adventure. Participants are encouraged to interact with the environment as they learn survival skills and gain knowledge of forest edibles stream ecology, wildlife and bugs. The archery module includes safety and shooting skills instruction along with friendly competition. We'll go rock climbing downtown at Scioto Audubon Metropark and cap off the week with a fun day of kayaking. No experience is required and all equipment and instruction are provided. **TrekNetwork waivers are required for every participant and will be distributed via email before camp begins. Campers must arrive on the morning of day one with signed waivers to be able to participate. Students should come prepared for any weather, ready to perform rigorous activities and be able to swim.**

All Things Disney

Rising K-2 | Session 2 | Instructor: Leah Baughman

Full (9a-4p) \$260 | Half +Plus (9a-1:30p) \$160 | Half (9a-11:30a) \$130

This will be a camp full of the wonderful world of Disney! We will be exploring multiple Disney movies through books, clips, crafts, and activities. Throughout the week, we will discuss the different themes and messages portrayed in Disney movies and apply them to our own lives.

Arcade Electronics

Rising 2-4 | Session 3 | Instructor: Sciensational Workshops Staff

Full (9a-4p) \$310 | No Half +Plus | No Half

Get ready to build and play your own arcade games! You will have at your disposal resistors, switches, wires, LED diodes, transistors, and more. We will program a spinning light fan to display different sayings. Let's also build a Home Run Derby game, see who gets the most home runs before getting ten outs, and a winning song will cheer! If that's not enough, we will also build circuits that can test your memory, play the card game 21, or emit different funky sounds! Play with a disco ball, sirens, or a light show as we learn the effects of the different electronic components. We will also learn about amps, volts, resistance and power. Come experience the Sciensational Workshops' way of learning where it is hands-on fun!

Around the World

Rising K-4 | Session 5 (M-W, F) | Instructor: Coral Lee Bishop
Full (9a-4p) \$210 | Half +Plus (9a-1:30p) \$135 | Half (9a-11:30a) \$105
Experience other countries and cultures around the world in games, stories, songs, tastes, and words - the sky is the limit! Learn all about the lives of children like you in other countries and try some of the things they love to do! Every day we will explore different places around the globe. Come prepared for an action-packed week of fun, learning and play!

Around the World in 80 Songs

Rising 3-5 | Session 9 | Instructor: Rusty Oates
Full (9a-4p) \$260 | Half +Plus (9a-1:30p) \$160 | Half (9a-11:30a) \$130
Travel around the world with music. The one thing every culture has in common is music! We will explore different countries and their musical styles. Travel around the world with us as we learn about instruments, songs, and dances from different cultures.

Art and Nature

Rising 1-4 | Session 1 (M-W, F) | Instructor: TBA
Full (9a-4p) \$210 | Half +Plus (9a-1:30p) \$135 | Half (9a-11:30a) \$105
Come explore the wonders of nature and create art through a variety of natural mediums. Come play amongst the trees and hear the bird's song. Take time to commune with nature and plug into the creative juices that flow through the veins of the leaves and the patterns of the flowers. Bring only your imagination and the outdoors will supply the rest.

Art of Reading

Rising K-2 | Session 2 | Instructor: Jordan Ankerman
Full (9a-4p) \$260 | Half +Plus (9a-1:30p) \$160 | Half (9a-11:30a) \$130
In the Art of Reading, we will explore exciting picture books and create awesome art projects to go along with them! Each day, we will read a story all together and then do an art project that corresponds with the themes and illustrations of the book. The projects will allow campers to explore different mediums of art such as drawing, painting, and even sculpting with clay! Come join us on our artistic adventure!

BalletMet: Dance, Turn, Leap & Learn

Rising K-2 | Session 7 | Instructor: BalletMet Dance Academy Staff
Full (9a-4p) \$285 | No Half +Plus | No Half
Step onto the stage and inside the magic with BalletMet! We will combine fun and dance in this experiential based camp where students learn ballet, jazz, improv, and creative dance styles. Using games, props, costumes, and arts and crafts, we will explore telling stories through movement with famous ballets, classic fairy tales, and original choreography. Campers will go on a field trip to BalletMet to get an inside look at our professional studios, classes, and costume shop. Dancers prepare to leap, twirl, and soar across the stage in a premiere performance you won't want to miss at the Friday Showcase.

Be a Designer

Rising 3-5 | Session 7 | Instructor: Helma Groot
Full (9a-4p) \$290 | No Half +Plus | No Half
In Be a Designer camp, you will make and design your own clothes. We will use new and recycled fabrics and clothes to create dazzling designs. You will learn to sew by hand and on the sewing machine. Those who already know how to sew will improve their amazing skills. We will also study pattern making and materials used in fashion design. You will have the choice to show off your fabulous designs in a fashion show during the Friday Showcase.

Broadway Boot Camp

Rising 2-5 | Session 8 | Instructor: McKenzie Vaughn
Full (9a-4p) \$260 | No Half +Plus | No Half
If you want to sing, dance, design costumes and set pieces, and become a stage star, Broadway Boot Camp is the place for you! In the course of a week, students will learn 2-3 songs from a popular Broadway show. This season will be The Lion King! Our day will begin by singing through our music and learning lines. Then we will learn choreography to go along with the music. By mid-week, students will organize and design their costumes along

with specific props for the show. All of this will be done in preparation for the Friday Showcase! We hope to see you in Broadway Boot Camp this summer!
Students should wear comfortable clothing and closed-toe shoes appropriate for moving and dancing. No sandals or flip flops.

Bucket Drumming 101

Rising 3-5 | Session 3 | Instructor: Rusty Oates
Full (9a-4p) \$260 | Half +Plus (9a-1:30p) \$160 | Half (9a-11:30a) \$130
Come learn to turn household items into musical instruments! Bucket drumming, also called street drumming, is a style of music which involves drumming on plastic buckets and other objects to create melodies. The most common object used by bucket drummers are five-gallon plastic buckets, but other objects can be used, including glass bottles, pots, and pans. We will learn techniques, rhythms, and learn how to turn just about anything into a musical opportunity. This camp can't be BEAT!

Camp COSI on Wheels: Become the Scientist!

Rising K-4 | Session 9 | Instructor: COSI Staff
Rising 3-5 | Session 8 | Instructor: COSI Staff
Full (9a-4p) \$310 | No Half +Plus | No Half
Question, touch, build, create, and learn with Camp COSI on Wheels! In this spectacularly scientific summer camp, you'll step into the shoes of a new kind of scientist each day with refreshed activities for 2019! Launch into space to explore rockets and rovers one day, then explore the inner workings of the human body the next. From our environment to engineering and the science of living things, Camp COSI is presented by COSI Educators and is always exciting, always electric, and always hands-on!

Camp Invention®

Rising K-4 | Session 7 | Instructors: Kate Kaura & Robert Krum
Full (9a-4p) \$310 | No Half +Plus | No Half
Camp Invention has a brand new theme this year: Supercharged! We will learn about 54 world-changing inventors, all inductees into the National Inventors Hall of Fame who share stories of perseverance, collaboration, and creativity. Some Supercharged highlights of this year's modules will be: 1) Creative Problem Solving: Children team up to rebuild ships and design underwater equipment in Deep Sea Mystery™, 2) DIY Orbot™: Participants explore circuit boards, motors and gears as they design a remote-control bot to take on obstacles from sports to dance, 3) Innovation: Children collaborate with inventor superheroes and take on roles of engineers, fabricators and innovators to conquer villains in Innovation Force™ and 4) Confidence: Students become successful entrepreneurs in Farm Tech™, as they code bots to turn a polluted wasteland into a money-making machine and create devices to save animals.

Camp Pinterest

Rising K-2 | Session 9 | Instructor: Betsy Zoeller
Rising 2-5 | Session 4 | Instructor: Betsy Zoeller
Full (9a-4p) \$285 | Half +Plus (9a-1:30p) \$175 | Half (9a-11:30a) \$145
Come experiment with Pinterest projects. We will be working in groups and individually on various projects found on Pinterest. We will challenge ourselves to work through difficult projects and to try new things. We might even experience a few failures... but we will keep trying!!

Campers Who Care: Lemonade Stand

Rising 3-5 | Session 2 | Instructor: Young Chefs Academy Staff

Full (9a-4p) \$295 | No Half +Plus | No Half

Summer is the perfect time for lemonade stands! Join us to support Alex's Lemonade Stand, a non-profit organization dedicated to ending childhood cancer. We'll spend the week creating signs, flyers, and delicious recipes to sell on our big day. From pizza rolls to gourmet lemonade and chocolate fudgy bon bons, we'll bake up a storm. Be sure to stop by our lemonade stand on the last day of camp to sample our creations and see the results of our "fruitful" work! All proceeds from the lemonade stand will be donated to Alex's Lemonade Stand in care of Young Chefs Academy.

Can You Dig It?

Rising K-4 | Session 2 | Instructor: Sciensational Workshops Staff

Full (9a-4p) \$310 | No Half +Plus | No Half

Archaeology and Paleontology seem like big words to kids. Now Sciensational Workshops for Kids will make them come alive. Each child will partake in a simulated fossil excavation, uncovering the different bones of a dinosaur and then will assemble the bones to form a completed 3-dimensional dinosaur to be taken home. We will provide the excavation tools, labels and specimen bags. We will use our geological time and fossil charts. You will make a plaster fossil replica of an ammonite, a Tyrannosaurus Rex tooth or choose from other molds. You'll identify 20-million year old shark's teeth and see other fossil replicas such as a cave bear tooth, an ammonite, a Tyrannosaurus Rex tooth, or a dinosaur egg! See and work with our rock and mineral collection. Be a rock hound and identify different rocks and minerals. See and hold our giant pumice rock specimen - it's from Mt. St. Helens. This week will be fun and educational.

Carnival Cooking and Fun!

Rising K-4 | Session 4 | Instructor: Young Chefs Academy Staff

Full (9a-4p) \$295 | No Half +Plus | No Half

Step right up for the greatest camp of the summer! We'll spend our days creating carnival foods like baked funnel cakes, fair fries, corn dogs, lemonade shake ups, and other yummy carnival creations. We'll also plan, design, and create our very own carnival games and decorations. On Friday, campers will attend the carnival they created...games, food, prizes, and more!

Celebrate Everything

Rising K-4 | Session 7 | Instructor: Jessica Espasandin

Full (9a-4p) \$260 | Half +Plus (9a-1:30p) \$160 | Half (9a-11:30a) \$130

What did you do for Squirrel Appreciation Day this year? What about Pretzel Day? National Chocolate Cake Day? NOTHING? Well... forget what you know about holidays because you have never celebrated like this! Every day is cause for celebration! And celebrate we will with games, food, art, outdoor play... you name it! (And we just might learn something in the process!) There will be lots of cooking, eating, and art in this class, so dress for mess!

Chess Kings and Queens

Rising K-4 | Session 1 (M-W, F), 10 | Instructor: Kyle Jones

Rising 3-5 | Session 4 | Instructor: Kyle Jones

1: Full (9a-4p) \$220 | Half +Plus (9a-1:30p) \$140 | Half (9a-11:30a) \$110
4, 10: Full (9a-4p) \$270 | Half +Plus (9a-1:30p) \$165 | Half (9a-11:30a) \$135

Chess Kings and Queens provides students the opportunity to learn world champion strategies, basic tactical sequences, endgame patterns, and tournament rules and regulations. In addition, we will learn about the rich history of the game and the stories that have come before us. Each day students will participate in their very own tournament to be able to use skills

and strategies they've been taught. **Please note for Session 10 only: Half Plus and Full Day students are required to pack a nut free lunch each day.**

Chess Masters

Rising 3-5 | Session 9 | Instructor: Kyle Jones

Full (9a-4p) \$270 | Half +Plus (9a-1:30p) \$165 | Half (9a-11:30a) \$135

Chess Masters provides students with the most advanced curriculum to prepare them for tournament play. Students will be given the necessary tools to be able to create reasonable plans in complex positions. Campers will learn advanced tactical themes. Each day students will participate in our very own tournament to put their strategies to the test.

Clay Play!

Rising 3-5 | Session 5 (M-W, F) | Instructor: Tera Stockdale

Full (9a-4p) \$230 | Half +Plus (9a-1:30p) \$145 | Half (9a-11:30a) \$115

Have fun playing in the dirt! Clay Play students will create a variety of functional and decorative ceramic pieces through traditional and experimental techniques. We'll examine construction methods and get creative with everyday objects and natural items to create texture and patterns. Learn to silkscreen your bisque pieces for endless combinations of designs. Come join us as we put our hands in the mud while learning about the history and science of clay!

Comedy Magic

Rising K-4 | Session 10 | Instructor: Carroll Baker

Full (9a-4p) \$295 | No Half +Plus | No Half

Children love magic, and they really love learning and performing it! Carroll Baker's classes are a great way for your child to have fun learning to become an amazing magician, performer, and presenter. Beyond the entertainment value, magic helps improve digital dexterity, coordination, visual perception, spatial relationships, critical thinking, creativity, public speaking skills, self-confidence, and imagination. This class will focus on fun and easy magic, comedy styles and how to incorporate them into a show. On the last day of camp, we will perform on stage at the Friday Showcase. **Students are required to pack a nut free lunch each day.**

Community and Leadership

Rising 3-5 | Session 4 | Instructor: Little Scholars Staff

Full (9a-4p) \$270 | Half +Plus (9a-1:30p) \$165 | Half (9a-11:30a) \$135

Community and Leadership is a unique opportunity for students to learn how to develop their business skills while impacting the world around them. Our future leaders will learn about entrepreneurship, public speaking, civic involvement and community outreach opportunities with an engaging curriculum to channel their desire to have a positive impact on the world around them.

Cooking Farm-to-Table at Young Chefs Academy

Rising 3-5 | Session 10 | Instructor: Young Chefs Academy Staff

Full (9a-4p) \$310 | No Half +Plus | No Half

Join Young Chefs Academy in this unique camp that takes campers on a locally grown culinary adventure out of Columbus Academy and into the kitchens at Young Chefs Academy! Campers can expect to get their hands dirty and explore the science behind growing, eating and cooking foods that you might grow in your own back yard. With the help of the community, campers will get to know what real farm to table looks like, tastes like and how they can be a part of it! **Please note students will be walking to and from Young Chefs Academy each day, and the distance is approx. 1/2 mile. Students are required to pack a nut free lunch each day.**

🚗 **This is a traveling/off-site program.**

Cool Cupcakes

Rising 3-5 | Session 1 (M-W, F) | Instructor: Young Chefs Academy Staff

Full (9a-4p) \$230 | No Half +Plus | No Half

Have a sweet tooth and love of cupcakes? Then this is your camp! Each day we'll create and decorate cupcakes in a variety of themes. Campers will create homemade cupcakes, fondant, frosting and learn fun decorating techniques. They'll even take some cupcakes home to share!

Crazy Chemistry and Silly Science

Rising 2-5 | Session 3 | Instructor: Jordan Ankerman

Full (9a-4p) \$285 | Half +Plus (9a-1:30p) \$175 | Half (9a-11:30a) \$145

In Crazy Chemistry & Silly Scientists, campers will put on their lab coats and goggles and dive into exciting science experiments! We will do in-class experiments like elephant toothpaste, take-home experiments like slime and ooblek, and SO much more! Campers will even have an opportunity to make their own science experiments with a team. Join us as we combine materials like a chemist and experiment with silly science!

Creating Your First Android Mobile App

Rising 3-5 | Session 5 (M-W, F) | Instructor: CodeMonster Staff

Full (9a-4p) \$330 | No Half +Plus | No Half

Students will build mobile apps using App Inventor, an advanced drag-and-drop type of programming. It was originally developed by Google and now is maintained by MIT. App Inventor allows children to develop apps and games for Android, a mobile operating system that empowers close to 90% of all tablets and smartphones in the world. **Prior experience with basic drag-and-drop programming such as Scratch or equivalent is preferred.**

Creating Your First iPhone/ iPad Mobile Game

Rising 2-5 | Session 10 | Instructor: CodeMonster Staff

Full (9a-4p) \$410 | No Half +Plus | No Half

Students will learn how to code and create their own computer games and animation on the IOS platform. Instead of playing games on the iPad, campers can learn how to create their own games by dragging and dropping LEGO-styled blocks on the screen. This class will improve students' critical thinking, logic, and creativity while teaching them to solve problems effectively. Campers will also focus on Algorithm and logic thinking using Pseudo coding, explore the advantage of re-usable codes using functions, and improve their knowledge on technical jargon. **No prior knowledge of computer programming is required; however, students should know how to use touch to navigate around the screen. Students are required to pack a nut free lunch each day.**

Creative Creations

Rising 2-5 | Session 2 | Instructor: Jaclyn Davis

Full (9a-4p) \$270 | Half +Plus (9a-1:30p) \$165 | Half (9a-11:30a) \$135

Have fun exploring new crafting skills and hobbies. Each day will include a new technique and skill for you to try. Sewing, creative painting, sculpting and yarn work are just a few that we will explore. You'll learn new styles, methods, and even the history of these crafts. Come try your hand at something new or come enhance a skill you already have.

Crocheting for Beginners

Rising 3-5 | Session 9 | Instructor: Cat Mailloux

Full (9a-4p) \$270 | No Half +Plus | No Half

Jump into the art of crocheting! This class is an introduction to crocheting for beginners. Learn how crocheting is really just a series of stitches and knots woven together. First we will learn crocheting with just our fingers and yarn to make bracelets, necklaces, and garlands. Then, we will learn how to use a

crochet hook and basic crocheting stitches to make coasters, dish cloths, pot holders, crocheted critters, and a granny square that you can use to start your own blanket. Join us to learn the relaxing and useful art of crocheting, a skill you can use for the rest of your life!

CSI Columbus

Rising 3-5 | Session 5 (M-W, F) | Instructor: Sciensational Workshops Staff

Full (9a-4p) \$250 | No Half +Plus | No Half

This class will be an investigation into the field of forensic science. You will learn to assess the scene of a crime and collect evidence as you work with classmates to solve a fictitious crime. Short stories and a guest speaker will assist us in our learning and investigations. Come ready to sharpen your problem-solving and critical thinking skills!

Dancing with the Stars

Rising 3-5 | Session 6 | Instructor: Inspiration to Movement Staff

Full (9a-4p) \$290 | No Half +Plus | No Half

Want to dance like the stars on TV? From the drama of the tango to the energy of the jive, ballroom and Latin dancing have taken the country by storm as millions tune in every week to see their favorite stars go head-to-head and toe-to-toe. During this energy-packed week, students will learn the steps, rhythms, and techniques of some of the most popular dances as seen on TV. Taught by a current professional ballroom dancer, this camp will also help to develop the presentation skills, partnering, and confidence necessary to be a champion. At the end of the week, students will present a *Dancing with the Stars* style formation on stage during the Friday Showcase. Whether your desire is to compete and perform or just gain confidence and coordination, this camp is for the dancer in you!

Digital Photography with iPhone or iPad

Rising 3-5 | Session 6 | Instructor: Bill Walker

Full (9a-4p) \$275 | No Half +Plus | No Half

Have fun taking better digital photos! Learn the basics of exposure, lighting, shutter speed, depth of field, composition, and contrast. We will take portraits, landscapes, panoramas, and documentary images and will explore editing in the device. We will also create slide shows with narration and explore a bit of step animation. **Students are required to bring their own iPad or iPhone and purchase two photo apps (under \$10 total) after the first day of camp. It will be important that students purchase those apps on Monday night as we will use them every day.**

Discover Ohio

Rising 2-5 | Session 10

Instructors: Michael Fatten, Johari Mitchell & Amanda Vesner

Full (9a-4p) \$550 | No Half +Plus | No Half

Join us on an adventure across Ohio to discover our hidden treasures. In this class, we will travel each day to a "hot spot" that you will want to return to again and again. Trains and boats? We've got them. Rainforests? We've got them. Stingrays? You guessed it. We've got them, too! Roller coasters? Absolutely, some of the best! This is a non-stop exploration of the best Ohio has to offer. **Students are required to pack a nut free lunch each day.**

☞ **This is a traveling/off-site program.**

Disney Royalty

Rising K-2 | Session 1 (M-W, F), 7 | Instructor: Amy Jackson

1: Full (9a-4p) \$210 | Half +Plus (9a-1:30p) \$135 | Half (9a-11:30a) \$105

7: Full (9a-4p) \$260 | Half +Plus (9a-1:30p) \$160 | Half (9a-11:30a) \$130

Come explore our magical kingdom! Join us for a magical week as we highlight inspiring moments and qualities of several Disney princesses. Campers will learn about their own beautiful qualities by learning about their favorite Disney ladies from Snow White's kindness to Belle's intelligence and Tiana's perseverance. Campers will engage in a variety of crafts and activities, sing songs, and even complete a "fairy godmother" service project throughout the week. Campers will round out their week with a celebratory tea party on our last day. Our Columbus Academy royalty are encouraged to dress the part and are always expected to wear their invisible crown.

Drawing from Nature

Rising 3-5 | Session 7 | Instructor: Cat Mailloux

Full (9a-4p) \$285 | No Half +Plus | No Half

Calling all nature and art enthusiasts! Join this class to learn the basic skills of drawing and painting by immersing yourself in nature. Create a plant taxonomy and practice drawing like a botanical artist, learning about proportions, different types of shading, and developing your eye for detail. Learn how to use watercolor and acrylic paint by painting landscapes, using texture, perspective, and color theory techniques to make your paintings come to life. We will spend most of this class outside, visiting different Metro Parks throughout Columbus to explore nature through drawing and painting first-hand.

Earth Adventure

Rising 3-5 | Session 3 | Instructor: Grace Gordon

Full (9a-4p) \$260 | No Half +Plus | No Half

Join us for a week of adventure where we will explore the forest that surrounds Columbus Academy. We will build forts using only natural materials, get wet in the stream, camouflage our bodies and hide in the woods, and follow animal tracks. Come use all of your senses to connect with this beautiful natural area and discover a deeper sense of place.

Eco-Explorers

Rising 3-5 | Session 7 | Instructor: A Grade Ahead Staff

Full (9a-4p) \$285 | Half +Plus (9a-1:30p) \$175 | Half (9a-11:30a) \$145

Hop in our Jeep or submarine and explore with us! Students will examine different ecosystems and how animals behave and interact with one another. Through project-based learning and activities, our student-centered curriculum will make biology fun and understandable.

Emotional IQ: Social and Emotional Learning

Rising K-2 | Session 5 (M-W, F) | Instructor: Betsy Zoeller

Rising 3-5 | Session 10 | Instructor: Betsy Zoeller

5: Full (9a-4p) \$210 | Half +Plus (9a-1:30p) \$135 | Half (9a-11:30a) \$105

10: Full (9a-4p) \$260 | Half +Plus (9a-1:30p) \$160 | Half (9a-11:30a) \$130

Come join us on a journey exploring your own Emotional IQ! We will all work together to learn about Emotional Intelligence, how to practice a growth mindset, and learn strategies that will teach us how to cope with difficult things that will come up throughout life. Ready... Set... Grow! **Please note for Session 10 only: Half Plus and Full Day students are required to pack a nut free lunch each day.**

EZ Magic

Rising K-4 | Session 2 | Instructor: Carroll Baker

Full (9a-4p) \$295 | No Half +Plus | No Half

Children love magic, and they really love learning and performing it! Carroll Baker's classes are a great way for your child to have fun learning to become an amazing magician, performer, and presenter. Beyond the entertainment value, magic helps improve digital dexterity, coordination, visual perception, spatial relationships, critical thinking, creativity, public speaking skills, self-confidence, and imagination. This camp will focus on magic for small hands with objects such as coins, ropes, and other objects. On the last day of camp, we will perform on stage at the Friday Showcase.

Fairy Ways

Rising K-4 | Session 3 | Instructor: Amy Jackson

Full (9a-4p) \$260 | Half +Plus (9a-1:30p) \$160 | Half (9a-11:30a) \$130

Roald Dahl once said "Those who don't believe in magic will never find it." In this camp, we will focus on finding magic in nature through the eyes of the nymphs, pixies, and fairies. Between nature walks, fairy houses, pixie crafts, and stories, campers will expand their imagination as they discover the natural world around them. After exploring the Columbus Academy outdoor classroom for 4 days, students will take a field trip to the Inniswoods Metro Garden to visit fairies from another land. **Students are required to wear closed-toe shoes and are encouraged to bring jackets, bug spray, and an open imagination.**

Fantastic Folk Dancing

Rising 3-5 | Session 2 | Instructor: Kelsey Fulmer

Full (9a-4p) \$260 | Half +Plus (9a-1:30p) \$160 | Half (9a-11:30a) \$130

Come join us for a fantastic week of folk dancing! We will be exploring traditional song and dance, which we will incorporate into familiar songs of today. By the end of the week, your student will have learned different types of folk dancing, the songs associated with those dances, and how those styles of dancing can be incorporated into new songs. It will be a blast!

Fun with Photography

Rising 3-5 | Session 3 | Instructor: Genevieve Adkins

Full (9a-4p) \$260 | No Half +Plus | No Half

This class is ideal for anyone wanting to learn about photography in a fun way. Students will learn basic photography techniques and apply them in the field. We will explore the techniques of color, light and shadow, lines, the rule of thirds and positive and negative space. We will practice these skills around the Columbus Academy campus and use them to complete various projects. Our images will then be presented in a gallery-slideshow at the end of the week.

Students are required to bring a basic digital camera (the more options on the camera the better, but a basic point-and-shoot will work fine as well).

Fusion Bead Fun!

Rising K-3 | Session 5 (M-W, F) | Instructor: Jared Circle

Full (9a-4p) \$285 | Half +Plus (9a-1:30p) \$175 | Half (9a-11:30a) \$145

Your child will unlock their creativity, develop focus, and improve fine motor control while they have a great time making their favorite characters, animals, and shapes come to life! Your camper will make pre-formed patterns, creative designs, 3D stacking patterns, and even spend a day using the apps to convert any image to a fusion bead pattern. You will get to see the results of their work everyday as they bring home a new and different creation from our camp. Students will make individual projects, and our camp will focus on a week long "class project" that we will auction on Friday with proceeds going to the Licking County Food Network in care of Jared Circle.

Galaxy Cooking: May the Food be with You!

Rising K-4 | Session 6 | Instructor: Young Chefs Academy Staff

Full (9a-4p) \$295 | No Half +Plus | No Half

We're traveling to a galaxy far, far, away for inspiration for this fun cooking camp! We'll create recipes inspired by Star Wars including Yoda Sodas, Tie Fighter Ties, Darth Taters, and Bantha Burgers. There will be a variety of crafts and games to encompass a whole lot of fun for this exciting camp.

Games Throughout History

Rising 3-5 | Session 8 | Instructor: Amanda Vesner

Full (9a-4p) \$260 | Half +Plus (9a-1:30p) \$160 | Half (9a-11:30a) \$130

Have you ever wondered how board games and card games were invented? What about where they came from? Then this is the camp for you! During the week, we will explore the history and learn how to play the games Go, Mah Jong, Backgammon, and Rummy just to name a few.

Gotta Sing!! Gotta Dance!!

Rising K-2 | Session 9 | Instructor: Alessandra Rogers/Gotta Sing!! Gotta Dance!!
Full (9a-4p) \$285 | Half +Plus (9a-1:30p) \$175 | Half (9a-11:30a) \$145
Come join us for a fun camp where the skills you learn will help you outside of the classroom. We will be learning songs that include solo work, blending, harmonizing, movement and choreography. We will also learn self expression, diction, public speaking, making a presence, how to get rid of nerves, and finding an outlet for your feelings. This musical journey is for the experienced and inexperienced, and we hope you leave loving musical theatre, feeling confident, ready to take on your fears and having made new friends.

Gym Skills: Hip Hop

Rising K-5 | Session 9 | Instructor: Gym Skills Staff
Full (9a-4p) \$285 | Half +Plus (9a-1:30p) \$175 | Half (9a-11:30a) \$145
Come join Gym Skills for a fun and upbeat hip hop program! Throughout the week, students will learn everything from the history of the hip hop culture to a variety of dance styles such as breaking, popping/locking, and krumping to help with rhythm and coordination. Dancers will perform individually and in groups. Students will be taught choreographed routines to be performed at the Friday Showcase!

Harry Potter- Travel on Our Magical Science Tour!

Rising K-4 | Session 8 | Instructor: Sciensational Workshops Staff
Full (9a-4p) \$310 | No Half +Plus | No Half
All aboard for lots of hands-on fun! Join in the escapades of Harry and his friends: play quidditch, make an edible wand, and brew some fantastic potions to drink. Let's create and watch some amazing chemical reactions like watching a mirage appearance; you won't believe it! Do you wonder where the sorting hat will place you? Come join us where the magic of science, art, and literature meet. Harry, Ron, and Hermione are waiting for your arrival!

Harry Potter's Care of Magical Creatures

Rising 3-5 | Session 6 | Instructor: Sarah Dove
Full (9a-4p) \$260 | Half +Plus (9a-1:30p) \$160 | Half (9a-11:30a) \$130
Have you ever found yourself wishing that you could be in the wizarding world of Harry Potter? Look no further! In this camp, students will be taking a closer look at the Harry Potter books and the recent Fantastic Beats films in order to learn more about its fantastical creatures and examine other popular stories that share similarities with this magical world. Campers will learn about magical creature care and think about how the issues surrounding the treatment of magical creatures can also be seen with ordinary animals in the world around us. By doing this, campers will be encouraged to explore themes such as compassion, bravery, unity, and determination. As we focus on specific "creatures-of-the-day", we will take a look at the books, films, crafts, games, and much more that might be found inside the world of Harry Potter!

Harry Potter's Defense Against the Dark Arts

Rising 3-5 | Session 3 | Instructor: Sarah Dove
Full (9a-4p) \$260 | Half +Plus (9a-1:30p) \$160 | Half (9a-11:30a) \$130
In the world around us, sometimes we witness injustice. Through an exploration of a similar moment of injustice in the Harry Potter series, campers will be encouraged to conjure up their own magic through the power of critical thinking in order to provide creative solutions to confronting injustice in the world around them. As a class, we will come up with a strategic flow chart for how the theme of the day could reach a solution that would dissolve the darkness of injustice.

Helping Hands: The Great Bake Sale!

Rising 3-5 | Session 9 | Instructor: Young Chefs Academy Staff
Full (9a-4p) \$295 | No Half +Plus | No Half
It's time to bake for a cause! We'll spend the week preparing for The Great Bake Sale featuring sweets like cookies and cakes, and savory surprises. Campers will design their own flyers, banners, pricing and menus for a final bake sale on Friday with proceeds going to Cookies for Kids Cancer in care of Young Chefs Academy. We'll have our cake, eat it too, and give back to a very worthy cause.

Hogwarts Summer Satellite

Rising 2-5 | Session 2 | Instructor: Michelle Schroeder
Full (9a-4p) \$270 | Half +Plus (9a-1:30p) \$165 | Half (9a-11:30a) \$135
By order of the headmaster of the Hogwarts School of Witchcraft and Wizardry, we are pleased to offer the Hogwarts Summer Satellite School for Gifted Muggles. All fundamental OWL pursuits are covered in this intensive summer program: Herbology, Care of Magical Creatures, Transfiguration, Potions, Divination, and Defense Against Dark Arts. All muggles will learn the joys of Quidditch - no previous experience required. Look for Bleacher 9 3/4 at the appropriate time.

Inspired to Move

Rising K-2 | Session 6 | Instructor: Inspiration to Movement Staff
Full (9a-4p) \$290 | No Half +Plus | No Half
It's time to get moving! Join the professional dancers of Inspiration to Movement Studio on an integrative movement experience like no other. Students will develop strength, flexibility, and body awareness while gaining experience in how to use these skills expressively to music. They will explore these concepts through structured practice and improvisation with traveling and stationary movement from ballet, jazz, ballroom, and modern dance, which they will then present at the Friday Showcase. Each student will receive a limited edition t-shirt with participation.

Interpretive Dance

Rising 3-5 | Session 4 | Instructor: Kathy Mendenhall
Full (9a-4p) \$275 | No Half +Plus | No Half
Interpretive Dance is an energetic and creative class that blends ballet, modern, lyrical, jazz, and some sign language. Blending these dance forms causes a uniqueness that speaks to each child differently. They are encouraged to flow, within a framework, the way their bodies interpret what they feel, hear, and see with the musical pieces. As we dance and create together, each day brings a special unity, fluidity, and passion that is hard to put into words, but its beauty can be felt and seen. It is truly a great experience! **Students are required to wear comfortable clothing that allows for free movement and ballet shoes. Course fee includes cost of costuming for the Friday Showcase.**

Jedi Engineering with LEGO®

Rising K-2 | Session 2 | Instructor: Drobots Staff
Full (9a-4p) \$385 | No Half +Plus | No Half
Prepare for a full-day LEGO camp packed with hands-on and minds-on STEM fun! Build projects inspired by cool machines close to home such as Cities, Garbage Trucks, and Catamarans. Then build X-Wings, Energy Catapults, and Defense Turrets from a galaxy far, far away! Learn about BOTH kinds of The Force in this new full-day themed engineering camp for LEGO fanatics!

Journey Through Whoville

Rising K-3 | Session 4 | Instructor: Columbus Children's Theatre Staff
Full (9a-4p) \$285 | No Half +Plus | No Half
Bring the classic stories of Dr. Seuss to life with CCT! This camp will build acting, reading, and poetry skills while we explore the worlds of Dr. Seuss favorites such as The Lorax, The Cat in the Hat, Horton Hears a Who!, and more. Professional teaching artists will lead students in acting exercises and character exploration to create a Seuss-inspired Friday Showcase!

Junior Drone Pilots

Rising K-2 | Session 3 | Instructor: Robots Staff

Full (9a-4p) \$385 | No Half +Plus | No Half

Junior Drone Pilots is specifically designed for campers with little to no experience flying drones. We use the safest and most reliable drone products on the market, including the Parrot™ drones for enhanced safety and most of all, fun. Campers will learn the basics of drone technology and safety before taking to the air. Through the use of iPad flight simulators and clear instructions on basic flying maneuvers, young Robots' pilots will experience a program filled with excitement, games, challenges, and learning. Campers work all week long to prepare for the most enjoyable part of the week: the Ultimate Drone Games that include events such as: Tic-Tac-Drone, Drone Darts, Duck-Duck-Drone, and more. All campers go home with interactive workbooks and plenty of Robots Company keepsakes so the memories last long beyond the summer. Drone safety and the social responsibilities of flying drones are included in this program.

Junior Inventors Workshop and Food Camp!

Rising 2-4 | Session 7 | Instructor: Engineering for Kids Staff

Full (9a-4p) \$310 | No Half +Plus | No Half

We have opened up the workshop for a week of fun, creativity, and of course engineering! Over the course of a week, students will invent new machines and explore creative design solutions using the Engineering Design Process. Discover how a wind-up toy works and design your own drawing robot inside the Engineering For Kids Inventor's Workshop. Students will also be exposed to the engineering of FOOD! Everyone has to eat, and engineers are involved in all steps of getting food from a farm to your table. Engineers help figure out how to make food, package it, and how to deliver it to your table safely. The week wouldn't be complete without learning how assembly lines can help produce tasty treats in the quickest way possible and seeing one in action with a field trip to Anthony Thomas Candy Factory!

Junior Programming: Space Pioneers/ Aerospace Engineering

Rising 1-3 | Session 8 | Instructor: Engineering for Kids Staff

Full (9a-4p) \$295 | No Half +Plus | No Half

In the mornings, campers will learn how to use Scratch to create and program sprites, backdrops and basic scripts. Embark on a fun journey to space with Scratch! Send an astronaut to the moon and defend your moon base from space rocks. In the afternoons, we will get up out of our seats and explore Aerospace Engineering! This program introduces our youngest engineers to fundamental concepts of aircraft and spacecraft design. Through open and focused exploration, students explore and construct airplanes, rockets, hot air balloons, and more.

Junior Robotics and Marine Engineering

Rising 2-4 | Session 1 (M-W, F), 6 | Instructor: Engineering for Kids Staff

1: Full (9a-4p) \$240 | No Half +Plus | No Half

6: Full (9a-4p) \$295 | No Half +Plus | No Half

Robots come in a variety of shapes and sizes and each are designed to perform unique tasks. In this class, students will develop a basic understanding of how robots are designed and programmed to be used in

the real world every single day. They will then create their very own designs and program their robots to move and perform jobs ranging from lifting simple objects to cleaning up large-scale natural disasters. In the afternoons, students will explore what causes something to sink or float and how engineers can help explore and protect the ocean below. Campers will learn about the concepts of marine engineering and mechanics by harnessing the power of water and discovering designs that help us make the impossible, possible.

Junior Toys and Twisted Fairy Tales

Rising 1-3 | Session 5 (M-W, F) | Instructor: Engineering for Kids Staff

Full (9a-4p) \$240 | No Half +Plus | No Half

Toys have always inspired creativity in children. In this camp, young engineers will learn the concepts of Mechanical Engineering and put them into action to become expert Toy Makers as they design and build their very own toys including an operation game; our version of a boomerang; an a-mazing-maze; and many more! Students will also explore several traditional fairy tales from different points of view and engage in activities to investigate solutions for each fairy tale's obstacles. In the Twisted Fairy Tales portion, we will design a getaway vehicle for the heroine from Kate and the Beanstalk, help The Three Billy Goats Fluff devise a method to cross the bridge quietly and not wake the Troll, and several other classics! Join us in this one-of-a-kind engineering adventure!

Kids Exploratory Coding Playground

Rising K-2 | Session 1 (M-W, F) | Instructor: CodeMonster Staff

Full (9a-4p) \$330 | No Half +Plus | No Half

You're never too young to start coding! This course is specially created for young children in rising grades K to 2. We are using Scratch Jr. to encourage a light and playful environment to create a digital story and simple animation. Students will be immersed in their own creation using their own voice and giving a sequence of instructions using lego-styled blocks. The main objective is to let students take control of their creation and gain an understanding of how he/she can alter the behavior and sequence of events (Please note syntax or algorithm will not be discussed as this is not the objective of the course). This introductory course will empower young children to gain confidence in themselves and be aware of human and computer interaction.

Kids Visual Game Coding Using Scratch

Rising 2-5 | Session 4 | Instructor: CodeMonster Staff

Full (9a-4p) \$410 | No Half +Plus | No Half

Students will get to code and create their own computer games by dragging and dropping LEGO-styled blocks on the screen. We will learn how to use Scratch, a computer programming platform developed by MIT that is used extensively worldwide to introduce coding to children. This class will improve students' critical thinking, logic, and creativity while teaching them to solve problems effectively. We will also focus on Algorithm and logic thinking using Pseudo coding, explore the advantage of re-usable codes using functions, and learn how to pass arguments into functions. **No prior knowledge of computer programming is required; however, students should know how to use the mouse to navigate around the computer screen.**

LEGO Robot BattleBot Camp

Rising 2-5 | Session 4 | Instructor: Robot Academy Staff

Full (9a-4p) \$400 | No Half +Plus | No Half

This camp encourages creative problem solving as the students learn engineering skills with fun and engaging activities. Campers build and program LEGO Robots to compete in a BattleBot championship! The robots will battle "to the death", and the designers of the "last robot standing" for each round will win ribbons. No experience is necessary. We teach children everything they need to know to put together a winning BattleBot. Students will also complete individual building and programming activities and win trophies for their achievements at our award ceremony.

Let's See How It's Made

Rising K-5 | Session 10 | Instructors: Nic Eader & Robert Krum
Full (9a-4p) \$495 | No Half +Plus | No Half

Have you seen the documentary show How It's Made? Come along on an adventure around Columbus to discover the inner workings and behind the scenes of how the things you love are created. Learn about the original ideas that have evolved into marketable products. Let's explore the machinery, engineering, robotics, and genius minds that have worked endlessly to make dreams come alive. **Students are required to pack a nut free lunch each day.** 🚗 **This is a traveling/off-site program.**

Little Medical School®: The Doctor Will See You Now!

Rising 2-5 | Session 9 | Instructor: Little Medical School Staff
Full (9a-4p) \$395 | No Half +Plus | No Half

The Little Medical School® strives to engage children about medicine, science, and the importance of health in an entertaining, exciting, and fun way. In this camp, the student doctor will explore and better understand what happens when the body does not work as it is designed to. Students will learn about common diseases and how they affect the body as well as the importance of taking care of your body. We will review disorders of the heart, blood (sickle cell disease and leukemia), and many more topics through interactive, hands on demonstrations, crafts, and games.

Little Medical School®: Is There a Doctor in the House?

Rising K-4 | Session 4, 6 | Instructor: Little Medical School Staff
Full (9a-4p) \$395 | No Half +Plus | No Half

The Little Medical School® offers children the opportunity to learn about medicine, science, and the importance of health in an entertaining, exciting, and fun way. This camp encourages children to do this as they explore the exciting and inspiring world of medicine. Using interactive demonstrations, crafts, and games, children learn how the body and organs work, how to use the instruments that real doctors use, and even tie knots like a real surgeon. Children get their own stethoscope that really works! Students will learn all about and make models of the spine, brain, bones, the exciting eye, and much more. At the end of the week, each student will graduate with a diploma from the Little Medical School®.

Little Veterinarian School®: Healthy Pets are Happy Pets

Rising K-4 | Session 3, 10 | Instructor: Little Medical School Staff
Full (9a-4p) \$395 | No Half +Plus | No Half

This unique program encourages children to role-play and explore the exciting world of veterinarians. Using interactive demonstrations, crafts and games, children learn how to take care of a pet and use instruments that real veterinarians use. A preview into our week and topics to be covered, include but are not limited to, the following:

- Learning the importance of proper care and nutrition to keep dogs, cats, and guinea pigs healthy
- Completing an assessment of a dog and a cat
- Knowing what to do if a dog gets hurt and how to care for them
- Learning safety rules for being around animals
- Discussing what radiographs are and what the light and dark shades mean on a radiograph

This summer camp is a fun, hands-on class where students will receive their

very own stuffed animal pet dog and cat for the week. Each child will receive a diploma as a graduate of Little Veterinarian School® upon completion of the course. **Please note for Session 10 only: Students are required to pack a nut free lunch each day.**

Little Woodworkers

Rising K-2 | Session 8 | Instructor: Shaun Ditty
Full (9a-4p) \$300 | No Half +Plus | No Half

Students will learn basic woodworking tools and techniques. They will construct and paint age-appropriate projects that will be theirs to take home at the end of the camp. What should you keep in your toolbox? By the end of the week, you will be the expert!

Magic Made Easy

Rising K-4 | Session 6 | Instructor: Carroll Baker
Full (9a-4p) \$295 | No Half +Plus | No Half

Children love magic, and they really love learning and performing it! Carroll Baker's classes are a great way for your child to have fun learning to become an amazing magician, performer, and presenter. Beyond the entertainment value, magic helps improve digital dexterity, coordination, visual perception, spatial relationships, critical thinking, creativity, public speaking skills, self-confidence, and imagination. Campers will learn how to perform easy modern day magic. On the last day of camp, we will perform on stage at the Friday Showcase.

Making Art with Science

Rising 3-5 | Session 5 (M-W, F) | Instructor: Dr. Marci Howdyshell
Full (9a-4p) \$285 | Half +Plus (9a-1:30p) \$175 | Half (9a-11:30a) \$145

Young artists and scientists alike will enjoy this camp that lies at the intersection of science and art! Each day, a new topic will be introduced with a fun introductory activity such as light and diffraction gratings, chemical reactions, or light microscopy. Campers will then use what they learned to create an artistic masterpiece. Scientific topics will be discussed each day, but campers will always have plenty of time to flex their creative muscles and explore artistic expression. Each day, campers will take artwork home along with an understanding of the science behind each piece.

Medieval Machinations: MinecraftEDU Redstone/ Forensic Engineering

Rising 3-5 | Session 3 | Instructor: Engineering for Kids Staff
Full (9a-4p) \$325 | No Half +Plus | No Half

Let's have a Minecraft medieval themed adventure of creation, exploration, and castle besieging! Students make mine cart tracks to help them gather resources, work together to build their kingdom, and design traps to defend their castle, all with the use of Redstone! In the afternoons, we will become forensics engineers to solve a crime! Who stole the blueprints? Using principles of investigative science and forensic engineering, students will analyze evidence in the simulated crime scene using math, science, and technology. We will decipher cryptic clues and biological codes to help us identify the thief through chemical and mechanical analysis.

Minecraft™ Survival Worlds

Rising 1-5 | Session 7 | Instructor: Drobots Staff
Full (9a-4p) \$385 | No Half +Plus | No Half

Calling all beginners, intermediate or advanced Minecrafters. Campers learn how to build and engineer projects including: building to scale, mining materials, strategic planning and mapping, developing access points, preparing

for the elements, and fireproofing structures. Campers will have the ability to learn about customizing maps and biomes in Minecraft™. Improve skills in survival mode and learn how to craft items that will help you survive, sustain, and prosper! Survival worlds vary based upon your level of experience. Prepare for an exciting week as campers accomplish exciting results building their one-of-a-kind Minecraft features! Camper-created projects will be accessible post camp. No prior experience is required. We provide all technology on location. Tablet, phone, and game console versions of Minecraft are not compatible. Students will work in pairs or teams for most of the program. **All students are required to have a Minecraft™ account for this class. Purchase a standard account and desktop version of Minecraft™ (\$26.95) at minecraft.net/store. Either a PC or Mac account will work for the camp week, but we suggest you choose the version that matches your home computer. Campers should bring their account login when they come to camp.**

Minecraft Traveling to the Future/ Robots Mission to Mars

Rising 3-5 | Session 9 | Instructor: Engineering for Kids Staff

Full (9a-4p) \$325 | No Half +Plus | No Half

Join us in an apocalyptic future, one where the earth has been ravaged by a series of natural disasters. Each day students rely on the engineering design process to solve a series of challenges such as building a city on a series of islands, escaping from a bunker on Mt. Everest, and even building a rocket to land on the moon! Through application of engineering principles, students solve numerous challenges as they make their virtual world of Minecraft a safe place for humanity once again. WHY STOP THERE? Let's hop on over to Mars while we're at it!! During the LEGO® Robotics Mission to Mars program, students design and program robots to explore an unknown planet, find safe shelter, and collect soil samples from the planet. Students use LEGO® Robotics and computers to learn principles of robotics, computer programming, and teamwork.

Mission to Mars

Rising 3-5 | Session 7 | Instructor: Scienstational Workshops Staff

Full (9a-4p) \$310 | No Half +Plus | No Half

Build and take home your own 7 in 1 Mars Mini Lander. Build a Space Rover, Space Explorer, Space Shuttle, Space Dog, Astronaut, Space Station, and Space Mechanic. Each powered by either solar energy or batteries. In our STEAM based activities, we will learn about solar energy, constellations, sample some delicious astronaut ice cream, and make a color changing UV bracelet to take home! Students will view a 3D Mars surface using 3D glasses as well as make their own 3D drawing. On the last day, we will return to Earth from our Mission to Mars having learned so many interesting things the Scienstational way!

Movement Improvisation: Body, Effort, Shape, and Space

Rising K-4 | Session 1 (M-W, F) | Instructor: Sarah Dove

Full (9a-4p) \$210 | Half +Plus (9a-1:30p) \$135 | Half (9a-11:30a) \$105

This class will focus on the possibility for movement to become a communication device for displaying our interpretation of other expressive creative forms such as poetry, music, visual art, and fictional stories. We will learn to use the space around us as a canvas that will allow our bodies to move through it in a way that says something words just can't say. We will also plan to visit a local dance and movement center to meet fellow movers who are actively using their bodies to tell their stories to the world. Our goal will be to produce a collaborative impression of one or more creative forms that can be discussed and performed at the end of the week! **Students are required to wear comfortable, moveable clothing, and socks or soft dance shoes. A water bottle is also recommended.**

Musical Theatre Song and Dance

Rising K-2 | Session 4 | Instructor: Sarah Dove

Full (9a-4p) \$260 | Half +Plus (9a-1:30p) \$160 | Half (9a-11:30a) \$130

Do you love to sing? Do you love to dance? If you've answered yes to these questions, this is the camp for you. This camp will allow students to learn song and dance from some of Broadway's favorite musicals while giving everyone a sneak peek into the fun and fast-paced world of musical theatre performance.

We'll explore a fusion of acting, singing, and dancing while learning techniques used by some of the best performers on Broadway today. Come join in the fun and learn something special! **Socks or soft dance shoes and a water bottle are required for this class.**

Ninjaneering with LEGO®

Rising K-2 | Session 4 | Instructor: Drobots Staff

Full (9a-4p) \$385 | No Half +Plus | No Half

Enter the world of Ninjago and become an apprentice Ninjaneer! Engineering and Ninjanuity are the focus of this new full-day themed camp for LEGO fanatics. Learn to build Trains, Helicopters, Treehouses, and Beam Bridges before moving on to Skull Trucks, Dragons, and Spijitzu Spinners from Ninjago City!

Oz Adventures

Rising K-3 | Session 7 | Instructor: Columbus Children's Theatre Staff

Full (9a-4p) \$295 | No Half +Plus | No Half

Follow the yellow brick road with Dorothy, Scarecrow, Tin Man, and Lion as they quest for their hearts' desires. Students will learn songs, dances, and scenes from The Wiz, Wicked, and The Wizard of Oz while building musical theatre skills. Students will work in large and small groups to create performances for the Friday Showcase as we share favorites from this classic tale!

Raku and the Art of Japanese Ceramics

Rising 3-5 | Session 3 | Instructors: Coral Lee Bishop and Tera Stockdale

Full (9a-4p) \$285 | No Half +Plus | No Half

How did the samurai eat dinner? What is tea ceremony really about? Learn the answer to these and other cool Japanese things of the past and present through designing, decorating and making your own ceramic pieces! We will experience the culture of Japan through daily activities that bring to life ancient and modern Japanese traditions, foods and customs as we learn and create our own pieces of pottery. Students will create works that represent the Mingei crafts movement and will participate in a special Raku firing at the end of the week while learning about the language, traditions and characters connected to these ancient arts. Bring your o-hashii (chopsticks) and join us as we explore the land of the rising sun!

Retro Printmaking

Rising K-4 | Session 8 | Instructor: Cat Mailloux

Full (9a-4p) \$285 | Half +Plus (9a-1:30p) \$175 | Half (9a-11:30a) \$145

Have you ever wondered where the peace sign came from? Or where your favorite smiley face emoji originated? Or how tie-dye became popular? Come join us to learn about the groovy colors, patterns, and symbols of the 60's and 70's decades through this printmaking class where you will discover how to make relief prints, stencils, and stamps. Learn about how the 60's and 70's were defined by grassroots movements and political engagement. Using printing and stamping techniques, we will make projects inspired by those decades. Write your name in bubble letters, design a peaceful protest poster, make a colorful tie-dye t-shirt, print a kaleidoscope bandana, and make your very own retro wallpaper design!

Science Palooza

Rising K-2 | Session 9 | Instructor: Little Scholars Staff

Full (9a-4p) \$270 | Half +Plus (9a-1:30p) \$165 | Half (9a-11:30a) \$135

Come discover, experiment, and create as we learn about the colliding worlds of art and science in this STEAM-based camp. We will create biomes from around the world, star gaze at constellations, master meteorology, investigate how things work and dabble in chemistry and physics. Put on your learning cap and grab the art supplies because this STEAM camp will rock your world.

Sewing Magical Creatures

Rising 2-4 | Session 6 | Instructor: Helma Groot

Full (9a-4p) \$290 | No Half +Plus | No Half

Each day we start with a new and exciting project in Sewing Magical Creatures camp. You will learn to sew by hand and on the sewing machine, make your own stuffed animals, create patterns, and sew on buttons (parents will appreciate this skill!). Whether or not you already know how to sew, you'll be able to use your skills to make elves, unicorns, dragons or gnomes, capes, magic wands, and more.

STEM Challenges

Rising 3-5 | Session 4 | Instructor: Leah Ecaruan

Full (9a-4p) \$260 | Half +Plus (9a-1:30p) \$160 | Half (9a-11:30a) \$130

Are you someone who loves a challenge? Come join us as we spend our week trying to solve STEM challenges! During this camp, students will be presented with a multitude of problem solving activities involving household items, like building the tallest tower possible out of only spaghetti noodles and marshmallows! Throughout camp, we will utilize the scientific inquiry and engineering design models to help push our thinking to the next level!

STEMQuest: Aliens v. Wizards

Rising K-2 | Session 6 | Instructor: Drobots Staff

Full (9a-4p) \$385 | No Half +Plus | No Half

StemQuest unplugs campers from the computer screen in this action-packed, story-based program. Throughout the week, campers will be constantly on the move as they experiment and play. StemQuest has intentionally extracted the wide-array of exhilarating challenges and mysteries from popular gaming apps and turned it all into a live adventure. Campers will use age-appropriate rovers, bots, drones, and autonomous creative technology to jump over walls, push down obstacles, lift up boulders, and navigate through galaxies. Teams of campers work together in indoor, outdoor and open-spaced "worlds" throughout the week. In doing so, campers utilize life skills such as collaborative problem solving, design, and curiosity to outwit, out-build, and out-smart the program instructor, The Wizard.

Storybook Sewing

Rising K-2 | Session 2 | Instructor: Helma Groot

Full (9a-4p) \$290 | No Half +Plus | No Half

In Storybook Sewing, we begin each day with a new storybook and base our sewing projects on characters in the story. You will learn to sew by hand, make your own stuffed animals, create patterns, and sew on buttons (parents appreciate this skill!). You'll use your new skills to make capes, magic wands, pillows, hats, bags, doll clothes, and more. We'll also write our own stories, paint, weave, and draw.

String Explosions!

Rising 3-5 | Session 3 | Instructor: Bill Walker

Full (9a-4p) \$285 | No Half +Plus | No Half

Join us for a week of intensive focus on string playing! Enhance your technical skills and musicality on violin, viola, and cello, through various styles of playing including Celtic, Old Time, Jazz and Blues. Learn tunes, create chord accompaniments, explore chop technique, learn to improvise on simple tunes, and compose new ones. We will explore double stops, cuts, rolls, slides, trills, and simple shifting. By the end of the week, we will record everything on high quality digital recording equipment and produce an online album of all of our work. ***This camp is appropriate for students with moderate music reading skills and at least one year of beginning string classes or lessons. Students are required to bring their own instrument.***

Super Sleuths

Rising 3-5 | Session 1 (M-W, F) | Instructor: Little Scholars Staff

Full (9a-4p) \$220 | Half +Plus (9a-1:30p) \$140 | Half (9a-11:30a) \$110

Get out your magnifying glasses and detective hat as we have clues to decipher and crimes to solve. We'll put our critical thinking skills and STEM knowledge to the test and get to the bottom of mysteries by learning the tricks real investigators use to solve cases. While experimenting with simple detection techniques, your reasoning skills will grow and your problem solving skills will become better than CSI agents.

Techie Camp: Kano Computing

Rising 3-5 | Session 2 | Instructor: TECH CORPS Ohio Staff

Full (9a-4p) \$385 | No Half +Plus | No Half

Build a computer and learn how to code with Kano Computer kits! Complete different coding challenges that teach fundamental coding concepts and unleash creativity. The Kano computers are powered by a Raspberry pi 3, a single board computer designed to put the power of coding in the hands of people all over the world. Type code and drag blocks to learn Python, JavaScript and Unix. Gain XP as your coding skills level up and share your code creations with your friends on Kano world. By the end of the week, students will have an understanding of loops, variables, and logic and how to apply them in different ways.

Ukulele Madness: Play and Sing!

Rising 3-5 | Session 8 | Instructor: Bill Walker

Full (9a-4p) \$335 | No Half +Plus | No Half

Join the ukulele craze! We will learn basic chords, melodies, strumming and picking patterns, bass lines, and beginning blues lead playing. Song material will include traditional folk songs, blues, and contemporary songs in a variety of styles. We will learn to coordinate playing and singing at the same time. By the end of the week, we will record everything on high quality digital recording equipment and produce a CD or online album of all of our work. ***Course fee includes cost of ukulele that students get to take home at the end of the week.***

Ultimate Drone Obstacle Challenge

Rising 3-5 | Session 2 | Instructor: Drobots Staff

Full (9a-4p) \$385 | No Half +Plus | No Half

Ultimate Drone Obstacle Challenge is specifically designed for both the novice and experienced drone enthusiasts. This week is filled with pure action as students enjoy one of the world's fastest growing sports, Drone Obstacle Racing. Campers will first learn about the basic safety of drone flying and the history behind drone racing as a sport. From there, campers will progress through various skill challenges and learn how to perform various exercises and maneuvers to become familiar with the drone's speed and agility. Campers will use iPads and remote controls to navigate the drone through short and long obstacle courses. Participants will also create the design and help build the obstacle course in preparation for the last day's final activity and competition. All campers go home with interactive workbooks and plenty of Drobots Company keepsakes so the memories last long beyond the summer. Drone safety and the social responsibilities of flying drones are included in this program.

Unicorns and Dragons Oh My!

Rising K-2 | Session 8 | Instructor: Young Chefs Academy Staff
Full (9a-4p) \$295 | No Half +Plus | No Half

Grab your glitter and sword and join Young Chefs Academy as we fly over the rainbow and encounter a magical world of majestic unicorns and fire-breathing dragons. Campers will spend the week creating unicorn and dragon themed foods, treats and crafts! If your little camper has an enchanted imagination, then they won't want to miss this culinary fairytale adventure.

Upcycling

Rising 3-5 | Session 2 | Instructor: Cat Mailloux
Full (9a-4p) \$270 | Half +Plus (9a-1:30p) \$165 | Half (9a-11:30a) \$135
Discover and unleash the power of reinvention! Use your creativity to care for our environment! Explore sculptural and building techniques using materials that you can find for free, like cardboard, magazines, plastic bottles, and old kitchen utensils! Learn about where your trash goes when it leaves the curb and how you can help our world by reducing waste in your own life. Transform trash into treasure in this class by using recycled materials to make coasters, pencil holders, pinwheels, beads, imaginative creatures, lamps, and wind chimes!

Weaving Wizards

Rising K-2 | Session 5 (M-W, F) | Instructor: Cat Mailloux
Rising 2-4 | Session 6 | Instructor: Cat Mailloux
5: Full (9a-4p) \$220 | Half +Plus (9a-1:30p) \$140 | Half (9a-11:30a) \$110
6: Full (9a-4p) \$270 | Half +Plus (9a-1:30p) \$165 | Half (9a-11:30a) \$135
How is fabric made? What is a loom? What does it do? Work with paper, recycled fabric, and yarn to learn the basics of weaving to make a set of paper placemats, a wall hanging weaving, and a rug! Learn about the history of weaving, the cultures that produced it, and how it appears in our world today in fabric, clothing, home decor and rugs. Spend time working with your hands, dyeing yarn, creating fun and funky designs, and learn the timeless skill of weaving.

Work and Play with STEAM

Rising 3-5 | Session 3 | Instructor: Jessica Espasandin
Full (9a-4p) \$260 | Half +Plus (9a-1:30p) \$160 | Half (9a-11:30a) \$130
Explore the world of Science, Technology, Engineering, Art and Math with the freedom to fail and reimagine, redesign, and try again. We work in teams and individually to complete thoughtful challenges in a variety of settings with the help of engineers from The Ohio State University, US Sailing Camp, and the Byrd Polar Research Center. Let's have fun and learn together.

World of Dance

Rising K-1 | Session 8 | Instructor: CLC Dance, LLC/ Chelsea Crabtree
Full (9a-4p) \$260 | Half +Plus (9a-1:30p) \$160 | Half (9a-11:30a) \$130
Come join us in learning dances from around the world! We will explore a variety of dances from different regions. We will dive into the history and customs of different cultures and discover how dances around the world are created. While learning basic dance etiquette and technique, we will develop our appreciation for different cultures. No previous dance experience is necessary. Students will perform in the Friday Showcase for family and friends at the end of the week.

World of Wizards

Rising 1-2 | Session 5 (M-W, F) | Instructor: Little Scholars Staff
Full (9a-4p) \$220 | Half +Plus (9a-1:30p) \$140 | Half (9a-11:30a) \$110
Calling all wizard fans! This is like no other camp you have experienced. We will take a magical journey into the world of wizards. We will design wands, make magic potions, go on a magical creature hunt, play Quidditch, and participate in activities that will astound all Muggles.

Young Engineer's Cornucopia

Rising 3-5 | Session 8 | Instructor: SIMPLR STEAM Playground Staff
Full (9a-4p) \$325 | No Half +Plus | No Half
The SIMPLR approach to inspiring children to pursue engineering is through learning, building, and playing. This camp will introduce students to various

technologies that inspire awe and curiosity such as drones, 3D printing, programming, robotics, virtual and augmented realities and more. Through exciting, hands-on activities, we'll begin to understand how engineers use these technologies to solve problems and to make the world a better place.

Athletics & Sports Clinics

Artistic Swimming: A Synchronized Swimming Experience

Rising 1-6 | Session 6, 8, 10 | Instructor: Ohio Coralinas Synchro Staff
Full (9a-4p) \$285 | Half +Plus (9a-1:30p) \$175 | Half (9a-11:30a) \$145
Swimming, Dance, and Gymnastics - Synchronized Swimming combines all three of these great activities into one fun experience! Using games, props, and music, we will explore the artistic side of swimming. During the course of the week, campers will learn synchronized swimming skills, all while putting together a special water show to be performed on Friday for parents and friends! **Campers should be able to swim the length of the pool (approximately 25 yards) unassisted and be comfortable in the deep end. Please note for Session 10 only: Half Plus and Full Day students are required to pack a nut free lunch each day.**

Boys' Baseball AM Clinic / Sports & More PM Camp

Rising 3-8 | Session 4 | Clinic Instructor: Tyler Kuhn
Sports & More Instructors: Zach Besand, Nic Eader, & Ryan Jenkins
Full (9a-4p) \$285 | Clinic +Plus (9a-1:30p) \$200 | Clinic Only (9a-11:30a) \$170
Join us for a week full of baseball fun! As a former professional baseball player and NCAA All-American, Tyler Kuhn will be sharing the knowledge he has gained through his years of playing and coaching in an action-packed week for players of all skill levels. Players can expect to improve their fundamental skills through various drills and simulated game situations on Columbus Academy's baseball field. It will be a week filled with learning and fun! **Participants are required to bring their own baseball glove, water bottle, and sunscreen. Cleats and baseball bats are optional.**

Please Note: To make a full day schedule, Sports Clinics can only be paired with our Sports & More program or another Sports Clinic occurring in the same week. Please see page 29 for the Sports & More class description.

Boys' Basketball PM Clinic / Sports & More AM Camp

Rising 3-8 | Session 4 | Clinic Instructor: Jeff Warstler
Sports & More Instructors: Zach Besand, Nic Eader, & Ryan Jenkins
Full (9a-4p) \$285 | Clinic +Plus (11:30a-4p) \$200 | Clinic Only (1:30p-4p) \$170
The Columbus Academy basketball program will once again host its clinic for all boys entering third through eighth grade. We encourage participation from young men with positive attitudes who are interested in having a great time, improving their skills, and learning more about playing this ultimate team game! Through a combination of drills, stations, and individual and team games, boys' head basketball coach Jeff Warstler, members of the CA coaching staff, special guest speakers, and players from the CA basketball program will teach the basic yet crucial fundamentals of basketball, namely ball handling, passing, shooting, and defense. **Participants are required to bring a nut free snack, water bottle, and towel.**

Please Note: To make a full day schedule, Sports Clinics can only be paired with our Sports & More program or another Sports Clinic occurring in the same week. Please see page 29 for the Sports & More class description.

Boys' Lacrosse AM Clinic / Sports & More PM Camp

Rising 2-9 | Session 6 | Clinic Instructor: Derek Lichtfuss

Sports & More Instructors: Zach Besand, Nic Eader, & Ryan Jenkins

Full (9a-4p) \$285 | Clinic +Plus (9a-1:30p) \$200 | Clinic Only (9a-11:30a) \$170

Learn about the fastest sport on two feet! Lacrosse is America's oldest sport, with roots to Native American tribes dating back to 1100 AD. Lacrosse is an OHSAA sanctioned, spring sport, and is among the fastest growing, most popular sports in the U.S. This is an instructional camp that focuses on basic skills, rules of the game, general concepts, and player safety. The clinic will be led by the coaches of the Columbus Academy Varsity and Middle School programs, along with current Varsity team members and guest coaches. ***It is preferred that players provide their own equipment; however, equipment may be provided if the staff is notified in advance.***

Please Note: To make a full day schedule, Sports Clinics can only be paired with our Sports & More program or another Sports Clinic occurring in the same week. Please see page 29 for the Sports & More class description.

Chiller Intro to Ice Skating

Rising K-5 | Session 9, 10 | Instructor: Chiller Staff

Full (9a-4p) \$350 | No Half +Plus | No Half

This camp will introduce your child to ice skating, no experience required! In addition, this camp will engage them in fun activities, games, and projects related to ice skating. Camp includes at least two hours of ice skating per day instructed by our professional skating coaches. Off-ice activities include indoor and outdoor games, projects related to skating, as well as guest appearances by local experts. Your child will receive a skating evaluation at the end of camp. ***Students are required to pack a peanut and tree nut free lunch each day.***

☞ This is a traveling/off-site program.

Columbus Crew SC Soccer AM Clinic / Sports & More PM Camp

Rising K-5 | Session 7 | Clinic Instructor: Columbus Crew SC Staff

Sports & More Instructors: Zach Besand, Nic Eader, & Ryan Jenkins

Full (9a-4p) \$285 | Clinic +Plus (9a-1:30p) \$200 | Clinic Only (9a-11:30a) \$170

Columbus Crew SC Developmental Camps focus on player development through a core foundation of soccer skills in a challenging and fun learning environment. By promoting maximum touches on the ball, incorporating professional instruction, teaching challenging new exercises and guiding competitive, small-sided games, the Crew SC camp staff will help each player broaden their skill set and discover a love for the sport of soccer. A wide range of technical training exercises will be incorporated including dribbling, passing, receiving, and finishing.

Please Note: To make a full day schedule, Sports Clinics can only be paired with our Sports & More program or another Sports Clinic occurring in the same week. Please see page 29 for the Sports & More class description.

Football AM Clinic / Sports & More PM Camp

Rising K-5 | Session 2 | Clinic Instructor: Chuck Simpson

Sports & More Instructors: Zach Besand, Nic Eader, & Ryan Jenkins

Full (9a-4p) \$285 | Clinic +Plus (9a-1:30p) \$200 | Clinic Only (9a-11:30a) \$170

Join Columbus Academy coaches for a week of football fundamentals and learn more about how to play the game of football. You will learn the proper technique for throwing, catching, and kicking a football, as well as the basic skills required to play various offensive and defensive positions. Once you have been through this clinic, you will have a better understanding of the game of football. ***Recommended attire is shorts and t-shirts, and participants are required to wear athletic shoes; cleats and mouthpieces are optional.***

Please Note: To make a full day schedule, Sports Clinics can only be paired with our Sports & More program or another Sports Clinic occurring in the same week. Please see page 29 for the Sports & More class description.

Fun-Chucks

Rising 3-5 | Session 6 | Instructor: Koguryo Martial Arts/ Jared Circle

Full (9a-4p) \$275 | Half +Plus (9a-1:30p) \$175 | Half (9a-11:30a) \$145

Jump up, kick back, whip around, and SPIN! Fun-Chucks camp combines great FUN with SAFE Nunchuks training! We will learn some great nunchaku skills for fun and defense and learn a little about the history of this farm tool turned weapon of defense. Students will get their own foam safety training 'chucks to keep working on their skills after camp and will get a chance to perform what they have learned on stage at the Friday Showcase. ***Course fee includes the cost of Nunchuks.***

FUNCTIONal Fitness: CrossFit For Kids

Rising K-4 | Session 4, 6 | Instructor: CrossFit New Albany Staff

Full (9a-4p) \$290 | Half +Plus (9a-1:30p) \$175 | Half (9a-11:30a) \$145

This program will focus on moving properly with movements such as squats, lunges, jumps, push ups, pull ups, and running. Our goal is to help each child reach their potential in a fun and challenging environment. Our coaches are trained to be able to work with a mixture of athletes with specific goals to those just looking to be fit and have fun. Fitness games and nutrition tips will also be incorporated throughout the week. ***Water bottles, tennis shoes and comfortable workout clothes are recommended.***

Girls' Basketball PM Clinic / Sports & More AM Camp

Rising 3-8 | Session 3 | Clinic Instructor: Ron McClendon

Sports & More Instructors: Zach Besand, Nic Eader, & Ryan Jenkins

Full (9a-4p) \$285 | Clinic +Plus (11:30a-4p) \$200 | Clinic Only (1:30p-4p) \$170

She shoots, she scores! Be a basketball star at CA. This girls' basketball clinic will involve learning and utilizing fundamental basketball skills. Girls will learn and practice ball skills, shooting skills, and basic fundamental principles in various drills and game situations. The clinic is designed for experienced players to improve on their skills, as well as for beginners to learn about the game of basketball. Come on in and see just how fun and rewarding basketball can be!

Please Note: To make a full day schedule, Sports Clinics can only be paired with our Sports & More program or another Sports Clinic occurring in the same week. Please see page 29 for the Sports & More class description.

Girls' Field Hockey AM Clinic / Sports & More PM Camp

Rising 2-8 | Session 1 (M-W, F) | Clinic Instructor: JoAnne Adams

Sports & More Instructors: Zach Besand, Nic Eader, & Ryan Jenkins

Full (9a-4p) \$230 | Clinic +Plus (9a-1:30p) \$165 | Clinic Only (9a-11:30a) \$135

Ladies...we have turf! We are thrilled to announce that this year's camp will again be held on the turf fields at Resolute Athletic Complex (formerly the Sports Barn)! We have rented space to give camp the smooth turf surface and perfect weather and temperatures! Be a part of the tradition at Columbus Academy by learning the sport of field hockey from State Championship

winning coaches and top-notch players. This clinic is a great way to learn the dynamic sport of field hockey. Clinic sessions are creatively designed to teach the hockey basics: dribbling, passing, receiving, pulls, dodges, and more for younger players while preparing older girls for middle school competition. It doesn't matter if you are a first year player or an experienced middle school veteran, we will help you improve your game! We can't wait to share our love of the game on the turf fields at Easton this summer! ***If you need to purchase equipment, please contact Coach Adams at Adams@columbusacademy.org. This clinic will meet at Resolute Athletic Complex (formerly the Sports Barn) at Easton. For location and more information, please visit <http://resolute-athleticcomplex.ezleagues.ezfacility.com>.***

🚗 **This is a traveling/off-site program.**

Please Note: To make a full day schedule, Sports Clinics can only be paired with our Sports & More program or another Sports Clinic occurring in the same week. Please see page 29 for the Sports & More class description.

Girls' Lacrosse AM Clinic / Sports & More PM Camp

Rising 3-8 | Session 3 | Clinic Instructor: Jillian Byers

Sports & More Instructors: Zach Besand, Nic Eader, & Ryan Jenkins

Full (9a-4p) \$285 | Clinic +Plus (9a-1:30p) \$200 | Clinic Only (9a-11:30a) \$170

Girls' Lacrosse clinic is designed to teach the basic technical fundamentals of the sport. This game is played with a ball and a stick, so campers can expect to learn everything from passing to catching, shooting mechanics, cradling drills, various dodging techniques, defensive positioning and of course, stick tricks! No previous playing experience is necessary. ***Students are required to bring cleats or turfs, lacrosse stick, goggles and mouthpiece.***

Please Note: To make a full day schedule, Sports Clinics can only be paired with our Sports & More program or another Sports Clinic occurring in the same week. Please see page 29 for the Sports & More class description.

Girls' Volleyball PM Clinic / Sports & More AM Camp

Rising 2-8 | Session 2 | Clinic Instructor: TBA

Sports & More Instructors: Zach Besand, Nic Eader, & Ryan Jenkins

Full (9a-4p) \$285 | Clinic +Plus (11:30a-4p) \$200 | Clinic Only (1:30p-4p) \$170

Come join the fun with the lifetime sport of volleyball! This is a great way to introduce young children to volleyball by using team building activities and learning valuable skills. Come check out just how fun volleyball can be! In this program, girls will learn how to pass, set, hit, serve, and play in group situations. There will be coaches, as well as Columbus Academy Upper School players assisting the younger participants.

Please Note: To make a full day schedule, Sports Clinics can only be paired with our Sports & More program or another Sports Clinic occurring in the same week. Please see page 29 for the Sports & More class description.

Go for the Gold at Royal Arts Fencing Academy

Rising 2-8 | Session 10 | Instructor: Royal Arts Fencing Academy Staff

Full (9a-4p) \$350 | No Half +Plus | No Half

Join us for this unique camp experience where students will travel to Royal Arts Fencing Academy every day to learn the noble art of fencing! Have you ever wanted to be Zorro, d'Artagnan, the Dread Pirate Roberts, Captain Jack Sparrow, Robin Hood, or a Jedi Knight? Then this is the camp for you! This course is specially created for participants of all fencing and athletic levels and will also include information about swords, moves, competitions, and future opportunities for Fencing Sport Scholarships. On Friday, the students will participate in a real fencing tournament! Fencing equipment is provided. ***Students are required to wear athletic shoes and socks. Students are required to pack a nut free lunch each day.***

🚗 **This is a traveling/off-site program.**

Gym Skills: Acrobatics

Rising K-5 | Session 8 | Instructor: Gym Skills Staff

Full (9a-4p) \$285 | Half +Plus (9a-1:30p) \$175 | Half (9a-11:30a) \$145

Acrobatic gymnastics combines dance, gymnastics, skills, and synchronization. In this camp, athletes will be working together to create pyramids and other

balancing acts! We start at the beginner level and work up with the athlete's confidence. Athletes will also work on their tumbling and basic gymnastics skills. Acrobatic camp teaches core fundamentals in choreography, agility, balance, strength, and grace!

Gym Skills: Cheerleading

Rising K-5 | Session 5 (M-W, F) | Instructor: Gym Skills Staff

Full (9a-4p) \$230 | Half +Plus (9a-1:30p) \$145 | Half (9a-11:30a) \$115

Come join Gym Skills Cheerleading for an exciting cheerleading program! Have fun while learning the moves of real high school and college cheerleaders. You will learn motions, jumps, chants, cheers, and a dance in a non-competitive environment from an instructor who is a former college cheerleader and current coach. You will leave camp with a heart full of spirit and a head full of memories!

Gym Skills: Gymnastics

Rising K-5 | Session 9 | Instructor: Gym Skills Staff

Full (9a-4p) \$285 | Half +Plus (9a-1:30p) \$175 | Half (9a-11:30a) \$145

Come join Gym Skills Gymnastics for an awesome gymnastics and fitness program! Have fun with handstands, cartwheels, backbends, handsprings, and more in a non-competitive environment. We will start by warming up and stretching to keep our bodies safe, then learn about different kinds of balances, use all kinds of equipment, and experiment with springs and landings. On Friday, we will visit the Gym Skills facility located in Gahanna! Children will work on gymnastics activities such as a trampoline, loose foam pit, cargo net, beam, rings, spring floor, and more. Your child will walk out of camp feeling like a winner!

History and Sport of Archery

Rising 3-5 | Session 5 (M-W, F), 7 | Instructor: Charles Brodhead

5: Full (9a-4p) \$230 | Half +Plus (9a-1:30p) \$145 | Half (9a-11:30a) \$115

7: Full (9a-4p) \$290 | Half +Plus (9a-1:30p) \$175 | Half (9a-11:30a) \$145

Humans have used archery since the dawn of time; first for hunting, then for warfare, and in modern times, for sport. There are many occasions when archery has changed the course of history; not many Olympic sports can claim this grand heritage. Campers will experience first-hand one of our oldest sports through daily study, practice, and challenges.

Jedi Camp

Rising 2-8 | Session 9 | Instructor: Royal Arts Fencing Academy Staff

Full (9a-4p) \$285 | No Half +Plus | No Half

Now is your chance to be a Jedi or Sith. This Star Wars themed week lets you into the world of Star Wars and lightsaber combat. We use safe weapons and fencing masks for protection. All equipment is provided and classes are taught by professionally trained fencing and martial art coaches. ***Students are required to wear athletic shoes and socks.***

Korean Martial Arts

Rising K-2 | Session 3 | Instructor: Koguryo Martial Arts/ Jared Circle

Rising 3-5 | Session 7 | Instructor: Koguryo Martial Arts/ Jared Circle

Full (9a-4p) \$300 | Half +Plus (9a-1:30p) \$200 | Half (9a-11:30a) \$170

Campers will get a solid foundation and introduction to various martial arts systems from Korea including Tang Soo Do, Hap Ki Do, and more! In addition to martial arts training, lessons on Korean culture, history, geography, and language will be a part of the course. All participants will receive a uniform

and will be given the option to demonstrate what they have learned in the Friday Showcase, including board breaking! ***Students should bring a water bottle, nut-free snacks, and shoes that are easy-on-easy-off as we train traditional style, in our bare feet. Course fee includes cost of uniform.***

Learn to Sail

Rising 3-5 | Session 3, 10 | Instructor: Hoover Sailing Club Staff
Full (9a-4p) \$325 | No Half +Plus | No Half

Hoover Sailing Club has offered sailing instruction for Central Ohio youth for over 45 years. Your child will experience the joy of skippering a dinghy from our fleet during his or her very first lesson. Our experienced US Sailing certified staff will teach basic safety and boat skills. Your child will learn to sail up-wind, down-wind, tack, jibe, and recover from a capsize. Our picturesque property and remodeled facilities will provide your youngster with a week he or she will remember for years to come. ***Students are required to pack a peanut and tree nut free lunch, and bring your own USCG approved life jacket. Sailing is a very physical activity; occasional bumps and bruises can occur. Please advise your child's counselor if there are any issues of which we might need to be aware. A Hoover Sailing Club release form is also required for every participant and will be distributed via email before camp begins.***

🚐 This is a traveling/off-site program.

Nerf it Up!

Rising 3-5 | Session 2, 10 | Instructor: Joel Reed
Full (9a-4p) \$390 | No Half +Plus | No Half

The Nerf Bodacious factor is off the charts during this camp. Think you can't get enough Nerf? This is the camp for you. We'll be battling until you drop! We only stop for water and to change teams. We play single elimination, capture the flag, Star Wars, the Hunger Games and more! You will have a blast! ***Course fee includes all Nerf gear that students get to take home at the end of the week. Please note for Session 10 only: Students are required to pack a nut free lunch each day.***

Olympic Fencing

Rising 2-8 | Session 8 | Instructor: Royal Arts Fencing Academy Staff
Full (9a-4p) \$285 | No Half +Plus | No Half

Have you ever wanted to be Zorro, d'Artagnan, the Dread Pirate Roberts, Captain Jack Sparrow, Robin Hood, or a Jedi Knight? Learn the noble art of fencing, including information about swords, moves, competitions, and future opportunities for Fencing Sport Scholarships. This course is specially created for participants of all fencing and athletic levels. On Friday, the students will participate in a real fencing tournament! Fencing equipment is provided. ***Students are required to wear athletic shoes and socks.***

On the Run

Rising K-5 | Session 5 (M-W, F) | Instructor: Little Scholars Staff
Full (9a-4p) \$220 | Half +Plus (9a-1:30p) \$140 | Half (9a-11:30a) \$110
Run, run, run as fast as you can for a camp full of fitness and fun! Don't let the name fool you, we will not just be running; we will play games, have team competitions and a whirlwind of fun! All while learning the benefits of fitness and healthy living.

Once Upon a Time at Fairy Tale Farm

Rising K-2 | Session 2 | Instructor: Fairy Tale Farm Staff
Full (9a-4p) \$350 | No Half +Plus | No Half

This camp is a real fairy tale! Campers will spend the week at the 30-acre Fairy Tale Farm. Campers will create their own fairy tale book by recording their daily adventures at the farm. Each day campers will have a lesson in horse safety, a mini riding lesson, participate in an educational craft or activity, and learn about the tack and equipment. There is even a scavenger hunt! ***Campers must wear closed toe shoes and long pants to ride and may pack shorts to change into after riding. Students are required to pack a nut free lunch each day and bring plenty of water. This is a working farm; children should dress for mess and the only restrooms available are porta-potty.***
🚐 This is a traveling/off-site program.

Ride and Rescue at Fairy Tale Farm

Rising 3-5 | Session 3 | Instructor: Fairy Tale Farm Staff
Full (9a-4p) \$350 | No Half +Plus | No Half

Come and learn how we care for our rescue horses! Campers will meet our vets, farriers, and dentists to see how they care for our rescues. Campers will also learn about how to feed and care for these horses on a daily basis. They can meet, groom, and even ride some of our rescue graduates. Campers will have a daily mini riding lesson, a lesson in horse safety, participate in an educational craft or activity, and learn about the tack and equipment. ***Campers must wear closed-toe shoes and long pants to ride and may pack shorts to change into after riding. Students are required to pack a nut free lunch each day and bring plenty of water. This is a working farm; children should dress for mess and the only restrooms available are porta-potty.***
🚐 This is a traveling/off-site program.

Skateboarding

Rising K-4 | Session 3 | Instructor: Chris Higgins
Rising 5-9 | Session 4 | Instructor: Chris Higgins
Full (9a-4p) \$295 | No Half +Plus | No Half

Come join us and learn the basics and more of skateboarding, one of the fastest growing sports in the world. While we will cover safety, equipment, and skateboarding etiquette, the emphasis will be on having fun and learning by spending as much time on our boards as possible. It doesn't matter if you are a first-time skater or a more experienced rider, this program will have something for everyone. Field trips to area skate parks will round out this exciting program. ***Skaters are required to wear a helmet and bring their own skateboards; knee pads and elbow pads are recommended.***

Skateboarding Skatepark Road Trip Camp

Rising K-5 | Session 10 | Instructor: Chris Higgins
Full (9a-4p) \$450 | No Half +Plus | No Half

Come join Chris Higgins and crew as we hit the road to skateboard at some of Columbus and Central Ohio's best skateparks! Skaters of all ages and skill levels will learn and have fun as we work on skating on all different types of skateparks and terrain. Camp will meet at Columbus Academy every day before we set off on an epic road trip to a different skatepark. ***Students are required to pack a nut free lunch each day. Skaters are required to wear a helmet and bring their own skateboards; knee pads and elbow pads are recommended.***

🚐 This is a traveling/off-site program.

Soccer AM Clinic / Sports & More PM Camp

Rising K-8 | Session 1 (M-W, F) | Clinic Instructor: Ron Leach
Sports & More Instructors: Zach Besand, Nic Eader, & Ryan Jenkins
Full (9a-4p) \$230 | Clinic +Plus (9a-1:30p) \$165 | Clinic Only (9a-11:30a) \$135

No matter your level of experience in soccer, everyone will take home valuable skills from this soccer clinic. Whether you are a beginner and want to learn the basics or if you have already played organized soccer, we can help take you to the next level. We will focus on the fundamentals of soccer, basic individual skills, basic team tactics, instruction on the rules of the game, and mini scrimmages. Each day of this clinic will provide a fun learning environment about the game of soccer. ***If you need to purchase equipment, please***

contact Coach Leach at Ron_Leach@columbusacademy.org.

Please Note: To make a full day schedule, Sports Clinics can only be paired with our Sports & More program or another Sports Clinic occurring in the same week. Please see the Sports & More class description below.

Sports & More

Rising K-5 | Session 5 (M-W, F), 8-9

Instructors: Zach Besand, Nic Eader, & Ryan Jenkins

5: Full (9a-4p) \$210 | Half +Plus (9a-1:30p) \$135 | Half (9a-11:30a) \$105

8-9: Full (9a-4p) \$260 | Half +Plus (9a-1:30p) \$160 | Half (9a-11:30a) \$130

Throughout each week, we will be exploring a variety of athletic games such as ultimate kickball, whiffle ball, soccer, floor hockey, capture the flag, and much more. Campers will learn material about how to stay fit and take care of their bodies. Fun fact: Campers will walk/run a minimum of four miles per day! Our primary focus and goals for the summer will be good sportsmanship, good nutrition, fitness, cooperation, and of course, fun! ***Students are required to bring a water bottle and wear athletic shoes - no flip flops or sandals.***

Sports Performance Camp at Royal Arts Fencing Academy

Rising 3-5 | Session 7 | Instructor: Royal Arts Fencing Academy Staff

Full (9a-4p) \$350 | No Half +Plus | No Half

Whether you want to get better at your sport or just want the physical conditioning, the Royal Arts Sports Performance Camp is for you. It will be a week of fun, challenging conditioning with games and other activities geared to make you a better athlete. Better athletes get better grades, too! Your quickness, mentally and physically, will improve as we challenge mind and body for total performance and fitness. ***Athletic shoes required. A water bottle and sunscreen are recommended as some time will be spent outside, weather permitting.***

🚗 This is a traveling/off-site program.

Tennis PM Clinic / Sports & More AM Camp

Rising 1-8 | Session 1 (M-W, F) | Clinic Instructor: Jeff Warstler

Sports & More Instructors: Zach Besand, Nic Eader, & Ryan Jenkins

Full (9a-4p) \$230 | Clinic +Plus (11:30a-4p) \$165 | Clinic Only (1:30p-4p) \$135

Join Jeff Warstler of Columbus Academy for an intensive tennis extravaganza!

Tennis is not just a country club sport; it is fun for the whole family! You will learn the fundamentals of tennis such as stroke production, footwork, strategy, and an understanding of the court. Once you have been through this clinic, you will have a better understanding of the sport and, hopefully, a true love of tennis. ***Participants are required to bring their own tennis racket and water bottle.***

Please Note: To make a full day schedule, Sports Clinics can only be paired with our Sports & More program or another Sports Clinic occurring in the same week. Please see the Sports & More class description on this page.

Sports & More Instructors: Zach Besand, Nic Eader, & Ryan Jenkins

Full (9a-4p) \$285 | Clinic +Plus (9a-1:30p) \$200 | Clinic Only (9a-11:30a) \$170

Want to learn about wrestling, one of the first and most popular sports in the world? This program gives children of any size or ability the chance to learn the basics of the sport in a safe and fun environment while also helping them with strength, flexibility, sportsmanship, and self-confidence. Wrestlers will receive their own headgear and will get to participate in a tournament followed by a medal ceremony at the end of the week. Each wrestler will be placed in a group appropriate to their age and skill level. ***Wrestlers are required to bring a water bottle; wrestling shoes and mouth guard are optional.***

Please Note: To make a full day schedule, Sports Clinics can only be paired with our Sports & More program or another Sports Clinic occurring in the same week. Please see the Sports & More class description on this page.

Swimming Lessons

Greater Columbus Swim School

Rising K-8 | Session 1-10 | Instructor: Greater Columbus Swim Team of Ohio
8a-9a and/or 4p-5p \$75/week (Sessions 1 and 5: \$60/week)

The Greater Columbus Swim Team of Ohio teaches Columbus Academy instructional swim lessons in a fun, yet challenging atmosphere with lessons taking place at Columbus Academy Pool on campus. The pool depth ranges from 3ft – 10ft. Participants are observed and placed in appropriate levels according to their current skill level and will engage in the fundamentals of swimming most appropriate for their ability. Swimmers will be consistently monitored for skill acquisition in order to ensure that they are continually challenged in the pool as their skill level increases. Beginning swimmers will learn the most basic skills needed to become self-sufficient in the water, while swimmers with slightly more advanced skills will be progressed through a series of eight levels, focusing on the proficient acquisition of all four of the competitive swimming strokes (those used in the sport of swimming). Participants will receive a skills accomplishment report at the end of each weekly session. Swimmers will have a great time, will be challenged, and will learn valuable skills. ***This program can be added to any week's programming. There is a maximum of 16 children per time slot and spaces fill quickly. Please see the Lower School registration form and check the appropriate time that fits with your schedule.***

JOIN US FOR OUR FAMILY ORIENTATION!

SATURDAY, APRIL 27TH 2-4PM

Join us to get a first-hand look at the facilities and talk to CA staff supporting Lower School programming this summer.

Bring your children and enjoy interacting with teachers, get familiar with the space and partake in a few fun children's activities!

Summer Experience Director, Alyssa King, will also be there to answer any questions and lead you through an example day!

HOURS OF OPERATION

Before Care	7:00 am – 8:30 am
Pre-K Half Day	8:30 am – 11:30 am
Pre-K Half +Plus	8:30 am – 1:30 pm
Pre-K Full Day	8:30 am – 4:00 pm
Rising K-9 Check-in	8:30 am – 9:00 am
Rising K-9 Half Day	9:00 am – 11:30 am
Rising K-9 Half +Plus	9:00 am – 1:30 pm
Rising K-9 Full Day	9:00 am – 4:00 pm
After Care	4:00 pm – 6:00 pm

ONLINE REGISTRATION

You can...

- Filter classes by grade, program title, or session
- View current class availability
- Pay by credit card or e-check

7 Simple Steps!

1. Visit www.columbusacademy.org
2. From the menu bar, select *School Life*, followed by *Summer Experience*
3. Click *Online Registration*
4. Create a My Backpack Account
If you have an account from previous years or you are a current CA family, use your login information.
5. Click the link to begin a 2019 registration
6. Complete student biographical and medical information, then select classes
7. Pay online and submit classes

Please note that registration is not complete until payment is received. Submitting classes without payment does not reserve space in a class.

Authorized Pick Up List

Please only list individuals other than parent(s) / guardian(s)

I authorize the following people to pick up my child:

1	_____
2	_____
3	_____
4	_____
5	_____

Student Medical Information

Please select any medical conditions: ☐ Allergy ☐ Behavioral ☐ Dietary ☐ Other (list below)
☐ Asthma ☐ Diabetes ☐ Seizures ☐ None

Please provide a brief explanation (optional): _____

Current medications: _____

Please list any special conditions or considerations that may require attention, extra support or accommodations:

Family Physician Name: _____ Phone: _____

PARENT/GUARDIAN AUTHORIZATION AND RELEASE

☐ Yes ☐ No I permit *Columbus Academy* to use, in whole or in part, photographs of my child in school communications.

☐ Yes ☐ No Free Swim Activity Permission: Students participating in half +plus or full day programs on campus will have a free choice activity period before or after their lunchtime. Free Swim is one of the daily options and is supervised by a lifeguard on duty and Senior Counselor staff. I give permission for my child to participate in the free swim activity option.

• I authorize my child to participate in the *Columbus Academy Summer Experience*. I release and forever discharge *Columbus Academy* and its trustees, employees, agents, their heirs, successors and assigns, either jointly or severally, from any and all claims, damages, obligations, causes of action or suits, resulting from bodily injury to my child or damage to or loss of my child's property arising from participation in this program and any travel related thereto.

• To the best of my knowledge, the above child is physically fit and in good health. I understand that all standard safety measures will be taken. I do not hold *Columbus Academy Summer Experience* or its staff liable for illness or accident.

• In case of emergency, if parents, emergency contact person, or child's physician cannot be reached by phone, I authorize *Columbus Academy* to arrange for emergency medical treatment inclusive of surgical intervention for my child, and I agree to assume liability for any medical expenses incurred.

Signature (required) _____ Date _____

REGISTRATION DEADLINES AND FEE ASSESSMENT

Registration is not complete until payment is received. All fees are due at the time of registration. Deadlines are May 16, 2019, for sessions 1 through 5 and June 20, 2019, for sessions 6 through 10. Cancellations or changes made prior to the appropriate deadline will incur no penalty and will be refunded in full. Cancellations made after the deadline will be refunded at 25% of the program fee. If a cancellation is made after the camp's start date, there will be no refund issued. If you do not notify us and your child does not attend, you will be subject to our no-show policy in which no refund will be issued. If late registrations are received after the deadline, camp fees increase by 10%. Changes to schedules made after the deadline will be charged a non-refundable fee of \$25 per child plus any difference in camp fees. **Please note: Beginning in 2019, registration will close Friday at 12pm for the following week's camp session.**

MIDDLE SCHOOL (GRADES 6-9)

MIDDLE SCHOOL GENERAL INFORMATION

Faculty, Staff and Sr. Counselors

CA Summer Experience employs current CA Faculty and Staff members as well as highly qualified outside sources as teachers of the Summer Experience programs. Sr. Counselors are typically local college students who have been hired after an extensive interview and training process. Sr. Counselors are assigned to camps each week and will accompany your child all day during their respective camp. CA Summer Experience also employs ample administrative staff to support daily programming.

Communication

Upon registration with full payment, you should receive a confirmation email from Summer_Experience@columbusacademy.org with your child's class schedule and additional information. You can expect communication via email from your child's teacher the Friday prior to camp starting and the Wednesday during the respective camp week. If registration is received late, there may be a delay in this communication.

Facilities

A majority of programs are held on CA's beautiful 231-acre campus that consists of a six-lane indoor pool, computer labs with iMac computers, nature trails, outdoor classroom space, low ropes elements, eight tennis courts, Schoedinger Theatre seating 430, two full-length gymnasiums, a weight room, a ceramics studio, five art studios, three libraries, five playgrounds, eight science labs, four soccer fields, two turf fields, an all-weather track, a full service dining hall, three music rooms, and two baseball fields. The campus may be accessed from the West on Cherry Bottom Road or from the East via Beecher Road off of Hamilton Road. (Please refer to the campus map on the inside of the back cover.)

Field Trip and Off-Site Transportation

Columbus Academy utilizes school bus rental as a means of transportation for field trips and off-site programs. All drivers have proof of credentials and background checks. CA also has a fleet of 7 passenger vans that will be used for smaller traveling groups. All drivers are employees of Columbus Academy and are van-certified.

Middle School Sample Daily Schedule

Check-in	8:30 am	—	9:00 am
AM Themed Programming	9:00 am	—	11:30 am
Lunch Rotation (Lunch / Free Choice Activity)	11:30 am	—	1:30 pm
PM Themed Programming (continued)	1:30 pm	—	4:00 pm

Note- Middle School Half and Half +Plus options would end at 11:30 am and 1:30 pm respectively; see below for more details.

Half Day and Half +Plus Programs

Some programs offer a half day and half +plus option. Please see course listings for availability. Half day programs include the morning themed programming session from 9:00 am to 11:30 am. Half +plus programs include the morning themed programming from 9:00 am to 11:30 am PLUS lunch and free choice activity from 11:30 am to 1:30 pm. **Half day and half +plus programs cannot be combined with other full, half, or half +plus programs.**

Extended Care Programs

Available on a pre-registration or drop-in basis, Before Care and After Care are held from 7:00 am to 8:30 am and 4:00 pm to 6:00 pm, respectively. Before Care offers a variety of quiet activities for your child as he or she gets ready for the day. After Care features exciting themed activities as well as

quiet places for children to explore and reflect on the experiences they have had at CA. **Parents MUST pick up their children from After Care by 6:00 pm. Parents that do not pick up their children by the end of After Care will be charged \$1.00 per minute beyond 6:00 pm.** If Before or After Care are not needed for the full week, proration is available by contacting our office at (614) 509-2267. Please understand there can be no proration for the combo pricing.

Before Care	\$50 per week	\$10 per day
After Care	\$62.50 per week	\$12.50 per day
Before and After Care Combo	\$85 per week	5 day option only

Before / After Care is best accessed by parking in the Academy Hall Parking Circle near the main entrance to the school. Follow the **ORANGE** signage into the Theatre entrance of the Lower School to the Before / After Care room.

Parents must come into the After Care room and provide a photo ID to sign out their child each day.

Lunch

Lunch is provided by Columbus Academy's Dining Service for **most** of the programs and is built into the price of the camp for Sessions 1-9. Session 10 camps will **all** be required to pack a lunch as the Dining Hall will remain closed August 5-9. Most off-site camps require students to bring a lunch; please check individual course descriptions for lunch specifications. During Sessions 1-9, CA offers a hot main dish including vegetarian options, as well as a salad bar, pasta bar, and deli bar. We also do our best to accommodate all dietary requests / restrictions. Please contact our office if you have additional questions related to dietary concerns. Children are welcome to pack a lunch if they wish, but the lunch must be peanut and tree nut free.

Allergy Policy: Columbus Academy Summer Experience is peanut and tree nut free.

Daily Drop-off/Pick-up

There will be signage all around campus to help direct parking, as well as a color coded system to follow from the parking areas to help guide you to the correct entrance. Please see the CA campus map on the inside of the back cover for general parking information. Middle School will follow the **BLUE** signage.

Check-in for Middle School (rising 6th through 9th grade) programs is between 8:30 am and 9:00 am in a gym of the Athletic Complex and / or the Barton Room. Any change in the check-in area will be consistent throughout the week and communicated via email prior to the week of camp. Middle School parents / guardians should follow campus signage to the Middle School parking area (Parent Hall Parking Lot) and escort children into the building no earlier than 8:30 am on the first day of camp; children may be dropped off at the MS circle after the first day. There will be CA Staff available to help parents and students get to their check-in areas. Students will check-in directly with their Sr. Counselor inside the gym or Barton Room. **Any student who arrives prior to 8:30 am and is not accompanied by an adult will be escorted to Before Care and charged the daily rate of \$10.**

Pick-up is between 4:00 pm and 4:15 pm in a gym of the Athletic Complex and / or the Barton Room. Any change in the pick-up area will be consistent throughout the week and communicated via email prior to the week of camp. **Parents or guardians will need to come into the gym and provide a photo ID to sign children out.** If someone other than a parent / guardian will be picking up your child, and you have not completed an authorized pick up list, please see a staff member at drop-off. If your child is not picked up by 4:15 pm, he or she will be taken to After Care, at which time you will be charged the daily rate of \$12.50.

Late Drop-off/Early Pick-up

If it is necessary to drop off or pick up your child at any time other than the designated camp times, the Operations Lead is available to help with these transitions. If you know this information ahead of time, you may write it on the sheet provided at the Help Desk outside the gyms. You may also contact the Operations Lead any time during camp hours at 614-653-3117 to arrange a pick-up or drop-off. **Note: Early pick ups are not available after 3:30pm.**

Friday Showcase

Some of our camps perform in our weekly Friday Showcase to share their new skills or creations with their parents and fellow campers. All parents/families are welcome to attend. *For 2019 only*, these shows are held in the Dining Hall and typically begin at 3:15 pm on Friday afternoons. Information regarding the Friday Showcase will be communicated via email and CA Summer Experience's Facebook page.

What to Wear/Bring

Campers should wear comfortable, weather-appropriate clothing and shoes, and should also consider bringing a bookbag, water bottle and sunscreen to camp each day. Please check the course descriptions to see if any other materials are needed for each individual program. If the student is planning to participate in free swim for their free choice activity, campers should also pack a bathing suit, towel and plastic bag for wet clothes. Should a child misplace an item, there will be a Lost & Found table located near the Athletic Complex lobby throughout the summer. Columbus Academy is not responsible for any lost personal items.

Free Choice Activity

Students participating in half +plus or full day programs on campus will have a free choice activity period before or after their lunchtime. Campers may choose from the following daily options: free swim, computer lab, outdoor free play, or quiet reading and crafting room. Children participating in the free swim option will need to bring a bathing suit and towel each day they wish to swim, along with a plastic bag for their wet clothes at the conclusion of swim.

Electronics Policy

With the increase in the technology around us, electronics are no longer prohibited at camp; however, we expect that these devices be put away unless specifically required for a camp or in the case of an emergency. We have designated screen time during Before / After Care and free choice for those who wish to participate. Check-in/out in the gyms will be strictly enforced as "no device zones".

Discipline Action Plan and Termination

Attendees who are found to bully or harass others will generally be subject to serious disciplinary action, including prohibition from further attendance. Children will receive one warning and CA Summer Experience reserves the right to remove any camper from our program for disciplinary reasons. If a child is removed for disciplinary reasons, there will be no refund.

Important 2019 Policies

Based on parental feedback and continuous improvement efforts, please note the following Columbus Academy policies:

- Lower School students will check into the Jones Gym while Middle School students will check into the Barton Room. The Mack Gym will be closed for the summer due to construction.
- A substantial amount of construction will take place on CA's campus throughout the summer. We appreciate your patience and flexibility during this time.
- Registration will close on Fridays at 12pm for the following week's camp session to ensure safety, proper preparation and a successful experience for all campers.
- Check-in / out in the gyms will be strictly enforced as "NO DEVICE ZONES" to foster an environment of building relationships and encouraging children to interact with each other, counselors and teachers.
- A security officer and an Operations Lead will now be present in the Athletic Parking Lot to direct traffic and enforce parking drop-off procedures.
- For 2019 only, Friday Showcases will be held in the Dining Hall.
- For Session 10, all students will be required to pack a lunch; the Dining Hall will remain closed August 5-9.

SPORTS CLINICS

- Sports Clinics are joining forces with a Sports & More camp to offer a consistent full day option.
- Sports Clinics can not be paired with a camp other than Sports & More or another Sports Clinic to make a full day schedule.

FEES, CANCELATIONS, REFUNDS AND DEADLINES POLICY

Course fees are located in the course descriptions and registration pages. Whether submitting a paper form or registering online, **registration is not complete until payment is received.** Cancellations or changes made prior to the appropriate deadline will incur no penalty and will be refunded in full. Cancellations made after the deadlines will be refunded at 25% of the program fee. Please understand that after these deadlines, we have made firm financial commitments to our faculty and staff, in addition to purchasing materials for the class. If a cancellation is made after the camp's start date, there will be no refund issued. If you do not notify us and your child does not attend, you will be subject to our no-show policy in which no refund will be issued. Changes made to schedules after the deadlines will be charged a non-refundable fee of \$25 per child plus any difference in camp fees. If late registrations are received after the deadlines, camp fees increase by 10%.

DEADLINES: May 16th for Sessions 1-5 and June 20th for Sessions 6-10

MIDDLE SCHOOL SUMMER EXPERIENCE

Programs are in alphabetical order and categorized by Academics, Arts & Sciences, and Athletics programming. The Middle School Registration Form is on page 53. Please note: "rising" indicates the grade your child will be entering in the 2019-2020 school year.

Academics

Aim High Academic Series: Mathematics and Memory Training

Rising 6-9 | Session 7 | Instructor: Ihab Ismail, Ph.D. / SOAR Education LLC
Full (9a-4p) \$290 | No Half +Plus | No Half

We may not be able to do great things all the time, but we can do small things in a great way. Join us in this camp to learn how our brains work, how to make our minds work better, and how solving problems in math can accelerate our skills in finding solutions for every day life. It is never too early or too late to make our minds our best friends.

Aim High STEAM Series: Have FUN Doing Good

Rising 6-9 | Session 2 | Instructor: Ihab Ismail, Ph.D. / SOAR Education LLC
Full (9a-4p) \$295 | No Half +Plus | No Half

Feeling the heat from your school year? Let off some STEAM and join us for a fun and productive week of Science, Technology, Engineering, Art, and Math. Wear your own DNA necklace, get fancy with chemistry and physics, and draw some art and 3-D print it. Get creative with mental math and calculate 3-digit multiplications faster than before. Treat your mind with relaxing brain exercises.

Ancient Egypt: Gods and the After Life

Rising 6-9 | Session 3 | Instructor: Kristen Van Gundy
Full (9a-4p) \$260 | Half +Plus (9a-1:30p) \$160 | Half (9a-11:30a) \$130

In this class, students will learn all about ancient Egypt: from their writings, customs, and daily lifestyles to their timeless art and architectural marvels. We will carve our own hieroglyphic tablets, construct our own pyramids, and investigate other Egyptian secrets and treasures!

Ancient Egypt: Leaders and Accomplishments

Rising 6-9 | Session 5 (M-W, F) | Instructor: Kristen Van Gundy
Full (9a-4p) \$210 | Half +Plus (9a-1:30p) \$135 | Half (9a-11:30a) \$105
Come learn all about Ancient Egypt's most fascinating leaders and enduring accomplishments. From Menes' unification of Upper and Lower Egypt to Khufu's construction of the Great Pyramids at Giza, we will explore Ancient Egypt in a fun, hands-on way!

Comparative Religions in Columbus: A Social Study

Rising 6-9 | Session 9 | Instructor: Michael Fatten
Full (9a-4p) \$285 | No Half +Plus | No Half

Learn about the culture, history and belief structure of some of the various religious beliefs present in Columbus. Tour Christian, Jewish, Muslim, Hindu and Buddhist houses of worship and speak with the experts there to learn about customs and practices in a non-proselytizing manner.

🚗 This is a traveling/off-site program.

Creative Expression Through Writing

Rising 6-9 | Session 1 (M-W, F) | Instructor: Stefan Farrenkopf
Full (9a-4p) \$260 | Half +Plus (9a-1:30p) \$160 | Half (9a-11:30a) \$130

This class will rekindle an appreciation for the power and joy of written expression by teaching and encouraging creativity across a variety of genres, including free verse, haiku, memoirs, short plays, and fiction. Specific narrative techniques and writing skills will be taught through with the motivation and relevance of the students' own writings. Each student will leave the camp with a collection of writings from the week.

Fiction, Nonfiction, & Poetry: Young Writers at Work

Rising 6-9 | Session 6 | Instructor: Grace Williams
Full (9a-4p) \$260 | Half +Plus (9a-1:30p) \$160 | Half (9a-11:30a) \$130
If you love to express yourself with carefully crafted words and unique images, join us for a crash course in creative writing! Campers will brainstorm, compose, and even self-publish their own work. We will experiment with poetry, fiction, and nonfiction so that campers can try new and exciting techniques, pushing themselves beyond typical academic writing formats. This camp facilitates meaningful engagement with other young artists. Whether you've never written a short story or you're already working on a novel, we welcome you to work with others in a special workshop setting. Produce something you are proud to show off!

Future Entrepreneurs

Rising 6-9 | Session 6 | Instructor: Little Scholars Staff
Full (9a-4p) \$320 | Half +Plus (9a-1:30p) \$190 | Half (9a-11:30a) \$160
Are you a natural born leader? Do you want to experience the thrills of creating a 'company'? Don't miss out on this camp where you will create and sell handmade products at the Sale-A-Thon. This camp will dabble in the world of stocks and current events as it relates to businesses.

Grades Plus Game

Rising 6-9 | Session 1 (M-W, F), 4 | Instructor: Francwau DuBose
1: Full (9a-4p) \$230 | No Half +Plus | No Half
4: Full (9a-4p) \$285 | No Half +Plus | No Half

Come out and have fun with the Grades Plus Game program which is an innovative math and science program designed to integrate academics and physical education through sports and cooperative games!

Graphic Novels History and Evolution

Rising 6-9 | Session 9 | Instructor: Amanda Vesner
Full (9a-4p) \$260 | Half +Plus (9a-1:30p) \$160 | Half (9a-11:30a) \$130
What are graphic novels and why are they so popular? During the week, we will discuss the history and evolution of graphic novels by reading many popular ones, watching parts of movie adaptations, and a trip to the Laughing Ogre. You will choose a graphic novel that you find interesting to complete a research project to present at the end of the week.

Hero's Journey

Rising 6-9 | Session 7 | Instructor: Lauren Edmonds
Full (9a-4p) \$260 | Half +Plus (9a-1:30p) \$160 | Half (9a-11:30a) \$130
What makes a hero? Explore the paths of superheroes and military, of friends and role models, of small acts of kindness and great acts of bravery. Develop your own hero/heroine and send them on an epic quest through writing, art, and drama based on the classic Campbell model of the Hero's Journey.

Intro to Spanish

Rising 6-9 | Session 9 | Instructor: Mackenzie Hanna
Full (9a-4p) \$260 | No Half +Plus | No Half
This class is for both beginners and those wishing to brush up on their Spanish language skills. Through games, crafts, videos, music, activities, and

food, students will learn about the Spanish language and cultures. Students will go home with a great foundation in the language that will prepare them for beginning Spanish in school.

Introduction to Russian

Rising 6-9 | Session 1 (M-W, F) | Instructor: Royal Arts Fencing Academy Staff
Full (9a-4p) \$210 | Half +Plus (9a-1:30p) \$135 | Half (9a-11:30a) \$105
This exciting and fun camp will introduce your child to the Russian language and culture. Through games, crafts, videos, and activities, students will learn to read, write, pronounce, and understand simple words and phrases in Russian. This class is for beginners with no experience in Russian and is a great way to be introduced to a language not taught in most schools.

Math Applications

Rising 6-9 | Session 3 | Instructor: Leslie Hill
Full (9a-4p) \$260 | Half +Plus (9a-1:30p) \$160 | Half (9a-11:30a) \$130
Have you ever asked what ratios and inequalities have to do with real-life? Come explore the answers to these questions when we learn how the following are related: variability and quality assurance, areas of circles and search and rescue, and ratios and cycling! Take part in this camp and explore how these math skills are used in numerous careers. Campers will enrich their math skills through games, selected activities, and interactive websites. **Students are encouraged to bring a programmable calculator such as Texas Instrument TI-83 Plus or TI-84.**

Media Smart

Rising 6-9 | Session 5 (M-W, F) | Instructor: Lauren Edmonds
Full (9a-4p) \$210 | Half +Plus (9a-1:30p) \$135 | Half (9a-11:30a) \$105
Have you ever really thought about what you watch on TV? Or about what you read and post online? Learn how to find truth in the age of viral videos and wildfire rumors. Develop your writing and critical thinking skills as we analyze advertisements, movies, social media, news sources, and more to understand both the positive and negative messages sent through all the technology in our lives.

Speckled Learners: Math

Rising 6-9 | Session 6, 8 | Instructor: Sherrie Williams
Full (9a-4p) \$260 | Half +Plus (9a-1:30p) \$160 | Half (9a-11:30a) \$130
Speckled Learners is a new and upcoming academic based math program. It is centered around the students because we understand that everyone learns differently and that math can be fun. Come see what we are all about and remember, numbers are your friend!

Study Like a Scholar

Rising 6-9 | Session 8 | Instructor: Little Scholars Staff
Full (9a-4p) \$320 | Half +Plus (9a-1:30p) \$190 | Half (9a-11:30a) \$160
"Be sure to study for the test on Friday!" What does that REALLY mean? Students often need more guidance as they navigate the road of study skills. As your child becomes more independent, we will provide them with the strategies that are most compatible with their learning style to get them organized, taking good notes and studying effectively.

Study of Justice and Literature

Rising 6-9 | Session 8 | Instructor: Kathryn Livingston
Full (9a-4p) \$260 | Half +Plus (9a-1:30p) \$160 | Half (9a-11:30a) \$130
Throughout the course of the week, students will read "Antigone," excerpts from "To Kill a Mockingbird", as well as other texts that will help us answer the question "What is Justice?". Students will address questions related to the each reading in a journal.

Study Skills

Rising 6-9 | Session 7, 10 | Instructor: Stefan Farrenkopf
Full (9a-4p) \$260 | Half +Plus (9a-1:30p) \$160 | Half (9a-11:30a) \$130
Do you know what kind of learner you are or how your brain works? Regardless of subject matter, there is information you need to know about

yourself and skills to be successful in school. This course will give you some tips, tricks, and ideas to help you use your time more wisely and efficiently. Note taking, organization, test preparation, memorization techniques, and time management – these are just some of the topics we will discuss in this course. So, are you ready for the challenges of the upcoming school year? **Please note for Session 10 only: Half Plus and Full Day students are required to pack a nut free lunch each day.**

Twelve Angry Men

Rising 6-9 | Session 4 | Instructor: Kathryn Livingston
Full (9a-4p) \$260 | Half +Plus (9a-1:30p) \$160 | Half (9a-11:30a) \$130
Throughout the course of the week, students will read and act out "Twelve Angry Men." This play encourages students to engage as jurors deciding the fate of a nineteen year old accused of killing his father. As the play evolves, we see how the characters' biases impact their views of justice. We will do research into the context of the play and will discuss how characters were developed before creating a performance of a section of the play.

Writer's Workshop

Rising 6-9 | Session 2 | Instructor: Michelle Sabadash
Full (9a-4p) \$260 | No Half +Plus | No Half
You think you want to be a writer? Or maybe you already are... In Writer's Workshop, we'll write, share our work, collaborate and prepare a final piece for parents and friends to enjoy. So whether you are addicted to fiction, have the heart of a poet or are ready to join the staff of The Columbus Dispatch, Writer's Workshop is sure to provide the inspiration you need to pursue a writer's life! **Writers should bring a notebook, pen or pencil, and reading material for break time.**

Writing Across Columbus

Rising 6-9 | Session 10 | Instructor: TBA
Full (9a-4p) \$495 | No Half +Plus | No Half
Calling all writers and artists! Learn how to write about your surroundings while also experiencing Columbus. Through daily field trips, students will find excitement in the things around their city as they explore, observe, and think creatively. We will focus on short stories, character development, descriptions of scenes, poetry, and much more. For the budding artist, students can stretch their creative muscles and incorporate illustration and design into their work. Students will improve their skills as they learn to describe their surroundings through writing and illustrating. We will travel each day to places that will inspire us such as Thurber House, Columbus Metropolitan Main Library and Topiary Garden, Franklin Park Conservatory, and local Metro Parks. Join us for an adventure of sights, sounds, and WORDS! **Students are required to pack a nut free lunch each day. Notebooks and writing utensils will be provided, but students may bring their own supplies as well.**
☞ This is a traveling/off-site program.

Arts & Sciences

Arts & Sciences classes require dress for mess attire.

Advanced Pastry and Baking

Rising 6-9 | Session 7 | Instructor: Young Chefs Academy Staff
Full (9a-4p) \$295 | No Half +Plus | No Half

Have a passion for baking? This is the perfect camp! We will explore different baking and pastry techniques all week, from sweets to savorys and even chocolate and candy garnishes. Students will work independently and in small groups to make their own creations like classic lavender petit fours with homemade lemon filling and buttermilk chocolate doughnut holes with mocha ganache. All levels of experience are welcome, but we ask campers be prepared for a structured class for these advanced recipes. Bring your sweet tooth!

Advanced Visual Game Coding Using Scratch

Rising 6-9 | Session 9 | Instructor: CodeMonster Staff
Full (9a-4p) \$410 | No Half +Plus | No Half

This advanced Scratch programming class is designed for students with significant Scratch experience and want to take their Scratch coding skills to the next level! This advanced class will teach students how to code games like Mario and flappy bird games. Game techniques like horizontal scrolling and jumping physics will be explored as students learn to code more complicated games. **Students attending this class should have done a fair amount of Scratch programming before and should be familiar with the concepts of variables and game loop.**

Adventures & Survival Skills

Rising 6-9 | Session 2 | Instructor: TrekNetwork Staff
Full (9a-4p) \$595 | No Half +Plus | No Half

Adventures & Survival Skills is an ideal combination of experiential learning, fun and adventure for students interested in gaining a better understanding of their natural surroundings. Rock climbing, kayaking, archery, shelter building and survival training make for an awesome five day adventure. We'll go rock climbing in the Hocking Hills, kayak local waters, develop archery techniques and learn survival skills all from expert guides. No experience is required and all equipment and instruction are provided. **TrekNetwork waivers are required for every participant and will be distributed via email before camp begins. Campers must arrive on the morning of day one with signed waivers to be able to participate. Students should come prepared for any weather, ready to perform rigorous activities and be able to swim.**

All We Wanna Do Is Dance

Rising 6-9 | Session 1 (M-W, F) | Instructor: Mackenzie Hanna
Full (9a-4p) \$210 | No Half +Plus | No Half

This dance workshop is a fun week of intensive dance for beginner to intermediate. Students will learn dance basics like turns, leaps, jumps, and more. Students will improve their skills with across-the-floor exercises and will learn routines of several different dance styles including, but not limited to, jazz, contemporary, and hip hop. Students will also get a chance to work together to create their own choreography.

Amateur Animators

Rising 6-9 | Session 3 | Instructor: Cat Mailloux
Full (9a-4p) \$270 | Half +Plus (9a-1:30p) \$165 | Half (9a-11:30a) \$135
How are your favorite Pixar or Disney movies made? Do you have a knack for playing on iPads and iPhones? Come join us to de-mystify the movie making process and harness modern technology to learn how to make your own animations using basic stop-motion construction techniques. Explore drawing, flip books, building with clay, and storytelling in this crash course on making things move. Celebrate at the end of the week in a film festival of animated shorts showcasing your creative and quirky animations.

Arduino Robotics Programming

Rising 6-9 | Session 3 | Instructor: CodeMonster Staff
Full (9a-4p) \$410 | No Half +Plus | No Half

Let's build a working robot that students can bring home at the end of the camp. And let's program the robot intuitively using real programming language. This one-of-a-kind course teaches children robotic programming using a unique approach. We first introduce and discuss all the components needed for the robot build before actually building it. Once the robot is completed, we will program or give intelligence to the robot. This engaging robotics class provides a fun learning experience for students who love to build and code. We will use open sourced platform for our robotic building and c++ for coding. **No prior knowledge of robotic programming is required for this course. Some form of coding like Scratch or equivalent is preferred.**

Be a Junior Counselor at CA

Rising 8-11 | Session 1-10 | Instructors: Jr. Counselor Ambassadors
Full (9a-4p) \$90/week (Sessions 1 and 5: \$70/week)

Join our dynamic team this summer and put experience on your resume. This opportunity is a hands-on volunteer leadership experience for any student going into eighth through eleventh grade. Duties of a junior counselor include helping with camp activities, supporting a senior counselor, escorting campers, helping with check-in and snack time, and having fun in the sun at Columbus Academy. If you have not had a job before, this program will give you the experience you will need to succeed in your next opportunity and will give you leadership skills that will follow you the rest of your life. By becoming a part of our team, you will have fun, make friends, and learn valuable skills. Each participant will receive a certificate of completion and a review to put in his or her job portfolio. **Students and a parent/guardian are required to attend a mandatory orientation on Saturday, June 1, from 12 to 2 pm. This program is limited to ten participants per week, and spaces fill quickly.**

Beginning Electric Guitar

Rising 6-9 | Session 5 (M-W, F) | Instructor: Bill Walker
Full (9a-4p) \$230 | No Half +Plus | No Half

Do you have an electric guitar that you haven't quite gotten around to learning how to play? Not quite sure how to start? This is the class for you! We will start right at the beginning and learn chords, single note riffs, blues and rock scales to solo with and songs to go with your new skills. We will also learn the basics of tablature and note reading. By the end of the week, campers should be prepared to continue learning new songs and skills on their own. Let's get loud! **Each camper must provide their own electric guitar, amp, cable, and electronic tuner.**

Beginning Acoustic Guitar: Play and Sing!

Rising 6-9 | Session 4 | Instructor: Bill Walker

Full (9a-4p) \$285 | No Half +Plus | No Half

Got a guitar, but haven't made much progress yet? This is the camp for you! Campers will learn basic chords, strumming and picking patterns, bass lines, and beginning blues solo playing. We will explore traditional American folk songs, blues, and contemporary songs in a variety of styles including pop, rock, alternative, country, and blues as well as learning how to coordinate playing and singing. By the end of the week, we will record everything on high quality digital recording equipment and produce an online album of all of our work. This class will be aimed at beginning players and requires a willingness to sing, but no special singing skills. **Campers are required to bring their own acoustic (nylon or steel string) guitar. It will also be helpful to bring a clip on tuner or a phone with a tuner app**

Book Arts

Rising 6-9 | Session 10 | Instructor: Cat Mailloux

Full (9a-4p) \$270 | No Half +Plus | No Half

Dive into the world of making books by hand to learn the traditional techniques of book making. Learn how to cut paper and make text blocks. Explore different book binding stitches like the saddle stitch, kettle stitch, and long stitch. Choose your own fabric and paper and learn how to make both hard cover and soft cover books. In this class, students will be introduced to a wide range of book making techniques to make a bullet journal, memo book, sketchbook, and a traveler's notebook style journal. **Students are required to pack a nut free lunch each day.**

Breaking the Fourth Wall Acting Camp

Rising 6-9 | Session 4 | Instructor: McKenzie Vaughn

Full (9a-4p) \$260 | Half +Plus (9a-1:30p) \$160 | Half (9a-11:30a) \$130

In Breaking the Fourth Wall Acting Camp, students will immerse themselves in fun and interesting monologues and scenes. Students will strengthen their diction, stage presence, and reading abilities. We will play fun and entertaining theatre games, use interesting theatre warm ups, learn how to audition for a play, and improvise on stage. We will also discuss where great theaters are located in the Central Ohio area! Campers will have the opportunity to perform in the Friday Showcase. **Students should wear comfortable clothing and closed-toe shoes that are good for moving in. No sandals or flip flops.**

Broadway Showstoppers: The Golden Age of Musicals

Rising 6-9 | Session 8 | Instructor: Columbus Children's Theatre Staff

Full (9a-4p) \$295 | No Half +Plus | No Half

In this intensive camp, students will focus on the collaboration of all three performing art forms- singing, acting, and dancing- through the Golden Age of Broadway musicals. Students will learn songs and scenes from shows like Oklahoma!, My Fair Lady, West Side Story, The Music Man, and The Sound of Music. Exercising their musical theatre skills, students will work in small and large groups to prepare for the Friday Showcase and add "Triple Threat" to their resumes!

Bucket Drumming 101

Rising 6-9 | Session 8 | Instructor: Rusty Oates

Full (9a-4p) \$260 | Half +Plus (9a-1:30p) \$160 | Half (9a-11:30a) \$130

Come learn to turn household items into musical instruments! Bucket drumming, also called street drumming, is a style of music which involves drumming on plastic buckets and other objects to create melodies. The most common object used by bucket drummers are five-gallon plastic buckets, but other objects can be used, including glass bottles, pots, and pans. We will learn drumming techniques, rhythms, and learn how to turn just about anything to a musical opportunity. This camp can't be BEAT!

CA Marching Band Camp

Rising 6-9 | Session 6 | Instructor: McKenzie Vaughn

Full (9a-4p) \$260 | Half +Plus (9a-1:30p) \$160 | Half (9a-11:30a) \$130

Ever wondered how the OSU marching band crosses the field with such ease and elegance? Have you ever wanted to learn to play your instrument and march at the same time with songs like Hang on Sloopy, We Will Rock You, or popular music from today's hits by artists such as Justin Bieber, Katy Perry, Selena Gomez or even Fallout Boy? Join us in CA Marching Band Camp, and you will learn to do just that! In this camp, students will play music popular in the marching band world. We will work on our marching technique and perform in the Friday Showcase! Students will be able to learn fun music along with marching and dance steps! **Students should bring their own band instrument (including clarinet, flute, trumpet, trombone, tuba, mellophone, oboe, saxophone). For drummers, please contact our office for more information. Students are required to wear tennis shoes, bring a water bottle and sunscreen; sunglasses and visors are optional.**

Camp COSI on Wheels: Design It, Build It, Test It!

Rising 6-9 | Session 2 | Instructor: COSI Staff

Full (9a-4p) \$310 | No Half +Plus | No Half

Dive deep into the engineering design process this summer with Camp COSI on Wheels! Redesigned with new challenges this year, this engineering-focused camp will set you loose to design, build, test, and redesign to solve real world problems, test your collaboration skills, and find engineering in unexpected places... Build straw skyscrapers to withstand wind, create your own all-in-one surgical tool, dissect wind-up toys to explore their inner workings, and more! Camp COSI on Wheels is presented by COSI Educators and is always exciting, always electric, and always hands-on!

Camp Pinterest

Rising 6-9 | Session 2 | Instructor: Jennifer McGinnis

Full (9a-4p) \$285 | Half +Plus (9a-1:30p) \$175 | Half (9a-11:30a) \$145

Camp Pinterest is a week of crafting using inspiration from Pinterest. Students will create a variety of projects using many types of media. Some projects will include crayon melting, wood string art, and painting on canvases. Students will also have the opportunity to find a project on Pinterest they would like to create, and we will take a field trip to a local craft store where students will be able to find materials for their project. It will be a very fun week of crafting and being creative!

Ceramics: Wheel Throwing Workshop

Rising 6-9 | Session 10 | Instructor: Charity White

Full (9a-4p) \$285 | Half +Plus (9a-1:30p) \$175 | Half (9a-11:30a) \$145

Dress for mess and spin the wheel to shape clay into the basic forms of mugs and bowls. Work with various tools and later glaze your pottery. This class is an introduction to the potter's wheel where students will throw functional works of art. Over the course of the week, we will explore centering, throwing cylinders and bowls, trimming, and a variety of surface decorations. **Students are required to pack a nut free lunch each day.**

Chess Masters

Rising 6-9 | Session 6 | Instructor: Kyle Jones

Full (9a-4p) \$270 | Half +Plus (9a-1:30p) \$165 | Half (9a-11:30a) \$135

Chess Masters provides students with the most advanced curriculum to prepare them for tournament play. Students will be given the necessary

tools to be able to create reasonable plans in complex positions. Campers will learn advanced tactical themes. Each day students will participate in our very own tournament to put their strategies to the test.

Classic Magic

Rising 6-9 | Session 1 (M-W, F) | Instructor: Carroll Baker

Full (9a-4p) \$240 | No Half +Plus | No Half

Children love magic, and they really love learning and performing it! Carroll Baker's classes are a great way for your child to have fun learning to become an amazing magician, performer, and presenter. Beyond the entertainment value, magic helps improve digital dexterity, coordination, visual perception, spatial relationships, critical thinking, creativity, public speaking skills, self-confidence, and imagination. This class will focus on the greatest magic effects of the last 200 years. On the last day of camp, we will perform on stage at the Friday Showcase.

Classical Competition

Rising 6-9 | Session 8 | Instructor: Dr. Franz Gruber

Full (9a-4p) \$260 | Half +Plus (9a-1:30p) \$160 | Half (9a-11:30a) \$130

Classical Competition is a playful introduction to the Greek and Roman history and culture, with English word power added to the mix. The students will be able to show what they have learned each day, playing a buzzer game, called Certamen. This fun game is ideal for the young scholar with a classical bent. If your scholar is a Classical Mythology wizard who is also curious about Greek and Roman history, a Harry Potter or Rick Riordan fan, or just someone who likes to learn more about the classical roots of English words, then we have the game for you. In the end, it all comes down to the buzzer!

Community and Leadership

Rising 6-9 | Session 5 (M-W, F) | Instructor: Little Scholars Staff

Full (9a-4p) \$220 | Half +Plus (9a-1:30p) \$140 | Half (9a-11:30a) \$110

Community and Leadership is a unique opportunity for students to learn how to develop their business skills while impacting the world around them. Our future leaders will learn about entrepreneurship, public speaking, civic involvement and community outreach opportunities with an engaging curriculum to channel their desire to have a positive impact on the world around them.

Comparative World Philosophies

Rising 6-9 | Session 6 | Instructor: Kate Kaura

Full (9a-4p) \$260 | Half +Plus (9a-1:30p) \$160 | Half (9a-11:30a) \$130

Students will be led through a global exploration of international philosophies including religions, belief systems, cultural norms, and world-views. In an academic inquiry into deeper questions of life and the search for truth, we will examine and compare various cultural discourse and knowledge.

Cupcake Wars

Rising 6-9 | Session 5 (M-W, F) | Instructor: Young Chefs Academy Staff

Full (9a-4p) \$230 | No Half +Plus | No Half

Do you love cupcakes and a little friendly competition? Then this camp is for you. Each day of camp we'll be creating, baking, and decorating themed cupcakes to enjoy and share. Campers will have a fun filled schedule each day with hands on experience in a variety of baking techniques as well as how to work with pastry bags, different pastry tips, and fondant too! Remember this is a competition and you never know what could happen!

Debate I

Rising 6-9 | Session 2 | Instructor: Denise Brooks

Full (9a-4p) \$260 | No Half +Plus | No Half

Campers are given the opportunity to improve their communication skills in a fun and safe environment that promotes risk taking. Each activity is suited to your child's experience level. Students will learn the fundamentals of public speaking and argumentative writing. This camp will help your child develop presentation and debating skills that will build confidence.

Debate II

Rising 6-9 | Session 8 | Instructor: Denise Brooks

Full (9a-4p) \$260 | No Half +Plus | No Half

Students will build on their communication skills and higher-level thinking abilities in a fun and safe environment that promotes risk taking. Topics will be chosen by students and learning will be tailored to each student's readiness level. Students will build on the fundamentals of public speaking and argumentative writing.

Decades: Exploring the Past

Rising 6-9 | Session 6 | Instructor: Denise Brooks

Full (9a-4p) \$260 | No Half +Plus | No Half

Campers will travel back in time to learn about the decades. We will explore fashion, food, entertainment, leaders and trends. Campers will also study the trends of the past and make comparisons to present time. Fun-filled activities from years past will be explored.

Discover Ohio

Rising 6-9 | Session 10

Instructors: Michael Fatten, Johari Mitchell, & Amanda Vesner

Full (9a-4p) \$550 | No Half +Plus | No Half

Join us on an adventure across Ohio to discover our hidden treasures. In this class, we will travel each day to a "hot spot" that you will want to return to again and again. Trains and boats? We've got them. Rainforests? We've got them. Stingrays? You guessed it. We've got them, too! Roller coasters? Absolutely some of the best! This is a non stop exploration of the best Ohio has to offer. **Students are required to pack a nut free lunch each day.**

☞ This is a traveling/off-site program.

Drone Racing & Obstacle Course Challenge

Rising 6-9 | Session 3 | Instructor: Drobots Staff

Full (9a-4p) \$385 | No Half +Plus | No Half

This camp is filled with pure action as students enjoy one of the world's fastest growing sports, Drone Racing. Campers will first learn about the basic safety of drone flying and the history behind drone racing as a sport. From there, campers will progress through various skill challenges and learn how to perform various exercises and maneuvers to become familiar with the drone's speed and agility. Flight squads post up against one another in friendly competition when they race themselves and the clock. Students first maneuver the drone through creative obstacle courses before taking on the challenge of flying for speed. Participants contribute fully in this program as they create the design and help build the the obstacle course in preparation for the last day's final activities and competition. All campers go home with interactive workbooks and plenty of Drobots Company keepsakes so the memories last long beyond the summer. Drone safety and social responsibilities of flying are included in this program.

Drones to the Rescue

Rising 6-9 | Session 6 | Instructor: Drobots Staff

Full (9a-4p) \$385 | No Half +Plus | No Half

Drone search and rescue is a necessity for first responders around the world, adding a new layer of solutions to save lives across the globe. Now campers can take part in and learn from simulated missions during this action-

packed, creative, and educational program. Participants will learn to fly drones and rely on their rescue team to collect vital data in specific “rescue areas” to locate “victims” and safely rescue them. We use age-appropriate and cutting-edge technology methods available for creating plans, missions, and maps. Participants will also learn invaluable lessons on how to simply, quickly and accurately make informed and targeted suggestions for real-world positive applications.

Emotional IQ: Social and Emotional Learning

Rising 6-9 | Session 1 (M-W, F) | Instructor: Betsy Zoeller
Full (9a-4p) \$210 | Half +Plus (9a-1:30p) \$135 | Half (9a-11:30a) \$105
Come join us on a journey exploring your own Emotional IQ! We will all work together to learn about Emotional Intelligence, how to practice a growth mindset, and learn strategies that will teach us how to cope with difficult things that will come up throughout life. Ready... Set... Grow!

Extreme Medical School

Rising 6-9 | Session 7 | Instructor: Little Medical School Staff
Full (9a-4p) \$395 | No Half +Plus | No Half
We offer a one-of-a-kind learning experience for students. This hands-on, in-depth experience puts the student in the role of the physician, complete with a white coat and real stethoscope. Through interactive and creative demonstrations, crafts, and projects, students see how the body works and what goes wrong with disease states. Our “student doctors” not only learn how to use a stethoscope, but also learn what they are hearing when they listen to the heartbeat. We discuss why murmurs sound the way they do and they get their first look at an EKG. As “student surgeons”, they learn how to sew like a real surgeon, tie knots, and do a hernia repair with mesh! In the blood section, they make a model of normal blood, and then see first-hand what goes wrong with leukemia and sickle cell disease. We will also focus on the business aspect of Medicine. What does it take to set up and run your own private practice? This is just a sampling of the many exciting topics we will explore during this week.

Fantastic Folk Dancing

Rising 6-9 | Session 3 | Instructor: Kelsey Fulmer
Full (9a-4p) \$260 | Half +Plus (9a-1:30p) \$160 | Half (9a-11:30a) \$130
Come join us for a fantastic week of folk dancing! We will be exploring traditional song and dance, which we will incorporate into familiar songs of today. By the end of the week, your student will have learned different types of folk dancing, the songs associated with those dances, and how those styles of dancing can be incorporated into new songs. It will be a blast!

Friendly Feminism 101

Rising 6-9 | Session 9 | Instructor: Kate Kaura
Full (9a-4p) \$260 | Half +Plus (9a-1:30p) \$160 | Half (9a-11:30a) \$130
A youth-friendly class environment on the fundamentals of gender equality, history of the women’s suffrage movements, modern social movements, and current topics and issues such as social justice, female and male leadership,

global education for girls, and women role models in all industries and careers. We will also explore common age-appropriate issues faced by young people such as social media, self awareness, body positivity, and self-empowerment. This class is open to all genders.

Fun with Photography

Rising 6-9 | Session 4 | Instructor: Genevieve Adkins
Full (9a-4p) \$260 | No Half +Plus | No Half
This class is ideal for anyone wanting to learn about photography in a fun way. Students will learn basic photography techniques and apply them in the field. We will explore the techniques of color, light and shadow, lines, the rule of thirds and positive and negative space. We will practice these skills around the Columbus Academy campus and use them to complete various projects. Our images will then be presented in a gallery-slideshow at the end of the week. ***Students are required to bring a basic digital camera (the more options on the camera the better, but a basic point and-shoot will work fine as well).***

Future Tech Camp

Rising 6-9 | Session 1 (M-W, F) | Instructor: SIMPLR STEAM Playground Staff
Full (9a-4p) \$260 | No Half +Plus | No Half
Artificial Intelligence (AI), Augmented Reality (AR), Virtual Reality (VR), drones, and e-sports are all topics and technologies that will dominate the future economy. In this future-focused camp, we will explore and engage with these technologies to learn how they work and to build and develop with them. Over the course of the camp, users interact with voice user interfaces (VUI), image recognition software, VR, and Apple’s AR Kit. Each technology will be introduced in a fun and engaging way to inspire youth and give them a foundation for deeper exploration with each technology topic.

Game of Drones

Rising 6-9 | Session 2 | Instructor: SIMPLR STEAM Playground Staff
Full (9a-4p) \$325 | No Half +Plus | No Half
Drone racing is the new sport for the 21st century. ESPN is now broadcasting drone races and promoting the best pilots like traditional athletes. But how do you get started in this new age sport? The SIMPLR Game of Drones camp has the answer. During our camp, you will learn how to pilot, build, and race mini quadcopters! We will teach you about the science and technology behind drone racing and develop fledgling pilots and engineers along the way. By the end of the camp, your child will build a drone and pilot it in a drone race using First Person View (FPV) goggles.

Global Citizen

Rising 6-9 | Session 1 (M-W, F) | Instructor: Kate Kaura
Full (9a-4p) \$210 | Half +Plus (9a-1:30p) \$135 | Half (9a-11:30a) \$105
What does it mean to be a global citizen today? We will look at some of the most pressing issues in our time including climate change, environmentalism, international poverty, education, and even different national and governmental structures and societies. What is a NGO? A non-profit? A benefit corporation? What is the UN and the Millennium Goals? And most importantly, what can we, as students, do about it?

Gym Skills: Hip Hop

Rising 6-9 | Session 5 (M-W, F) | Instructor: Gym Skills Staff
Full (9a-4p) \$230 | Half +Plus (9a-1:30p) \$145 | Half (9a-11:30a) \$115
Come join Gym Skills for a fun and upbeat hip hop program! Throughout the week, students will learn everything from the history of the hip hop culture to a variety of dance styles such as breaking, popping/locking, and krumping to help with rhythm and coordination. Dancers will perform individually and in groups. Students will be taught choreographed routines to be performed at the Friday Showcase!

Harry Potter's Care of Magical Creatures

Rising 6-9 | Session 7 | Instructor: Sarah Dove

Full (9a-4p) \$260 | Half +Plus (9a-1:30p) \$160 | Half (9a-11:30a) \$130

Have you ever found yourself wishing that you could be in the wizarding world of Harry Potter? Look no further! In this camp, students will be taking a closer look at the Harry Potter books and the recent Fantastic Beats films in order to learn more about its fantastical creatures and examine other popular stories that share similarities with this magical world. Campers will learn about magical creature care and think about how the issues surrounding the treatment of magical creatures can also be seen with ordinary animals in the world around us. By doing this, campers will be encouraged to explore themes such as compassion, bravery, unity, and determination. As we focus on specific "creatures-of-the-day", we will take a look at the books, films, crafts, games, and much more that might be found inside the world of Harry Potter!

Harry Potter's Defense Against the Dark Arts

Rising 6-9 | Session 10 | Instructor: Sarah Dove

Full (9a-4p) \$260 | Half +Plus (9a-1:30p) \$160 | Half (9a-11:30a) \$130

In the world around us, sometimes we witness injustice. Through an exploration of a similar moment of injustice in the Harry Potter series, campers will be encouraged to conjure up their own magic through the power of critical thinking in order to provide creative solutions to confronting injustice in the world around them. As a class, we will come up with a strategic flow chart for how the theme of the day could reach a solution that would dissolve the darkness of injustice. **Half Plus and Full Day students are required to pack a nut free lunch each day.**

How to Draw: Cartoons

Rising 6-9 | Session 4, 9 | Instructor: Lauren Edmonds

Full (9a-4p) \$260 | Half +Plus (9a-1:30p) \$160 | Half (9a-11:30a) \$130

Learn how to draw your favorite comic and cartoon heroes in this workshop-style camp. We will work step by step through the creation process of designing characters, creating comic strips, and making movie posters for your favorite cartoons. All levels of drawing skills are welcome. The only limit is your creativity!

iDesign: Engineering in a Makerspace

Rising 6-9 | Session 9 | Instructor: Todd Martin

Full (9a-4p) \$285 | No Half +Plus | No Half

Explore all that a Makerspace has to offer with this engaging engineering experience. Participants will apply the engineering design process as they create and make products using 3D printers, CNC, 3D Scanners, a laser cutter and more. Students will also have a chance to create prototypes with a wide range of materials including vinyl, foam and wood. CAD design, electronics and robotics challenges will be included each day. No prior engineering or design experience required. Let's make something!

Innovative Movers

Rising 6-9 | Session 5 (M-W, F) | Instructor: Chelsea Crabtree / CLC Dance, LLC

Full (9a-4p) \$210 | No Half +Plus | No Half

Ever wonder how dances are made for shows like World of Dance or So You Think You Can Dance? Come join us to learn how to make dances using different forms of technology! We will be exploring different dance techniques in the styles of Hip Hop, Jazz, and Modern to create original choreography. We will also learn about different choreographic structures as a way to problem solve and collaborate with peers through the creative process. At the end of the week, we will perform our original choreography for family and friends in the Friday Showcase!

Interpretive Dance

Rising 6-9 | Session 7 | Instructor: Kathy Mendenhall

Full (9a-4p) \$275 | No Half +Plus | No Half

Interpretive Dance is an energetic and creative class that blends ballet, modern, lyrical, jazz, and some sign language. Blending these dance forms causes a uniqueness that speaks to each child differently. They are

encouraged to flow, within a framework, the way their bodies interpret what they feel, hear, and see with the musical pieces. As we dance and create together, each day brings a special unity, fluidity, and passion that is hard to put into words, but its beauty can be felt and seen. It is truly a great experience! **Students are required to wear comfortable clothing that allows for free movement and ballet shoes. Course fee includes cost of costuming for the Friday Showcase.**

Introduction to LEGO Robotics

Rising 6-9 | Session 7 | Instructor: SIMPLR STEAM Playground Staff

Full (9a-4p) \$325 | No Half +Plus | No Half

The LEGO brand is synonymous with innovation and creativity. In this camp, we'll explore the new LEGO Boost kit and build Vernie, the Lego Boost mascot, in addition to many of the other LEGO boost creations. We'll also build and explore with the LEGO Mindstorms Kit- the more advanced robotics system that powers the First LEGO League competitions. This camp will provide a foundation for deeper learning about robotics, programming, and mechanical assembly. Join us! LEGO Mindstorms and Boost kits will be provided for in-class use only.

Kids Creative Programming with Python

Rising 6-9 | Session 6 | Instructor: CodeMonster Staff

Full (9a-4p) \$410 | No Half +Plus | No Half

This course is designed for students that have done some level of programming like Scratch and are ready to move on to the next level. We will introduce Python's basic programming constructs to campers as well as simple graphic drawing using the Turtle module. Simple data types and structures will be introduced and code organization using functions. We will take a shallow dive into Object Oriented programming concept and explore how Object Oriented concepts can be used and applied in the real world.

Know Yourself

Rising 6-9 | Session 3 | Instructor: Kate Kaura

Full (9a-4p) \$260 | Half +Plus (9a-1:30p) \$160 | Half (9a-11:30a) \$130

In this camp we will get to know ourselves, meaning, we will explore and identify the various passions, interests, strengths and personality types we represent through popular and fun methods. Through knowing who we uniquely are, we are better equipped to lead meaningful and authentic lives, show up as strong and capable individuals, and better utilize our gifts and talents. Through self reflection, quizzes, interactive games, and an exploration into our role models' passions, we will have a more clear understanding of who we are by the end of the week!

LEGO Robot BattleBot Camp

Rising 6-9 | Session 9 | Instructor: Robot Academy Staff

Full (9a-4p) \$400 | No Half +Plus | No Half

This camp encourages creative problem solving as the students learn engineering skills with fun and engaging activities. Campers build and program LEGO Robots to compete in a BattleBot championship! The robots will battle "to the death", and the designers of the "last robot standing" for

each round will win ribbons. No experience is necessary. We teach children everything they need to know to put together a winning BattleBot. Students will also complete individual building and programming activities and win trophies for their achievements at our award ceremony.

Let's See How It's Made

Rising 6-9 | Session 10 | Instructors: Nic Eader & Robert Krum
Full (9a-4p) \$495 | No Half +Plus | No Half

Have you seen the documentary show How It's Made? Come along on an adventure around Columbus to discover the inner workings and behind the scenes of how the things you love are created. Learn about the original ideas that have evolved into marketable products. Let's explore the machinery, engineering, robotics, and genius minds that have worked endlessly to make dreams come alive. **Students are required to pack a nut free lunch each day.** 🚗 **This is a traveling/off-site program.**

Live from Columbus Academy: Sketch Comedy!

Rising 6-9 | Session 1 (M-W, F) | Instructor: Columbus Children's Theatre Staff
Full (9a-4p) \$230 | No Half +Plus | No Half

Budding comedians will love this camp designed to teach the foundations of comedy while building camaraderie through ensemble work. Students will learn the basics of improv (including the 'Yes, and...' technique), how to write sketches, and how to apply essential theatre skills to fast-paced comedy. Students can expect fun and engaging theatre games, writing sessions, and collaborative acting and improvisational skill-building sessions led by professional teaching artists. Students will also have the opportunity to share their sketch comedy brilliance in the Friday Showcase.

Magic with Everyday Objects

Rising 6-9 | Session 7 | Instructor: Carroll Baker
Full (9a-4p) \$295 | No Half +Plus | No Half

Children love magic, and they really love learning and performing it! Carroll Baker's classes are a great way for your child to have fun learning to become an amazing magician, performer, and presenter. Beyond the entertainment value, magic helps improve digital dexterity, coordination, visual perception, spatial relationships, critical thinking, creativity, public speaking skills, self-confidence, and imagination. Campers will learn to perform fabulous feats of amazing magic with ordinary objects such as ropes, coins, rubber bands, and more. On the last day of camp, we will perform on stage at the Friday Showcase.

Manga and Anime

Rising 6-9 | Session 4 | Instructor: Coral Lee Bishop
Full (9a-4p) \$260 | Half +Plus (9a-1:30p) \$160 | Half (9a-11:30a) \$130
Come explore the world of manga and anime! We will spend five days learning about and drawing cartoons in the manga and anime style. We will also discuss how elements of Japanese culture are intertwined in this style. Students will create their own original characters and will use a variety of facial expressions and actions to illustrate scenes. We will also learn about cos-play, cons, and other elements of Japanese current and pop culture as reflected in manga and anime around the world!

Neuro Wellness

Rising 6-9 | Session 1 (M-W, F), 5 (M-W, F) | Instructor: Christopher Suozzi
Full (9a-4p) \$230 | No Half +Plus | No Half

Have you ever asked yourself, what is the most complex living structure in the universe? The answer... the human brain. Embark on a journey through the nervous system and explore its wonders in this neuroscience enrichment class! LEARN anatomy and physiology of the brain and spinal cord with hands-on lab sessions using real human and animal model brains. DEVELOP a powerful posture with functional strength training exercises to prevent head injuries. CREATE your own healthy meals for optimal brain development and performance. Experience this and much more as we demystify the field of neuroscience by kindling students intellectual curiosity in Neuro Wellness!

Next Top Chef

Rising 6-9 | Session 3 | Instructor: Young Chefs Academy Staff
Full (9a-4p) \$310 | No Half +Plus | No Half

Do you have what it takes to be the Next Top Chef? Join us as we learn different cooking, plating, presentation, and garnishing techniques, while creating impressive and delicious recipes. Each day will consist of a different competition based on popular TV shows including Chopped, Iron Chefs and even Cupcake Wars. Lessons include homemade breads, sauces and international cuisines. Every day is a different challenge and every day has advanced techniques. At the end of each day, campers will prepare, plate, and present their final dishes to judges to see who is the Top Chef! All experience levels welcome!

Raku and the Art of Japanese Ceramics

Rising 6-9 | Session 2 | Instructors: Coral Lee Bishop and Tera Stockdale
Full (9a-4p) \$285 | No Half +Plus | No Half

How did the samurai eat dinner? What is tea ceremony really about? Learn the answer to these and other cool Japanese things of the past and present through designing, decorating and making your own ceramic pieces! We will experience the culture of Japan through daily activities that bring to life ancient and modern Japanese traditions, foods and customs as we learn and create our own pieces of pottery. Students will create works that represent the Mingei crafts movement and will participate in a special Raku firing at the end of the week while learning about the language, traditions and characters connected to these ancient arts. Bring your o-hashis (chopsticks) and join us as we explore the land of the rising sun!

Real World Science

Rising 6-9 | Session 4 | Instructor: Denise Brooks
Full (9a-4p) \$260 | No Half +Plus | No Half

Did you know that science is all around you? During this fun-filled week, students will use the scientific method to explore the science behind things around them. Students will spend time using technology to research, explore and create scientific investigation that will extend their love of science.

Roblox® and 3D Game Development

Rising 6-9 | Session 4 | Instructor: Drobots Staff
Full (9a-4p) \$385 | No Half +Plus | No Half

Roblox offers students the opportunity to actively engage in the creative process and learn fundamental coding, design, and entrepreneurial skills that will give them the confidence to excel in this week of camp and beyond. Campers will learn how to use the Roblox engine to create games using the Lua programming language. Our creation tools and educational content will be used to expose campers to unique skills as they collaborate in teams to design blueprints and test their games. In the end, all campers finish the week with a published title that can be shared with families and friends. No prior experience is required. We provide all technology on location.

Roblox® Entrepreneur: Imaginative Game Design

Rising 6-9 | Session 8 | Instructor: Drobots Staff
Full (9a-4p) \$385 | No Half +Plus | No Half

Join us for a week of Roblox, one of the fastest-growing game programming platforms on the planet. In this course, campers use the Roblox Lua code to

create 3D worlds. Roblox is an entertainment platform that allows students to imagine, create, and play together across millions of user-created virtual worlds. Join the more than 60 million players per month and top developers making over \$1 million a year. The types of gameplay on Roblox are just as limitless as the imagination of the campers themselves. Join us for a week of pure fun and learning: build the ultimate theme park, compete as a professional race car driver, star in a fashion show, become a superhero, or simply design a dream home. Campers will learn what makes a Roblox game a top hit and learn how to implement some of the same engagement and monetization strategies in their own work. In the end, all campers finish the week able to publish, share, and play games with friends on any platform from console to mobile. No prior experience is required. We provide all technology on location.

Science in the Summer

Rising 6-9 | Session 6 | Instructor: Genevieve Adkins

Full (9a-4p) \$260 | Half +Plus (9a-1:30p) \$160 | Half (9a-11:30a) \$130

This is a hands-on class where campers will begin by performing labs and investigations to learn the elements of a good experiment. Campers will then apply what they have learned to an experiment of their own design! We will collect data, create graphs to analyze our data and visually present our findings to the public. In this class, students with an inquisitive mind or a creative passion for the sciences can hone their skills and apply them to their own line of study.

Short-Play Festival

Rising 6-9 | Session 2 | Instructor: Columbus Children's Theatre Staff

Full (9a-4p) \$285 | No Half +Plus | No Half

Calling all playwrights, actors, and directors! Members of the Short-Play Festival will work collaboratively to build 2-5 minute plays from the ground up for a performance at the Friday Showcase. Led by professional theatre teaching artists, students will develop new works through writing and devising exercises, direct their peers in scenes, and stretch acting muscles by performing in brand new plays. This camp offers the opportunity to not only build theatrical skills, but also to develop skills in writing, story development, collaboration, and leadership.

Songwriting and Recording with iPads or iPhones

Rising 6-9 | Session 2 | Instructor: Bill Walker

Full (9a-4p) \$285 | No Half +Plus | No Half

Always wanted to write songs, but don't know where to start? This is the camp for you! Campers will use iPads or iPhones to generate accompaniment tracks to write to, in whatever style they prefer. We will expand our writing skills while exploring line length and rhythm, rhyming, alliteration, metaphor, and song structure while writing a couple group songs and producing individual pieces. Students will be exposed to a variety of iOS apps that can assist with songwriting and recording. By the end of the week, we will record our group and individual songs and produce an online album of all of our work. This class requires a willingness to sing, but no special singing skills as all campers will be encouraged to both write and sing throughout the week. ***Students are required to bring their own iPad or iPhone and will also be required to purchase at least one accompaniment app (under \$10) from the list the instructor will provide on the first day of camp.***

Star Wars Tech Builders

Rising 6-9 | Session 4 | Instructor: SIMPLR STEAM Playground Staff

Full (9a-4p) \$325 | No Half +Plus | No Half

In this themed STEAM camp, students will immerse themselves in the Star Wars universe. The artifacts present in these stories will provide a foundation to explore the technologies of this universe. Participants in this camp will build lightsabers, assemble and program droids, combat in augmented reality Jedi challenges, and more. This camp is great for any student interested in Star Wars, programming, robotics, and making/building.

STEM Laboratory Experiments

Rising 6-9 | Session 3 | Instructor: Michael Smith

Full (9a-4p) \$285 | Half +Plus (9a-1:30p) \$175 | Half (9a-11:30a) \$145

Each day will be used to practice an experiment or activity in each area of STEM: Science, Technology, Engineering and Math. For science, we will use forensic science to solve a mock crime scene investigation (CSI) learning how to identify unknown materials. For technology and math, activities will include basic coding and learning about 3D printing, iPad data presentation, and basic iPad software. For engineering, students will design and build a hovercraft.

Street Magic

Rising 6-9 | Session 9 | Instructor: Carroll Baker

Full (9a-4p) \$295 | No Half +Plus | No Half

Children love magic, and they really love learning and performing it! Carroll Baker's classes are a great way for your child to have fun learning to become an amazing magician, performer, and presenter. Beyond the entertainment value, magic helps improve digital dexterity, coordination, visual perception, spatial relationships, critical thinking, creativity, public speaking skills, self-confidence, and imagination. Learn to perform magic like David Blaine and Chris Angel to name just a couple of the best. On the last day of camp, we will take a field trip to the Short North district and perform on the streets for real people. A video will be shot to share with the parents.

String Fling: Violins, Violas, and Cellos!

Rising 6-9 | Session 7 | Instructor: Bill Walker

Full (9a-4p) \$285 | No Half +Plus | No Half

Join us for a week of intensive focus on string playing! Enhance your technical skills and musicality on violin, viola, and cello, through various styles of playing including Celtic, Old Time, Jazz and Blues. Learn tunes, learn to create chord accompaniments, explore chop technique, learn to improvise on simple tunes and compose new ones. We will explore double stops, cuts, rolls, slides, trills, and simple shifting. By the end of the week, we will record everything on high quality digital recording equipment and produce an online album of all of our work. ***This camp is appropriate for students with moderate music reading skills and approximately two years of string classes or lessons. Students are required to bring their own instrument. It will also be helpful to bring a clip on tuner or phone with tuning app.***

Techie Camp: 3D Printing

Rising 6-9 | Session 4 | Instructor: TECH CORPS Ohio Staff

Full (9a-4p) \$385 | No Half +Plus | No Half

Students will learn how to use 3D modeling software to design, create, and print various 3D models. The camp will encourage students to think about the real-world implications of 3D printers while also fostering their creativity. Session ends with a presentation of the students' projects, and parents are invited to attend.

Techie Camp: Minecraft Code Connection

Rising 6-9 | Session 6 | Instructor: TECH CORPS Ohio Staff
Full (9a-4p) \$385 | No Half +Plus | No Half

Explore the world of Minecraft while mining, building, and surviving with code! Learn JavaScript using block based commands that allow users to control the world around them. Work with a team to build a fortress or even manipulate the environment. Use loops, conditionals, variables, and functions to complete a variety of different challenges. Code your way through an open world with endless possibilities.

Ukulele Madness: Play and Sing!

Rising 6-9 | Session 9 | Instructor: Bill Walker
Full (9a-4p) \$335 | No Half +Plus | No Half

Join the ukulele craze! We will learn basic chords, melodies, strumming and picking patterns, bass lines, and beginning blues lead playing. Song material will include traditional folk songs, blues, and contemporary songs in a variety of styles. We will learn to coordinate playing and singing at the same time. By the end of the week, we will record everything on high quality digital recording equipment and produce a CD or online album of all of our work. **Course fee includes cost of ukulele that students get to take home at the end of the week.**

Welcome to the Real World

Rising 6-9 | Session 8 | Instructor: Helma Groot
Full (9a-4p) \$290 | No Half +Plus | No Half

Do you know how to paint a room, sew on a button, wash clothes, grocery shop, build a campfire, do the dishes or any other handy life skills you might not learn at school? We will spend the week learning basic home repair and sewing techniques, money skills, basic first aid, cleaning skills and more. Parents love it when you become self-sufficient, and you'll have a step up on your peers getting ready for the real world!

Yoga, Self Care, & De-Stress

Rising 6-9 | Session 10 | Instructor: Kate Kaura
Full (9a-4p) \$260 | Half +Plus (9a-1:30p) \$160 | Half (9a-11:30a) \$130
Students will learn the art of self-care and self-awareness through practices and lessons on understanding what stress is, learning about emotional intelligence, and learn healthy responses and simple activities we can do. We will address how we can use yoga and other relaxation techniques to cope with our busy lives, including how to use yoga for mindfulness and compassion. Students will leave with a toolbox to manage all kinds of emotions and stress in our lives. **Half Plus and Full Day students are required to pack a nut free lunch each day.**

Athletics & Sports Clinics

Adventure Sailing

Rising 6-9 | Session 10 | Instructor: Hoover Sailing Club Staff
Full (9a-4p) \$325 | No Half +Plus | No Half

This class is a continuation of the beginner Learn to Sail program offered in Summer Experience. For those that just want more time on the water, we've introduced the Adventure Sailing track, focusing on having fun on the water and alternative sailing and watercraft experiences. Large sailboats, windsurfers, high performance sailing, SUP's, kayaks, long distance sailing adventures, and general messing about in boats will be covered in this session. We'll fly spinnakers on big boats and Hoover Sailing Club's US Sailing Certified Instructors will provide hands-on instruction with the students in this class. We'll even mix in some STEM modules to reinforce some of the advanced topics we'll be teaching in this course. **Students are required to have completed at least one session of the beginner Learn**

to Sail program to enroll in this course. Students also must pack a peanut and tree nut free lunch, and bring your own USCG approved life jacket. Sailing is a very physical activity; occasional bumps and bruises can occur. Please advise your child's counselor if there are any issues of which we might need to be aware. A Hoover Sailing Club release form is also required for every participant and will be distributed via email before camp begins.

☞ **This is a traveling/off-site program.**

Artistic Swimming: A Synchronized Swimming Experience

Rising 1-6 | Session 6, 8, 10 | Instructor: Ohio Coralinas Synchro Staff
Full (9a-4p) \$285 | Half +Plus (9a-1:30p) \$175 | Half (9a-11:30a) \$145
Swimming, Dance, and Gymnastics - Synchronized Swimming combines all three of these great activities into one fun experience! Using games, props, and music, we will explore the artistic side of swimming. During the course of the week, campers will learn synchronized swimming skills, all while putting together a special water show to be performed on Friday for parents and friends! **Campers should be able to swim the length of the pool (approximately 25 yards) unassisted and be comfortable in the deep end. Please note for Session 10 only: Half Plus and Full Day students are required to pack a nut free lunch each day.**

Boys' Baseball AM Clinic / Sports & More PM Camp

Rising 3-8 | Session 4 | Clinic Instructor: Tyler Kuhn
Sports & More Instructors: Zach Besand, Nic Eader, & Ryan Jenkins
Full (9a-4p) \$285 | Clinic +Plus (9a-1:30p) \$200 | Clinic Only (9a-11:30a) \$170
Join us for a week full of baseball fun! As a former professional baseball player and NCAA All-American, Tyler Kuhn will be sharing the knowledge he has gained through his years of playing and coaching in an action-packed week for players of all skill levels. Players can expect to improve their fundamental skills through various drills and simulated game situations on Columbus Academy's baseball field. It will be a week filled with learning and fun! **Participants are required to bring their own baseball glove, water bottle, and sunscreen. Cleats and baseball bats are optional.**
Please Note: To make a full day schedule, Sports Clinics can only be paired with our Sports & More program or another Sports Clinic occurring in the same week. Please see page 50 for the Sports & More class description.

Boys' Basketball PM Clinic / Sports & More AM Camp

Rising 3-8 | Session 4 | Clinic Instructor: Jeff Warstler
Sports & More Instructors: Zach Besand, Nic Eader, & Ryan Jenkins
Full (9a-4p) \$285 | Clinic +Plus (11:30a-4p) \$200 | Clinic Only (1:30p-4p) \$170
The Columbus Academy basketball program will once again host its clinic for all boys entering third through eighth grade. We encourage participation from young men with positive attitudes who are interested in having a great time, improving their skills, and learning more about playing this ultimate team game! Through a combination of drills, stations, and individual and team games, boys' head basketball coach Jeff Warstler, members of the CA coaching staff, special guest speakers, and players from the CA basketball program will teach the basic yet crucial fundamentals of basketball, namely

ball handling, passing, shooting, and defense. **Participants are required to bring a nut free snack, water bottle, and towel.**

Please Note: To make a full day schedule, Sports Clinics can only be paired with our Sports & More program or another Sports Clinic occurring in the same week. Please see page 50 for the Sports & More class description.

Boys' Lacrosse AM Clinic / Sports & More PM Camp

Rising 2-9 | Session 6 | Clinic Instructor: Derek Lichtfuss
Sports & More Instructors: Zach Besand, Nic Eader, & Ryan Jenkins
Full (9a-4p) \$285 | Clinic +Plus (9a-1:30p) \$200 | Clinic Only (9a-11:30a) \$170
Learn about the fastest sport on two feet! Lacrosse is America's oldest sport, with roots to Native American tribes dating back to 1100 AD. Lacrosse is an OHSAA sanctioned, spring sport, and is among the fastest growing, most popular sports in the U.S. This an instructional camp that focuses on basic skills, rules of the game, general concepts, and player safety. The clinic will be led by the coaches of the Columbus Academy Varsity and Middle School programs, along with current Varsity team members and guest coaches.

It is preferred that players provide their own equipment; however, equipment may be provided if the staff is notified in advance.

Please Note: To make a full day schedule, Sports Clinics can only be paired with our Sports & More program or another Sports Clinic occurring in the same week. Please see page 50 for the Sports & More class description.

Chiller Intro to Ice Hockey

Rising 6-9 | Session 10 | Instructor: Chiller Staff
Full (9a-4p) \$350 | No Half +Plus | No Half

This camp will introduce your child to ice hockey, no experience required! In addition, this camp will engage them in fun activities, games, and projects related to ice hockey so they can "get inside the game". Camp includes at least two hours of ice skating per day instructed by our professional skating coaches. Off-ice activities include indoor and outdoor games, projects related to hockey, as well as guest appearances by local experts. Your child will receive a skating and hockey evaluation at the end of camp. **Students are required to pack a nut free lunch each day.**

🚗 **This is a traveling/off-site program.**

Conditioning for Your Sport

Rising 6-9 | Session 2 | Instructor: Michael Smith
Full (9a-4p) \$260 | Half +Plus (9a-1:30p) \$160 | Half (9a-11:30a) \$130
Now you can get better workout results using exercises that are designed just for your sport. In this camp, we will calculate your target heart rate, customize your workout to your specific sport, and learn anatomy important to your conditioning. We will also examine and learn what exercises the pros in your sport are doing. By the end of the week, we will have designed a custom workout that you can build on after the camp, and students will receive a customized, laminated workout plan to take home!

Functional Fitness: CrossFit For Kids

Rising 6-9 | Session 5 (M-W, F) | Instructor: CrossFit New Albany Staff
Full (9a-4p) \$230 | Half +Plus (9a-1:30p) \$145 | Half (9a-11:30a) \$115
This program will focus on moving properly with movements such as squats, lunges, jumps, push ups, pull ups, and running. Our goal is to help each child reach their potential in a fun and challenging environment. Our coaches are trained to be able to work with a mixture of athletes with specific goals to those just looking to be fit and have fun. Fitness games and nutrition tips will also be incorporated throughout the week. **Water bottles, tennis shoes and comfortable workout clothes are recommended.**

Fundamentals of the Game

Rising 6-9 | Session 3 | Instructor: Luke Barricklow
Full (9a-4p) \$260 | Half +Plus (9a-1:30p) \$160 | Half (9a-11:30a) \$130
Students will learn the fundamentals of several different sports. They will be able to play a variety of sports including soccer, basketball, football, baseball, tennis, golf, volleyball, and lacrosse. During each day, they will be taught all of the different skills needed to play each sport through various drills, games, and fun competitions. The students will culminate each day with live games in their respective sports.

Girls' Basketball PM Clinic / Sports & More AM Camp

Rising 3-8 | Session 3 | Clinic Instructor: Ron McClendon
Sports & More Instructors: Zach Besand, Nic Eader, & Ryan Jenkins
Full (9a-4p) \$285 | Clinic +Plus (11:30a-4p) \$200 | Clinic Only (1:30p-4p) \$170
She shoots, she scores! Be a basketball star at CA. This girls' basketball clinic will involve learning and utilizing fundamental basketball skills. Girls will learn and practice ball skills, shooting skills, and basic fundamental principles in various drills and game situations. The clinic is designed for experienced players to improve on their skills, as well as for beginners to learn about the game of basketball. Come on in and see just how fun and rewarding basketball can be!

Please Note: To make a full day schedule, Sports Clinics can only be paired with our Sports & More program or another Sports Clinic occurring in the same week. Please see page 50 for the Sports & More class description.

Girls' Field Hockey AM Clinic / Sports & More PM Camp

Rising 2-8 | Session 1 (M-W, F) | Clinic Instructor: JoAnne Adams
Sports & More Instructors: Zach Besand, Nic Eader, & Ryan Jenkins
Full (9a-4p) \$230 | Clinic +Plus (9a-1:30p) \$165 | Clinic Only (9a-11:30a) \$135
Ladies...we have turf! We are thrilled to announce that this year's camp will again be held on the turf fields at Resolute Athletic Complex (formerly the Sports Barn)! We have rented space to give camp the smooth turf surface and perfect weather and temperatures! Be a part of the tradition at Columbus Academy by learning the sport of field hockey from State Championship winning coaches and top-notch players. This clinic is a great way to learn the dynamic sport of field hockey. Clinic sessions are creatively designed to teach the hockey basics: dribbling, passing, receiving, pulls, dodges, and more for younger players while preparing older girls for middle school competition. It doesn't matter if you are a first year player or an experienced middle school veteran, we will help you improve your game! We can't wait to share our love of the game on the turf fields

at Easton this summer! *If you need to purchase equipment, please contact Coach Adams at Adams@columbusacademy.org. This clinic will meet at Resolute Athletic Complex (formerly the Sports Barn) at Easton. For location and more information, please visit <http://resolute-athleticcomplex.ezleagues.ezfacility.com>.*

🚗 This is a traveling/off-site program.

Please Note: To make a full day schedule, Sports Clinics can only be paired with our Sports & More program or another Sports Clinic occurring in the same week. Please see page 50 for the Sports & More class description.

Girls' Lacrosse AM Clinic / Sports & More PM Camp

Rising 3-8 | Session 3 | Clinic Instructor: Jillian Byers

Sports & More Instructors: Zach Besand, Nic Eader, & Ryan Jenkins

Full (9a-4p) \$285 | Clinic +Plus (9a-1:30p) \$200 | Clinic Only (9a-11:30a) \$170

Girls' Lacrosse clinic is designed to teach the basic technical fundamentals of the sport. This game is played with a ball and a stick, so campers can expect to learn everything from passing to catching, shooting mechanics, cradling drills, various dodging techniques, defensive positioning and of course, stick tricks! No previous playing experience is necessary. **Students are required to bring cleats or turfs, lacrosse stick, goggles and mouthpiece.**

Please Note: To make a full day schedule, Sports Clinics can only be paired with our Sports & More program or another Sports Clinic occurring in the same week. Please see page 50 for the Sports & More class description.

Girls' Volleyball PM Clinic / Sports & More AM Camp

Rising 2-8 | Session 2 | Clinic Instructor: TBA

Sports & More Instructors: Zach Besand, Nic Eader, & Ryan Jenkins

Full (9a-4p) \$285 | Clinic +Plus (11:30a-4p) \$200 | Clinic Only (1:30p-4p) \$170

Come join the fun with the lifetime sport of volleyball! This is a great way to introduce young children to volleyball by using team building activities and learning valuable skills. Come check out just how fun volleyball can be! In this program, girls will learn how to pass, set, hit, serve, and play in group situations. There will be coaches, as well as Columbus Academy Upper School players assisting the younger participants.

Please Note: To make a full day schedule, Sports Clinics can only be paired with our Sports & More program or another Sports Clinic occurring in the same week. Please see page 50 for the Sports & More class description.

Go for the Gold at Royal Arts Fencing Academy

Rising 2-8 | Session 10 | Instructor: Royal Arts Fencing Academy Staff

Full (9a-4p) \$350 | No Half +Plus | No Half

Join us for this unique camp experience where students will travel to Royal Arts Fencing Academy every day to learn the noble art of fencing! Have you ever wanted to be Zorro, d'Artagnan, the Dread Pirate Roberts, Captain Jack Sparrow, Robin Hood, or a Jedi Knight? Then this is the camp for you! This course is specially created for participants of all fencing and athletic levels and will also include information about swords, moves, competitions, and future opportunities for Fencing Sport Scholarships. On Friday, the students will participate in a real fencing tournament! Fencing equipment is provided. **Students are required to wear athletic shoes and socks. Students are required to pack a nut free lunch each day.**

🚗 This is a traveling/off-site program.

History and Sport of Archery

Rising 6-9 | Session 4, 6 | Instructor: Charles Brodhead

Full (9a-4p) \$290 | Half +Plus (9a-1:30p) \$175 | Half (9a-11:30a) \$145

Humans have used archery since the dawn of time; first for hunting, then for warfare, and in modern times, for sport. There are many occasions when archery has changed the course of history; not many Olympic sports can claim this grand heritage. Campers will experience first-hand one of our oldest sports through daily study, practice, and challenges.

Jedi Camp

Rising 2-8 | Session 9 | Instructor: Royal Arts Fencing Academy Staff

Full (9a-4p) \$285 | No Half +Plus | No Half

Now is your chance to be a Jedi or Sith. This Star Wars themed week lets you into the world of Star Wars and lightsaber combat. We use safe weapons and fencing masks for protection. All equipment is provided and classes are taught by professionally trained fencing and martial art coaches. **Students are required to wear athletic shoes and socks.**

Learn to Sail

Rising 6-9 | Session 7 | Instructor: Hoover Sailing Club Staff

Full (9a-4p) \$325 | No Half +Plus | No Half

Hoover Sailing Club has offered sailing instruction for Central Ohio youth for over 45 years. Your child will experience the joy of skippering a dinghy from our fleet during his or her very first lesson. Our experienced US Sailing certified staff will teach basic safety and boat skills. Your child will learn to sail up-wind, down-wind, tack, jibe, and recover from a capsize. Our picturesque property and remodeled facilities will provide your youngster with a week he or she will remember for years to come. **Students are required to pack a peanut and tree nut free lunch, and bring your own USCG approved life jacket. Sailing is a very physical activity; occasional bumps and bruises can occur. Please advise your child's counselor if there are any issues of which we might need to be aware. A Hoover Sailing Club release form is also required for every participant and will be distributed via email before camp begins.**

🚗 This is a traveling/off-site program.

Olympic Fencing

Rising 2-8 | Session 8 | Instructor: Royal Arts Fencing Academy Staff

Full (9a-4p) \$285 | No Half +Plus | No Half

Have you ever wanted to be Zorro, d'Artagnan, the Dread Pirate Roberts, Captain Jack Sparrow, Robin Hood, or a Jedi Knight? Learn the noble art of fencing, including information about swords, moves, competitions, and future opportunities for Fencing Sport Scholarships. This course is specially created for participants of all fencing and athletic levels. On Friday, the students will participate in a real fencing tournament! Fencing equipment is provided. **Students are required to wear athletic shoes and socks.**

On the Run

Rising 6-9 | Session 5 (M-W, F) | Instructor: Little Scholars Staff

Full (9a-4p) \$260 | Half +Plus (9a-1:30p) \$160 | Half (9a-11:30a) \$130

Run, run, run as fast as you can for a camp full of fitness and fun! Don't let the name fool you, we will not just be running; we will play games, have team competitions and a whirlwind of fun! All while learning the benefits of fitness and healthy living.

Peddle & Paddle

Rising 6-9 | Session 3 | Instructor: TrekNetwork Staff

Full (9a-4p) \$595 | No Half +Plus | No Half

Go mountain biking, kayaking and stand up paddle boarding (SUP) with expert guides. Each module is designed to help participants aim high, achieve success and gain confidence through fun scenarios as we connect with nature. Campers will develop their mountain bike skills, see a variety of terrain and shred our local trail system! We'll also explore local waters by kayak and stand up paddle board (SUP). Campers will learn proper paddling techniques, safety procedures and etiquette as we develop skills and get wet. **Students are required to bring their own mountain bike and gear including helmet, gloves, water bottle, sturdy shoes and athletic clothing. Bikes can be securely stored at CA throughout the week. TrekNetwork waivers are required for every participant and will be distributed via email before camp begins. Campers must arrive on the morning of day one with their mountain bike, riding gear and signed waivers to be able to participate. Students are required to pack a nut free lunch each day and should come prepared for any weather, ready to perform rigorous activities and be able to swim.**

🚗 This is a traveling/off-site program.

Skateboarding

Rising 5-9 | Session 4 | Instructor: Chris Higgins

Full (9a-4p) \$295 | No Half +Plus | No Half

Come join us and learn the basics and more of skateboarding, one of the fastest growing sports in the world. While we will cover safety, equipment, and skateboarding etiquette, the emphasis will be on having fun and learning by spending as much time on our boards as possible. It doesn't matter if you are a first-time skater or a more experienced rider, this program will have something for everyone. Field trips to area skate parks will round out this exciting program. **Skaters are required to wear a helmet and bring their own skateboards; knee pads and elbow pads are recommended.**

Skateboarding Skatepark Road Trip Camp

Rising 6-9 | Session 10 | Instructor: Chris Higgins

Full (9a-4p) \$450 | No Half +Plus | No Half

Come join Chris Higgins and crew as we hit the road to skateboard at some of Columbus and Central Ohio's best skateparks! Skaters of all ages and skill levels will learn and have fun as we work on skating on all different types of skateparks and terrain. Camp will meet at Columbus Academy every day before we set off on an epic road trip to a different skatepark. **Students are required to pack a nut free lunch each day. Skaters are required to wear a helmet and bring their own skateboards; knee pads and elbow pads are recommended.**

🚗 This is a traveling/off-site program.

Soccer AM Clinic / Sports & More PM Camp

Rising K-8 | Session 1 (M-W, F) | Clinic Instructor: Ron Leach

Sports & More Instructors: Zach Besand, Nic Eader, & Ryan Jenkins

Full (9a-4p) \$230 | Clinic +Plus (9a-1:30p) \$165 | Clinic Only (9a-11:30a) \$135

No matter your level of experience in soccer, everyone will take home valuable skills from this soccer clinic. Whether you are a beginner and want to learn the basics or if you have already played organized soccer, we can help take you to the next level. We will focus on the fundamentals of soccer, basic individual skills, basic team tactics, instruction on the rules of the game, and mini scrimmages. Each day of this clinic will provide a fun learning environment about the game of soccer. **If you need to purchase equipment, please contact Coach Leach at Ron_Leach@columbusacademy.org.**

Please Note: To make a full day schedule, Sports Clinics can only be paired with our Sports & More program or another Sports Clinic occurring in the same week. Please see the Sports & More class description below.

Sports & More

Rising 6-9 | Session 5 (M-W, F), 7-9

Instructors: Zach Besand, Nic Eader, & Ryan Jenkins

5: Full (9a-4p) \$210 | Half +Plus (9a-1:30p) \$135 | Half (9a-11:30a) \$105

7-9: Full (9a-4p) \$260 | Half +Plus (9a-1:30p) \$160 | Half (9a-11:30a) \$130

Throughout each week, we will be exploring a variety of athletic games such as ultimate kickball, whiffle ball, soccer, floor hockey, capture the flag, and much more. Campers will learn material about how to stay fit and take care of their bodies. Fun fact: Campers will walk/run a minimum of four miles per day! Our primary focus and goals for the summer will be good sportsmanship, good nutrition, fitness, cooperation, and, of course, fun! **Students are required to bring a water bottle and wear athletic shoes - no flip flops or sandals.**

Sports Performance Camp at Royal Arts Fencing Academy

Rising 6-9 | Session 7 | Instructor: Royal Arts Fencing Academy Staff

Full (9a-4p) \$350 | No Half +Plus | No Half

Whether you want to get better at your sport or just want the physical conditioning, the Royal Arts Sports Performance Camp is for you. It will be a week of fun, challenging conditioning with games and other activities geared to make you a better athlete. Better athletes get better grades, too! Your quickness, mentally and physically, will improve as we challenge mind and body for total performance and fitness. **Athletic shoes required. A water bottle and sunscreen are recommended as some time will be spent outside, weather permitting.**

🚗 This is a traveling/off-site program.

Tennis PM Clinic / Sports & More AM Camp

Rising 1-8 | Session 1 (M-W, F) | Clinic Instructor: Jeff Warstler

Sports & More Instructors: Zach Besand, Nic Eader, & Ryan Jenkins

Full (9a-4p) \$230 | Clinic +Plus (11:30a-4p) \$165 | Clinic Only (1:30p-4p) \$135

Join Jeff Warstler of Columbus Academy for an intensive tennis extravaganza! Tennis is not just a country club sport; it is fun for the whole family! You will learn the fundamentals of tennis such as stroke production, footwork, strategy, and an understanding of the court. Once you have been through this clinic, you will have a better understanding of the sport and, hopefully, a true love of tennis. **Participants are required to bring their own tennis racket and water bottle.**

Please Note: To make a full day schedule, Sports Clinics can only be paired with our Sports & More program or another Sports Clinic occurring in the same week. Please see the Sports & More class description on this page.

There is No "I" in Team

Rising 6-9 | Session 9 | Instructor: Luke Barricklow

Full (9a-4p) \$260 | Half +Plus (9a-1:30p) \$160 | Half (9a-11:30a) \$130

In this camp, students will learn how to work as a team both in team building activities and team sports. Each day there will be several different fun group activities where students will have the chance to work as a team to complete

various tasks and games as well as a scavenger hunt towards the end of the week. Along with these endeavors, students will be able to pick a certain team sport they want to play each day to utilize and put these skills into practice. Options for the team sports may include whiffle ball, ultimate football, ultimate Frisbee, kickball, soccer, basketball, and volleyball. **Students are required to bring a water bottle and wear athletic shoes - no flip flops or sandals.**

Wrestling AM Clinic / Sports & More PM Camp

Rising K-7 | Session 4 | Clinic Instructor: Sean Silver

Sports & More Instructors: Zach Besand, Nic Eader, & Ryan Jenkins

Full (9a-4p) \$285 | Clinic +Plus (9a-1:30p) \$200 | Clinic Only (9a-11:30a) \$170

Want to learn about wrestling, one of the first and most popular sports in the world? This program gives children of any size or ability the chance to learn the basics of the sport in a safe and fun environment while also helping them with strength, flexibility, sportsmanship, and self-confidence. Wrestlers will receive their own headgear and will get to participate in a tournament followed by a medal ceremony at the end of the week. Each wrestler will be placed in a group appropriate to their age and skill level. **Wrestlers are required to bring a water bottle; wrestling shoes and mouth guard are optional.**

Please Note: To make a full day schedule, Sports Clinics can only be paired with our Sports & More program or another Sports Clinic occurring in the same week. Please see page 50 for the Sports & More class description.

Swimming Lessons

Greater Columbus Swim School

Rising K-8 | Session 1-10 | Instructor: Greater Columbus Swim Team of Ohio
8a-9a and/or 4p-5p \$75/week (Sessions 1 and 5: \$60/week)

The Greater Columbus Swim Team of Ohio teaches Columbus Academy instructional swim lessons in a fun, yet challenging atmosphere with lessons taking place at Columbus Academy Pool on campus. The pool depth ranges from 3ft – 10ft. Participants are observed and placed in appropriate levels according to their current skill level and will engage in the fundamentals of swimming most appropriate for their ability. Swimmers will be consistently monitored for skill acquisition in order to ensure that they are continually challenged in the pool as their skill level increases. Beginning swimmers will learn the most basic skills needed to become self-sufficient in the water, while swimmers with slightly more advanced skills will be progressed through a series of eight levels, focusing on the proficient acquisition of all four of the competitive swimming strokes (those used in the sport of swimming). Participants will receive a skills accomplishment report at the end of each weekly session. Swimmers will have a great time, will be challenged, and will learn valuable skills. **This program can be added to any week's programming. There is a maximum of 16 children per time slot and spaces fill quickly. Please see the Middle School registration form and check the appropriate time that fits with your schedule.**

ONLINE REGISTRATION

You can...

- Filter classes by grade, program title, or session
- View current class availability
- Pay by credit card or e-check

7 Simple Steps!

1. Visit www.columbusacademy.org
2. From the menu bar, select *School Life*, followed by *Summer Experience*
3. Click *Online Registration*
4. Create a My Backpack Account
If you have an account from previous years or you are a current CA family, use your login information.
5. Click the link to begin a 2019 registration
6. Complete student biographical and medical information, then select classes
7. Pay online and submit classes

Please note that registration is not complete until payment is received. Submitting classes without payment does not reserve space in a class.

HOURS OF OPERATION

Before Care	7:00 am – 8:30 am
Pre-K Half Day	8:30 am – 11:30 am

REGISTRATION DEADLINES AND FEE ASSESSMENT

Registration is not complete until payment is received. All fees are due at the time of registration. Deadlines are May 16, 2019, for sessions 1 through 5 and June 20, 2019, for sessions 6 through 10. Cancellations or changes made prior to the appropriate deadline will incur no penalty and will be refunded in full. Cancellations made after the deadline will be refunded at 25% of the program fee. If a cancellation is made after the camp's start date, there will be no refund issued. If you do not notify us and your child does not attend, you will be subject to our no-show policy in which no refund will be issued. If late registrations are received after the deadline, camp fees increase by 10%. Changes to schedules made after the deadline will be charged a non-refundable fee of \$25 per child registered plus any difference in camp fees. **Please note: Beginning in 2019, registration will close Friday at 12pm for the following week's camp session.**

UPPER SCHOOL (GRADES 9-12)

UPPER SCHOOL GENERAL INFORMATION

Faculty, Staff and Sr. Counselors

CA Summer Experience employs current CA Faculty and Staff members as well as highly qualified outside sources as teachers of the Summer Experience programs. Sr. Counselors are typically local college students who have been hired after an extensive interview and training process. Sr. Counselors are assigned to camps each week and will accompany your child all day during their respective camp. CA Summer Experience also employs ample administrative staff to support daily programming.

Communication

Upon registration with full payment, you should receive a confirmation email from Summer_Experience@columbusacademy.org with your child's class schedule and additional information. You can expect communication via email from your child's teacher the Friday prior to camp starting and the Wednesday during the respective camp week. If registration is received late, there may be a delay in this communication.

Facilities

A majority of programs are held on CA's beautiful 231-acre campus that consists of a six-lane indoor pool, computer labs with iMac computers, nature trails, outdoor classroom space, low ropes elements, eight tennis courts, Schoedinger Theatre seating 430, two full-length gymnasiums, a weight room, a ceramics studio, five art studios, three libraries, five playgrounds, eight science labs, four soccer fields, two turf fields, an all-weather track, a full service dining hall, three music rooms, and two baseball fields. The campus may be accessed from the West on Cherry Bottom Road or from the East via Beecher Road off of Hamilton Road. (Please refer to the campus map on the inside of the back cover.)

Field Trip and Off-Site Transportation

Columbus Academy utilizes school bus rental as a means of transportation for field trips and off-site programs. All drivers have proof of credentials and background checks. CA also has a fleet of 7 passenger vans that will be used for smaller traveling groups. All drivers are employees of Columbus Academy and are van-certified.

Extended Care Programs

If extended care is needed for an Upper School student, please contact our office for assistance.

Lunch

Lunch is provided by Columbus Academy's Dining Service for **most** of the programs and is built into the price of the camp for Sessions 1-9. Session 10 camps will **all** be required to pack a lunch as the Dining Hall will remain closed August 5-9. Most off-site camps require students to bring a lunch; please check individual course descriptions for lunch specifications. During

Sessions 1-9, CA offers a hot main dish including vegetarian options, as well as a salad bar, pasta bar, and deli bar. We also do our best to accommodate all dietary requests / restrictions. Please contact our office if you have additional questions related to dietary concerns. Children are welcome to pack a lunch if they wish, but the lunch must be peanut and tree nut free.

Allergy Policy: Columbus Academy Summer Experience is peanut and tree nut free

Daily Drop-off/Pick-up

There will be signage all around campus to help direct parking, as well as a color coded system to follow from the parking areas to help guide you to the correct entrance. Please see the CA campus map on the inside of the back cover for general parking information. Upper School will follow the **BLUE** signage.

Check-in for Upper School (rising 9th through 12th grade) programs is in the Barton Room Lobby unless otherwise specified. Staff will meet with their class and continue on to their assigned classroom. After the first day of class, students may go directly to the appropriate classroom. Upper School parents or students should follow campus signage to the Upper School parking area (Parent Hall Parking Lot). There will be CA Staff available to help students get to their check-in areas.

Late Drop-off/Early Pick-up

If it is necessary to drop off or pick up your child at any time other than the designated camp times, the Operations Lead is available to help with these transitions. If you know this information ahead of time, you may write it on the sheet provided at the Help Desk outside the gyms. You may also contact the Operations Lead any time during camp hours at 614-653-3117 to arrange a pick-up or drop-off. **Note: Early pick ups are not available after 3:30pm.**

Electronics Policy

With the increase in the technology around us, electronics are no longer prohibited at camp; however, we expect that these devices be put away unless specifically required for a camp or in the case of an emergency. We have designated screen time during Before / After Care and free choice for those who wish to participate. Check-in/out in the gyms and/or Barton Room will be strictly enforced as "no device zones".

Discipline Action Plan and Termination

Attendees who are found to bully or harass others will generally be subject to serious disciplinary action, including prohibition from further attendance. Children will receive one warning and CA Summer Experience reserves the right to remove any camper from our program for disciplinary reasons. If a child is removed for disciplinary reasons, there will be no refund.

FEES, CANCELATIONS, REFUNDS AND DEADLINES POLICY

Course fees are located in the course descriptions and registration pages. Whether submitting a paper form or registering online, **registration is not complete until payment is received.** Cancellations or changes made prior to the appropriate deadline will incur no penalty and will be refunded in full. Cancellations made after the deadlines will be refunded at 25% of the program fee. Please understand that after these deadlines, we have made firm financial commitments to our faculty and staff, in addition to purchasing materials for the class. If a cancellation is made after the camp's start date, there will be no refund issued. If you do not notify us and your child does not attend, you will be subject to our no-show policy in which no refund will be issued. Changes made to schedules after the deadlines will be charged a non-refundable fee of \$25 per child plus any difference in camp fees. If late registrations are received after the deadlines, camp fees increase by 10%.

DEADLINES: May 16th for Sessions 1-5 and June 20th for Sessions 6-10

ATTENTION RISING 9TH GRADERS! *In addition to the offerings available to you in the Upper School division, we also have a large array of offerings just for you in the Middle School division! Below is the comprehensive list of camps that we have made available for you! Please refer to pages 38 - 51 for more details.*

UPPER SCHOOL SUMMER EXPERIENCE

Programs are in alphabetical order and categorized by Curriculum-Based Offerings, Academics and Arts & Sciences programming. The Upper School Registration Form is on page 61. **Please note: “rising” indicates the grade your child will be entering in the 2019-2020 school year.**

Curriculum-Based Offerings

Credit courses can be taken for review or credit. Only students who successfully complete credit courses will receive the number of credits indicated in the course descriptions. **Please check with your child’s school prior to registering for these courses, as we do not guarantee that earned credits will transfer to all schools.** Columbus Academy will mail a letter for proof of course completion and notification of final grade (if applicable) to your home address by the conclusion of the Summer Experience program in August. A copy of this letter will also be sent to the records department of your child’s school.

Feed the Hungry

Rising 9-12 | Session 5-6 | Instructor: Jessica Espasandin
8:30a-3:30p | \$300 for the two-week program

This community service camp visits a variety of sites that provide support to the hungry in the Columbus community including the Mid-Ohio Food Bank, Meals-On-Wheels/LifeCare Alliance, Westerville Area Resource Ministry, Worthington Food Pantry, YWCA Family Center and local community gardens. At each site, we will learn about the problem of hunger in our community and participate in a variety of tasks to help alleviate this growing social justice problem. Projects will include the planting and harvesting of fresh produce, food sorting and distribution, grocery shopping, and the preparation, delivery, and serving of hot meals to adults and children in a variety of settings. Successful completion of this camp satisfies the Columbus Academy Upper School graduation requirement of 45 hours of off-campus community service hours. **Daily attendance during both weeks of camp is mandatory to receive credit – no exceptions. Students are required to pack a peanut and tree nut free lunch and water bottle each day. There is a maximum of 14 students for this program and spaces fill quickly.**

🚐 This is a traveling/off-site program.

Physical Education Credit

2-week program | Two weeks for three hours per day
Rising 9-12 | Session 2-3 | Instructor: Ron Leach
9a-12p | \$270 for the two-week program

Intensive program | One week for seven hours (M-R), four hours (F)
Rising 9-12 | Session 4, 6, 7 | Instructors: Ali Hildahl & Mark Slater
8a-3p (M-R) and 8a-12p (F) | \$295 for each one-week program

In this class, we will be engaged in sport activity, as well as basic fitness. Tennis, golf, bowling, ultimate frisbee, soccer, softball, basketball, football, and track and field will be some of the sports activities. A half hour lunch is provided for the intensive PE program unless otherwise notified. **By taking this class, you can earn one quarter credit for high school Physical Education. Columbus Academy students will earn one unit toward the six-unit graduation requirement. Daily attendance is mandatory to receive credit – no exceptions.**

Academics

Aim High College Prep Series: ACT

Rising 9-12 | Session 1 (M-W, F), 6 | Instructor: Ihab Ismail
1: 9a-2:30p | \$320
6: 9a-2:30p | \$395

This comprehensive, personalized ACT course aims to help each student identify areas of strength and challenge, apply a plan to solidify performance, and measure the progress made in all sections of the ACT. **Please note this course is not offered as a continuation or in conjunction with existing CA sponsored test prep programs.**

Arts & Sciences

Be a Junior Counselor at CA

Rising 8-11 | Session 1-10 | Instructor: Jr. Counselor Ambassador
Full (9a-4p) \$90/week (Sessions 1 and 5: \$70/week)

Join our dynamic team this summer and put experience on your resume. This opportunity is a hands-on volunteer leadership experience for any student going into eighth through eleventh grade. Duties of a junior counselor include helping with camp activities, supporting a senior counselor, escorting campers, helping with check-in and snack time, and having fun in the sun at Columbus Academy. If you have not had a job before, this program will give you the experience you will need to succeed in your next opportunity and will give you leadership skills that will follow you the rest of your life. By becoming a part of our team, you will have fun, make friends, and learn valuable skills. Each participant will receive a certificate of completion and a review to put in his or her job portfolio. **Students and a parent/guardian are required to attend a mandatory orientation on Saturday, June 1, from 12 to 2 pm. This program is limited to ten participants per week, and spaces fill quickly.**

REGISTRATION DEADLINES AND FEE ASSESSMENT

Registration is not complete until payment is received. All fees are due at the time of registration. Deadlines are May 16, 2019, for sessions 1 through 5 and June 20, 2019, for sessions 6 through 10. Cancellations or changes made prior to the appropriate deadline will incur no penalty and will be refunded in full. Cancellations made after the deadline will be refunded at 25% of the program fee. If a cancellation is made after the camp's start date, there will be no refund issued. If you do not notify us and your child does not attend, you will be subject to our no-show policy in which no refund will be issued. If late registrations are received after the deadline, camp fees increase by 10%. Changes to schedules made after the deadline will be charged a non-refundable fee of \$25 per child registered plus any difference in camp fees.

Please note: Beginning in 2019, registration will close Friday at 12pm for the following week's camp session.

FAMILY

EXPLORE WITH ME: CAREGIVER & BABY

Ages birth to 5 years

Welcome to our **Explore with Me** (EWM) division at Columbus Academy Summer Experience. This program is designed to give caregivers and babies a place to bond and explore, while offering a low stress environment in which babies can learn and grow individually and socially. Caregivers will also have the opportunity to network and learn many new and exciting activities to do with those in their care. In addition to a lead instructor, there will be a program coordinator present in all classes to assist the caregivers and babies at any point.

EWM classes are offered from 10:30-11:30am, Tuesday through Saturday on Columbus Academy's campus in Gahanna. The campus is accessed from the West on Cherry Bottom Road or from the East via Beecher Road off of Hamilton Road. (Please refer to the campus map on the inside of the back cover.) All **Explore With Me** programs are best accessed by parking in the Family Division parking area in the Academy Hall Parking Circle. Follow the **ORANGE** signage into the Theatre entrance and into the Explore With Me room.

All EWM classes follow a consistent, yet free-flowing schedule. We understand the babies' individual needs will vary and therefore, our class schedule is designed to be flexible and adaptable in order to cater to the needs of our families. The first 15 minutes of the hour is designed to allow caregivers and babies to get acclimated to the classroom environment while socializing with others in the class. The program coordinator will also have manipulatives available as an option during this time. Once everyone is settled in and all of the babies' needs are met, the instructor will lead the themed portion of class, which typically lasts between 25-30 minutes. During the remaining 15 minutes of class, the EWM stations will be open for free play time guided by the program coordinator. Caregivers and babies will be encouraged to interact with each station before ending the class. Stations include, but are not limited to: a soft shape obstacle course, Nessie soft creatures, crawl tunnels, indestructible books, baby musical instruments, soft blocks, tactile balls, and so much more!

One registration accommodates one child and one caregiver. EWM is also intended to be an inclusive "all-in-the-family" experience. If there is more than one caregiver or an older sibling not within the age range of the class, they are also welcome to attend as a guest at no additional charge. Each

class has a full 8-week course fee; however, we understand that many families have varying schedules over the summer. For this reason, if you would need to attend fewer than 8 weeks of programming, please contact the Summer Experience office to discuss options available. *Please note: Thursday classes will run for 7 weeks as there is no class on Thursday, July 4th.*

All classes have a suggested age range based on the appropriateness of the activities covered. Please remember our classes are flexible, and we understand that every child develops at his or her own rate. If you register for a class that does not seem developmentally appropriate for your child, we will be happy to work with you to find an alternative option that is a better fit.

What are the benefits of programming for very young children?

Connections! Not only with the world around them, but between the child and those that care for them the most. In a world where technology is so important and our attention is being pulled in so many directions, we need to make conscious efforts to connect. These programs offer support in a variety of ways:

- Programming that is age appropriate and flexible
- Connecting to the community
- Providing a baby safe environment to explore and discover
- Giving parents and caregivers a venue to network, connect and share

🧘 Sensory Sensitive Friendly Classes

This summer, we are continuing to feature programs that will provide parents with options for their children that may have special sensory needs. We have made strong efforts to educate all of our teachers on the needs of the sensory sensitive child. We strive to make sure our environment supports these needs by being conscious of bright lights and noise levels, providing space for necessary breaks, as well as providing a variety of sensory activities for discovery when the child is ready. These enhancements benefit all children, but are essential to those with sensory needs. All classes will have these options, but there are a few that are specifically designed to support children with additional needs. These classes are identified with a 🧘.

Allergy Policy: Columbus Academy Summer Experience is peanut and tree nut free.

Explore With Me | Weekly Schedule 6/11/19 - 8/3/19

Mondays	Tuesdays	Wednesdays	Thursdays	Fridays	Saturdays
NO CLASSES	🧘 Tumble with Me <i>walking to 3 years</i>	COSI's Step into Science <i>18 months to 4 years</i>	🧘 Music Together <i>birth to 5 years</i>	🧘 Make Memories with Me <i>18 months to 3 years</i>	🧘 Swim with Me <i>birth to 3 years</i>

All programs meet from 10:30 am - 11:30 am on their respective day of the week.

EXPLORE WITH ME

Programs are organized by day of the week. Explore With Me will use the Family Division Registration Form located on page 71.

TUESDAYS

🌀 Tumble with Me

Babies/toddlers walking to 3 years old | Sessions 2-9
Tuesdays 10:30-11:30am | \$160 for the 8-week session
Instructor: Gym Skills Staff

This is a caregiver participation class designed to welcome very young athletes into the sport using an open play approach. Gymnastics will help establish balance, flexibility, muscle memory, body position, core development and beginner tumbling. Children will begin to learn exercise while having fun using various shape mats. We stretch, do an obstacle course, and work on bars, beam, and trampoline. In the obstacle course, we walk on the balance beam, climb, hop, log roll, forward roll, backward roll, crawl, donkey kick, and so much more!

WEDNESDAYS

COSI's Step into Science

Ages 18 months to 4 years old | Sessions 2-9
Wednesdays 10:30-11:30am | \$160 for the 8-week session
Instructor: COSI Staff

Touch, explore, discover, and play all summer long with COSI! In this brand new summer science series, early learners and their grown-ups will step into the shoes of a new kind of scientist each week! Become a doctor and explore the senses; build ramps and explore magnets like a physicist; experiment with size like an engineer... And since it's COSI, it's always hands-on!

THURSDAYS

🌀 Music Together

Ages birth to 5 years old | Sessions 2-9 (no class July 4)
Thursdays 10:30-11:30am | \$180 for the 7-week session
Instructor: Kate Cremean

Use your pots and pans for more than making mac and cheese! Music Together is an active approach to teaching music to babies and toddlers. By emphasizing actual music experiences rather than concepts about music, this class introduces children to the pleasures of making music instead of passively receiving it from CDs or TV. Central to the Music Together approach is the idea that young children learn best from meaningful adult role models in their lives. This program brings families together by providing a rich musical environment in the classroom. It also encourages family participation in spontaneous musical activity at home within the context of daily life. Come prepared to make noise, use shakers, and sing! **A songbook, CD, and digital download of all music used are included in the class fee. This class offers a multiple-child discount; please contact our office for details: (614) 509-2267.**

FRIDAYS

🌀 Make Memories with Me

Ages 18 months to 3 years old | Sessions 2-9
Fridays 10:30-11:30am | \$160 for the 8-week session
Instructor: TBA

Get your creative juices flowing in this class that will explore art with you and your young child. In this class, we will get messy with a different medium each week that will result in a keepsake that you and your family will enjoy for years to come. Dress for mess and prepare to be wowed by the masterpieces you will create together.

SATURDAYS

🌀 Swim with Me

Ages birth to 3 years old | Sessions 2-9
Saturdays 10:30-11:30am | \$160 for the 8-week session
Instructor: TBA

Introduce your child to the water and develop basic skills in a sensory sensitive environment. Children will learn to be comfortable in the water through songs, games, and water exploration. This class will provide a safe, supportive, environment with individualized instruction to meet the needs of each child. Children will learn to trust their instructor and their caregivers in the water as well as basic water safety skills. Caregivers will learn songs and games that they can do in the water with their child. We will move at each individual child's pace and do everything we can to make their experience in the water a positive one!

GROWN UP & CHILD

Parents/caregivers and children ages 5 and up

Work...schedules...dinners...sports...there is so much to do! Let us help you carve out some precious time to spend with those closest to you. In this new **Grown Up & Child** division, we hope to bring families together to experience fun and play in a lighthearted, but very intentional way. Learning a new skill with your child may be the most rewarding thing you will do all year. We will make memories that will live on beyond the summer and may even spark life long connections and engagement.

Grown Up & Child classes are offered at various times each day, Tuesday through Saturday, on Columbus Academy's campus in Gahanna. The campus is accessed from the West on Cherry Bottom Road or from the East via Beecher Road off of Hamilton Road. (Please refer to the campus map on the inside of the back cover.) All *Grown Up & Child* programs are best accessed by parking in the Family Division parking area in the Academy Hall Parking Circle. Follow the **ORANGE** signage into the Theatre entrance and into the appropriate classroom.

One registration accommodates one child and one caregiver. Each child in attendance should be accompanied by a grown up. If multiple grown ups would like to bring one child, the second grown up can attend at no additional cost. Most classes have a full 8-week course fee; however, we understand that many families have varying schedules over the summer. For this reason, if you would need to attend fewer than 8 weeks of programming, please contact the Summer Experience office to discuss options available.

Please note: Thursday classes will run for 7 weeks as there is no class on Thursday, July 4th.

All classes have a suggested age range based on the appropriateness of the activities covered. Please remember our classes are flexible, and we understand that every child develops at his or her own rate. If you register for a class that does not seem developmentally appropriate for your child, we will be happy to work with you to find an alternative option that is a better fit.

What are the benefits of programming for caregivers and children together?

Connections! Not only with the world around us, but between the child and those that care for them the most. In a world where technology is so important and our attention is being pulled in so many directions, we need to make conscious efforts to connect. These programs offer support in a variety of ways:

- Providing a fun learning environment for both parent and child
- Learning new hobbies and activities to take home together
- Promoting family time and togetherness
- Giving parents and caregivers a venue to network, connect and share

Grown Up & Child | Weekly Schedule 6/11/19 - 8/3/19

Mondays	Tuesdays	Wednesdays	Thursdays	Fridays	Saturdays
NO CLASSES	Scribble to Script 5:30-6:30pm grades PK-1	Moving & Learning Together 5:30-6:30pm ages 7 & up	COSI's Try-It Together Workshops 5:00-6:00pm grades K-2	Cooking Up Memories in the Kitchen 4:30-6:30pm grades 1-5	Gotta Sing!! Gotta Dance!! 9:30-10:30am grades K-3

FEES, CANCELATIONS, REFUNDS AND DEADLINES FOR FAMILY DIVISION

Course fees are located in the course descriptions and registration pages. Whether submitting a paper form or registering online, **registration is not complete until payment is received**. Cancellations or changes (for Family Division only) made prior to Friday, May 31st will incur no penalty and will be refunded in full. Cancellations made after this deadline will be refunded at 25% of the program fee. Please understand that after this deadline, we have made firm financial commitments to our faculty and staff, in addition to purchasing materials for the class. If a cancellation is made after the camp's start date, there will be no refund issued. If you do not notify us and your child does not attend, you will be subject to our no-show policy in which no refund will be issued. Changes made to schedules after the deadline will be charged a non-refundable fee of \$25 per child plus any difference in camp fees.

FAMILY DIVISION DEADLINE: MAY 31, 2019

GROWN UP & CHILD

Programs are organized by day of the week. Grown Up & Child will use the Family Division Registration Form located on page 71.

TUESDAYS

Scribble to Script

Grown Up & Child (Grades PK-1) | Sessions 2-9
Tuesdays 5:30-6:30pm | \$160 for the 8-week session
Instructor: Leslie Catlett / The Penmanship Lab

Handwriting camp, led by Occupational Therapist Leslie Catlett, focuses on the building blocks for developmental progression of handwriting and fine motor skills. The fun-filled labs offer developmentally appropriate, multi-sensory activities, games, arts and crafts, and gross/core exercises to boost handwriting skills. First session will include an "informal assessment" to determine current skills. Creativity and skilled instruction are used to engage your child as they work on neatness, proper letter formation, improved pencil grip, spacing, and sizing for printing writing. This is the perfect class to boost your child's confidence and equip them with the tools needed for handwriting success!

WEDNESDAYS

Moving and Learning Together

Grown Up & Child (Ages 7 & up) | Sessions 2-9
Wednesdays 5:30-6:30pm | \$160 for the 8-week session
Instructor: TBA

This class will offer parent and child the opportunity to engage in a physical practice that asks the mind and the body to work together in order to communicate with each other. The goal of engaging in somatic (or mind/body) awareness for parent and child together is to encourage growing relationships based on non-traditional modes of communication. Participants will experience exercises foundational to contact improvisation, a movement practice that utilizes touch to build trust and creativity through shared body space and care. Similar to partner yoga classes, this class will encourage building a partnership, while seeking to tell stories and have conversations with the body. Get ready to work your body and your mind, in conjunction with your family, giving everyone a new approach to building healthy bodies and relationships. **Participants should dress comfortably in modest clothing that will provide plenty of potential for full range of motion movement. Please note some sitting or laying might be explored, and therefore, long pants and long sleeves might be preferred for this portion of the class. A water bottle is also recommended.**

THURSDAYS

COSI's Try-It Together Workshops

Grown Up & Child (Grades K-2) | Sessions 2-9 (no class July 4)
Thursdays 5:00-6:00pm | \$140 for the 7-week session
Instructor: COSI Staff

COSI invites early learners and their favorite adults to try it together in our new summer series of hands-on workshops! Each week, we'll invite you to step into the shoes of a new kind of scientist to touch, explore, question, and try new things! Become a meteorologist, a zoologist, a paleontologist, and more as we discover more about the world around us... together!

FRIDAYS

Cooking Up Memories in the Kitchen

Grown Up & Child (Grades 1-5) | Sessions 2-9
Fridays 4:30-6:30pm | \$240 for the 8-week session
Instructor: TBA

Join us for a journey around the world through food! Each week's lesson will focus on a different country's culture and a recipe you and your child will make together. We will round out our experience by asking you to bring a family recipe to share with the group on the last day of class. fantastic food, family and fun! Let's get cooking!

SATURDAYS

Gotta Sing!! Gotta Dance!!

Grown Up & Child (Grades K-3) | Sessions 2-9
Saturdays 9:30-10:30am | \$160 for the 8-week session
Instructor: Alessandra Rogers/Gotta Sing!! Gotta Dance!!

Come join us for a fun class where the skills you learn will help you outside of the classroom. We will learn some songs that include solo work, blending, harmonizing, movement and choreography. We will also learn self expression, diction, public speaking, making a presence, how to get rid of nerves, and finding an outlet for your feelings. This musical journey is for the experienced and inexperienced, and we hope you all leave loving musical theatre, feeling confident, and ready to take on your fears together!

ADULT & SENIOR

Adults 18 and up

What have you done for yourself lately? Work, kids, family... Whatever it may be that you choose to focus your time on, we would like to see you do something just for YOU! Stretch your body and mind by joining us this summer in a program that will expand your knowledge, help you gain confidence, learn a new skill and connect with the community. Take time for yourself to grow as an individual and it will be infectious to those around you.

Adult & Senior classes are offered at various times each day, Tuesday through Saturday, on Columbus Academy's campus in Gahanna. The campus is accessed from the West on Cherry Bottom Road or from the East via Beecher Road off of Hamilton Road. (Please refer to the campus map on the inside of the back cover.) All *Adult & Senior* programs are best accessed by parking in the Family Division parking area in the Academy Hall Parking Circle. Follow the **ORANGE** signage into the Theatre entrance and into the appropriate classroom.

One registration accommodates one adult. Classes have set session lengths and corresponding course fees; however, we understand that many adults have varying schedules over the summer. For this reason, if you would need

to attend fewer than the designated weeks of programming, please contact the Summer Experience office to discuss options available.

What are the benefits of programming for adults and seniors?

As an adult, sometimes it is a challenge to unplug and really give back to yourself. Self-care is difficult to schedule and falls last on many people's priority lists, but it is so important for our health and well being. If we do not take care of ourselves, we cannot be the best version of ourselves. These programs offer support in a variety of ways:

- Improving knowledge retention; keeping your mind and body active
- Providing customizable learning experiences
- Broadening your horizons and interests
- Giving adults a venue to network and connect

Allergy Policy: Columbus Academy Summer Experience is peanut and tree nut free.

Adult & Senior | Weekly Schedule 6/11/19 - 8/3/19

FAMILY DIVISION DEADLINE: MAY 31, 2019

ADULT & SENIOR

Programs are organized by day of the week. Adult & Senior will use the Family Division Registration Form located on page 71.

TUESDAYS

Hip Hop Dance and Fitness

Adults & Seniors | Sessions 2-9

Tuesdays 6:00-7:00pm | \$160 for the 8-week session

Instructor: Chelsea Crabtree / CLC Dance, LLC

Come dance with us! Dance your way to being fit in a high-impact dance class choreographed to your favorite music. You will enjoy a fusion of good beats and dynamic dance moves while having a great time! Don't forget to bring your sneakers! It's truly a "Dance Like No One's Watching" experience!

WEDNESDAYS

Business Start Up 101

Adults & Seniors | Sessions 2-9 (No class July 24)

Wednesdays 6:00-8:00pm | \$210 for the 7-week session

Instructor: Lorena Popelka

Ever thought of starting your own business? Have an entrepreneurial spirit? Join us and learn how to conduct research to find the most up-to-date information for starting your own business. Course will demonstrate how to assess business competition and locate consumers using market research and market segmentation, using both online sources and database resources. The course will also examine how to determine business start up costs, location choice, understand the best methods of advertising, how to conduct a feasibility study, and write a business plan. **All future entrepreneurs need to come prepared with a laptop.**

THURSDAYS

Nutrition, Health, & Wellness

Adults & Seniors | Sessions 2-9 (no class July 4)

Thursdays 6:00-7:00pm | \$140 for the 7-week session

Instructor: CrossFit New Albany Staff

To help adults find relief from aging. Many of us have aches, pains, high blood pressure, allergies because of our jobs, stress and years of neglecting our overall health. This program will focus on the basics of making healthy changes and turning them into habits. Nutrition, flexibility and functional movements will make up this class. **A towel and water bottle are recommended along with comfortable clothes and shoes.**

FRIDAYS

The Eiffel Tower and YOU!

Adults & Seniors | Sessions 2-9

Fridays 6:00-7:00pm | \$160 for the 8-week session

Instructor: Carolyn Jones

Have you always wanted to learn French or improve your knowledge of the French language? Now's your time! Through fun, interactive activities, including songs, skits, games and videos, you will learn to confidently pronounce, read, write and comprehend simple words and phrases in this beautiful language.

SATURDAYS

COSI's Grown Up Summer Science

Adults & Seniors | Sessions 2-9

Saturdays 9:00-10:00am | \$160 for the 8-week session

Instructor: COSI Staff

You're never too old to try something new! COSI's new Grown-Up Summer Science series is tailored just for adults, inviting you to explore new ideas with unforgettable new experiences each week. We'll tackle engineering challenges, practice programming, and even get up-close with dissections as we explore science, technology, and industry learning. And since it's COSI, it's always hands-on!

MEET THE TEACHERS

MEET THE TEACHERS

Please note: teachers may be substituted in the event of extenuating circumstances.

A GRADE AHEAD

A Grade Ahead is an educational enrichment program that strives to help students reach their full academic potential since 2001. A Grade Ahead's advanced learning system provides the skills students need to become confident, capable learners who succeed in school and in life. This is A Grade Ahead's third year at Columbus Academy. For more information, please visit www.agradeahead.com.

JOANNE ADAMS

JoAnne Adams has coached at Columbus Academy for over 20 years. She has coached field hockey, basketball, lacrosse, and track at a variety of levels. Mrs. Adams currently teaches Lower School physical education and coaches middle school lacrosse and field hockey. This is her 14th year coordinating and coaching the Field Hockey Clinic.

GENEVIEVE ADKINS

Genevieve Adkins graduated from Otterbein University with a degree in Molecular Biology and a minor in Photography. She spent years conducting vaccine research at Nationwide Children's Hospital and Battelle Biomedical Research Center before earning her teaching certification in the Biological Sciences. Genevieve teaches Life Science at The Graham School, an alternative, experiential education school in Clintonville. This will be her fifth year teaching at CA Summer Experience. She's excited to share her knowledge and creativity with the students and to see what they will teach her.

JORDAN ANKERMAN

Jordan Ankerman is a fourth grade science and language arts teacher at Licking Heights West Elementary School. She has always had a lifelong love of science and learning. She is passionate about working with children and can't wait for another great summer at Columbus Academy Summer Experience!

CARROLL BAKER

Carroll Baker is Central Ohio's busiest magician performing at seven locations of Old Bag of Nails around Central Ohio. He has been part of CA Summer Experience since the program began. Carroll has taught magic to children in after school enrichment programs for over 18 years and performs on the Buckeye cruise each year. He is booking Magical Birthday parties at a discounted rate to all campers at Columbus Academy. More info can be found at www.magicparty.org.

BALLETMET DANCE ACADEMY

Since 1978, BalletMet has brought incredible dance to theatres, studios and classrooms in Central Ohio and beyond. Every year, BalletMet inspires nearly 125,000 audience members through local performances at home, touring shows, academy classes, and extensive outreach. BalletMet's Dance Academy provides a comprehensive curriculum with quality and healthful instruction for students of all ages and impacts more than 1,700 students each year. Classes offered include ballet, tap, jazz, and modern dance and are designed for all levels of experience — from the avid dance lover to the aspiring professional. In addition to performances and education, BalletMet impacts the community through free open rehearsals, scholarships, and more. For more information, please visit www.balletmet.org.

LUKE BARRICKLOW

Luke Barricklow is currently a physical education teacher at Pickerington Local School District. He graduated from the Indiana University of Pennsylvania with a bachelor's degree in Health and Physical Education where he was the president of the club lacrosse team. His teaching background includes working in special education where he was a long-term substitute as an Adapted Physical Educator for the Intermediate Unit 13 in Pennsylvania, as well as one year at Columbus Performance Academy as

a physical education teacher. Along with being a teacher, he has also been a head junior varsity lacrosse coach in Pennsylvania and has also been a coordinator for several youth football camps. He looks forward to an exciting summer here at CA and to meet many of you in his summer programs.

LEAH BAUGHMAN

Leah is a first grade teacher at Bloom Carroll Primary School. She has been teaching for seven years and this is her fourth summer at Columbus Academy. Leah teaches mostly academic classes throughout the summer, but does everything she can to keep things fun!

CHARLES BRODHEAD

Charles Brodhead has been a teacher in the Big Walnut Local District for 26 years now. He has been working with CA Summer Experience since the program began. He holds a Master's degree in Sports Science from Ashland University.

DENISE BROOKS

Denise Brooks is a Gifted Coordinator in Olentangy Local School District. Denise graduated from University of Cincinnati with a BS in Biology and from Ashland University with a M.ED. in Curriculum and Instruction. This is her second summer teaching in CA Summer Experience. She has over 23 years of experience in working with elementary and middle school age children. As a Gifted Coordinator, Denise spends most of her time creating exciting differentiated real world learning opportunities for students. Denise loves to encourage students to think outside of the box. In her spare time, she enjoys volunteering and taking walks in the parks.

THE CHILLER

The OhioHealth Chiller Ice Rinks own and/or operate six locations throughout Central Ohio. Established in Dublin in 1993, the Chillers are a sister company of the NHL Columbus Blue Jackets with the mission of growing participation in hockey and skating. We are dedicated to creating and maintaining a fun, family oriented, recreational atmosphere for youth and adults. For information on all of our great programs, please visit www.thechiller.com.

JARED CIRCLE / KOGURYU MARTIAL ARTS ACADEMY

Master Jared Circle holds black belt ranks in four different Korean Martial Arts systems and brings his expertise and commitment to quality instruction to CA Summer Experience. He also teaches professionally in Central Ohio and has for the past decade. Master Circle travels frequently to Korea for training and has spent more than two years overseas learning and training in the arts he instructs. He is a martial arts school owner and father of three young children with lots of experience in running group events and camps for children of all ages. A few years ago, his mother introduced the craft of bead fusion, or Perler Beads, to his children. They instantly fell into a regular routine of working with this enjoyable media and have a station set up in their home for regular use. In addition to his martial arts camps, he looks forward to bringing this fun, creative craft to life for his Fusion Bead Fun campers this year!

CODEMONSTER

CodeMonster provides instructor-led coding and robotics class for children. From graphical drag-n-drop to coding using a real programming language, our curriculum is available for grades K to 9. Our instructors are Computer Science graduates and/or working technologists with a passion to teach.

COSI

COSI — Columbus, Ohio's dynamic Center of Science and Industry — inspires the scientists, dreamers, and innovators of tomorrow. COSI has combined science learning and fun since 1964, engaging, inspiring, and transforming lives and communities by being a leading partner in science and technology learning.

CHELSEA CRABTREE / CLC DANCE, LLC

Chelsea Crabtree is a local dance teacher and choreographer. She has trained in many genres of dance over the past 16 years including Jazz, Modern, Hip Hop, Contact Improvisation, Creative Movement, and Ballet. She

studied dance at Columbia College Chicago where she obtained her B.A. in dance with an emphasis in dance education and composition. Since 2014, Chelsea has taught as a full time dance teacher in local charter schools and has taught dance technique at Bartelt Dancers in Upper Arlington. In 2017, Chelsea started CLC Dance, LLC as a way to engage students in learning through movement.

KATE CREMEAN / MUSIC TOGETHER

Kate Cremean has been a music educator for 20+ years. Her specialties are private voice, musicianship, choral singing, and choral conducting. Kate is currently working on her Level 1 Certificate in Dalcroze Eurhythmics. Kate also has a passion for musical theatre and is the director of the youth musicals through WPRCT each Spring. In addition to working with singers privately and in the public schools, Kate been blessed to train beginning musicians through the Music Together curriculum.

CROSSFIT NEW ALBANY

CrossFit New Albany has worked with Summer Experience as well as the After School Activities program during the school year for five years. Owner/Instructor Matt Wilson is CrossFit & Kids certified and has worked as a trainer/coach for 10 years with students of all ages and abilities.

JACLYN DAVIS

Jaclyn Davis is a freelance craft and sewing teacher in Columbus, Ohio. She teaches a wide range of skills for adults and children. This will be Jaclyn's third summer at Columbus Academy. Jaclyn has a passion for sewing, cooking and crafting and loves sharing that passion while helping to grow young ones' creativity.

SARAH DOVE

Sarah Dove holds an MA in Dance Theories and Practices from the University of North Carolina at Greensboro and a BA in Music and Business from Otterbein College. She is currently a PhD student and Graduate Teaching Associate in the Department of Comparative Studies at The Ohio State University. As a former student of Columbus Academy Summer Experience, she is excited to enter her third summer as a teacher, where she can instill the same love of learning in both physical and intellectual practice that she cherished during her time as a student.

DROBOTS COMPANY

Our mission is to develop and deliver the highest quality, most inspiring, and inventive drone and virtual reality technology experiences to the next generation of visionaries and disruptors—one student at a time. We transition students from being passive consumers of technology into tomorrow's technology creators and innovators. Drobots Company builds inclusive, hands-on, educational, and fun learning environments where students are empowered with the autonomy, tools, and skills they need to reimagine our tech-driven world through the lens of drones, UAVs (unmanned aerial vehicles).

FRANCWAU DUBOSE

Francwau has taught middle school physical education and coached basketball in Columbus City Schools since 1996. He received a Bachelor's Degree in Physical Education from Otterbein College and Master's Degree in Curriculum and Instruction from Ashland University. Originally from Canton, Ohio, his mother instilled in him at an early age the importance of education. Her inspiration guided him towards the field of education, and his passion for athletics led him into coaching. As a student athlete, Francwau understood the work ethic and dedication it took to maintain high standards in both areas. He was disappointed when he repeatedly saw great athletes from elementary through college become ineligible to play for athletic teams due to insufficient grade point averages. In 1999, Francwau had a vision that reflected an idealistic and uplifting means to integrate academics and athletics. Over the years, he developed G2, Grades Plus Game, as a creative way to send an extremely important message about academic excellence and athletic achievement. Francwau has also written a positive G2 theme song to motivate and inspire youth.

NIC EADER

Nic Eader is a graduate of The Ohio State University with a bachelor's degree in Physical Education. Nic is an assistant Track & Field coach at Watkins Memorial High School and Middle School as a throwing events specialist. He is currently a teacher in the Southwest Licking Local School District.

LEAH ECARUAN

Leah Ecaruan currently teaches fifth grade math and science in Columbus. This will be her third year at CA Summer Experience. Leah graduated from the University of Portland in Oregon with a BA in Elementary/Middle School Education and an endorsement in Mathematics.

LAUREN EDMONDS

Lauren Edmonds is a middle school English teacher with a passion for creative expression. She has advised the school newspaper, yearbook, and anime club. This is her fifth summer with Columbus Academy.

ENGINEERING FOR KIDS

Engineering For Kids brings Science, Technology, Engineering, and Math (STEM), to students age 4 to 14 in a fun and challenging way through classes, camps, clubs, and parties. We are proud to inspire children to build on their natural curiosity by teaching engineering concepts through hands-on learning. Engineering is, after all, one of the fastest growing industries in the world! The quality and diversity of our programs paired with the passion and talent of our instructors positions us as an educational enrichment leader.

JESSICA ESPASANDIN

Jessica Espasandin is a First Grade Associate at Columbus Academy. This will be her fourth year teaching summer camps during Summer Experience. Jessica loves working with children and creating ways for them to learn while having fun.

MICHELLE FACIANA

Michelle Faciana received her BS and MEd in Early Education from The Ohio State University. This is her twelfth summer with the Summer Experience program. Michelle just finished her ninth year as the Middle School Technology Specialist at Columbus Academy. She was previously a first grade assistant, kindergarten computer teacher, and assistant in the Lower School CASE program. Michelle is also the author of a children's book, Snickers' Day Out.

STEFAN FARRENKOPF

Stefan Farrenkopf is a playwright and songwriter from Columbus. He teaches English and directs theater in the Columbus Academy Upper School.

MICHAEL FATTEN

Mike Fatten is a programmer turned teacher with a Master's degree in economics and game design. For seven years, he has been teaching mostly undergraduates in Communications, Business Information Systems, Statistics and others, turning the classroom and grade scales into games to increase student engagement.

KELSEY FULMER

Kelsey Fulmer graduated from Ohio State with a degree in Music Education. She now teaches at three local Columbus schools.

GREATER COLUMBUS SWIM TEAM OF OHIO (GCSTO)

The Greater Columbus Swim Team of Ohio operates the longest standing swimming lesson program of all USA Swimming teams in this area known as the Greater Columbus Swim School. The program not only represents Columbus Academy operating their After School Activities and Summer Experience swim lesson programming, but works with at least five other townships/cities/municipalities as their swimming lesson program of choice during the summer months. GCSS operates swimming lesson programming out of over nine facilities throughout the year and also works with Nationwide Children's hosting their Summer Buddy Camps in conjunction with Autism Speaks.

GRACE GORDON

Ms. Gordon has been an educator for the past eight years and is currently the 3YO Explorers Program Associate at CA and teaches for the Children's After School Experience as well. Ms. Gordon has also taught in national parks, nature centers, and schools. Her passion is getting children outside to experience the wonders of the natural world. She has been trained as a naturalist and in primitive living skills. Grace looks forward to getting your student outside this summer!

HELMA GROOT

Helma Groot started sewing at a very young age while she was living in the Netherlands. She then moved to Indonesia, Germany, and eventually the U.S., where she graduated from Columbus College of Art and Design with a fine arts degree. While in the Netherlands, she also studied furniture making. After more than 20 years of making her living as an artist, she discovered her love of teaching. She still sews and makes her own artwork, but is also a high school art teacher in Bexley. This is her eleventh year teaching summer camp at Columbus Academy.

DR. FRANZ GRUBER

Dr. Franz Gruber is a member of the Columbus Academy faculty. He teaches Latin in the Middle School and has been teaching at Columbus Academy for more than 20 years. He earned his PhD. from Cornell University. This is his fifth summer working in the CA Summer Experience program.

GRACE GUILLIAMS

Ms. Guilliams is a support teacher at Primrose School of Polaris. She works with students across several grade levels including pre-k and kindergarten. Grace is a Creative Writing and Education student at Denison University and has previously worked as a Senior Counselor for the Summer Experience program. Originally from Valdosta, Georgia, her family now resides in Lexington, Kentucky. She has ambitions of continuing her writing career in narrative journalism while maintaining her passion of teaching students of all ages. Ultimately, Guilliams plans to pursue a Master's in Teaching and a PhD in Early Childhood Education.

GYM SKILLS

Gym Skills is a unique business that offers gymnastics, cheerleading, and hip-hop programs. Our coaches are energetic, dedicated to the sports, and have decades of experience. At Gym Skills, we build children's self esteem by creating a positive, non-competitive learning environment. The goal is to have the child walk out of the class feeling like a winner while deepening their understanding of the sport with an emphasis on proper technique!

MACKENZIE HANNA

Mackenzie Hanna is a fifth year Spanish teacher at McCord Middle School in Worthington. This is her second summer working with CA Summer Experience. Along with teaching Spanish, Mackenzie is a dance team coach for Bishop Watterson High School and dance teacher at Bexley's Jeffrey Mansion for the parks and recreation program. Mackenzie is also a company dancer for Columbus' New Vision Dance Company. She is a graduate of Miami University with a BS in Spanish and Spanish Education and was a member of Miami's Vision Dance Company as a choreographer and dancer for four years.

CHRIS HIGGINS

Chris Higgins has been skateboarding for over 30 years and teaching skateboarding for 18 years. When he is not on his skateboard, he teaches European History and Classical Mythology at Columbus State Community College.

LESLIE HILL

Having worked as a chemist for approximately 20 years at a local medical nutritional company, Leslie continued her working career as a guest teacher and part-time teacher. Teaching in a number of districts since 2005, she has worked with students from diverse social and economic backgrounds. Leslie's interests and hobbies span a number of subjects and topics, including instrumental music, commuter and short tour biking, book discussions,

blogging and podcasting. Leslie has worked with CA Summer Experience since 2006. She is a graduate of The Ohio State University with a BA in Chemistry and holds an Ohio Department of Education long-term substitute license in chemistry, integrated science and physical science. She has one daughter who graduated from Columbus Academy.

HOOVER SAILING CLUB / JAMIE JONES

Jamie Jones is in his seventh season as the Program Director of Hoover Sailing Club's Learn to Sail Program and his tenth year working with CA Summer Experience. Jamie has been involved in all aspects of the Learn to Sail and Youth Racing programs for over 25 years, including an 11 year run as Head Racing Coach. He's currently the Lead Instructor in the evening adult program, Head Coach for the Denison University Sailing Team, and a proud 1998 graduate of The Ohio State University. He started the High School Sailing Program in the fall of 2015 and currently is Head Coach for nine local high school sailing programs. He currently serves on the US Sailing Community Sailing Committee providing guidance to all Learn to Sail programs in the Midwest and is the Area E Junior Championship Chair and a US Sailing Regional Training Coordinator. In 2017, Jamie was awarded the Outstanding Organizational Leader from US Sailing. When he's not coaching or teaching, he's spending time with his wife and four kids or enjoying time on his sailboat.

DR. MARCI HOWDYSHILL

Dr. Marci Howdysheill is a physicist and a lover of all things science-related! She obtained her Ph.D. in Physics at The Ohio State University, where she did experimental research on novel lab-on-a-chip based methods for cell manipulation and gene/drug delivery. During this time, she also discovered her passion for outreach and education. She spent three years as a postdoctoral fellow at the Vanderbilt University Center for Science Outreach in Nashville, Tennessee, teaching interdisciplinary research-based science to middle school and high school students. In her free time, she loves creating art!

INSPIRATION TO MOVEMENT

2019 marks the fifth year that Inspiration to Movement has brought dance, music and movement to Columbus Academy's Summer Experience. Owner, Rachel Nace Maynard is a retired professional ballerina and graduate of the Pennsylvania Academy of Ballet and one of the first teachers to complete the Ron Fletcher (Pilates) Program of Study. She is also Artistic Director for Oyo Dance Company, a non-profit Contemporary Ballet Company Based in Columbus. Adam Maynard is the Director of Ballroom Dance at Inspiration to Movement. He was a professional competitor in Ballroom Dancing for over ten years, winning many titles in both Smooth And Rhythm styles and becoming a finalist in the United States Classic Showdance Championship. Adam holds a Bachelor of Music Education degree from The Ohio State University and a Master of Dance degree (licentiate) from Dance Vision International Dance Association.

IHAB ISMAIL PH.D. / SOAR EDUCATION LLC

Ihab Ismail is a result-driven educator and consultant. He provides private and small group training and assessments in ACT, SAT, PSAT, mathematics, biology, and chemistry; he also develops and implements STEM workshops that help students become future scientists and critical thinkers. His initiatives include collaborations with leading institutions such as Nationwide Children's Hospital to develop programs in science to solve real-life issues. His personalized approach and attention to student's learning style aim to help a student achieve his or her potential. To learn more, visit www.ihabismailphd.com.

AMY JACKSON

Amy recently graduated from Capital University with a degree in Music Education and currently teaches K-6 general music in the Clark-Shawnee school district in Springfield, OH. In addition, Amy also teaches voice and piano lessons in the Columbus area. Jackson has previously served as a Senior Counselor in the program and is so excited to return for another summer of "best days ever."

CAROLYN I. JONES

Mlle Carolyn Jones received her Master of Arts degree in French and International Policy Studies from the Middlebury Institute of International Studies at Monterey (Monterey, CA). She also holds Diplomes Supérieurs from the University of Paris-Sorbonne and a Certificat de Français Parle and Diplôme de Langue - with honorable mention- from the Alliance Française in Paris, France. Mlle Jones has enjoyed teaching French to children, teens and adults since 2013.

KYLE JONES

Kyle Jones is the chess instructor for the CA after-school enrichment program. This is his eighth summer working in the Summer Experience program. Kyle graduated from The Ohio State University with a BS in Psychology, is completing his Master's in Early Childhood Education, and has achieved the title of Candidate Master from the United States Chess Federation. From player to coach, Kyle has been a part of more than 40 state championship titles and 15 national titles. He was crowned the 2015-16 State of Ohio Speed Chess Champion (3rd title overall).

KATE KAURA

Kate is a lecturer at OSU and teaches humanities courses, while pursuing her PhD in cultural studies and human rights. She has also spent time in India working with non-profits addressing social justice issues. She has taught for several years with CA, including camps on yoga, science, math, humanitarianism, global philosophies, and leadership for girls.

TYLER KUHN

Tyler Kuhn is a native of Louisville, Kentucky and a graduate of West Virginia University, where he was an All-American. Tyler was drafted by the Chicago White Sox in the 15th round of the 2008 MLB Draft. He went on to play seven years in the Minor Leagues from Rookie Level through Triple-A, including finishing his career in 2014 with a Canadian baseball team. Tyler is currently the Canal Winchester High School Baseball Coach and also has many years of experience in individual baseball lessons, clinics, and camps. Tyler is excited for his fourth year with Summer Experience!

RON LEACH

Ron Leach has taught physical education at CA for over 14 years. He holds a bachelor's degree in physical education and a master's degree in sports science. He is presently the varsity soccer coach as well as the Middle School wrestling and tennis coach at CA.

LITTLE MEDICAL SCHOOL OF COLUMBUS

The Little Medical School® brings medicine, science, and the importance of health to children in an entertaining, exciting, interactive, and fun way. Little Medical School® is the only program of its kind in the area that exposes children to the field of Medicine, Veterinarian, Wilderness, Sports Medicine, Pharmacy, Nursing, and many more programs. Our program is created by a board certified physician and delivered by trained instructors who have a passion for children and science. This is the Little Medical School® 's fourth year partnering with the Columbus Academy Summer Experience. For more information and to learn more about our programs, please visit our website at www.littlemedicalschool.com/columbus or email us at lm@columbus.littlemedicalschool.com. We look forward to an exciting summer and an opportunity to inspire tomorrow's healthcare professionals today!

LITTLE SCHOLARS LLC

Our mission at Little Scholars is to inspire confidence! Our values are commitment to Integrity, Innovative Spirit, Valued Relationships and Passion for Learning and Education. Our camps are perfect for preschool, elementary and middle school age children who have big imaginations and love to play. Get all the fun of summer camp with an educational twist.

KATHRYN LIVINGSTON

Kathryn Livingston graduated from The University of North Carolina at Chapel Hill with a degree in English and a Masters in Teaching. She spent five years teaching in Durham, NC before moving to Columbus to continue her teaching

career. For the past six years, Kathryn has taught English and worked as an Instructional Coach at The Graham School, an alternative, experiential education school in Clintonville. This will be her second year teaching at CA Summer Experience. She's excited to see how we can work through powerful English Language Arts content.

CAT MAILLOUX

Cat is an artist, writer, and teacher living and working in Columbus. In May of 2018, Mailloux graduated from The Ohio State University with an MFA in Sculpture and Drawing. Prior to her graduate work, she earned a BFA in Sculpture and BA in Art Education from the University of Wisconsin-Eau Claire and spent some time teaching elementary and high school art. Cat's artist practice has an emphasis on fabric forms, sewn text banners, and various drawing processes. She enjoys weaving, draping, and pattern making. Mailloux currently teaches as an adjunct instructor at OSU and Capital University in their Foundations departments and serves as a tutor for an after school program in the Milo-Grogan neighborhood of Columbus.

TODD MARTIN

Todd Martin is in his 13th year at Columbus Academy as a Middle School Science and Engineering teacher. In addition to teaching, he has served as a Science Olympiad coach, Makerspace Coordinator and technology integration specialist. Todd is an Apple and Google certified teacher and has several years of experience with robotics, CAD design and 3D printing and laser cutting.

JENNIFER MCGINNIS

Jennifer McGinnis teaches fifth grade at Johnstown Elementary. This is her eighth year working in the CA Summer Experience program. She graduated from Cal State Long Beach with a BA in Liberal Studies and a teaching credential in grades K-5.

KATHY MENDENHALL

Kathy Mendenhall is currently a CA staff member in the Lower School Children's After School Experience (CASE) program. This is her fifth summer working in the CA Summer Experience program. Kathy studied theater and music in a vocational performing arts school during high school. She later studied various forms of dance from Irviline's School of Ballet, Dublin Dance Center, and BalletMet for several years.

JOHARI MITCHELL

Johari Mitchell is a teacher and writing coach on a mission to help others link vision to opportunity through the power of words. National Board Certified in early and middle childhood literacy, she has been a classroom teacher-turned literacy specialist for 18 years. This is her second year teaching with Columbus Academy. She loves writing, songwriting, cooking, travel and adventure.

RUSTY OATES

Rusty Oates is currently a Middle School Music Educator. He is in his first year teaching 5th-8th grade choir at Licking Heights Local Schools in Pataskala, OH. Prior to Licking Heights, Mr. Oates taught middle school and high school for two years at the Adena Local School District. Rusty has also been associated with the Columbus Academy Summer Experience program for three years as a Senior Counselor. Rusty currently resides in Blacklick, OH with his dog Odie.

OHIO CORALINAS SYNCHRO / ANNA FARMER

Anna Farmer has been involved in Synchronized Swimming for 37 years. This is her fourth year working with the CA Summer Experience program. She is the head coach of Ohio Coralinas Synchro and is a synchronized swimming judge and clinician as well.

THE PENMANSHIP LAB / LESLIE CATLETT MS, OTR/L

Leslie has been an Occupational Therapist since 2010. She graduated from Murray State University with a Bachelor of Science degree in Chemistry/Minor in Agriculture and completed her Master of Science degree in Occupational

Therapy at the University of Wisconsin-Madison. She is passionate about providing children with the tools and knowledge of handwriting skills for academic success and beyond.

LORENA POPELKA

Rena Popelka is a former Research and Instruction Librarian at Columbus State Community College and has enjoyed teaching research skills for those looking to start their own business for the past five years. She is currently an Upper School Librarian at Columbus Academy. She earned her Master's in Library Science in 2003 and has worked for public, academic and now, school libraries serving individuals of all ages.

ALISHA PORTER

Alisha Porter is currently an elementary school counselor working in Westerville City Schools and has previously taught language arts and social studies in local middle school charter schools. Ms. Porter loves to combine her love of teaching and counseling in her lessons by having students partake in arts and crafts, role-playing, games, book studies, and more. Alisha enjoys working with students to help them learn in all areas of life including social-emotional, academic, and career or college.

JOEL REED

Originally from Chicago, Illinois, Joel Reed has lived in the Columbus area for six years now. This is his third year teaching in Columbus Academy Summer Experience. He enjoys backpacking and woodworking, and his life long goal will be to thru-hike the Appalachian Trail one day.

ROBOT ACADEMY / GAIL VAWTER

Robot Academy, LLC has been teaching action-packed summer technology camps for thirteen years. Students age 4-16 design, build, and program working LEGO Robots (using Lego Mindstorms EV3) and create inventions using 3D Modeling/printing. It's the ultimate STEM (Science, Technology, Engineering, and Math) experience. Co-founder and Instructor, Gail Vawter, has worked in the Information Technology industry for over 20 years and holds degrees in Computer Science, Economics and Masters of Business Administration. With a strong desire to educate our future generation and provide guidance for STEM careers, Gail co-founded Robot Academy to teach creative problem solving. As a teacher and coach of student science teams, she has won numerous national and global awards with FIRST LEGO League (FLL), NSTA/Toshiba ExploraVision, Christopher Columbus Awards, NASA Space Day, US Army's eCybermission, National Gallery for Young Inventors, and more. Her team's inventions were recognized by the Ohio Senate and Ohio House of Representatives. Gail also judges for FIRST LEGO League and other National competitions, teaches LEGO Robotics after-school programs, directs Robot Academy's programs, and enjoys providing students with fun and rewarding experiences.

ALESSANDRA ROGERS / GOTTA SING!! GOTTA DANCE!!

Alessandra Rogers is co-owner of Gotta SING!! Gotta DANCE!! and musical theatre has helped her in life. She has learned presence, posture, the affect you can have when you walk in a room, public speaking, music as an outlet, listening skills and the list goes on. Rogers has performed since she could walk and was a voice major at The Ohio State University followed by a degree at The American Musical and Dramatic Academy in Musical Theatre Performance. Gotta SING!! Gotta DANCE!! has been a continuation of her passion and provides a way to share it with others while being with her children. At Gotta SING!! Gotta DANCE!!, our mission is to share, inspire, educate and instill passion through musical theater. We aim to enrich lives through artistic expression. We encourage individuality and believe musical theatre can be a way to share ideas that emotions can not express alone. We believe music is an emotional outlet, a gateway to self-discovery and internal appreciation of one's self. These fundamental personality cores are taught through a variety of musicality lessons and patterns of dance. Our group classes encourage personal growth, technical skill development and teamwork.

ROYAL ARTS FENCING ACADEMY / JULIA RICHEY

Julia Richey was a 13-year member of the Russian National fencing team. In 2001, she founded Royal Arts Fencing Academy, the longest continuously running fencing academy in the state. She and her team of coaches have produced national medalists and champions multiple times per year for the past nine years. Royal Arts has been doing Summer Experience for 13 years. Additionally, her and her staff are fluent in Russian.

MICHELLE SABADASH

Michelle Sabadash, Ed.M., is a professional writer with over twenty years of experience in the world of words. She has a bachelor's degree from Miami University and a master's degree from Harvard University, where she worked as speechwriter to the Dean at Harvard Graduate School of Education. In addition to teaching the Writing Workshop at Summer Experience for the past five years, she has also taught creative writing at Ohio Contemporary Chinese School. Michelle's work as a freelance writer has appeared in materials for many organizations, including Capital University, OhioHealth, and BalletMet. She lives in Galena with her husband and son, a student at Columbus Academy.

MICHELLE SCHROEDER

Michelle Schroeder is a teacher in the Lower School Music/Drama Department at Columbus Academy. She is a longtime contributor to CA Summer Experience offering classes that combine creativity, dramatic play, history, and science with a whole lot of joy and laughter thrown in there, too. Michelle is mom to Eleanor, wife of Jon, and founding member of Available Light Theatre Company. She is a graduate of The Ohio State University and a 20+ year teacher of theatre for children of all ages. For more information, please visit www.avltheatre.com.

BRITTANY SCHWARCK

Brittany Schwarck is a K-5 art teacher working at Blacklick Elementary in Gahanna. This is her third summer working in the CA Summer Experience program. Brittany graduated from The Ohio State University with a bachelor's degree in Art Education and loves to spend her summers traveling the world.

SCIENSATIONAL WORKSHOPS

Sciensational Workshops has been running science enrichment programs for children of elementary age for 35 years. This will be their seventh year with Columbus Academy Summer Experience. Neil Schulman is the director and a former high school chemistry teacher. Sciensational Workshops' programs are hands-on, fun, educational, and follow STEM guidelines.

SEAN SILVER

Sean Silver coached middle school and varsity wrestling at Columbus Academy for nine years and ran the popular Young Vikes Youth Wrestling program. He is also a Columbus Academy parent and a certified coach with USA Wrestling. This is his tenth year running the Summer Experience Wrestling Clinic. In his eleven years of coaching, Sean has stressed the life lessons that extend beyond the mat: self-confidence, fitness, perseverance, discipline, teamwork, and sportsmanship. His view of a successful season is when a wrestler has fun and finishes with more confidence and pride in themselves.

SIMPLR STEAM PLAYGROUND / MAURICE WOMACK

Maurice Womack has over 10 years experience as a mechanical engineer. He is co-founder of The SIMPLR STEAM Playground, an after-school enrichment company catering to students in grades K-8. Maurice is currently a lead engineer for the Defense Logistics Agency and has previously held positions at Battelle and MS Consultants. While at Battelle, his role as a research engineer afforded him the opportunity to design and develop advanced energetic systems and security technology for many agencies within the U.S. Department of Defense. Maurice is also a former instructor of engineering technology at Columbus State Community College (CSCC). This is his fourth year with CA Summer Experience.

CHUCK SIMPSON

Coach Chuck Simpson has over 20 years of football coaching experience. He has been a middle school math teacher and coach at Columbus Academy for the last 15 years. He has been a part of the SE football clinic for the last ten years. Coach Simpson is the proud husband of Sherri and father of Donovan '20 and Hannah '25, who have both enjoyed the clinic in years past.

MICHAEL R. SMITH

Michael Smith is a certified science teacher and member of the Columbus Academy faculty as the 7th and 8th-grade S.T.E.A.M. Teacher as well as the Assistant Director of Diversity and Community Life. He is also Faculty Coach for the Science Olympiad Team. This is his fifth year working with the CA Summer Experience program. Michael graduated from Ohio University with a BS in Zoology/Pre-Physical Therapy and Reading Endorsement. He has worked as a Laboratory Manager prior to earning his Teaching Certification from Capital University.

TERA STOCKDALE

Tera Stockdale is a multi-media ceramic focused artist and Art Educator residing in Westerville, OH. Her work combines a love for the visual, music, performance, and the written word- creating and connecting across the disciplines.

CHRISTOPHER SUOZZI

Christopher Suozzi is a premedical student at The Ohio State University. He received his Bachelor of Science degree in neuroscience from Ohio State in 2017. As a student research volunteer in the Department of Anesthesiology at The Ohio State University Wexner Medical Center, Chris engages in translational and clinical research projects. Along with his commitments to the hospital Eucharistic ministry on Sundays and free clinic on Mondays, Chris maintains dedication to advancing the knowledge of the nervous system for students, parents, and teachers throughout the Central Ohio community. This is his third year working with the Columbus Academy Summer Experience program.

TECH CORPS OHIO

TECH CORPS is a national nonprofit organization dedicated to ensuring K-12 students have equal access to Computer Science and Information Technology programs, skills and resources that enhance early learning and prepare them for college and career.

TREKNETWORK

TrekNetwork leads urban and outbound adventures and team building events across Ohio. Founded in 2011 and based in Columbus, TrekNetwork leads indoor and outdoor activities year-round. Team building treks are customized for each group and ideal for grade school, middle and senior high school, collegiate, adult and corporate groups of all sizes. Our adventure guides, naturalists, artists and presenters lead rock climbing, rappelling, archery, belly boat fishing, edible forest hikes, acoustic music encounters, artist led group paintings and more. Couples, families and business groups enjoy our unique private events because they enhance connections with nature between friends, colleagues and family members and leave lasting memories for life.

KRISTEN VAN GUNDY

Kristen Van Gundy is an upper school English and social studies teacher at Columbus Torah Academy, a private Jewish day school here in Columbus. Prior to joining the CTA team, she substitute taught for two years in districts all across central Ohio. Ms. Van Gundy is passionate about creating critical readers, strong writers, and individuals who communicate with power and precision. Her 7th grade curriculum for social studies focuses on ancient civilizations, and Kristen strongly believes that looking to the past with a curious eye can give us new insights to our lives in the present. In her classroom, the goal is always the same, no matter the lesson: engage students with the material, immerse students in the history, and learning will always follow!

MCKENZIE VAUGHN

Ms. Vaughn is back for her third year of teaching in Summer Experience and is as excited as ever! McKenzie came to Summer Experience five years ago as a camp counselor. Vaughn graduated college from Mount Vernon Nazarene University in 2015 with a music education degree. In her free time, McKenzie plays her trumpet with pit orchestras, symphonies, and music groups all over Ohio. She sings in opera choruses and participates in community theater. She also teaches trumpet and brass lessons and loves her students very much!

AMANDA VESNER

Ms. Vesner is a teacher with Columbus City Schools, holding a BA in History from Capital University and Elementary Teaching License from Otterbein University. She has previously worked with Summer Experience as a Senior Counselor for three years and is excited to teach this summer. Amanda is an avid reader, cinema enthusiast, and enjoys traveling.

BILL WALKER

Bill Walker is a 25-year veteran instrumental and vocal music teacher for the Columbus Public Schools, who has also done composing and improvising residencies through the Ohio Arts Council, at The Thurber House, and in Days of Creation Arts Camps. Bill has also composed music for dance in many styles including modern dance at the University of Minnesota and The Ohio State University and a ballet score for a Columbus Dance Theatre ballet. He loves encouraging creative music making in all forms and has also been obsessed with photography since long before the digital age. Having fun with young people exploring music and the visual world is what it's all about for him!

JEFF WARSTLER

Jeff Warstler has taught summer school programs for the past 16 years. He has been the Columbus Academy Lower School Physical Education teacher for over 15 years. Jeff coached the girls' tennis team at CA for 13 years, along with the boys' tennis team for 10 years. He is currently the Head Boys Basketball Coach for the CA Upper School.

CHARITY WHITE

Charity White earned two degrees from The University of Illinois Urbana Champaign, a BFA in Crafts in 2008 and an Ed.M. in Art education in 2010. Her research is rooted in an interdisciplinary and social practice approach to art and art education. Following the completion of her first masters, Ms. White taught high school art in the South Side of Chicago and west suburbs. White received her Masters of Fine Arts in Ceramics from the University of Florida in 2016. Charity is currently exhibiting nationally and living in Columbus, Ohio where she is the Upper School ceramics teacher at Columbus Academy.

YOUNG CHEFS ACADEMY

Young Chefs Academy is the only cooking school for kids in Columbus! Our cooking classes, birthday parties, and summer camps have been a popular destination for kids ages 4 and up since opening in 2007. Our teachers strive to teach children that cooking is creative, full of discovery, and a ton of fun. Imaginations run wild while kids learn to cook, stir, bake, and develop life long skills and healthy eating habits.

BETSY ZOELLER

Betsy is currently in her first year at Columbus Academy as the Middle School Counselor/Psychologist. She has worked as a school psychologist in other districts throughout central Ohio since 2009. Ms. Zoeller received a bachelor's degree from the University of Toledo in Communication and Psychology, a master's degree from the University of Dayton in Health and Allied Professions and an education specialist degree in School Psychology and a certificate in School Counseling from Marshall University. She is currently working on her PhD in School Psychology at The Ohio State University and is expected to finish in May of 2020. Betsy enjoys spending time with her family and friends as well as traveling and trying new restaurants with her husband.
