

MIDDLE SCHOOL (GRADES 6-9)

MIDDLE SCHOOL GENERAL INFORMATION

Faculty, Staff and Sr. Counselors

CA Summer Experience employs current CA Faculty and Staff members as well as highly qualified outside sources as teachers of the Summer Experience programs. Sr. Counselors are typically local college students who have been hired after an extensive interview and training process. Sr. Counselors are assigned to camps each week and will accompany your child all day during their respective camp. CA Summer Experience also employs ample administrative staff to support daily programming.

Communication

Upon registration with full payment, you should receive a confirmation email from Summer_Experience@columbusacademy.org with your child's class schedule and additional information. You can expect communication via email from your child's teacher the Friday prior to camp starting and the Wednesday during the respective camp week. If registration is received late, there may be a delay in this communication.

Facilities

A majority of programs are held on CA's beautiful 231-acre campus that consists of a six-lane indoor pool, computer labs with iMac computers, nature trails, outdoor classroom space, low ropes elements, eight tennis courts, Schoedinger Theatre seating 538, two full-length gymnasiums, a weight room, a ceramics studio, five art studios, three libraries, five playgrounds, eight science labs, four soccer fields, two turf fields, an all-weather track, a full service dining hall, three music rooms, and two baseball fields. The campus may be accessed from the West on Cherry Bottom Road or from the East via Beecher Road off of Hamilton Road. (Please refer to the campus map on the inside of the back cover.)

Field Trip and Off-Site Transportation

Columbus Academy utilizes school bus rental as a means of transportation for field trips and off-site programs. All drivers have proof of credentials and background checks. CA also has a fleet of 7 passenger vans that will be used for smaller traveling groups. All drivers are employees of Columbus Academy and are van-certified.

Middle School Sample Daily Schedule

Check-in	8:30 am	–	9:00 am
AM Themed Programming	9:00 am	–	11:30 am
Lunch Rotation (Lunch / Free Choice Activity)	11:30 am	–	1:30 pm
PM Themed Programming (continued)	1:30 pm	–	4:00 pm

Note- Middle School Half and Half +Plus options would end at 11:30 am and 1:30 pm respectively; see below for more details.

Half Day and Half +Plus Programs

Some programs offer a half day and half +plus option. Please see course listings for availability. Half day programs include the morning themed programming session from 9:00 am to 11:30 am. Half +plus programs include the morning themed programming from 9:00 am to 11:30 am PLUS lunch and free choice activity from 11:30 am to 1:30 pm. **Half day and half +plus programs cannot be combined with other full, half, or half +plus programs.**

Extended Care Programs

Available on a pre-registration or drop-in basis, Before Care and After Care are held from 7:00 am to 8:30 am and 4:00 pm to 6:00 pm, respectively. Before Care offers a variety of quiet activities for your child as he or she gets

ready for the day. After Care features exciting themed activities as well as quiet places for children to explore and reflect on the experiences they have had at CA. **Parents MUST pick up their children from After Care by 6:00 pm. Parents that do not pick up their children by the end of After Care will be charged \$1.00 per minute beyond 6:00 pm.** If Before or After Care are not needed for the full week, proration is available by contacting our office at (614) 509-2267. Please understand there can be no proration for the combo pricing.

<i>Before Care</i>	\$50 per week	\$10 per day
<i>After Care</i>	\$62.50 per week	\$12.50 per day
<i>Before and After Care Combo</i>	\$85 per week	5 day option only

Before / After Care is best accessed by parking in the Academy Hall Parking Circle near the main entrance to the school. Follow the **ORANGE** signage into the Theatre entrance of the Lower School to the Before / After Care room.

Parents must come into the After Care room and provide a photo ID to sign out their child each day.

Lunch

Lunch is provided by Columbus Academy's Dining Service for **most** of the programs and is built into the price of the camp. Most off-site camps require students to bring a lunch; please check individual course descriptions for lunch specifications. CA offers a hot main dish including vegetarian options, as well as a salad bar, pasta bar, and deli bar. We also do our best to accommodate all dietary requests / restrictions. Please contact our office if you have additional questions related to dietary concerns. Children are welcome to pack a lunch if they wish, but the lunch must be peanut and tree nut free.

Allergy Policy: Columbus Academy Summer Experience is peanut and tree nut free.

Daily Drop-off/Pick-up

There will be signage all around campus to help direct parking, as well as a color coded system to follow from the parking areas to help guide you to the correct entrance. Please see the CA campus map on the inside of the back cover for general parking information. Middle School will follow the **BLUE** signage.

Check-in for Middle School (rising 6th through 9th grade) programs is between 8:30 am and 9:00 am in a gym of the Athletic Complex. Middle School parents / guardians should follow campus signage to the Middle School parking area (Parent Hall Parking Lot) and escort children into the building no earlier than 8:30 am on the first day of camp; children may be dropped off at the MS circle after the first day. There will be CA Staff available to help parents and students get to their check-in areas. Students will check-in directly with their Sr. Counselor inside the gym. **Any student who arrives prior to 8:30 am and is not accompanied by an adult will be escorted to Before Care and charged the daily rate of \$10.**

Pick-up is between 4:00 pm and 4:15 pm in a gym of the Athletic Complex. **Parents or guardians will need to come into the gym and provide a photo ID to sign children out.** If someone other than a parent / guardian will be picking up your child, and you have not completed an authorized pick up list, please see a staff member at drop-off. If your child is not picked up by 4:15 pm, he or she will be taken to After Care, at which time you will be charged the daily rate of \$12.50.

Late Drop-off/Early Pick-up

If it is necessary to drop off or pick up your child at any time other than the designated camp times, the Operations Lead is available to help with these transitions. If you know this information ahead of time, you may write it on the sheet provided at the Help Desk outside the gyms. You may also contact the Operations Lead any time during camp hours at 614-653-3117 to arrange a pick-up or drop-off. **Note: Early pick ups are not available after 3:30pm.**

Friday Showcase

Some of our camps perform in our weekly Friday Showcase to share their new skills or creations with their parents and fellow campers. All parents/families are welcome to attend. These shows are held in the Schoedinger Theatre and typically begin at 3:15 pm on Friday afternoons. Information regarding the Friday Showcase will be communicated via email and CA Summer Experience's Facebook page.

What to Wear/Bring

Campers should wear comfortable, weather-appropriate clothing and shoes, and should also consider bringing a bookbag, water bottle and sunscreen to camp each day. Please check the course descriptions to see if any other materials are needed for each individual program. If the student is planning to participate in free swim for their free choice activity, campers should also pack a bathing suit, towel and plastic bag for wet clothes. Should a child misplace an item, there will be a Lost & Found table located near the Athletic Complex lobby throughout the summer. Columbus Academy is not responsible for any lost personal items.

Free Choice Activity

Students participating in half +plus or full day programs on campus will have a free choice activity period before or after their lunchtime. Campers may choose from the following daily options: free swim, computer lab, outdoor free play, or quiet reading and crafting room. Children participating in the free swim option will need to bring a bathing suit and towel each day they wish to swim, along with a plastic bag for their wet clothes at the conclusion of swim.

Electronics Policy

With the increase in the technology around us, electronics are no longer prohibited at camp; however, we expect that these devices be put away unless specifically required for a camp or in the case of an emergency. We have designated screen time during Before / After Care and free choice for those who wish to participate. Check-in/out in the gyms will be strictly enforced as "no device zones".

Discipline Action Plan and Termination

Attendees who are found to bully or harass others will generally be subject to serious disciplinary action, including prohibition from further attendance. Children will receive one warning and CA Summer Experience reserves the right to remove any camper from our program for disciplinary reasons. If a child is removed for disciplinary reasons, there will be no refund.

Important 2020 Policies

Based on parental feedback and continuous improvement efforts, please note the following Columbus Academy policies:

- Lower School students will check into the Mack Gym while Middle School students will check into the Jones Gym.
- A small amount of construction will take place on CA's campus throughout the summer. We appreciate your patience and flexibility during this time.
- The pool will not be available for Sessions 8 and 9 due to construction.
- Registration will close on Fridays at 12pm for the following week's camp session to ensure safety, proper preparation and a successful experience for all campers.
- Check-in / out in the gyms will be strictly enforced as "NO DEVICE ZONES" to foster an environment of building relationships and encouraging children to interact with each other, counselors and teachers.
- Session 10 will **not** be offered for Summer Experience 2020.

SPORTS CLINICS

- Sports Clinics are joining forces with a Sports & More camp to offer a consistent full day option.
- Sports Clinics can **not** be paired with a camp other than Sports & More or another Sports Clinic to make a full day schedule.

FEES, CANCELLATIONS, REFUNDS AND DEADLINES POLICY

Course fees are located in the course descriptions and registration pages. Whether submitting a paper form or registering online, **registration is not complete until payment is received.** Cancellations or changes made prior to the appropriate deadline will incur no penalty and will be refunded in full. Cancellations made after the deadlines will be refunded at 25% of the program fee. Please understand that after these deadlines, we have made firm financial commitments to our faculty and staff, in addition to purchasing materials for the class. If a cancellation is made after the camp's start date, there will be no refund issued. If you do not notify us and your child does not attend, you will be subject to our no-show policy in which no refund will be issued. Changes made to schedules after the deadlines will be charged a non-refundable fee of \$25 per child plus any difference in camp fees. If late registrations are received after the deadlines, camp fees increase by 10%. All camps have a minimum enrollment that must be met in order to run. If we need to cancel a class due to low enrollment, the decision will be made two weeks prior to the start date. You will be notified via email with alternative camp options or to receive a full refund.

DEADLINES: May 15th for Sessions 1-5 and June 19th for Sessions 6-9

MIDDLE SCHOOL SUMMER EXPERIENCE

Programs are in alphabetical order and categorized by Academics, Arts & Sciences, and Athletics programming. The Middle School Registration Form is on page 55. Please note: "rising" indicates the grade your child will be entering in the 2020-2021 school year.

Academics

A Poet's Writing Workshop: Exploring the Art of Poetry Through Form & Design

Rising 6-9 | Session 6, 8 | Instructor: Bryan Miller
Full (9a-4p) \$270 | No Half +Plus | No Half

Bring your pens and pencils and get ready to craft some poetry. In this camp, we will examine and write various poetic forms--from haiku and sonnets to villanelles and sestinas. We will also generate original prompts and invent new structures with which to create new poems. Writers will share their pieces in a collaborative and nurturing workshop environment, and by the week's end, campers will put their works together in an attractive "chapbook" they will design, curate, and "publish."

FUNDamentally Social!

Rising 6-9 | Session 2 | Instructor: Alisha Porter
Full (9a-4p) \$270 | Half +Plus (9a-1:30p) \$165 | Half (9a-11:30a) \$135
Come join us and learn the basics and more of what it takes to have a great SOCIAL experience. Do you enjoy playing games? Working as a team? Doing team-building activities? Then this is the class for you! We work on all of these skills while creating memories and having FUN learning the FUNDamentals of LIFE!

Future Entrepreneurs

Rising 6-9 | Session 4 | Instructor: Little Scholars Staff
Full (9a-4p) \$320 | No Half +Plus | No Half
Are you a natural born leader? Do you want to experience the thrills of creating a 'company'? Don't miss out on this camp where you will create and sell handmade products at the Sale- A-Thon. This camp will dabble in the world of stocks and current events as they relate to businesses.

Graphic Novels History and Evolution

Rising 6-9 | Session 7 | Instructor: Amanda Vesner
Full (9a-4p) \$270 | Half +Plus (9a-1:30p) \$165 | Half (9a-11:30a) \$135
What are graphic novels and why are they so popular? During the week, we will discuss the history and evolution of graphic novels by reading many popular ones, watching parts of movie adaptations, and a trip to the Laughing Ogre. You will choose a graphic novel that you find interesting to complete a research project to present at the end of the week.

Hola Amigo!

Rising 6-9 | Session 4 | Instructor: Georgina Alvarez
Full (9a-4p) \$270 | Half +Plus (9a-1:30p) \$165 | Half (9a-11:30a) \$135
Hola Amigo! Have you studied Spanish but feel too shy to speak it? Well, here is your opportunity to practice it. During this week, you will have the

opportunity to interact with your "amigos" in Spanish. The dynamic of the class will be based on Latin-American cultural themes to recreate events and activities that will develop interaction among the group. The teacher's role is to improve your language skills and confidence in speaking Spanish.

Introduction to Spanish

Rising 6-9 | Session 9 | Instructor: Mackenzie Hanna
Full (9a-4p) \$270 | Half +Plus (9a-1:30p) \$165 | Half (9a-11:30a) \$135
This class is for both beginners and those wishing to brush up on their Spanish language skills. Through games, crafts, videos, music, activities, and food, students will learn about the Spanish language and cultures. Students will go home with a great foundation in the language that will prepare them for beginning Spanish in school.

Latin American History from Mexico to Argentina

Rising 6-9 | Session 3 | Instructor: Georgina Alvarez
Full (9a-4p) \$270 | Half +Plus (9a-1:30p) \$165 | Half (9a-11:30a) \$135
We will travel in time through historical events to learn how Latin America developed from the Inca and Aztec Empires to the present time. Each country has a fascinating history that you will discover during this week that will make you want to visit Latin America!

Let's Travel to Latin America!

Rising 6-9 | Session 5 (M-TH) | Instructor: Georgina Alvarez
Full (9a-4p) \$220 | No Half +Plus | No Half
This course in Spanish will allow you to practice your learned skills and to speak the language. The course will be developed by imagining we are visiting Latin American countries; we will start by flying to Mexico and continue to Antigua in Guatemala, Costa Rica, Cartagena in Columbia, and Machu Picchu in Peru. You will learn about the culture, customs, foods, and common expressions of each country. At the end of the course, you will be able to understand the similarities and differences among the countries.

Patterns in Nature

Rising 6-9 | Session 1 (T-F) | Instructor: Anne Hurley
Full (9a-4p) \$220 | No Half +Plus | No Half
Nature is full of variations on patterns. Come explore how the petals of a flower, the population of rabbits, the points of crystals, and so much more are shaped in ways that we can observe and describe using the language of mathematics. A field trip to a local park will give us opportunities to see these patterns in the world around us, and connect hands-on experience to algebra, geometry, statistics, and other areas of math as the science of patterns.

Public Speaking 101

Rising 6-9 | Session 6 | Instructor: Angela Martin
Full (9a-4p) \$280 | No Half +Plus | No Half
Students are given the opportunity to learn the basics of presentation and speech in a safe, supportive setting. Learn the various types of speeches and deliver well constructed, thought out presentations throughout the week. Campers will build confidence in front of a group and feel prepared to deliver crowd rousing speeches of all types including persuasive, informational, motivational, entertaining, and explanatory.

Sports Statistics

Rising 6-9 | Session 8 | Instructor: Anne Hurley
Full (9a-4p) \$270 | Half +Plus (9a-1:30p) \$165 | Half (9a-11:30a) \$135
Who was the best player of all time? Well...it depends on how you count. Sports and statistics are deeply connected; explore why different sports keep different statistics, how representations of data can change how we see the world, and the mathematics behind how we determine winners and losers. No physical activity or sports experience necessary!

Study Skills

Rising 6-9 | Session 3, 9 | Instructor: Colleen Vaughan
 Full (9a-4p) \$270 | Half +Plus (9a-1:30p) \$165 | Half (9a-11:30a) \$135
 Do you know what kind of learner you are or how your brain works? Regardless of subject matter, there is information you need to know about yourself and skills to be successful in school. This course will give you some tips, tricks, and ideas to help you use your time more wisely and efficiently. Note taking, organization, test preparation, memorization techniques, and time management – these are just some of the topics we will discuss in this course. So, are you ready for the challenges of the upcoming school year?

The Math of Harry Potter

Rising 6-9 | Session 2, 7 | Instructor: Anne Hurley
 Full (9a-4p) \$270 | Half +Plus (9a-1:30p) \$165 | Half (9a-11:30a) \$135
 Find the magic in mathematics as we explore the wizarding novels of JK Rowling. Discover the geometry of three dimensions, make patterns of prime numbers in curious kinds of money, and follow deductive logic to save the day.

The Physics of Superheroes

Rising 6-9 | Session 5 (M-TH) | Instructor: Anne Hurley
 Full (9a-4p) \$220 | Half +Plus (9a-1:30p) \$140 | Half (9a-11:30a) \$110
 Superheroes solve problems, even if that means going back in time to before they caused the problem in the first place. Explore the logic and reasoning that help us choose solutions to different kinds of problems as well as the physics and math behind different super powers and devices. Build your own tesseract, infinity gem not included.

Writing in Nature

Rising 6-9 | Session 1 (T-F) | Instructor: Colleen Vaughan
 Full (9a-4p) \$220 | Half +Plus (9a-1:30p) \$140 | Half (9a-11:30a) \$110
 Come join us in learning how to draw inspiration from nature. We will learn to observe the world around us and take what we see and apply it to our writing. We will learn how to write poetry, short stories, non-fiction, and more. We will spend time outside and learn from our experiences in nature. A field trip to a local park will also be an exciting part of this camp.

Arts & Sciences

Arts & Sciences classes require dress for mess attire.

Adventures & Survival Skills

Rising 6-9 | Session 5 (M-TH) | Instructor: Michelle Horne
 Full (9a-4p) \$400 | No Half +Plus | No Half
 Adventures & Survival Skills is an ideal combination of experiential learning, fun, and adventure. Rock climbing, hiking, canoeing, shelter building, and survival training make for an awesome four-day adventure. Participants are encouraged to get dirty and interact with the environment as they learn survival skills and gain knowledge and exposure to outdoor activities, wildlife, and bugs. No experience is required and all equipment and instruction are provided. ***This program includes two off-site adventures of rock climbing and canoeing. Waivers are required for each participant for the sites we will visit and will be sent via email prior to the first day of camp. Students should come prepared for any weather, ready to perform the activities asked of them and be able to swim.***

Amateur Animators

Rising 6-9 | Session 3 | Instructor: Cat Mailloux
 Full (9a-4p) \$280 | Half +Plus (9a-1:30p) \$170 | Half (9a-11:30a) \$140
 How are your favorite Pixar or Disney movies made? Do you have a knack for playing on iPads and iPhones? Come join us to demystify the movie making process and harness modern technology to learn how to make your own animations using basic stop-motion construction techniques. Explore drawing, flip books, building with clay, and storytelling in this crash course on making things move. Celebrate at the end of the week in a film festival of animated shorts showcasing your creative and quirky animations.

Arduino Robotics Programming

Rising 6-9 | Session 1 (T-F) | Instructor: CodeMonster Staff
 Full (9a-4p) \$340 | No Half +Plus | No Half
 Let's build a working robot that students can bring home at the end of the camp, and let's program the robot intuitively using real programming language. This one-of-a-kind course teaches students robotic programming using a unique approach. We first introduce and discuss all the components needed for the robot build before actually building it. Once the robot is completed, we will program or give intelligence to the robot. This engaging robotics class provides a fun learning experience for students who love to build and code. We will use open sourced platform for our robotic building and c++ for coding. ***No prior knowledge of robotic programming is required for this course. Some form of coding like Scratch or equivalent is preferred.***

Aromatherapy 101

Rising 6-9 | Session 5 (M-TH) | Instructor: Tera Stockdale
 Full (9a-4p) \$230 | Half +Plus (9a-1:30p) \$145 | Half (9a-11:30a) \$115
 Do you love different scents, how they make you feel, and the nostalgia they bring? If so, this camp is for you! We will spend our week learning about the benefits of aromatherapy and how to create luxury and therapeutic products using natural elements. We will learn about the different properties and notes of the scents and how to use them in creating candles, mists, skin+body care, bath/soaking salts, and natural air fresheners. Campers will leave smelling better than ever with lots of goodies to share.

Artistic Jewelry Making

Rising 6-9 | Session 9 | Instructor: Rachelle Smith
 Full (9a-4p) \$285 | Half +Plus (9a-1:30p) \$175 | Half (9a-11:30a) \$145
 Design and create your own jewelry pieces in this creative camp for aspiring designers and crafters. Campers will make one-of-a-kind jewelry pieces, including bracelets, necklaces and earrings. This camp will conclude with a jewelry boutique where campers can showcase their handmade jewelry.

Be a Junior Counselor at CA

Rising 8-11 | Session 1-9 | Instructor: Jr. Counselor Ambassador
 Full (9a-4p) \$100/ week (Sessions 1 and 5: \$80/ week)
 Join our dynamic team this summer and put experience on your resume. This opportunity is a hands-on volunteer leadership experience for any student going into eighth through eleventh grade. Duties of a junior counselor include helping with camp activities, supporting a senior counselor, escorting campers, helping with check-in and snack time, and having fun in the sun at Columbus Academy. If you have not had a job before, this program will give you the experience you will need to succeed in your next opportunity and will give you leadership skills that will follow you the rest of your life. By becoming a part of our team, you will have fun, make friends, and learn valuable skills. Each participant will receive a certificate of completion and a review to put in his or her job portfolio. ***Students and a parent/guardian are required to attend a mandatory orientation on Saturday, May 30, from 12 to 2pm. This program is limited to ten participants per week, and spaces fill quickly.***

Board Game Strategy and Design

Rising 6-9 | Session 8 | Instructor: Rusty Oates

Full (9a-4p) \$270 | Half +Plus (9a-1:30p) \$165 | Half (9a-11:30a) \$135

The title says it all! This camp will be all about games. Card games, board games, outside games, computer games; you name it, we will play it! If you like playing games of all kinds, this camp is for you!

Breaking the Fourth Wall Acting Camp

Rising 6-9 | Session 9 | Instructor: Mckenzie Vaughn

Full (9a-4p) \$270 | Half +Plus (9a-1:30p) \$165 | Half (9a-11:30a) \$135

In Breaking the Fourth Wall Acting Camp, students will immerse themselves in fun and interesting monologues and scenes. Students will strengthen their diction, stage presence, and reading abilities. We will play fun and entertaining theatre games, use interesting theatre warm ups, learn how to audition for a play, and improvise on stage. We will also discuss where great theaters are located in the Central Ohio area! This year, we will perform the play *10 Reasons I Shouldn't Have Gone to School Today* in the Friday Showcase as well as in a presentation for parents/ family in the classroom.

Students should wear comfortable clothing and closed-toe shoes that are appropriate for movement. No sandals or flip flops.

Full (9a-4p) \$295 | No Half +Plus | No Half

Join CCT's professional teaching artists in this camp designed for those who are ready to learn choreography, find their harmonies, and brush up on their acting skills! Campers will learn songs and scenes from recent Broadway shows such as *Wicked*, *Oklahoma*, and *Dear Evan Hansen*. Exercising their musical theatre skills, students will work in small and large groups to prepare to share their progress on the last day of camp, and to add "Triple Threat" to their resumes!

Bucket Drumming 101

Rising 6-9 | Session 6 | Instructor: Rusty Oates

Full (9a-4p) \$270 | Half +Plus (9a-1:30p) \$165 | Half (9a-11:30a) \$135

Come learn to turn household items into musical instruments! Bucket drumming, also called street drumming, is a style of music which involves drumming on plastic buckets and other objects to create melodies. The most common object used by bucket drummers are five-gallon plastic buckets, but other objects can be used, including glass bottles, pots, and pans. We will learn drumming techniques, rhythms, and learn how to turn just about anything into a musical opportunity. This camp can't be BEAT!

Build Your Own Interactive Augmented Reality & AI Game

Rising 6-9 | Session 7 | Instructor: Drobots Company Staff

Full (9a-4p) \$425 | No Half +Plus | No Half

The ultimate Augmented Reality (AR) and Artificial Intelligence (AI) camp. Can you tell the difference between a human and a robot? Learn about the design and programming behind modern digital assistant software like Alexa, Siri, and Cortana in this innovative camp. Students build their own artificial intelligence personality that can answer questions, complete requests, and chat about topics of their choosing using real HTML and JavaScript code. No prior experience is required. We provide all technology on location. Campers

will be thrilled to bring home their digital portfolio at the end of the week and continue to work on their AI creation or to share with friends or family. Pokemon Go, Harry Potter, Enderdragon or Creeper in Minecraft, and Goomba in Super Mario Maker are a few examples of games we will explore.

CA Marching Band Camp

Rising 6-9 | Session 5 (M-TH) | Instructor: Mckenzie Vaughn

Full (9a-4p) \$220 | Half +Plus (9a-1:30p) \$140 | Half (9a-11:30a) \$110

Ever wondered how the OSU marching band crosses the field with such ease and elegance? Have you ever wanted to learn to play your instrument and march at the same time with songs like Hang on Sloopy, We Will Rock You, or popular music from today's hits by artists such as Justin Bieber, Katy Perry, Selena Gomez or even Fallout Boy? Join us in CA Marching Band Camp, and you will learn to do just that! In this camp, students will play music popular in the marching band world. We will work on our marching technique and perform in the Friday Showcase. Students will be able to learn fun music along with marching and dance steps! **Students should bring their own band instrument (including clarinet, flute, trumpet, trombone, tuba, mellophone, oboe, saxophone). For drummers, please contact our office a minimum of three weeks in advance of camp for more information. Students are required to wear tennis shoes, bring a water bottle and sunscreen; sunglasses and visors are optional.**

Camp Pinterest

Rising 6-9 | Session 1 (T-F) | Instructor: Jennifer McGinnis

Full (9a-4p) \$240 | Half +Plus (9a-1:30p) \$150 | Half (9a-11:30a) \$120

Camp Pinterest is a week of crafting using inspiration from Pinterest. Students will create a variety of projects using many types of media. Some projects will include crayon melting, wood string art, and painting on canvases. Students will also have the opportunity to find a project on Pinterest they would like to create, and we will take a field trip to a local craft store where students will be able to find materials for their project. It will be a very fun week of crafting and being creative!

Chess Masters

Rising 6-9 | Session 6 | Instructor: Kyle Jones

Full (9a-4p) \$280 | Half +Plus (9a-1:30p) \$170 | Half (9a-11:30a) \$140

Chess Masters provides students with the most advanced curriculum to prepare them for tournament play. Students will be given the necessary tools to be able to create reasonable plans in complex positions. Campers will learn advanced tactical themes. Each day students will participate in our very own tournament to put their strategies to the test.

Classical Competition

Rising 6-9 | Session 7 | Instructor: Franz Gruber

Full (9a-4p) \$270 | Half +Plus (9a-1:30p) \$165 | Half (9a-11:30a) \$135

Classical Competition is a fun game for the young scholar with a classical bent. If you are a Classical Mythology wizard, a Greek and Roman history expert, a Harry Potter fan, or just someone who likes to learn more about the classical roots of English words, then we have the game for you. You will also have the chance to perform a play that you write with your fellow campers that we call "Modern Myth." Classical Competition will implore you to compete. In the end, it all comes down to the buzzer.

Clay Play!

Rising 6-9 | Session 8 | Instructor: Tera Stockdale

Full (9a-4p) \$295 | No Half +Plus | No Half

Have fun playing in the dirt! Clay Play students will create a variety of functional and decorative ceramic pieces through traditional and experimental techniques. We'll examine construction methods and get creative with everyday objects and natural items to create texture and patterns. Learn to silkscreen your bisque pieces for endless combinations of designs. Come join us as we put our hands in the mud while learning about the history and science of clay!

Comedy Magic

Rising 6-9 | Session 4 | Instructor: Carroll Baker
Full (9a-4p) \$305 | No Half +Plus | No Half

Everyone loves magic, and they really love learning and performing it! Carroll Baker's classes are a great way to have fun learning to become an amazing magician, performer, and presenter. Beyond the entertainment value, magic helps improve digital dexterity, coordination, visual perception, spatial relationships, critical thinking, creativity, public speaking skills, self-confidence, and imagination. This class will focus on fun and easy magic, comedy styles and how to incorporate them into a show. On the last day of camp, we will take a field trip to the local magic shop and perform on stage in the Friday Showcase.

Creative Engineering

Rising 6-9 | Session 2 | Instructor: Funtastic Workshops Staff
Full (9a-4p) \$320 | No Half +Plus | No Half

Work with an advanced three dimensional construction kit that is yours to keep and take home. Design and build simple or complex models of a vehicle, a robot, moving creatures, or buildings. You will also get your own 3-volt geared motor. Learn the many ways you can make your motor run. Hands-on is the only way, so prepare to build from instructions and from your own imagination!

Discover Ohio

Rising 6-9 | Session 9 | Instructors: Amanda Vesner and Johari Mitchell
Full (9a-4p) \$550 | No Half +Plus | No Half

Join us on an adventure across Ohio to discover our hidden treasures. In this class, we will travel each day to a "hot spot" that you will want to return to again and again. Rainforests? We've got them. Stingrays? You guessed it. We've got them, too! Roller coasters? Absolutely some of the best! This is a nonstop exploration of the best Ohio has to offer. **Students are required to pack a nut free lunch each day.**

☞ This is a traveling/off-site program.

Engineering and Problem Solving with Woodworking

Rising 6-9 | Session 8 | Instructor: Shaun Ditty
Full (9a-4p) \$310 | No Half +Plus | No Half

Throughout the week, students will have the opportunity to learn about a variety of famous and influential designers and architects. Students will be given design challenges to overcome, asked to think critically and plan ahead, and ultimately work together to create life-size boats by the end of the week. In addition to boat creation, students will work on creating detailed multi-step building plans, 3 view project drawings, work on a free choice project, and build a modern chair to take home. Previous woodworking experience is not necessary, but certainly welcome.

Everything Yarn

Rising 6-9 | Session 5 (M-TH) | Instructor: Djuana Okotete

Are you creative? Do you love to vibe to music while making cool things? Well, this is the class for you! In Everything Yarn, we will visit a local craft store where you will pick out your favorite colored yarn and then create something that will last forever. Not only will you learn to crochet, but you will so learn to zen out and vibe with friends. You will also learn how to market products or present them as gifts. Join today and learn to crochet!

Extreme Medical School®

Rising 6-9 | Session 8 | Instructor: Little Medical School Staff
Full (9a-4p) \$410 | No Half +Plus | No Half

We offer a one-of-a-kind learning experience for students. This hands-on, in depth experience puts the student in the role of the physician, complete with a white coat and real stethoscope. Through interactive and creative demonstrations, crafts, and projects, students see how the body works and what goes wrong with disease states. Our "student doctors" not only learn how to use a stethoscope, but also learn what they are hearing when they

listen to the heart beat. We discuss why murmurs sound the way they do, and they get their first looks at EKG's. As "student surgeons", they learn how to sew like a real surgeon, tie knots, and complete a hernia repair! In the blood section, they make a model of normal blood, and then see first-hand what goes wrong with leukemia and sickle cell disease. We will also focus on the business aspect of Medicine. What does it take to set up and run your own private practice? Students will learn important emergency life skills in this camp! This is just a sampling of the many exciting topics we will explore during this week.

Fun with Photography

Rising 6-9 | Session 2 | Instructor: Genevieve Adkins
Full (9a-4p) \$270 | No Half +Plus | No Half

This class is ideal for anyone wanting to learn about photography in a fun way. Students will learn basic photography techniques and apply them in the field. We will explore the techniques of color, light and shadow, lines, the rule of thirds and positive and negative space. We will practice these skills around the Columbus Academy campus and use them to complete various projects. Our images will then be presented in a gallery at the end of the week. **Students are required to bring a basic digital camera (the more options on the camera the better, but a basic point and-shoot will work fine as well).**

Games Throughout History

Rising 6-9 | Session 2 | Instructor: Amanda Vesner
Full (9a-4p) \$270 | Half +Plus (9a-1:30p) \$165 | Half (9a-11:30a) \$135
Have you ever wondered how board games and card games were invented? What about where they came from? Then this is the camp for you! During the week, we will explore the history and learn how to play the games Go, Mahjong, Backgammon, and Rummy just to name a few.

Harry Potter's Defense Against the Dark Arts

Ready to play in the dirt? Make delicious foods from scratch? Become more creative, mindful and in-tune with your body, and perform science experiments that you can eat? Then join us to get back to your roots! Brother and sister duo of a registered dietitian/nutritionist and a professional dance and music educator team up to present a holistic program incorporating tools from the arts and sciences with an emphasis on healthy living in the 21st century. Each day we will explore four components of health and wellness: food science, movement and mindfulness, cooking skills, and

gardening. Hands-on activities will allow participants to not only learn the “whys and hows” behind each component, but also allow them to practice and master new skills. Each class will build on the previous day’s work with activities such as fermentation to make probiotic sauerkraut and yogurt; planting and composting; tasting and noting; from-scratch cooking techniques including sautéing, roasting, and making homemade stocks/broths; meditation, mindful movement, listening and communication exercises. Participants will take home the fruits of their labor each day!

 Full (9a-4p) \$300 | Half +Plus (9a-1:30p) \$180 | Half (9a-11:30a) \$150
 Krav Maga is widely regarded for its simple and direct self defense techniques that can be learned in a short time frame. In this camp, students will learn a week-long curriculum of not only the physical skills necessary for defense, but, moreover, they will be empowered with strategies and the confidence necessary to avoid situations and de-escalate scenarios. Campers will also enjoy fun activities, relevant video topics, and role play as they rehearse their bully prevention strategies!

Learn to Sail

Rising 6-9 | Session 3 | Instructor: Hoover Sailing Club Staff
 Full (9a-4p) \$350 | No Half +Plus | No Half
 Hoover Sailing Club has offered sailing instruction for Central Ohio youth for over 45 years. Your child will experience the joy of skippering a dinghy from our fleet during his or her very first lesson. Our experienced US Sailing certified staff will teach basic safety and boat skills. Your child will learn to sail up-wind, down-wind, tack, jibe, and recover from a capsize. Our picturesque property and remodeled facilities will provide your youngster with a week he or she will remember for years to come. **Students are required to pack a peanut and tree nut free lunch, and bring your own USCG approved life jacket. Sailing is a very physical activity; occasional bumps and bruises can occur. Please advise your child's counselor if there are any issues of which we might need to be aware. A Hoover Sailing Club release form is also required for every participant and will be distributed via email before camp begins.**
 ☞ This is a traveling/off-site program.

 No standing around at recess! This camp will explore the many varieties of recess and playground games from some favorites like basketball and football to adapted versions like knock out and jackpot. We will play traditional games, discover variations to these, and learn other options like frisbee, foursquare, kickball and of course, ga-ga ball! Campers will experience as many games as possible during the week so they never have to worry about running out of recess games again! We will focus on good sportsmanship, cooperation, getting and staying active, and fun! **Students are required to bring a water bottle and must wear tennis shoes. No flip flops or sandals.**

Skateboarding

Rising 5-9 | Session 4 | Instructor: Chris Higgins
 Full (9a-4p) \$305 | No Half +Plus | No Half
 Come join us and learn the basics and more of skateboarding, one of the fastest growing sports in the world. While we will cover safety, equipment, and skateboarding etiquette, the emphasis will be on having fun and learning by spending as much time on our boards as possible. It doesn't matter if you are a first-time skater or a more experienced rider, this program will have something for everyone. Field trips to area skateparks will round out this exciting program. **Skaters are required to wear a helmet and bring their own skateboards; knee pads and elbow pads are recommended.**

Skateboarding Skatepark Road Trip Camp

Rising 3-9 | Session 9 | Instructor: Chris Higgins
 Full (9a-4p) \$450 | No Half +Plus | No Half
 Come join Chris Higgins and crew as we hit the road to skateboard at some of Columbus and Central Ohio's best skateparks! Skaters of all ages and skill levels will learn and have fun as we work on skating on all different types of skateparks and terrain. Camp will meet at Columbus Academy every day before we set off on an epic road trip to a different skatepark. **Students are required to pack a nut free lunch each day. Skaters are required to wear a helmet and bring their own skateboards; knee pads and elbow pads are recommended.**

Swimming Lessons

Greater Columbus Swim School

Rising K-8 | Session 1-7 | Instructor: Greater Columbus Swim Team of Ohio (GCSTO)
8a-9a and/ or 4p-5p \$75/ week (Sessions 1 and 5: \$60/ week)

The Greater Columbus Swim Team of Ohio teaches Columbus Academy instructional swim lessons in a fun, yet challenging atmosphere with lessons taking place at Columbus Academy Pool on campus. The pool depth ranges from 3ft – 10ft. Participants are observed and placed in appropriate levels according to their current skill level and will engage in the fundamentals of swimming most appropriate for their ability. Swimmers will be consistently monitored for skill acquisition in order to ensure that they are continually challenged in the pool as their skill level increases. Beginning swimmers will learn the most basic skills needed to become self-sufficient in the water, while swimmers with slightly more advanced skills will be progressed through a series of eight levels, focusing on the proficient acquisition of all four of the competitive swimming strokes (those used in the sport of swimming). Participants will receive a skills accomplishment report at the end of each weekly session. Swimmers will have a great time, will be challenged, and will learn valuable skills. ***This program can be added to any week's programming with the exception of Sessions 8 and 9 due to construction. There is a maximum of 16 children per time slot and spaces fill quickly. Please see the Middle School registration form and check the appropriate time that fits with your schedule.***
