2020

Summer programs for babies through 12th grade

WELCOME

DEAR SUMMER EXPERIENCE FAMILIES,

It is with a happy heart that we share our 2020 Summer Experience offerings. We are very intentional and diligent in making sure we offer something for everyone at Columbus Academy. We are committed to reaching children where they are, understanding and supporting different learning styles, and advocating and caring for the diverse tapestry that is our world. CA Summer Experience is a place to feel safe and where everyone can be their true self. We encourage lifelong learning through exploring what excites and motivates you. From babies and their caregivers to teenagers, and everything in between, we hope you will find something that will spark wonder and enjoyment through fun and play. We cannot wait to see what you choose! Happy planning!

Sincerely,

ALYSSA KING, DIRECTOR

FEES, CANCELLATIONS, REFUNDS AND DEADLINES POLICY

Course fees are located in the course descriptions and registration pages. Whether submitting a paper form or registering online, **registration is not complete until payment is received.** Cancellations or changes made prior to the appropriate deadline will incur no penalty and will be refunded in full. Cancellations made after the deadlines will be refunded at 25% of the program fee. Please understand that after these deadlines, we have made firm financial commitments to our faculty and staff, in addition to purchasing materials for the class. If a cancellation is made after the camp's start date, there will be no refund issued. If you do not notify us and your child does not attend, you will be subject to our no-show policy in which no refund will be issued. Changes made to schedules after the deadlines will be charged a non-refundable fee of \$25 per child plus any difference in camp fees. If late registrations are received after the deadlines, camp fees increase by 10%. All camps have a minimum enrollment that must be met in order to run. If we need to cancel a class due to low enrollment, the decision will be made two weeks prior to the start date. You will be notified via email with alternative camp options or to receive a full refund.

DEADLINES: May 15th for Sessions 1-5 and June 19th for Sessions 6-9

	Family (Explore With Me, Grown Up & Child)	3
	Pre-K (Ages 3 – 5 and fully potty trained)	11
	Lower School (Rising K – Rising 5th)	19
	Middle School (Rising 6th – Rising 9th)	41
	Upper School (Rising 9th – Rising 12th)	59
	Meet the Teachers	65
	Columbus Academy Campus Map	73

TOP 5 FREQUENTLY ASKED QUESTIONS

1. Where is CA Summer Experience located?

Columbus Academy is located at 4300 Cherry Bottom Road in Gahanna. We are close to the intersection of Morse and Hamilton Roads and just minutes away from Easton Towne Center.

2. Are all programs held on campus?

The majority of our programs are held on campus; however, we do have off-site / traveling program partnerships within the community such as Fairy Tale Farm, Hoover Sailing Club and more. If a program is held off-site, it is indicated in the class description with the 🚌 icon.

3. Is lunch provided?

Lunch is provided for all Half +Plus (9:00am-1:30pm) and Full Day (9:00am-4:00pm) camps that are held on campus and is built into the price of the camp. CA offers a hot main dish with two sides including vegetarian options as well as a salad bar, deli bar and pasta bar daily. We also do our best to accommodate all dietary requests / restrictions. Please contact our office if you have additional questions related to dietary concerns. Children are welcome to pack a lunch if they wish, but the lunch **must be** peanut and tree nut free.

Allergy policy: Columbus Academy Summer Experience is peanut and tree nut free.

4. Do I need to pay when I register?

Yes; payment in full is required at the time of registration. Registrations will not be processed and a space is not reserved in any program(s) unless full payment is received.

5. What if I need to cancel or change my child's schedule?

Deadlines are May 15, 2020 for Sessions 1-5 and June 19, 2020 for Sessions 6-9. Cancellations or changes made prior to those dates will incur no penalty, and program fee(s) will be refunded in full. Cancellations made after the deadlines will be refunded at 25% of the program fee. Please understand that after these deadlines, we have made firm financial commitments to our faculty and staff, in addition to purchasing materials for the class. If a cancellation is made after the camp's start date, there will be no refund issued. If you do not notify us and your child does not attend, you will be subject to our no-show policy in which no refund will be issued. Changes made to your child's schedule after the deadlines will be charged a non-refundable fee of \$25 per child plus any difference in camp fees.

FAMILY

EXPLORE WITH ME: CAREGIVER & BABY

Ages birth to 5 years

Welcome to our *Explore with Me* (EWM) division at Columbus Academy Summer Experience. This program is designed to give caregivers and babies a place to bond and explore, while offering a low stress environment in which babies can learn and grow individually and socially. Caregivers will also have the opportunity to network and learn many new and exciting activities to do with those in their care. In addition to a lead instructor, there will be a program coordinator present in all classes to assist the caregivers and babies at any point.

EWM classes are offered from 10:30-11:30am, Tuesday through Saturday on Columbus Academy's campus in Gahanna. The campus is accessed from the West on Cherry Bottom Road or from the East via Beecher Road off of Hamilton Road. (Please refer to the campus map on the inside of the back cover.) All *Explore With Me* programs are best accessed by parking in the Family Division parking area in the Academy Hall Parking Circle. Follow the **ORANGE** signage into the Theatre entrance and into the Explore With Me room.

All EWM classes follow a consistent, yet free-flowing schedule. We understand the babies' individual needs will vary and therefore, our class schedule is designed to be flexible and adaptable in order to cater to the needs of our families. The first 15 minutes of the hour is designed to allow caregivers and babies to get acclimated to the classroom environment while socializing with others in the class. The program coordinator will also have manipulatives available as an option during this time. Once everyone is settled in and all of the babies' needs are met, the instructor will lead the themed portion of class, which typically lasts between 25-30 minutes. During the remaining 15 minutes of class, the EWM stations will be open for free play time guided by the program coordinator. Caregivers and babies will be encouraged to interact with each station before ending the class. Stations include, but are not limited to: a soft shape obstacle course, Nessie soft creatures, crawl tunnels, indestructible books, baby musical instruments, soft blocks, tactile balls, and so much more!

One registration accommodates one child and one caregiver. EWM is also intended to be an inclusive "all-in-the-family" experience. If there is more than one caregiver or an older sibling not within the age range of the class, they are also welcome to attend as a guest at no additional charge. All classes have a suggested age range based on the appropriateness of the activities covered. Please remember our classes are flexible, and we understand that every child develops at his or her own rate. If you register for a class that does not seem developmentally appropriate for your child, we will be happy to work with you to find an alternative option that is a better fit.

What are the benefits of programming for very young children?

Connections! Not only with the world around them, but between the child and those that care for them the most. In a world where technology is so important and our attention is being pulled in so many directions, we need to make conscious efforts to connect. These programs offer support in a variety of ways:

- Programming that is age appropriate and flexible
- Connecting to the community at large
- Providing a baby safe environment to explore and discover
- Giving parents and caregivers a venue to network with each other, connect and share

Sensory Sensitive Friendly Classes

Each summer, we continue to provide training and resources to all faculty and staff to care for our students with special sensory needs. We have made strong efforts to educate all of our teachers on the needs of the sensory sensitive child. We strive to make sure our environment supports these needs by being conscious of bright lights and noise levels, providing space for necessary breaks, as well as providing a variety of sensory activities for discovery when the child is ready. These enhancements benefit all children, but are essential to those with sensory needs. If you have additional questions or information that could be helpful in caring for your child, please contact our office at (614) 509-2267.

Explore With Me | Weekly Schedule 6/9/20 - 8/1/20

Mondays	Tuesdays	Wednesdays	Thursdays	Fridays	Saturdays
NO CLASSES	Little Scientist <i>18 months to 3 years</i>	Sports, Smiles, Fitness & Fun! <i>18 months to 3 years</i>	Music Together <i>birth to 5 years</i>	Little Masterpieces <i>18 months to 3 years</i>	Swim with Me <i>birth to 3 years</i>

EXPLORE WITH ME

Programs are organized by day of the week. Explore With Me will use the Family Division Registration Form located on page 9.

TUESDAYS

Little Scientist

Ages 18 months to 3 years old | Sessions 2-9
Tuesdays 10:30a-11:30a | \$160 for the 8-week session
Coordinator: Kate Cremean

Bring your curiosity as we investigate, explore and stretch our minds. We will examine and experiment each week with different properties to help understand the world around us. Come ready to have fun and get messy in our EWM learning lab for little scientists.

WEDNESDAYS

Sports, Smiles, Fitness and Fun!

Ages 18 months to 3 years old | Sessions 2-9
Wednesdays 10:30a-11:30a | \$160 for the 8-week session
Instructor: JumpBunch Staff

Looking for an active program for your toddler? JumpBunch classes are a friendly introduction to sports and fitness for kids with classes structured just right for their size. Coaches will start each class with some warm up songs and exercises and then move in to the activity for the week. Brightly colored balls, simple toys, lively music, and varied activities help to keep the toddler's attention while they improve basic motor skills and hand-eye coordination. Some toddlers will respond right away, while others may take a little time before they jump in. At this age, advances can often be dramatic and fun to watch. Parent/caregiver participation is required.

THURSDAYS

Music Together

Ages birth to 5 years old | Sessions 2-9 (no class July 2)
Thursdays 10:30a-11:30a | \$180 for the 7-week session
Instructor: Kate Cremean

Use your pots and pans for more than making mac and cheese! Music Together is an active approach to teaching music to babies and toddlers. By emphasizing actual music experiences rather than concepts about music, this class introduces children to the pleasures of making music instead of passively receiving it from CDs or TV. Central to the Music Together approach is the idea that young children learn best from meaningful adult role models in their lives. This program brings families together by providing a rich musical environment in the classroom. It also encourages family participation in spontaneous musical activity at home within the context of daily life. Come prepared to make noise, use shakers, and sing! **A songbook, CD, and digital download of all music used are included in the class fee. This class offers a multiple-child discount; please contact our office for details: (614) 509-2267.**

FRIDAYS

Little Masterpieces

Ages 18 months to 3 years old | Sessions 2-9 (no class July 3)
Fridays 10:30a-11:30a | \$140 for the 7-week session
Coordinator: Kate Cremean

Rediscover the joy of making art with your little one. Each week you will focus on learning a different color of the rainbow while creating priceless memories and amazing artwork. Come dressed for mess as you may be using mediums you don't often use at home including paint, clay and glue.

SATURDAYS

Swim with Me

Ages birth to 3 years old | Sessions 2-7 (no class July 4)
Saturdays 10:30a-11:30a | \$100 for the 5-week session
Coordinator: Kate Cremean

Introduce your child to the water and develop basic skills in a sensory sensitive environment. Children will learn to be comfortable in the water through songs, games, and water exploration. This class will provide a safe, supportive, environment with individualized instruction to meet the needs of each child. Children will learn to trust their instructor and their caregivers in the water as well as basic water safety skills. Caregivers will learn songs and games that they can do in the water with their child. We will move at each individual child's pace and do everything we can to make their experience in the water a positive one!

GROWN UP & CHILD

Parents/caregivers and children ages 4 and up

Work...schedules...dinners...sports...there is so much to do! Let us help you carve out some precious time to spend with those closest to you. In this **Grown Up & Child** division, we hope to bring families together to experience fun and play in a lighthearted, but very intentional way. Learning a new skill or how to add health and wellness into your daily routine with your child may be the most rewarding thing you will do all year. We will make memories that will live on beyond the summer and may even spark life long connections and engagement.

Grown Up & Child classes are offered at various times each day, Tuesday through Saturday, on Columbus Academy's campus in Gahanna. The campus is accessed from the West on Cherry Bottom Road or from the East via Beecher Road off of Hamilton Road. (Please refer to the campus map on the inside of the back cover.) All *Grown Up & Child* programs are best accessed by parking in the Family Division parking area in the Academy Hall Parking Circle. Follow the **ORANGE** signage into the Theatre entrance and into the appropriate classroom.

One registration accommodates one child and one caregiver. Each child in attendance should be accompanied by a grown up. If multiple grown ups would like to bring one child, the second grown up can attend at no additional cost.

All classes have a suggested age range based on the appropriateness of the activities covered. Please remember our classes are flexible, and we understand that every child develops at his or her own rate. If you register for a class that does not seem developmentally appropriate for your child, we will be happy to work with you to find an alternative option that is a better fit.

What are the benefits of programming for caregivers and children together?

Connections! Not only with the world around us, but between the child and those that care for them the most. In a world where technology is so important and our attention is being pulled in so many directions, we need to make conscious efforts to connect. These programs offer support in a variety of ways:

- Providing a fun learning environment for both parent and child
- Learning new hobbies and activities to take home together
- Promoting family time and togetherness as well as learning about healthy habits that will support family growth together
- Giving parents and caregivers a venue to network, connect and share

Grown Up & Child | Weekly Schedule 6/9/20 - 8/1/20

Mondays	Tuesdays	Wednesdays	Thursdays	Fridays	Saturdays
NO CLASSES	Adulting: Personal Finance Literacy <i>Ages 8 and up</i>	Makerspace <i>Ages 7 and up</i>	Family Fitness, Health & Wellness <i>Ages 5 and up</i>	Adventurous Explorers <i>Ages 6 and up</i>	Swim for Life <i>Ages 4 and up</i>
NO CLASSES	My First Book Club <i>Early/Beginner Readers</i>	Woodworking for Wellness <i>Ages 5 and up</i>	Support for the Support System <i>All ages</i>	Making Memories in the Kitchen <i>Grades 1-5</i>	Let's Make Lunch <i>Ages 5 and up</i>

FEES, CANCELLATIONS, REFUNDS AND DEADLINES FOR FAMILY DIVISION

Course fees are located in the course descriptions and registration pages. Whether submitting a paper form or registering online, **registration is not complete until payment is received**. Cancellations or changes (for Family Division only) made prior to Friday, May 29th will incur no penalty and will be refunded in full. Cancellations made after this deadline will be refunded at 25% of the program fee. Please understand that after this deadline, we have made firm financial commitments to our faculty and staff, in addition to purchasing materials for the class. If a cancellation is made after the camp's start date, there will be no refund issued. If you do not notify us and your child does not attend, you will be subject to our no-show policy in which no refund will be issued. Changes made to schedules after the deadline will be charged a non-refundable fee of \$25 per child plus any difference in camp fees. All camps have a minimum enrollment that must be met in order to run. If we need to cancel a class due to low enrollment, the decision will be made two weeks prior to the start date. You will be notified via email with alternative camp options or to receive a full refund.

FAMILY DIVISION DEADLINE: MAY 29, 2020

GROWN UP & CHILD

Programs are organized by day of the week. *Grown Up & Child* will use the Family Division Registration Form located on page 9.

TUESDAYS

Adulting: Personal Finance Literacy

Grown Up & Child (Ages 8+) | Sessions 2-9
 Tuesdays 4:30p-5:30p | \$160 for the 8-week session
 Instructor: Michael Fatten

Want to help your child become money smart? Studies show that personal finance literacy has a stronger influence on household wealth than educational attainment. Come join us while we learn about the basic concepts of spending, sharing, investing, and saving to gain solid financial skills and build strong habits. Get your child involved in household money management and to be familiar with topics such as personal budgeting, credit cards, banks and loans. Helping children learn simple money lessons early on can go a long way toward fostering their financial success in the future!

My First Book Club

Grown Up & Child (Early to Beginner Readers) | Sessions 2-9
 Tuesdays 4:30p-5:30p | \$160 for the 8-week session
 Instructor: Angela Martin

Book clubs are generally a more social, less academic way to explore comprehension and meaning while learning from the insights of others. Reading and sharing stories not only promotes literacy, it also builds stronger relationships. Using the book of the week as a springboard for discussion, a reading club with a parent can also improve communication. There's no end to the lessons, insights, and feelings that can flow from a good book. Stories can be used to teach valuable lessons and offer solutions to the kinds of conflicts everyone faces. Children are more likely to take those lessons to heart if they come in the form of a story. In My First Book Club, we will explore age appropriate fiction, nonfiction, mystery, fantasy, and biography. Incorporating themed crafts and snacks into our time together, reading will be associated with fun, learning, and time with their loved one.

WEDNESDAYS

Makerspace

Grown Up & Child (Ages 7+) | Sessions 2-9
 Wednesdays 4:30p-6:00p | \$240 for the 8-week session
 Coordinator: Kate Cremean

To create, invent, generate, produce, achieve, build and craft; these are a few of the words used to describe what you do in a makerspace. Come to Columbus Academy to learn what you can make with your imagination being the only limit for both grown up and child. Learn how to create a space like this in your own home and extend your projects and learning beyond the classroom. Work on planned projects that have extensions that are your own to create. Make your own plans and implement them in your space with the guidance of our skillful instructors. This will be a time to stretch your mind and strengthen your connection.

Woodworking for Wellness

Grown Up & Child (Ages 5+) | Sessions 2-9
 Wednesdays 4:30p-6:00p | \$240 for the 8-week session
 Instructor: Shaun Ditty

This Grown Up & Child class will focus on the experience of connection. Participants will have the opportunity to walk some of the beautiful trails on

Columbus Academy's campus with each other. Along the journey, they may forage for wood to build projects from, enjoy the quiet of the landscape, as well as learn and practice mindfulness. Additionally, each grown up and child group will have the opportunity to connect with each other by sketching, designing and building a small project of their own. Participants do not need any prior knowledge of woodworking or tool use. We ask that each participant, five years old and up, simply come with an open mind, willingness to learn, and an appreciation for making memories.

THURSDAYS

Family Fitness, Health & Wellness

Grown Up & Child (Ages 5+) | Sessions 2-9
 Thursdays 4:30p-5:30p | \$160 for the 8-week session
 Instructor: CrossFit New Albany Staff/ Matt Wilson

Come join us for a functional fitness experience that will teach you how to do a workout anywhere and not injure yourself no matter your age. We will teach a balance of nutrition and flexibility along with functional movements to get you started toward the best shape of your life. ***Athletic clothing, water and a notebook are encouraged.***

Support for the Support System: What's Up With My Kid? How Can I Help Both Them and Myself?

Grown Up & Child (All Ages) | Sessions 2-9
 Thursdays 6:00p-7:00p | \$160 for the 8-week session
 Instructor: Joanie Calem

Living with children whose behaviors seem to challenge societal norms can create a daily flood of frustration, dreams, hopes and fears for those who care for them. In this weekly workshop, we will explore the experience of children who might not be in sync with the parenting books! Connecting with others on the same path is one of the best ways to take this journey. Instructor Joanie invites you to share, laugh, commiserate, and focus collective wisdom toward supporting one another and learning practical strategies for helping both our children and ourselves on a parenting path that is less documented. ***Please note the class is for parents/ caregivers only. Childcare with fun weekly activities will be provided in a separate room. Children must be potty-trained.***

FRIDAYS

Adventurous Explorers

Grown Up & Child (Ages 6+) | Sessions 2-9 (no class July 3)

Fridays 4:30p-6:00p | \$210 for the 7-week session

Coordinator: Kate Cremean

Adventurous Explorers is an ideal combination of experiential learning, fun, and adventure. Rock climbing, hiking, canoeing, shelter building, and survival training make for an awesome weekly adventure. Participants are encouraged to get dirty and interact with the environment as they learn survival skills and gain knowledge and exposure to outdoor activities, wildlife, and bugs. No experience is required and all equipment and instruction are provided. ***This program includes two off-site adventures of rock climbing and a fun day of canoeing. Transportation will be provided with our CA-owned passenger vans and certified drivers. Waivers are required for each participant for some of the sites we will visit. These waivers, as well as a weekly schedule, will be sent via email prior to the start of the program. Families should come prepared for any weather, ready to perform the activities asked of them and be able to swim.***

Making Memories in the Kitchen

Grown Up & Child (Grades 1-5) | Sessions 2-9 (no class July 3)

Fridays 4:30p-6:00p | \$210 for the 7-week session

Instructor: Angela Martin

Join us for a journey around the world through food! Each week's lesson will focus on a different country's culture and a recipe you and your child will make together. We will round out our experience by asking you to bring a family recipe to share with the group on the last day of class. Fantastic food, family and fun! Let's get cooking!

SATURDAYS

Swim for Life

Grown Up & Child (Ages 4+) | Sessions 2-7 (no class July 4)

Saturdays 9:30a-11:30a | \$200 for the 5-week session

Coordinator: Kate Cremean

Going on a big trip and want to make sure you feel comfortable and safe with your child in the water? Simply want to learn a life skill that you and your child can enjoy for years to come? In this class, we will introduce your child to the water and develop basic skills in a sensory sensitive environment. Children will learn to be comfortable in the water through songs, games, and water exploration. This class will provide a safe, supportive, environment with individualized instruction to meet the needs of each grown up and child. Children will learn to trust their instructor and their grown up in the water as well as basic water safety skills. Grown ups will learn songs and games that they can do in the water with their child. We will move at each individual child's pace and do everything we can to make their experience in the water a positive one!

Let's Make Lunch: Cooking for a Healthy Life

Grown Up & Child (Ages 5+) | Sessions 2-9 (no class July 4)

Saturdays 10:30a-12:00p | \$210 for the 7-week session

Instructor: Chef Beckham/ Gourmet Dad Food Education

Join Gourmet Dad Food Education in making your favorite lunches tastier and healthier. Each week, lessons will focus on making amazing, easy lunch dishes. You and your child will learn the benefits of eating simple REAL foods and how to make recipes together. Foods packed with vitamins, nutrients, and minerals needed to fuel you through your day. Come and join the fun and learn how to make healthy eating a lifestyle.

ONLINE REGISTRATION

You can...

- Filter classes by grade, program title, or session
- View real-time class availability
- Pay by credit card or e-check

STEP-BY-STEP

1. Visit www.columbusacademy.org/summer
2. Click online registration
3. Create and/or sign in to your My BackPack account
4. Click Summer Experience / ASA Registration
5. Click the Summer Experience (SE) REGISTRATION box
6. Click the link to begin a NEW 2020 SE Registration
7. Complete student biographical and medical information
8. Select classes
9. Pay online and submit registration

If you have questions or need assistance, please contact the Summer Experience office at Summer_Experience@columbusacademy.org or (614) 509-2267.

Please note that registration is not complete until payment is received. Submitting classes without payment does not reserve space in a class.

PARENT/GUARDIAN AUTHORIZATION AND RELEASE

Yes No I permit *Columbus Academy* to use, in whole or in part, photographs of my child in school communications.

• I authorize my child to participate in the *Columbus Academy Summer Experience*. I release and forever discharge Columbus Academy and its trustees, employees, agents, their heirs, successors and assigns, either jointly or severally, from any and all claims, damages, obligations, causes of action or suits, resulting from bodily injury to my child or damage to or loss of my child's property arising from participation in this program and any travel related thereto.

• To the best of my knowledge, the above child is physically fit and in good health. I understand that all standard safety measures will be taken. I do not hold *Columbus Academy Summer Experience* or its staff liable for illness or accident.

• In case of emergency, if parents, emergency contact person, or child's physician cannot be reached by phone, I authorize *Columbus Academy* to arrange for emergency medical treatment inclusive of surgical intervention for my child, and I agree to assume liability for any medical expenses incurred.

PRE-KINDERGARTEN

(AGES 3-5 fully potty trained)

PRE-K GENERAL INFORMATION

Faculty, Staff and Sr. Counselors

CA Summer Experience employs current CA Faculty and Staff members as well as highly qualified outside sources as teachers of the Summer Experience programs. Sr. Counselors are typically local college students who have been hired after an extensive interview and training process. Sr. Counselors are assigned to camps each week and will accompany your child all day during their respective camp. CA Summer Experience also employs ample administrative staff to support daily programming.

Communication

Upon registration with full payment, you should receive a confirmation email from Summer_Experience@columbusacademy.org with your child's class schedule and additional information. You can expect communication via email from your child's teacher the Friday prior to camp starting and the Wednesday during the respective camp week. If registration is received late, there may be a delay in this communication.

Facilities

A majority of programs are held on CA's beautiful 231-acre campus that consists of a six-lane indoor pool, computer labs with iMac computers, nature trails, outdoor classroom space, low ropes elements, eight tennis courts, Schoedinger Theatre seating 538, two full-length gymnasiums, a weight room, a ceramics studio, five art studios, three libraries, five playgrounds, eight science labs, four soccer fields, two turf fields, an all-weather track, a full service dining hall, three music rooms, and two baseball fields. The campus may be accessed from the West on Cherry Bottom Road or from the East via Beecher Road off of Hamilton Road. (Please refer to the campus map on the inside of the back cover.)

Field Trip and Off-Site Transportation

Columbus Academy utilizes school bus rental as a means of transportation for field trips and off-site programs. All drivers have proof of credentials and background checks. CA also has a fleet of 7 passenger vans that will be used for smaller traveling groups. All drivers are employees of Columbus Academy and are van-certified.

Extended Care Programs

Available on a pre-registration or drop-in basis, Before Care and After Care are held from 7:00 am to 8:30 am and 4:00 pm to 6:00 pm, respectively. Before Care offers a variety of quiet activities for your child as he or she gets ready for the day. After Care features exciting themed activities, outdoor play, and snack time, as well as quiet places for children to explore and reflect on the experiences they have had at CA. **Parents MUST pick up their children from After Care by 6:00 pm. Parents that do not pick up their children by the end of After Care will be charged \$1.00 per minute beyond 6:00 pm.** If Before or After Care are not needed for the full week, proration is available by contacting our office at (614) 509-2267. Please understand there can be no proration for the combo pricing.

Before Care	\$50 per week	\$10 per day
After Care	\$62.50 per week	\$12.50 per day
Before and After Care Combo	\$85 per week	5 day option only

Before / After Care is best accessed by parking in the Academy Hall Parking Circle near the main entrance to the school. Follow the **ORANGE** signage into the Theatre entrance of the Lower School to the Before / After Care room.

Parents must come into the After Care room and provide a photo ID to sign out their child each day.

Lunch

Lunch is provided by Columbus Academy's Dining Service for Pre-K Half +Plus and Full Day programs for all sessions. Pre-K students eat lunch in a Pre-K friendly dining room within CA's Dining Hall and are served an assortment of offerings including a hot main dish with two sides, vegetarian options and salad in a family style setting. We do our best to accommodate all dietary requests / restrictions. Please contact our office if you have additional questions related to dietary concerns. Children are welcome to pack a lunch if they wish, but the lunch must be peanut and tree nut free.

Allergy Policy: Columbus Academy Summer Experience is peanut and tree nut free.

Daily Drop-off/Pick-up

There will be signage all around campus to help direct parking, as well as a color coded system to follow from the parking areas to help guide you to the correct entrance. Please see the CA campus map on the inside of the back cover for general parking information. Pre-K will follow the **YELLOW** signage.

Drop-off for Pre-K (ages 3-5) is at 8:30 am in the lobby entrance of the Lower School. Pre-K parents or guardians should follow campus signage to the Pre-K parking area (Academy Hall Parking Loop) and escort children into the building to meet with their class. There will be CA Staff available to help parents and students get to their drop-off areas. **Any student who arrives prior to 8:30 am and is not accompanied by an adult will be escorted to Before Care and charged the daily rate of \$10.**

Pick-up for the Half Day program is 11:30 am. If your child is participating in the Half +Plus program, he or she will continue with the program until 1:30 pm. If your child is participating in the Full Day program, he or she will continue with the program until 4:00 pm. All Pre-K pick-up times will be in the Pre-K classrooms. **Parents or guardians will need to come into the classroom and provide a photo ID to sign children out.** If someone other than a parent / guardian will be picking up your child, and you have not completed an authorized pick up list, please notify a staff member during drop-off. If your child is not picked up by 4:15 pm, he or she will be taken to After Care, at which time you will be charged the daily rate of \$12.50.

Late Drop-off/Early Pick-up

If it is necessary to drop off or pick up your child at any time other than the designated camp times, the Operations Lead is available to help with these transitions. If you know this information ahead of time, you may discuss with your child's teacher to make any necessary arrangements. You may also contact the Operations Lead any time during camp hours at 614-653-3117 to arrange a pick-up or drop-off.

Electronics Policy

With the increase in the technology around us, electronics are no longer prohibited at camp; however, we expect that these devices be put away unless specifically required for a camp or in the case of an emergency.

Discipline Action Plan and Termination

Attendees who are found to bully or harass others will generally be subject to serious disciplinary action, including prohibition from further attendance. CA Summer Experience reserves the right to remove any camper from our program for disciplinary reasons. If a child is removed for disciplinary reasons, there will be no refund.

PRE-K PROGRAM DAILY DETAILS

Calling all 3 to 5-year-olds! Are you fully potty trained? Do you want to have fun in the sun this summer? Are you interested in storybooks and things that crawl? Do you want to do it all? Join our expert teachers on a wild adventure throughout the summer at Columbus Academy's Pre-K Summer Experience.

The Pre-K program activities are based on weekly themes. Special guests, arts and crafts, science, games, outdoor education, creative movement, and story time are used to express those themes. Children are encouraged to discover and develop their academic, creative, and social skills at their own pace. Opportunities for active and experiential learning are offered each day through child-initiated and teacher-directed activities in order to assist children in their intellectual, physical, social, and emotional development. We are committed to creating an enriching environment where children are in the continuous process of development based on their individual ability, readiness, and interest. Our emphasis is on play and having fun.

A Pre-K camper's day starts at 8:30 am and programming lasts until 11:30 am, which completes the Half Day option of Pre-K. Should you choose to stay for Half +Plus, you will continue on to lunch and themed activities until 1:30 pm. Should you choose to stay for Full Day, you will continue on to lunch, rest time, and additional Pre-K programming until 4:00 pm. If needed, Before Care is available from 7:00 am to 8:30 am and After Care is available from 4:00-6:00 pm. Campers have the choice of joining us for two, three, or five-day weekly sessions. Your child's experience will focus on the importance of self-confidence and play in a child's life. The activities reflect this each day as your child joins in the fun of cooperative play with others in an environment that promotes a confident and positive attitude.

Snacks are provided each morning and afternoon. The dress is casual: a t-shirt, shorts, and tennis shoes are recommended. Swimming suits are needed for sprinkler days. Please check the Pre-K newsletter and signage on the Pre-K doors to note when sprinkler day will be each week of camp as it can vary based on weather conditions. **Please send an extra outfit in a resealable bag with each camper on the first day of camp.**

Pre-K Summer Experience Staff

AM Coordinator: Debbie Newman

PM Coordinator: Tim Byrer

The Columbus Academy Pre-K staff consists of experienced classroom teachers and senior counselors. A maximum ratio of 6:1 is maintained, with a limit of twenty students per section.

CA defines potty trained as:

1. No longer in training pants/pull ups while awake or asleep (with the exception of medical conditions).
2. Using the toilet for both urination and bowel movements.
3. Able to wipe him/herself after using the toilet.
4. Able to tell the teachers that he/she needs to use the restroom before-hand.

Special Features

Pre-K Special Features are offered Session 1. These camps are modeled after our Lower School programs and offer Pre-K campers the opportunity to experience specialty programming. See page 14 for more details on Special Features.

Session 2 - Nature and Sunbury Urban Farm

In addition to our regular CA Pre-K staff and curriculum, students of Session 2 will spend time each morning at the Crane Outdoor Learning Center with special visitors from Sunbury Urban Farm. To make a full day schedule, students can attend PM Programming instructed by Columbus Academy Pre-K Staff.

THEMED WEEKS

Session 1	June 2 – June 5*	Special Features
Session 2	June 8 – June 12	Nature and Sunbury Urban Farm
Session 3	June 15 – June 19	Bugs
Session 4	June 22 – June 26	Dinosaurs
Session 5	June 29 – July 2*	Around the World
Session 6	July 6 – July 10	Space
Session 7	July 13 – July 17	Sports Galore
Session 8	July 20 – July 24	Superheroes
Session 9	July 27 – July 31	Storybook Characters

*Please note: There is no camp on Monday, June 1st or Friday, July 3rd.

DAILY SCHEDULE

	Before Care	7:00 am – 8:30 am
Pre-K Half Day	AM Programming	8:30 am – 11:30 am
Pre-K Half +Plus	Lunch	11:30 am – 12:30 pm
	PK Programming	12:30 pm – 1:30 pm
Pre-K Full Day	Lunch	11:30 am – 12:30 pm
	Songs and Story Time	12:30 pm – 1:00 pm
	Flexible Nap Time	1:00 pm – 1:30 pm
	PM Programming	1:30 pm – 4:00 pm
	Aftercare	4:00 pm – 6:00 pm

Special Features: Session 1

Drop-off for the Pre-K Special Features programs is at 8:30 am at the Schoedinger Theatre entrance/lobby. Children should be escorted into the school to meet with their classes. Pick-up for these Half Day programs is at 11:30 am at the entrance of the Schoedinger Theatre, unless your child is participating in the Half +Plus or Full Day program. For more information on drop-off and pick-up, please see the Pre-K General Information on page 12.

Art Safari

3 to 5-year-olds | Session 1 (T-F)

Instructor: Little Scholars Staff

Mornings (8:30a-11:30a) \$190

Grab your binoculars because we are going to take a safari around the world! We will visit different countries each day and learn about native animals through literature, games and art. Discover the thrill of exploration without leaving camp!

Camp COSI on Wheels: Step Into Science

3 to 5-year-olds | Session 1 (T-F)

Instructor: COSI Staff

Mornings (8:30a-11:30a) \$190

Step into the shoes of a new kind of scientist each day in this special Camp COSI on Wheels program designed just for early learners! Each day, learners will become engineers, zoologists, meteorologists, physicians, or physicists to explore the world around them! With hands-on activities, amazing group demonstrations, and read-alouds to bring it all together, this high-energy science camp will have your learners seeing science all around them all summer long!

Fun Fair Foods

3 to 5-year-olds | Session 1 (T-F)

Instructor: Young Chefs Academy Staff

Mornings (8:30a-11:30a) \$190

Step right up for the greatest camp of the summer! Our little campers will spend their days cooking yummy foods and creating their very own fair themed games and crafts.

Olympic Days Team USA

3 to 5-year-olds | Session 1 (T-F)

Instructor: JumpBunch Staff

Mornings (8:30a-11:30a) \$190

2020 is an Olympic year and it's time for us to get in the action! In this highly active program, children will learn and participate in various Olympic sports and fitness activities. In addition, coaches will lead fun and enriching activities such as language, geography, history, and sport traditions from around the Olympic World. Citius, altius, fortius!

ONLINE REGISTRATION

You can...

- Filter classes by grade, program title, or session
- View real-time class availability
- Pay by credit card or e-check

STEP-BY-STEP

1. Visit www.columbusacademy.org/summer
2. Click online registration
3. Create and/or sign in to your My BackPack account
4. Click Summer Experience / ASA Registration
5. Click the Summer Experience (SE) REGISTRATION box
6. Click the link to begin a NEW 2020 SE Registration
7. Complete student biographical and medical information
8. Select classes
9. Pay online and submit registration

If you have questions or need assistance, please contact the Summer Experience office at Summer_Experience@columbusacademy.org or (614) 509-2267.

Please note that registration is not complete until payment is received. Submitting classes without payment does not reserve space in a class.

PARENT/GUARDIAN AUTHORIZATION AND RELEASE

Yes No I permit *Columbus Academy* to use, in whole or in part, photographs of my child in school communications.

• I authorize my child to participate in the *Columbus Academy Summer Experience*. I release and forever discharge *Columbus Academy* and its trustees, employees, agents, their heirs, successors and assigns, either jointly or severally, from any and all claims, damages, obligations, causes of action or suits, resulting from bodily injury to my child or damage to or loss of my child's property arising from participation in this program and any travel related thereto.

• To the best of my knowledge, the above child is physically fit and in good health. I understand that all standard safety measures will be taken. I do not hold *Columbus Academy Summer Experience* or its staff liable for illness or accident.

• In case of emergency, if parents, emergency contact person, or child's physician cannot be reached by phone, I authorize *Columbus Academy* to arrange for emergency medical treatment inclusive of surgical intervention for my child, and I agree to assume liability for any medical expenses incurred.

Signature (required) _____ **Date** _____

REGISTRATION DEADLINES AND FEE ASSESSMENT

Registration is not complete until payment is received. All fees are due at the time of registration. Deadlines are May 15, 2020, for sessions 1 through 5 and June 19, 2020, for sessions 6 through 9. Cancellations or changes made prior to the appropriate deadline will incur no penalty and will be refunded in full. Cancellations made after the deadline will be refunded at 25% of the program fee. If a cancellation is made after the camp's start date, there will be no refund issued. If you do not notify us and your child does not attend, you will be subject to our no-show policy in which no refund will be issued. If late registrations are received after the deadline, camp fees increase by 10%. Changes to schedules made after the deadline will be charged a non-refundable fee of \$25 per child plus any difference in camp fees. **Please note: Registration closes Friday at 12pm for the following week's camp session.**

LOWER SCHOOL (GRADES K-5)

LOWER SCHOOL GENERAL INFORMATION

Faculty, Staff and Sr. Counselors

CA Summer Experience employs current CA Faculty and Staff members as well as highly qualified outside sources as teachers of the Summer Experience programs. Sr. Counselors are typically local college students who have been hired after an extensive interview and training process. Sr. Counselors are assigned to camps each week and will accompany your child all day during their respective camp. CA Summer Experience also employs ample administrative staff to support daily programming.

Communication

Upon registration with full payment, you should receive a confirmation email from Summer_Experience@columbusacademy.org with your child's class schedule and additional information. You can expect communication via email from your child's teacher the Friday prior to camp starting and the Wednesday during the respective camp week. If registration is received late, there may be a delay in this communication.

Facilities

A majority of programs are held on CA's beautiful 231-acre campus that consists of a six-lane indoor pool, computer labs with iMac computers, nature trails, outdoor classroom space, low ropes elements, eight tennis courts, Schoedinger Theatre seating 538, two full-length gymnasiums, a weight room, a ceramics studio, five art studios, three libraries, five playgrounds, eight science labs, four soccer fields, two turf fields, an all-weather track, a full service dining hall, three music rooms, and two baseball fields. The campus may be accessed from the West on Cherry Bottom Road or from the East via Beecher Road off of Hamilton Road. (Please refer to the campus map on the inside of the back cover.)

Field Trip and Off-Site Transportation

Columbus Academy utilizes school bus rental as a means of transportation for field trips and off-site programs. All drivers have proof of credentials and background checks. CA also has a fleet of 7 passenger vans that will be used for smaller traveling groups. All drivers are employees of Columbus Academy and are van-certified.

Lower School Sample Daily Schedule

Check-in	8:30 am	–	9:00 am
AM Themed Programming	9:00 am	–	11:30 am
Lunch Rotation (Lunch / Free Choice Activity)	11:30 am	–	1:30 pm
PM Themed Programming (continued)	1:30 pm	–	4:00 pm

Note- Lower School Half and Half +Plus options would end at 11:30 am and 1:30 pm respectively; see below for more details.

Half Day and Half +Plus Programs

Some programs offer a half day and half +plus option. Please see course listings for availability. Half day programs include the morning themed programming session from 9:00 am to 11:30 am. Half +plus programs include the morning themed programming from 9:00 am to 11:30 am PLUS lunch and free choice activity from 11:30 am to 1:30 pm. **Half day and half +plus programs cannot be combined with other half, or half +plus programs.**

Extended Care Programs

Available on a pre-registration or drop-in basis, Before Care and After Care are held from 7:00 am to 8:30 am and 4:00 pm to 6:00 pm, respectively.

Before Care offers a variety of quiet activities for your child as he or she gets ready for the day. After Care features exciting themed activities as well as quiet places for children to explore and reflect on the experiences they have had at CA. **Parents MUST pick up their children from After Care by 6:00 pm. Parents that do not pick up their children by the end of After Care will be charged \$1.00 per minute beyond 6:00 pm.** If Before or After Care are not needed for the full week, proration is available by contacting our office at (614) 509-2267. Please understand there can be no proration for the combo pricing.

Before Care	\$50 per week	\$10 per day
After Care	\$62.50 per week	\$12.50 per day
Before and After Care Combo	\$85 per week	5 day option only

Before / After Care is best accessed by parking in the Academy Hall Parking Circle near the main entrance to the school. Follow the **ORANGE** signage into the Theatre entrance of the Lower School to the Before / After Care room.

Parents must come into the After Care room and provide a photo ID to sign out their child each day.

Lunch

Lunch is provided by Columbus Academy's Dining Service for **most** of the programs and is built into the price of the camp. Most off-site camps require students to bring a lunch; please check individual course descriptions for lunch specifications. CA offers a hot main dish including vegetarian options, as well as a salad bar, pasta bar, and deli bar. We also do our best to accommodate all dietary requests / restrictions. Please contact our office if you have additional questions related to dietary concerns. Children are welcome to pack a lunch if they wish, but the lunch must be peanut and tree nut free.

Allergy Policy: Columbus Academy Summer Experience is peanut and tree nut free.

Daily Drop-off/Pick-up

There will be signage all around campus to help direct parking, as well as a color coded system to follow from the parking areas to help guide you to the correct entrance. Please see the CA campus map on the inside of the back cover for general parking information. Lower School will follow the **GREEN** signage.

Check-in for Lower School (rising K through 5th grade) programs is between 8:30 am and 9:00 am in a gym of the Athletic Complex. Lower School parents or guardians should follow campus signage to the Lower School parking area (Athletic Parking Lot) and escort children into the building no earlier than 8:30 am. There will be CA Staff available to help parents and students get to their check-in areas. Students will check-in directly with their Sr. Counselor inside the gym. **Any student who arrives prior to 8:30 am and is not accompanied by an adult will be escorted to Before Care and charged the daily rate of \$10.**

Pick-up is between 4:00 pm and 4:15 pm in a gym of the Athletic Complex. **Parents or guardians will need to come into the gym and provide a photo ID to sign children out.** If someone other than a parent / guardian will be picking up your child, and you have not completed an authorized pick up list, please see a staff member at drop-off. If your child is not picked up by 4:15 pm, he or she will be taken to After Care, at which time you will be charged the daily rate of \$12.50.

Late Drop-off/Early Pick-up

If it is necessary to drop off or pick up your child at any time other than the designated camp times, the Operations Lead is available to help with these transitions. If you know this information ahead of time, you may write it on the sheet provided at the Help Desk outside the gyms. You may also contact the Operations Lead any time during camp hours at 614-653-3117 to arrange a pick-up or drop-off. **Note: Early pick ups are not available after 3:30pm.**

Friday Showcase

Some of our camps perform in our weekly Friday Showcase to share their new skills or creations with their parents and fellow campers. All parents and families are welcome to attend. These shows are held in the Schoedinger Theatre and typically begin at 3:15 pm on Friday afternoons. Information regarding the Friday Showcase will be communicated via email and CA Summer Experience's Facebook page.

What to Wear/Bring

Campers should wear comfortable, weather-appropriate clothing and shoes, and should also consider bringing a bookbag, water bottle and sunscreen to camp each day. Please check the course descriptions to see if any other materials are needed for each individual program. If the student is planning to participate in free swim for their free choice activity, campers should also pack a bathing suit, towel and plastic bag for wet clothes. Should a child misplace an item, there will be a Lost & Found table located near the Athletic Complex lobby throughout the summer. Columbus Academy is not responsible for any lost personal items.

Free Choice Activity

Students participating in half +plus or full day programs on campus will have a free choice activity period before or after their lunchtime. Campers may choose from the following daily options: free swim, computer lab, outdoor free play, or quiet reading and crafting room. Children participating in the free swim option will need to bring a bathing suit and towel each day they wish to swim, along with a plastic bag for their wet clothes.

Electronics Policy

With the increase in the technology around us, electronics are no longer prohibited at camp; however, we expect that these devices be put away unless specifically required for a camp or in the case of an emergency. We have designated screen time during Before / After Care and free choice for those who wish to participate. Check-in/out in the gyms will be strictly enforced as "no device zones".

Discipline Action Plan and Termination

Attendees who are found to bully or harass others will generally be subject to serious disciplinary action, including prohibition from further attendance. Children will receive one warning and CA Summer Experience reserves the right to remove any camper from our program for disciplinary reasons. If a child is removed for disciplinary reasons, there will be no refund.

Important 2020 Policies

Based on parental feedback and continuous improvement efforts, please note the following Columbus Academy policies:

- Lower School students will check into the Mack Gym while Middle School students will check into the Jones Gym.
- A small amount of construction will take place on CA's campus throughout the summer. We appreciate your patience and flexibility during this time.
- The pool will not be available for Sessions 8 and 9 due to construction.
- Registration will close on Fridays at 12pm for the following week's camp session to ensure safety, proper preparation and a successful experience for all campers.
- Check-in / out in the gyms will be strictly enforced as "NO DEVICE ZONES" to foster an environment of building relationships and encouraging children to interact with each other, counselors and teachers.
- A security officer and an Operations Lead will be present in the Athletic Parking Lot to direct traffic and enforce parking drop-off procedures.
- Session 10 will **not** be offered for Summer Experience 2020.

SPORTS CLINICS

- Sports Clinics are joining forces with a Sports & More camp to offer a consistent full day option.
- Sports Clinics can **not** be paired with a camp other than Sports & More or another Sports Clinic to make a full day schedule.

FEES, CANCELLATIONS, REFUNDS AND DEADLINES POLICY

Course fees are located in the course descriptions and registration pages. Whether submitting a paper form or registering online, **registration is not complete until payment is received.** Cancellations or changes made prior to the appropriate deadline will incur no penalty and will be refunded in full. Cancellations made after the deadlines will be refunded at 25% of the program fee. Please understand that after these deadlines, we have made firm financial commitments to our faculty and staff, in addition to purchasing materials for the class. If a cancellation is made after the camp's start date, there will be no refund issued. If you do not notify us and your child does not attend, you will be subject to our no-show policy in which no refund will be issued. Changes made to schedules after the deadlines will be charged a non-refundable fee of \$25 per child plus any difference in camp fees. If late registrations are received after the deadlines, camp fees increase by 10%. All camps have a minimum enrollment that must be met in order to run. If we need to cancel a class due to low enrollment, the decision will be made two weeks prior to the start date. You will be notified via email with alternative camp options or to receive a full refund.

DEADLINES: May 15th for Sessions 1-5 and June 19th for Sessions 6-9

LOWER SCHOOL SUMMER EXPERIENCE

Programs are in alphabetical order and categorized by Academics, Arts & Sciences, and Athletics programming. The Lower School Registration Form is on page 37. Please note: "rising" indicates the grade your child will be entering in the 2020-2021 school year.

Academics

Computer Skills & Fun

Rising 2-4 | Session 9 | Instructor: Michelle Faciana
 Rising 3-5 | Session 3 | Instructor: Michelle Faciana
 Full (9a-4p) \$270 | Half +Plus (9a-1:30p) \$165 | Half (9a-11:30a) \$135
 Now is the time to play and create projects on the computer. Students will use their basic computer skills while exploring various educational and fun websites on the Internet and by using a variety of multimedia software. PowerPoint, Word, Pixie, Inspiration, and the Internet are only a few tools students will use in this class. More experienced students will be challenged to expand on their projects and activities. The emphasis will be on fun!
Students are required to bring in a personal flash drive to save their work from the week.

Favorite Childhood Stories

Rising K-2 | Session 7 | Instructor: Rusty Oates
 Full (9a-4p) \$270 | Half +Plus (9a-1:30p) \$165 | Half (9a-11:30a) \$135
 Reading has never been so much fun! Join us as we learn about some of the most famous childhood stories of all time. We will read, learn, play, create, and most importantly, HAVE FUN. Students will have the opportunity to engage with stories such as Winnie the Pooh, Dr. Seuss, Berenstain Bears, Clifford, How to Eat Fried Worms, Stuart Little, Disney, and more.

Fly with Chinese

Rising 1-5 | Session 5 (M-TH) | Instructor: Na Li
 Full (9a-4p) \$220 | Half +Plus (9a-1:30p) \$140 | Half (9a-11:30a) \$110
 Have you ever wondered what it would be like to know another language? Come fly with Chinese! In this four-day camp, we will learn how to greet people as well as ask and answer questions about name, age, zodiac, and family members in Chinese. In addition, we will experience Chinese culture and tradition through books, music, sports, clips of Chinese Kids' TV show, and hands-on activities such as Chinese calligraphy and painting.

FUNDamentally Social!

Rising K-2 | Session 1 (T-F) | Instructor: Alisha Porter
 Rising 3-5 | Session 5 (M-TH) | Instructor: Alisha Porter
 Full (9a-4p) \$220 | Half +Plus (9a-1:30p) \$140 | Half (9a-11:30a) \$110
 Come join us and learn the basics and more of what it takes to have a great SOCIAL experience. Do you enjoy playing games? Working as a team? Doing team-building activities? If so, this is the class for you! We work on all of these skills while creating memories and having FUN learning the FUNDamentals of LIFE!

If You Give a Child a Book

Rising K-2 | Session 4 | Instructor: Rusty Oates
 Full (9a-4p) \$270 | Half +Plus (9a-1:30p) \$165 | Half (9a-11:30a) \$135
 Watch books come alive! Come have fun with us as we explore the books of Laura Numeroff. Based on the similarly titled books, this camp will explore such selections as *If You Give a Mouse a Cookie*. We will do so much more than just read these intriguingly funny books. In the classroom, students will help to bring the stories to life. We will read stories, make crafts, make and eat yummy snacks, and play in the world that Numeroff has created.

Keyboarding

Rising 2-4 | Session 7 | Instructor: Michelle Faciana
 Rising 3-5 | Session 8 | Instructor: Michelle Faciana
 Full (9a-4p) \$270 | Half +Plus (9a-1:30p) \$165 | Half (9a-11:30a) \$135
 Type to Learn® 4: Agents of Information is a comprehensive, instructional keyboarding program that covers skills ranging from beginner to advanced students. This web-based program is built on a proven method of sequential skill-building instruction. The program uses 36-leveled lessons and includes a diagnostic pre-test, reviews, demonstrations, practice exercises and activities, and multiple formative assessments. We will explore free online typing games that students can play at home to practice on their own. We will also partake in a variety of creative writing activities that will utilize our typing skills. **Students are required to bring in a personal flash drive to save their work from the week.**

MathVenture

Rising 3-5 | Session 9 | Instructor: A Grade Ahead Staff
 Full (9a-4p) \$295 | No Half +Plus | No Half
 Matt the Magician successfully completed his journey to become a mathematician. Now he is ready for the next challenge--to compete at the annual math competition. Rising 3rd to 5th graders will be challenged as they compete individually and in groups to apply their mathematic skills. Students will see a variety of topics throughout the week including PEMDAS, decimals, fractions, 3D shapes, metric system, and so much more. Is your student ready to win the competition?

MathVenture Jr.

Rising 1-3 | Session 8 | Instructor: A Grade Ahead Staff
 Full (9a-4p) \$295 | No Half +Plus | No Half
 Help Matt the Magician become a mathematician! Rising 1st through 3rd graders will apply their math skills, along with learning some new ones, to assist Matt as he journeys around Math Island. But, alas, no journey is complete without obstacles! These obstacles will require students to apply their learning in fractions, time, money, graph, measurement, and so much more. Is your student ready to become a mathematician?

Poetry with Painting

Rising 3-5 | Session 6 | Instructor: Djuana Okotete
 Full (9a-4p) \$270 | No Half +Plus | No Half
 Join Poetry with Painting and allow your imagination to run wild. Each day, scholars will learn some of the many poetic devices of our language. These poetic devices will be explored in songs, the weather, emotions, and feelings. We will then transform our written expressions into creative artistic masterpieces. After each learning session, scholars will link their knowledge through script (writing a poem) and visuals (painting a connecting piece). Let the creativity begin!

Ready For K!

Rising K | Session 3 | Instructor: Leah Baughman
 Rising K | Session 8 | Instructor: April Mealick
 Full (9a-4p) \$270 | Half +Plus (9a-1:30p) \$165 | Half (9a-11:30a) \$135
 ABC's and 123's, come get ready for kindergarten with me! Join us while we review early kindergarten skills through engaging hands-on activities, center based learning, fun games and children's literature favorites. We will work on all the basic skills needed to enter kindergarten, both academic and social.

We will read, sing and play our way through letters, sounds, numbers and counting in this week of fun for your little learner!

S.P.A.R.K.

Rising 3-5 | Session 2 | Instructor: Davida Arnold
 Full (9a-4p) \$270 | Half +Plus (9a-1:30p) \$165 | Half (9a-11:30a) \$135
 Speaking to the Potential, Ability and Resilience inside every Kid; Get a jump on success for next school year through S.P.A.R.K.! Did you know that you already have potential and resilience within you to help you navigate more successfully through school and life? Through interactive lessons, we will tap into your creative intelligence, innate wisdom, and inner brilliance to help you maximize your personal potential, increase your confidence and self-esteem, improve your social skills, and connect more with your community!

Seuss in the Summer

Rising K-2 | Session 2 | Instructor: April Mealick
 Full (9a-4p) \$270 | Half +Plus (9a-1:30p) \$165 | Half (9a-11:30a) \$135
 Welcome to the wonderful world of Dr. Seuss! Students will love exploring Dr. Seuss's work while participating in a variety of Seuss themed activities. We will discover how the experiences of many Seuss characters teach important life lessons while also making crafts, playing games, getting messy with Oobleck and enjoying a few yummy Seuss snacks throughout the week. Join us, join us, we hope you do! This camp will be fun for me and you!

Spanish Basics

Rising K-4 | Session 6 | Instructor: Beatriz Callau Llopis
 Full (9a-4p) \$270 | Half +Plus (9a-1:30p) \$165 | Half (9a-11:30a) \$135
 In this camp, children will enjoy the opportunity of learning basic Spanish vocabulary and grammar while also discovering some Spanish traditions. Students will be led in this cultural experience by a native Spanish teacher, and they will have the chance to taste traditional Spanish meals. Spanish songs and children's games will round out this experience to help children learn and appreciate this culture.

Spanish Discovery

Rising 3-5 | Session 1 (T-F) | Instructor: Mackenzie Hanna
 Full (9a-4p) \$220 | Half +Plus (9a-1:30p) \$140 | Half (9a-11:30a) \$110
 Discover the Spanish language and the cultures around the world where Spanish is spoken! This class will present basic Spanish vocabulary and expressions through music, food, art, dance, and play.

Story Making

Rising 3-5 | Session 4 | Instructor: Michelle Faciana
 Full (9a-4p) \$270 | Half +Plus (9a-1:30p) \$165 | Half (9a-11:30a) \$135
 Get ready, get set, WRITE! Campers will develop stories, write poems, create MadLibs, and more. We will practice using parts of speech and writing mechanics, correctly. Our words will become completed works through constructing books, decorating posters, creating iMovies, developing comic strips, and more. This author is excited to see your creations!

Arts & Sciences

Arts & Sciences classes require dress for mess attire.

A World of Color

Rising 3-5 | Session 8 | Instructor: Amy Jackson
 Full (9a-4p) \$270 | Half +Plus (9a-1:30p) \$165 | Half (9a-11:30a) \$135
 Come explore the colorful world around us! Throughout the week, campers will create nature inspired art using a variety of mediums like collages, clay, watercolor, and mixed media. Students will also get a chance to "paint with all the colors of the wind" by creating some natural sculptures and fairy houses throughout Columbus Academy's campus.

Act Out Theater Camp

Rising K-3 | Session 1 (T-F) | Instructor: Mckenzie Vaughn
 Full (9a-4p) \$220 | Half +Plus (9a-1:30p) \$140 | Half (9a-11:30a) \$110
 In Act Out Theater Camp, students will learn how to have strong stage presence, great reading skills, improvisation skills, and character development. Students will immerse themselves in fun theatre games, concentration games, and interactive warm up activities. We will read the story book *The Very Hungry Caterpillar* and perform a theatrical rendition during the showcase at the end of the week! **Students should wear comfortable clothing and closed-toe shoes appropriate for moving and dancing. No sandals or flip flops please.**

Adventurous Explorers

Rising 1-5 | Session 5 (M-TH) | Instructor: Michelle Horne
 Full (9a-4p) \$400 | No Half +Plus | No Half
 Adventurous Explorers is an ideal combination of experiential learning, fun, and adventure. Rock climbing, hiking, canoeing, shelter building, and survival training make for an awesome four-day adventure. Participants are encouraged to get dirty and interact with the environment as they learn survival skills and gain knowledge and exposure to outdoor activities, wildlife, and bugs. No experience is required and all equipment and instruction are provided. **This program includes two off-site adventures of rock climbing and canoeing. Waivers are required for each participant for the sites we will visit and will be sent via email prior to the first day of camp. Students should come prepared for any weather, ready to perform the activities asked of them and be able to swim.**

All Things Disney

Rising K-2 | Session 8 | Instructor: Leah Baughman
 Full (9a-4p) \$270 | Half +Plus (9a-1:30p) \$165 | Half (9a-11:30a) \$135
 Step into the magical world of Disney! Throughout the week, we will spend time learning about the different lessons and morals in many different Disney films. We will explore the films through books, songs, games, crafts, and movie clips.

Amateur Animators

Rising 3-5 | Session 8 | Instructor: Cat Mailloux
 Full (9a-4p) \$280 | Half +Plus (9a-1:30p) \$170 | Half (9a-11:30a) \$140
 How are your favorite Pixar or Disney movies made? Do you have a knack for playing on iPads and iPhones? Come join us to demystify the movie

making process and harness modern technology to learn how to make your own animations using basic stop-motion construction techniques. Explore drawing, flip books, building with clay, and storytelling in this crash course on making things move. Celebrate at the end of the week in a film festival of animated shorts showcasing your creative and quirky animations.

Animation on iPhone and iPad

Rising 3-5 | Session 4 | Instructor: Bill Walker
Full (9a-4p) \$310 | No Half +Plus | No Half

This camp is an introduction to step animation using iPhones or iPads. We will write stories, build characters to animate, backgrounds to shoot against, and animate those characters to tell our stories. Each camper will make their own short animations as well as participate in making a longer group project. **Students are required to bring their own iPhone or iPad, purchase iMotion Pro from the app store before the first day of camp, and download the free iMovie app. It will also be helpful to download the free iMotion remote app.**

Aromatherapy 101

Rising 3-5 | Session 1 (T-F) | Instructor: Tera Stockdale
Full (9a-4p) \$230 | Half +Plus (9a-1:30p) \$145 | Half (9a-11:30a) \$115

Do you love different scents, how they make you feel, and the nostalgia they bring? If so, this camp is for you! We will spend our week learning about the benefits of aromatherapy and how to create luxury and therapeutic products using natural elements. We will learn about the different properties and notes of the scents and how to use them in creating candles, mists, skin+body care, bath/soaking salts, and natural air fresheners. Campers will leave smelling better than ever with lots of goodies to share.

Around the World

Rising K-4 | Session 5 (M-TH) | Instructor: Coral Lee Bishop
Full (9a-4p) \$220 | Half +Plus (9a-1:30p) \$140 | Half (9a-11:30a) \$110

Experience other countries and cultures around the world in games, stories, songs, tastes, and words - the sky is the limit! Learn all about the lives of children like you in other countries and try some of the things they love to do! Every day we will explore different places around the globe. Come prepared for an action-packed week of fun, learning and play!

Around the World in 80 Songs

Rising 2-4 | Session 3 | Instructor: Rusty Oates
Full (9a-4p) \$270 | Half +Plus (9a-1:30p) \$165 | Half (9a-11:30a) \$135

Travel around the world with music. The one thing every culture has in common is music! We will explore different countries and their musical styles. Get your passport ready as we learn about instruments, songs, and dances from different cultures.

Art and Nature

Rising 2-4 | Session 4 | Instructor: Angela Martin
Full (9a-4p) \$280 | Half +Plus (9a-1:30p) \$170 | Half (9a-11:30a) \$140

Come explore the wonders of nature and create art through a variety of natural mediums. Take time to commune with nature and plug into creative juices that flow through the veins of the leaves and the patterns of the flowers. Bring only your imagination and the outdoors will supply the rest. **Please note this is a mostly outdoor camp. Campers will explore the grounds at Columbus Academy and local parks, rain or shine. Children should come prepared with appropriate attire for the outdoors and daily weather conditions.**

BalletMet: Dance, Turn, Leap & Learn

Rising K-2 | Session 5 (M-TH) | Instructor: BalletMet Dance Academy Staff
Full (9a-4p) \$240 | No Half +Plus | No Half

Step onto the stage and inside the magic with BalletMet! We will combine fun and dance in this experiential based camp where students learn ballet, jazz, improv, and creative dance styles. Using games, props, costumes, and

arts and crafts, we will explore telling stories through movement with famous ballets, classic fairy tales, and original choreography. Dancers prepare to leap, twirl, and soar across the stage in a premiere performance you won't want to miss at the end of the week showcase.

Be a Designer

Rising 3-5 | Session 3 | Instructor: Helma Groot
Full (9a-4p) \$300 | No Half +Plus | No Half

In Be a Designer, you will make and design your own clothes. We will use new and recycled fabrics and clothes to create dazzling designs. You will learn to sew by hand and on the sewing machine. Those who already know how to sew will improve their amazing skills. We will also study pattern making and materials used in fashion design. You will have the choice to show off your fabulous designs in a fashion show during the Friday Showcase.

Beginning Acoustic Guitar: Play and Sing!

Rising 3-5 | Session 7 | Instructor: Bill Walker
Full (9a-4p) \$310 | No Half +Plus | No Half

Got a guitar, but haven't made much progress yet? This is the camp for you! Campers will learn basic chords, strumming and picking patterns, bass lines, and beginning blues solo playing. We will explore Disney tunes, traditional American folk songs, blues, and contemporary songs in a variety of styles as well as learn how to coordinate playing and singing. **Campers are required to bring their own acoustic (nylon or steel string) guitar.**

Beginning Disney Ukulele Plus!

Rising 3-5 | Session 6 | Instructor: Bill Walker
Full (9a-4p) \$310 | No Half +Plus | No Half

Join the ukulele craze! We will learn basic chords, melodies, strumming and picking patterns, bass lines, and beginning blues lead playing. Song material will include Disney tunes, traditional folk songs, blues, and contemporary songs. We will learn to coordinate playing and singing at the same time. By the end of the week, we will record everything on high quality digital recording equipment and produce an online album of our work. **Course fee includes cost of ukulele that students get to take home at the end of the week. If your child already owns a ukulele, a reduced course fee is available. Please contact our office for registration assistance.**

Broadway Bootcamp

Rising 2-5 | Session 4 | Instructor: Mckenzie Vaughn
Full (9a-4p) \$270 | Half +Plus (9a-1:30p) \$165 | Half (9a-11:30a) \$135

If you want to sing, dance, design costumes and set pieces, and become a stage star, Broadway Bootcamp is the place for you! In the course of a week, students will learn 2-3 songs from a popular Broadway show. This season will be *The Little Mermaid*! Our day will begin by singing through our music and learning lines. Then we will learn choreography to go along with the music. By mid-week, students will organize and design their costumes along

with specific props for the show. All of this will be done in preparation for the Friday Showcase! We hope to see you in Broadway Bootcamp this summer!
Students should wear comfortable clothing and closed-toe shoes appropriate for moving and dancing. No sandals or flip flops please.

Bucket Drumming 101

Rising 3-5 | Session 2 | Instructor: Rusty Oates
 Full (9a-4p) \$270 | Half +Plus (9a-1:30p) \$165 | Half (9a-11:30a) \$135
 Come learn to turn household items into musical instruments! Bucket drumming, also called street drumming, is a style of music which involves drumming on plastic buckets and other objects to create melodies. The most common object used by bucket drummers are five-gallon plastic buckets, but other objects can be used, including glass bottles, pots, and pans. We will learn drumming techniques, rhythms, and learn how to turn just about anything into a musical opportunity. This camp can't be BEAT!

Building and Exploring with STEM

Rising K-2 | Session 6 | Instructor: Leah Baughman
 Full (9a-4p) \$270 | Half +Plus (9a-1:30p) \$165 | Half (9a-11:30a) \$135
 Build, play, and explore! This camp is all about hands-on engineering experiences. Children will have the opportunity to free build, build in response to a prompt, and build to solve different problems. Creative juices will be flowing throughout the week as students build with Legos, brain flakes, Magna-tiles, and more natural resources like sticks, rocks, and mud!

Camp COSI on Wheels: Become the Scientist!

Rising K-4 | Session 8, 9 | Instructor: COSI Staff
 Full (9a-4p) \$320 | No Half +Plus | No Half
 Question, touch, build, create, and learn with Camp COSI on Wheels! In this spectacularly scientific summer camp, you'll step into the shoes of a new kind of scientist each day, with reinvented activities and two entirely new career days for 2020! Launch into space one day, then explore dinosaurs the next... from the science of living things to the engineering design process! Camp COSI is presented by COSI on Wheels Educators, so it's always electric, always exciting, and always hands-on!

Camp COSI on Wheels: Superhero Science

Rising 3-5 | Session 2 | Instructor: COSI Staff
 Full (9a-4p) \$320 | No Half +Plus | No Half
 It's a bird! It's a plane! Nah, it's Super-Science! Come prepared for your superhero training by using science to bring "impossible" super powers to life! Learn to levitate, create weather, and even fly!

Camp Invention®

Rising K-4 | Session 6 | Instructor: Robert Krum
 Full (9a-4p) \$320 | No Half +Plus | No Half
 In partnership with the National Inventors Hall of Fame® (NIHF), Columbus Academy is pleased to offer the nationally acclaimed Camp Invention® program. Imaginations will soar this summer in the all-new program theme, Elevate! Campers will spark their creativity and build collaboration skills while controlling their very own flight simulation robot, protecting Earth's ecosystems, designing the ultimate sports complex and learning the value of their ideas! After a week of experimenting, collaborating and creating each camper will get to take home their very own customizable LINK robot! Local educators will lead fun, hands-on STEM activities inspiring children to ask questions, overcome obstacles and be confident in their innovative ideas.

Carnival Cooking and Fun!

Rising K-4 | Session 4 | Instructor: Young Chefs Academy Staff
 Full (9a-4p) \$310 | No Half +Plus | No Half
 Step right up for the greatest camp of the summer! We'll spend our days creating carnival foods like baked funnel cakes, fair fries, corn dogs, lemonade shake ups, and other yummy carnival creations. We will also plan,

design and create our very own carnival games and decorations. On Friday, campers will attend the carnival that they created. They will play games, eat food, receive prizes, and more!

Celebrate Everything

Rising K-4 | Session 3 | Instructor: Jessica Espasandin
 Full (9a-4p) \$270 | Half +Plus (9a-1:30p) \$165 | Half (9a-11:30a) \$135
 What did you do for Squirrel Appreciation Day this year? What about Pretzel Day? National Chocolate Cake Day? NOTHING? Well...forget what you know about holidays because you have never celebrated like this! Every day is cause for celebration! And celebrate we will with games, food, art, outdoor play... you name it! (And we just might learn something in the process!) There will be lots of cooking, eating, and art in this class, so dress for mess!

Chess Kings & Queens

Rising K-4 | Session 1 (T-F) | Instructor: Kyle Jones
 Rising 3-5 | Session 4 | Instructor: Kyle Jones
 1: Full (9a-4p) \$225 | Half +Plus (9a-1:30p) \$145 | Half (9a-11:30a) \$115
 4: Full (9a-4p) \$280 | Half +Plus (9a-1:30p) \$170 | Half (9a-11:30a) \$140
 Chess Kings and Queens provides students the opportunity to learn world champion strategies, basic tactical sequences, endgame patterns, and tournament rules and regulations. In addition, we will learn about the rich history of the game and the stories that have come before us. Each day students will participate in their very own tournament to be able to use skills and strategies they've been taught.

Chess Masters

Rising 3-5 | Session 9 | Instructor: Kyle Jones
 Full (9a-4p) \$280 | Half +Plus (9a-1:30p) \$170 | Half (9a-11:30a) \$140
 Chess Masters provides students with the most advanced curriculum to prepare them for tournament play. Students will be given the necessary tools to be able to create reasonable plans in complex positions. Campers will learn advanced tactical themes. Each day students will participate in our very own tournament to put their strategies to the test.

Clay Play!

Rising 3-5 | Session 6 | Instructor: Tera Stockdale
 Full (9a-4p) \$295 | No Half +Plus | No Half
 Have fun playing in the dirt! Clay Play students will create a variety of functional and decorative ceramic pieces through traditional and experimental techniques. We'll examine construction methods and get creative with everyday objects and natural items to create texture and patterns. Learn to silkscreen your bisque pieces for endless combinations of designs. Come join us as we put our hands in the mud while learning about the history and science of clay!

Craft Extravaganza

Rising 3-5 | Session 2 | Instructor: Jennifer McGinnis
 Full (9a-4p) \$295 | Half +Plus (9a-1:30p) \$180 | Half (9a-11:30a) \$150
 Craft Extravaganza is a great week of crafting. Students will create a variety of projects using many types of media. Some projects will include crayon melting, picture frames and painting on canvases. It will be a very fun week of crafting and being creative!

Create & Play: Masks & Puppets

Rising K-2 | Session 9 | Instructor: Columbus Children's Theatre Staff
 Full (9a-4p) \$295 | No Half +Plus | No Half
 Masks and puppets have long been part of the theatrical tradition and remain an important part of storytelling and theatrical artistry. Campers will work with CCT's teaching artists to create their own masks and puppets of various different styles to create characters and help tell a story. The group will work together in large and small teams to create our own stories using the masks and puppets created during the week. We will share our stories and crafts on the final day in a celebration of each camper's artistry and storytelling abilities!

Creating Your First iPhone/ iPad Mobile Game

Rising 2-5 | Session 6 | Instructor: CodeMonster Staff
 Full (9a-4p) \$420 | No Half +Plus | No Half
 Students will learn how to code and create their own computer games and animation on the iOS platform. Instead of playing games on the iPad, students can learn how to create their own games by dragging and dropping LEGO-styled blocks on the screen. This class will improve students' critical thinking, logic, and creativity. It teaches children to solve problems effectively. Campers will also focus on Algorithm and logic thinking using Pseudocoding, explore the advantage of reusable codes using functions, and improve their knowledge on technical jargon. **No prior knowledge of computer programming is required; however, students should know how to use touch to navigate around the screen.**

Dancing with the Stars

Rising 3-5 | Session 9 | Instructor: Inspiration to Movement Staff
 Full (9a-4p) \$300 | No Half +Plus | No Half
 Want to dance like the stars on TV? From the drama of the tango to the energy of the jive, ballroom and Latin dancing have taken the country by storm as millions tune in every week to see their favorite stars go head-to-head and toe-to-toe. During this energy-packed week, students will learn the steps, rhythms, and techniques of some of the most popular dances as seen on TV. Taught by a current professional ballroom dancer, this camp will also help to develop the presentation skills, partnering, and confidence necessary to be a champion. At the end of the week, students will present a Dancing with the Stars style formation on stage during the Friday Showcase. Whether your desire is to compete and perform or just gain confidence and coordination, this camp is for the dancer in you!

Digital Photography with iPhone or iPad

Rising 3-5 | Session 3 | Instructor: Bill Walker
 Full (9a-4p) \$310 | No Half +Plus | No Half
 Have fun taking better digital photos! Learn the basics of exposure, lighting, shutter speed, depth of field, composition, and contrast. We will take portraits, landscapes, panoramas, and documentary images and will explore editing in the device. We will also create slide shows with narration and

explore a bit of stop animation. **Students are required to bring their own iPad or iPhone and purchase two photo apps (under \$10 total) after the first day of camp. It will be important that students purchase those apps on Monday night as we will use them every day.**

Discover Ohio

Rising 2-5 | Session 9 | Instructors: Amanda Vesner and Johari Mitchell
 Full (9a-4p) \$550 | No Half +Plus | No Half
 Join us on an adventure across Ohio to discover our hidden treasures. In this class, we will travel each day to a "hot spot" that you will want to return to again and again. Rainforests? We've got them. Stingrays? You guessed it. We've got them, too! Roller coasters? Absolutely some of the best! This is a nonstop exploration of the best Ohio has to offer. **Students are required to pack a nut free lunch each day.**
 ☞ **This is a traveling/off-site program.**

Disney Adventures

Rising K-4 | Session 5 (M-TH) | Instructor: Columbus Children's Theatre Staff
 Full (9a-4p) \$240 | No Half +Plus | No Half
 All Disney fans are welcome to join CCT on this magical camp adventure! Campers will build the foundations of musical theatre through the songs of recent Disney favorites including Moana, Frozen and Frozen 2, Coco, and more! Each day will be an exploration of character work, choreography, and beginning vocal technique while preparing a performance to share on the last day of camp. Perfect for both those new to the stage and those with some experience, this camp will have something for anyone who is ready to build new skills and gain the confidence to sing "Let It Go!" or "Remember Me" on the stage!

Disney Royalty

Rising K-4 | Session 3 | Instructor: Amy Jackson
 Full (9a-4p) \$270 | Half +Plus (9a-1:30p) \$165 | Half (9a-11:30a) \$135
 Come explore our magical kingdom! Join us for a magical week as we highlight inspiring moments and qualities of several Disney princesses. Campers will learn about their own beautiful qualities by learning about their favorite Disney ladies from Snow White's kindness to Belle's intelligence and Tiana's perseverance. Campers will engage in a variety of crafts and activities, sing songs, and even complete a "fairy godmother" service project throughout the week. Campers will round out their week with a celebratory tea party on our last day. Our Columbus Academy royalty are encouraged to dress the part and are always expected to wear their invisible crown.

Drawing from Nature

Rising K-4 | Session 2 | Instructor: Cat Mailloux
 Full (9a-4p) \$280 | Half +Plus (9a-1:30p) \$170 | Half (9a-11:30a) \$140
 Calling all nature and art enthusiasts! Join this class to learn the basic skills of drawing and painting by immersing yourself in nature. Create a plant taxonomy and practice drawing like a botanical artist, learn about proportions, different types of shading, and develop your eye for detail. Learn how to use watercolor and acrylic paint by painting landscapes, using texture, perspective, and color theory techniques to make your paintings come to life. We will spend most of this class outside on CA's campus and visit a Metro Park to explore nature through drawing and painting first-hand.

Drawing Mindfully

Rising 3-5 | Session 4 | Instructor: Cat Mailloux
 Full (9a-4p) \$280 | Half +Plus (9a-1:30p) \$170 | Half (9a-11:30a) \$140
 Interested in drawing? Do you get frustrated when you can't make something look "good" or "realistic"? Join this drawing class to practice drawing as a way of relaxing, finding a quiet space in your day, and bringing your mind in tune with your body. In this class, students will participate in drawing activities using tracing, measuring, compasses, and grids to create abstract drawings that emphasize how the process of drawing is just as important as the finished product. Students will finish off the week with a large scale, collaborative chalk drawing.

Drone Dancing & Storyboard Synchronization

Rising 3-5 | Session 7 | Instructor: Droboots Company Staff
Full (9a-4p) \$425 | No Half +Plus | No Half

This unique program combines drone and robot technology with the visual arts. Modeled after the Droboots National Synchronized Dancing Drone Competition, this STEAM-focused camp offers creative, fun and engaging projects for participants of all interests and experience. No other camp offers such an exciting opportunity to combine and synchronize drones flying in the air with drones rolling on the ground. Throughout the week, campers will split time between both the Dancing Drone activity station and the Drone Storyboard activity station where they will work together in teams to build a portfolio of creative technology-based presentations. Campers will utilize autonomous programming and technology to unveil real-life stories and performances as the drones and robots interact with one another and assume certain character roles within the story. It's time to create a technology masterpiece with a narrative that includes: drones, robots, design, music, drawing, coding, and then share your final presentation with your family and friends.

Eco-Explorers

Rising 3-5 | Session 6 | Instructor: A Grade Ahead Staff
Full (9a-4p) \$295 | Half +Plus (9a-1:30p) \$180 | Half (9a-11:30a) \$150

Hop in our Jeep or submarine and explore with us! Students will examine different ecosystems and how animals behave and interact with one another. Through project-based learning and activities, our student-centered curriculum will make biology fun and understandable.

Egyptian Dig: Buried Treasure Discovery

Rising K-4 | Session 6 | Instructor: Funtastic Workshops Staff
Full (9a-4p) \$320 | No Half +Plus | No Half

Discover the amazing science of Archaeology as you uncover ancient artifacts and learn about Egyptian life. Using tools like real archaeologists use, we will find the following artifacts: a scarab (...what's that?), hieroglyphic tablet, ankh symbol, and a jackal. The artifacts and informational booklet are yours to keep. We will wet the sand that we dig into and create one of two sand sculptures for display. You can make a pyramid as well as a sphinx. Let's go back in time with a hands-on archaeological experience!

EZ Magic

Rising K-4 | Session 1 (T-F) | Instructor: Carroll Baker
Full (9a-4p) \$245 | No Half +Plus | No Half

Children of all ages love magic, and they really love learning and performing it! Carroll Baker's classes are a great way for your child to have fun learning to become an amazing magician, performer, and presenter. Beyond the entertainment value, magic helps improve digital dexterity, coordination, visual perception, spatial relationships, critical thinking, creativity, public speaking skills, self-confidence, and imagination. This camp will focus on magic for small hands with objects such as cards, ropes and other objects. On the last day of camp, we will take a field trip to the local magic shop and perform on stage in the Friday Showcase.

Fairy Ways

Rising K-4 | Session 6 | Instructor: Amy Jackson
Full (9a-4p) \$270 | Half +Plus (9a-1:30p) \$165 | Half (9a-11:30a) \$135
Roald Dahl once said "Those who don't believe in magic will never find it." In this camp, we will focus on finding magic in nature through the eyes of the nymphs, pixies, and fairies. Between nature walks, fairy houses, pixie crafts, and stories, campers will expand their imagination as they discover the natural world around them. After exploring the Crane Outdoor Learning Center for 4 days, students will take a field trip to the Inniswoods Metro Garden to visit fairies from another land. **Students are required to wear closed-toe shoes and are encouraged to bring jackets, bug spray, and an open imagination.**

Food for a Healthy Life

Rising K-4 | Session 5 (M-TH) | Instructor: Chef Beckham
Full (9a-4p) \$220 | Half +Plus (9a-1:30p) \$140 | Half (9a-11:30a) \$110

Our goal during camp is to be the catalyst for students to discover their love for food through a fun, easy, hands-on learning experience. We will offer a unique approach of teaching that will hopefully lead each student to a healthy life. Each day students will be able to not only use their imagination, but actually touch feel and taste their way to understanding healthy eating.

Fusion Bead Fun

Rising K-2 | Session 1 (T-F) | Instructor: Jared Circle
Full (9a-4p) \$230 | Half +Plus (9a-1:30p) \$145 | Half (9a-11:30a) \$115

Your child will unlock their creativity, develop focus, and improve fine motor control while they have a great time making their favorite characters, animals, and shapes come to life! Your camper will make pre-formed patterns, creative designs, 3D stacking patterns, and even spend a day using the apps to convert any image to a fusion bead pattern. You will get to see the results of their work everyday as they bring home new and different creations from our camp. Students will make individual projects that we will auction on Friday with proceeds going to the Licking County Food Network in care of Jared Circle.

Galaxy Cooking: May the Food Be with You!

Rising K-4 | Session 6 | Instructor: Young Chefs Academy Staff
Full (9a-4p) \$310 | No Half +Plus | No Half

We're traveling to a galaxy far, far away for inspiration for this fun cooking camp! We'll create recipes inspired by Star Wars including Yoda Sodas, Tie Fighter Ties, Darth Taters, and Bantha Burgers. There will be a variety of crafts and games to encompass a whole lot of fun for this galactic camp!

Games Throughout History

Rising 3-5 | Session 5 (M-TH) | Instructor: Amanda Vesner
Full (9a-4p) \$220 | Half +Plus (9a-1:30p) \$140 | Half (9a-11:30a) \$110

Have you ever wondered how board games and card games were invented? What about where they came from? If so, this is the camp for you! During the week, we will explore the history and learn how to play the games Go, Mahjong, Backgammon, and Rummy just to name a few.

Getting CRICUT with it!

Rising 3-5 | Session 3 | Instructor: Alisha Porter
Full (9a-4p) \$285 | Half +Plus (9a-1:30p) \$175 | Half (9a-11:30a) \$145
Do you like to create your own fashion? Do you have a design in mind, but not sure where to find it? Do you want to make your own t-shirt or stickers? Join us and learn how to do just that! **Cricut machine will be provided for students to use during camp.**

Global Cultures

Rising 1-3 | Session 9 | Instructor: Hannah O'Malley
Full (9a-4p) \$270 | Half +Plus (9a-1:30p) \$165 | Half (9a-11:30a) \$135
Travel the world this summer at camp! In this program, we will focus on

different countries; learning about their history and culture as well as their art, food, customs, languages. Expand your mind and your experience to see the beauty of our world and the possibilities that open up by traveling and learning more about it!

Graphical Robotics Jr. Programming

Rising 3-5 | Session 8 | Instructor: CodeMonster Staff

Full (9a-4p) \$420 | No Half +Plus | No Half

Robotics programming is NOT only for big kids! Younger students can build and code a robot as well. In this class, campers will build a simple robotic rover with fewer parts and program it with graphical lego-styled blocks. Students will be able to bring home a fully working robotic rover at the end of the week.

Gym Skills: Hip Hop

Rising 2-4 | Session 7 | Instructor: Gym Skills Staff

Full (9a-4p) \$295 | Half +Plus (9a-1:30p) \$180 | Half (9a-11:30a) \$150

Come join Gym Skills for a fun and upbeat hip hop program! Throughout the week, students will learn everything from the history of the hip hop culture to a variety of dance styles such as breaking, popping/locking, and krumping to help with rhythm and coordination. Dancers will perform individually and in groups. Students will be taught choreographed routines to be performed in the Friday Showcase!

Harry Potter's Care of Magical Creatures

Rising K-4 | Session 4 | Instructors: Sarah Dove and Ryann Patrus

Full (9a-4p) \$270 | Half +Plus (9a-1:30p) \$165 | Half (9a-11:30a) \$135

Have you ever found yourself wishing that you could be in the wizarding world of Harry Potter? Look no further! In this camp, students will be taking a closer look at the Harry Potter books, and the recent Fantastic Beasts films in order to learn more about its fantastical creatures and examine other popular stories that share similarities with this magical world. Campers will learn about magical creature care, and think about how the issues surrounding the treatment of magical creatures can also be seen with the animals that we see in the world around us. By doing this, campers will be encouraged to explore themes such as compassion, bravery, unity, and determination. As we focus on specific "creatures-of-the-day", we will take a look at the books, films, crafts, games, and much more that might be found inside the world of Harry Potter!

Helping Hands: The Great Bake Sale!

Rising 3-5 | Session 2 | Instructor: Young Chefs Academy Staff

Full (9a-4p) \$310 | No Half +Plus | No Half

It's time to bake for a cause! We'll spend the week preparing for The Great Bake Sale featuring sweets like cookies and cakes, along with savory surprises. Campers will learn entrepreneurship by designing their own flyers, banners, menus, and determining their own prices. The final bake sale will be held on Friday with all proceeds being donated to the Sickle Cell Alliance Foundation in care of Young Chefs Academy. We'll have our cake and eat it too, all while giving back to a very worthy cause!

Historical Kids

Rising 2-4 | Session 3 | Instructor: Angela Martin

Full (9a-4p) \$280 | Half +Plus (9a-1:30p) \$170 | Half (9a-11:30a) \$140

Join us as we travel through American history with some of the most beloved characters in the American Girl series. We will step back in time and explore important periods of our country such as the Civil War, The Great Depression, the Civil Rights movement, and more with beloved characters like Kit Kittredge, Addy Walker, Melody Ellison, and others. We will make history fun as we make crafts and share our own stories of challenge and success. The highlight of the week will be the creation of our own story together of an American Girl from modern recent time.

Hogwarts Summer Satellite

Rising 2-4 | Session 2 | Instructor: Michelle Schroeder-Lowrey

Full (9a-4p) \$280 | Half +Plus (9a-1:30p) \$170 | Half (9a-11:30a) \$140

By order of the headmaster of the Hogwarts School of Witchcraft and Wizardry, we are pleased to offer the Hogwarts Summer Satellite School for Gifted Muggles. All fundamental OWL pursuits are covered in this intensive summer program: Herbology, Care of Magical Creatures, Transfiguration, Potions, Divination, and Defense Against Dark Arts. All muggles will learn the joys of Quidditch - no previous experience required. Look for Bleacher 9 3/4 at the appropriate time.

Hovercraft- Design Your Own Vehicle- Egg Drop Car

Rising K-4 | Session 7 | Instructor: Funtastic Workshops Staff

Full (9a-4p) \$320 | No Half +Plus | No Half

Are you ready to design and build things that you create -- not just a model you purchase? Build and keep an air powered Hovercraft. Build and take home your own supercar powered by more than one source of energy and an awesome Egg Drop Car. Bring your creativity and ingenuity. Throughout this workshop, you will learn about Laws of Motion, Energy, Air Pressure, Friction, Lift, Speed and Acceleration. You are never too young to learn and have fun in a Funtastic, hands-on way.

Inspired to Move

Rising K-2 | Session 8 | Instructor: Inspiration to Movement Staff

Full (9a-4p) \$300 | No Half +Plus | No Half

It's time to get moving! Join the professional dancers of Inspiration to Movement Studio on an integrative movement experience like no other. Students will develop strength, flexibility, and body awareness while gaining experience in how to use these skills expressively to music. They will explore these concepts through structured practice and improvisation with traveling and stationary movement from ballet, jazz, ballroom, and modern dance, which they will then present in the Friday Showcase. Each student will receive a limited edition t-shirt with participation.

Interpretive Dance

Rising 3-5 | Session 4 | Instructor: Kathy Mendenhall

Full (9a-4p) \$280 | No Half +Plus | No Half

Interpretive Dance is an energetic and creative class that blends ballet, modern, lyrical, jazz, and some sign language. Blending these dance forms causes a uniqueness that speaks to each child differently. They are encouraged to flow, within a framework, the way their bodies interpret what they feel, hear, and see with the musical pieces. As we dance and create together, each day brings a special unity, fluidity, and passion that is hard to put into words, but its beauty can be felt and seen. It is truly a great experience! **Students are required to wear comfortable clothing that allows for free movement and ballet shoes.**

Japanese Ceramics, Art, Culture, and Raku

Rising 3-5 | Session 3 | Instructors: Coral Lee Bishop and Tera Stockdale

Full (9a-4p) \$295 | No Half +Plus | No Half

How did the samurai eat dinner? What is a tea ceremony really about? Learn the answer to these and other cool Japanese things of the past and present

through designing, decorating and making your own ceramic pieces! We will experience the culture of Japan through daily activities that bring to life ancient and modern Japanese traditions, foods and customs as we learn and create our own pieces of pottery. Students will create works that represent the Mingei crafts movement and will participate in a special Raku firing at the end of the week while learning about the language, traditions and characters connected to these ancient arts. Bring your o-hashhi (chopsticks) and join us as we explore the land of the rising sun!

Junior Drone Pilot Academy

Rising K-2 | Session 3 | Instructor: Drobots Company Staff
Full (9a-4p) \$425 | No Half +Plus | No Half

Designed for younger campers with little to no experience flying drones, this program fully immerses campers into an exciting narrative and experience. The mission: Captain Droby and her crew (campers) are exploring a faraway planet to discover new energy resources. The challenge: a colony of pesky aliens who will do anything to disrupt Captain Droby's crew. To conquer the aliens, campers will use a variety of flying, jumping, and rolling drones to navigate their way around the planet and successfully make it back to the mothership. Drobots use the safest and most reliable drone products on the market for enhanced safety and most of all, fun. Campers will learn all of the safety measures as they prepare to learn the basics of drone technology before taking to the air. Join us for a week filled with excitement, games, and learning. All campers go home with plenty of Drobots keepsakes so the memories last long beyond the summer.

Kids Exploratory Coding Playground

Rising K-2 | Session 5 (M-TH) | Instructor: CodeMonster Staff
Full (9a-4p) \$340 | No Half +Plus | No Half

You're never too young to start coding! This course is specially created for young children in rising grades K to 2. We are using Scratch Jr. to encourage a light and playful environment to create a digital story and simple animation. Students will be immersed in their own creation using their own voice and giving a sequence of instructions using lego-styled blocks. The main objective is to let students take control of their creation and gain an understanding of how he/she can alter the behavior and sequence of events (Please note syntax or algorithm will not be discussed as this is not the objective of the course). This introductory course will empower young children to gain confidence in themselves and be aware of human and computer interaction.

LEGO STEM Avengers

Rising K-2 | Session 7 | Instructor: Drobots Company Staff
Full (9a-4p) \$425 | No Half +Plus | No Half

Explore all the caped crusaders and discover their super powers in this action packed LEGO® camp. Create a fantasy world and protect it against all the evil arch enemies with custom contraptions made with LEGO® bricks. Campers will build the SHIELD Jet, custom secret lairs, and speedy flying contraptions. Avengers fans will love this camp as they work in teams to defeat Loki!

Little Medical School®: Is There a Doctor in the House?

Rising K-4 | Session 4 | Instructor: Little Medical School Staff
Full (9a-4p) \$410 | No Half +Plus | No Half

The Little Medical School® offers children the opportunity to learn about medicine, science, and the importance of health in an entertaining, exciting, and fun way. This camp encourages children to do this as they explore the exciting and inspiring world of medicine. Using interactive demonstrations, crafts, and games, children learn how the body and organs work, how to use the instruments that real doctors use, and even tie knots like a real surgeon. Children get their own stethoscope that really works! Students will learn all about and make models of the spine, brain, bones and the exciting eye, basics of heimlich maneuver, and much more. At the end of the week, each student will graduate with a diploma from the Little Medical School®.

Little Medical School®: The Doctor Will See You Now!

Rising 3-5 | Session 7 | Instructor: Little Medical School Staff
Full (9a-4p) \$410 | No Half +Plus | No Half

The Little Medical School® strives to engage children about medicine, science, and the importance of health in an entertaining, exciting, and fun way. In this camp, the student doctor will explore and better understand what happens when the body does not work as it is designed to. We will focus on common sports injuries, joints, the largest organ in the body, basic CPR, and even learn to perform a Tommy John Surgery! Learn all this and many more topics through interactive, hands-on demonstrations, crafts, and games.

Little Veterinarian School®: Healthy Pets are Happy Pets

Rising K-4 | Session 3 | Instructor: Little Medical School Staff
Full (9a-4p) \$410 | No Half +Plus | No Half

This unique program encourages children to role-play and explore the exciting world of veterinarians. Using interactive demonstrations, crafts and games, children learn how to take care of a pet and use instruments that real veterinarians use. A preview into our week and topics to be covered, include but are not limited to the following:

- Learning the importance of proper care and nutrition to keep dogs, cats, and guinea pigs healthy
- Completing an assessment of a dog and a cat
- Knowing what to do if a dog gets hurt and how to care for them
- Learning safety rules for being around animals
- Discussing what radiographs are and what the light and dark shades mean on a radiograph

This summer camp is a fun and hands-on class, where students will receive their very own stuffed animal pet dog and cat for the week. Each child will receive a diploma as a graduate of Little Veterinarian School® upon completion of the course.

Little Woodworkers

Rising K-2 | Session 5 (M-TH) | Instructor: Shaun Ditty
Full (9a-4p) \$250 | No Half +Plus | No Half

Students will learn basic woodworking tools and techniques. They will construct and paint age-appropriate projects that will be theirs to take home at the end of the camp. What should you keep in your toolbox? By the end of the week, you will be the expert!

Little Woodworkers: The Next Level

Rising K-2 | Session 6 | Instructor: Shaun Ditty
Full (9a-4p) \$310 | No Half +Plus | No Half

This class offers children that have already had some experience with tools and woodworking the opportunity to build upon their prior experiences to create slightly larger projects. Projects for this class include small wooden robot models, a free choice project, as well as a custom size chair built for and by them. Although Little Woodworkers is not necessarily a prerequisite, it is recommended, as this class is intended to allow children an opportunity to build new and different projects than those offered in Little Woodworkers.

Magic with Everyday Objects

Rising K-4 | Session 2 | Instructor: Carroll Baker
 Full (9a-4p) \$305 | No Half +Plus | No Half

Children of all ages love magic, and they really love learning and performing it! Carroll Baker's classes are a great way for your child to have fun learning to become an amazing magician, performer, and presenter. Beyond the entertainment value, magic helps improve digital dexterity, coordination, visual perception, spatial relationships, critical thinking, creativity, public speaking skills, self-confidence, and imagination. Campers will learn to perform fabulous feats of amazing magic with ordinary objects such as ropes, coins, rubber bands, and more. On the last day of camp, we will take a field trip to the local magic shop and perform on stage in the Friday Showcase.

Minecraft: Junior Adventures

Rising 1-3 | Session 8 | Instructor: Drobots Company Staff
 Full (9a-4p) \$425 | No Half +Plus | No Half

Experience the wonderful world of Minecraft. Construct your own virtual world in a sandbox-like virtual environment to challenge your mind and create your own adventures. In this exciting camp for younger learners, students will learn how to create their own mods for Minecraft 1.12.2 including a Battle Axe that launches explosive fireballs. Students will learn the beginner-level Java coding foundations such as Booleans and conditionals. This engaging camp will spark interests, foster creativity and help you maximize your learning potential. No prior experience with Minecraft necessary. Absolute beginners welcome!

Mystical Creature Adventures

Rising K-2 | Session 7 | Instructor: Little Scholars Staff
 Full (9a-4p) \$280 | Half +Plus (9a-1:30p) \$170 | Half (9a-11:30a) \$140

Loch Ness Monster, Bigfoot, Greek Gods and mystical creatures...did we get your attention? We are going to fill your days with discoveries about these legendary creatures. Not only will you have fun, but you will broaden your creative mind and gain critical reasoning skills. This is one adventure you will not want to miss!

Out of this World

Rising K-2 | Session 9 | Instructor: Little Scholars Staff
 Full (9a-4p) \$280 | Half +Plus (9a-1:30p) \$170 | Half (9a-11:30a) \$140

5, 4, 3, 2, 1 *blast off* to a galaxy far, far away to learn about Earth and the amazing solar system. Discover all things galactic such as comets, planets, shooting stars, rockets and more. Learn about flight, the adventures of space travel, and participate in a rocket launch!

Oz Adventures

Rising 3-5 | Session 5 (M-TH) | Instructor: Columbus Children's Theatre Staff
 Full (9a-4p) \$240 | No Half +Plus | No Half

Follow the yellow brick road with Dorothy, Scarecrow, Tin Man, and Lion as they go on their quest for their hearts' desires. Students will learn songs, dances, and scenes from different variations of Dorothy's story including *The Wizard of Oz*, *Wicked*, and *The Wiz* while building musical theatre skills. Students will work in large and small groups to create performances to share on the last day of camp.

Paint the Greats

Rising K-2 | Session 1 (T-F) | Instructor: Angela Martin
 Full (9a-4p) \$230 | Half +Plus (9a-1:30p) \$145 | Half (9a-11:30a) \$115

Calling all young artists! Students will learn the history and techniques of famous artists and will have the opportunity to recreate famous paintings by those artists. Campers will explore the work of Pablo Picasso, Vincent Van Gogh, Jackson Pollock, Henri Matisse, and more. Clear some wall space for all the masterpieces that will be brought home by your child!

Pop Art Ceramics

Rising 2-4 | Session 6 | Instructor: Cat Mailloux
 Full (9a-4p) \$280 | Half +Plus (9a-1:30p) \$170 | Half (9a-11:30a) \$140

Curious about learning how to sculpt with clay? Inspired by the colorful and exaggerated work of Pop Artists like Andy Warhol and Claes Oldenburg, students will use various clay hand-building techniques to create a Pop Art meal of their favorite foods that includes functional plates, cups, and bowls. Whether it be ice cream, pizza, grilled cheese, a bowl of cereal, or sushi, students will leave the class with a funky ceramic version of their favorite cuisine and showcase their work at the end of the week with a display of their Pop Art dinner party!

Pottery Par-Tea!

Rising K-4 | Session 7 | Instructor: Cat Mailloux
 Full (9a-4p) \$280 | No Half +Plus | No Half

Design and create your own usable tea set out of clay! Learn the basics of hand building, firing, and glazing with clay. Students will design and stamp their own tablecloth and create a vase with a flower arrangement for our big end-of-week tea time party. Each day we will taste different teas (all decaffeinated) and learn how some teas can ease an upset tummy or help us calm down. This class is a combination of art and tea!

Restaurants, Burger Joints, and Food Trucks!

Rising 3-5 | Session 9 | Instructor: Laurel Welsh
 Full (9a-4p) \$285 | No Half +Plus | No Half

Spend a week with Ms. L and create your own imaginary food truck business! We will cover the basics of economics, what it is like to be an entrepreneur and start a food truck business. You will be able to create your own menu with prices, figure out how much the supplies will cost, and create your own 3D model of your food truck!

Retro-Printmaking

Rising 3-5 | Session 5 (M-TH) | Instructor: Cat Mailloux
 Full (9a-4p) \$230 | Half +Plus (9a-1:30p) \$145 | Half (9a-11:30a) \$115

In this class, students will explore the basics of relief printing, stamping, and working with stencils. They will use the psychedelic patterns and colors of the 60's and 70's to learn about symmetry, visual rhythm, repetition and color theory. They will apply their printmaking techniques in hands-on projects that take their inspiration from the groovy patterns and themes of love, political engagement, and peaceful protests from those decades.

Science Palooza

Rising K-2 | Session 2 | Instructor: Little Scholars Staff
 Full (9a-4p) \$280 | Half +Plus (9a-1:30p) \$170 | Half (9a-11:30a) \$140

Come discover, experiment, and create as we learn about the colliding worlds of art and science in this STEAM-based camp. We will create biomes from around the world, star gaze at constellations, master meteorology, investigate how things work and dabble in chemistry and physics. Put on your learning cap and grab the art supplies because this STEAM camp will rock your world.

Sewing Magical Creatures

Rising 2-4 | Session 4 | Instructor: Helma Groot
Full (9a-4p) \$300 | No Half +Plus | No Half

Each day we start with a new and exciting project in Sewing Magical Creatures camp. You will learn to sew by hand and on the sewing machine, make your own stuffed animals, create patterns, and sew on buttons (parents will appreciate this skill!). Whether or not you already know how to sew, you'll be able to use your skills to make elves, unicorns, dragons or gnomes, capes, magic wands, and more.

StemQuest Jr: Coasters & Speedsters

Rising K-2 | Session 8 | Instructor: Drobots Company Staff
Full (9a-4p) \$425 | No Half +Plus | No Half

Campers who yearn for and have the need for speed are needed to participate in this energizing camp program. Teams of campers work together during multiple hands-on creative activities to design, build, and race rolling objects. Prepare to design and build the tallest, fastest, and most durable marble roller coasters, before releasing your marble in super-speedster fashion down the tracks. Huddle up with your teammates and devise a plan to have your rolling objects jump over as many towers as possible without knocking them over. Get creative, build your very own balloon-powered speedster bot, navigate it and crash it through various obstacles. Finally, try your best to conquer and complete the dreaded super loop for extra excitement!

StemQuest Mario Kart: Water, Land, & Coaster Racing

Rising 3-5 | Session 3 | Instructor: Drobots Company Staff
Full (9a-4p) \$425 | No Half +Plus | No Half

If you like playing Mario Kart on your console then it's time to get your hands off the controller and onto real robots. This is the camp program that brings Mario to life! Throughout the week, campers enjoy endless building and racing challenges (without a video screen!). Robots on the ground are cool, but are you ready to take your ground bot skills into the water? How about determining the best way to design and create twists and turns to build the fastest coaster? This program provides all the summer fun a camper may handle as participants rotate through a variety of thrilling activities. Campers dive right in to a program that requires teamwork, flexibility and creativity, not to mention a hands-on building of structures that include: bridges, beams, arches, trusses, and suspension bridges. Campers will use their engineering skills in combination with trial and error to construct the fastest marble roller coaster, design the most agile waterbot, and develop the most durable land rovers.

Storybook Sewing

Rising K-2 | Session 2 | Instructor: Helma Groot
Full (9a-4p) \$300 | No Half +Plus | No Half

We begin each day with a new storybook and base our sewing projects on characters in the story. You will learn to sew by hand, make your own stuffed animals, create patterns, and sew on buttons (parents appreciate this skill). You'll use your new skills to make capes, magic wands, pillows, hats, bags, doll clothes, and more. We'll also write our own stories, paint, weave, and draw.

Storybook Songs

Rising K-2 | Session 7 | Instructor: Amy Jackson
Full (9a-4p) \$270 | Half +Plus (9a-1:30p) \$165 | Half (9a-11:30a) \$135

Singing and stories and crafts, OH MY! There is no denying that the connection between music and literacy is important to early reading and musical development. The two grow best when done simultaneously rather than apart. In this camp, children will experience their stories sung rather than spoken, as well as music-listening activities and crafts that will enhance literacy and stretch their imagination.

Super Sleuths

Rising 3-5 | Session 1 (T-F) | Instructor: Little Scholars Staff
Full (9a-4p) \$230 | Half +Plus (9a-1:30p) \$145 | Half (9a-11:30a) \$115

Get out your magnifying glasses and detective hat as we have clues to decipher and crimes to solve. We'll put our critical thinking skills and STEM knowledge to the test and get to the bottom of mysteries by learning the tricks real investigators use to solve cases. While experimenting with simple detection techniques, your reasoning skills will grow and your problem solving skills will become better than CSI agents.

Through the Ages

Rising 2-4 | Session 9 | Instructor: Angela Martin
Full (9a-4p) \$280 | Half +Plus (9a-1:30p) \$170 | Half (9a-11:30a) \$140

Travel through the ages with us as we explore different time periods. During the Stone Age, your cavemen and cavewomen will make their own fossils and create dinosaur skeletons. We will then travel to Medieval times and create our very own stained glass project. Making our way through the ages, we will land in the rockin' 1950's and learn The Bunny Hop, The Twist, and other popular dances. We will learn about our nation's entry into the Space Race with making our own rocket. The 1960's will take us to a groovy time where we will tie dye a shirt and make our own lava lamp. We will end our trip through time in the 1970's making pet rocks and woven pot holders. Music from the decades will fill our classroom during our time travel.

Unicorns and Dragons Oh My!

Rising K-4 | Session 8 | Instructor: Young Chefs Academy Staff
Full (9a-4p) \$310 | No Half +Plus | No Half

Grab your glitter and sword and join Young Chefs Academy as we fly over the rainbow and encounter a magical world of majestic unicorns and fire-breathing dragons. Campers will spend the week creating unicorn and dragon themed food, treats, and crafts! If your little camper has an enchanted imagination, then they won't want to miss this culinary fairytale adventure.

Upcycling

Rising 3-5 | Session 1 (T-F) | Instructor: Cat Mailloux
Full (9a-4p) \$230 | Half +Plus (9a-1:30p) \$145 | Half (9a-11:30a) \$115

Discover and unleash the power of reinvention! Use your creativity to care for our environment! Explore sculptural and building techniques using materials that you can find for free, like cardboard, magazines, plastic bottles, and old kitchen utensils! Learn about where your trash goes when it leaves the curb and how you can help our world by reducing waste in your own life. Transform trash into treasure in this class by using recycled materials to make coasters, pencil holders, pinwheels, beads, imaginative creatures, lamps, and wind chimes!

Where in Time are We?

Rising K-4 | Session 2 | Instructor: Amy Jackson
Full (9a-4p) \$270 | Half +Plus (9a-1:30p) \$165 | Half (9a-11:30a) \$135

Summertime got you down? Tired of the same old neighborhood, same old camp? Ever consider TIME TRAVEL? Join us on a week-long exploration of world history using the latest in time travel technology (created by YOU!) Ancient civilizations? We've got that. Dark Ages? We've got that, too. Dinosaurs? (gulp!) Bring your sense of adventure and your imagination! Here we go!

Whiz Kids

Rising 2-4 | Session 5 (M-TH) | Instructor: Little Scholars Staff
Full (9a-4p) \$230 | No Half +Plus | No Half

Join us on a science discovery mission! We will explore the world of science through everyday objects, experiments and encounters. This camp will enhance the STEM education philosophies with a big punch of fun. Physics, biology, chemistry, geology, astronomy and zoology will all be covered in the camp.

Wonderful World of Color

Rising K-2 | Session 5 (M-TH) | Instructor: Angela Martin
 Full (9a-4p) \$230 | Half +Plus (9a-1:30p) \$145 | Half (9a-11:30a) \$115
 Welcome to the wonderful world of color! Pack your smock and creativity this week. We will make beautiful colorful projects using our imaginations and hands to create works of art. Learn about the color wheel and how to use color to brighten our world. We will paint, color, build, sketch and dream our way into a colorful world of art.

Woodworking

Rising 3-5 | Session 7 | Instructor: Shaun Ditty
 Full (9a-4p) \$310 | No Half +Plus | No Half
 This class is intended to allow participants the opportunity to learn about proper tool use and handling, project creation, and small scale building techniques. Prior experience with woodworking is helpful, but not necessary for this class. Students will engage in dynamic hands-on learning projects to better understand how and why things are built the way they are. Individual projects for this group include Giant Yard Yahtzee, Nail Art, Toolbox, and Stools. Additionally, students will work together in teams to create life-size usable pushcarts which will be used in the annual Push Cart Derby at the end of the week.

World of Dance

Rising K-2 | Session 1 (T-F) | Instructor: CLC Dance, LLC/ Chelsea Crabtree
 Full (9a-4p) \$220 | Half +Plus (9a-1:30p) \$140 | Half (9a-11:30a) \$110
 Come join us in learning dances from around the world! We will explore a variety of dances from different regions. We will dive into the history and customs of different cultures and discover how dances around the world are created. While learning basic dance etiquette and technique, we will develop our appreciation for different cultures. No previous dance experience is necessary. Students will perform in the Friday Showcase for family and friends at the end of the week.

Athletics & Sports Clinics

Artistic Swimming: A Synchronized Swimming Experience

Rising 1-5 | Session 7 | Instructor: Ohio Coralinas Synchro Staff
 Full (9a-4p) \$295 | Half +Plus (9a-1:30p) \$180 | Half (9a-11:30a) \$150
 Swimming, Dance, and Gymnastics - Synchronized Swimming combines all three of these great activities into one fun experience! Using games, props, and music, we will explore the artistic side of swimming. During the course of the week, campers will learn synchronized swimming skills, all while putting together a special water show to be performed on Friday for parents and friends! **Campers should be able to swim the length of the pool (25 yards) unassisted and be comfortable in the deep end.**

Baseball AM Clinic/ Sports & More PM Camp

Rising 3-8 | Session 4 | Clinic Instructor: Tyler Kuhn
 Sports & More Instructors: Zach Besand, Nic Eader, & Ryan Jenkins
 Full (9a-4p) \$285 | Clinic +Plus (9a-1:30p) \$200 | Clinic Only (9a-11:30a) \$170
 Join us for a week full of baseball fun! As a former professional baseball player and NCAA All-American, Tyler Kuhn will be sharing the knowledge he has gained through his years of playing and coaching in an action-packed week for players of all skill levels. Players can expect to improve their fundamental skills through various drills and simulated game situations on Columbus Academy's baseball field. It will be a week filled with learning and fun! **Participants are required to bring their own baseball glove, water bottle, and sunscreen. Cleats and baseball bats are optional.**
Please Note: To make a full day schedule, Sports Clinics can only be paired with our Sports & More program or another Sports Clinic occurring in the same week. Please see page 35 for the Sports & More class description.

Boys' Basketball PM Clinic/ Sports & More AM Camp

Rising 3-8 | Session 4 | Clinic Instructor: Jeff Warstler
 Sports & More Instructors: Zach Besand, Nic Eader, & Ryan Jenkins
 Full (9a-4p) \$285 | Clinic +Plus (11:30a-4p) \$200 | Clinic Only (1:30p-4p) \$170
 The Columbus Academy basketball program will once again host their clinic for all boys entering third through eighth grade. We encourage participation from young men with positive attitudes who are interested in having a great time, improving their skills, and learning more about playing this ultimate team game! Through a combination of drills, stations, and individual and team games, boys' head basketball coach Jeff Warstler, members of the CA coaching staff, special guest speakers, and players from the CA basketball program will teach the basic yet crucial fundamentals of basketball, namely ball handling, passing, shooting, and defense. **Participants are required to bring a nut free snack, water bottle, and towel.**
Please Note: To make a full day schedule, Sports Clinics can only be paired with our Sports & More program or another Sports Clinic occurring in the same week. Please see page 35 for the Sports & More class description.

Boys' Lacrosse AM Clinic/ Sports & More PM Camp

Rising 2-9 | Session 6 | Clinic Instructor: Neal O'Brien
 Sports & More Instructors: Zach Besand, Nic Eader, & Ryan Jenkins
 Full (9a-4p) \$285 | Clinic +Plus (9a-1:30p) \$200 | Clinic Only (9a-11:30a) \$170
 Learn about the fastest sport on two feet! Lacrosse is America's oldest sport, with roots to Native American tribes dating back to 1100 AD. Lacrosse is an OHSAA sanctioned, spring sport, and is among the fastest growing, most popular sports in the U.S. This an instructional camp that focuses on basic skills, rules of the game, general concepts, and player safety. The clinic will be led by the coaches of the Columbus Academy Varsity and Middle School programs, along with current Varsity team members and guest coaches. **It is preferred that players provide their own equipment; however, equipment may be provided if the staff is notified in advance.**
Please Note: To make a full day schedule, Sports Clinics can only be paired with our Sports & More program or another Sports Clinic occurring in the same week. Please see page 35 for the Sports & More class description.

Chiller Intro to Ice Skating

Rising K-5 | Session 9 | Instructor: Chiller Staff
 Full (9a-4p) \$360 | No Half +Plus | No Half
 This camp will introduce your child to ice skating, no experience required! In addition, this camp will engage them in fun activities, games, and projects related to ice skating. Camp includes at least two hours of ice skating per day instructed by our professional skating coaches. Off-ice activities include indoor and outdoor games, projects related to skating, as well as guest appearances by local experts. Your child will receive a skating evaluation at the end of camp. **Students are required to pack a peanut and tree nut free lunch each day.**
 ☞ This is a traveling/off-site program.

Columbus Crew SC Developmental Soccer AM Clinic/ Sports & More PM Camp

Rising K-5 | Session 8 | Clinic Instructor: Columbus Crew SC Staff
 Sports & More Instructors: Zach Besand, Nic Eader, & Ryan Jenkins
 Full (9a-4p) \$285 | Clinic +Plus (9a-1:30p) \$200 | Clinic Only (9a-11:30a) \$170
 Columbus Crew SC Developmental camps focus on player development through a core foundation of soccer skills in a challenging and fun learning environment. By promoting maximum touches on the ball, incorporating professional instruction, teaching challenging new exercises and guiding competitive, small-sided games, the Crew SC camp staff will help each player broaden their skill set and discover a love for the sport of soccer. A wide range of technical training exercises will be incorporated including dribbling, passing, receiving, and finishing.
Please Note: To make a full day schedule, Sports Clinics can only be paired with our Sports & More program or another Sports Clinic occurring in the same week. Please see page 35 for the Sports & More class description.

Football AM Clinic/ Sports & More PM Camp

Rising K-5 | Session 2 | Clinic Instructor: TBA
 Sports & More Instructors: Zach Besand, Nic Eader, & Ryan Jenkins
 Full (9a-4p) \$285 | Clinic +Plus (9a-1:30p) \$200 | Clinic Only (9a-11:30a) \$170
 Join Columbus Academy coaches for a week of football fundamentals and learn more about how to play the game of football. You will learn the proper technique for throwing, catching, and kicking a football, as well as the basic skills required to play various offensive and defensive positions. Once you have been through this clinic, you will have a better understanding of the game of football. **Recommended attire is shorts and t-shirts, and participants are required to wear athletic shoes; cleats and mouthpieces are optional.**

Please Note: To make a full day schedule, Sports Clinics can only be paired with our Sports & More program or another Sports Clinic occurring in the same week. Please see page 35 for the Sports & More class description.

FUNCTIONAL Fitness: CrossFit For Kids

Rising 3-5 | Session 1 (T-F) | Instructor: CrossFit New Albany Staff/ Matt Wilson
 Full (9a-4p) \$240 | Half +Plus (9a-1:30p) \$150 | Half (9a-11:30a) \$120
 Join us to improve speed, strength, flexibility and stamina through a combination of fun and challenging total body exercises. Our trainers work hard and like to have fun with the campers. We focus on proper movement and skills that will carry over to a lifetime of fitness. Our program is for everyone no matter your age or skill level. We will help you to improve every day. **Campers should wear athletic shoes and apparel, and bring a water bottle.**

Girls' Basketball PM Clinic/ Sports & More AM Camp

Rising 3-8 | Session 3 | Clinic Instructor: Heather Rakosik
 Sports & More Instructors: Zach Besand, Nic Eader, & Ryan Jenkins
 Full (9a-4p) \$285 | Clinic +Plus (11:30a-4p) \$200 | Clinic Only (1:30p-4p) \$170
 She shoots, she scores! Be a basketball star at CA. This girls' basketball clinic will involve learning and utilizing fundamental basketball skills. Girls will learn and practice ball skills, shooting skills, and basic fundamental principles in various drills and game situations. The clinic is designed for experienced players to improve on their skills, as well as for beginners to learn about the game of basketball. Come on in and see just how fun and rewarding basketball can be!

Please Note: To make a full day schedule, Sports Clinics can only be paired with our Sports & More program or another Sports Clinic occurring in the same week. Please see page 35 for the Sports & More class description.

Girls' Field Hockey AM Clinic/ Sports & More PM Camp

Rising 2-8 | Session 1 (T-F) | Clinic Instructor: JoAnne Adams
 Sports & More Instructors: Zach Besand, Nic Eader, & Ryan Jenkins
 Full (9a-4p) \$230 | Clinic +Plus (9a-1:30p) \$165 | Clinic Only (9a-11:30a) \$135
 Ladies...we have turf! We are thrilled to announce that this year's camp will again be held on the turf fields at Resolute Athletic Complex (formerly the Sports Barn)! We have rented space to give camp the smooth turf surface and perfect weather and temperatures! Be a part of the tradition at Columbus Academy by learning the sport of field hockey from State Championship winning coaches and top-notch players. This clinic is a great way to learn the dynamic sport of field hockey. Clinic sessions are creatively designed to teach the hockey basics: dribbling, passing, receiving, pulls, dodges, and more for younger players while preparing older girls for middle school competition. It doesn't matter if you are a first year player or an experienced middle school veteran, we will help you improve your game! We can't wait to share our love of the game on the turf fields at Easton this summer! **If you need to purchase equipment, please contact Coach Adams at Adams@columbusacademy.org. This clinic will meet at Resolute Athletic Complex (formerly the Sports Barn) at Easton. For location and more information, please visit <http://resolute-athleticcomplex.ezleagues.ezfacility.com>.**

☞ This is a traveling/off-site program.

Please Note: To make a full day schedule, Sports Clinics can only be paired with our Sports & More program or another Sports Clinic occurring in the same week. Please see page 35 for the Sports & More class description.

Girls' Lacrosse AM Clinic/ Sports & More PM Camp

Rising 3-8 | Session 3 | Clinic Instructor: Jill Byers
 Sports & More Instructors: Zach Besand, Nic Eader, & Ryan Jenkins
 Full (9a-4p) \$285 | Clinic +Plus (9a-1:30p) \$200 | Clinic Only (9a-11:30a) \$170
 Girls' Lacrosse clinic is designed to teach the basic technical fundamentals of the sport. This game is played with a ball and a stick, so campers can expect to learn everything from passing to catching, shooting mechanics, cradling drills, various dodging techniques, defensive positioning and of course, stick tricks! No previous playing experience is necessary. **Students are required to bring cleats or turfs, lacrosse stick, goggles and mouthpiece.**

Please Note: To make a full day schedule, Sports Clinics can only be paired with our Sports & More program or another Sports Clinic occurring in the same week. Please see page 35 for the Sports & More class description.

Girls' Soccer AM Clinic/ Sports & More PM Camp

Rising 5-8 | Session 2 | Clinic Instructor: Matt Thompson
 Sports & More Instructors: Zach Besand, Nic Eader, & Ryan Jenkins
 Full (9a-4p) \$285 | Clinic +Plus (9a-1:30p) \$200 | Clinic Only (9a-11:30a) \$170
 Coming off of its most successful season in school history, the Columbus Academy girls soccer program will host its first annual clinic for girls entering grades five through eight. Campers will learn skills, develop fundamentals, and build a foundation for playing the world's most popular game. Learn from members of the girls varsity coaching staff, as well as current and former players. Through a combination of challenging drills and individual and team games, campers will leave with tools that will allow them to keep improving as players. We will work on dribbling, passing and receiving, defense and, of course, finishing. Each day will conclude with small sided games designed to capitalize on lessons learned over the course of the camp. We welcome all experience levels and ask only that you bring a positive attitude, willingness to work hard and an interest in improving as a soccer player. **Students should bring/wear: a water bottle, shin guards, soccer socks (socks that cover your shin guards completely), cleats, sunscreen, sneakers (for indoors in case of inclement weather only), and a nut-free snack.**

Please Note: To make a full day schedule, Sports Clinics can only be paired with our Sports & More program or another Sports Clinic occurring in the same week. Please see page 35 for the Sports & More class description.

Girls' Volleyball PM Clinic/ Sports & More AM Camp

Rising 2-8 | Session 2 | Clinic Instructor: Heather Welsh
 Sports & More Instructors: Zach Besand Nic Eader, & Ryan Jenkins
 Full (9a-4p) \$285 | Clinic +Plus (11:30a-4p) \$200 | Clinic Only (1:30p-4p) \$170
 Come join the fun with the lifetime sport of volleyball! This is a great way to introduce young children to volleyball by using team building activities and learning valuable skills. Come check out just how fun volleyball can be! In this program, girls will learn how to pass, set, hit, serve, and play in group situations. There will be coaches, as well as Columbus Academy Upper School players assisting the younger participants.

Please Note: To make a full day schedule, Sports Clinics can only be paired with our Sports & More program or another Sports Clinic occurring in the same week. Please see page 35 for the Sports & More class description.

Gym Skills: Acrobatics

Rising K-4 | Session 8 | Instructor: Gym Skills Staff
 Full (9a-4p) \$295 | Half +Plus (9a-1:30p) \$180 | Half (9a-11:30a) \$150
 Acrobatic gymnastics combines dance, gymnastics, skills, and synchronization. In this camp, athletes will be working together to create pyramids and other balancing acts! We start at the beginner level and work up with the athlete's confidence. Athletes will also work on their tumbling and basic gymnastics skills. Acrobatic camp teaches core fundamentals in choreography, agility, balance, strength, and grace!

Gym Skills: Cheerleading

Rising K-4 | Session 9 | Instructor: Gym Skills Staff
 Full (9a-4p) \$295 | Half +Plus (9a-1:30p) \$180 | Half (9a-11:30a) \$150
 Come join Gym Skills Cheerleading for an exciting cheerleading program! Have fun while learning the moves of real high school and college cheerleaders. You will learn motions, jumps, chants, cheers, and a dance in a non-competitive environment from an instructor who is a former college cheerleader and current coach. You will leave camp with a heart full of spirit and a head full of memories!

Gym Skills: Gymnastics

Rising K-4 | Session 6 | Instructor: Gym Skills Staff
 Full (9a-4p) \$295 | Half +Plus (9a-1:30p) \$180 | Half (9a-11:30a) \$150
 Come join Gym Skills Gymnastics for an awesome gymnastics and fitness program! Have fun with handstands, cartwheels, backbends, handsprings, and more in a non-competitive environment. We will start by warming up and stretching to keep our bodies safe, then learn about different kinds of balances, use all kinds of equipment, and experiment with springs and landings. On Friday, we will visit the Gym Skills facility located in Gahanna! Children will work on gymnastics activities such as a trampoline, loose foam pit, cargo net, beam, rings, spring floor, and more. Your child will walk out of camp feeling like a winner!

Happily Ever After at Fairy Tale Farm

Rising 2-4 | Session 5 (M-TH) | Instructor: Fairy Tale Farm Staff
 Full (9a-4p) \$300 | No Half +Plus | No Half
 Come visit the 30 acre farm in Johnstown where we will learn all about horses, their care and basic riding skills. Students will spend the day learning through crafts and activities, taking a riding lesson, and participating in group activities. **Students must wear long pants and closed toe shoes and bring a nut free packed lunch each day. This facility only has Port-o-John facilities available to the public.**
 ☞ **This is a traveling/off-site program.**

History and Sport of Archery

Rising 3-5 | Session 5 (M-TH), 6 | Instructor: Charles Brodhead
 5: Full (9a-4p) \$230 | Half +Plus (9a-1:30p) \$145 | Half (9a-11:30a) \$115
 6: Full (9a-4p) \$290 | Half +Plus (9a-1:30p) \$175 | Half (9a-11:30a) \$145
 Come join us and learn the basic skills and history of Archery. The skill of Archery has been used since the dawn of time; first for hunting, then for

warfare, and in modern times, for sport. Campers will experience first-hand one of our oldest sports through daily study, practice, and challenges.

Jedi Camp

Rising 2-5 | Session 2 | Instructor: Royal Arts Fencing Academy Staff
 Full (9a-4p) \$295 | No Half +Plus | No Half
 Now is your chance to be a Jedi or Sith. This Star Wars themed week lets you into the world of Star Wars and lightsaber combat. We use safe weapons and fencing masks for protection. All equipment is provided and classes are taught by professionally trained fencing and martial art coaches. **Students are required to wear athletic shoes and socks.**

Korean Martial Arts

Rising K-2 | Session 7 | Instructor: Koguryo Martial Arts Academy/ Jared Circle
 Rising 3-5 | Session 6 | Instructor: Koguryo Martial Arts Academy/ Jared Circle
 Full (9a-4p) \$300 | Half +Plus (9a-1:30p) \$200 | Half (9a-11:30a) \$170
 Campers will get a solid foundation and introduction to various martial arts systems from Korea including Tang Soo Do, Hap Ki Do, and more! In addition to martial arts training, lessons on Korean culture, history, geography, and language will be a part of the course. All participants will receive a uniform and will be given the option to demonstrate what they have learned in the Friday Showcase, including board breaking! **Students should bring a water bottle, nut-free snacks, and shoes that are easy-on-easy-off as we train traditional style, in our bare feet. Course fee includes cost of uniform.**

Learn to Sail

Rising 3-5 | Session 3, 9 | Instructor: Hoover Sailing Club Staff
 Full (9a-4p) \$350 | No Half +Plus | No Half
 Hoover Sailing Club has offered sailing instruction for Central Ohio youth for over 45 years. Your child will experience the joy of skippering a dinghy from our fleet during his or her very first lesson. Our experienced US Sailing certified staff will teach basic safety and boat skills. Your child will learn to sail up-wind, down-wind, tack, jibe, and recover from a capsize. Our picturesque property and remodeled facilities will provide your youngster with a week he or she will remember for years to come. **Students are required to pack a peanut and tree nut free lunch, and bring your own USCG approved life jacket. Sailing is a very physical activity; occasional bumps and bruises can occur. Please advise your child's counselor if there are any issues of which we might need to be aware. A Hoover Sailing Club release form is also required for every participant and will be distributed via email before camp begins.**
 ☞ **This is a traveling/off-site program.**

Nerf It Up!

Rising 3-5 | Session 7 | Instructor: Joel Reed
 Full (9a-4p) \$410 | No Half +Plus | No Half
 The Nerf Bodacious factor is off the charts during this camp. Think you can't get enough Nerf? This is the camp for you. We'll be battling until you drop! We only stop for water and to change teams. We play single elimination, capture the flag, Star Wars, the Hunger Games and more! You will have a blast! **Course fee includes all Nerf gear that students get to take home at the end of the week.**

Olympic Fencing

Rising 2-8 | Session 8 | Instructor: Royal Arts Fencing Academy Staff
 Full (9a-4p) \$295 | No Half +Plus | No Half
 Have you ever wanted to be Zorro, d'Artagnan, the Dread Pirate Roberts, Captain Jack Sparrow, Robin Hood, or a Jedi Knight? Learn the noble art of fencing, including information about swords, moves, competitions, and future opportunities for Fencing Sport Scholarships. This course is specially created for participants of all fencing and athletic levels. On Friday, the students will participate in a real fencing tournament! Fencing equipment is provided. **Students are required to wear athletic shoes and socks.**

Skateboarding

Rising K-4 | Session 3 | Instructor: Chris Higgins
 Rising 5-9 | Session 4 | Instructor: Chris Higgins
 Full (9a-4p) \$305 | No Half +Plus | No Half

Come join us and learn the basics and more of skateboarding, one of the fastest growing sports in the world. While we will cover safety, equipment, and skateboarding etiquette, the emphasis will be on having fun and learning by spending as much time on our boards as possible. It doesn't matter if you are a first-time skater or a more experienced rider, this program will have something for everyone. Field trips to area skateparks will round out this exciting program. **Skaters are required to wear a helmet and bring their own skateboards; knee pads and elbow pads are recommended.**

Skateboarding Skatepark Road Trip Camp

Rising 3-9 | Session 9 | Instructor: Chris Higgins
 Full (9a-4p) \$450 | No Half +Plus | No Half

Come join Chris Higgins and crew as we hit the road to skateboard at some of Columbus and Central Ohio's best skateparks! Skaters of all ages and skill levels will learn and have fun as we work on skating on all different types of skateparks and terrain. Camp will meet at Columbus Academy every day before we set off on an epic road trip to a different skatepark. **Students are required to pack a nut free lunch each day. Skaters are required to wear a helmet and bring their own skateboards; knee pads and elbow pads are recommended.**

🚗 **This is a traveling/off-site program.**

Soccer AM Clinic/ Sports & More PM Camp

Rising K-8 | Session 1 (T-F) | Clinic Instructor: Ron Leach
 Sports & More Instructors: Zach Besand, Nic Eader, & Ryan Jenkins
 Full (9a-4p) \$230 | Clinic +Plus (9a-1:30p) \$165 | Clinic Only (9a-11:30a) \$135

No matter your level of experience in soccer, everyone will take home valuable skills from this soccer clinic. Whether you are a beginner and want to learn the basics or if you have already played organized soccer, we can help take you to the next level. We will focus on the fundamentals of soccer, basic individual skills, basic team tactics, instruction on the rules of the game, and mini scrimmages. Each day of this clinic will provide a fun learning environment about the game of soccer. **If you need to purchase equipment, please contact Coach Leach at leachr@columbusacademy.org.**

Please Note: To make a full day schedule, Sports Clinics can only be paired with our Sports & More program or another Sports Clinic occurring in the same week. Please see below for the Sports & More class description.

Sports & More

Rising K-5 | Session 5 (M-TH), 7, 9
 Instructors: Zachary Besand, Nic Eader, & Ryan Jenkins
 5: Full (9a-4p) \$220 | Half +Plus (9a-1:30p) \$140 | Half (9a-11:30a) \$110
 7, 9: Full (9a-4p) \$270 | Half +Plus (9a-1:30p) \$165 | Half (9a-11:30a) \$135

Welcome to Sports & More camp! We are very excited for a summer full of different sports and activities. Campers will be running and moving up to four miles a day! Our primary focus and goals for the summer will be good sportsmanship, good nutrition, fitness, cooperation, and of course, fun! We hope you join us for the BEST SUMMER EVER! **This camp will be outside**

as much as the weather permits, so sunscreen, hats, and sunglasses are encouraged. Students are required to bring a water bottle and wear athletic shoes - no flip flops or sandals.

Tennis PM Clinic/ Sports & More AM Camp

Rising 1-8 | Session 1 (T-F) | Clinic Instructor: Jeff Warstler
 Sports & More Instructors: Zach Besand, Nic Eader, & Ryan Jenkins
 Full (9a-4p) \$230 | Clinic +Plus (11:30a-4p) \$165 | Clinic Only (1:30p-4p) \$135

Join Jeff Warstler of Columbus Academy for an intensive tennis extravaganza! Tennis is not just a country club sport; it is fun for the whole family! You will learn the fundamentals of tennis such as stroke production, footwork, strategy, and an understanding of the court. Once you have been through this clinic, you will have a better understanding of the sport and, hopefully, a true love of tennis. **Participants are required to bring their own tennis racket and water bottle.**

Please Note: To make a full day schedule, Sports Clinics can only be paired with our Sports & More program or another Sports Clinic occurring in the same week. Please see the Sports & More class description on this page.

Wrestling AM Clinic/ Sports & More PM Camp

Rising K-7 | Session 4 | Clinic Instructor: Sean Silver
 Sports & More Instructors: Zach Besand, Nic Eader, & Ryan Jenkins
 Full (9a-4p) \$285 | Clinic +Plus (9a-1:30p) \$200 | Clinic Only (9a-11:30a) \$170

Want to learn about wrestling, one of the first and most popular sports in the world? This program gives children of any size or ability the chance to learn the basics of the sport in a safe and fun environment while also helping them with strength, flexibility, sportsmanship, and self-confidence. Wrestlers will receive their own headgear and will get to participate in a tournament followed by a medal ceremony at the end of the week. Each wrestler will be placed in a group appropriate to their age and skill level. **Wrestlers are required to bring a water bottle; wrestling shoes and mouth guard are optional.**

Please Note: To make a full day schedule, Sports Clinics can only be paired with our Sports & More program or another Sports Clinic occurring in the same week. Please see the Sports & More class description on this page.

Swimming Lessons

Greater Columbus Swim School

Rising K-8 | Session 1-7
 Instructor: Greater Columbus Swim Team of Ohio (GCSTO)
 8a-9a and/ or 4p-5p \$75/ week (Sessions 1 and 5: \$60/ week)

The Greater Columbus Swim Team of Ohio teaches Columbus Academy instructional swim lessons in a fun, yet challenging atmosphere with lessons taking place at Columbus Academy Pool on campus. The pool depth ranges from 3ft – 10ft. Participants are observed and placed in appropriate levels according to their current skill level and will engage in the fundamentals of swimming most appropriate for their ability. Swimmers will be consistently monitored for skill acquisition in order to ensure that they are continually challenged in the pool as their skill level increases. Beginning swimmers will learn the most basic skills needed to become self-sufficient in the water, while swimmers with slightly more advanced skills will be progressed through a series of eight levels, focusing on the proficient acquisition of all four of the competitive swimming strokes (those used in the sport of swimming). Participants will receive a skills accomplishment report at the end of each weekly session. Swimmers will have a great time, will be challenged, and will learn valuable skills. **This program can be added to any week's programming with the exception of Sessions 8 and 9 due to construction. There is a maximum of 16 children per time slot and spaces fill quickly. Please see the Lower School registration form and check the appropriate time that fits with your schedule.**

JOIN US FOR OUR FAMILY ORIENTATION!

SATURDAY, APRIL 25TH 2-4PM

Join us to get a first-hand look at the facilities and talk to CA staff supporting Lower School programming this summer.

Bring your children and enjoy interacting with teachers, get familiar with the space and partake in a few fun children's activities!

Summer Experience Director, Alyssa King, will also be there to answer any questions and lead you through an example day!

REGISTRATION DEADLINES AND FEE ASSESSMENT

Registration is not complete until payment is received. All fees are due at the time of registration. Deadlines are May 15, 2020, for sessions 1 through 5 and June 19, 2020, for sessions 6 through 9. Cancellations or changes made prior to the appropriate deadline will incur no penalty and will be refunded in full. Cancellations made after the deadline will be refunded at 25% of the program fee. If a cancellation is made after the camp's start date, there will be no refund issued. If you do not notify us and your child does not attend, you will be subject to our no-show policy in which no refund will be issued. If late registrations are received after the deadline, camp fees increase by 10%. Changes to schedules made after the deadline will be charged a non-refundable fee of \$25 per child plus any difference in camp fees. **Please note: Registration closes Friday at 12pm for the following week's camp session.**

MIDDLE SCHOOL (GRADES 6-9)

MIDDLE SCHOOL GENERAL INFORMATION

Faculty, Staff and Sr. Counselors

CA Summer Experience employs current CA Faculty and Staff members as well as highly qualified outside sources as teachers of the Summer Experience programs. Sr. Counselors are typically local college students who have been hired after an extensive interview and training process. Sr. Counselors are assigned to camps each week and will accompany your child all day during their respective camp. CA Summer Experience also employs ample administrative staff to support daily programming.

Communication

Upon registration with full payment, you should receive a confirmation email from Summer_Experience@columbusacademy.org with your child's class schedule and additional information. You can expect communication via email from your child's teacher the Friday prior to camp starting and the Wednesday during the respective camp week. If registration is received late, there may be a delay in this communication.

Facilities

A majority of programs are held on CA's beautiful 231-acre campus that consists of a six-lane indoor pool, computer labs with iMac computers, nature trails, outdoor classroom space, low ropes elements, eight tennis courts, Schoedinger Theatre seating 538, two full-length gymnasiums, a weight room, a ceramics studio, five art studios, three libraries, five playgrounds, eight science labs, four soccer fields, two turf fields, an all-weather track, a full service dining hall, three music rooms, and two baseball fields. The campus may be accessed from the West on Cherry Bottom Road or from the East via Beecher Road off of Hamilton Road. (Please refer to the campus map on the inside of the back cover.)

Field Trip and Off-Site Transportation

Columbus Academy utilizes school bus rental as a means of transportation for field trips and off-site programs. All drivers have proof of credentials and background checks. CA also has a fleet of 7 passenger vans that will be used for smaller traveling groups. All drivers are employees of Columbus Academy and are van-certified.

Middle School Sample Daily Schedule

Check-in	8:30 am	–	9:00 am
AM Themed Programming	9:00 am	–	11:30 am
Lunch Rotation (Lunch / Free Choice Activity)	11:30 am	–	1:30 pm
PM Themed Programming (continued)	1:30 pm	–	4:00 pm

Note- Middle School Half and Half +Plus options would end at 11:30 am and 1:30 pm respectively; see below for more details.

Half Day and Half +Plus Programs

Some programs offer a half day and half +plus option. Please see course listings for availability. Half day programs include the morning themed programming session from 9:00 am to 11:30 am. Half +plus programs include the morning themed programming from 9:00 am to 11:30 am PLUS lunch and free choice activity from 11:30 am to 1:30 pm. **Half day and half +plus programs cannot be combined with other full, half, or half +plus programs.**

Extended Care Programs

Available on a pre-registration or drop-in basis, Before Care and After Care are held from 7:00 am to 8:30 am and 4:00 pm to 6:00 pm, respectively. Before Care offers a variety of quiet activities for your child as he or she gets

ready for the day. After Care features exciting themed activities as well as quiet places for children to explore and reflect on the experiences they have had at CA. **Parents MUST pick up their children from After Care by 6:00 pm. Parents that do not pick up their children by the end of After Care will be charged \$1.00 per minute beyond 6:00 pm.** If Before or After Care are not needed for the full week, proration is available by contacting our office at (614) 509-2267. Please understand there can be no proration for the combo pricing.

Before Care	\$50 per week	\$10 per day
After Care	\$62.50 per week	\$12.50 per day
Before and After Care Combo	\$85 per week	5 day option only

Before / After Care is best accessed by parking in the Academy Hall Parking Circle near the main entrance to the school. Follow the **ORANGE** signage into the Theatre entrance of the Lower School to the Before / After Care room.

Parents must come into the After Care room and provide a photo ID to sign out their child each day.

Lunch

Lunch is provided by Columbus Academy's Dining Service for **most** of the programs and is built into the price of the camp. Most off-site camps require students to bring a lunch; please check individual course descriptions for lunch specifications. CA offers a hot main dish including vegetarian options, as well as a salad bar, pasta bar, and deli bar. We also do our best to accommodate all dietary requests / restrictions. Please contact our office if you have additional questions related to dietary concerns. Children are welcome to pack a lunch if they wish, but the lunch must be peanut and tree nut free.

Allergy Policy: Columbus Academy Summer Experience is peanut and tree nut free.

Daily Drop-off/Pick-up

There will be signage all around campus to help direct parking, as well as a color coded system to follow from the parking areas to help guide you to the correct entrance. Please see the CA campus map on the inside of the back cover for general parking information. Middle School will follow the **BLUE** signage.

Check-in for Middle School (rising 6th through 9th grade) programs is between 8:30 am and 9:00 am in a gym of the Athletic Complex. Middle School parents / guardians should follow campus signage to the Middle School parking area (Parent Hall Parking Lot) and escort children into the building no earlier than 8:30 am on the first day of camp; children may be dropped off at the MS circle after the first day. There will be CA Staff available to help parents and students get to their check-in areas. Students will check-in directly with their Sr. Counselor inside the gym. **Any student who arrives prior to 8:30 am and is not accompanied by an adult will be escorted to Before Care and charged the daily rate of \$10.**

Pick-up is between 4:00 pm and 4:15 pm in a gym of the Athletic Complex. **Parents or guardians will need to come into the gym and provide a photo ID to sign children out.** If someone other than a parent / guardian will be picking up your child, and you have not completed an authorized pick up list, please see a staff member at drop-off. If your child is not picked up by 4:15 pm, he or she will be taken to After Care, at which time you will be charged the daily rate of \$12.50.

Late Drop-off/Early Pick-up

If it is necessary to drop off or pick up your child at any time other than the designated camp times, the Operations Lead is available to help with these transitions. If you know this information ahead of time, you may write it on the sheet provided at the Help Desk outside the gyms. You may also contact the Operations Lead any time during camp hours at 614-653-3117 to arrange a pick-up or drop-off. **Note: Early pick ups are not available after 3:30pm.**

Friday Showcase

Some of our camps perform in our weekly Friday Showcase to share their new skills or creations with their parents and fellow campers. All parents/families are welcome to attend. These shows are held in the Schoedinger Theatre and typically begin at 3:15 pm on Friday afternoons. Information regarding the Friday Showcase will be communicated via email and CA Summer Experience's Facebook page.

What to Wear/Bring

Campers should wear comfortable, weather-appropriate clothing and shoes, and should also consider bringing a bookbag, water bottle and sunscreen to camp each day. Please check the course descriptions to see if any other materials are needed for each individual program. If the student is planning to participate in free swim for their free choice activity, campers should also pack a bathing suit, towel and plastic bag for wet clothes. Should a child misplace an item, there will be a Lost & Found table located near the Athletic Complex lobby throughout the summer. Columbus Academy is not responsible for any lost personal items.

Free Choice Activity

Students participating in half +plus or full day programs on campus will have a free choice activity period before or after their lunchtime. Campers may choose from the following daily options: free swim, computer lab, outdoor free play, or quiet reading and crafting room. Children participating in the free swim option will need to bring a bathing suit and towel each day they wish to swim, along with a plastic bag for their wet clothes at the conclusion of swim.

Electronics Policy

With the increase in the technology around us, electronics are no longer prohibited at camp; however, we expect that these devices be put away unless specifically required for a camp or in the case of an emergency. We have designated screen time during Before / After Care and free choice for those who wish to participate. Check-in/out in the gyms will be strictly enforced as "no device zones".

Discipline Action Plan and Termination

Attendees who are found to bully or harass others will generally be subject to serious disciplinary action, including prohibition from further attendance. Children will receive one warning and CA Summer Experience reserves the right to remove any camper from our program for disciplinary reasons. If a child is removed for disciplinary reasons, there will be no refund.

Important 2020 Policies

Based on parental feedback and continuous improvement efforts, please note the following Columbus Academy policies:

- Lower School students will check into the Mack Gym while Middle School students will check into the Jones Gym.
- A small amount of construction will take place on CA's campus throughout the summer. We appreciate your patience and flexibility during this time.
- The pool will not be available for Sessions 8 and 9 due to construction.
- Registration will close on Fridays at 12pm for the following week's camp session to ensure safety, proper preparation and a successful experience for all campers.
- Check-in / out in the gyms will be strictly enforced as "NO DEVICE ZONES" to foster an environment of building relationships and encouraging children to interact with each other, counselors and teachers.
- Session 10 will **not** be offered for Summer Experience 2020.

SPORTS CLINICS

- Sports Clinics are joining forces with a Sports & More camp to offer a consistent full day option.
- Sports Clinics can **not** be paired with a camp other than Sports & More or another Sports Clinic to make a full day schedule.

FEES, CANCELLATIONS, REFUNDS AND DEADLINES POLICY

Course fees are located in the course descriptions and registration pages. Whether submitting a paper form or registering online, **registration is not complete until payment is received.** Cancellations or changes made prior to the appropriate deadline will incur no penalty and will be refunded in full. Cancellations made after the deadlines will be refunded at 25% of the program fee. Please understand that after these deadlines, we have made firm financial commitments to our faculty and staff, in addition to purchasing materials for the class. If a cancellation is made after the camp's start date, there will be no refund issued. If you do not notify us and your child does not attend, you will be subject to our no-show policy in which no refund will be issued. Changes made to schedules after the deadlines will be charged a non-refundable fee of \$25 per child plus any difference in camp fees. If late registrations are received after the deadlines, camp fees increase by 10%. All camps have a minimum enrollment that must be met in order to run. If we need to cancel a class due to low enrollment, the decision will be made two weeks prior to the start date. You will be notified via email with alternative camp options or to receive a full refund.

DEADLINES: May 15th for Sessions 1-5 and June 19th for Sessions 6-9

MIDDLE SCHOOL SUMMER EXPERIENCE

Programs are in alphabetical order and categorized by Academics, Arts & Sciences, and Athletics programming. The Middle School Registration Form is on page 55. Please note: "rising" indicates the grade your child will be entering in the 2020-2021 school year.

Academics

A Poet's Writing Workshop: Exploring the Art of Poetry Through Form & Design

Rising 6-9 | Session 6, 8 | Instructor: Bryan Miller
Full (9a-4p) \$270 | No Half +Plus | No Half

Bring your pens and pencils and get ready to craft some poetry. In this camp, we will examine and write various poetic forms--from haiku and sonnets to villanelles and sestinas. We will also generate original prompts and invent new structures with which to create new poems. Writers will share their pieces in a collaborative and nurturing workshop environment, and by the week's end, campers will put their works together in an attractive "chapbook" they will design, curate, and "publish."

FUNDamentally Social!

Rising 6-9 | Session 2 | Instructor: Alisha Porter
Full (9a-4p) \$270 | Half +Plus (9a-1:30p) \$165 | Half (9a-11:30a) \$135
Come join us and learn the basics and more of what it takes to have a great SOCIAL experience. Do you enjoy playing games? Working as a team? Doing team-building activities? Then this is the class for you! We work on all of these skills while creating memories and having FUN learning the FUNDamentals of LIFE!

Future Entrepreneurs

Rising 6-9 | Session 4 | Instructor: Little Scholars Staff
Full (9a-4p) \$320 | No Half +Plus | No Half
Are you a natural born leader? Do you want to experience the thrills of creating a 'company'? Don't miss out on this camp where you will create and sell handmade products at the Sale- A-Thon. This camp will dabble in the world of stocks and current events as they relate to businesses.

Graphic Novels History and Evolution

Rising 6-9 | Session 7 | Instructor: Amanda Vesner
Full (9a-4p) \$270 | Half +Plus (9a-1:30p) \$165 | Half (9a-11:30a) \$135
What are graphic novels and why are they so popular? During the week, we will discuss the history and evolution of graphic novels by reading many popular ones, watching parts of movie adaptations, and a trip to the Laughing Ogre. You will choose a graphic novel that you find interesting to complete a research project to present at the end of the week.

Hola Amigo!

Rising 6-9 | Session 4 | Instructor: Georgina Alvarez
Full (9a-4p) \$270 | Half +Plus (9a-1:30p) \$165 | Half (9a-11:30a) \$135
Hola Amigo! Have you studied Spanish but feel too shy to speak it? Well, here is your opportunity to practice it. During this week, you will have the

opportunity to interact with your "amigos" in Spanish. The dynamic of the class will be based on Latin-American cultural themes to recreate events and activities that will develop interaction among the group. The teacher's role is to improve your language skills and confidence in speaking Spanish.

Introduction to Spanish

Rising 6-9 | Session 9 | Instructor: Mackenzie Hanna
Full (9a-4p) \$270 | Half +Plus (9a-1:30p) \$165 | Half (9a-11:30a) \$135
This class is for both beginners and those wishing to brush up on their Spanish language skills. Through games, crafts, videos, music, activities, and food, students will learn about the Spanish language and cultures. Students will go home with a great foundation in the language that will prepare them for beginning Spanish in school.

Latin American History from Mexico to Argentina

Rising 6-9 | Session 3 | Instructor: Georgina Alvarez
Full (9a-4p) \$270 | Half +Plus (9a-1:30p) \$165 | Half (9a-11:30a) \$135
We will travel in time through historical events to learn how Latin America developed from the Inca and Aztec Empires to the present time. Each country has a fascinating history that you will discover during this week that will make you want to visit Latin America!

Let's Travel to Latin America!

Rising 6-9 | Session 5 (M-TH) | Instructor: Georgina Alvarez
Full (9a-4p) \$220 | No Half +Plus | No Half
This course in Spanish will allow you to practice your learned skills and to speak the language. The course will be developed by imagining we are visiting Latin American countries; we will start by flying to Mexico and continue to Antigua in Guatemala, Costa Rica, Cartagena in Columbia, and Machu Picchu in Peru. You will learn about the culture, customs, foods, and common expressions of each country. At the end of the course, you will be able to understand the similarities and differences among the countries.

Patterns in Nature

Rising 6-9 | Session 1 (T-F) | Instructor: Anne Hurley
Full (9a-4p) \$220 | No Half +Plus | No Half
Nature is full of variations on patterns. Come explore how the petals of a flower, the population of rabbits, the points of crystals, and so much more are shaped in ways that we can observe and describe using the language of mathematics. A field trip to a local park will give us opportunities to see these patterns in the world around us, and connect hands-on experience to algebra, geometry, statistics, and other areas of math as the science of patterns.

Public Speaking 101

Rising 6-9 | Session 6 | Instructor: Angela Martin
Full (9a-4p) \$280 | No Half +Plus | No Half
Students are given the opportunity to learn the basics of presentation and speech in a safe, supportive setting. Learn the various types of speeches and deliver well constructed, thought out presentations throughout the week. Campers will build confidence in front of a group and feel prepared to deliver crowd rousing speeches of all types including persuasive, informational, motivational, entertaining, and explanatory.

Sports Statistics

Rising 6-9 | Session 8 | Instructor: Anne Hurley
Full (9a-4p) \$270 | Half +Plus (9a-1:30p) \$165 | Half (9a-11:30a) \$135
Who was the best player of all time? Well...it depends on how you count. Sports and statistics are deeply connected; explore why different sports keep different statistics, how representations of data can change how we see the world, and the mathematics behind how we determine winners and losers. No physical activity or sports experience necessary!

Study Skills

Rising 6-9 | Session 3, 9 | Instructor: Colleen Vaughan

Full (9a-4p) \$270 | Half +Plus (9a-1:30p) \$165 | Half (9a-11:30a) \$135

Do you know what kind of learner you are or how your brain works? Regardless of subject matter, there is information you need to know about yourself and skills to be successful in school. This course will give you some tips, tricks, and ideas to help you use your time more wisely and efficiently. Note taking, organization, test preparation, memorization techniques, and time management – these are just some of the topics we will discuss in this course. So, are you ready for the challenges of the upcoming school year?

The Math of Harry Potter

Rising 6-9 | Session 2, 7 | Instructor: Anne Hurley

Full (9a-4p) \$270 | Half +Plus (9a-1:30p) \$165 | Half (9a-11:30a) \$135

Find the magic in mathematics as we explore the wizarding novels of JK Rowling. Discover the geometry of three dimensions, make patterns of prime numbers in curious kinds of money, and follow deductive logic to save the day.

The Physics of Superheroes

Rising 6-9 | Session 5 (M-TH) | Instructor: Anne Hurley

Full (9a-4p) \$220 | Half +Plus (9a-1:30p) \$140 | Half (9a-11:30a) \$110

Superheroes solve problems, even if that means going back in time to before they caused the problem in the first place. Explore the logic and reasoning that help us choose solutions to different kinds of problems as well as the physics and math behind different super powers and devices. Build your own tesseract, infinity gem not included.

Writing in Nature

Rising 6-9 | Session 1 (T-F) | Instructor: Colleen Vaughan

Full (9a-4p) \$220 | Half +Plus (9a-1:30p) \$140 | Half (9a-11:30a) \$110

Come join us in learning how to draw inspiration from nature. We will learn to observe the world around us and take what we see and apply it to our writing. We will learn how to write poetry, short stories, non-fiction, and more. We will spend time outside and learn from our experiences in nature. A field trip to a local park will also be an exciting part of this camp.

Arts & Sciences

Arts & Sciences classes require dress for mess attire.

Adventures & Survival Skills

Rising 6-9 | Session 5 (M-TH) | Instructor: Michelle Horne

Full (9a-4p) \$400 | No Half +Plus | No Half

Adventures & Survival Skills is an ideal combination of experiential learning, fun, and adventure. Rock climbing, hiking, canoeing, shelter building, and survival training make for an awesome four-day adventure. Participants are encouraged to get dirty and interact with the environment as they learn survival skills and gain knowledge and exposure to outdoor activities, wildlife, and bugs. No experience is required and all equipment and instruction are provided. ***This program includes two off-site adventures of rock climbing and canoeing. Waivers are required for each participant for the sites we will visit and will be sent via email prior to the first day of camp. Students should come prepared for any weather, ready to perform the activities asked of them and be able to swim.***

Amateur Animators

Rising 6-9 | Session 3 | Instructor: Cat Mailloux

Full (9a-4p) \$280 | Half +Plus (9a-1:30p) \$170 | Half (9a-11:30a) \$140

How are your favorite Pixar or Disney movies made? Do you have a knack for playing on iPads and iPhones? Come join us to demystify the movie making process and harness modern technology to learn how to make your own animations using basic stop-motion construction techniques. Explore drawing, flip books, building with clay, and storytelling in this crash course on making things move. Celebrate at the end of the week in a film festival of animated shorts showcasing your creative and quirky animations.

Arduino Robotics Programming

Rising 6-9 | Session 1 (T-F) | Instructor: CodeMonster Staff

Full (9a-4p) \$340 | No Half +Plus | No Half

Let's build a working robot that students can bring home at the end of the camp, and let's program the robot intuitively using real programming language. This one-of-a-kind course teaches students robotic programming using a unique approach. We first introduce and discuss all the components needed for the robot build before actually building it. Once the robot is completed, we will program or give intelligence to the robot. This engaging robotics class provides a fun learning experience for students who love to build and code. We will use open sourced platform for our robotic building and c++ for coding. ***No prior knowledge of robotic programming is required for this course. Some form of coding like Scratch or equivalent is preferred.***

Aromatherapy 101

Rising 6-9 | Session 5 (M-TH) | Instructor: Tera Stockdale

Full (9a-4p) \$230 | Half +Plus (9a-1:30p) \$145 | Half (9a-11:30a) \$115

Do you love different scents, how they make you feel, and the nostalgia they bring? If so, this camp is for you! We will spend our week learning about the benefits of aromatherapy and how to create luxury and therapeutic products using natural elements. We will learn about the different properties and notes of the scents and how to use them in creating candles, mists, skin+body care, bath/soaking salts, and natural air fresheners. Campers will leave smelling better than ever with lots of goodies to share.

Artistic Jewelry Making

Rising 6-9 | Session 9 | Instructor: Rachelle Smith

Full (9a-4p) \$285 | Half +Plus (9a-1:30p) \$175 | Half (9a-11:30a) \$145

Design and create your own jewelry pieces in this creative camp for aspiring designers and crafters. Campers will make one-of-a-kind jewelry pieces, including bracelets, necklaces and earrings. This camp will conclude with a jewelry boutique where campers can showcase their handmade jewelry.

Be a Junior Counselor at CA

Rising 8-11 | Session 1-9 | Instructor: Jr. Counselor Ambassador

Full (9a-4p) \$100/ week (Sessions 1 and 5: \$80/ week)

Join our dynamic team this summer and put experience on your resume. This opportunity is a hands-on volunteer leadership experience for any student going into eighth through eleventh grade. Duties of a junior counselor include helping with camp activities, supporting a senior counselor, escorting campers, helping with check-in and snack time, and having fun in the sun at Columbus Academy. If you have not had a job before, this program will give you the experience you will need to succeed in your next opportunity and will give you leadership skills that will follow you the rest of your life. By becoming a part of our team, you will have fun, make friends, and learn valuable skills. Each participant will receive a certificate of completion and a review to put in his or her job portfolio. ***Students and a parent/guardian are required to attend a mandatory orientation on Saturday, May 30, from 12 to 2pm. This program is limited to ten participants per week, and spaces fill quickly.***

Board Game Strategy and Design

Rising 6-9 | Session 8 | Instructor: Rusty Oates

Full (9a-4p) \$270 | Half +Plus (9a-1:30p) \$165 | Half (9a-11:30a) \$135

The title says it all! This camp will be all about games. Card games, board games, outside games, computer games; you name it, we will play it! If you like playing games of all kinds, this camp is for you!

Breaking the Fourth Wall Acting Camp

Rising 6-9 | Session 9 | Instructor: Mckenzie Vaughn

Full (9a-4p) \$270 | Half +Plus (9a-1:30p) \$165 | Half (9a-11:30a) \$135

In Breaking the Fourth Wall Acting Camp, students will immerse themselves in fun and interesting monologues and scenes. Students will strengthen their diction, stage presence, and reading abilities. We will play fun and entertaining theatre games, use interesting theatre warm ups, learn how to audition for a play, and improvise on stage. We will also discuss where great theaters are located in the Central Ohio area! This year, we will perform the play *10 Reasons I Shouldn't Have Gone to School Today* in the Friday Showcase as well as in a presentation for parents/ family in the classroom.

Students should wear comfortable clothing and closed-toe shoes that are appropriate for movement. No sandals or flip flops.

Broadway Showstoppers: Now Playing!

Rising 6-9 | Session 8 | Instructor: Columbus Children's Theatre Staff

Full (9a-4p) \$295 | No Half +Plus | No Half

Join CCT's professional teaching artists in this camp designed for those who are ready to learn choreography, find their harmonies, and brush up on their acting skills! Campers will learn songs and scenes from recent Broadway shows such as *Wicked*, *Oklahoma*, and *Dear Evan Hansen*. Exercising their musical theatre skills, students will work in small and large groups to prepare to share their progress on the last day of camp, and to add "Triple Threat" to their resumes!

Bucket Drumming 101

Rising 6-9 | Session 6 | Instructor: Rusty Oates

Full (9a-4p) \$270 | Half +Plus (9a-1:30p) \$165 | Half (9a-11:30a) \$135

Come learn to turn household items into musical instruments! Bucket drumming, also called street drumming, is a style of music which involves drumming on plastic buckets and other objects to create melodies. The most common object used by bucket drummers are five-gallon plastic buckets, but other objects can be used, including glass bottles, pots, and pans. We will learn drumming techniques, rhythms, and learn how to turn just about anything into a musical opportunity. This camp can't be BEAT!

Build Your Own Interactive Augmented Reality & AI Game

Rising 6-9 | Session 7 | Instructor: Drobots Company Staff

Full (9a-4p) \$425 | No Half +Plus | No Half

The ultimate Augmented Reality (AR) and Artificial Intelligence (AI) camp. Can you tell the difference between a human and a robot? Learn about the design and programming behind modern digital assistant software like Alexa, Siri, and Cortana in this innovative camp. Students build their own artificial intelligence personality that can answer questions, complete requests, and chat about topics of their choosing using real HTML and JavaScript code. No prior experience is required. We provide all technology on location. Campers

will be thrilled to bring home their digital portfolio at the end of the week and continue to work on their AI creation or to share with friends or family. Pokemon Go, Harry Potter, Enderdragon or Creeper in Minecraft, and Goomba in Super Mario Maker are a few examples of games we will explore.

CA Marching Band Camp

Rising 6-9 | Session 5 (M-TH) | Instructor: Mckenzie Vaughn

Full (9a-4p) \$220 | Half +Plus (9a-1:30p) \$140 | Half (9a-11:30a) \$110

Ever wondered how the OSU marching band crosses the field with such ease and elegance? Have you ever wanted to learn to play your instrument and march at the same time with songs like Hang on Sloopy, We Will Rock You, or popular music from today's hits by artists such as Justin Bieber, Katy Perry, Selena Gomez or even Fallout Boy? Join us in CA Marching Band Camp, and you will learn to do just that! In this camp, students will play music popular in the marching band world. We will work on our marching technique and perform in the Friday Showcase. Students will be able to learn fun music along with marching and dance steps! **Students should bring their own band instrument (including clarinet, flute, trumpet, trombone, tuba, mellophone, oboe, saxophone). For drummers, please contact our office a minimum of three weeks in advance of camp for more information. Students are required to wear tennis shoes, bring a water bottle and sunscreen; sunglasses and visors are optional.**

Camp Pinterest

Rising 6-9 | Session 1 (T-F) | Instructor: Jennifer McGinnis

Full (9a-4p) \$240 | Half +Plus (9a-1:30p) \$150 | Half (9a-11:30a) \$120

Camp Pinterest is a week of crafting using inspiration from Pinterest. Students will create a variety of projects using many types of media. Some projects will include crayon melting, wood string art, and painting on canvases. Students will also have the opportunity to find a project on Pinterest they would like to create, and we will take a field trip to a local craft store where students will be able to find materials for their project. It will be a very fun week of crafting and being creative!

Chess Masters

Rising 6-9 | Session 6 | Instructor: Kyle Jones

Full (9a-4p) \$280 | Half +Plus (9a-1:30p) \$170 | Half (9a-11:30a) \$140

Chess Masters provides students with the most advanced curriculum to prepare them for tournament play. Students will be given the necessary tools to be able to create reasonable plans in complex positions. Campers will learn advanced tactical themes. Each day students will participate in our very own tournament to put their strategies to the test.

Classical Competition

Rising 6-9 | Session 7 | Instructor: Franz Gruber

Full (9a-4p) \$270 | Half +Plus (9a-1:30p) \$165 | Half (9a-11:30a) \$135

Classical Competition is a fun game for the young scholar with a classical bent. If you are a Classical Mythology wizard, a Greek and Roman history expert, a Harry Potter fan, or just someone who likes to learn more about the classical roots of English words, then we have the game for you. You will also have the chance to perform a play that you write with your fellow campers that we call "Modern Myth." Classical Competition will implore you to compete. In the end, it all comes down to the buzzer.

Clay Play!

Rising 6-9 | Session 8 | Instructor: Tera Stockdale

Full (9a-4p) \$295 | No Half +Plus | No Half

Have fun playing in the dirt! Clay Play students will create a variety of functional and decorative ceramic pieces through traditional and experimental techniques. We'll examine construction methods and get creative with everyday objects and natural items to create texture and patterns. Learn to silkscreen your bisque pieces for endless combinations of designs. Come join us as we put our hands in the mud while learning about the history and science of clay!

Comedy Magic

Rising 6-9 | Session 4 | Instructor: Carroll Baker
Full (9a-4p) \$305 | No Half +Plus | No Half

Everyone loves magic, and they really love learning and performing it! Carroll Baker's classes are a great way to have fun learning to become an amazing magician, performer, and presenter. Beyond the entertainment value, magic helps improve digital dexterity, coordination, visual perception, spatial relationships, critical thinking, creativity, public speaking skills, self-confidence, and imagination. This class will focus on fun and easy magic, comedy styles and how to incorporate them into a show. On the last day of camp, we will take a field trip to the local magic shop and perform on stage in the Friday Showcase.

Creative Engineering

Rising 6-9 | Session 2 | Instructor: Funtastic Workshops Staff
Full (9a-4p) \$320 | No Half +Plus | No Half

Work with an advanced three dimensional construction kit that is yours to keep and take home. Design and build simple or complex models of a vehicle, a robot, moving creatures, or buildings. You will also get your own 3-volt geared motor. Learn the many ways you can make your motor run. Hands-on is the only way, so prepare to build from instructions and from your own imagination!

Discover Ohio

Rising 6-9 | Session 9 | Instructors: Amanda Vesner and Johari Mitchell
Full (9a-4p) \$550 | No Half +Plus | No Half

Join us on an adventure across Ohio to discover our hidden treasures. In this class, we will travel each day to a "hot spot" that you will want to return to again and again. Rainforests? We've got them. Stingrays? You guessed it. We've got them, too! Roller coasters? Absolutely some of the best! This is a nonstop exploration of the best Ohio has to offer. **Students are required to pack a nut free lunch each day.**

☞ This is a traveling/off-site program.

Engineering and Problem Solving with Woodworking

Rising 6-9 | Session 8 | Instructor: Shaun Ditty
Full (9a-4p) \$310 | No Half +Plus | No Half

Throughout the week, students will have the opportunity to learn about a variety of famous and influential designers and architects. Students will be given design challenges to overcome, asked to think critically and plan ahead, and ultimately work together to create life-size boats by the end of the week. In addition to boat creation, students will work on creating detailed multi-step building plans, 3 view project drawings, work on a free choice project, and build a modern chair to take home. Previous woodworking experience is not necessary, but certainly welcome.

Everything Yarn

Rising 6-9 | Session 5 (M-TH) | Instructor: Djuana Okotete
Full (9a-4p) \$220 | Half +Plus (9a-1:30p) \$140 | Half (9a-11:30a) \$110

Are you creative? Do you love to vibe to music while making cool things? Well, this is the class for you! In Everything Yarn, we will visit a local craft store where you will pick out your favorite colored yarn and then create something that will last forever. Not only will you learn to crochet, but you will so learn to zen out and vibe with friends. You will also learn how to market products or present them as gifts. Join today and learn to crochet!

Extreme Medical School®

Rising 6-9 | Session 8 | Instructor: Little Medical School Staff
Full (9a-4p) \$410 | No Half +Plus | No Half

We offer a one-of-a-kind learning experience for students. This hands-on, in depth experience puts the student in the role of the physician, complete with a white coat and real stethoscope. Through interactive and creative demonstrations, crafts, and projects, students see how the body works and what goes wrong with disease states. Our "student doctors" not only learn how to use a stethoscope, but also learn what they are hearing when they

listen to the heart beat. We discuss why murmurs sound the way they do, and they get their first looks at EKG's. As "student surgeons", they learn how to sew like a real surgeon, tie knots, and complete a hernia repair! In the blood section, they make a model of normal blood, and then see first-hand what goes wrong with leukemia and sickle cell disease. We will also focus on the business aspect of Medicine. What does it take to set up and run your own private practice? Students will learn important emergency life skills in this camp! This is just a sampling of the many exciting topics we will explore during this week.

Fun with Photography

Rising 6-9 | Session 2 | Instructor: Genevieve Adkins
Full (9a-4p) \$270 | No Half +Plus | No Half

This class is ideal for anyone wanting to learn about photography in a fun way. Students will learn basic photography techniques and apply them in the field. We will explore the techniques of color, light and shadow, lines, the rule of thirds and positive and negative space. We will practice these skills around the Columbus Academy campus and use them to complete various projects. Our images will then be presented in a gallery at the end of the week. **Students are required to bring a basic digital camera (the more options on the camera the better, but a basic point and-shoot will work fine as well).**

Games Throughout History

Rising 6-9 | Session 2 | Instructor: Amanda Vesner
Full (9a-4p) \$270 | Half +Plus (9a-1:30p) \$165 | Half (9a-11:30a) \$135
Have you ever wondered how board games and card games were invented? What about where they came from? Then this is the camp for you! During the week, we will explore the history and learn how to play the games Go, Mahjong, Backgammon, and Rummy just to name a few.

Harry Potter's Defense Against the Dark Arts

Rising 6-9 | Session 1 (T-F) | Instructors: Sarah Dove and Ryann Patrus
Full (9a-4p) \$220 | Half +Plus (9a-1:30p) \$140 | Half (9a-11:30a) \$110
In the world around us, sometimes we witness injustice. Through an exploration of similar moments of injustice in the Harry Potter series, campers will be encouraged to conjure up their own magic through the power of critical thinking in order to provide creative solutions to confronting injustice in the world around them. As a class, we will come up with a strategic flow chart for how the theme of the day could reach a solution that would dissolve the darkness of injustice.

Healthy Hippie Home Ec

Rising 6-9 | Session 1 (T-F) | Instructors: Laura Berger and Adam Maynard
Full (9a-4p) \$240 | No Half +Plus | No Half

Ready to play in the dirt? Make delicious foods from scratch? Become more creative, mindful and in-tune with your body, and perform science experiments that you can eat? Then join us to get back to your roots! Brother and sister duo of a registered dietitian/nutritionist and a professional dance and music educator team up to present a holistic program incorporating tools from the arts and sciences with an emphasis on healthy living in the 21st century. Each day we will explore four components of health and wellness: food science, movement and mindfulness, cooking skills, and

gardening. Hands-on activities will allow participants to not only learn the “whys and hows” behind each component, but also allow them to practice and master new skills. Each class will build on the previous day’s work with activities such as fermentation to make probiotic sauerkraut and yogurt; planting and composting; tasting and noting; from-scratch cooking techniques including sautéing, roasting, and making homemade stocks/broths; meditation, mindful movement, listening and communication exercises. Participants will take home the fruits of their labor each day!

iDesign: Engineering in a Makerspace

Rising 6-9 | Session 4 | Instructor: Todd Martin

Full (9a-4p) \$295 | No Half +Plus | No Half

Explore all that a Makerspace has to offer with this engaging engineering experience. Participants will apply the engineering design process as they create and make products using 3D printers, CNC, a laser cutter, mold making and more. Students will also have a chance to create prototypes with a wide range of materials including vinyl, foam and wood. Each day will include CAD design, electronics and robotics challenges. No prior engineering or design experience required. Let’s make something!

Improv 101

Rising 6-9 | Session 1 (T-F) | Instructor: Columbus Children’s Theatre Staff

Full (9a-4p) \$240 | No Half +Plus | No Half

Comedy is a collaboration- with the guidance of CCT’s professional teaching artists, campers will stretch their improvisational muscles in lessons and games that encourage them to think on their feet and work as a team. Campers can expect engaging theatre games, improv skill-building sessions, and lots of community building. This supportive, silly, and judgement-free environment will boost confidence and prepare campers to leave the room breathless with laughter as they perform favorite games for family and friends on the last day of camp.

Interpretive Dance

Rising 6-9 | Session 7 | Instructor: Kathy Mendenhall

Full (9a-4p) \$280 | No Half +Plus | No Half

Interpretive Dance is an energetic and creative class that blends ballet, modern, lyrical, jazz, and some sign language. Blending these dance forms causes a uniqueness that speaks to each child differently. They are encouraged to flow, within a framework, the way their bodies interpret what they feel, hear, and see with the musical pieces. As we dance and create together, each day brings a special unity, fluidity, and passion that is hard to put into words, but its beauty can be felt and seen. It is truly a great experience! ***Students are required to wear comfortable clothing that allows for free movement and ballet shoes.***

Japanese Ceramics, Art, Culture, and Raku

Rising 6-9 | Session 4 | Instructors: Coral Lee Bishop and Tera Stockdale

Full (9a-4p) \$295 | No Half +Plus | No Half

How did the samurai eat dinner? What is a tea ceremony really about? Learn the answer to these and other cool Japanese things of the past and present through designing, decorating and making your own ceramic pieces! We will experience the culture of Japan through daily activities that bring to life ancient and modern Japanese traditions, foods and customs as we learn and create our own pieces of pottery. Students will create works that represent the Mingei crafts movement and will participate in a special Raku firing at the end of the week while learning about the language, traditions and characters connected to these ancient arts. Bring your o-hashis (chopsticks) and join us as we explore the land of the rising sun!

Kids Creative Programming with Python

Rising 6-9 | Session 6 | Instructor: CodeMonster Staff

Full (9a-4p) \$420 | No Half +Plus | No Half

This course is designed for students that have done some level of programming like Scratch and are ready to move on to the next level. We will introduce Python’s basic programming constructs to campers as well as simple graphic drawing using the Turtle module. Simple data types and structures will be introduced and code organization using functions. We will take a shallow dive into Object Oriented programming concept and explore how Object Oriented concepts can be used and applied in the real world.

Manga and Anime

Rising 6-9 | Session 2 | Instructor: Coral Lee Bishop

Full (9a-4p) \$270 | Half +Plus (9a-1:30p) \$165 | Half (9a-11:30a) \$135

Come explore the world of manga and anime! We will spend five days learning about and drawing cartoons in the manga and anime style. We will also discuss how elements of Japanese culture are intertwined in this style. Students will create their own original characters and will use a variety of facial expressions and actions to illustrate scenes. We will also learn about cos-play, cons, and other elements of Japanese current and pop culture as reflected in manga and anime around the world!

Minecraft Mod Creation: EnderDragon Rider

Rising 6-9 | Session 8 | Instructor: DroBots Company Staff

Full (9a-4p) \$425 | No Half +Plus | No Half

Saddle up for the ride of your life with Mod Creation - EnderDragon Rider. This exciting camp teaches students how to create a rideable EnderDragon mod that students can play with friends and family. One of our most requested mods ever, Mod Creation - EnderDragon Rider, will teach students how to code in Java using the Eclipse IDE, a professional tool used by engineers at software companies like Amazon, Google, and Facebook. Students will learn important coding concepts such as conditionals, loops, inheritance, methods, arrays, and more.

Next Top Chef

Rising 6-9 | Session 3 | Instructor: Young Chefs Academy Staff

Full (9a-4p) \$310 | No Half +Plus | No Half

Do you have what it takes to be the Next Top Chef? Join us as we learn different cooking, plating, presentation, and garnishing techniques, while creating delicious and impressive recipes. Each day will consist of a different competition based on popular TV shows including Chopped, Iron Chefs, and Nailed It! Lessons include homemade breads, sauces and international cuisine. Every day is a chance to learn new techniques! At the end of each day, campers will prepare, plate, and present their final dishes to judges to see who is the Top Chef! All experience levels are welcome.

Operation Service

Rising 6-9 | Session 7 | Instructor: Angela Martin

Full (9a-4p) \$280 | No Half +Plus | No Half

Dr. Martin Luther King said, “Life’s most persistent and urgent question is, ‘What are you doing for others?’” Service is a great way to learn about oneself, discover gratitude and empathy, and give back to our local communities. Join service leader, Angela Martin, for a week of service as we visit nonprofits who can greatly benefit from acts of kindness. We will discover local nonprofits and learn how a little help goes a long way. Make new friends, make a difference in someone’s life, and make memories to last a lifetime. This program includes two day-long field trips.

Our Earth Conservation Connection

Rising 6-9 | Session 5 (M-TH) | Instructor: Luke Howard

Full (9a-4p) \$220 | No Half +Plus | No Half

Our Earth is something we all have in common and taking care of it is something everyone can do! This week-long course will focus on hanging out with trees and getting to know our neighbors better. Taking care of

our soil and learning that it isn't just dirt beneath our feet. Learning how to reduce our waste, reuse/repurpose what we have, and recycle what we can. We will also learn how pollinators interact with nature and how that interaction is key to the function of so many things, even how our food gets to our table. Lastly, we will get to see how our food might be our most important tool to connect us with nature and encourage a beneficial relationship with our planet and with others.

Pay it Forward

Rising 6-9 | Session 3 | Instructor: Little Scholars Staff
 Full (9a-4p) \$280 | Half +Plus (9a-1:30p) \$170 | Half (9a-11:30a) \$140
 Pay it Forward is a unique opportunity for students to learn how to impact the world around them. Our leaders will learn about public speaking, civic involvement and community outreach opportunities with an engaging curriculum to channel their desire to have a positive impact on the world around them.

Project Business

Rising 6-9 | Session 8 | Instructor: Angela Martin
 Full (9a-4p) \$280 | No Half +Plus | No Half
 Do you want to own your own business when you grow up? Do you have an idea for an exciting product or service? Join us in Project Business where we will establish business and services from start to finish; brainstorming ideas, performing analysis of sustainability and long term growth potential, marketing plans, sales techniques, and how to bring to the public for sale and ultimately earnings. This is a great camp for the budding entrepreneur who is looking for a better understanding of what goes into a successful business and how to take an idea and make it profitable.

Restaurants, Burger Joints, and Food Trucks!

Rising 6-9 | Session 5 (M-TH) | Instructor: Laurel Welsh
 Full (9a-4p) \$230 | No Half +Plus | No Half
 Spend a week with Ms. L and create your own imaginary food truck business! We will cover the basics of economics, what it is like to be an entrepreneur and start a food truck business. You will be able to create your own menu with prices, figure out how much the supplies will cost, and create your own 3D model of your food truck!

Roblox 3D Game Development: Battle Royale

Rising 6-9 | Session 3 | Instructor: Drobots Company Staff
 Full (9a-4p) \$425 | No Half +Plus | No Half
 In this popular camp, students will create a Fortnite-style Battle Royale game in Roblox! Students will learn both the basics of 3D game development and fundamental programming concepts using the Lua programming language. This camp is designed for beginner to intermediate students who are interested in both programming and game development.

Science in the Summer

Rising 6-9 | Session 4, 6 | Instructors: Genevieve Adkins & Kathryn Livingston
 Full (9a-4p) \$270 | Half +Plus (9a-1:30p) \$165 | Half (9a-11:30a) \$135
 This is a hands-on class where campers will begin by performing labs and investigations to learn the elements of a good experiment. Campers will then

apply what they have learned to an experiment of their own design! We will collect data, create graphs to analyze our data and visually present our findings to the public. In this class, students with an inquisitive mind or a creative passion for the sciences can hone their skills and apply them to their own line of study.

Scrapbooking

Rising 6-9 | Session 4 | Instructor: Colleen Vaughan
 Full (9a-4p) \$285 | Half +Plus (9a-1:30p) \$175 | Half (9a-11:30a) \$145
 Have you ever wondered what scrapbooking is all about? Do you want to remember the details from daily life events? In this camp, you will learn the basic skills you'll need to create your first scrapbook. All beginners (as well as experienced scrappers) will learn about scrapbooking tools, basic layout elements, photo matting, and storing your memories. **Scrapbookers will need to bring plenty of pictures to use.**

Shakespeare's Comedies

Rising 6-9 | Session 3 | Instructor: Columbus Children's Theatre Staff
 Full (9a-4p) \$295 | No Half +Plus | No Half
A Midsummer Night's Dream, As You Like It, Twelfth Night- these are just some of Shakespeare's many comedies. Join CCT as we dive into some of the Bard's most magical and interesting works in this camp that will bring new life to classic stories. Campers will develop acting skills such as comedic timing and characterization, learn how to decode the language of Shakespeare's time, investigate how the Elizabethan era influenced these comedies and how they apply to our modern world, all while having a lot of fun building an ensemble! Our Shakespearean troupe will perform scenes from their favorite plays on the final day of camp.

Street Magic

Rising 6-9 | Session 7 | Instructor: Carroll Baker
 Full (9a-4p) \$305 | No Half +Plus | No Half
 Children love magic, and they really love learning and performing it! Carroll Baker's classes are a great way for your child to have fun learning to become an amazing magician, performer, and presenter. Beyond the entertainment value, magic helps improve digital dexterity, coordination, visual perception, spatial relationships, critical thinking, creativity, public speaking skills, self confidence, and imagination. Learn to perform magic like David Blaine and Criss Angel to name just a couple of the best. On the last day of camp, we will take a field trip to the Short North to perform on the street and when we return to CA, we'll go on stage in the Friday Showcase.

Techie Camp: Kano Computing

Rising 6-9 | Session 9 | Instructor: TECH CORPS Staff
 Full (9a-4p) \$395 | No Half +Plus | No Half
 Build a computer and learn how to code with Kano Computer kits! Complete different coding challenges that teach fundamental coding concepts and unleash creativity. The Kano computers are powered by a Raspberry pi 3, a single board computer designed to put the power of coding in the hands of people all over the world. Type code and drag blocks to learn Python, JavaScript and Unix. Gain XP as your coding skills level up and share your code creations with your friends on Kano world. By the end of the week, students will have an understanding of loops, variables, and logic and how to apply them in different ways.

Techie Camp: Minecraft Code Connection

Rising 6-9 | Session 2 | Instructor: TECH CORPS Staff
 Full (9a-4p) \$395 | No Half +Plus | No Half
 Explore the world of Minecraft while mining, building, and surviving with code! Learn JavaScript using block based commands that allow users to control the world around them. Work with a team to build a fortress or even manipulate the environment. Use loops, conditionals, variables, and functions to complete a variety of different challenges. Code your way through an open world with endless possibilities.

Athletics & Sports Clinics

Adventure Sailing

Rising 6-9 | Session 9 | Instructor: Hoover Sailing Club Staff

Full (9a-4p) \$350 | No Half +Plus | No Half

This class is a continuation of the beginner Learn to Sail program offered in Summer Experience. For those that just want more time on the water, we've introduced the Adventure Sailing track, focusing on having fun on the water and alternative sailing and watercraft experiences. Large sailboats, windsurfers, high performance sailing, SUP's, kayaks, long distance sailing adventures, and general messing about in boats will be covered in this session. We'll fly spinnakers on big boats and Hoover Sailing Club's US Sailing Certified Instructors will provide hands-on instruction with the students in this class. We'll even mix in some STEM modules to reinforce some of the advanced topics we'll be teaching in this course. **Students are required to have completed at least one session of the beginner Learn to Sail program to enroll in this course. Students also must pack a peanut and tree nut free lunch, and bring your own USCG approved life jacket. Sailing is a very physical activity; occasional bumps and bruises can occur. Please advise your child's counselor if there are any issues of which we might need to be aware. A Hoover Sailing Club release form is also required for every participant and will be distributed via email before camp begins.**

☞ This is a traveling/off-site program.

Artistic Swimming: A Synchronized Swimming Experience

Rising 6-9 | Session 6 | Instructor: Ohio Coralinas Synchro Staff

Full (9a-4p) \$295 | Half +Plus (9a-1:30p) \$180 | Half (9a-11:30a) \$150

Swimming, Dance, and Gymnastics - Synchronized Swimming combines all three of these great activities into one fun experience! Using games, props, and music, we will explore the artistic side of swimming. During the course of the week, campers will learn synchronized swimming skills while putting together a special water show to be performed on Friday for parents and friends! **Campers should be able to swim the length of the pool (25 yards) unassisted and be comfortable in the deep end.**

Baseball AM Clinic/ Sports & More PM Camp

Rising 3-8 | Session 4 | Clinic Instructor: Tyler Kuhn

Sports & More Instructors: Zach Besand, Nic Eader, & Ryan Jenkins

Full (9a-4p) \$285 | Clinic +Plus (9a-1:30p) \$200 | Clinic Only (9a-11:30a) \$170

Join us for a week full of baseball fun! As a former professional baseball player and NCAA All-American, Tyler Kuhn will be sharing the knowledge he has gained through his years of playing and coaching in an action-packed week for players of all skill levels. Players can expect to improve their fundamental skills through various drills and simulated game situations on Columbus Academy's baseball field. It will be a week filled with learning and fun! **Participants are required to bring their own baseball glove, water bottle, and sunscreen. Cleats and baseball bats are optional.**

Please Note: To make a full day schedule, Sports Clinics can only be paired with our Sports & More program or another Sports Clinic occurring in the same week. Please see page 52 for the Sports & More class description.

Boys' Basketball PM Clinic/ Sports & More AM Camp

Rising 3-8 | Session 4 | Clinic Instructor: Jeff Warstler

Sports & More Instructors: Zach Besand, Nic Eader, & Ryan Jenkins

Full (9a-4p) \$285 | Clinic +Plus (11:30a-4p) \$200 | Clinic Only (1:30p-4p) \$170

The Columbus Academy basketball program will once again host its clinic for all boys entering third through eighth grade. We encourage participation from young men with positive attitudes who are interested in having a great time, improving their skills, and learning more about playing this ultimate team game! Through a combination of drills, stations, and individual and team games, boys' head basketball coach Jeff Warstler, members of the CA coaching staff, special guest speakers, and players from the CA basketball program will teach the basic yet crucial fundamentals of basketball, namely ball handling, passing, shooting, and defense. **Participants are required to bring a nut free snack, water bottle, and towel.**

Please Note: To make a full day schedule, Sports Clinics can only be paired with our Sports & More program or another Sports Clinic occurring in the same week. Please see page 52 for the Sports & More class description.

Boys' Lacrosse AM Clinic/ Sports & More PM Camp

Rising 2-9 | Session 6 | Clinic Instructor: Neal O'Brien

Sports & More Instructors: Zach Besand, Nic Eader, & Ryan Jenkins

Full (9a-4p) \$285 | Clinic +Plus (9a-1:30p) \$200 | Clinic Only (9a-11:30a) \$170

Learn about the fastest sport on two feet! Lacrosse is America's oldest sport, with roots to Native American tribes dating back to 1100 AD. Lacrosse is an OHSAA sanctioned, spring sport, and is among the fastest growing, most popular sports in the U.S. This an instructional camp that focuses on basic skills, rules of the game, general concepts, and player safety. The clinic will be led by the coaches of the Columbus Academy Varsity and Middle School programs, along with current Varsity team members and guest coaches.

It is preferred that players provide their own equipment; however, equipment may be provided if the staff is notified in advance.

Please Note: To make a full day schedule, Sports Clinics can only be paired with our Sports & More program or another Sports Clinic occurring in the same week. Please see page 52 for the Sports & More class description.

Chiller Intro to Ice Hockey

Rising 6-9 | Session 9 | Instructor: Chiller Staff

Full (9a-4p) \$360 | No Half +Plus | No Half

This camp will introduce your student to ice hockey, no experience required! In addition, this camp will engage them in fun activities, games, and projects related to ice hockey so they can "get inside the game". Camp includes at least two hours of ice skating per day instructed by our professional skating coaches. Off-ice activities include indoor and outdoor games, projects related to hockey, as well as guest appearances by local experts. Your student will receive a skating and hockey evaluation at the end of camp. **Students are required to pack a peanut and tree nut free lunch each day.**

☞ This is a traveling/off-site program.

FUNctional Fitness: CrossFit For Kids

Rising 6-9 | Session 2 | Instructor: CrossFit New Albany Staff/ Matt Wilson

Full (9a-4p) \$300 | Half +Plus (9a-1:30p) \$180 | Half (9a-11:30a) \$150

Join us to improve speed, strength, flexibility and stamina through a combination of fun and challenging total body exercises. Our trainers work hard and like to have fun with the campers. We focus on proper movement and skills that will carry over to a lifetime of fitness. Our program is for everyone no matter your age or skill level. We will help you to improve every day. **Campers should wear shoes, athletic apparel and bring a water bottle.**

Fundamentals of the Game

Rising 6-9 | Session 9 | Instructor: Luke Barricklow
 Full (9a-4p) \$270 | Half +Plus (9a-1:30p) \$165 | Half (9a-11:30a) \$135
 Students will learn the fundamentals of several different sports. They will be able to play a variety of sports including soccer, basketball, football, baseball, tennis, golf, volleyball, and lacrosse. During each day, they will be taught all of the different skills needed to play each sport through various drills, games, and fun competitions. Students will culminate each day with live games in their respective sports. **Students are required to bring a water bottle and wear athletic shoes - no flip flops or sandals.**

Girls' Basketball PM Clinic/ Sports & More AM Camp

Rising 3-8 | Session 3 | Clinic Instructor: Heather Rakosik
 Sports & More Instructors: Zach Besand, Nic Eader, & Ryan Jenkins
 Full (9a-4p) \$285 | Clinic +Plus (11:30a-4p) \$200 | Clinic Only (1:30p-4p) \$170
 She shoots, she scores! Be a basketball star at CA. This girls' basketball clinic will involve learning and utilizing fundamental basketball skills. Girls will learn and practice ball skills, shooting skills, and basic fundamental principles in various drills and game situations. The clinic is designed for experienced players to improve on their skills, as well as for beginners to learn about the game of basketball. Come on in and see just how fun and rewarding basketball can be!

Please Note: To make a full day schedule, Sports Clinics can only be paired with our Sports & More program or another Sports Clinic occurring in the same week. Please see page 52 for the Sports & More class description.

Girls' Field Hockey AM Clinic/ Sports & More PM Camp

Rising 2-8 | Session 1 (T-F) | Clinic Instructor: JoAnne Adams
 Sports & More Instructors: Zach Besand, Nic Eader, & Ryan Jenkins
 Full (9a-4p) \$230 | Clinic +Plus (9a-1:30p) \$165 | Clinic Only (9a-11:30a) \$135
 Ladies...we have turf! We are thrilled to announce that this year's camp will again be held on the turf fields at Resolute Athletic Complex (formerly the Sports Barn)! We have rented space to give camp the smooth turf surface and perfect weather and temperatures! Be a part of the tradition at Columbus Academy by learning the sport of field hockey from State Championship winning coaches and top-notch players. This clinic is a great way to learn the dynamic sport of field hockey. Clinic sessions are creatively designed to teach the hockey basics: dribbling, passing, receiving, pulls, dodges, and more for younger players while preparing older girls for middle school competition. It doesn't matter if you are a first year player or an experienced middle school veteran, we will help you improve your game! We can't wait to share our love of the game on the turf fields at Easton this summer! **If you need to purchase equipment, please contact Coach Adams at Adams@columbusacademy.org. This clinic will meet at Resolute Athletic Complex (formerly the Sports Barn) at Easton. For location and more information, please visit <http://resolute-athleticcomplex.ezleagues.ezfacility.com>.**

☞ This is a traveling/off-site program.

Please Note: To make a full day schedule, Sports Clinics can only be paired with our Sports & More program or another Sports Clinic occurring in the same week. Please see page 52 for the Sports & More class description.

Girls' Lacrosse AM Clinic/ Sports & More PM Camp

Rising 3-8 | Session 3 | Clinic Instructor: Jill Byers
 Sports & More Instructors: Zach Besand, Nic Eader, & Ryan Jenkins
 Full (9a-4p) \$285 | Clinic +Plus (9a-1:30p) \$200 | Clinic Only (9a-11:30a) \$170
 Girls' Lacrosse clinic is designed to teach the basic technical fundamentals of the sport. This game is played with a ball and a stick, so campers can expect to learn everything from passing to catching, shooting mechanics, cradling drills, various dodging techniques, defensive positioning and of

course, stick tricks! No previous playing experience is necessary. **Students are required to bring cleats or turfs, lacrosse stick, goggles and mouthpiece.**

Please Note: To make a full day schedule, Sports Clinics can only be paired with our Sports & More program or another Sports Clinic occurring in the same week. Please see page 52 for the Sports & More class description.

Girls' Soccer AM Clinic/ Sports & More PM Camp

Rising 5-8 | Session 2 | Clinic Instructor: Matt Thompson
 Sports & More Instructors: Zach Besand, Nic Eader, & Ryan Jenkins
 Full (9a-4p) \$285 | Clinic +Plus (9a-1:30p) \$200 | Clinic Only (9a-11:30a) \$170
 Coming off of its most successful season in school history, the Columbus Academy girls soccer program will host its first annual clinic for girls entering grades five through eight. Campers will learn skills, develop fundamentals, and build a foundation for playing the world's most popular game. Learn from members of the girls varsity coaching staff, as well as current and former players. Through a combination of challenging drills and individual and team games, campers will leave with tools that will allow them to keep improving as players. We will work on dribbling, passing and receiving, defense and, of course, finishing. Each day will conclude with small sided games designed to capitalize on lessons learned over the course of the camp. We welcome all experience levels and ask only that you bring a positive attitude, willingness to work hard and an interest in improving as a soccer player. **Students should bring/ wear: a water bottle, shin guards, soccer socks (socks that cover your shin guards completely), cleats, sunscreen, sneakers (for indoors in case of inclement weather only), and a nut-free snack.**

Please Note: To make a full day schedule, Sports Clinics can only be paired with our Sports & More program or another Sports Clinic occurring in the same week. Please see page 52 for the Sports & More class description.

Girls' Volleyball PM Clinic/ Sports & More AM Camp

Rising 2-8 | Session 2 | Clinic Instructor: Heather Welsh
 Sports & More Instructors: Zach Besand, Nic Eader, & Ryan Jenkins
 Full (9a-4p) \$285 | Clinic +Plus (11:30a-4p) \$200 | Clinic Only (1:30p-4p) \$170
 Come join the fun with the lifetime sport of volleyball! This is a great way to introduce young children to volleyball by using team building activities and learning valuable skills. Come check out just how fun volleyball can be! In this program, girls will learn how to pass, set, hit, serve, and play in group situations. There will be coaches, as well as Columbus Academy Upper School players assisting the younger participants.

Please Note: To make a full day schedule, Sports Clinics can only be paired with our Sports & More program or another Sports Clinic occurring in the same week. Please see page 52 for the Sports & More class description.

Grades Plus Game

Rising 6-9 | Session 5 (M-TH) | Instructor: Francwau DuBose
 Full (9a-4p) \$240 | Half +Plus (9a-1:30p) \$150 | Half (9a-11:30a) \$120
 Come out and have fun with the Grades Plus Game program which is an innovative math and science program designed to integrate academics and physical education through sports and cooperative games!

History and Sport of Archery

Rising 6-9 | Session 7 | Instructor: Charles Brodhead
 Full (9a-4p) \$290 | Half +Plus (9a-1:30p) \$175 | Half (9a-11:30a) \$145
 Come join us and learn the basic skills and history of Archery. The skill of Archery has been used since the dawn of time; first for hunting, then for warfare, and in modern times, for sport. Campers will experience first-hand one of our oldest sports through daily study, practice, and challenges.

Krav Maga Style Self Defense and Bully Prevention

Rising 6-9 | Session 9 | Instructor: Koguryo Martial Arts Academy/ Jared Circle
 Full (9a-4p) \$300 | Half +Plus (9a-1:30p) \$180 | Half (9a-11:30a) \$150
 Krav Maga is widely regarded for its simple and direct self defense techniques that can be learned in a short time frame. In this camp, students will learn a week-long curriculum of not only the physical skills necessary for defense, but, moreover, they will be empowered with strategies and the confidence necessary to avoid situations and de-escalate scenarios. Campers will also enjoy fun activities, relevant video topics, and role play as they rehearse their bully prevention strategies!

Learn to Sail

Rising 6-9 | Session 3 | Instructor: Hoover Sailing Club Staff
 Full (9a-4p) \$350 | No Half +Plus | No Half
 Hoover Sailing Club has offered sailing instruction for Central Ohio youth for over 45 years. Your child will experience the joy of skippering a dinghy from our fleet during his or her very first lesson. Our experienced US Sailing certified staff will teach basic safety and boat skills. Your child will learn to sail up-wind, down-wind, tack, jibe, and recover from a capsize. Our picturesque property and remodeled facilities will provide your youngster with a week he or she will remember for years to come. **Students are required to pack a peanut and tree nut free lunch, and bring your own USCG approved life jacket. Sailing is a very physical activity; occasional bumps and bruises can occur. Please advise your child's counselor if there are any issues of which we might need to be aware. A Hoover Sailing Club release form is also required for every participant and will be distributed via email before camp begins.**
 ☞ This is a traveling/off-site program.

Nerf It Up!

Rising 6-9 | Session 8 | Instructor: Joel Reed
 Full (9a-4p) \$410 | No Half +Plus | No Half
 The Nerf Bodacious factor is off the charts during this camp. Think you can't get enough Nerf? This is the camp for you. We'll be battling until you drop! We only stop for water and to change teams. We play single elimination, capture the flag, Star Wars, the Hunger Games and more! You will have a blast! **Course fee includes all Nerf gear that students get to take home at the end of the week.**

Olympic Fencing

Rising 2-8 | Session 8 | Instructor: Royal Arts Fencing Academy Staff
 Full (9a-4p) \$295 | No Half +Plus | No Half
 Have you ever wanted to be Zorro, d'Artagnan, the Dread Pirate Roberts, Captain Jack Sparrow, Robin Hood, or a Jedi Knight? Learn the noble art of fencing, including information about swords, moves, competitions, and future opportunities for Fencing Sport Scholarships. This course is specially created for participants of all fencing and athletic levels. On Friday, the students will participate in a real fencing tournament! Fencing equipment is provided. **Students are required to wear athletic shoes and socks.**

Perfecting Playground Play

Rising 6-9 | Session 6 | Instructor: Michelle Horne
 Full (9a-4p) \$270 | Half +Plus (9a-1:30p) \$165 | Half (9a-11:30a) \$135
 No standing around at recess! This camp will explore the many varieties of recess and playground games from some favorites like basketball and football to adapted versions like knock out and jackpot. We will play traditional games, discover variations to these, and learn other options like frisbee, foursquare, kickball and of course, ga-ga ball! Campers will experience as many games as possible during the week so they never have to worry about running out of recess games again! We will focus on good sportsmanship, cooperation, getting and staying active, and fun! **Students are required to bring a water bottle and must wear tennis shoes. No flip flops or sandals.**

Skateboarding

Rising 5-9 | Session 4 | Instructor: Chris Higgins
 Full (9a-4p) \$305 | No Half +Plus | No Half
 Come join us and learn the basics and more of skateboarding, one of the fastest growing sports in the world. While we will cover safety, equipment, and skateboarding etiquette, the emphasis will be on having fun and learning by spending as much time on our boards as possible. It doesn't matter if you are a first-time skater or a more experienced rider, this program will have something for everyone. Field trips to area skateparks will round out this exciting program. **Skaters are required to wear a helmet and bring their own skateboards; knee pads and elbow pads are recommended.**

Skateboarding Skatepark Road Trip Camp

Rising 3-9 | Session 9 | Instructor: Chris Higgins
 Full (9a-4p) \$450 | No Half +Plus | No Half
 Come join Chris Higgins and crew as we hit the road to skateboard at some of Columbus and Central Ohio's best skateparks! Skaters of all ages and skill levels will learn and have fun as we work on skating on all different types of skateparks and terrain. Camp will meet at Columbus Academy every day before we set off on an epic road trip to a different skatepark. **Students are required to pack a nut free lunch each day. Skaters are required to wear a helmet and bring their own skateboards; knee pads and elbow pads are recommended.**
 ☞ This is a traveling/off-site program.

Soccer AM Clinic/ Sports & More PM Camp

Rising K-8 | Session 1 (T-F) | Clinic Instructor: Ron Leach
 Sports & More Instructors: Zach Besand, Nic Eader, & Ryan Jenkins
 Full (9a-4p) \$230 | Clinic +Plus (9a-1:30p) \$165 | Clinic Only (9a-11:30a) \$135
 No matter your level of experience in soccer, everyone will take home valuable skills from this soccer clinic. Whether you are a beginner and want to learn the basics or if you have already played organized soccer, we can help take you to the next level. We will focus on the fundamentals of soccer, basic individual skills, basic team tactics, instruction on the rules of the game, and mini scrimmages. Each day of this clinic will provide a fun learning environment about the game of soccer. **If you need to purchase equipment, please contact Coach Leach at leachr@columbusacademy.org. Please Note: To make a full day schedule, Sports Clinics can only be paired with our Sports & More program or another Sports Clinic occurring in the same week. Please see below for the Sports & More class description.**

Sports & More

Rising 6-9 | Session 5 (M-TH), 7, 9
 Instructors: Zachary Besand, Nic Eader, and Ryan Jenkins
 5: Full (9a-4p) \$220 | Half +Plus (9a-1:30p) \$140 | Half (9a-11:30a) \$110
 7, 9: Full (9a-4p) \$270 | Half +Plus (9a-1:30p) \$165 | Half (9a-11:30a) \$135
 Welcome to Sports & More camp! We are very excited for a summer full of different sports and activities. Campers will be running and moving up to four miles a day! Our primary focus and goals for the summer will be good

sportsmanship, good nutrition, fitness, cooperation, and of course, fun! We hope you join us for the BEST SUMMER EVER! ***This camp will be outside as much as the weather permits, so sunscreen, hats, and sunglasses are encouraged. Students are required to bring a water bottle and wear athletic shoes - no flip flops or sandals.***

Swords for the Stage

Rising 6-9 | Session 7 | Instructor: Royal Arts Fencing Academy Staff
Full (9a-4p) \$295 | No Half +Plus | No Half

We will explore the art of stage fighting and performing convincing fights for audiences. In this very active camp, we will introduce the art of stage combat, safety, sword work, and how to develop choreography. ***Students are required to wear closed toe, athletic shoes.***

Tennis PM Clinic/ Sports & More AM Camp

Rising 1-8 | Session 1 (T-F) | Clinic Instructor: Jeff Warstler
Sports & More Instructors: Zach Besand, Nic Eader, & Ryan Jenkins
Full (9a-4p) \$230 | Clinic +Plus (11:30a-4p) \$165 | Clinic Only (1:30p-4p) \$135

Join Jeff Warstler of Columbus Academy for an intensive tennis extravaganza! Tennis is not just a country club sport; it is fun for the whole family! You will learn the fundamentals of tennis such as stroke production, footwork, strategy, and an understanding of the court. Once you have been through this clinic, you will have a better understanding of the sport and, hopefully, a true love of tennis. ***Participants are required to bring their own tennis racket and water bottle.***

Please Note: To make a full day schedule, Sports Clinics can only be paired with our Sports & More program or another Sports Clinic occurring in the same week. Please see page 52 for the Sports & More class description.

There is No "I" in Team

Rising 6-9 | Session 8 | Instructor: Luke Barricklow
Full (9a-4p) \$270 | Half +Plus (9a-1:30p) \$165 | Half (9a-11:30a) \$135
In this camp, students will learn how to work as a team both in team building activities and team sports. Each day there will be several different fun activities where students will have the chance to work as a team to complete various tasks and games. One of these games will include a scavenger hunt that will be played all throughout the campus! Along with these endeavors, students will be able to pick a certain team sport they want to play each day and use these team building skills in a particular sport. Some options for the team sports are wiffle ball, ultimate football, ultimate Frisbee, kickball, soccer, basketball, and volleyball. ***Students are required to bring a water bottle and wear athletic shoes - no flip flops or sandals.***

Wrestling AM Clinic/ Sports & More PM Camp

Rising K-7 | Session 4 | Clinic Instructor: Sean Silver
Sports & More Instructors: Zach Besand, Nic Eader, & Ryan Jenkins
Full (9a-4p) \$285 | Clinic +Plus (9a-1:30p) \$200 | Clinic Only (9a-11:30a) \$170

Want to learn about wrestling, one of the first and most popular sports in the world? This program gives children of any size or ability the chance to learn the basics of the sport in a safe and fun environment while also helping them with strength, flexibility, sportsmanship, and self-confidence. Wrestlers will receive their own headgear and will get to participate in a tournament followed by a medal ceremony at the end of the week. Each wrestler will be placed in a group appropriate to their age and skill level. ***Wrestlers are required to bring a water bottle; wrestling shoes and mouth guard are optional.***

Please Note: To make a full day schedule, Sports Clinics can only be paired with our Sports & More program or another Sports Clinic occurring in the same week. Please see page 52 for the Sports & More class description.

Swimming Lessons

Greater Columbus Swim School

Rising K-8 | Session 1-7 | Instructor: Greater Columbus Swim Team of Ohio (GCSTO)
8a-9a and/ or 4p-5p \$75/ week (Sessions 1 and 5: \$60/ week)

The Greater Columbus Swim Team of Ohio teaches Columbus Academy instructional swim lessons in a fun, yet challenging atmosphere with lessons taking place at Columbus Academy Pool on campus. The pool depth ranges from 3ft – 10ft. Participants are observed and placed in appropriate levels according to their current skill level and will engage in the fundamentals of swimming most appropriate for their ability. Swimmers will be consistently monitored for skill acquisition in order to ensure that they are continually challenged in the pool as their skill level increases. Beginning swimmers will learn the most basic skills needed to become self-sufficient in the water, while swimmers with slightly more advanced skills will be progressed through a series of eight levels, focusing on the proficient acquisition of all four of the competitive swimming strokes (those used in the sport of swimming). Participants will receive a skills accomplishment report at the end of each weekly session. Swimmers will have a great time, will be challenged, and will learn valuable skills. ***This program can be added to any week's programming with the exception of Sessions 8 and 9 due to construction. There is a maximum of 16 children per time slot and spaces fill quickly. Please see the Middle School registration form and check the appropriate time that fits with your schedule.***

JOIN US FOR OUR FAMILY ORIENTATION!

SATURDAY, APRIL 25TH 2-4PM

Join us to get a first-hand look at the facilities and talk to CA staff supporting Middle School programming this summer.

Bring your children and enjoy interacting with teachers, get familiar with the space and partake in a few fun children's activities!

Summer Experience Director, Alyssa King, will also be there to answer any questions and lead you through an example day!

Signature (required) _____ Date _____

REGISTRATION DEADLINES AND FEE ASSESSMENT

Registration is not complete until payment is received. All fees are due at the time of registration. Deadlines are May 15, 2020, for sessions 1 through 5 and June 19, 2020, for sessions 6 through 9. Cancellations or changes made prior to the appropriate deadline will incur no penalty and will be refunded in full. Cancellations made after the deadline will be refunded at 25% of the program fee. If a cancellation is made after the camp's start date, there will be no refund issued. If you do not notify us and your child does not attend, you will be subject to our no-show policy in which no refund will be issued. If late registrations are received after the deadline, camp fees increase by 10%. Changes to schedules made after the deadline will be charged a non-refundable fee of \$25 per child plus any difference in camp fees. **Please note: Registration closes Friday at 12pm for the following week's camp session.**

UPPER SCHOOL (GRADES 9-12)

UPPER SCHOOL GENERAL INFORMATION

Faculty, Staff and Sr. Counselors

CA Summer Experience employs current CA Faculty and Staff members as well as highly qualified outside sources as teachers of the Summer Experience programs. Sr. Counselors are typically local college students who have been hired after an extensive interview and training process. Sr. Counselors are assigned to camps each week and will accompany your child all day during their respective camp. CA Summer Experience also employs ample administrative staff to support daily programming.

Communication

Upon registration with full payment, you should receive a confirmation email from Summer_Experience@columbusacademy.org with your child's class schedule and additional information. You can expect communication via email from your child's teacher the Friday prior to camp starting and the Wednesday during the respective camp week. If registration is received late, there may be a delay in this communication.

Facilities

A majority of programs are held on CA's beautiful 231-acre campus that consists of a six-lane indoor pool, computer labs with iMac computers, nature trails, outdoor classroom space, low ropes elements, eight tennis courts, Schoedinger Theatre seating 538, two full-length gymnasiums, a weight room, a ceramics studio, five art studios, three libraries, five playgrounds, eight science labs, four soccer fields, two turf fields, an all-weather track, a full service dining hall, three music rooms, and two baseball fields. The campus may be accessed from the West on Cherry Bottom Road or from the East via Beecher Road off of Hamilton Road. (Please refer to the campus map on the inside of the back cover.)

Field Trip and Off-Site Transportation

Columbus Academy utilizes school bus rental as a means of transportation for field trips and off-site programs. All drivers have proof of credentials and background checks. CA also has a fleet of 7 passenger vans that will be used for smaller traveling groups. All drivers are employees of Columbus Academy and are van-certified.

Extended Care Programs

If extended care is needed for an Upper School student, please contact our office for assistance.

Lunch

Lunch is provided by Columbus Academy's Dining Service for **most** of the programs and is built into the price of the camp. Most off-site camps require students to bring a lunch; please check individual course descriptions for lunch specifications. CA offers a hot main dish including vegetarian options, as well as a salad bar, pasta bar, and deli bar. We also do our best to accom-

modate all dietary requests / restrictions. Please contact our office if you have additional questions related to dietary concerns. Children are welcome to pack a lunch if they wish, but the lunch must be peanut and tree nut free.

Allergy Policy: Columbus Academy Summer Experience is peanut and tree nut free.

Daily Drop-off/Pick-up

There will be signage all around campus to help direct parking, as well as a color coded system to follow from the parking areas to help guide you to the correct entrance. Please see the CA campus map on the inside of the back cover for general parking information. Upper School will follow the **BLUE** signage.

Check-in for Upper School (rising 9th through 12th grade) programs is in the Barton Room Lobby unless otherwise specified. Staff will meet with their class and continue on to their assigned classroom. After the first day of class, students may go directly to the appropriate classroom. Upper School parents or students should follow campus signage to the Upper School parking area (Parent Hall Parking Lot). There will be CA Staff available to help students get to their check-in areas.

Late Drop-off/Early Pick-up

If it is necessary to drop off or pick up your child at any time other than the designated camp times, the Operations Lead is available to help with these transitions. If you know this information ahead of time, you may write it on the sheet provided at the Help Desk outside the gyms. You may also contact the Operations Lead any time during camp hours at 614-653-3117 to arrange a pick-up or drop-off. **Note: Early pick ups are not available after 3:30pm.**

Electronics Policy

With the increase in the technology around us, electronics are no longer prohibited at camp; however, we expect that these devices be put away unless specifically required for a camp or in the case of an emergency. We have designated screen time during Before / After Care and free choice for those who wish to participate. Check-in/out in the gyms and/or Barton Room will be strictly enforced as "no device zones".

Discipline Action Plan and Termination

Attendees who are found to bully or harass others will generally be subject to serious disciplinary action, including prohibition from further attendance. Children will receive one warning and CA Summer Experience reserves the right to remove any camper from our program for disciplinary reasons. If a child is removed for disciplinary reasons, there will be no refund.

FEES, CANCELLATIONS, REFUNDS AND DEADLINES POLICY

Course fees are located in the course descriptions and registration pages. Whether submitting a paper form or registering online, **registration is not complete until payment is received.** Cancellations or changes made prior to the appropriate deadline will incur no penalty and will be refunded in full. Cancellations made after the deadlines will be refunded at 25% of the program fee. Please understand that after these deadlines, we have made firm financial commitments to our faculty and staff, in addition to purchasing materials for the class. If a cancellation is made after the camp's start date, there will be no refund issued. If you do not notify us and your child does not attend, you will be subject to our no-show policy in which no refund will be issued. Changes made to schedules after the deadlines will be charged a non-refundable fee of \$25 per child plus any difference in camp fees. If late registrations are received after the deadlines, camp fees increase by 10%. All camps have a minimum enrollment that must be met in order to run. If we need to cancel a class due to low enrollment, the decision will be made two weeks prior to the start date. You will be notified via email with alternative camp options or to receive a full refund.

DEADLINES: May 15th for Sessions 1-5 and June 19th for Sessions 6-9

ATTENTION RISING 9TH GRADERS! *In addition to the offerings available to you in the Upper School division, we also have a large array of offerings just for you in the Middle School division! Below is the comprehensive list of camps that we have made available for you! Please refer to pages 44-53 for more details.*

UPPER SCHOOL SUMMER EXPERIENCE

Programs are in alphabetical order and categorized by Curriculum-Based Offerings, Academics and Arts & Sciences programming. The Upper School Registration Form is on page 63. **Please note: “rising” indicates the grade your child will be entering in the 2020-2021 school year.**

Curriculum-Based Offerings

Credit courses can be taken for review or credit. Only students who successfully complete credit courses will receive the number of credits indicated in the course descriptions. **Please check with your child’s school prior to registering for these courses, as we do not guarantee that earned credits will transfer to all schools.** Columbus Academy will mail a letter for proof of course completion and notification of final grade (if applicable) to your home address by the conclusion of the Summer Experience program in August. A copy of this letter will also be sent to the records department of your child’s school.

Feed the Hungry

Rising 9-12 | Session 5-6 | Instructor: Sarah Hansen

8:30a-3:30p | \$310 for the two-week program

This community service camp visits a variety of sites that provide support to the hungry in the Columbus community including the Mid-Ohio Food Bank, Meals-On-Wheels/LifeCare Alliance, Westerville Area Resource Ministry, Worthington Food Pantry, YWCA Family Center and local community gardens. At each site, we will learn about the problem of hunger in our community and participate in a variety of tasks to help alleviate this growing social justice problem. Projects will include the planting and harvesting of fresh produce, food sorting and distribution, grocery shopping, and the preparation, delivery, and serving of hot meals to adults and children in a variety of settings. Successful completion of this camp satisfies the Columbus Academy Upper School graduation requirement of 45 hours of off-campus community service hours. **Daily attendance during both weeks of camp is mandatory to receive credit – no exceptions. Students are required to pack a peanut and tree nut free lunch and water bottle each day. There is a maximum of 14 students for this program and spaces fill quickly.**

☞ This is a traveling/off-site program.

Physical Education Credit

2-week program | Two weeks for three hours per day

Rising 9-12 | Session 2-3 | Instructor: Ron Leach

9a-12p | \$280 for the two-week program

Intensive program | One week for seven hours (M-TH), four hours (F)

Rising 9-12 | Session 4, 6, 7 | Instructors: Ali Hildahl and Mark Slater

8a-3p (M-TH) and 8a-12p (F) | \$310 for each one-week program

In this class, we will be engaged in sport activity, as well as basic fitness. Tennis, golf, bowling, ultimate frisbee, soccer, softball, basketball, football, and track and field will be some of the sports activities. A half hour lunch is provided for the intensive PE program unless otherwise notified. **By taking this class, you can earn one quarter credit for high school Physical Education. Columbus Academy students will earn one unit toward the six-unit graduation requirement. Daily attendance is mandatory to receive credit – no exceptions.**

Academics

ACT Preparation Course

Rising 9-12 | Session 2, 7 | Instructor: Ihab Ismail

9a-2:30p | \$395

This is a comprehensive, personalized ACT prep course that aims to help each student identify strengths and challenges, develop and apply a plan to solidify performance, and measure the progress made in all sections of the ACT. We will focus on developing ACT-specific content, techniques, and strategies. **Please note this course is not offered as a continuation or in conjunction with existing CA sponsored test prep programs.**

Arts & Sciences

Be a Junior Counselor at CA

Rising 8-11 | Session 1-9 | Instructor: Jr. Counselor Ambassador

Full (9a-4p) \$100/ week (Sessions 1 and 5: \$80/ week)

Join our dynamic team this summer and put experience on your resume.

This opportunity is a hands-on volunteer leadership experience for any student going into eighth through eleventh grade. Duties of a junior counselor include helping with camp activities, supporting a senior counselor, escorting campers, helping with check-in and snack time, and having fun in the sun at Columbus Academy. If you have not had a job before, this program will give you the experience you will need to succeed in your next opportunity and will give you leadership skills that will follow you the rest of your life. By becoming a part of our team, you will have fun, make friends, and learn valuable skills. Each participant will receive a certificate of completion and a review to put in his or her job portfolio. **Students and a parent/guardian are required to attend a mandatory orientation on Saturday, May 30, from 12 to 2pm. This program is limited to ten participants per week, and spaces fill quickly.**

REGISTRATION DEADLINES AND FEE ASSESSMENT

Registration is not complete until payment is received. All fees are due at the time of registration. Deadlines are May 15, 2020, for sessions 1 through 5 and June 19, 2020, for sessions 6 through 9. Cancellations or changes made prior to the appropriate deadline will incur no penalty and will be refunded in full. Cancellations made after the deadline will be refunded at 25% of the program fee. If a cancellation is made after the camp's start date, there will be no refund issued. If you do not notify us and your child does not attend, you will be subject to our no-show policy in which no refund will be issued. If late registrations are received after the deadline, camp fees increase by 10%. Changes to schedules made after the deadline will be charged a non-refundable fee of \$25 per child plus any difference in camp fees. **Please note: Registration closes Friday at 12pm for the following week's camp session.**

MEET THE TEACHERS

MEET THE TEACHERS

Please note: teachers may be substituted in the event of extenuating circumstances.

A GRADE AHEAD

A Grade Ahead is an educational enrichment program that strives to help students reach their full academic potential since 2001. A Grade Ahead's advanced learning system provides the skills students need to become confident, capable learners who succeed in school and in life. This is A Grade Ahead's fourth year at Columbus Academy. For more information, please visit www.agradeahead.com.

JOANNE ADAMS

JoAnne Adams has coached at Columbus Academy for over 20 years. She has coached field hockey, basketball, lacrosse, and track at a variety of levels. Mrs. Adams currently teaches Lower School physical education and coaches middle school lacrosse and field hockey. This is her 15th year coordinating and coaching the Field Hockey Clinic.

GENEVIEVE ADKINS

Genevieve Adkins graduated from Otterbein University with a degree in Molecular Biology and a minor in Photography. She spent years conducting vaccine research at Nationwide Children's Hospital and Battelle Biomedical Research Center before earning her teaching certification in the Biological Sciences. Genevieve teaches Life Science at The Graham School, an alternative, experiential education school in Clintonville. This will be her sixth year teaching at CA Summer Experience. She's excited to share her knowledge and creativity with the students and to see what they will teach her.

GEORGINA ALVAREZ

Georgina was born in Costa Rica, and she is bilingual in Spanish and English. She has a BA and studied law, but life took her through a different path and for more than 20 years, Alvarez worked in business development projects through Latin America. She also had the opportunity to represent Costa Rica to the European Union in Brussels, Belgium. Her last eight years of work were as Community Development Director for Peninsula Papagayo, a high-end tourism development project in Costa Rica. Georgina's passions are History and Geopolitics, and she looks forward to sharing her knowledge and experience with summer camp students.

DAVIDA ARNOLD

David Arnold joined the Lower School at Columbus Academy as a PreK Associate Teacher, after having spent a portion of the 2018-19 school year on campus as a substitute for PreK through fifth grade. She completed her B.S. in industrial and systems engineering at Virginia Tech in Blacksburg and holds a M.S. in pastoral counseling from Loyola University Maryland in Baltimore. Before becoming a teacher, David was an engineer working on U.S. Navy aircraft carriers. David also brings educational experience as a teacher assistant and substitute at Westminster Academy in Ft. Lauderdale, Florida, before moving to Pickerington in 2018. She is also a certified life coach. Her certifications include Board Certified Coach and Certified Clarity Coach. David and her husband, Shaka, are the proud parents of Zoya '24, Hanna '26, Joza '28 and Ina '30.

BALLETMET DANCE ACADEMY

Since 1978, BalletMet has brought incredible dance to theatres, studios and classrooms in Central Ohio and beyond. Every year, BalletMet inspires nearly 125,000 audience members through local performances at home, touring shows, academy classes, and extensive outreach. BalletMet's Dance Academy provides a comprehensive curriculum with quality and healthful instruction for students of all ages and impacts more than 1,700 students each year. Classes offered include ballet, tap, jazz, and modern dance and

are designed for all levels of experience — from the avid dance lover to the aspiring professional. In addition to performances and education, BalletMet impacts the community through free open rehearsals, scholarships, and more. For more information, please visit www.balletmet.org.

LUKE BARRICKLOW

Luke Barricklow has been teaching at CA for four summers and is currently in his fourth year as a physical education teacher at Pickerington Local School District. He graduated from the Indiana University of Pennsylvania with a bachelor's degree in Health and Physical Education where he was the president of the club lacrosse team. His teaching background includes working in special education where he was a long-term substitute as an Adapted Physical Educator for the Intermediate Unit 13 in Pennsylvania, as well as one year at Columbus Performance Academy as a physical education teacher. Along with being a teacher, he will be coaching his third year at Pickerington North for lacrosse as well as one prior year of coaching lacrosse in Pennsylvania. He looks forward to an exciting summer here at CA and to help his students grow as both athletes and individuals.

LEAH BAUGHMAN

Leah Baughman is a first grade teacher at Bloom Carroll Primary School. She has been teaching for eight years, and this is her fifth summer at Columbus Academy. Leah teaches mostly academic classes throughout the summer, and she loves to provide a fun, creative outlet for young students.

CHEF BECKHAM/ GOURMET DAD

Chef Beckham represents the company Gourmet Dad which is a professional in-home and classroom food education program. Gourmet Dad was created from the lack of food education for our youth in the community and beyond. With the success of creating other community projects, we felt the need to broaden the classroom to every child. Gourmet Dad strives to create positive results and a new love for food through their teaching approach.

LAURA BERGER

Laura received her degree in Health Promotion and Fitness from Otterbein University and became a Certified Exercise Physiologist through the American College of Sports Medicine. In pursuit of her passion for nutrition, Laura went on to receive a Bachelor of Science from The Ohio State University in dietetics, followed by a Master of Science in Human Nutrition from Ohio State. After completing her dietetic internship training through The Ohio State University, she received her Registered Dietitian Nutritionist accreditation and licensure. In addition, she has completed further training in Integrative and Functional nutrition. Currently Laura teaches nutrition courses part-time at Otterbein University while counseling clients on an individual basis for weight loss, healthy eating, chronic health conditions, gastrointestinal healing, and autoimmune disease.

ZACHARY BESAND

Mr. Besand is a Physical and Health Education teacher at St. James the Less. It is his third full year as a teacher and will be his fourth summer at Columbus Academy. His career and education have provided him with the tools to help guide and promote students of all ages to live a healthier and active lifestyle.

CHARLES BRODHEAD

Charles Brodhead has been teaching Archery with CA Summer Experience since the program began. He holds a Master's degree in Sports Science from Ashland University. Brodhead has over 30 years of experience as a teacher and currently teaches Health at Big Walnut High School. He is also the Head Boys Golf Coach at Big Walnut.

JOANIE CALEM

Joanie Calem is a musician, singer/songwriter, teacher, inclusion advocate and parent of a young adult with autism. Joanie wears the dual hat of being both a parent attempting to shepherd her own child through the school years, and that of a teacher trying to teach classes with multiple children with invisible barriers to academic success. To that aim, she now leads “workshop-conversations,” sharing information about Sensory Processing and other challenges that children (and their families) grapple with.

BEATRIZ CALLAU LLOPIS

Beatriz is a Spanish teacher who has worked in public schools since 2005. She has 10 years experience in working with Early Childhood students age 2-6 and has currently been working with Primary students age 6-12 since 2015. Beatriz holds the Cambridge First Certificate in English (level B2 of the Common European Framework of Reference for Languages) and the capacity for teaching English, as well.

THE CHILLER

The OhioHealth Chiller Ice Rinks own and/or operate six locations throughout Central Ohio. Established in Dublin in 1993, the Chillers are a sister company of the NHL Columbus Blue Jackets with the mission of growing participation in hockey and skating. We are dedicated to creating and maintaining a fun, family oriented, recreational atmosphere for youth and adults. For information on all of our great programs, please visit www.thechiller.com.

CLC DANCE, LLC/ CHELSEA CRABTREE

Chelsea Crabtree is a local dance teacher and choreographer. She has trained in many styles of dance over the past 17 years including Jazz, Modern, Hip Hop, Contact Improvisation, Creative Movement, and Ballet. She studied dance at Columbia College Chicago where she obtained her B.A. in dance with an emphasis in dance education and composition. Since 2014, Chelsea has taught as a full time dance teacher in local charter schools and has taught dance technique at Bartelt Dancers in Upper Arlington. In 2017, Chelsea started CLC Dance, LLC as a way to engage students in learning through movement.

CODEMONSTER

CodeMonster provides instructor-led coding and robotics class for children. Our curriculum is available for students ranging from grades K to 9. We offer everything from graphical drag-n-drop to coding using a real programming language. Our instructors are Computer Science graduates and/or working technologists with a passion to teach.

COLUMBUS CHILDREN'S THEATRE

At Columbus Children's Theatre, we educate and involve young people of all backgrounds in the theatre arts. Through our programs, we foster self-esteem and self-discovery by emphasizing discipline, integrity, team-building, and communication skills in a positive and creative environment. Our mission is to transform families through the power of the stage through our Academy classes and camps, in-school programs, performances, and accessible and inclusive programming. www.columbuschildrenstheatre.org

COSI

COSI — Columbus, Ohio's dynamic Center of Science and Industry — inspires the scientists, dreamers, and innovators of tomorrow. COSI has combined science learning and fun since 1964, engaging, inspiring, and transforming lives and communities by being a leading partner in science and technology learning.

KATE CREMEAN

Kate Cremean has been a music educator for 20+ years. Her specialties are private voice, musicianship, choral singing, and choral conducting. Kate is currently working on her Level 1 Certificate in Dalcroze Eurhythmics.

Kate also has a passion for musical theatre and is the director of the youth musicals through WPRCT each Spring. In addition to working with singers privately and in the public schools, Kate been blessed to train beginning musicians through the Music Together curriculum.

CROSSFIT NEW ALBANY/ MATT WILSON

CrossFit New Albany has worked with Summer Experience as well as the After School Activities program during the school year for over five years. Owner/ Instructor Matt Wilson is CrossFit & Kids certified and has worked as a trainer/ coach for 10 years with students of all ages and abilities. He received a bachelor of science in fitness and kinesiology at Otterbein University. Wilson played baseball at the college level where his love for fitness and understanding of how to properly train was molded. CrossFit New Albany coaches provide a kids fitness program at their two gym locations and have experience with kids of all ages.

SARAH DOVE

Sarah Dove holds an MA in Dance Theories and Practices from the University of North Carolina at Greensboro and a BA in Music and Business from Otterbein College. She is currently a PhD student and Graduate Teaching Associate in the Department of Comparative Studies at The Ohio State University. As a former student of Columbus Academy Summer Experience, she is excited to enter her fourth summer as a teacher, where she can instill the same love of learning in both physical and intellectual practice that she cherished during her time as a student.

DROBOTS COMPANY

Our mission is to develop and deliver the highest quality, most inspiring, and inventive drone and virtual reality technology experiences to the next generation of visionaries and disruptors—one student at a time. We transition students from being passive consumers of technology into tomorrow's technology creators and innovators. Drobots Company builds inclusive, hands-on, educational, and fun learning environments where students are empowered with the autonomy, tools, and skills they need to reimagine our tech-driven world through the lens of drones, UAVs (unmanned aerial vehicles).

FRANCWAW DUBOSE

Francwaw has taught middle school physical education and coached basketball in Columbus City Schools since 1996. He received a Bachelor's Degree in Physical Education from Otterbein College and Master's Degree in Curriculum and Instruction from Ashland University. Originally from Canton, Ohio, his mother instilled in him at an early age the importance of education. Her inspiration guided him towards the field of education, and his passion for athletics led him into coaching. As a student athlete, Francwaw understood the work ethic and dedication it took to maintain high standards in both areas. He was disappointed when he repeatedly saw great athletes from elementary through college become ineligible to play for athletic teams due to insufficient grade point averages. In 1999, Francwaw had a vision that reflected an idealistic and uplifting means to integrate academics and athletics. Over the years, he developed G2, Grades Plus Game, as a creative way to send an extremely important message about academic excellence and athletic achievement. Francwaw has also written a positive G2 theme song to motivate and inspire youth.

NIC EADER

Nic Eader is a graduate of The Ohio State University with a bachelor's degree in Physical Education. Nic is an assistant Track & Field coach at Watkins Memorial High School and Middle School as a throwing events specialist. He is currently a teacher in the Southwest Licking Local School District.

JESSICA ESPASANDIN

Jessica Espasandin has taught pre-k, kindergarten, first grade and second grade. She currently works as a kindergarten teacher at Cornerstone Academy. She has been teaching camps at Summer Experience for the past five years. Jessica enjoys teaching children while making it a celebration!

MICHELLE FACIANA

Michelle Faciana received her BS and MEd in Early Education from The Ohio State University. This is her thirteenth summer with the Summer Experience program. Michelle just finished her tenth year as the Middle School Technology Specialist at Columbus Academy. She was previously a first grade assistant, kindergarten computer teacher, and assistant in the Lower School CASE program. Michelle is also the author of a children's book, Snickers' Day Out.

MICHAEL FATTEN

Michael Fatten has been a professor of undergraduates at business colleges for nine years. He has taught Business Communications, Information Systems, Research Methods, and Statistics after earning a master's degree in Economics of Competitive Simulations in order to invent a new monetary policy for video games similar to World of Warcraft.

FUN OF MAGIC/ CARROLL BAKER

Carroll Baker's interest in magic took a huge jump when at the age of six he won the grand prize in a local contest. The prize was lunch with Harry Blackstone Jr., a world famous magician. That lunch and that meeting set the course for the hardest working magician in the Columbus, Ohio area where Baker has become the magical center piece as house magician the Old Bag of Nails in and around Columbus. Restaurants and parties are only a small portion of the magic that Carroll Baker does. Carroll has been teaching magic for after school programs and summer camps for over 25 years. When Carroll is not entertaining the clientele at the Old Bag of Nails or teaching the area youth the wonders of magic, he is hard at work at a trade show, cruise ship or on the lecture circuit.

FUNTASTIC WORKSHOPS

Funtastic Workshops' founder and owner, Julie Gavin, is a life-long educator. She began creating programming in 2004 and began teaching in 2006. Our STEAM & Nature-Based workshops utilize her 15 years of experience in the field of education and are designed to engage the hearts and minds of our participants, encouraging a life-long love of learning.

GREATER COLUMBUS SWIM TEAM OF OHIO (GCSTO)

GCSTO is one of the longest standing swimming programs around and specializes in superior swim skill instruction with swimmers of all levels from the very introductory level swimmer up to the world class athlete.

HELMA GROOT

Helma Groot started sewing at a very young age while she was living in the Netherlands. She then moved to Indonesia, Germany, and eventually the U.S., where she graduated from Columbus College of Art and Design with a fine arts degree. While in the Netherlands, she also studied furniture making. After more than 20 years of making her living as an artist, she discovered her love of teaching. She still sews and makes her own artwork, but is also a high school art teacher in Bexley. This is her 12th year teaching summer camp at Columbus Academy.

FRANZ GRUBER

Dr. Franz Gruber is a member of the Columbus Academy faculty. He teaches Latin in the Middle School and has been teaching at Columbus Academy for more than 20 years. This is his sixth summer working for the Summer Experience program.

GYM SKILLS STAFF

Gym Skills is a unique business that offers gymnastics, cheerleading, and hip-hop programs. Our coaches are energetic, dedicated to the sports, and have decades of experience. At Gym Skills, we build children's self esteem by creating a positive, non-competitive learning environment. The goal is to have the child walk out of the class feeling like a winner while deepening their understanding of the sport with an emphasis on proper technique!

MACKENZIE HANNA

Mackenzie Hanna is a sixth year Spanish teacher at McCord Middle School in Worthington. This is her fourth summer working with CA Summer Experience. Along with teaching Spanish, Mackenzie was a dance team coach for Bishop Watterson High School and is a dance teacher at Bexley's Jeffrey Mansion for the parks and recreation program. Mackenzie is also a company dancer for Columbus' New Vision Dance Company. She is a graduate of Miami University with a BS in Spanish and Spanish Education and was a member of Miami's Vision Dance Company as a choreographer and dancer for four years.

CHRIS HIGGINS

Chris Higgins has been skateboarding for over 30 years and teaching skateboarding for 20 years. When he is not on his skateboard, he teaches European History and Classical Mythology at Columbus State Community College.

HOOVER SAILING CLUB/ JAMIE JONES

Jamie Jones is in his seventh season as the Program Director of Hoover Sailing Club's Learn to Sail Program and his tenth year working with CA Summer Experience. Jamie has been involved in all aspects of the Learn to Sail and Youth Racing programs for over 30 years, including an 11 year run as Head Racing Coach. He's currently the Lead Instructor in the evening adult program, Head Coach for the Denison University Sailing Team, and a proud 1998 graduate of The Ohio State University. He started the High School Sailing Program in the fall of 2015 and currently is Head Coach for nine local high school sailing programs. He currently serves on the US Sailing Community Sailing Committee providing guidance to all Learn to Sail programs in the Midwest and is the Area E Junior Championship Chair and a US Sailing Regional Training Coordinator. In 2017, Jamie was awarded the Outstanding Organizational Leader from US Sailing. When he's not coaching or teaching, he's spending time with his wife and four kids or enjoying time on his sailboat.

LUKE HOWARD

Luke Howard began as the new STEAM teacher for middle school at Columbus Academy in August 2019. He is also currently a staff instructor at The Idea Foundry in Columbus, a community of makers designed to help explore new ideas and unleash people's passion to make new things. Luke has prior work experience in product and business development for Soilcea and Farmentum, both agriculture development companies, as well as an eco-apprentice and public outreach intern with The Ecology Center in San Juan Capistrano, California. He is a graduate of The Ohio State University with a B.S. in environmental economics and was a three-year letterman for the men's lacrosse team.

ANNE HURLEY

Anne has an MA in mathematics education from Ohio State and a BS in mathematics from Duke University, where she also earned her teaching certification. Hurley's specialties include algebra and precalculus, and she has over fifteen years of tutoring experience. Anne especially enjoys helping students make connections between everyday experiences and mathematical representations.

INSPIRATION TO MOVEMENT/ ADAM MAYNARD

2020 marks the sixth year that Inspiration to Movement has brought dance, music and movement to Columbus Academy Summer Experience. Owner, Rachel Nace Maynard is a retired professional ballerina and graduate of the Pennsylvania Academy of Ballet and one of the first teachers to complete the Ron Fletcher (Pilates) Program of Study. She is also Artistic Director for Oyo Dance Company, a non-profit Contemporary Ballet Company based in Columbus. Adam Maynard is the Director of Ballroom Dance at Inspiration to Movement. He was a professional competitor in Ballroom Dancing for over ten years, winning many titles in both Smooth And Rhythm styles and becoming a finalist in the United States Classic Showdance Championship. Adam holds a Bachelor of Music Education degree from The Ohio State University and a Master of Dance degree (licentiate) from Dance Vision International Dance Association.

IHAB ISMAIL

Ihab Ismail is a result-driven educator and consultant. He specializes in college preparation for high school scholars and offers customized training in ACT, SAT, PSAT, math and science. He implements programs in one of the most growing 21st century STEM fields, Biotechnology. Ihab believes that a well-prepared high school student has the potential to learn well, achieve top 5% in college exams, be a competitive applicant for introductory positions or internships in academic research, and contribute to their community. Through his personalized approach and attention to student's learning style, he aims to be the student's best path to academic and personal success in high school and beyond. To learn more, visit www.ihabismailphd.com.

AMY JACKSON

Amy currently resides in Hilliard, OH and teaches K-6 general music in the Clark-Shawnee school district in Springfield, OH. In addition, she also teaches voice and piano lessons in the Columbus area. Amy has been with the program since 2016 and previously served as a Senior Counselor. She is so excited to return for another summer of "best days ever."

RYAN JENKINS

Ryan has been working at Columbus Academy since 2016. He has served as both a Senior Camp Counselor and a teacher for Sports & More camp. This will be Ryan's second summer working with the Sports & More camp. During the year, Ryan is an active educator, teaching at Bishop Watterson High School. He holds degrees from The Ohio State University and the University of Toronto.

KYLE JONES

Kyle Jones is the chess instructor for the CA after-school enrichment program. This is his ninth summer working in the Summer Experience program. Kyle graduated from The Ohio State University with a BS in Psychology, is completing his Master's in Early Childhood Education, and has achieved the title of Candidate Master from the United States Chess Federation. From player to coach, Kyle has been a part of more than 40 state championship titles and 15 national titles. He was crowned the 2015-16 State of Ohio Speed Chess Champion (3rd title overall).

JUMPBUNCH

JumpBunch is the leading national provider of mobile sports and fitness programs for children from toddlers to twelve-year-olds. To children, exercise is play, and play is fun! The best way to get kids active is to simply make it something they want to do...and kids are always ready to play! With more than 70 different activities, JumpBunch of Columbus & Central Ohio offers unparalleled variety and flexibility to keep kids moving! "We get kids moving, we teach kids sports fundamentals, we give kids a health and fitness foundation for life, and most importantly we make it fun!"

KOGURYO MARTIAL ARTS ACADEMY/ JARED CIRCLE

Master Jared Circle holds black belt ranks in four different Korean Martial Arts systems and brings his expertise and commitment to quality instruction to CA Summer Experience. He also teaches professionally in Central Ohio and has for the past decade and a half. Master Circle travels frequently to Korea for training and has spent more than two years overseas learning and training in the arts he instructs. He is a martial arts school owner and father of three young children with lots of experience in running group events and camps for children of all ages. A few years ago, his mother introduced the craft of bead fusion, or Perler Beads, to his children. They instantly fell into a regular routine of working with this enjoyable media and have a station set up in their home for regular use. In addition to his martial arts camps, he looks forward to bringing this fun, creative craft to life for his Fusion Bead Fun campers this year!

TYLER KUHN

Tyler Kuhn is a native of Louisville, Kentucky and a graduate of West Virginia University, where he was an All-American. Tyler was drafted by the Chicago White Sox in the 2008 MLB Draft. He went on to play seven years in the Minor Leagues from Rookie Level through Triple-A. Tyler is currently the Canal Winchester Varsity Baseball Coach and also has many years of experience in individual baseball lessons, clinics, and camps. Tyler is excited for his fifth year with Summer Experience!

RON LEACH

Ron Leach has taught physical education at CA for over 15 years. He holds a bachelor's degree in physical education and a master's degree in sports science. He is presently the varsity soccer coach as well as the Middle School wrestling and tennis coach at CA.

LITTLE MEDICAL SCHOOL

The Little Medical School® brings medicine, science, and the importance of health to children in an entertaining, exciting, interactive, and fun way. Little Medical School® is the only program of its kind in the area that exposes children to the field of Medicine, Veterinarian, Wilderness, Sports Medicine, Pharmacy, Nursing, and many more programs. Our program is created by a board certified physician and delivered by trained instructors who have a passion for children and science. This is the Little Medical School® 's fifth year partnering with Columbus Academy Summer Experience. For more information and to learn more, about our programs, please visit our website www.littlemedicalschool.com/columbus or email us at Imscolumbus@littlemedicalschool.com. We look forward to an exciting summer and an opportunity to inspire tomorrows' healthcare professionals today!

LITTLE SCHOLARS

Our mission at Little Scholars is to inspire confidence! Our values are commitment to Integrity, Innovative Spirit, Valued Relationships and Passion for Learning and Education. Our camps are perfect for preschool, elementary and middle school age children who have big imaginations and love to play. Get all the fun of summer camp with an educational twist.

CAT MAILLOUX

Cat is an artist, writer, and teacher living and working in Columbus. In May of 2018, Mailloux graduated from The Ohio State University with an MFA in Sculpture and Drawing. Prior to her graduate work, she earned a BFA in Sculpture and BA in Art Education from the University of Wisconsin-Eau Claire and spent some time teaching elementary and high school art. Cat's artist practice has an emphasis on drawing, sewn works, sculpture, and writing. Mailloux currently teaches as a lecturer at OSU and Capital University in their Foundations departments and also teaches community art classes in the Milo-Grogan neighborhood of Columbus.

ANGELA MARTIN

Angela Martin is employed by Olentangy Local Schools and holds a degree in Interpersonal Communication and Organization and a minor in Public Relations. She has worked in the sales and marketing sectors of Marriott and Johnson & Johnson and started her career with The Walt Disney Company. Additionally, she has started several successful small businesses. Angela is passionate about volunteerism, history, art, and writing. In her free time, she spends time with her husband and three teenagers, enjoys traveling, and yoga. She loves working with children and is excited for her second year with Summer Experience.

TODD MARTIN

Todd Martin is in his 14th year at Columbus Academy as the Technology Integration Specialist and Engineering teacher. In addition to managing the schools Makerspaces, he has served as a MS science teacher, Science Olympiad coach, and Community Coordinator. Todd is an Apple and Google certified teacher and has 5+ years of experience with robotics, CAD design, 3D printing and laser cutting.

JENNIFER MCGINNIS

Jennifer McGinnis teaches fifth grade at Johnstown Elementary. This is her ninth year working with CA Summer Experience. She graduated from Cal State Long Beach with a BA in Liberal Studies and a teaching credential in grades K-5.

APRIL MEALICK

April is a ten year veteran kindergarten teacher. She has a masters degree in Education with a specialization in Reading and Literacy. Prior to teaching kindergarten, Mealick taught preschool and worked as a summer camp counselor for our local YMCA.

KATHY MENDENHALL

Kathy Mendenhall is currently a CA Special Programs Assistant. She also works in the Children's After School Experience program, and this will be her sixth year with the Summer Experience program. Kathy studied and completed theater and music training in a vocational performing arts school during high school. She later studied various forms of dance Irveline's School of Ballet, Dublin Dance Centre, and BalletMet for several years.

BRYAN MILLER

Bryan Miller is our new Middle School Language Arts teacher for seventh and eighth grade. Bryan comes to Columbus Academy after teaching upper and middle school English for 17 years at Village Academy. He graduated from Murray State University in Kentucky with a B.A. in English and creative writing and then earned a MA in English composition and literature from the University of Kentucky. Bryan lives in Columbus with his wife, Jennifer Breitigan, their son, Gus (7), and granddaughter, Ruby (1). He enjoys writing poetry and nonfiction, tinkering with new recipes in the kitchen, drinking coffee, collecting old comics, reminiscing about classic pop culture, watching Westerns, and sitting on the porch with a good book whenever a cool breeze permits.

JOHARI MITCHELL

Johari Mitchell is a teacher and writing coach on a mission to help others link vision to opportunity through the power of words. National Board Certified in early and middle childhood literacy, she has been a classroom teacher- turned literacy specialist for over 18 years. This is her third year teaching with Columbus Academy. She loves writing, songwriting, cooking, travel and adventure.

HANNAH O'MALLEY

Hannah has been a K-5 elementary teacher for the past six years at a private school in Westerville. She currently works with students with autism

spectrum disorder who are mostly nonverbal. O'Malley grew up in Southeast Asia and has traveled a lot. She majored in history and comparative religion at The Ohio State University. Hannah loves history, art, culture, language, health and fitness, and much more!

RUSTY OATES

Rusty Oates is currently a Middle School Music Educator. He is in his second year teaching 5th-8th grade choir at Licking Heights Local Schools in Pataskala, OH. Prior to Licking Heights, Mr. Oates taught middle school and high school for two years at the Adena Local School District. Rusty has been associated with the Columbus Academy Summer Experience program for four years as a Senior Counselor and teacher. Rusty currently resides in Blacklick, OH with his dog Odie.

OHIO CORALINAS SYNCHRO

Anna Farmer has been involved in Synchronized Swimming for 38 years. This is her fifth year working with the CA Summer Experience program. She is the head coach of Ohio Coralinas Synchro and is a synchronized swimming judge and clinician as well.

DJUANA OKOTETE

Djuana has lived in Ohio for two years and is in her seventh year of teaching. She teaches fourth grade ELA and enjoys helping students find a passion in reading. Okotete also enjoys reading, hiking with her husband, crocheting and spending time with her family.

RYANN PATRUS

Ryann Patrus holds an MA in Comparative Studies from The Ohio State University and a BA in Psychology from Antioch College. She is currently a Ph.D. candidate and Graduate Teaching Associate in the Department of Comparative Studies at The Ohio State University. Ryann is excited to enter her second summer as a teacher for Columbus Academy Summer Experience.

ALISHA PORTER

Alisha is currently in her fifth year as an elementary school counselor working in Westerville City Schools and previously taught language arts and social studies in local middle school charter schools for three years. Ms. Porter loves to combine her love of teaching and counseling in her lessons by having students partake in arts and crafts, role-playing, games, book studies, and more. Alisha enjoys working with students to help them learn in all areas of life including social- emotional, academic, and career or college.

HEATHER RAKOSIK

Heather Rakosik has taught and coached both at the collegiate and high school levels for over 20 years. She has coached basketball and softball. Ms. Rakosik currently teaches Physical Education in the Lower and Middle Schools and is the Varsity Girls Basketball Coach at CA.

JOEL REED

Originally from Chicago, Illinois, Joel Reed has lived in the Columbus area for seven years now. This is his fourth year teaching in Columbus Academy Summer Experience. When he is not working, Joel loves spending time with his family or being in the woods hiking or backpacking.

ROYAL ARTS FENCING ACADEMY/ JULIA RICHEY

Julia Richey was a 13-year member of the Russian National fencing team. In 2001, she founded Royal Arts Fencing Academy, the longest continuously running fencing academy in the state. She and her team of coaches have produced national medalists and champions multiple times per year for the past nine years. Royal Arts has been doing Summer Experience for 14 years.

ROYAL ARTS FENCING ACADEMY/ JULIA RICHEY

Julia Richey was a 13-year member of the Russian National fencing team. In 2001, she founded Royal Arts Fencing Academy, the longest continuously running fencing academy in the state. She and her team of coaches have produced national medalists and champions multiple times per year for the past nine years. Royal Arts has been doing Summer Experience for 14 years.

MICHELLE SCHROEDER-LOWREY

Michelle Schroeder-Lowrey is a lover of all things Harry Potter. During the school year, you can find her teaching music/movement/drama to the lower school students of Columbus Academy, acting with Available Light Theatre Company, reading about Positive Psychology/Wellbeing or hanging out with her family including Jon, Eleanor and their furry kids. Michelle has a BA in Theater from The Ohio State University, a Certificate in Applied Positive Psychology and is a certified Resiliency Trainer.

SEAN SILVER

Sean Silver coached middle school and varsity wrestling at Columbus Academy for nine years and ran the popular Young Vikes Youth Wrestling program. He is also a Columbus Academy parent and a certified coach with USA Wrestling. This is his 11th year running the Summer Experience Wrestling Clinic. In his 12 years of coaching, Sean has stressed the life lessons that extend beyond the mat: self-confidence, fitness, perseverance, discipline, teamwork, and sportsmanship. His view of a successful season is when a wrestler has fun and finishes with more confidence and pride in themselves.

RACHELLE SMITH

Rachelle Smith has been teaching art in community and school settings for the past 13 years. She began her career teaching art at a fine arts summer camp. Rachelle also founded and ran a nonprofit art workshop business to provide arts enrichment opportunities to families from low-income neighborhoods in Columbus. Rachelle has a BFA in painting and drawing, an MA in Art Education and is a Certified TVI, specializing in teaching art to students with visual impairments and special needs. She enjoys yoga and ceramics and lives with her husband and two sons in Columbus.

TERA STOCKDALE

Tera Stockdale is a multi-media ceramic focused artist and Art Educator residing in Westerville, OH. She is a K-12 certified art teacher and currently teaches high school ceramics for Columbus City Schools. Her work combines a love for the visual, music, performance, and the written word- creating and connecting across the disciplines.

TECH CORPS

TECH CORPS is a national nonprofit organization dedicated to ensuring K-12 students have equal access to Computer Science and Information Technology programs, skills and resources that enhance early learning and prepare them for college and career.

MATT THOMPSON

Matt Thompson has served as Assistant Athletic Director and taught physical education at Columbus Academy since 2016. He is also the head girls varsity soccer coach and is an ISACS chair and member of the "Flourishing" committee. Matt has a B.A. in English from Dickinson College and a M.S. in sport management from Georgia Southern University. Matt and his wife Jana have a son, Ethan '25 and a daughter, Maya.

COLLEEN VAUGHAN

Colleen is a Middle School Intervention Specialist at Graham Elementary and Middle School. She has taught in special education for five years. In her free time, Vaughan enjoys photography, reading, and spending time with her pets, friends and family.

MCKENZIE VAUGHN

Mckenzie is so excited to be back as a Summer Experience educator this year! She is a licensed music educator and graduated from Mount Vernon Nazarene University in 2015. She is a trumpet teacher, substitute educator, and trumpet performer for theaters and symphonies as well as a director and actress for many theaters in the Ohio area.

AMANDA VESNER

Mrs. Vesner is a teacher with Columbus City Schools, holding a BA in History from Capital University and Elementary Teaching License from Otterbein University. She has previously worked with Summer Experience as a Senior Counselor for three years and is excited to be teaching for a second summer. Amanda is an avid reader, cinema enthusiast, and enjoys traveling.

BILL WALKER

Bill Walker is a 25-year veteran instrumental and vocal music teacher for the Columbus Public Schools, who has also done composing and improvising residencies through the Ohio Arts Council, at The Thurber House, and in Days of Creation Arts Camps. Bill has also composed music for dance in many styles including modern dance at the University of Minnesota and The Ohio State University and a ballet score for a Columbus Dance Theatre ballet. He loves encouraging creative music making in all forms and has also been obsessed with photography since long before the digital age. Having fun with young people exploring music and the visual world is what it's all about for him!

JEFF WARSTLER

Jeff Warstler has taught summer school programs for the past 17 years. He has been the Columbus Academy Lower School Physical Education teacher for over 15 years. Jeff coached the girls' tennis team at CA for 13 years, along with the boys' tennis team for 10 years. He is currently the Head Boys Basketball Coach for the CA Upper School.

LAUREL WELSH

Born and raised in Athens, Ohio, Laurel graduated from Otterbein with a degree in early childhood education and a minor in music. She was a student teacher at Arrowhead Elementary and completed a project based learning (PBL) unit on economics that was the inspiration for her food truck business themed summer camp. Welsh was previously a Summer Experience Senior Counselor for three years and currently is an Instructional Assistant at Gables Elementary for the emotional disorders resource room.

YOUNG CHEFS ACADEMY

Established in April 2003, Young Chefs Academy offers cooking classes to children in a safe environment that encourages discovery and creativity. While learning food preparation skills is the main ingredient at YCA, each class adds a heap of kitchen safety, a scoop of etiquette, a handful of table setting, a pinch of menu planning, and laughter to taste!
