SUMMER PROGRAMS FOR STUDENTS PRE -K THROUGH 12TH GRADE

2021

...a summer reimagined

WELCOME

DEAR SUMMER EXPERIENCE FAMILIES,

The anticipation and excitement are growing and we cannot wait to see all of you this summer! We have been diligently working at Columbus Academy thinking of new and creative ways of doing things...*reimagining*, if you will, what amazing changes are to come for Summer Experience 2021. Our first priority is safety and we will enlist all of the tried and true supports that we always employ. In addition to those supports, we will add layers of staffing to help campers adjust to the new policies in place needed to keep us safe. We have recreated drop-off/pick-up procedures, transitions, lunch, free choice activities, classroom size and seating, and so much more. We have a leadership team that stands ready to create an exciting summer through strong guidance and communication. We have created a group of specialized Coordinators and Sr. Counselors that are equipped to support the needs we may see from our campers in regards to all they have been through in the last year. The mental health of our campers, staff and leadership are the priority in all of the reimagining we have done and will continue to do.

We have been very mindful in how we represented this season of Summer Experience. The not yet open sunflower on the cover of the brochure represents possibilities...as the sunflower opens, we see its full beauty. This summer, we will see what comes our way and we will be ready for challenges if they should arise, but we cannot do this alone. The bee represents the connection we all have to the fulfillment of these endless possibilities. We are ready to embark on this journey with you and make these possibilities a reality. We could not be more excited to see all of you this summer.

Sincerely,

Alyssa King, Director

SUMMER EXPERIENCE 2021

GENERAL INFORMATION *...a summer reimagined*

Summer Experience 2021 has 9 weeks of programming for grades Pre-K through 12. Sessions 1 and 9 offerings are off-site/ traveling and virtual programs only to allow for preparation of our campus in order to provide the best possible experience for our campers and staff. For sessions 2-8, offerings are primarily on-campus with select virtual opportunities for those students who are unable to join us in-person. For grades K and up, the majority of programs are Full Day (9a-4p), but some offer a Half +Plus (9a-1:30p) option. Half Day is no longer a schedule option across all divisions.

We are so excited to bring you new and flexible scheduling options for 2021!

Below are important definitions you will need to know:

In-person / on-site

Classes located on CA's campus and have a maximum of 12 students.

Virtual Friendly (VF)

In-person classes with the option to elect virtual attendance.

Virtual Ready (VR)

In-person classes that have the option to become fully virtual if needed.

Travel / Off-Site 🚌

Classes that travel to an off-site location by bus for the full day.

Virtual Only (VO)

Classes that are only offered virtually (Sessions 1 and 9 only).

Virtual Only (VO) Details:

Any programs that are Virtual Only or have to move to a virtual platform (Virtual Ready **(VR)**) will all follow the same schedule. We have created this schedule to add consistency and predictability to this medium. We want parents and guardians to be able to count on a standard of excellence and we feel that for planning purposes, it is essential you know what to expect and be able to manage these programs with ease. We will be using two main platforms and these will stay consistent throughout the summer. **Seesaw** and **Zoom** will be our modes of delivery for virtual programming. There may be programs that employ additional links to add to the experience of the camper as well, but they will be easy to access. If your Virtual Only **(VO)** program requires a supply packet, they will be prepared by teachers and instructions for distribution will be communicated via email prior to camp. Teachers will have three touchpoints for the campers as well as the parents and guardians throughout the camp day. After each class touchpoint, there will be a cliffhanger and challenge activity to keep the campers returning for the next touchpoint. The expectation of the camper is that they participate in the live virtual class time, followed by independent time to complete the tasks that have been given from their instructor. At the last touchpoint/live virtual class time of the day, campers will be asked to share their experience and what they have created.

To remain developmentally appropriate, the duration of the programs will vary due to each specified grade group. *There are no Pre-K virtual options this season.* Please see the chart below for touchpoint timelines.

Division	Virtual Touchpoint #1	Virtual Touchpoint #2	Virtual Touchpoint #3
Grades K-2 (30-45 min. touchpoints)	9:00a-9:45a	11:00a-11:45a	2:30p-3:15p
Grades 3-5 (45-60 min. touchpoints)	9:00a-10:00a	11:00a-12:00p	2:30p-3:30p
Grades 6-9 (60-90 min. touchpoints)	9:00a-10:30a	11:00a-12:30p	2:30p-4:00p

Communication

Upon registration, you should receive a confirmation email from Summer_Experience@columbusacademy.org. You can expect communication via email from your child's teacher the week prior to camp starting. The email will provide helpful information and will contain a Zoom introduction meeting link for the Friday before camp begins, between 4-5pm. Throughout each week of camp, teachers will be available by appointment during "office hours" between 11:30am and 1:30pm daily. Appointments can be scheduled via email.

Faculty, Staff and Sr. Counselors

CA Summer Experience employs current CA Faculty and Staff members as well as highly qualified outside sources as teachers of the Summer Experience programs. Sr. Counselors are typically local college students who have been hired after an extensive interview and training process. Sr. Counselors are assigned to camps each week and will accompany your child all day during their respective program. CA Summer Experience also employs ample administrative staff to support daily operations.

Facilities

The majority of programs are held on CA's beautiful 231-acre campus that consists of a six-lane indoor pool, MacBook computer and iPad traveling carts, nature trails, outdoor classroom space, low ropes elements, eight tennis courts, Schoedinger Theatre seating 538, two full-length gymnasiums, a weight room, a ceramics studio, five art studios, three libraries, five playgrounds, eight science labs, four soccer fields, two turf fields, an all-weather track, a full service dining hall, three music rooms, and two baseball fields. The campus may be accessed from the West on Cherry Bottom Road or from the East via Beecher Road off of Hamilton Road. (Please refer to the campus map on the inside of the back cover.)

Field Trip and Off-Site Transportation

Columbus Academy utilizes school bus rental as a means of transportation for field trips and off-site programs. All drivers have proof of credentials and background checks. CA and all busing companies will be in compliance with CDC regulations with regards to COVID-19 policies and procedures.

Extended Care Programs

Before Care will not be available for 2021; however, we have extended After Care hours to 7:00 pm to accommodate this change. After Care is available on a preregistration basis ONLY for 2021 and will be held from 4:00 pm to 7:00 pm daily during Sessions 2-8. After Care is not available during Sessions 1 and 9. In following safety protocols for 2021, drop-in attendance will not be available and registration is required for the full week; no proration is available for partial attendance.

After Care features exciting themed activities, outdoor play, and snack time, as well as quiet places for children to explore and reflect on the experiences they have had at CA. Parents MUST pick up their children from After Care by 7:00 pm. Parents that do not pick up their children by the end of After Care will be charged \$1.00 per minute beyond 7:00 pm.

After Care parents will follow ORANGE signage to the Academy Hall Bus Circle. After Care parents will call a designated phone number upon arrival and an After Care staff member will bring your child to you in a carpool-style pick up process. Parents/guardians must provide a photo ID each day.

Division	Color	Pick-up Location	Duration	Cost
After Care	ORANGE	Academy Hall Bus Circle	4:00 pm - 7:00 pm	\$97.50 per week

Lunch

Lunch is provided by Columbus Academy's Dining Service for Half +Plus and Full Day programs for sessions 2-8. Pre-K through 2nd grade students will be served lunch in their classroom, while 3rd through 12th grades will rotate through the Dining Hall with forward-facing, socially distanced seating. All lunches will be brown bag, grab-and-go style lunches. A menu will be sent to you via email the week prior to your child's camp. We do our best to accommodate all dietary requests / restrictions. Please contact our office if you have additional questions related to dietary concerns. Children are welcome to pack a lunch if they wish, but the lunch must be peanut and tree nut free.

Allergy Policy: Columbus Academy Summer Experience is peanut and tree nut free.

Daily Drop-off/Pick-up

There will be signage all around campus to help direct the new carpool-style drop-off and pick-up. Please see the CA campus map on the inside of the back cover for general campus information. Summer Experience staff will be assisting throughout the drop-off process to ensure students are distanced and escorted to their appropriate classroom. During the pick-up process, staff will be verifying parents'/guardians' photo ID each day. It is important that your authorized pick up list is complete and each adult has a photo ID; if someone is not on the list to pick up your child, they will be asked to park and wait until Summer Experience staff is able to receive confirmation from a parent/guardian. If a student is not picked up on time, they will be taken to an area to wait for their parent/guardian's arrival and charged a fee of \$1 per minute after 4:30pm. Please note, After Care is not available on a drop-in basis for 2021 due to safety protocols.

PLEASE NOTE THE DIVISIONAL DROP-OFF / PICK-UP DETAILS BELOW:

Division	Color	Drop-off/Pick-up Location	Drop-off Time Last Name A-M	Drop-off Time Last Name N-Z	Pick-up Time Last Name A-M	Pick-up Time Last Name N-Z
Pre-K	YELLOW	Academy Hall Bus Circle	8:00-8:30 am	8:30-9:00 am	3:30-4:00 pm	4:00-4:30 pm
Lower School	GREEN	Lower School Main Entrance	8:00-8:30 am	8:30-9:00 am	3:30-4:00 pm	4:00-4:30 pm
Middle/Upper School	BLUE	Middle School Circle	8:00-8:30 am	8:30-9:00 am	3:30-4:00 pm	4:00-4:30 pm

Additional Notes: Half +Plus pick-up (all divisions) will be at 1:30pm in their respective locations.

Sports Clinics Drop-off/Pick-up

Drop-off for AM Sports Clinics is between 8:45-9:00 am in front of the Athletic Complex Entrance. If your child is attending an AM clinic ONLY, pick-up time is 11:30 am in the same location. If your child is attending a PM clinic ONLY in the afternoon, drop-off is between 1:15-1:30 pm and pick-up is between 4:00-4:15pm at the Athletic Complex Entrance. If your child is attending a combination of 2 clinics to make a full day schedule, your drop-off time is 8:45-9:00 am and your pick-up time is between 4:00-4:15 pm in front of the Athletic Complex entrance. Please see below for a table representation of this explanation.

Schedule	Drop-off / Pick-up Location	Drop-off Time	Pick-up Time
AM Sports Clinic	Athletic Complex Entrance	8:45-9:00 am	11:30 am
PM Sports Clinic	Athletic Complex Entrance	1:15-1:30 pm	4:00-4:15 pm
Full Day Sports Clinic (combination of 2 clinics in same week)	Athletic Complex Entrance	8:45-9:00 am	4:00-4:15 pm

Late Drop-off/Early Pick-up

If it is necessary to drop-off or pick-up your child at any time other than the designated camp times, the Sr. Counselor Coordinator is available to help with these transitions. If you know this information ahead of time, you may call the Summer Experience Office at (614) 509-2267 to make any necessary arrangements. You may also contact the Sr. Counselor Coordinator any time during camp hours at 614-653-3117 to arrange a pick-up or drop-off.

Friday Showcase

Some of our camps perform in our weekly Friday Showcase to share their new skills or creations with their parents and fellow campers. These showcase programs will be held virtually for the 2021 season and will typically begin at 3:00 pm on Friday afternoons. A link will be shared with all SE21 families so they can join in on the fun! Information regarding the Friday Showcase will be communicated via email and CA Summer Experience's Facebook page.

What to Wear/Bring

All campers must bring a water bottle and wear comfortable, weather-appropriate clothing and shoes. Campers should also consider bringing a bookbag and sunscreen to camp each day. Please check the course descriptions to see if any other materials are needed for each individual program. Please note the water fountains will be closed, so water bottles are a must. If the student is planning to participate in free swim for their free choice activity, campers should also pack a bathing suit, towel and plastic bag for wet clothes. Columbus Academy is not responsible for any lost personal items.

Free Choice Activity

Students participating in Half +Plus or Full Day programs on campus will have a free choice activity period before or after their lunchtime. Campers may choose from the following daily options: free swim (pending approval due to safety protocols), computer time, outdoor free play, or quiet reading and crafting time. Children participating in the free swim option will need to bring a bathing suit and towel each day they wish to swim, along with a plastic bag for wet clothes.

Electronics Policy

With the increase in the technology around us, electronics are no longer prohibited at camp; however, we expect that these devices be put away unless specifically required for a camp or in the case of an emergency.

Discipline Action Plan and Termination

Attendees who are found to bully or harass others will generally be subject to serious disciplinary action, including prohibition from further attendance. CA Summer Experience reserves the right to remove any camper from our program for disciplinary reasons. If a child is removed for disciplinary reasons, there will be no refund.

REGISTRATION / PAYMENT

2021 Registration opening dates are as follows:

Priority Registration for SE20 returning campers= **February 15th at 7am**

Priority Registration for CA families= **February 16th at 7am**

General Public Registration= **February 18th at 7am**

Online Registration

We are excited to roll out our NEW online-only registration system for SE21 *powered by CampBrain*. For 2021, **returning campers as well as first time users will need to create an account with the new user sign up**. If you are a Columbus Academy academic year family, you can simply use your Columbus Academy mySchoolApp login. Please look for the "Login using Columbus Academy mySchoolApp" button on the sign-in page. If you would prefer a separate login, you may use the new user sign-up option as well. Visit columbusacademy.org/summer and click on the **Register Now** button.

Registration is on a first come, first served basis for all programs. Many programs fill quickly and therefore, we recommend registering as early as possible. You will register according to your child's "rising grade" meaning the grade your child will be entering in the 2021-22 school year. A non-refundable and non-transferable registration fee of \$20 per camper is required at the time of registration. There is no proration for absences or conflicts due to schedule, vacation, or other activities. Payment in full is accepted at the time of registration or you may select our new installment plan. Payments are accepted in the form of credit card, ACH, paper check or cash. All balances must be paid in full by May 15th or your registration will be cancelled for any unpaid camps. If you register after May 15th, full payment is required at the time of registration. Registration closes on Wednesday at 9am for the following week's camp session and new registrations or schedule changes will not be accepted after this deadline. Returned checks and ACH denials / errors will incur a \$35 fee per occurrence.

NEW! Installment Payment Plan

You may select the installment plan to divide your course fees total over three equal payments. Payment due dates are March 15, April 15 and May 15. For installment plans by credit card and ACH, your payment will automatically be processed on the due dates. *For installment plans by paper check or cash, it is your responsibility to make the appropriate payment amount by the designated due dates.* All balances must be paid in full by May 15th or your registration will be cancelled for any unpaid camps.

Waiting Lists

All programs have an enrollment maximum to follow safety protocols. Once a program fills, a waitlist for that program begins through the online registration system. There is no course fee required to register for a waitlist; however, all registrants will be charged the \$20 registration fee. If you only register for waitlisted program(s) and space does not become available, an exception will be made to refund the \$20 registration fee. You will be notified via email if a space becomes available in your waitlisted class. You will have 24 hours to accept the open spot and make payment arrangements. Once the 24-hour window has expired, we will move to the next person on the waitlist.

FEES, CHANGES, CANCELLATIONS, REFUNDS AND DEADLINE POLICY

All camps have a minimum enrollment that must be met in order to run. Therefore, we must adhere to the following policy regarding cancellations. Please understand that after the deadline listed below, we have made firm financial commitments to our faculty and staff, in addition to purchasing materials for the class. The \$20 per camper registration fee is non-refundable and non-transferable. The cancellation deadline is May 15th, 2021. Any changes or cancellations made prior to May 15th will incur no penalty and course fees will be refunded in full. **There is no refund for cancellations after May 15th.** Changes made to schedules after May 15th will be charged a \$25 non-refundable change fee per child plus any difference in course fees. **All change requests and cancellations must be submitted in writing to Summer_Experience@columbusacademy.org.**

If a child is removed for disciplinary reasons, there will be no refund. Exceptions to the cancellation/ refund policy will be considered for medical reasons only and proper documentation from the child's doctor is required. CA Summer Experience reserves the right to cancel any program due to low enrollment. We will make every effort to place your child into another available program. You will be notified via email with alternative camp options or to receive a full refund.

SUMMER EXPERIENCE 2021 PEACE OF MIND POLICY

It is our hope that we will be able to run all of our Summer Experience programs as they were intended, but we have planned for possible contingencies if needed. If we should have to deviate from our original plans in any way, we want to make sure our families have options that are clear and easy to navigate. If any of our on-site programming is cancelled due to unforeseen circumstances, and a virtual-ready option is not offered, you will be refunded 100% of the camp fee. If you have elected an on-site program with a virtual-ready option, you will have 24 hours to decline the virtual option and will be refunded 100% of the camp fee. In the event of any cancellation, the \$20 registration fee is non-refundable.

PRE-KINDERGARTEN

(AGES 3-5 fully potty trained)

PRE-K PROGRAM DAILY DETAILS

Summer Experience's Pre-K program activities are based on weekly themes. Virtual special guests, arts and crafts, science, games, outdoor education, creative movement, and story time are used to express those themes. Children are encouraged to discover and develop their academic, creative, and social skills at their own pace. Opportunities for active and experiential learning are offered each day through child-initiated and teacher-directed activities in order to assist children in their intellectual, physical, social, and emotional development. We are committed to creating an enriching environment where children are in the continuous process of development based on their individual ability, readiness, and interest. Our emphasis is on play and having fun.

Your child's experience will focus on the importance of self-confidence and play in a child's life. The activities reflect this each day as your child joins in the fun of cooperative play with others in an environment that promotes a confident and positive attitude.

Snacks are provided each morning and afternoon. The dress is casual: a t-shirt, shorts, and tennis shoes are recommended. Students must bring a water bottle and swimming suits are needed for sprinkler days. **Please send an extra outfit in a resealable bag with each camper on the first day of camp.**

You can expect communication via email the week prior to camp starting. The email will provide helpful information and will contain a Zoom introduction meeting link for the Friday before camp begins, between 4-5pm.

The Columbus Academy Pre-K staff consists of experienced classroom teachers and senior counselors. A maximum ratio of 6:1 is maintained, with a limit of 12 students per section.

Pre-K students, ages 3-5, need to be fully potty trained. CA defines potty trained as:

1. No longer in training pants/pull ups while awake or asleep (with the exception of medical conditions).
2. Using the toilet for both urination and bowel movements.
3. Able to wipe him/herself after using the toilet.

Special Feature: Sessions 1 & 9

Old MacDonald Had a Horse Farm

3 to 5-year-olds | Sessions 1*, 9

Instructor: Dreams on Horseback Staff

Afternoons (12:30p-2p) \$130

**Please note this program will hold camp on Monday 6/7 of Session 1*
Join us for a week of horse-themed learning and literature in our barn! You and your child will enjoy lots of fun, interactive horse activities including learning to groom, making horse treats, engaging in Montessori type "free choice" activities, pony painting as it relates to Native American traditions, and more. Each day will include hands-on education about our horse friends, horse crafts, story time, and handler-led rides in either our arena or through our wooded sensory trail (weather permitting). ***This Field of Dreams horse camp will be held at the Dreams on Horseback facility located at 1416 Reynoldsburg New Albany Road, Blacklick OH 43004. Participants will meet directly at this facility each day. An adult caregiver is required to attend camp with the child. Both caregiver and child must wear closed-toe shoes such as tennis shoes; no sandals or flip flops. Please bring a water bottle and child may want long pants for their ride.***

****Helmets are required for riding. If you prefer your child to have their own helmet, one can be purchased for \$45 from Field of Dreams. Camp helmets (disinfected between riders) are available at no charge. No unapproved helmets may be used.***

🚗 This is an off-site program. Columbus Academy is not providing transportation.

Drone Escape and Rescue

Rising 3-5 | Session 7 | Instructor: Droboots Company Staff

Full (9a-4p) \$445 | No Half +Plus

This camp introduces the enjoyment of flying drones to the real world application of learning how to use drones in emergency response situations. This is an action-packed and creative program where teams of campers (flight squads) face off, taking on both the "rescuer" and the "victim" mentality. Throughout the week, campers will participate in fun, yet realistic role-playing missions while they attempt to outsmart and out-manuever the opposing team. Flight squads also will work together to conduct mock search and rescue challenges - all in a safe and friendly competitive environment. Campers will certainly earn their wings, take pride, and gain confidence with each assignment. The key will be how well each team works together and within their flight squads to conquer the adventures at hand. Also included in this program are the innovative Droboots Drone Games including challenges and concepts such as Keys to Millions, Spy Drone, Drones to the Rescue, Drone Pod-Racing, and more.

Rising 3-5 | Session 7 | Instructor: Funtastic Workshops Staff

Full (9a-4p) \$335 | No Half +Plus

Are you ready to design and build things that you create -- not just a model you purchase? Build and keep an air powered Hovercraft. Build and take home your own supercar powered by more than one source of energy and an awesome Egg Drop Car. Bring your creativity and ingenuity. Throughout this workshop, you will learn about Laws of Motion, Energy, Air Pressure, Friction, Lift, Speed and Acceleration. You are never too young to learn and have fun in a Funtastic, hands-on way.

Inspired to Move

Rising K-2 | Session 8 | Instructor: Inspiration to Movement Staff

Full (9a-4p) \$315 | No Half +Plus

It's time to get moving! Join the professional dancers of Inspiration to Movement Studio on an integrative movement experience like no other. Students will develop strength, flexibility, and body awareness while gaining experience in how to use these skills expressively to music. They will explore these concepts through structured practice and improvisation with traveling and stationary movement from ballet, jazz, ballroom, and modern dance, which they will then present in the virtual Friday Showcase. Each student will receive a limited edition t-shirt with participation.

Junior Drone Pilot Academy

Rising K-2 | Session 3 | Instructor: Drobots Company Staff

Full (9a-4p) \$445 | No Half +Plus

Designed for younger campers with little to no experience flying drones, this program fully immerses campers into an exciting narrative and experience. The mission: Captain Droby and her crew (campers) are exploring a faraway planet to discover new energy resources. The challenge: a colony of

mischievous aliens who will do anything to disrupt Captain Drobby's crew. To conquer the aliens, campers will use a variety of flying, jumping, and rolling drones to navigate their way around the planet and successfully make it back to the mothership. Drobots use the safest and most reliable drone products on the market for enhanced safety and most of all, fun. Campers will learn all of the safety measures as they prepare to learn the basics of drone technology before taking to the air. Join us for a week filled with excitement, games, and learning. All campers go home with plenty of Drobots keepsakes so the memories last long beyond the summer.

Kids Exploratory Coding Playground (VR)

Rising K-2 | Session 5 (T-F) | Instructor: CodeMonster Staff

Full (9a-4p) \$360 | No Half +Plus

You're never too young to start coding! This course is specially created for young children in rising grades K to 2. We are using Scratch Jr. to encourage a light and playful environment to create a digital story and simple animation. Students will be immersed in their own creation using their own voice and giving a sequence of instructions using lego-style blocks. The main objective is to let students take control of their creation and gain an understanding of how they can alter the behavior and sequence of events (Please note syntax or algorithm will not be discussed as this is not the objective of the course). This introductory course will empower young children to gain confidence in themselves and be aware of human and computer interaction. **No prior knowledge of computer programming is required; however, students should know how to use touch to navigate around the screen.**

LEGO STEM Avengers

Rising K-2 | Session 7 | Instructor: Drobots Company Staff

Full (9a-4p) \$445 | No Half +Plus

Explore all the caped crusaders and discover their super powers in this action packed LEGO® camp. Create a fantasy world and protect it against all the evil arch enemies with custom contraptions made with LEGO® bricks. Campers will build the SHIELD Jet, custom secret lairs, and speedy flying contraptions. Avengers fans will love this camp as they work in teams to defeat Loki!

Let It Go

Rising K-2 | Session 2 | Instructor: Columbus Children's Theatre Staff

Full (9a-4p) \$310 | No Half +Plus

The ever-popular Frozen themed camp is back! Students will sing and dance to the hit songs from the movies and musical! With the help of characters like Anna, Elsa and Kristoff (and Olaf and Sven, of course!), students will develop basic acting skills using familiar content and play Frozen themed games. What participants won't know is these activities assist in developing confidence related to public speaking and presentation skills for later use.

Little Woodworkers

Rising K-2 | Session 5 (T-F) | Instructor: Shaun Ditty

Full (9a-4p) \$260 | No Half +Plus

Students will learn basic woodworking tools and techniques. They will construct and paint age-appropriate projects that will be theirs to take home at the end of the camp. What should you keep in your toolbox? By the end of the week, you will be the expert!

Little Woodworkers: The Next Level

Rising 3-5 | Session 6 | Instructor: Shaun Ditty

Full (9a-4p) \$325 | No Half +Plus

This class offers children that have already had some experience with tools and woodworking the opportunity to build upon their prior experiences to create slightly larger projects. Projects for this class include small wooden robot models, a free choice project, as well as a custom size chair built for and by them.

Magic with Everyday Objects (VR)

Rising K-2 | Session 2 | Instructor: Carroll Baker

Full (9a-4p) \$320 | No Half +Plus

Children of all ages love magic, and they really love learning and performing it! Carroll Baker's classes are a great way for your child to have fun learning to become an amazing magician, performer, and presenter. Beyond the entertainment value, magic helps improve digital dexterity, coordination, visual perception, spatial relationships, critical thinking, creativity, public speaking skills, self-confidence, and imagination. Campers will learn to perform fabulous feats of amazing magic with ordinary objects such as ropes, coins, rubber bands, and more. Campers will have the opportunity to perform in the virtual Friday Showcase.

Mini-Horse Lovers Camp

Rising K-2 | Session 1*, 9 | Instructor: Dreams on Horseback Staff

9:30a-12:00p \$295

**Please note this program will hold camp on Monday 6/7 of Session 1*

Younger campers will learn all about our very special horse partners at our farm in Blacklick, Ohio. Campers learn how to stay safe around a horse, how horses communicate, how to groom a horse, "fun horse facts" and more. Campers will also get to paint a horse, make horse treats, take a handler-led ride each day, and create fun horse themed crafts. A great way for kids to explore the equestrian world! Due to the short timeframe of this camp, campers will not be allowed to ride a horse independently, regardless of experience. **This Field of Dreams horse camp will be held at the Dreams on Horseback facility located at 1416 Reynoldsburg New Albany Road, Blacklick OH 43004. Participants will need to be dropped off and picked up at this facility each day. Students must wear closed-toe shoes such as tennis shoes; no sandals or flip flops. Please bring a water bottle and child may want long pants for their ride.**

***Helmets are required for riding. If you prefer your child to have their own helmet, one can be purchased for \$45 from Field of Dreams. Camp helmets (disinfected between riders) are available at no charge. No unapproved helmets may be used.**

Move and Groove! (VF) (VR)

Rising K-2 | Session 4 (M-TH) | Instructor: SoundBody Staff/ Adam Maynard

Full (9a-4p) \$255 | No Half +Plus

What if you could travel the world in one week without even leaving Columbus? We can do it, and you can do it too...through music and dance! With over 20 years experience, dance and music teacher Adam Maynard of SoundBody will guide campers through an interactive experience learning songs and dances from around the globe. We'll stop in Haiti and the Dominican Republic for a merengue on the beach, journey to Australia to sing about exotic animals and learn about a "billabong," then travel to Asia and create free-feeling pentatonic melodies on instruments. Are you ready to set sail?

Mystical Creature Adventures (VR)

Rising K-2 | Session 7 | Instructor: Little Scholars Staff

Full (9a-4p) \$295 | Half +Plus (9a-1:30p) \$180

Loch Ness Monster, Bigfoot, Greek Gods and mystical creatures...did we get your attention? We are going to fill your days with discoveries about these legendary creatures. Not only will you have fun, but you will broaden your creative mind and gain critical reasoning skills. This is one adventure you will not want to miss!

**Out of This World (VR)**

Rising K-2 | Session 3 | Instructor: Little Scholars Staff

Full (9a-4p) \$295 | Half +Plus (9a-1:30p) \$180

5, 4, 3, 2, 1 blast off to a galaxy far, far away to learn about Earth and the amazing solar system. Discover all things galactic such as comets, planets, shooting stars, rockets and more. Learn about flight, the adventures of space travel, and participate in a rocket launch!

Pottery Par-tea!

Rising K-2 | Session 7 | Instructor: Cat Mailloux

Full (9a-4p) \$295 | No Half +Plus

Design and create your own usable tea set out of clay! Learn the basics of hand building, firing, and glazing with clay. Students will design and stamp their own tablecloth and create a vase with a flower arrangement for our big end-of-week tea time party. Each day we will taste different teas (all decaffeinated) and learn how some teas can ease an upset tummy or help us calm down. This class is a combination of art and tea!

Restaurants, Burger Joints, and Food Trucks! (Virtual Only) (VO)

Rising 3-5 | Session 9 | Instructor: Laurel Welsh

Full Day \$285 | No Half +Plus

Spend a week with Ms. L and create your own imaginary food truck business! We will cover the basics of economics and what it is like to be an entrepreneur and start a food truck business. You will be able to create your own menu with prices, figure out how much the supplies will cost, and create your own 3D model of your food truck!

Roblox Adventure Racing Games (Virtual Only) (VO)

Rising 3-5 | Session 9 | Instructor: Drobots Company Staff

Full Day \$425 | No Half +Plus

Do you love Roblox and want to learn how to make your own games? In this exciting camp, campers will learn the Roblox Studio game creation engine and the Lua scripting language, and build exciting professional grade games, including Racing games, and Dodgeball games. Students will master important coding concepts such as conditionals, loops, and functions, and learn a powerful scripting language used by pro developers around the world! Throughout the week, campers use the Roblox Studio editor and Lua (Roblox programming language) to build their very own Adventure Map. Each day will present a new challenge and a key concept, such as conditionals and variables. The ultimate goal of this program is to ensure campers are having fun while learning new concepts to progress their learning and build confidence coding, so they may prepare for the next learning opportunity in the future. This program caters to all experience levels.

Roblox Obbies! (Virtual Only) (VO)

Rising 3-5 | Session 1 (T-F) | Instructor: Drobots Company Staff

Full Day \$340 | No Half +Plus

Together with our expert instructors, campers will explore LUA Script Coding and design their very own obstacle course video game. Create your world, set your obstacles, design your player, then try to beat your own course! Dash, Dodge, and Shimmy your way through Hoops of Fire, LAVA Landings, and huge gaps, as you design and navigate the toughest, coolest, most fun obstacle course you can dream up! This program caters to all experience levels.

Science Palooza (VR)

Rising K-2 | Session 2 | Instructor: Little Scholars Staff

Full (9a-4p) \$295 | Half +Plus (9a-1:30p) \$180

Come discover, experiment, and create as we learn about the colliding worlds of art and science in this STEAM-based camp. We will create biomes from around the world, star gaze at constellations, master meteorology, investigate how things work and dabble in chemistry and physics. Put on your learning cap and grab the art supplies because this STEAM camp will rock your world.

Sewing Magical Creatures (VR)

Rising 3-5 | Session 4 (M-TH) | Instructor: Helma Groot

Full (9a-4p) \$250 | No Half +Plus

Each day we start with a new and exciting project in Sewing Magical Creatures camp. You will learn to sew by hand and on the sewing machine, make your own stuffed animals, create patterns, and sew on buttons (parents will appreciate this skill!). Whether or not you already know how to sew, you'll be able to use your skills to make elves, unicorns, dragons or gnomes, capes, magic wands, and more.

StemQuest Jr: Coasters & Speedsters

Rising K-2 | Session 8 | Instructor: Drobots Company Staff

Full (9a-4p) \$445 | No Half +Plus

Campers who yearn for and have the need for speed are needed to participate in this energizing camp program. Teams of campers work together during multiple hands-on creative activities to design, build, and race rolling objects. Prepare to design and build the tallest, fastest, and most durable marble roller coasters, before releasing your marble in super-speedster fashion down the tracks. Strategize with your teammates and devise a plan to have your rolling objects jump over as many towers as possible without knocking them over. Get creative and build your very own balloon-powered speedster bot and navigate it around and crash it through various obstacles. Finally, try your best to conquer and complete the dreaded super loop for extra excitement!

StemQuest Mario Kart: Water, Land, & Coaster Racing

Rising 3-5 | Session 3 | Instructor: Drobots Company Staff

Full (9a-4p) \$445 | No Half +Plus

If you like playing Mario Kart on your console then it's time to get your hands off the controller and onto real robots. This is the camp program that brings Mario to life! Throughout the week, campers enjoy endless building and racing challenges (without a video screen!). Robots on the ground are cool, but are you ready to take your ground bot skills into the water? How about determining the best way to design and create twists and turns to build the fastest coaster? This program provides all the summer fun a camper may handle as participants rotate through a variety of thrilling activities. Campers dive right into a program that requires teamwork, flexibility and creativity, not to mention a hands-on building of structures that include: bridges, beams, arches, trusses, and suspension bridges. Campers will use their engineering skills in combination with trial and error to construct the fastest marble roller coaster, design the most agile waterbot, and develop the most durable land rovers.

Storybook Sewing (VR)

Rising K-2 | Session 2 | Instructor: Helma Groot

Full (9a-4p) \$315 | No Half +Plus

We begin each day with a new storybook and base our sewing projects on characters in the story. You will learn to sew by hand, make your own stuffed animals, create patterns, and sew on buttons (parents appreciate this skill). You'll use your new skills to make capes, magic wands, pillows, hats, bags, doll clothes, and more. We'll also write our own stories, paint, weave, and draw.

Storybook Songs

Rising K-2 | Session 7 | Instructor: Amy Jackson

Full (9a-4p) \$285 | Half +Plus (9a-1:30p) \$175

Singing and stories and crafts, OH MY! There is no denying that the connection between music and literacy is important to early reading and musical development. The two grow best when done simultaneously rather than apart. In this camp, children will experience their stories sung rather than spoken, as well as music-listening activities and crafts that will enhance literacy and stretch their imagination.

Super Sleuths (VR)

Rising 3-5 | Session 6 | Instructor: Little Scholars Staff

Full (9a-4p) \$295 | Half +Plus (9a-1:30p) \$180

Get out your magnifying glasses and detective hat as we have clues to decipher and crimes to solve. We'll put our critical thinking skills and STEM knowledge to the test and get to the bottom of mysteries by learning the tricks expert investigators use to solve cases. While experimenting with simple detection techniques, your reasoning skills will grow and your problem solving skills will become better than CSI agents.

Ukulele Madness: Play and Sing!

Rising 3-5 | Session 4 (M-TH) | Instructor: Bill Walker

Full (9a-4p) \$280 | No Half +Plus

Join the ukulele craze! We will learn basic chords, melodies, strumming and picking patterns, bass lines, and beginning blues lead playing. Song material will include traditional folk songs, blues, and contemporary songs in a variety of styles. We will learn to coordinate playing and singing at the same time. By the end of the week, we will record everything on high quality digital recording equipment and produce a CD or online album of all of our work.

Course fee includes cost of ukulele that students get to take home at the end of the week.

Ultimate Drone Obstacle Course

Rising 3-5 | Session 8 | Instructor: Drobots Company Staff

Full (9a-4p) \$445 | No Half +Plus

This action-packed program is specifically designed for both the novice and experienced drone enthusiasts. Full of excitement, teamwork, learning, and fun, campers enjoy one of the world's fastest growing sports, Drone Obstacle Course Racing. Throughout the week, campers learn about the basic safety of drone flying and the history behind drone racing as a sport. As the week progresses, campers will advance through various skill challenges, learning how to perform assorted exercises and maneuvers to become familiar with the drone's speed and agility. Campers will use iPads and remote controls to pitch, yaw and roll their drones through some of Drobots' most daring obstacle courses. Participants will utilize their creative minds to help design the obstacle layout and then build the obstacle course in preparation for the camp's final activity and competition.

Under the Big Top (VF)

Rising K-2 | Session 5 (T-F) | Instructor: JumpBunch Staff

Full (9a-4p) \$240 | Half +Plus (9a-1:30p) \$145

Every child loves the circus! Our JumpBunch circus camp takes your child on a fun adventure as we play fitness games and activities you might find

at a circus. We will use our imagination, as we pretend to train animals, tightrope walk, and perform acrobatics. This camp helps build children's gross motor skills, balance, coordination, and agility, while also improving their self-esteem and confidence. Come one, come all, to the JumpBunch circus camp! Join us for the virtual Friday Showcase where we will share our skills from Under the Big Top! **Campers should dress to be very active and bring a nut free snack and water bottle each day.**

Unicorns and Dragons Oh My!

Rising K-2 | Session 8 | Instructor: Young Chefs Academy Staff

Full (9a-4p) \$325 | No Half +Plus

Grab your glitter and sword and join Young Chefs Academy as we fly over the rainbow and encounter a magical world of majestic unicorns and fire-breathing dragons. Campers will spend the week creating unicorn and dragon themed food, treats, and crafts! If your little camper has an enchanted imagination, then they won't want to miss this culinary fairytale adventure.

Where in Time are We?

Rising K-2 | Session 2 | Instructor: Amy Jackson

Full (9a-4p) \$285 | Half +Plus (9a-1:30p) \$175

Summertime got you down? Tired of the same old neighborhood, same old camp? Ever consider TIME TRAVEL? Join us on a week-long exploration of world history using the latest in time travel technology (created by YOU!) Ancient civilizations? We've got that. Dark Ages? We've got that, too. Dinosaurs? (gulp!) Bring your sense of adventure and your imagination! Here we go!

Whiz Kids (VR)

Rising 3-5 | Session 5 (T-F) | Instructor: Little Scholars Staff

Full (9a-4p) \$240 | No Half +Plus

Join us on a science discovery mission! We will explore the world of science through everyday objects, experiments and encounters. This camp will enhance the STEM education philosophies with a big punch of fun. Physics, biology, chemistry, geology, astronomy and zoology will all be covered in the camp.

World of Dance (VF) (VR)

Rising 3-5 | Session 4 (M-TH) | Instructor: CLC Dance, LLC/ Chelsea Crabtree

Full (9a-4p) \$230 | Half +Plus (9a-1:30p) \$140

Come join us in learning dances from around the world! We will explore a variety of dances from different regions. We will dive into the history and customs of different cultures and discover how dances around the world are created. While learning basic dance etiquette and technique, we will develop our appreciation for different cultures. No previous dance experience is necessary.

AM Clinic Only (9a-11:30a) \$145 | PM Clinic Only (1:30p-4p) \$145

Field Hockey: We are excited to announce that this year's clinic is back at Columbus Academy. We are thrilled to use the beautiful Carlin Fields at CA. Be a part of the tradition at Columbus Academy by playing the sport of field hockey from State Championship winning coaches and top notch players. This clinic is a great way to learn the dynamic sport of field hockey.

Clinic sessions are creatively designed for both beginning and intermediate players. We strive to teach the hockey basics: dribbling, passing, receiving, pulls, dodges, and more for younger players while preparing older girls for middle school competition. It doesn't matter if you are a first year player or an experienced middle school veteran, we will help you improve your game! We can't wait to share our love of the game on the turf fields at CA this summer. **Participants are required to bring a water bottle. If you need to purchase equipment, please contact Coach Adams at adamsj@columbusacademy.org.**

Basketball: She shoots, she scores! Be a basketball star at CA. This girls' basketball clinic will involve learning and utilizing fundamental basketball skills. Girls will learn and practice ball skills, shooting skills, and basic fundamental principles in various drills and game situations. The clinic is designed for experienced players to improve on their skills, as well as for beginners to learn about the game of basketball. Come on in and see just how fun and rewarding basketball can be! **Participants are required to bring a water bottle.**

Rising K-2 | Session 6 | Instructor: Gym Skills Staff
Full (9a-4p) \$310 | Half +Plus (9a-1:30p) \$185

Come join Gym Skills Gymnastics for an awesome gymnastics and fitness program! Have fun with handstands, cartwheels, backbends, handsprings, and more in a non-competitive environment. We will start by warming up and stretching to keep our bodies safe, then learn about different kinds of balances, use all kinds of equipment, and experiment with springs and landings. On Friday, we will visit the Gym Skills facility located in Gahanna! Children will work on gymnastics activities such as a trampoline, loose foam pit, cargo net, beam, rings, spring floor, and more. Your child will walk out of camp feeling like a winner!

History and Sport of Archery

Learn to Sail

Rising 2-5 | Session 6, 9 | Instructor: Hoover Sailing Club Staff

Full (9a-4p) \$365 | No Half +Plus

Hoover Sailing Club has offered sailing instruction for Central Ohio youth for over 45 years. Your child will experience the joy of skippering a dinghy from our fleet during his or her very first lesson. Our experienced US Sailing certified staff will teach basic safety and boat skills. Your child will learn to sail up-wind, down-wind, tack, jibe, and recover from a capsize. Our picturesque property and remodeled facilities will provide your youngster with a week he or she will remember for years to come. **Students are required to pack a peanut and tree nut free lunch, and bring your own USCG approved life jacket. Sailing is a very physical activity; occasional bumps and bruises can occur. Please advise your child's counselor if there are any issues of which we might need to be aware. A Hoover Sailing Club release form is also required for every participant and will be distributed via email before camp begins.**

🚗 **This is a traveling/off-site program.**

**Nerf It Up!**

Rising 3-5 | Session 7, 8 | Instructor: JumpBunch Staff

Full (9a-4p) \$430 | No Half +Plus

The Nerf Bodacious factor is off the charts during this camp. Think you can't

get enough Nerf? This is the camp for you. We'll be battling until you drop! We only stop for water and to change teams. We play single elimination, capture the flag, Star Wars, the Hunger Games and more! You will have a blast! **Course fee includes all Nerf gear that students get to take home at the end of the week.**

9: Full (9a-4p) \$365 | No Half +Plus

Have you ever wanted to be Zorro, d'Artagnan, the Dread Pirate Roberts, Captain Jack Sparrow, Robin Hood, or a Jedi Knight? Learn the noble art of fencing, including information about swords, moves, competitions, and future opportunities for Fencing Sport Scholarships. This course is specially created for participants of all fencing and athletic levels. On Friday, the students will participate in a real fencing tournament! Fencing equipment is provided. **Students are required to wear athletic shoes and socks and pack a nut free lunch each day.**

🚗 **This is a traveling/off-site program.**

Skateboarding

Rising K-2 | Session 4 (M-TH) | Instructor: Chris Higgins

Rising 3-5 | Session 3 | Instructor: Chris Higgins

3: Full (9a-4p) \$320 | No Half +Plus

4: Full (9a-4p) \$255 | No Half +Plus

Come join us and learn the basics and more of skateboarding, one of the fastest growing sports in the world. While we will cover safety, equipment, and skateboarding etiquette, the emphasis will be on having fun and learning by spending as much time on our boards as possible. It doesn't matter if you are a first-time skater or a more experienced rider, this program will have something for everyone. Field trips to area skateparks will round out this exciting program. **Skaters are required to wear a helmet and bring their own skateboards; knee pads and elbow pads are recommended.**

Skateboarding Skatepark Road Trip Camp

Rising 3-9 | Session 9 | Instructor: Chris Higgins

Full (9a-4p) \$475 | No Half +Plus

Come join Chris Higgins and crew as we hit the road to skateboard at some of Columbus and Central Ohio's best skateparks! Skaters of all ages and skill levels will learn and have fun as we work on skating on all different types of skateparks and terrain. Camp will meet at Columbus Academy every day before we set off on an epic road trip to a different skatepark. Please note locations are subject to change due to COVID-19 stipulations and safety protocols, but there will be no shortage of fun and safe adventures. **Students are required to pack a nut free lunch each day. Skaters are required to wear a helmet and bring their own skateboards; knee pads and elbow pads are recommended.**

Superhero Training (VF)

Rising K-2 | Session 8 | Instructor: JumpBunch Staff

Full (9a-4p) \$295 | Half +Plus (9a-1:30p) \$180

This camp is all about training to be your favorite superhero! To be a superhero means having strength, agility, balance, and speed. We focus on learning special superhero training skills through fun games and activities such as "jumping over hot lava," "dodging fireballs," "lightsaber training," "scooter flying," "ghostbuster tag," and so many more! Being a superhero also means having compassion for society, a kind heart, and a willingness to do good and help others. These are qualities we discuss and talk about with our campers. This camp really encourages campers to be a superhero in everyday life! **Campers should dress to be very active and bring a water bottle.**

Swimming Lessons

Greater Columbus Swim School

Rising K-8 | Session 2-8

Instructor: Greater Columbus Swim Team of Ohio (GCSTO)

8a-9a and/ or 4p-5p \$80/ week (Sessions 4 and 5: \$65/ week)

The Greater Columbus Swim Team of Ohio teaches Columbus Academy instructional swim lessons in a fun, yet challenging atmosphere with lessons taking place at Columbus Academy Pool on campus. The pool depth ranges from 3ft – 10ft. Participants are observed and placed in appropriate levels according to their current skill level and will engage in the fundamentals of swimming most appropriate for their ability. Swimmers will be consistently monitored for skill acquisition in order to ensure that they are continually challenged in the pool as their skill level increases. Beginning swimmers will learn the most basic skills needed to become self-sufficient in the water, while swimmers with slightly more advanced skills will be progressed through a series of eight levels, focusing on the proficient acquisition of all four of the competitive swimming strokes (those used in the sport of swimming). Participants will receive a skills accomplishment report at the end of each weekly session. Swimmers will have a great time, will be challenged, and will learn valuable skills. ***This program can be added to any week's programming. There is a maximum of 15 children per time slot and spaces fill quickly.***

Full (9a-4p) \$240 | Half +Plus (9a-1:30p) \$145

How are your favorite Pixar or Disney movies made? Do you have a knack for playing on iPads and iPhones? Come join us to demystify the movie making process and harness modern technology to learn how to make your own animations using basic stop-motion construction techniques. Explore drawing, flip books, building with clay, and storytelling in this crash course on making things move. Celebrate at the end of the week in a virtual film festival of animated shorts showcasing your creative and quirky animations.

Architectural Imagination (VF)

Rising 6-9 | Session 5 (T-F) | Instructor: Javoné Williams

Full (9a-4p) \$240 | No Half +Plus

The study of architecture allows us to see a representation of culture. This course will teach the elements of art including line, shape, form, texture, and color in a drawing. Students will also study the elements of architecture and learn to identify those elements and their relationship to the surrounding landscape. By the end of the week, students will draw a famous building in perspective using all of the elements they have learned and adding cultural details to round out the experience.

Arduino Robotics Programming

Rising 6-9 | Session 3 | Instructor: CodeMonster Staff

Full (9a-4p) \$445 | No Half +Plus

Let's build a working robot that students can bring home at the end of the camp, and let's program the robot intuitively using real programming language. This one-of-a-kind course teaches children robotic programming using a unique approach. We first introduce and discuss all the components needed for the robot build before actually building it. Once the robot is completed, we will program or give intelligence to the robot. This engaging robotics class provides a fun learning experience for students who love to build and code. We will use an open sourced platform for our robotic building and c++ for coding. **No prior knowledge of robotic programming is required for this course. Some form of coding like Scratch or equivalent is preferred.**

Aromatherapy 101 (Virtual Only) (VO)

Rising 6-9 | Session 9 | Instructor: Tera Stockdale

Full Day \$290 | No Half +Plus

Do you love different scents, how they make you feel, and the nostalgia they bring? If so, this camp is for you! We will spend our week learning about the benefits of aromatherapy and how to create luxury and therapeutic products using natural elements. We will learn about the different properties and notes

of the scents and how to use them in creating candles, mists, skin+body care, bath/soaking salts, and natural air fresheners. Campers will leave smelling better than ever with lots of goodies to share.

Artistic Jewelry Making (VF) (VR)

Rising 6-9 | Session 8 | Instructor: Rachelle Smith

Full (9a-4p) \$300 | Half +Plus (9a-1:30p) \$180

Design and create your own jewelry pieces in this creative camp for aspiring designers and crafters. Campers will make one-of-a-kind jewelry pieces, including bracelets, necklaces and earrings. This camp will conclude with an online jewelry boutique where campers can showcase and sell their handmade jewelry.

Be a Junior Counselor

Rising 8-11 | Session 1-9 | Instructor: Jr. Counselor Coordinators

Full (9a-4p) \$105/ week (Sessions 1, 4, & 5: \$85/ week)

Join our dynamic team this summer and put experience on your resume.

This opportunity is a hands-on volunteer leadership experience for any student going into eighth through eleventh grade. Duties of a junior counselor include helping with camp activities, supporting a senior counselor, escorting campers, helping with check-in and snack time, and having fun in the sun at Columbus Academy. If you have not had a job before, this program will give you the experience you will need to succeed in your next opportunity and will give you leadership skills that will follow you the rest of your life. By becoming a part of our team, you will have fun, make friends, and learn valuable skills. Each participant will receive a certificate of completion and a review to put in his or her job portfolio. **Students and a parent/guardian are required to attend a mandatory virtual orientation (date and time TBA). In addition, individual meetings will also be scheduled with Jr. Counselor Coordinators. This program is limited to six participants per week, and spaces fill quickly.**

Camp Pinterest (VF)

Rising 6-9 | Session 7 | Instructor: Colleen Vaughan

Full (9a-4p) \$315 | Half +Plus (9a-1:30p) \$190

Camp Pinterest is a week of crafting using inspiration from Pinterest. Students will create a variety of projects using many types of media. Some projects will include crayon melting, wood string art, and painting on canvases. Students will also have the opportunity to find a project on Pinterest they would like to create, and we will take a field trip to a local craft store where students will be able to find materials for their project. It will be a very fun week of crafting and being creative!

Chess Masters (VF)

Rising 6-9 | Session 6 | Instructor: Kyle Jones

Full (9a-4p) \$295 | Half +Plus (9a-1:30p) \$180

Chess Masters provides students with the most advanced curriculum to prepare them for tournament play. Students will be given the necessary tools to be able to create reasonable plans in complex positions. Campers will learn advanced tactical themes. Each day students will participate in our very own tournament to put their strategies to the test.

Comedy Magic (VR)

Rising 6-9 | Session 4 (M-TH) | Instructor: Carroll Baker

Full (9a-4p) \$255 | No Half +Plus

Students love magic, and they really love learning and performing it! Carroll Baker's classes are a great way for your child to have fun learning to become an amazing magician, performer, and presenter. Beyond the entertainment value, magic helps improve digital dexterity, coordination, visual perception, spatial relationships, critical thinking, creativity, public speaking skills, self-confidence, and imagination. This class will focus on fun and easy magic, comedy styles and how to incorporate them into a show. Campers will have the opportunity to perform in the virtual Friday Showcase.

Cooking Farm-to-Table at Young Chefs Academy

Rising 3-8 | Session 1 (T-F) | Instructor: Young Chefs Academy Staff

Full (9a-4p) \$260 | No Half +Plus

Join Young Chefs Academy in this unique camp that takes campers on a locally grown culinary adventure out of Columbus Academy and into the kitchens at Young Chefs Academy! Campers can expect to get their hands dirty and explore the science behind growing, eating and cooking foods that you might grow in your own backyard. With the help of the community, campers will get to know what real farm to table looks like, tastes like and how they can be a part of it! **Please note students will be walking to and from Young Chefs Academy each day, and the distance is approx. 1/2 mile. Students are required to pack a nut free lunch each day.**

🚗 **This is a traveling/off-site program.**

Creative Engineering (VF)

Rising 6-9 | Session 2 | Instructor: Funtastic Workshops Staff

Full (9a-4p) \$335 | No Half +Plus

Work with an advanced three dimensional construction kit that is yours to keep and take home. Design and build simple or complex models of a vehicle, a robot, moving creatures, or buildings. You will also get your own 3-volt geared motor. Learn the many ways you can make your motor run. Hands-on is the only way, so prepare to build from directions and from your own imagination!

Dancing with the CA Stars (VF) (VR)

Rising 6-9 | Session 2 | Instructor: SoundBody Staff/ Adam Maynard

Full (9a-4p) \$315 | No Half +Plus

Want to dance like the stars on TV? From the drama of the tango to the energy of the jive, ballroom and Latin dancing have taken the country by storm as millions tune in every week to see their favorite stars go head-to-head and toe-to-toe. During this energy-packed week, students will learn the steps, rhythms, and techniques of some of the most popular dances as seen on TV. Taught by a current professional ballroom dancer, this camp will also help to develop the presentation skills, partnering, and confidence necessary to be a champion. At the end of the week, students will present a Dancing with the Stars style formation on stage during the virtual Friday Showcase. Whether your desire is to compete and perform or just gain confidence and coordination, this camp is for the dancer in you!

Discover Ohio

Rising 6-9 | Session 9

Instructors: Mike Fatten, Johari Mitchell, & Amanda Vesner

Full (9a-4p) \$575 | No Half +Plus

If you like to explore and have a sense of adventure, this is the camp for you! During the week, we will visit places both near and far including Zoar Village, Ohio Historical Center and ending the week with Cedar Point. Please note locations are subject to change due to COVID-19 stipulations and safety protocols, but there will be no shortage of fun and safe adventures. **Students are required to pack a nut free lunch each day.**

🚗 **This is a traveling/off-site program.**

Engineering and Problem Solving with Woodworking

Rising 6-9 | Session 8 | Instructor: Shaun Ditty

Full (9a-4p) \$325 | No Half +Plus

Throughout the week, students will have the opportunity to learn about a variety of famous and influential designers and architects. Students will be given design challenges to overcome, asked to think critically and plan ahead, and ultimately work together to create life-size boats by the end of the week. In addition to boat creation, students will work on creating detailed multi-step building plans, 3 view project drawings, work on a free choice project, and build a modern chair to take home. Previous woodworking experience is not necessary, but certainly welcome.

Fashion Design into Home Décor

Rising 6-9 | Session 3 | Instructor: Javoné Williams

Full (9a-4p) \$295 | No Half +Plus

This course aims to provide basic knowledge and techniques of the processes involved in fashion design. From ideation to digital sketching, students will create a t-shirt design for print. Students will also learn techniques that can be used to create home décor. Decorate yourself and home using the tools you gain from this class where you are the designer!

Fun with Photography

Rising 6-9 | Session 2, 5 (T-F) | Instructor: Genevieve Adkins

2: Full (9a-4p) \$285 | No Half +Plus

5: Full (9a-4p) \$230 | No Half +Plus

This class is ideal for anyone wanting to learn about photography in a fun way. Students will learn basic photography techniques and apply them in the field. We will explore the techniques of color, light and shadow, lines, the rule of thirds and positive and negative space. We will practice these skills around the Columbus Academy campus and use them to complete various projects. Our images will then be presented in a virtual gallery at the end of the week. **Students are required to bring a basic digital camera (the more options on the camera the better, but a basic point-and-shoot will work fine as well).**

**Fundamentals of Painting (Virtual Only) (VO)**

Rising 6-9 | Session 1 (T-F) | Instructor: Emma Kindall

Full Day \$235 | No Half +Plus

Join us in learning how to turn a blank canvas into an expressive painting! We will explore painting still lifes, landscapes, animals, and characters. By the end of this camp, students will learn how to successfully apply techniques related to proportion, lighting, texture, and color theory to their paintings. This class is great for any skill level; beginners can build up their basic understanding of technical skills, while more experienced artists are given freedom to design their own unique imagery.

iDesign: Engineering in a Makerspace

Rising 6-9 | Session 4 (M-TH) | Instructor: Todd Martin

Full (9a-4p) \$250 | No Half +Plus

Explore all that a Makerspace has to offer with this engaging engineering experience. Participants will apply the engineering design process as they create and make products using 3D printers, CNC, a laser cutter, mold making and more. Students will also have a chance to create prototypes with a wide range of materials including vinyl, foam and wood. Each day will include CAD design, electronics and robotics challenges. No prior engineering or design experience required. Let's make something!

Introduction to Social Media

Rising 6-9 | Session 7 | Instructor: Javoné Williams

Full (9a-4p) \$295 | No Half +Plus

Do you dream of being a streamer? Do you want to learn to become a content creator? This class is an introduction to the production side of social media. Students will learn the process of storyboarding, photo and video editing. At the end of this course, students will know how to build and maintain social media responsibly.

Kids Creative Programming with Python (VR)

Rising 6-9 | Session 6 | Instructor: CodeMonster Staff

Full (9a-4p) \$445 | No Half +Plus

This course is designed for students that have done some level of programming like Scratch and are ready to move on to the next level. We will introduce Python's basic programming constructs to campers as well as simple graphic drawing using the Turtle module. Simple data types and structures will be introduced and code organization using functions. We will take a shallow dive into Object Oriented programming concepts and explore how Object Oriented concepts can be used and applied in the real world.

Prior graphical coding experience such as Scratch or equivalent is preferred.

Life Drawing (VF)

Rising 6-9 | Session 4 (M-TH) | Instructor: Javoné Williams

Full (9a-4p) \$240 | No Half +Plus

The focus of this course is on building fundamental drawing skills. Students will learn basic techniques such as shading, controlling tones, composition and drawing methods. Students draw from a live model to study the proportion and form of the human figure. Beginning with the basics of human proportion and observing a skeleton, students "build" figures on the page by layering lines, shapes, and forms.

Manga and Anime (VF) (VR)

Rising 6-9 | Session 2 | Instructor: Coral Lee Bishop

Full (9a-4p) \$285 | Half +Plus (9a-1:30p) \$175

Come explore the world of manga and anime! We will spend five days learning about and drawing cartoons in the manga and anime style. We will also discuss how elements of Japanese culture are intertwined in this style. Students will create their own original characters and will use a variety of facial expressions and actions to illustrate scenes. We will also learn about cos-play, cons, and other elements of Japanese current and pop culture as reflected in manga and anime around the world!

Math Art: Creating Beauty from Patterns (VR)

Rising 6-9 | Session 5 (T-F) | Instructor: Emily Dennett

Full (9a-4p) \$230 | Half +Plus (9a-1:30p) \$140

Come and learn how to make beautiful and fascinating pieces of art using mathematical principles! We'll be using shapes and patterns to create 3D sculptures, Celtic knot designs, mazes and labyrinths, and so much more! After learning the basics of each project, campers will get to experiment to create something uniquely their own.

Minecraft Mod Creation: EnderDragon Rider

Rising 6-9 | Session 8 | Instructor: Drobots Company Staff

Full (9a-4p) \$445 | No Half +Plus

Saddle up for the ride of your life with Mod Creation - EnderDragon Rider. This exciting camp teaches students how to create a rideable EnderDragon mod that students can play with friends and family. One of our most requested mods ever, Mod Creation - EnderDragon Rider, will teach students how to code in Java using the Eclipse IDE, a professional tool used by engineers at software companies like Amazon, Google, and Facebook. Students will learn important coding concepts such as conditionals, loops, inheritance, methods, arrays, and more.

Next Top Chef

Rising 6-9 | Session 3 | Instructor: Young Chefs Academy Staff

Full (9a-4p) \$325 | No Half +Plus

Do you have what it takes to be the Next Top Chef? Join us as we learn different cooking, plating, presentation, and garnishing techniques, while creating delicious and impressive recipes. Each day will consist of a different

competition based on popular TV shows including Chopped, Iron Chefs, and Nailed It! Lessons include homemade breads, sauces and international cuisine. Every day is a chance to learn new techniques! At the end of each day, campers will prepare, plate, and present their final dishes to judges to see who is the Top Chef! All experience levels are welcome.

Our Earth Conservation Connection

Rising 6-9 | Session 5 (T-F) | Instructor: Luke Howard

Full (9a-4p) \$230 | No Half +Plus

Our Earth is something we all have in common and taking care of it is something everyone can do! This week-long course will focus on hanging out with trees and getting to know our neighbors better. Taking care of our soil, and learning that it isn't just dirt beneath our feet. Learning how to reduce our waste, reuse/repurpose what we have, and recycle what we can. We will also learn how pollinators interact with nature and how that interaction is key to the function of so many things, even how our food gets to our table. Lastly, we will get to see how our food might be our most important tool to connect us with nature and encourage a beneficial relationship with our planet and with others.

Paint the Greats

Rising 6-9 | Session 7 | Instructor: Angela Martin

Full (9a-4p) \$295 | Half +Plus (9a-1:30p) \$180

Calling all artists! Students will learn the history and techniques of famous artists and will have the opportunity to recreate famous paintings by those artists. Campers will explore the work of Pablo Picasso, Vincent Van Gogh, Jackson Pollock, Henri Matisse, and more. Clear some wall space for all the masterpieces that will be brought home by your student!

Portraiture Drawing (VF)

Rising 6-9 | Session 6 | Instructor: Javoné Williams

Full (9a-4p) \$295 | No Half +Plus

Students will be instructed in the basic anatomy of the human face, head, neck and hands. Special focus will be made towards the understanding of general proportions. With careful observation, students will grasp how foreshortening works at different head positions. Sighting techniques will be discussed as students work with a variety of drawing materials including ink and charcoal. Students will also learn how photographs can be used to accelerate the learning process.

Printmaking Without the Press

Rising 6-9 | Session 2 | Instructor: Emma Kindall

Full (9a-4p) \$295 | No Half +Plus

Let's make multiples! In this class, we will learn unconventional approaches to the traditional artistic process of printmaking. Printmaking is a process based on the transfer of imagery from one surface to another, usually paper or fabric. Typically, printmaking is taught in a print shop using specialized equipment. However, with a bit of creativity and innovation, we can adapt traditional print shop techniques for use in our classroom! Throughout the week, students will explore a variety of printmaking techniques including block printing, monotypes, stamping, stenciling, and image transfer to create their own set of prints on paper, tote bags, and t-shirts.

Restaurants, Burger Joints, and Food Trucks! (VF) (VR)

Rising 6-9 | Session 5 (T-F) | Instructor: Laurel Welsh

Full (9a-4p) \$240 | No Half +Plus

Spend a week with Ms. L and create your own imaginary food truck business! We will cover the basics of economics and what it is like to be an entrepreneur and start a food truck business. You will be able to create your own menu with prices, figure out how much the supplies will cost, and create your own 3D model of your food truck!

Roblox 3D Game Development: Adventure & Racing Games

Rising 6-9 | Session 7 | Instructor: Drobots Company Staff

Full (9a-4p) \$445 | No Half +Plus

Do you love Roblox and want to learn how to make your own games? In this exciting camp for beginners, students will learn the Roblox Studio game creation engine and the Lua scripting language and build exciting professional grade games including Obbies, Racing games, and Dodgeball games. Students will master important coding concepts such as conditionals, loops, and functions and learn a powerful scripting language used by pro developers around the world! Throughout the week, campers use the Roblox Studio editor and Lua (Roblox programming language) to build their very own Adventure Map. Each day will present a new challenge and a key concept such as conditionals and variables. The ultimate goal of this program is to ensure campers are having fun while learning new concepts to progress their learning and build confidence coding so they may prepare for the next learning opportunity in the future.

Roblox 3D Game Development: Battle Royale

Rising 6-9 | Session 3 | Instructor: Drobots Company Staff

Full (9a-4p) \$445 | No Half +Plus

In this popular camp, students will create a Fortnite-style Battle Royale game in Roblox! Students will learn both the basics of 3D game development and fundamental programming concepts using the Lua programming language. This camp is designed for beginner to intermediate students who are interested in both programming and game development.

Roblox Master Worlds Maker (Virtual Only) (VO)

Rising 6-9 | Session 1 (T-F) | Instructor: Drobots Company Staff

Full Day \$340 | No Half +Plus

Campers will spend hours and hours creating the most incredible world they can think of. Let's design our own world, create our own monsters, and navigate tricky terrain! Together we can dream, code, and even destroy some of the most incredible maps imaginable, but be careful, you don't want to fall off the cliff into the dreaded Lava Monster's lair! We heard it eats Roblox characters for EVERY MEAL! This program caters to all experience levels.

Roblox Super Build Battles (Virtual Only) (VO)

Rising 6-9 | Session 9 | Instructor: Drobots Company Staff

Full Day \$425 | No Half +Plus

Fans of Fortnite, we need you! Instead of just playing your favorite battle royale games, why not design your own? In this exciting program, campers will use a professional 3D game development software, like Lua, to build levels and assets and create action and battle sequences inspired by popular games like Fortnite. This program caters to all experience levels, but especially for students who are interested in both programming and game development.

Science in the Summer

Rising 6-9 | Session 6 | Instructor: Kathryn Livingston

Full (9a-4p) \$285 | Half +Plus (9a-1:30p) \$175

This is a hands-on class where campers will begin by performing labs and investigations to learn the elements of a good experiment. Campers will then apply what they have learned to an experiment of their own design! We will collect data, create graphs to analyze our data and visually present our findings to the public. In this class, students with an inquisitive mind or a creative passion for the sciences can hone their skills and apply them to their own line of study.

Scrapbooking (VF)

Rising 6-9 | Session 4 (M-TH) | Instructor: Colleen Vaughan

Full (9a-4p) \$240 | Half +Plus (9a-1:30p) \$145

Have you ever wondered what scrapbooking is all about? Do you want to

remember the details from daily life events? In this camp, you will learn the basic skills you'll need to create your first scrapbook. All beginners (as well as experienced scrappers) will learn about scrapbooking tools, basic layout elements, photo matting, and storing your memories. **Scrapbookers will need to bring plenty of pictures to use.**

Street Magic (VR)

Rising 6-9 | Session 7 | Instructor: Carroll Baker

Full (9a-4p) \$320 | No Half +Plus

Students love magic, and they really love learning and performing it! Carroll Baker's classes are a great way for your child to have fun learning to become an amazing magician, performer, and presenter. Beyond the entertainment value, magic helps improve digital dexterity, coordination, visual perception, spatial relationships, critical thinking, creativity, public speaking skills, self confidence, and imagination. Learn to perform magic like David Blaine and Criss Angel to name just a couple of the best. Campers will have the opportunity to perform in the virtual Friday Showcase.

**Upcycling**

Rising 6-9 | Session 4 (M-TH) | Instructor: Emma Kindall

Full (9a-4p) \$240 | No Half +Plus

Discover and unleash the power of reinvention! Use your creativity to care for our environment! Explore sculptural and building techniques using materials that you can find for free, like cardboard, magazines, plastic bottles, and old kitchen utensils. Learn about where your trash goes when it leaves the curb and how you can help our world by reducing waste in your own life. Transform trash into treasure in this class by using recycled materials to make coasters, pencil holders, pinwheels, beads, imaginative creatures, lamps, and wind chimes.

World of Dance (VF) (VR)

Rising 6-9 | Session 8 | Instructor: CLC Dance, LLC/ Chelsea Crabtree

Full (9a-4p) \$290 | Half +Plus (9a-1:30p) \$175

Come join us in learning dances from around the world! We will explore a variety of dances from different regions. We will dive into the history and customs of different cultures and discover how dances around the world are created. While learning basic dance etiquette and technique, we will develop our appreciation for different cultures. No previous dance experience is necessary.

Yarny Adventures

Rising 6-9 | Session 8 | Instructor: Jenn Jenkins

Full (9a-4p) \$295 | No Half +Plus

Come join us yarniacs in learning how to knit! In this class, students will learn basic knit stitches and the ability to read a pattern. Each participant will design and knit their very own scarf using machine washable yarn. Students

will also learn how to spin their own yarn using a drop spindle and wool raised and processed in Ohio. Finally, our class will visit 614 Knit Studio to sit, knit and shop for quality yarns in Clintonville.

Zines!

Rising 6-9 | Session 3 | Instructor: Emma Kindall

Full (9a-4p) \$295 | No Half +Plus

Zines are self-published magazines that focus on what you find important and worth sharing! Join us and learn about the long history (they've been around since the 1940s) of these DIY self-published books. Start with whatever topic you're passionate about- music, fashion, cars, movies, food, comics, gaming, politics, anything! We'll use drawing, collage, photography, and writing to create multiple copies of your very own self-published zine. At the end of the week, students can swap zines, taking a new collection of art home with them.

Athletics & Sports Clinics

Artistic Swimming: A Synchronized Swimming Experience

Rising 6-9 | Session 6 | Instructor: Ohio Coralinas Synchro Staff

Full (9a-4p) \$310 | Half +Plus (9a-1:30p) \$185

Swimming, Dance, and Gymnastics - Synchronized Swimming combines all three of these great activities into one fun experience! Using games, props, and music, we will explore the artistic side of swimming. During the course of the week, campers will learn synchronized swimming skills, all while putting together a special water show to be shared virtually with family and friends! **Campers should be able to swim the length of the pool (approximately 25 yards) unassisted and be comfortable in the deep end.**

Clinics: Boys' Lacrosse AM / Boys' Basketball PM

Rising 6-8 | Session 5 (T-F)

Instructors: Jeff Warstler (Basketball) & Neal O'Brien (Lacrosse)

Full (9a-4p) \$315

AM Clinic Only (9a-11:30a) \$145 | PM Clinic Only (1:30p-4p) \$145

Lacrosse: Learn about the fastest sport on two feet! Lacrosse is America's oldest sport, with roots to Native American tribes dating back to 1100 AD. Lacrosse is an OHSAA sanctioned, spring sport, and is among the fastest growing, most popular sports in the U.S. This is an instructional camp that focuses on basic skills, rules of the game, general concepts, and player safety. The clinic will be led by the coaches of the Columbus Academy Varsity and Middle School programs, along with current Varsity team members and guest coaches. **It is preferred that players provide their own equipment; however, some equipment may possibly be provided if the staff is notified in advance, and the equipment is available. Participants are required to bring a water bottle.**

Basketball: The Columbus Academy basketball program will once again host its clinic for all boys entering third through eighth grade. We encourage participation from young men with positive attitudes who are interested in having a great time, improving their skills, and learning more about playing this ultimate team game! Through a combination of drills, stations, and individual and team games, boys' head basketball coach Jeff Warstler, members of the CA coaching staff, special guest speakers, and players from the CA basketball program will teach the basic yet crucial fundamentals of basketball, namely ball handling, passing, shooting, and defense. **Participants are required to bring a nut free snack, water bottle, and towel.**

Clinics: Columbus Crew SC Developmental Soccer AM / Sports & More Camp PM

Rising 6-9 | Session 2

Instructors: Columbus Crew SC Staff (Soccer) / Ryan Jenkins (Sports & More)

Full (9a-4p) \$300 | AM Clinic Only (9a-11:30a) \$180

Columbus Crew SC: Developmental camps focus on player development through a core foundation of soccer skills in a challenging and fun learning environment. By promoting maximum touches on the ball, incorporating professional instruction, teaching challenging new exercises and guiding competitive, small-sided games, the Crew SC camp staff will help each player broaden their skill set and discover a love for the sport of soccer. A wide range of technical training exercises will be incorporated including dribbling, passing, receiving, and finishing. **Participants are required to bring a water bottle.**

Sports & More: Welcome to Sports & More camp! We are very excited for a summer full of different sports and activities. Campers will be running and moving up to four miles a day! Our primary focus and goals for the summer will be good sportsmanship, good nutrition, fitness, cooperation, and of course, fun! We hope you join us for the BEST SUMMER EVER! **This camp will be outside as much as the weather permits, so sunscreen, hats, and sunglasses are encouraged. Students are required to bring a water bottle and wear athletic shoes - no flip flops or sandals.**

Clinics: Girls' Basketball AM / Girls' Field Hockey PM

Rising 6-8 | Session 4 (M-TH)

Instructors: JoAnne Adams (Field Hockey) & Heather Rakosik (Basketball)
Full (9a-4p) \$315

AM Clinic Only (9a-11:30a) \$145 | PM Clinic Only (1:30p-4p) \$145

Basketball: She shoots, she scores! Be a basketball star at CA. This girls' basketball clinic will involve learning and utilizing fundamental basketball skills. Girls will learn and practice ball skills, shooting skills, and basic fundamental principles in various drills and game situations. The clinic is designed for experienced players to improve on their skills, as well as for beginners to learn about the game of basketball. Come on in and see just how fun and rewarding basketball can be! **Participants are required to bring a water bottle.**

Field Hockey: We are excited to announce that this year's clinic is back at Columbus Academy. We are thrilled to use the beautiful Carlin Fields at CA. Be a part of the tradition at Columbus Academy by playing the sport of field hockey from State Championship winning coaches and top notch players. This clinic is a great way to learn the dynamic sport of field hockey. Clinic sessions are creatively designed for both beginning and intermediate players. We strive to teach the hockey basics: dribbling, passing, receiving, pulls, dodges, and more for younger players while preparing older girls for middle school competition. It doesn't matter if you are a first year player or an experienced middle school veteran, we will help you improve your game! We can't wait to share our love of the game on the turf fields at CA this summer. **Participants are required to bring a water bottle. If you need to purchase equipment, please contact Coach Adams at adamsj@columbusacademy.org.**

Clinics: Girls' Lacrosse AM / Girls' Volleyball PM

Rising 3-8 | Session 3 | Instructors: Jill Byers (Lacrosse) & TBA (Volleyball)
Full (9a-4p) \$390

AM Clinic Only (9a-11:30a) \$180 | PM Clinic Only (1:30p-4p) \$180

Girls' Lacrosse: This clinic is designed to teach the basic technical fundamentals of the sport. This game is played with a ball and a stick, so campers can expect to learn everything from passing to catching, shooting mechanics, cradling drills, various dodging techniques, defensive positioning and of course, stick tricks! No previous playing experience is necessary. **Students are required to bring cleats or turfs, lacrosse stick, goggles, mouthpiece and a water bottle.**

Volleyball: Come join the fun with the lifetime sport of volleyball! This is a great way to introduce young children to volleyball by using team building activities and learning valuable skills. Come check out just how fun volleyball can be! In this program, girls will learn how to pass, set, hit, serve, and play in group situations. There will be coaches, as well as Columbus Academy Upper School players assisting the younger participants. **Participants are required to bring a water bottle.**

Direction Up Basketball Camp

Rising 6-9 | Session 8 | Instructors: Direction Up Basketball Staff/
Dallas Lauderdale III and Eddie Days

Full (9a-4p) \$295 | Half +Plus (9a-1:30p) \$180

Direction Up Basketball Camp offers results-driven techniques focused specifically on shooting, defensive skills, and passing, along with providing general knowledge in the game of basketball. Most importantly, we will do this with fun and passion in a laid back, yet competitive environment as we work to help our campers reach their highest potential. Campers leave with increased characteristics of great teammates: dedication, hard work, and self-confidence. This camp provides youth of all ages the opportunity to:

- Learn essential basketball skills
- Develop core team building and interpersonal skills in a safe, supportive and fun environment
- Recognize personal strengths and areas of opportunities
- Practice techniques in a game setting

Participants are required to bring a water bottle and towel.

History and Sport of Archery

Rising 6-9 | Session 7 | Instructor: Charles Brodhead

Full (9a-4p) \$305 | Half +Plus (9a-1:30p) \$185

Come join us and learn the basic skills and history of Archery. The skill of Archery has been used since the dawn of time; first for hunting, then for warfare, and in modern times, for sport. Campers will experience first-hand one of our oldest sports through daily study, practice, and challenges.

Krav Maga Style Self Defense and Bully Prevention

Rising 6-9 | Session 5 (T-F)

Instructor: Koguryo Martial Arts Academy Staff/ Jared Circle

Full (9a-4p) \$250 | Half +Plus (9a-1:30p) \$150

Krav Maga is widely regarded for its simple and direct self defense techniques that can be learned in a short time frame. In this camp, students will learn a week-long curriculum of not only the physical skills necessary for defense, but, moreover, they will be empowered with strategies and the confidence necessary to avoid situations and de-escalate scenarios. Campers will also enjoy fun activities, relevant video topics, and role play as they rehearse their bully prevention strategies!

Learn to Sail

Rising 6-9 | Session 9 | Instructor: Hoover Sailing Club Staff

Full (9a-4p) \$365 | No Half +Plus

Hoover Sailing Club has offered sailing instruction for Central Ohio youth for over 45 years. Your child will experience the joy of skipping a dinghy from our fleet during his or her very first lesson. Our experienced US Sailing certified staff will teach basic safety and boat skills. Your child will learn to sail up-wind, down-wind, tack, jibe, and recover from a capsize. Our picturesque property and remodeled facilities will provide your youngster with a week he or she will remember for years to come. **Students are required to pack a nut free lunch, and bring your own USCG approved life jacket. Sailing is a very physical activity; occasional bumps and bruises can occur. Please advise your child's counselor if there are any issues of which we might need to be aware. A Hoover Sailing Club release form is also required for every participant and will be distributed via email before camp begins.**

Swimming Lessons

Greater Columbus Swim School

Rising K-8 | Session 2-8

Instructor: Greater Columbus Swim Team of Ohio (GCSTO)

8a-9a and/ or 4p-5p \$80/ week (Sessions 4 and 5: \$65/ week)

The Greater Columbus Swim Team of Ohio teaches Columbus Academy instructional swim lessons in a fun, yet challenging atmosphere with lessons taking place at Columbus Academy Pool on campus. The pool depth ranges from 3ft – 10ft. Participants are observed and placed in appropriate levels according to their current skill level and will engage in the fundamentals of swimming most appropriate for their ability. Swimmers will be consistently monitored for skill acquisition in order to ensure that they are continually challenged in the pool as their skill level increases. Beginning swimmers will learn the most basic skills needed to become self-sufficient in the water, while swimmers with slightly more advanced skills will be progressed through a series of eight levels, focusing on the proficient acquisition of all four of the competitive swimming strokes (those used in the sport of swimming). Participants will receive a skills accomplishment report at the end of each weekly session. Swimmers will have a great time, will be challenged, and will learn valuable skills. ***This program can be added to any week's programming. There is a maximum of 15 children per time slot and spaces fill quickly.***

FEES, CHANGES, CANCELLATIONS, REFUNDS AND DEADLINES POLICY

All camps have a minimum enrollment that must be met in order to run. Therefore, we must adhere to the following policy regarding cancellations. Please understand that after the deadline listed below, we have made firm financial commitments to our faculty and staff, in addition to purchasing materials for the class. The \$20 per camper registration fee is non-refundable and non-transferable. **The cancellation deadline is May 15th, 2021.** Any changes or cancellations made prior to May 15th will incur no penalty and course fees will be refunded in full. **There is no refund for cancellations after May 15th.** Changes made to schedules after May 15th will be charged a \$25 non-refundable change fee per child plus any difference in course fees.

All change requests and cancellations must be submitted in writing to Summer_Experience@columbusacademy.org.

UPPER SCHOOL SUMMER EXPERIENCE

Programs are in alphabetical order and categorized by Curriculum-Based Offerings, Academics and Arts & Sciences programming. **Please note: “rising” indicates the grade your child will be entering in the 2021-22 school year.**

It is required for each student to bring a water bottle as water fountains will be closed. Any other requirements are listed within the course description. Please also read the General Information section on pages 2-5.

Curriculum-Based Offerings

Credit courses can be taken for review or credit. Only students who successfully complete credit courses will receive the number of credits indicated in the course descriptions. **Please check with your child’s school prior to registering for these courses, as we do not guarantee that earned credits will transfer to all schools.** Columbus Academy will mail a letter for proof of course completion and notification of final grade (if applicable) to your home address by the conclusion of the Summer Experience program in August. A copy of this letter will also be sent to the records department of your child’s school.

Feed the Need

Rising 9-12 | Session 3-4, 5-6 | Instructor: Sarah Hansen
8:30a-3:30p | \$325 for each two-week program
Students in this community service camp will work in small, socially distant groups with a variety of sites to provide support to those in need in the Columbus community. Sites include but are not limited to, the Mid-Ohio Food Collective, Meals-On-Wheels/LifeCare Alliance, Westerville Area Resource Ministry, Worthington Food Pantry, YWCA Family Center, Royal Manor Elementary school and local community gardens. At each site, we will learn about the issues of hunger in our community and participate in a variety of tasks to help alleviate this significant social justice problem. Projects may include the planting and harvesting of fresh produce, food sorting and distribution, and meal delivery to adults and children in a variety of safe, socially distant settings. Successful completion of this camp satisfies the Columbus Academy Upper School graduation requirement of 45 hours of off-campus community service hours. **Daily attendance during both weeks of camp is mandatory to receive credit – no exceptions. Verbal and brief written reflections will be a required component of this camp. Students are required to pack a nut free lunch and water bottle each day. There is a maximum of 18 students for this program and spaces fill quickly.** 🚗 **This is a traveling/off-site program.**

Physical Education Credit Intensive Program

Rising 9-12 | Session 2, 3, 6, 7
Instructors: Zachary Besand, Ron Leach, & Heather Rakosik
8a-3p (M-TH) and 8a-12p (F) | \$325 for each one-week program
In this class, we will be engaged in sport activity, as well as basic fitness. Tennis, golf, bowling, ultimate frisbee, soccer, softball, basketball, football, and track and field will be some of the sports activities. A half hour lunch is provided for the intensive PE program unless otherwise notified. **By taking this class, you can earn one quarter credit for high school Physical Education. Columbus Academy students will earn one unit toward the six-unit graduation requirement. Daily attendance is mandatory to receive credit – no exceptions.**

Academics

ACT Preparation Course (Virtual Only) (VO)

Rising 9-12 | Session 1 (T-F), 6, 9 | Instructor: Ihab Ismail
1: 9a-12:45p \$399
6 & 9: 9a-12p \$399

This is a comprehensive 15-hour ACT course that aims to help each student identify strengths and challenges, develop and apply a plan to enhance performance, and measure the progress made in the English, Math, Reading, and Science sections of the ACT. We will meet virtually in real time to focus on developing ACT-specific content, techniques, and strategies. Please note this course is not offered as a continuation or in conjunction with existing CA sponsored test prep programs. Phone consultation with parent(s)/guardian(s) is included.

Arts & Sciences

Be a Junior Counselor

Rising 8-11 | Session 1-9 | Instructor: Jr. Counselor Coordinators
Full (9a-4p) \$105/ week (Sessions 1, 4, & 5: \$85/ week)
Join our dynamic team this summer and put experience on your resume. This opportunity is a hands-on volunteer leadership experience for any student going into eighth through eleventh grade. Duties of a junior counselor include helping with camp activities, supporting a senior counselor, escorting campers, helping with check-in and snack time, and having fun in the sun at Columbus Academy. If you have not had a job before, this program will give you the experience you will need to succeed in your next opportunity and will give you leadership skills that will follow you the rest of your life. By becoming a part of our team, you will have fun, make friends, and learn valuable skills. Each participant will receive a certificate of completion and a review to put in his or her job portfolio. **Students and a parent/guardian are required to attend a mandatory virtual orientation (date and time TBA). In addition, individual meetings will also be scheduled with Jr. Counselor Coordinators. This program is limited to six participants per week, and spaces fill quickly.**
