Dear Upper School Families,

We hope you enjoyed the long weekend and the fact that sunshine and warm temps have finally arrived to signal the end of the school year. Your children rose to the challenges of the fourth quarter and are now ready to put zoom meetings aside for the summer. Before everyone steps away for a much-needed break, here are a few important reminders:

**(Today) Wednesday, May 27, from 4:00-6:00 p.m., Upper School Curbside Pickup Day #2**

Many bags of locker items still await pickup! Please come through the US/MS carpool circle to claim your personal items and to drop off textbooks and athletic uniforms. Artwork may also be collected at this time.

Seniors and students not returning to CA should return their iPads and CA-issued textbooks.

Please note the end time has been moved up from 7:00 p.m. to 6:00 p.m.

**Thursday, May 28, Last Advisory for Grades 9-11 and (pre-recorded) Honors Assembly**

Students in grades 9-11 will attend their final advisory at 10:30 a.m. and then shift into watching our pre-recorded US Honors Assembly. Likewise, seniors and their families will receive an email Thursday morning along with a link to Columbus Academy's YouTube site so they, too, may tune in to watch the Honors Assembly.

**Report Cards**

Final report cards will be available in My BackPack on June 10.

**2020-21 Junior Speech Schedule**

Rising juniors were given a survey in the last few days giving them the opportunity to share their preferred times of year to give their junior speeches. The finalized schedule will be made available to juniors and their families in July.

Also, more information for senior families will be forthcoming as we approach June 1 and also get closer to our July 25 Commencement ceremony.

As we navigate this summer and our ever-changing conditions, know that we will be in contact regarding details related to the start of school. Take care of family and loved ones.

Warmly,  
Cory
