# UMMER EXPERIENCE

## academics | arts & sciences | athletics SUMMER PROGRAMS for babies through senior adults and Pre-K through 12th grade

Columbus Academy

#### **DEAR SUMMER EXPERIENCE FAMILIES.**

It is with a happy heart that we share our 2018 Summer Experience offerings. We are very intentional and diligent in making sure we offer something for everyone at Columbus Academy. We are committed to reaching children where they are, understanding and supporting different learning styles, and advocating and caring for the diverse tapestry that is our world. CA Summer Experience is a place to feel safe and where everyone can be their true self. We encourage lifelong learning through exploring what excites and motivates you. From babies to golden agers, and everything in between, we hope you will find something that will spark wonder and enjoyment through fun and play. We cannot wait to see what you choose! Happy planning!

#### SINCERELY.

Ay

#### FEES, CANCELATIONS AND DEADLINES

Course fees are located in the course descriptions and registration pages. Whether submitting a paper form or registering online, **registration is not complete until payment is received.** Cancelations or changes made prior to the appropriate deadline will incur no penalty and will be refunded in full. Cancelations made after the deadlines will be refunded at 25% of the program fee. Please understand that after these deadlines, we have made firm financial commitments to our faculty and staff, in addition to purchasing materials for the class. If a cancelation is made after the camp's start date, there will be no refund issued. Changes made to schedules after the deadlines will be charged a non-refundable fee of \$25 per child plus any difference in camp fees. If late registrations are received after the deadlines, camp fees increase by 10%.

## **TOP 5 FREQUENTLY ASKED QUESTIONS**

#### 1. Where is CA Summer Experience located?

Columbus Academy is located at 4300 Cherry Bottom Road in Gahanna. We are close to the intersection of Morse and Hamilton Roads and just minutes away from Easton Towne Center.

#### 2. Are all programs held on campus?

The majority of our programs are held on campus; however, we do have off-site / traveling program partnerships within the community such as Fairy Tale Farm, Hoover Sailing Club and more. If a program is held off-site, it is indicated in the class description with the  $\blacksquare$  icon.

#### 3. Is lunch provided?

Lunch is provided for all Half +Plus (9:00am-1:30pm) and Full Day (9:00am-4:00pm) camps that are held on campus and is built into the price of the camp with the exception of Session 10, when all campers will be required to pack a nut free lunch. During Sessions 1-9, CA offers a hot main dish with two sides including vegetarian options as well as a salad bar, deli bar and pasta bar daily. We also do our best to accommodate all dietary requests / restrictions. Please contact our office if you have additional questions related to dietary concerns. Children are welcome to pack a lunch if they wish, but the lunch **must be** peanut and tree nut free.

Allergy policy: Columbus Academy Summer Experience is peanut and tree nut free.

### 4. Do I need to pay when I register?

Yes; payment in full is required at the time of registration. Registrations will not be processed and a space is not reserved in any program(s) unless full payment is received.

### 5. What if I need to cancel or change my child's schedule?

Deadlines are May 17, 2018 for Sessions 1 through 5 and June 21, 2018 for Sessions 6-10. Cancelations or changes made prior to those dates will incur no penalty, and program fee(s) will be refunded in full. Cancelations made after the deadlines will be refunded at 25% of the program fee. Please understand that after these deadlines, we have made firm financial commitments to our faculty and staff, in addition to purchasing materials for the class. If a cancelation is made after the camp's start date, there will be no refund issued. Changes made to your child's schedule after the deadlines will be charged a non-refundable fee of \$25 per child plus any difference in camp fees.

#### PRE-K GENERAL INFORMATION

#### Faculty, Staff and Sr. Counselors

CA Summer Experience employs current CA Faculty and Staff members as well as highly qualified outside sources as teachers of the Summer Experience programs. Sr. Counselors are typically local college students who have been hired after an extensive interview and training process. Sr. Counselors are assigned to camps each week and will accompany your child all day during their respective camp. CA Summer Experience also employs ample administrative staff to support daily programming.

#### Communication

Upon registration with full payment, you should receive a confirmation email from Summer\_Experience@columbusacademy.org with your child's class schedule and additional information. You can expect communication via email from your child's teacher the Friday prior to camp starting and the Wednesday during the respective camp week. If registration is received late, there may be a delay in this communication.

#### **Facilities**

A majority of programs are held on CA's beautiful 231-acre campus that consists of a six-lane indoor pool, computer labs with iMac computers, nature trails, outdoor classroom space, low ropes elements, eight tennis courts, Schoedinger Theatre seating 430, two full-length gymnasiums, a weight room, a ceramics studio, five art studios, three libraries, five playgrounds, eight science labs, four soccer fields, two turf fields, an all-weather track, a full service dining hall, three music rooms, and two baseball fields. The campus may be accessed from the West on Cherry Bottom Road or from the East via Beecher Road off of Hamilton Road. (Please refer to the campus map on the inside of the back cover.)

#### **Field Trip and Off-Site Transportation**

Columbus Academy utilizes school bus rental as a means of transportation for field trips and off-site programs. All drivers have proof of credentials and background checks. CA also has a fleet of 7 passenger vans that will be used for smaller traveling groups. All drivers are employees of Columbus Academy and are van-certified.

#### **Extended Care Programs**

Available on a pre-registration or drop-in basis, Before Care and After Care are held from 7:00 am to 8:30 am and 4:00 pm to 6:00 pm, respectively. Before Care offers a variety of quiet activities for your child as he or she gets ready for the day. After Care features exciting themed activities, outdoor play, and snack time, as well as quiet places for children to explore and reflect on the experiences they have had at CA. *Parents MUST pick up their children from After Care by 6:00 pm. Parents that do not pick up their children by the end of After Care will be charged \$1.00 per minute beyond 6:00 pm.* If Before or After Care are not needed for the full week, proration is available by contacting our office at (614) 509-2267. Please understand there can be no proration for the combo pricing.

Before Care\$50 per week\$10 per dayAfter Care\$62.50 per week\$12.50 per dayBefore and After Care Combo\$85 per week5 day option only

Before / After Care is best accessed by parking in the Academy Hall Parking Circle near the main entrance to the school. Follow the **ORANGE** signage into the Theatre entrance of the Lower School to the Before / After Care room.

Parents must come into the After Care room and provide a photo ID to sign out their child each day.

#### Lunch

Lunch is provided by Columbus Academy's Dining Service for Pre-K Half +Plus and Full Day programs for Sessions 1-9. Session 10 offers a full day program, but requires that all students pack a lunch as the Dining Hall will remain closed August 6-10. During Sessions 1-9, Pre-K students eat lunch in a Pre-K friendly dining room within CA's Dining Hall and are served an assortment of offerings including a hot main dish with two sides, vegetarian options and salad in a family style setting. We do our best to accommodate all dietary requests / restrictions. Please contact our office if you have additional questions related to dietary concerns. Children are welcome to pack a lunch if they wish, but the lunch must be peanut and tree nut free.

Allergy Policy: Columbus Academy Summer Experience is peanut and tree nut free.

#### Daily Drop-off/Pick-up

There will be signage all around campus to help direct parking, as well as a color coded system to follow from the parking areas to help guide you to the correct entrance. Please see the CA campus map on the inside of the back cover for general parking information. Pre-K will follow the YELLOW signage.

Drop-off for Pre-K (ages 3-5) is at 8:30 am in the lobby entrance of the Lower School. Pre-K parents or guardians should follow campus signage to the Pre-K parking area (Academy Hall Parking Loop) and escort children into the building to meet with their class. There will be CA Staff available to help parents and students get to their drop-off areas. Any student who arrives prior to 8:30 am and is not accompanied by an adult will be escorted to Before Care and charged the daily rate of \$10.

Pick-up for the Half Day program is 11:30 am. If your child is participating in the Half +Plus program, he or she will continue with the program until 1:30 pm. If your child is participating in the Full Day program, he or she will continue with the program until 4:00 pm. All Pre-K pick-up times will be in the Pre-K classrooms. Parents or guardians will need to come into the classroom and provide a photo ID to sign children out. If someone other than a parent / guardian will be picking up your child, please notify a staff member during drop-off. If your child is not picked up by 4:15 pm, he or she will be taken to After Care, at which time you will be charged the daily rate of \$12.50.

#### Late Drop-off/Early Pick-up

If it is necessary to drop off or pick up your child at any time other than the designated camp times, the Floating Counselor is available to help with these transitions. If you know this information ahead of time, you may discuss with your child's teacher to make any necessary arrangements. You may also contact the Floating Counselor any time during camp hours at 614-653-3117 to arrange a pick-up or drop-off.

#### **Electronics Policy**

With the increase in the technology around us, electronics are no longer prohibited at camp; however, we expect that these devices be put away unless specifically required for a camp or in the case of an emergency.

#### **Discipline Action Plan and Termination**

Attendees who are found to bully or harass others will generally be subject to serious disciplinary action, including prohibition from further attendance. CA Summer Experience reserves the right to remove any camper from our program for disciplinary reasons. If a child is removed for disciplinary reasons, there will be no refund.

#### PRE-K PROGRAM DAILY DETAILS

Calling all 3 to 5-year-olds! Are you fully potty trained? Do you want to have fun in the sun this summer? Are you interested in storybooks and things that crawl? Do you want to do it all? Join our expert teachers on a wild adventure throughout the summer at Columbus Academy's Pre-K Summer Experience.

The Pre-K program activities are based on weekly themes. Special guests, arts and crafts, science, games, outdoor education, creative movement, and story time are used to express those themes. Children are encouraged to discover and develop their academic, creative, and social skills at their own pace. Opportunities for active and experiential learning are offered each day through child-initiated and teacher-directed activities in order to assist children in their intellectual, physical, social, and emotional development. We are committed to creating an enriching environment where children are in the continuous process of development based on their individual ability, readiness, and interest. Our emphasis is on play and having fun.

A Pre-K camper's day starts at 8:30 am and programming lasts until 11:30 am, which completes the Half Day option of Pre-K. Should you choose to stay for Half +Plus, you will continue on to lunch and themed activities until 1:30 pm. Should you choose to stay for Full Day, you will continue on to lunch, rest time, and additional Pre-K programming until 4:00 pm. If needed, Before Care is available from 7:00 am to 8:30 am and After Care is available from 4:00-6:00 pm. Campers have the choice of joining us for two, three, or five-day weekly sessions. Your child's experience will focus on the importance of self-confidence and play in a child's life. The activities reflect this each day as your child joins in the fun of cooperative play with others in an environment that promotes a confident and positive attitude.

Snacks are provided each morning and afternoon. The dress is casual: a t-shirt, shorts, and tennis shoes are recommended. Swimming suits are needed for sprinkler days. Please check the Pre-K newsletter and signage on the Pre-K doors to know when sprinkler day will be each week of camp as it can vary based on weather conditions. Please send an extra outfit in a resealable bag with each camper on the first day of camp.

#### **Pre-K Summer Experience Staff**

AM Coordinator: Debbie Newman PM Coordinator: Sue Figlik

The Columbus Academy Pre-K staff consists of experienced classroom teachers and senior counselors. A maximum ratio of 6:1 is maintained, with a limit of twenty students per section.

#### CA defines potty trained as:

- 1. No longer in training pants/pull ups while awake or asleep (with the exception of medical conditions).
- 2. Using the toilet for both urination and bowel movements.
- 3. Able to wipe him/herself after using the toilet.
- 4. Able to tell the teachers that he/she needs to use the restroom beforehand.

#### **Special Features**

Pre-K Special Features are offered Sessions 1 and 10. These camps are modeled after our Lower School programs and offer Pre-K campers the opportunity to experience specialty programming. See page 6 for more details on Special Features.

## **Special Features**

Drop off for the Pre-K Special Features programs is at 8:30 am at the Schoedinger Theatre entrance/lobby. Children should be escorted into the school to meet with their classes. Pick-up for these Half Day programs is at 11:30 am at the entrance of the Schoedinger Theatre, unless your child is participating in the Half +Plus or Full Day program. For more information on drop-off and pick-up, please see the Pre-K General Information on page 4.

BalletMet: The Wiggle Jig

3 to 5-year-olds | Session 1 (M-W, F) Instructor: BalletMet Dance Academy Staff

Mornings (8:30a-11:30a) \$170

BalletMet's Wiggle Jig program combines fun and dancing to positively impact early childhood learning as youngsters wiggle, glide, leap and twirl through this week-long mini-camp experience. We will follow the dance adventures in BalletMet's book, *Leap and Twirl*. Imagination will lead the way as we use costumes and props to develop the children's fantasies into movement and dance. Join us for this magical time of creativity, movement, and fun!

#### **Builders in Training**

3 to 5-year-olds | Session 1 (M-W, F) | Instructor: Little Scholars Staff Mornings (8:30a-11:30a) \$170

Calling all inventors, builders, and designers; come and build some awesome creations with us! We will create our own designs and make structures using Legos, recyclable materials, and many other interesting items. Skills necessary: none! Skills gained: communication, problem solving, reasoning, developing creativity, and teamwork.

#### Down on the Farm

3 to 5-year-olds | Session 1 (M-W, F) Instructor: Young Chefs Academy Staff Mornings (8:30a-11:30a) \$190

Cluck Cluck, Moo Moo! Young Chefs Academy invites our youngest chefs to join us in creating recipes inspired by farm life. This is a fun, interactive camp with hands-on cooking, mixed with some stories, crafts, and games to keep little ones engaged.

#### **Enchanted Adventures**

3 to 5-year-olds | Session 1 (M-W, F) | Instructor: Little Scholars Staff Mornings (8:30a-11:30a) \$170

Sprinkle some pixie dust and jump on your unicorn, we are heading into the Enchanted Forest! This camp is filled with imagination, building experiences, and fun! Campers will spark their creativity as they learn about the secret world of fairies, gnomes, elves, unicorns, and all things imaginary.

#### **NEW FOR 2018! Pre-K Forest School with Sunbury Urban Farm**

3 to 5-year-olds | Session 10 (M-F) | Instructor: CA Pre-K Staff Full (8:30a-4p) \$285 | Half +Plus (9a-1:30p) \$175 | Half (9a-11:30a) \$145 Columbus Academy is dedicating Pre-K Session 10 of Summer Experience to connecting with nature. We will be using our new Crane Outdoor Learning Center as our home base and the forest as our classroom. Daily, we will spend time connecting with the world around us through the living world of nature. There is a very strong connection to learning through play in a natural setting and all of the benefits that it presents. This program will help with independence and confidence while preparing your child for the adventure of education that lies ahead of them. When we are outside, we learn organically; when we play, our minds open to all of the possibilities surrounding us. Join us for this exploration of our natural world with our youngest and most inquisitive of friends! Half+Plus and Full Day students are required to pack a nut free lunch each day.

#### FEES, CANCELATIONS AND DEADLINES

Course fees are located in the course descriptions and registration pages. Whether submitting a paper form or registering online, **registration is not complete until payment is received.** Cancelations or changes made prior to the appropriate deadline will incur no penalty and will be refunded in full. Cancelations made after the deadlines will be refunded at 25% of the program fee. Please understand that after these deadlines, we have made firm financial commitments to our faculty and staff, in addition to purchasing materials for the class. If a cancelation is made after the camp's start date, there will be no refund issued. Changes made to schedules after the deadlines will be charged a non-refundable fee of \$25 per child plus any difference in camp fees. If late registrations are received after the deadlines, camp fees increase by 10%.

**DEADLINES:** May 17th for Sessions 1-5 and June 21st for Sessions 6-10

#### REGISTRATION DEADLINES AND FEE ASSESSMENT

Registration is not complete until payment is received. All fees are due at the time of registration. Deadlines are May 17, 2018, for sessions 1 through 5 and June 21, 2018, for sessions 6 through 10. Cancelations or changes made prior to the appropriate deadline will incur no penalty and will be refunded in full. Cancelations made after the deadline will be refunded at 25% of the program fee. If a cancelation is made after the camp's start date, there will be no refund issued. If late registrations are received after the deadline, camp fees increase by 10%. Changes to schedules made after the deadline will be charged a non-refundable fee of \$25 per child registered plus any difference in camp fees.

#### **LOWER SCHOOL GENERAL INFORMATION**

#### Faculty, Staff and Sr. Counselors

CA Summer Experience employs current CA Faculty and Staff members as well as highly qualified outside sources as teachers of the Summer Experience programs. Sr. Counselors are typically local college students who have been hired after an extensive interview and training process. Sr. Counselors are assigned to camps each week and will accompany your child all day during their respective camp. CA Summer Experience also employs ample administrative staff to support daily programming.

#### Communication

Upon registration with full payment, you should receive a confirmation email from Summer\_Experience@columbusacademy.org with your child's class schedule and additional information. You can expect communication via email from your child's teacher the Friday prior to camp starting and the Wednesday during the respective camp week. If registration is received late, there may be a delay in this communication.

#### **Facilities**

A majority of programs are held on CA's beautiful 231-acre campus that consists of a six-lane indoor pool, computer labs with iMac computers, nature trails, outdoor classroom space, low ropes elements, eight tennis courts, Schoedinger Theatre seating 430, two full-length gymnasiums, a weight room, a ceramics studio, five art studios, three libraries, five playgrounds, eight science labs, four soccer fields, two turf fields, an all-weather track, a full service dining hall, three music rooms, and two baseball fields. The campus may be accessed from the West on Cherry Bottom Road or from the East via Beecher Road off of Hamilton Road. (Please refer to the campus map on the inside of the back cover.)

#### Field Trip and Off-Site Transportation

Columbus Academy utilizes school bus rental as a means of transportation for field trips and off-site programs. All drivers have proof of credentials and background checks. CA also has a fleet of 7 passenger vans that will be used for smaller traveling groups. All drivers are employees of Columbus Academy and are van-certified.

#### **Lower School Sample Daily Schedule**

Check-in	8:30 am -	9:00 am
AM Themed Programming	9:00 am -	11:30 am
Lunch Rotation	11:30 am -	1:30 pm
(Lunch / Free Choice Activity)		
PM Themed Programming (continued)	1:30 pm -	4:00 pm

Note- Lower School Half and Half +Plus options would end at 11:30 am and 1:30 pm respectively; see below for more details

#### Half Day and Half +Plus Programs

Some programs offer a half day and half +plus option. Please see course listings for availability. Half day programs include the morning themed programming session from 9:00 am to 11:30 am. Half +plus programs include the morning themed programming from 9:00 am to 11:30 am PLUS lunch and free choice activity from 11:30 am to 1:30 pm. Half day and half +plus programs cannot be combined with other half, or half +plus programs.

#### **Extended Care Programs**

Available on a pre-registration or drop-in basis, Before Care and After Care are held from 7:00 am to 8:30 am and 4:00 pm to 6:00 pm, respectively.

Before Care offers a variety of quiet activities for your child as he or she gets ready for the day. After Care features exciting themed activities as well as quiet places for children to explore and reflect on the experiences they have had at CA. Parents MUST pick up their children from After Care by 6:00 pm. Parents that do not pick up their children by the end of After Care will be charged \$1.00 per minute beyond 6:00 pm. If Before or After Care are not needed for the full week, proration is available by contacting our office at (614) 509-2267. Please understand there can be no proration for the combo pricing.

Before Care\$50 per week\$10 per dayAfter Care\$62.50 per week\$12.50 per dayBefore and After Care Combo\$85 per week5 day option only

Before / After Care is best accessed by parking in the Academy Hall Parking Circle near the main entrance to the school. Follow the **ORANGE** signage into the Theatre entrance of the Lower School to the Before / After Care room.

Parents must come into the After Care room and provide a photo ID to sign out their child each day.

#### Lunch

Lunch is provided by Columbus Academy's Dining Service for **most** of the programs and is built into the price of the camp for Sessions 1-9. Session 10 camps will <u>all</u> be required to pack a lunch as the Dining Hall will remain closed August 6-10. Most off-site camps require students to bring a lunch; please check individual course descriptions for lunch specifications. During Sessions 1-9, CA offers a hot main dish including vegetarian options, as well as a salad bar, pasta bar, and deli bar. We also do our best to accommodate all dietary requests / restrictions. Please contact our office if you have additional questions related to dietary concerns. Children are welcome to pack a lunch if they wish, but the lunch must be peanut and tree nut free. **Allergy Policy: Columbus Academy Summer Experience is peanut and tree nut free.** 

#### Daily Drop-off/Pick-up

There will be signage all around campus to help direct parking, as well as a color coded system to follow from the parking areas to help guide you to the correct entrance. Please see the CA campus map on the inside of the back cover for general parking information. Lower School will follow the GREEN signage.

Check-in for Lower School (rising K through 5th grade) programs is between 8:30 am and 9:00 am in the gym of the Athletic Complex. Lower School parents or guardians should follow campus signage to the Lower School parking area (Athletic Parking Lot) and escort children into the building no earlier than 8:30 am. There will be CA Staff available to help parents and students get to their check-in areas. Students will check-in directly with their Sr. Counselor inside the gym. *Any student who arrives prior to 8:30 am and is not accompanied by an adult will be escorted to Before Care and charged the daily rate of \$10.* 

Pick-up is between 4:00 pm and 4:15 pm in the gym of the Athletic Complex. **Parents or guardians will need to come into the gym and provide a photo ID to sign children out.** If someone other than a parent / guardian will be picking up your child, and you have not completed an authorized pick up list, please see a staff member at drop-off. If your child is not picked up by 4:15 pm, he or she will be taken to After Care, at which time you will be charged the daily rate of \$12.50.

#### Late Drop-off/Early Pick-up

If it is necessary to drop off or pick up your child at any time other than the designated camp times, the Floating Counselor is available to help with these transitions. If you know this information ahead of time, you may write it on the sheet provided at the Help Desk outside the gyms. You may also contact the Floating Counselor any time during camp hours at 614-653-3117 to arrange a pick-up or drop-off. *Note: Early pick ups are not available after 3:30pm.* 

#### **Friday Showcase**

Some of our camps perform in our weekly Friday Showcase to share their new skills or creations with their parents and fellow campers. All parents and families are welcome to attend. These shows are held in Schoedinger Theatre and typically begin at 3:15 pm on Friday afternoons. Information regarding the Friday Showcase will be communicated via email and CA Summer Experience's Facebook page.

#### What to Wear/Bring

Campers should wear comfortable, weather-appropriate clothing and shoes, and should also consider bringing a bookbag, water bottle and sunscreen to camp each day. Please check the course descriptions to see if any other materials are needed for each individual program. If the student is planning to participate in free swim for their free choice activity, campers should also pack a bathing suit, towel and plastic bag for wet clothes. Should a child misplace an item, there will be a Lost & Found table located near the Athletic Complex lobby throughout the summer. Columbus Academy is not responsible for any lost personal items.

#### **Free Choice Activity**

Students participating in half +plus or full day programs on campus will have a free choice activity period before or after their lunchtime. Campers may choose from the following daily options: free swim, computer lab, outdoor free play, or quiet reading and crafting room. Children participating in the free swim option will need to bring a bathing suit and towel each day they wish to swim, along with a plastic bag for their wet clothes.

#### **Electronics Policy**

With the increase in the technology around us, electronics are no longer prohibited at camp; however, we expect that these devices be put away unless specifically required for a camp or in the case of an emergency. We have designated screen time during Before and After Care for those who wish to participate. Check-in/out in the gyms will be strictly enforced as "no device zones".

#### **Discipline Action Plan and Termination**

Attendees who are found to bully or harass others will generally be subject to serious disciplinary action, including prohibition from further attendance. Children will receive one warning and CA Summer Experience reserves the right to remove any camper from our program for disciplinary reasons. If a child is removed for disciplinary reasons, there will be no refund.

#### **Important 2018 Policies**

Based on parental feedback and continuous improvement efforts, please note the following Columbus Academy policies:

#### SPORTS CLINICS

- Sports Clinics are joining forces with a Sports & More camp to offer a consistent full day option.
- Sports Clinics can <u>not</u> be paired with a camp other than Sports & More or another Sports Clinic to make a full day schedule.

#### OTHER NOTABLE CHANGES

- Check-in / out in the gyms will be strictly enforced as "NO DEVICE ZONES" to foster an environment of building relationships and encouraging children to interact with each other, counselors and teachers.
- A security officer will now be present in the Athletic Parking Lot to direct traffic and enforce parking drop-off procedures.
- Parents are required to show a photo ID every day to sign out their child from camp.
- For Session 10, <u>all</u> students will be required to pack a lunch; the Dining Hall will remain closed August 6-10.

#### FEES, CANCELATIONS AND DEADLINES

Course fees are located in the course descriptions and registration pages. Whether submitting a paper form or registering online, **registration is not complete until payment is received.** Cancelations or changes made prior to the appropriate deadline will incur no penalty and will be refunded in full. Cancelations made after the deadlines will be refunded at 25% of the program fee. Please understand that after these deadlines, we have made firm financial commitments to our faculty and staff, in addition to purchasing materials for the class. If a cancelation is made after the camp's start date, there will be no refund issued. Changes made to schedules after the deadlines will be charged a non-refundable fee of \$25 per child plus any difference in camp fees. If late registrations are received after the deadlines, camp fees increase by 10%.

**DEADLINES:** May 17th for Sessions 1-5 and June 21st for Sessions 6-10

#### **LOWER SCHOOL SUMMER EXPERIENCE**

Programs are in alphabetical order and categorized by Academics, Arts & Sciences, and Athletics programming. The Lower School Registration Form is on page 31. Please note: "rising" indicates the grade your child will be entering in the 2018-2019 school year.

#### **Academics**

#### **Computer Skills & Fun**

Rising 2-5 | Session 6 | Instructor: Michelle Faciana
Full (9a-4p) \$260 | Half +Plus (9a-1:30p) \$160 | Half (9a-11:30a) \$130
Now is the time to play and create projects on the computer. Students will use their basic computer skills while exploring various educational and fun websites on the Internet and by using a variety of multimedia software.
PowerPoint, Word, KidPix, Inspiration, and the Internet are only a few tools students will use in this class. More experienced students will be challenged to expand on their projects and activities. The emphasis will be on fun!

Students are required to bring in a personal flash drive to save their work from the week.

#### **Dr. Seuss Author Study**

Rising K-2 | Session 5 (M-T, R-F) | Instructor: Natalie Barker Full (9a-4p) \$210 | Half +Plus (9a-1:30p) \$135 | Half (9a-11:30a) \$105 The more that you read, the more things you will know. The more that you learn, the more places you'll go! -Dr. Seuss. Join in the fun during our author study of Dr. Seuss! We will discuss books such as The Lorax and The Sneetches. Each day will include a variety of activities pertaining to the books, and we will also examine what lessons we can learn from each book; how The Lorax teaches us to take care of world and The Sneetches show us how to treat each other with kindness.

#### **Eco-Explorers**

Rising 3-5 | Session 9 | Instructor: A Grade Ahead Staff
Full (9a-4p) \$285 | Half +Plus (9a-1:30p) \$175 | Half (9a-11:30a) \$145
Do you love animals? Do you love to read? Hop in our jeep or submarine
and explore with us! Students will examine different ecosystems and
how animals behave and interact with one another. Through interactive
activities and project-based learning, our student-centered curriculum will
make biology fun and understandable. After students have learned about
an ecosystem, they will read literature about these animals and make
connections between fiction and the real-world. This interdisciplinary course
will teach students how to effectively interact with a text to develop a better
understanding and a love of literature.

#### Fly with Chinese

Rising K-4 | Session 7 | Instructor: Na Li

Full (9a-4p) \$260 | Half +Plus (9a-1:30p) \$160 | Half (9a-11:30a) \$130 | Have you ever wondered what it would be like to know another language? Come fly with Chinese! Join native Chinese instructor, Na Li, on this weeklong journey through Chinese language and culture. Fly with Chinese is an authentic experience where your child will learn to speak and write Chinese as well as learn the culture of China. In the program, your child will experience hands-on activities such as Chinese calligraphy, Chinese paper folding and other crafts, dancing and music, Chinese chess, and Chinese sports.

#### **French Camp**

Rising 2-5 | Session 4 | Instructor: Carolyn I. Jones Full (9a-4p) \$260 | Half +Plus (9a-1:30p) \$160 | Half (9a-11:30a) \$130 This fun-filled camp will introduce your child to all things French. Through exciting, interactive activities such as games, arts and crafts, songs and videos, students will learn to pronounce, read, write, and comprehend simple words and phrases in French.

#### **Harry Potter's Library**

Rising K-2 | Session 4 | Instructor: Sarah Dove

Full (9a-4p) \$260 | Half +Plus (9a-1:30p) \$160 | Half (9a-11:30a) \$130 | Have you ever found yourself wishing that you could be in the wizarding world of Harry Potter? Look no further! In this camp, students will be taking a closer look at the Harry Potter books in order to learn more about its characters and examine other popular stories that share similarities with the world of Harry Potter. Campers will explore what made Harry Potter so popular all over the world and will have the opportunity to examine cultural themes that reoccur in the series, such as compassion, bravery, unity, and determination. With each theme of the day, we will take a look at the books, films, and crafts that might be found inside the world of Harry Potter!

#### Joy of Reading, Writing and Creating

Rising K-2 | Session 8 | Instructor: Lyn Campbell Full (9a-4p) \$260 | Half +Plus (9a-1:30p) \$160 | Half (9a-11:30a) \$130 Let's share our favorite books and discover new ones, too. We will enjoy putting our own stories and characters down on paper. We will play games, read aloud at times, and use fun art materials to bring color and creativity to our reading, writing, and storytelling activities.

#### Kevboarding

Rising 2-5 | Session 8 | Instructor: Michelle Faciana
Full (9a-4p) \$260 | Half +Plus (9a-1:30p) \$160 | Half (9a-11:30a) \$130
Type to Learn® 4: Agents of Information is a comprehensive, instructional keyboarding program that covers skills ranging from beginner to advanced students. Type to Learn® 4 software is built on a proven method of sequential skill-building instruction. This program uses 36-leveled lessons and includes a diagnostic pre-test, reviews, demonstrations, practice exercises and activities, and multiple formative assessments. We will explore free online typing games that students can play at home to practice on their own. We will also partake in a variety of creative writing activities that will utilize our typing skills. Students are required to bring in a personal flash drive to save their work from the week.

#### **Math Concepts**

Rising 3-5 | Session 5 (M-T, R-F) | Instructor: Leah Ecaruan Full (9a-4p) \$210 | Half +Plus (9a-1:30p) \$135 | Half (9a-11:30a) \$105 | In Math Concepts, students will explore and practice important topics such as multiplication, division, and fractions from the Common Core standards grades 3-5. Activities will be game and investigation based to ensure that students are engaged and interested in the materials while building foundational math knowledge to help them in their upcoming school years.

#### MathVenture

Rising 2-4 | Session 3 | Instructor: A Grade Ahead Staff Full (9a-4p) \$285 | No Half +Plus | No Half

Math can be magical! In this course, students will explore the magical world of math. Matt the Magician needs help becoming a mathematician. Students

will help Matt the Magician through a variety of adventures including money, time, measurement, geometry, engineering, and fractions. They will use critical thinking skills that require investigation, inquiry, and collaboration to solve math puzzles and games. At the end of the course, students will have helped Matt the Magician turn into a mathematician, and they will become mathematicians themselves.

#### **Number Crunchers**

Rising K-2 | Session 1 (M-W, F), 10 | Instructor: Little Scholars Staff 1: Full (9a-4p) \$260 | Half +Plus (9a-1:30p) \$160 | Half (9a-11:30a) \$130 | 10: Full (9a-4p) \$320 | Half +Plus (9a-1:30p) \$190 | Half (9a-11:30a) \$160 | Have you ever played a mental math game? Do you like to roll the dice? Do you have the edge to tackle mathematical concepts? Join us as we explore math in an all new way! We will enrich your math skills through math fact games, problem solving competitions, logical reasoning, and spatial math concept tournaments. Who knew math could be so much fun?! *Please note for Session 10 only: Students are required to pack a nut free lunch each day.* 

#### **Personal Financial Literacy**

Rising 3-5 | Session 2 | Instructor: Leah Ecaruan Full (9a-4p) \$260 | Half +Plus (9a-1:30p) \$160 | Half (9a-11:30a) \$130 | In Personal Financial Literacy, campers will expand their real-world knowledge about how money works! Students will practice math skills by learning about personal budgets, balancing checkbooks, and basic economics. Throughout the camp, we will have our own "camp economy" where students can earn money, practice balancing their own checkbooks, and purchase real prizes!

#### Science Through the Literature of Gail Gibbons

Rising 3-5 | Session 1 (M-W, F) | Instructor: Leah Ecaruan
Rising K-2 | Session 3 | Instructor: Leah Ecaruan
1: Full (9a-4p) \$210 | Half +Plus (9a-1:30p) \$135 | Half (9a-11:30a) \$105
3: Full (9a-4p) \$260 | Half +Plus (9a-1:30p) \$160 | Half (9a-11:30a) \$130 |
In Science Through the Literature of Gail Gibbons, students will explore the natural world through non-fiction picture books written and illustrated by Gail Gibbons. Students will practice informational text reading skills while also gaining knowledge about all things science. The camp will culminate in students researching a topic of their choice from one of Gail Gibbons' books and presenting their research to the other campers!

#### **Shel Silverstein Author Study**

Rising K-2 | Session 9 | Instructor: Natalie Barker Full (9a-4p) \$260 | Half +Plus (9a-1:30p) \$160 | Half (9a-11:30a) \$130 Draw a crazy picture, write a nutty poem, sing a mumble-grumble song, whistle through your comb. Do a loony-goony dance 'cross the kitchen floor, put something silly in the world that ain't been there before. -A Light in the Attic by Shel Silverstein. During this author study, we will explore the many works of Shel Silverstein including his poems, stories, and even music. We will do many different activities to go along with the poems and stories that we read and will even write a poem of our own.

#### **Summer Reading**

Rising K-2 | Session 6, 7 | Instructor: Leah Baughman
Full (9a-4p) \$260 | Half +Plus (9a-1:30p) \$160 | Half (9a-11:30a) \$130
In this class, we are going to work to defeat summer slide! We will do many different types of reading and reading activities. Class will be a variety of center choices mixed with whole group activities. Students are welcome to bring in their favorite book to read each day and can also bring in a nut free snack for the afternoon.

#### **Writing Across Columbus**

Rising K-5 | Session 10 | Instructors: Lauren Edmonds, Chiquita Toure, & Sarah Weaver Full (9a-4p) \$495 | No Half +Plus | No Half

Calling all writers and artisits! Learn how to write about your surroundings

while also experiencing Columbus. Through daily field trips, students will find excitement in the things around their city as they explore, observe, and think creatively. We will focus on short stories, character development, descriptions of scenes, poetry, and much more. For the budding artist, students can stretch their creative muscles and incorporate illustration and design into their work. Students will improve their skills as they learn to describe their surroundings through writing and illustrating. We will travel each day to places that will inspire us such as Thurber House, Columbus Metropolitan Main Library and Topiary Garden, Franklin Park Conservatory, and local Metro Parks. Join us for an adventure of sights, sounds, and WORDS! Students are required to pack a nut free lunch each day. Notebooks and writing utensils will be provided, but students may bring their own supplies as well.

This is a traveling/off-site program.

#### **Young Scholars Camp**

Rising K-1 | Session 2, 7 | Instructor: Jessica Espasandin
Full (9a-4p) \$260 | Half +Plus (9a-1:30p) \$160 | Half (9a-11:30a) \$130
This camp will help support your child by focusing on skills that are needed in the upcoming school year. Our days will be spent practicing letter and number formation, letter sounds, introductory math concepts, fine and gross motor skills, color and shape identification, and so much more!

#### **Arts & Sciences**

Arts & Sciences classes require dress for mess attire.

## **3D Printing: Superheroes to the Rescue/Engineering Investigators** Rising 3-5 | Session 4 | Instructor: Engineering For Kids Staff Full (9a-4p) \$295 | No Half +Plus | No Half

3D printers are one of the most widely applicable and fun inventions on the tech scene today! In 3D Printing: Superheroes to the Rescue, we will explore the basic concepts of 3D printing and computer-aided design, or CAD, to design and create our very own 3D printed superhero! Students will take their hand drawn design and learn how to extrude it into a 3D model that can then be modified to be printed in 3D. Our afternoons will change gears as we all become forensics engineers and help Kelvin find out who stole the blueprints for his secret, new design. Using principles of investigative science and forensic engineering, students will analyze evidence in the simulated crime scene using math, science, and technology. Embark on a new journey each day to decipher cryptic clues and biological codes, and help us identify the thief through chemical and mechanical analysis. Time is running out, and Kelvin needs your help!

#### A World of Art to See

Rising K-2 | Session 9 | Instructor: Brittany Schwarck Full (9a-4p) \$260 | No Half +Plus | No Half

Have you ever wondered how to do origami? Would you like to learn how to weave? Join us on a journey across the world as we investigate and experience art making from different cultures! We will venture to far away lands and explore both contemporary and ancient art making techniques. No passport required!

#### **Adventures in Art with Famous Artists**

Rising K-2 | Session 5 (M-T, R-F) | Instructor: Lyn Campbell Full (9a-4p) \$210 | Half +Plus (9a-1:30p) \$135 | Half (9a-11:30a) \$105 Discover the joy of being creative with favorite and new art materials. Learn more about the work of artists and what motivated them. We will take our own inspiration from nature as we practice and learn new art skills.

#### **Adventurous Explorers**

Rising 3-5 | Session 1 (M-W, F) | Instructor: TrekNetwork Staff Full (9a-4p) \$400 | No Half +Plus | No Half

Rock climbing, kayaking, and wilderness survival training make for an awesome four day adventure. Join expert guides, explore hidden gems, and experience Ohio's outdoors in a completely different way. Imagine and learn about the edible forest, kayak to a wildlife sanctuary, and climb real rocks. Modules are designed to help participants aim high, achieve success, and gain confidence through fun scenarios. This camp includes several days of rigorous physical activity and all participants must be able to swim.

#### **All Things Disney**

Rising K-2 | Session 8 | Instructor: Leah Baughman
Full (9a-4p) \$260 | Half +Plus (9a-1:30p) \$160 | Half (9a-11:30a) \$130
In this class, students will explore the magical world of Disney through books, songs, crafts, and games. We will explore our imaginations and the many lessons that can be taught through Disney. As a class, we will discuss different morals and lessons and how we can use these in our life. **Students are welcome to bring a nut free snack for the afternoon.** 

#### **Arcade Electronics**

Rising 3-5 | Session 3 | Instructor: Sciensational Workshops Staff Full (9a-4p) \$310 | No Half +Plus | No Half

Get ready to build and play your own arcade games! You will have at your disposal resistors, switches, wires, LED diodes, transistors, and more. We will program a spinning light fan to display different sayings. Let's also build a Home Run Derby game, see who gets the most home runs before getting ten outs, and a winning song will cheer! If that's not enough, we will also build circuits that can test your memory, play the card game 21, or emit different funky sounds! Play with a disco ball, sirens, or a light show as we learn the effects of the different electronic components and what amps, volts, resistance and power are. Join Sciensational Workshops' way of learning where it is hands-on fun!

#### Archaeology, Can You Dig It?

Rising 2-4 I Session 1 (M-W, F) I Instructor: Jeff White
Full (9a-4p) \$250 | Half +Plus (9a-1:30p) \$155 | Half (9a-11:30a) \$125
Hey campers, want to become an archaeologist for a week? Then you have come to the right place. We'll engage in painting and breaking pots, create a bag o' artifacts, find a site, become lab rats, learn about different cultures daily, discuss Terrestrial & Underwater Archaeology, and view pictures of great earthworks. Campers will also take a field trip to an archaeological site and learn about stratigraphy- what's that? Wait, we'll get to it! Wow, what else can we cover? Let's see, we will view and learn about artifacts and Poverty Point- where is that? We'll find out, just come on out and join us! We may even partake in a facial reconstruction activity! Remember campers, you can dig it!

#### **Art and Science of Ceramics**

Rising 3-5 | Session 2 | Instructor: Elaine Buss Full (9a-4p) \$290 | No Half +Plus | No Half

In this class, we will learn how the art of ceramics and the science of materials join to make beautiful objects out of clay. We will dig our own clay

samples and learn how clay and mud are different. Students will learn to mix their own colored glazes. A special kiln firing of non-traditional materials such as coins, vitamins, food, and rocks will reveal the metals and minerals that are present in ceramics and our world alike. Students will also create their own sculpted clay creations!

#### **Art in Columbus**

Rising K-5 | Session 10 | Instructors: Cali Sanker & Brittany Schwarck Full (9a-4p) \$495 | No Half +Plus | No Half

Come with us on an adventure around Columbus as we explore aspects of

our city's vibrant artistic culture! We will investigate various exhibits at the Columbus Museum of Art, see art and living sculpture at the Franklin Park Conservatory, visit OSU spaces for contemporary art, tour artist studios, and so much more! We will find art around every corner, and make a little art of our own on the way. Columbus has so much to offer, so come along for the ride and don't forget your walking shoes! **Students are required to pack a nut free lunch each day.** 

**■** This is a traveling/ off-site program.

#### **Art Tea Party**

Rising K-3 | Session 1 (M-W, F) | Instructor: Elaine Buss Full (9a-4p) \$215 | No Half +Plus | No Half

Create your own usable tea set out of clay! Students will design and stamp their own tablecloth and create a vase with a flower arrangement for our big end of the week tea time party. Each day we will taste different teas (all decaffeinated) and learn how some teas can ease an upset tummy or help us calm down. This class is a combination of art and tea!

#### **Artists in Training**

Rising 3-5 | Session 6 | Instructor: Elaine Buss Full (9a-4p) \$270 | No Half +Plus | No Half

Young artists, join us to experiment with many different artistic mediums and techniques. We will find inspiration from the outdoors in "en plein air" paintings. Clay will be used to make a sculpture and functional objects. Students will make their own sketchbooks to record inspirations. We will learn some textile design to create our own tapestry and also learn some basic printmaking techniques. This camp is perfect for budding artists!

#### **Awesome Origami Animals**

Rising K-4 | Session 6 | Instructor: Rachelle Smith

Full (9a-4p) \$260 | Half +Plus (9a-1:30p) \$160 | Half (9a-11:30a) \$130 Campers will explore the ancient Japanese art of paper folding in this intensely fun camp. We will create a variety of origami projects and work our way up from simple to more advanced designs. Projects include all kinds of origami animals, as well as some other traditional designs. Campers will be excited to show off their new paper folding skills.

#### BalletMet: Dance, Turn, Leap & Learn

Rising K-3 | Session 7 | Instructor: BalletMet Dance Academy Staff Full (9a-4p) \$285 | No Half +Plus | No Half

Step onto the stage and inside the magic with BalletMet! We will combine fun and dance in this experiential based camp where students learn ballet, jazz, improv, and creative dance styles. Using games, props, costumes, and arts and crafts, we will explore telling stories through movement with famous ballets, classic fairy tales, and original choreography. Campers will go on a field trip to BalletMet to get an inside look at our professional studios, classes, and costume shop. Students will also receive an autographed keepsake. Dancers prepare to leap, twirl, and soar across the stage in a premiere performance you won't want to miss at the Friday Showcase.

#### **Broadway Boot Camp**

Rising 3-5 | Session 3 | Instructors: Linda Sabo & Mckenzie Vaughn Full (9a-4p) \$285 | No Half +Plus | No Half

If you want to sing, dance, design costumes and set pieces, and become a stage star, Broadway Boot Camp is the place for you! In the course of a week, students will learn three songs from a popular Broadway show. This season will be Annie! Our day will begin by singing through our music and learning lines. Then we will begin learning choreography to go along with the music. Towards mid-week, students will begin to get a costume organized and designed along with specific props to go along with the show. All of this will be done in preparation for the Friday Showcase! We hope to see you in Broadway Boot Camp this summer! **Students should wear comfortable clothing and closed-toe shoes appropriate for moving and dancing. No sandals or flip flops.** 

Session: 1 (6/4-8) 2 (6/11-15) 3 (6/18-22) 4 (6/25-29) 5 (7/2-6) 6 (7/9-13) 7 (7/16-20) 8 (7/23-27)

#### **Building Cities and Survivor: Engineers Cove**

Rising 3-5 | Session 7 | Instructor: Engineering For Kids Staff Full (9a-4p) \$295 | No Half +Plus | No Half

Do you have what it takes to engineer a magnificent city from an inhabitable environment? During this program, students form their very own construction crew and work together as a team to build a city from the ground up. Crews design essential urban structures, develop processes to purify water, and generate their own power. Join up with a crew to compete in challenges designed to test the strength of your designs in Building Cities. In the afternoons, students will find themselves stranded on an abandoned island filled with perilous obstacles - dark caves, wild animals, cold temperatures, little food, and separation from the comforts of home. They will work collaboratively with their tribe members to compete against other tribes in specific engineering-related projects aimed at trying to survive the harsh island conditions and escape to their freedom.

#### **Camp COSI: Explore More!**

Rising K-5 | Session 10 | Instructor: COSI Staff Full (9a-4p) \$400 | No Half +Plus | No Half

Become a scientist inside one of the world's greatest laboratories: COSI! In this exciting off-site camp, you'll get the chance to become scientists with one-of-a-kind experiments, all while exploring connections to STEAM inside COSI's exhibit areas! Become an inventor in Gadgets; test out the human body in Life; explore the outer reaches of our galaxy in the Planetarium... You can't get more hands-on than this! It's a summer science camp like only COSI can do it! Students are required to pack a nut free lunch each day. **➡** This is a traveling/ off-site program.

#### **Camp COSI: You Become the Scientist**

Rising K-4 | Session 3 | Instructor: COSI Staff Rising 3-5 | Session 7 | Instructor: COSI Staff Full (9a-4p) \$310 | No Half +Plus | No Half

In this spectacularly scientific summer camp, we'll become a new kind of scientist every day to learn more about our world! We may launch into space to explore rockets and rovers one day, then explore the inner workings of the human body the next. From our environment to engineering and the science of living things, Camp COSI is presented by COSI Outreach Workshops and is always exciting, always electric, and always hands-on. Plus, every camper receives a FREE "BOGO" admission voucher to COSI to keep the learning alive all year long! It's a summer science camp like only COSI can do it!

#### **Camp Invention®**

Rising K-4 | Session 2 | Instructor: Kate Kaura Full (9a-4p) \$310 | No Half +Plus | No Half

Come explore the world through invention! Creativity and innovation are the foundation of Camp Invention®. In this fast-paced multifaceted program, participants will build their own inventions and learn more about both the innovative and the adaptive parts of the invention process. They will be challenged to elaborate, refine, analyze, and evaluate their ideas to improve their invention and explore the connections between science, technology, engineering, and innovation. Each day features new and exciting challenges that vary based on children's ages and abilities. All activities are designed to stimulate both mind and body as children work individually and collaboratively in diverse teams. Children's curiosity is sparked with a new line-up that is sure to enrich and energize! The National Inventors Hall of Fame Foundation created the Camp Invention® Program with support from the United States Patent and Trademark Office. Camp Invention® provides quality enrichment in the fields of science, mathematics, history, and the arts. Hands-on, inquiry-based learning is emphasized in integrated curricula that align with national and state education standards. Children learn through teamwork, subject immersion, and open-ended discovery.

#### **Campers Who Care: Lemonade Stand**

Rising 3-5 | Session 2 | Instructor: Young Chefs Academy Staff Full (9a-4p) \$295 | No Half +Plus | No Half

Summer is the perfect time for lemonade stands! Join us to support Alex's Lemonade Stand, a non-profit organization dedicated to ending childhood cancer. We'll spend the week creating signs, flyers, and delicious recipes to sell on our big day. From pizza rolls to gourmet lemonade and chocolate fudgy bon bons, we'll bake up a storm. Be sure to stop by our lemonade stand on the last day of camp to sample our creations and see the results of our "fruitful" work! All proceeds from the lemonade stand will be donated to Alex's Lemonade Stand in care of Young Chefs Academy.

#### **Carnival Cooking and Fun**

Rising K-4 | Session 4 | Instructor: Young Chefs Academy Staff Full (9a-4p) \$295 | No Half +Plus | No Half

Step right up for the greatest camp of the summer! We'll spend our days creating carnival foods like baked funnel cakes, fair fries, corn dogs, lemonade shake ups, and other yummy carnival creations. We'll also plan, design, and create our very own carnival games and decorations. On Friday, campers will attend the carnival they created...games, food, prizes, and

#### **Celebrate Everything**

Rising K-4 | Session 4 | Instructor: Jessica Espasandin Full (9a-4p) \$260 | Half +Plus (9a-1:30p) \$160 | Half (9a-11:30a) \$130 What did you do for Squirrel Appreciation Day this year? What about Pretzel Day? National Chocolate Cake Day? NOTHING? Well... forget what you know about holidays because you have never celebrated like this! Every day is cause for celebration! And celebrate we will with games, food, art, outdoor play... you name it! (And we just might learn something in the process!) There will be lots of cooking, eating, and art in this class, so dress for mess!

#### **Chess Kings and Queens**

Rising K-5 | Session 1 (M-W, F), 10 | Instructor: Kyle Jones Rising K-3 | Session 4 | Instructor: Kyle Jones

1: Full (9a-4p) \$210 | Half +Plus (9a-1:30p) \$135 | Half (9a-11:30a) \$105 4, 10: Full (9a-4p) \$260 | Half +Plus (9a-1:30p) \$160 | Half (9a-11:30a) \$130 Chess Kings and Queens provides students the opportunity to learn world champion strategies, basic tactical sequences, endgame patterns, and tournament rules and regulations. In addition, we will learn about the rich history of the game and the stories that have come before us. Each day students will participate in their very own tournament to be able to use skills and strategies they've been taught. Please note for Session 10 only: Students are required to pack a nut free lunch each day.

#### **Chess Masters**

Rising 3-5 | Session 6 | Instructor: Kyle Jones Full (9a-4p) \$260 | Half +Plus (9a-1:30p) \$160 | Half (9a-11:30a) \$130 Chess Masters provides students with the most advanced curriculum to prepare them for tournament play. Students will be given the necessary tools to be able to create reasonable plans in complex positions. Students will learn advanced tactical themes. Each day students will participate in our very own tournament to put their strategies to the test.

#### **CodeMonster: Creating Your First Android Mobile App**

Rising 2-5 | Session 7 | Instructor: CodeMonster Staff Full (9a-4p) \$390 | No Half +Plus | No Half

Students will build mobile apps using App Inventor, an advanced drag and drop type of programming. It was developed by Google originally and is now maintained by MIT. App Inventor allows children to develop apps and games for Android, a mobile operating system that empowers close to 90% of all tablets and smartphones in the world. We will also be discussing and teaching about persistent data storage as well as other components such as Text-to-Speech that will be useful in creating apps. Toward the second half of the class, students will start interacting with real tablets loaded with the apps they've created. *Prior experience with basic drag-and-drop programming such as Scratch is preferred, but not required. Students should be able to follow instructions well and know how to use the mouse to navigate around the computer screen.* 

#### **CodeMonster: Creative Programming with Javascript**

Rising 3-5 | Session 9 | Instructor: CodeMonster Staff Full (9a-4p) \$390 | No Half +Plus | No Half

Learn programming through creative interaction with graphics and animation. This course is packed with fun and creativity using the Javascript programming language. Students will learn the basic syntax and constructs of Javascript as well as simple HTML command tags. We will also discuss Javascript's ecosystem of external libraries to help us accomplish more with less code. The concept of Object Oriented programming will be taught as well as the reasons for using it. Programs written in this course are dynamic in nature and can be interacted using the browser. All the skills will be put together to complete a mini game. Students taking this course should be comfortable typing on the keyboard as we will be using a text editor to edit our Javascript program. Prior experience with basic drag-and-drop programming such as Scratch is preferred, but not required.

#### **CodeMonster: Kids Exploratory Coding Playground**

Rising K-1 | Session 1 (M-W, F) | Instructor: CodeMonster Staff Full (9a-4p) \$310 | No Half +Plus | No Half

You're never too young to start coding! This course is specially created for young children in rising grades K to 1. We are using Scratch Jr to create a light and playful environment to create digital story and simple animation. Students will be immersed in their own creation using their own voice and giving a sequence of instructions using lego-styled blocks. The main objective is to let students take control of their creation and gain an understanding how he/she can alter the behavior and sequence of events (Please note syntax or algorithm will not be discussed as this is not the objective of the course). This introductory course will empower young children to gain confidence in themselves and be aware of human and computer interaction.

CodeMonster: Visual Game Coding Using Scratch Version 3.0 Rising 2-5 | Session 3 | Instructor: CodeMonster Staff Full (9a-4p) \$390 | No Half +Plus | No Half

Students will get to code and create their own computer games by dragging and dropping LEGO-styled blocks on the screen. Students will learn how to use Scratch (basic level 1 and intermediate level 2), a computer programming platform developed by MIT that is used extensively worldwide to introduce coding to children. We will be using version 3 of Scratch in this

course to take advantage of the new features. Scratch version 3 is a major departure from version 2 as it completely drops Adobe Flash dependency. This class will improve students' critical thinking, logic, and creativity and teaches children to solve problems effectively. *No prior knowledge of computer programming is required; however, students should know how to use the mouse to navigate around the computer screen.* 

#### **Comedy Magic**

Rising K-4 | Session 9 | Instructor: Carroll Baker Full (9a-4p) \$290 | No Half +Plus | No Half

Children love magic, and they really love learning and performing it! Carroll Baker's classes are a great way for your child to have fun learning to become an amazing magician, performer, and presenter. Beyond the entertainment value, magic helps improve digital dexterity, coordination, visual perception, spatial relationships, critical thinking, creativity, public speaking skills, self-confidence, and imagination. This class will focus on fun and easy magic and comedy styles and how to incorporate them into a show. On the last day of camp, we will perform on stage at the Friday Showcase.

#### Cooking Farm-to-Table at Young Chefs Academy

Rising 3-5 | Session 10 | Instructor: Young Chefs Academy Staff Full (9a-4p) \$310 | No Half +Plus | No Half

Join Young Chefs Academy in this unique camp that takes campers on a locally grown culinary adventure out of Columbus Academy and into the kitchens at Young Chefs Academy! Campers can expect to get their hands dirty and explore the science behind growing, eating and cooking foods grown right in their back yards. With the help of Knife and Fork Farms, campers will get to know what real farm to table looks and tastes like!

Students are required to pack a nut free lunch each day.

This is a traveling/ off-site program.

#### **Cool Cupcakes**

Rising 3-5 | Session 1 (M-W, F) | Instructor: Young Chefs Academy Staff Full (9a-4p) \$230 | No Half +Plus | No Half

Have a sweet tooth and love of cupcakes? Then this is your camp! Each day we'll create and decorate cupcakes in a variety of themes. Campers will create homemade cupcakes, fondant, frosting and learn fun decorating techniques. They'll even take some cupcakes home to share!

#### **Craft Extravaganza**

Rising 3-5 | Session 2 | Instructor: Jennifer McGinnis Full (9a-4p) \$285 | Half +Plus (9a-1:30p) \$175 | Half (9a-11:30a) \$145 Craft Extravaganza is a week filled with crafting fun! Students will create many projects using different types of media such as paint, yarn, and crayons. They will make candle holders, picture frames, duct tape pens, and so much more! Come join us for a week of craft extravaganza!

#### **Creative Creations**

Rising 2-5 | Session 1 (M-W, F) | Instructor: Jaclyn Davis Full (9a-4p) \$220 | Half +Plus (9a-1:30p) \$140 | Half (9a-11:30a) \$110 Have fun exploring new crafting skills and hobbies. Each day will include a new technique and skill for you to try. Soap making, sewing, candle making and jewelry making are just a few that we will explore. You'll learn new styles, methods, and even the history of these crafts. Come try your hand at something new or come enhance a skill you already have.

#### **Creative Engineering**

Rising 3-5 | Session 4 | Instructor: Sciensational Workshops Staff Full (9a-4p) \$310 | No Half +Plus | No Half

Students will work with an advanced three dimensional construction kit that is theirs to keep and take home. They will design and build simple or complex models of a vehicle, a robot, or buildings. Students will also get their very own 3-volt geared motor to power up a moveable Radar Surveyor. Campers will explore and learn the many ways they can make their motor run. Hands-on is the only way, so prepare to build from directions and from your own imagination!

#### **Creative Sewing**

Rising 2-4 | Session 8 | Instructor: Helma Groot Full (9a-4p) \$290 | No Half +Plus | No Half

Each day we start with a new and exciting project in Creative Sewing camp. You will learn to sew by hand and on the sewing machine, make your own stuffed animals, create patterns, and sew on buttons (parents will appreciate this skill!). Whether or not you already know how to sew, you'll be able to use your skills to make dolphins, bears, dragons or monsters, capes, tiny bunnies, and more. Students will have a chance to share their many amazing creations on stage at the Friday Showcase.

#### **Dance Columbus**

Rising K-5 | Session 10 | Instructors: Chelsea Crabtree & Adam Maynard Full (9a-4p) \$495 | No Half +Plus | No Half

Do you dream of being in a professional dance production? Wonder what it would be like to own a dance studio? Explore Columbus through dance where each day we will focus on a specific area of dance and travel to experience it first-hand. Pilates and ballroom with Inspiration to Movement, musical theater and hip hop with Bartelt Dancers, gymnastics with Gym Skills, and a professional rehearsal and tour of BalletMet to name a few. We will explore the life of professional dancers, teachers, choreographers, and studio owners to experience what it takes to move and groove with the best. Join us on an adventure through dance and leave with the beat in your feet. **Students are required to pack a nut free lunch each day.**This is a traveling/ off-site program.

#### **Dancing with the Stars**

Rising 2-5 | Session 5 (M-T, R-F) | Instructor: Inspiration to Movement Staff Full (9a-4p) \$230 | No Half +Plus | No Half

Want to dance like the stars on TV? From the drama of the tango to the energy of the jive, ballroom and Latin dancing have taken the country by storm as millions tune in every week to see their favorite stars go head-to-head and toe-to-toe. During this energy-packed week, students will learn the steps, rhythms, and techniques of some of the most popular dances as seen on TV. Taught by a current professional ballroom dancer, this camp will also help to develop the presentation skills, partnering, and confidence necessary to be a champion. At the end of the week, students will present a Dancing with the Stars style formation on stage during the Friday Showcase. Whether your desire is to compete and perform or just gain confidence and coordination, this camp is for the dancer in you!

#### Digital Photography with iPhone or iPad

Rising 3-5 | Session 8 | Instructor: Bill Walker Full (9a-4p) \$275 | No Half +Plus | No Half

Have fun taking better digital photos! Learn the basics of exposure, lighting, shutter speed, depth of field, composition, and contrast. We will take portraits, landscapes, panoramas, and documentary images and will explore editing in the device and in Photoshop. We will also create slide shows with narration and learn about a variety of printing possibilities. Students are required to bring their own iPad or iPhone and purchase two photo apps (under \$10 total) preferably prior to the beginning of camp. The apps are Pro Cam 3 and Photogene 4. They are both available in the Apple App Store, accessed directly from the device.

#### **Discover Ohio**

Rising 1-5 | Session 10 | Instructors: Jasiliki Davidson & Leslie Hill Full (9a-4p) \$550 | No Half +Plus | No Half

Join us on an adventure across Ohio to discover our hidden treasures. In this class, we will travel each day to a "hot spot" that you will want to return to again and again. Trains and boats? We've got them. Rainforests? We've got them. Stingrays? You guessed it. We've got them, too! Roller coasters? Absolutely some of the best! This is a non-stop exploration of the best Ohio has to offer. Students are required to pack a nut free lunch each day.

This is a traveling/ off-site program.

#### **Drone Superhero Missions**

Rising 3-5 | Session 7 | Instructor: Drobots Staff Full (9a-4p) \$370 | No Half +Plus | No Half

Superhero Missions is specifically designed for both the novice and experienced drone enthusiasts. Our instructors will open the creative minds of participants as campers attack and defend against superheroes and villains. Students will begin the week learning basic maneuvers before using their "spidey-sense" to conquer missions such as Batman's Drone-Mobile Escape, The Breakout of Iron Man, and more. Participants will storyboard their own escape missions while other students attempt to outsmart them using the drone to locate and capture. Drone safety and the social responsibilities of flying drones are included in this program. All campers go home with interactive workbooks and plenty of Drobots Company keepsakes so the memories last long beyond the summer.

#### **Egyptian Dig**

Rising K-4 | Session 2 | Instructor: Sciensational Workshops Staff Full (9a-4p) \$310 | No Half +Plus | No Half

Children discover the amazing science of archaeology as they uncover ancient artifacts. In doing this, we will learn about Egyptian life. We will excavate with tools like a real archaeologist uses. We will find the following artifacts as we excavate a scarab (what's that?), hieroglyphic tablet, ankh symbol, and a jackal. You will learn about these and even take home a booklet. The artifacts are yours to keep. We will wet the sand that we dig into and create one of two sand sculptures for display. You can make a pyramid as well as a sphinx. Let's go back in time with a hands-on archaeological experience!

#### **Electronic Lab**

Rising 3-5 | Session 9 | Instructor: Sciensational Workshops Staff Full (9a-4p) \$370 | No Half +Plus | No Half

Let's learn about electronics! You will experiment and take home your own electronic lab kit. You will get to build a super race car engine sound, electric fan, motion detector, power microphone, trombone sounds, space war sounds, and so many more neat projects. That's not all. It is not just about building. You will learn what direct current is and which materials conduct electricity. Learn what happens when you place batteries in a series. Learn what resistors and capacitors do and so much more. Better yet, make your own battery! Make a mind reading game, a musical doorbell, a lie detector, and control electronic currents by the clap of your hands! Sciensational Workshops' way of science is fun, hands-on, and educational.

#### **EZ Magic**

Rising K-4 | Session 2 | Instructor: Carroll Baker Full (9a-4p) \$290 | No Half +Plus | No Half

Children love magic, and they really love learning and performing it! Carroll Baker's classes are a great way for your child to have fun learning to become an amazing magician, performer, and presenter. Beyond the entertainment value, magic helps improve digital dexterity, coordination, visual perception, spatial relationships, critical thinking, creativity, public speaking skills, self-confidence, and imagination. This camp will focus on magic for small hands with objects such as coins, ropes, and other objects. On the last day of camp, we will perform on stage at the Friday Showcase.

#### **Fabulous Fabrics**

Rising 3-5 | Session 4 | Instructor: Elaine Buss Full (9a-4p) \$270 | No Half +Plus | No Half

Join us to learn a range of fabric decorating and designing techniques! We will learn about making stamps to design a pattern, create a tapestry hanging for our bedrooms, and dye fabric in the sunlight. We will learn traditional Japanese shibori techniques with actual indigo dye. By the end of the week, students will end up with several beautiful functional pieces of textile art, such as scarves, shirts, tote bags, and more!

#### Fairyfolk: A Theatrical Celebration!

Rising 3-5 | Session 6 | Instructor: Michelle F. Cornell Full (9a-4p) \$260 | No Half +Plus | No Half

This creative drama camp introduces students to the secret ways of fairies. They will discover where they make their hidden homes, how they dress, eat, work, and play. This information will be taken from classic fairy tales and fantasy lore. Inspired by these sources, students will create a fairy character to enact in a theatrical event that celebrates the fairy life style and introduces a live audience to their magical history. Each day participants will hone their acting skills by engaging in activities that help them to create unique characters and an original presentation. In addition, they will make basic fairy costumes, props, and scenic elements that will be used to

enhance the enchanted world of their play. On the final day, we will share this magical drama in an in-house performance for families as well as share a fairy pageant during the Friday Showcase, providing two opportunities for you to come and watch your child perform. Students are encouraged to share personal costume and fairy themed books and toys from home. Comfortable clothes are recommended; no flip-flops, please.

#### Far Out! Space Inspires Art

Rising K-4 | Session 5 (M-T, R-F) | Instructor: Andrea Kaiser Full (9a-4p) \$210 | Half +Plus (9a-1:30p) \$135 | Half (9a-11:30a) \$105 During this week-long class, we'll dive into astronomy basics and make art inspired by the sky! Each child will receive a field notes journal to sketch in throughout the week as we explore the sky's wonders, learn about some of our favorite sky inspired art including Vincent van Gogh's *The Starry Night*, and make new art of our own! Projects will include "Moon Dust" necklaces, exploring constellations, color matching planets, and more.

#### **Fun with Photography**

Rising 3-5 | Session 9 | Instructor: Genevieve Adkins
Full (9a-4p) \$260 | Half +Plus (9a-1:30p) \$160 | Half (9a-11:30a) \$130
This class is ideal for anyone wanting to learn about photography in a fun way. Students will learn basic photography techniques and apply them in the field. We will explore the techniques of color, light and shadow, lines, the rule of thirds, and positive and negative space. We will practice these skills around the Columbus Academy campus and use them to complete various projects. Our images will then be presented in a gallery-slideshow at the end of the week. Students are required to bring a basic digital camera. (The more options on the camera the better, but a basic point-and-shoot will work fine as well.)

#### Galaxy Cooking- May the Food be with You!

Rising K-4 | Session 6 | Instructor: Young Chefs Academy Staff Full (9a-4p) \$295 | No Half +Plus | No Half

We're traveling to a galaxy far, far, away for inspiration for this fun cooking camp! We'll create recipes inspired by Star Wars including Yoda Sodas, Tie Fighter Ties, Darth Taters, and Bantha Burgers. There will be a variety of crafts and games to encompass a whole lot of fun for this exciting camp.

#### Gym Skills: Hip Hop

Rising K-2 | Session 7 | Instructor: Gym Skills Staff

Full (9a-4p) \$285 | Half +Plus (9a-1:30p) \$175 | Half (9a-11:30a) \$145 Come join Gym Skills for a fun and upbeat hip hop program! Throughout the week, students will learn everything from the history of the hip hop culture to a variety of dance styles such as breaking, popping/locking, and krumping to help with rhythm and coordination. Dancers will perform individually and in groups. Students will be taught choreographed routines to be performed at the Friday Showcase.

#### Harry Potter- Travel on Our Magical Science Tour

Rising K-4 | Session 8 | Instructor: Sciensational Workshops Staff Full (9a-4p) \$310 | No Half +Plus | No Half

All aboard for lots of hands-on fun! Join in the escapades of Harry and his friends: play quidditch, make an edible wand, and brew some fantastic potions to drink. Let's create and watch some amazing chemical reactions like watching a mirage appearance; you won't believe it! Do you wonder where the sorting hat will place you? Come join us where the magic of science, art, and literature meet. Harry, Ron, and Hermoine are waiting for your arrival!

#### **Helping Hands: The Great Bake Sale!**

Rising 3-5 | Session 9 | Instructor: Young Chefs Academy Staff Full (9a-4p) \$295 | No Half +Plus | No Half

It's time to bake for a cause! We'll spend the week preparing for The Great Bake Sale featuring sweets like cookies and cakes, and savory surprises. Campers will design their own flyers, banners, pricing and menus for a final bake sale on Friday with proceeds going to Cookies for Kids Cancer in care of Young Chefs Academy. We'll have our cake, eat it too, and give back to a very worthy cause.

#### **Hogwarts Satellite Academy**

Rising 2-4 | Session 3 | Instructor: Michelle Schroeder
Full (9a-4p) \$270 | Half +Plus (9a-1:30p) \$165 | Half (9a-11:30a) \$135
By order of the headmaster of the Hogwarts School of Witchcraft and
Wizardry, we are pleased to offer the Hogwarts Summer Satellite School for
Gifted Muggles. All fundamental OWL pursuits are covered in this intensive
summer program: Herbology, Care of Magical Creatures, Transfiguration,
Potions, Divination, and Defense Against Dark Arts. All muggles will learn the
joys of Quidditch - no previous experience required. Look for Bleacher 9 3/4
at the appropriate time.

#### Hovercraft: Design Your Own Vehicle-Egg Drop Car

Rising K-4 | Session 7 | Instructor: Sciensational Workshops Staff Full (9a-4p) \$310 | No Half +Plus | No Half

Do you want to design and build things that you create, not just a model you purchase? Well, this is the place for you! Build and keep an air powered hovercraft. You make it defy gravity, and once it's up and moving, you will use your creativity to control its direction. You will also get to build and take home your own car. The purpose is to build a super car powered by more than one source of energy. This can be one crazy looking vehicle! We provide you with many materials for the dynamic vehicle that you will build. Next you will get to build an egg drop car. The challenge is to build a gravity vehicle that can cushion a raw egg as the car holding the egg is dropped from a high height. You have to be creative! In all three of these challenges, students will learn about laws of motion, energy, air pressure, friction, lift, speed, and acceleration. You are never too young to learn and have fun in a Sciensational hands-on way.

#### **Inquiring Scientists: Beaks and Biomes**

Rising 3-5 | Session 2 | Instructor: Jordan Ankerman Full (9a-4p) \$280 | No Half +Plus | No Half

In Inquiring Scientists: Beaks and Biomes, students will dive into the investigation of migration and adaptations. Through hands-on experiments and simulations, students will learn about why birds migrate. Throughout the week, each student will become a scientist and study the sanderling: a

bird who somehow lives on the beach and in the arctic tundra. How is that possible? Join us in Inquiring Scientists to find out!

**Inquiring Scientists: Let's Dig!** 

Rising 3-5 | Session 4 | Instructor: Jordan Ankerman Full (9a-4p) \$280 | No Half +Plus | No Half

In Inquiring Scientists: Let's Dig!, campers will become paleontologists by participating in a simulated fossil dig. Campers will work in small groups to prepare a mini dig site and search for, clean off, and classify fossils. Join us as we work together and dig into the past!

#### **Inquiring Scientists: They Matter**

Rising 3-5 | Session 3 | Instructor: Jordan Ankerman Full (9a-4p) \$280 | No Half +Plus | No Half

In Inquiring Scientists: They Matter, we will explore many types of matter. Campers will learn about how things change from solids to liquids to gases by making their own ice cream and designing containers to keep ice from melting. They will explore glaciers and ice cores through hands-on experiments and activities. If you want to know why matter matters, join us and become an inquiring scientist!

#### Inspired to Move

Rising K-3 | Session 9 | Instructor: Inspiration to Movement Staff Full (9a-4p) \$290 | No Half +Plus | No Half

It's time to get moving! Join the professional dancers of Inspiration to Movement Studio on an integrative movement experience like no other. Students will develop strength, flexibility, and body awareness while gaining experience in how to use these skills expressively to music. They will explore these concepts through structured practice and improvisation with traveling and stationary movement from ballet, jazz, ballroom, and modern dance.

#### **Interpretive Dance**

Rising 3-5 | Session 4 | Instructor: Kathy Mendenhall Full (9a-4p) \$275 | No Half +Plus | No Half

Interpretive Dance is an energetic and creative class that blends ballet, modern, lyrical, and some sign language. Blending these dance forms causes a uniqueness that speaks to each child differently. They are encouraged to flow, within a framework, the way their bodies interpret what they feel, hear, and see with the musical pieces. As we dance and create together, each day brings a special unity, fluidity, and passion that is hard to put into words, but its beauty can be felt and seen. It is truly a great experience! Students are required to wear comfortable clothing that allows for free movement and ballet shoes. Course fee includes cost of costuming for the Friday Showcase.

#### **Intro to Drone Flying Missions**

Rising 1-2 | Session 6 | Instructor: Drobots Staff Full (9a-4p) \$370 | No Half +Plus | No Half

Intro to Drone Flying Missions is specifically designed for campers with little to no experience flying drones. We use the safest and most reliable drone products on the market, including the Parrot™ drones for enhanced safety and most of all, fun! Campers will learn the basics of drone technology and safety before taking to the air. Through the use of iPad flight simulators and clear instructions on basic flying maneuvers, young Drobots' pilots will experience a program filled with excitement, games, challenges, and learning. Campers work all week long to prepare for the most enjoyable part of the week: The Ultimate Drone Games! This will include events such as Tic-Tac-Drone, Drone Darts, Duck-Duck-Drone, and more. All campers go home with interactive workbooks and plenty of Drobots Company keepsakes so the memories last long beyond the summer. Drone safety and the social responsibilities of flying drones are included in this program.

#### **Introduction to LEGO Boost Robotics**

Rising 2-5 | Session 8 | Instructor: SIMPLR STEAM Playground Staff Full (9a-4p) \$295 | No Half +Plus | No Half

Lego has just released a new robotics kit called Boost! In this camp, we'll

explore the new kit and build Vernie, the Lego Boost mascot, in addition to all of the other LEGO boost creations. Once built, we'll program each of the robots to accomplish a task while competing against other teams. This camp will provide a foundation for deeper learning about robotics, programming, and mechanical assembly. Join us! Lego Boost kits will be provided for inclass use only.

#### **Junior Inventors Workshop and Food Camp**

Rising 2-4 | Session 6 | Instructor: Engineering For Kids Staff Full (9a-4p) \$310 | No Half +Plus | No Half

We have opened up the workshop for a week of fun, creativity, and of course engineering! Over the course of a week, students will invent new machines and explore creative design solutions using the Engineering Design Process. Discover how a wind-up toy works and design your own drawing robot inside the Engineering For Kids Inventor's Workshop. Students will also be exposed to the engineering of FOOD! Everyone has to eat, and engineers are involved in all steps of getting food from a farm to your table. Engineers help figure out how to make food, package it, and how to deliver it to your table safely. The week wouldn't be complete without learning how assembly lines can help produce tasty treats in the quickest way possible and seeing one in action with a field trip to Anthony Thomas Candy Factory!

#### **Junior Robotics and Aerospace Engineering**

Rising 2-4 | Session 3 | Instructor: Engineering For Kids Staff Full (9a-4p) \$295 | No Half +Plus | No Half

This program is a perfect mixture of fun and learning using LEGO® WeDo 2.0™ Robots. Using LEGO® bricks, students will learn about scientists and engineers and how they use robots to explore places humans cannot. This week students will be faced with several challenges and will use the Engineering Design Process, along with teamwork, to find solutions. Your young engineers will do everything from creating a self-driving car to designing an attachment for a helicopter winch for a rescue operation (there is a panda in need of rescuing!), to building a recycling truck that sorts recyclables as it unloads! Students will also be exploring Aerospace Engineering concepts to get us up out of our seats throughout the week! We will learn about aerospace engineers and construct airplanes, rockets, hot air balloons and more!

#### **Junior Twisted Fairy Tales**

Rising K-2 | Session 1 (M-W, F) | Instructor: Engineering For Kids Staff Full (9a-4p) \$240 | Half +Plus (9a-1:30p) \$150 | Half (9a-11:30a) \$120 Ever wonder how we got to the Happily Ever After in traditional fairy tales? Students will explore a few fairy tales from different points of view and engage in activities to investigate solutions for each fairy tale's obstacles. In the Twisted Fairy Tales program, we will design a getaway vehicle for the heroine from Kate and the Beanstalk, help The Three Billy Goats Fluff devise a method to cross the bridge quietly and not wake the Troll, and construct an edible reef entirely from candy to protect The Three Little Fish from the Big Bad Shark! Join us as we explore the Engineering of Fairy Tales!

#### **LEGO Robots BattleBots and Inventions**

Rising 2-5 | Session 5 (M-T, R-F) | Instructor: Robot Academy Staff Full (9a-4p) \$300 | No Half +Plus | No Half

This class encourages creative problem solving while teaching engineering concepts. Students build and program LEGO Robots and compete in several BattleBot championships and win prizes. Students learn about the Mindstorms EV3 programming language and sensors. No experience is necessary — we teach students everything they need to know to put together a winning BattleBot. For the second half of the camp, students have an opportunity to bring their ideas to life! We teach 'rapid prototyping', a technique that involves quickly building prototypes of invention ideas using cardboard, LEGO Robots or 3D printers. Campers design and build custom inventions and then present their prototypes to a Shark Tank panel (like on the TV show)! Students enjoy presenting stellar pitches to the judges with the help of their new friends and reaping the rewards.

#### Let's See How it is Made

Rising K-5 | Session 10 | Instructors: TBA Full (9a-4p) \$495 | No Half +Plus | No Half

Have you seen the documentary show *How It's Made*? Come along on an adventure around Columbus to discover the inner workings and behind the scenes of how the things you love are created. Learn about the original ideas that have evolved into marketable products. Let's explore the machinery, engineering, robotics, and genius minds that have worked endlessly to make dreams come alive. *Students are required to pack a nut free lunch each day.* 

☐ This is a traveling/ off-site program.

☐ This is a traveling/ off-site program.

#### Little Medical School: Adventures into the Wild

Rising 3-5 | Session 3 | Instructor: Little Medical School Staff Full (9a-4p) \$375 | No Half +Plus | No Half

Ever ventured out with your family and friends into the wilderness to spend time together? Were you prepared to handle the wilderness and any minor medical emergencies that could arise? Our Wilderness Medicine program aims to provide valuable life skills to your child through an interactive and engaging hands-on program. A preview into our week and topics to be covered, include but not limited to, the following:

- Learning about severe weather (such as tornadoes, hurricanes, and storms) and how to keep safe
- Knowing how to identify edible and inedible foods in the wild
- Learning how to prevent, recognize, and treat insect bites
- Discussing survival in extreme temperatures

Join us for a memorable and valuable adventure into the wild during this week-long summer program and learn skills that will keep you safe!

#### Little Medical School: Is There a Doctor in the House?

Rising K-2 | Session 9 | Instructor: Little Medical School Staff Full (9a-4p) \$375 | No Half +Plus | No Half

The Little Medical School® offers children the opportunity to learn about medicine, science, and the importance of health in an entertaining, exciting, and fun way. This camp encourages children to do this as they explore the exciting and inspiring world of medicine. Using interactive demonstrations, crafts, and games, children learn how the body and organs work, how to use the instruments that real doctors use, and even tie knots like a real surgeon. Children get their own stethoscope that really works! Students will learn all about and make models of the spine, brain, bones, the exciting eye, and much more. At the end of the week, each student will graduate with a diploma from the Little Medical School®.

#### **Little Veterinarian School: Healthy Pets are Happy Pets!**

Rising K-2 | Session 2 | Instructor: Little Medical School Staff Full (9a-4p) \$375 | No Half +Plus | No Half

This unique program encourages children to role-play and explore the exciting world of veterinarians. Using interactive demonstrations, crafts and games, children learn how to take care of a pet and use instruments that real veterinarians use. A preview into our week and topics to be covered,

include but not limited to, the following:

- Learning the importance of proper care and nutrition to keep dogs, cats, and guinea pigs healthy
- Completing an assessment of a dog and a cat
- Knowing what to do if a dog gets hurt and how to care for them
- Learning safety rules for being around animals
- Discussing what radiographs are and what the light and dark shades mean on a radiograph

This summer camp is a fun, hands-on class where students will receive their very own stuffed animal pet dog and cat for the week. Each child will receive a diploma as a graduate of Little Veterinarian School® upon completion of the course.

#### Little Woodworkers

Rising K-2 | Session 5 (M-T, R-F) | Instructor: Shaun Ditty Rising 3-5 | Session 6 | Instructor: Shaun Ditty 5: Full (9a-4p) \$240 | No Half +Plus | No Half 6: Full (9a-4p) \$300 | No Half +Plus | No Half

Students will learn basic woodworking tools and techniques. They will construct and paint age-appropriate projects that will be theirs to take home at the end of the camp. What should you keep in your toolbox? By the end of the week, you will be the expert!

#### **Magic Carpet Ride**

Rising K-4 | Session 5 (M-T, R-F) | Instructor: Coral Lee Bishop
Full (9a-4p) \$210 | Half +Plus (9a-1:30p) \$135 | Half (9a-11:30a) \$105
Climb aboard our magic carpet and travel the continents to explore a variety
of countries around the world! Experience cultures and countries using all
of your senses through activities, projects, and inventions from all corners
of the globe. We will investigate and learn about world cultures, languages,
foods, stories, arts, crafts and games in a fun, engaging and active
environment. Come prepared each day to play, learn, and create as we travel
the world on our magic carpet!

#### **Magic Made Easy**

Rising K-4 | Session 3 | Instructor: Carroll Baker Full (9a-4p) \$290 | No Half +Plus | No Half

Children love magic, and they really love learning and performing it! Carroll Baker's classes are a great way for your child to have fun learning to become

an amazing magician, performer, and presenter. Beyond the entertainment value, magic helps improve digital dexterity, coordination, visual perception, spatial relationships, critical thinking, creativity, public speaking skills, self-confidence, and imagination. Campers will learn how to perform easy modern day magic. On the last day of camp, we will perform on stage at the Friday Showcase.

## MinecraftEDU Explorations: Traveling into the Future / Robotics: Mission to Mars Rising 3-5 | Session 8 | Instructor: Engineering For Kids Staff Full (9a-4p) \$325 | No Half +Plus | No Half

Join us in an apocalyptic future, one where the earth has been ravaged by a series of natural disasters. Each day students rely on the engineering design process to solve a series of challenges such as building a city on a series of islands, escaping from a bunker on Mt. Everest, and even building a rocket to land on the moon! Through application of engineering principles, students solve numerous challenges as they make their virtual world of Minecraft a safe place for humanity once again. WHY STOP THERE? Let's hop on over to Mars while we're at it!! During the LEGO® Robotics Mission to Mars program, students design and program robots to explore an unknown planet, find safe shelter, and collect soil samples from the planet. Students use LEGO® Robotics and computers to learn principles of robotics, computer programming, and teamwork.

#### Movement Improvisation: Body, Effort, Shape, and Space

Rising K-4 | Session 6 | Instructor: Sarah Dove

Full (9a-4p) \$260 | Half +Plus (9a-1:30p) \$160 | Half (9a-11:30a) \$130 This class will focus on the possibility for movement to become a communication device for displaying our interpretation of other expressive creative forms such as poetry, music, visual art, and fictional stories. We will learn to use the space around us as a canvas that will allow our bodies to move through it in a way that says something words just can't say. Our goal will be to produce a collaborative impression of one or more creative forms that can be discussed and performed at the end of the week! Students are required to wear comfortable, moveable clothing, and socks or soft dance shoes. A water bottle is also recommended.

#### **Musical Theatre Camp**

Rising K-3 | Session 5 (M-T, R-F) | Instructor: Andrew Marotte Full (9a-4p) \$230 | No Half +Plus | No Half

Do you LOVE to sing, dance, and act? Come join the adventure into the world of musical theatre! In this exciting camp, you will have a blast learning vocal technique, acting with theatre games, and creative dance movement. We will even create our own props during craft time that we will use during our performance at the Friday Showcase!

#### **Musical Theatre Song and Dance**

Rising K-4 | Session 1 (M-W, F) | Instructor: Sarah Dove Full (9a-4p) \$220 | No Half +Plus | No Half

Do you love to sing? Do you love to dance? If you've answered yes to these questions, this is the camp for you. This camp will allow students to learn song and dance from some of Broadway's favorite musicals while giving everyone a sneak peek into the fun and fast-paced world of musical theatre performance. We'll explore a fusion of acting, singing, and dancing while learning techniques used by some of the best performers on Broadway today. Come join in the fun, and learn something special! **Socks or soft dance shoes and a water bottle are required for this class.** 

#### **National Treasure Hunt**

Rising 3-5 | Session 5 (M-T, R-F) | Instructor: Little Scholars Staff Full (9a-4p) \$260 | Half +Plus (9a-1:30p) \$160 | Half (9a-11:30a) \$130 Celebrate Independence Day with the ultimate treasure hunt. Unravel mysteries, crack clues, and decode cyphers to unlock the secrets to our nation's history. Learn to solve a variety of complex coded puzzles as you delve deep into the symbols of our past. Who will be the first to claim the treasure?

#### Nerf It Up!

Rising 3-5 | Session 2 | Instructor: Joel Reed Full (9a-4p) \$380 | No Half +Plus | No Half

This camp is perfect for anyone with enough energy to survive. We'll be using two types of Nerf blasters during this roundhouse blast of fun! Put on your safety glasses, load up with some darts, and get ready for action! You'll battle as an individual and with teams. Get ready to play capture the flag, single elimination, and yes, even the HUNGER GAMES! We only stop to refresh with some water and strategize the best ways to win! Nerf blasters, darts, and eye protection are provided. Plus, you get to take home the Nerf gear at the end of the week! You must be able to run, duck, and cover during this intense week! *Course fee includes all Nerf gear that students get to take home at the end of the week.* 

#### **Prospectors Mystery Rock**

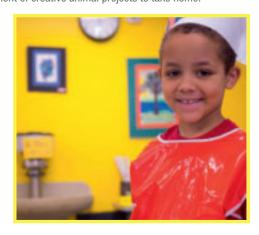

Rising K-4 | Session 5 (M-T, R-F) | Instructor: Sciensational Workshops Staff Full (9a-4p) \$250 | No Half +Plus | No Half

You are going to be a prospector (you know those people who were always looking for gold). In this workshop, you will get to excavate for valuable gems, fascinating rocks, and some ancient fossils. All are yours to keep! What hidden wonders will you find? The identities of ten specimens found in your Mystery Rock will be kept a secret from you. You will experience the thrill of discovery, much as prospectors did, using an excavation tool, specimen brush, log book, sorting trays and labels. Your specimens are in a hard clay material, the same as prospectors found, and you will have to remove them without breaking or scratching them. As a prospector, you will also record the color, wet and dry texture, and its ability to float for each of your ten specimens. Make an educated guess with our help to whether each one is a rock, gem, or fossil and then students will learn the exact names and classifications. Join Sciensational Workshops' way of learning where it is hands-on fun!

#### Ready, Set, Sculpt Animals!

Rising K-4 | Session 4 | Instructor: Rachelle Smith

Full (9a-4p) \$285 | Half +Plus (9a-1:30p) \$175 | Half (9a-11:30a) \$145 | In this week-long adventure, campers will explore a wide variety of media to construct 3D animals. Materials will include clay, paper mache, and other sculpting materials. Campers will have the opportunity to make an assortment of creative animal projects to take home.

#### Recipes for Dollie & Me

Rising K-2 | Session 8 | Instructor: Young Chefs Academy Staff Full (9a-4p) \$295 | No Half +Plus | No Half

Bring your historical, contemporary, or any favorite doll and get ready for an exciting week of cooking, crafting, and exploring the history of a specific doll's story and focus on their particular time period. The week will be filled with making new memories, meeting new friends and will conclude with a tea party for campers and their dolls!

#### Science and Sports

Rising 3-5 | Session 8 | Instructor: Denise Brooks
Full (9a-4p) \$260 | Half +Plus (9a-1:30p) \$160 | Half (9a-11:30a) \$130
Did you know that a passion for sports can be transformed into a love of physics, anatomy, biology, and chemistry? During this fun-filled week, students will use the scientific method to learn the science behind the sports that they love. Students will spend time exploring and creating scientific investigation that will build their love of science.

#### Songs and Stories-Raffi and More!

Rising 1-3 | Session 4 | Instructor: Bill Walker Full (9a-4p) \$275 | No Half +Plus | No Half

Songs of whales, stories of dragons, and art and dance to tie them all together. We will learn songs and tales of many places and times from ancient Celtic tunes to modern day children's entertainers like Raffi. Each day will include generous helpings of singing, dancing, drumming, making art, and participating in storytelling. We will also make audio and video recordings of our activities and learn a bit about the technologies involved.

#### Storybook Sewing

Rising K-2 | Session 7 | Instructor: Helma Groot Full (9a-4p) \$290 | No Half +Plus | No Half

Each day we start with a new storybook and base our sewing projects on characters in the story. You will learn to sew by hand, make your own stuffed animals, create patterns, and sew on buttons (parents appreciate this skill). You'll use your new skills to make capes, magic wands, pillows, hats, bags, doll clothes, and more. We'll also write our own stories, paint, weave, and draw. Students have a chance to share their many amazing creations on stage at the Friday Showcase.

#### String Explosions!

Rising 3-5 | Session 5 (M-T, R-F) | Instructor: Bill Walker Full (9a-4p) \$220 | No Half +Plus | No Half

Join us for a week of intensive focus on string playing! Enhance your technical skills and musicality on violin, viola, and cello, through various styles of playing including Celtic, Old Time, Jazz and Blues. Learn tunes, learn to create chord accompaniments, explore chop technique, learn to improvise on simple tunes, and compose new ones. We will explore double stops, cuts, rolls, slides, trills, and simple shifting. By the end of the week, we will record everything on high quality digital recording equipment and produce an online album of all of our work. This camp is appropriate for students with moderate music reading skills and at least one year of beginning string classes or lessons. Students are required to bring their own instrument.

#### **Super Sleuths**

Rising 3-5 | Session 9 | Instructor: Little Scholars Staff
Full (9a-4p) \$320 | Half +Plus (9a-1:30p) \$190 | Half (9a-11:30a) \$160
Get out your magnifying glass and detective hat as we have clues to
decipher and crimes to solve. We'll put our critical thinking skills and STEM
knowledge to the test and get to the bottom of mysteries by learning the
tricks real investigators use to solve cases. While experimenting with simple
detection techniques, your reasoning skills will grow, and your problem
solving skills will become better than CSI agents.

## Superheroes: A Creative Drama Adventure! Rising K-2 | Session 3 | Instructor: Michelle F. Cornell

Full (9a-4p) \$260 | No Half +Plus | No Half

Students who crave adventure will be thrilled by this high energy creative

drama workshop! They will develop original superhero characters inspired by classic comics and popular films. They will play these characters and others as they create a fun-filled, high stakes adventure full of action and suspense! Each day students will explore acting, movement, and improvisation activities which they can use to define their characters and inform the creation of their play. They will also make simple superhero capes, props, and scenic elements from household items provided by the instructor. On the final day, the week culminates with an in-house presentation for family and friends, and our superheroes will also display their awesome powers during the Friday Showcase, providing two opportunities for you to come and watch your child perform. *Participants are welcome to share personal superhero items from home including appropriate comic books and literature. Please wear comfortable clothing and no flip-flops, please.* 

#### **Techie Camp: 3D Printing**

Rising 2-5 | Session 8 | Instructor: TECH CORPS Staff Full (9a-4p) \$385 | No Half +Plus | No Half

Techie Camp programs are designed to engage students in hands-on, interactive STEM-related activities. Students take a deep dive into subject matter and emerge with skills that are useful in

today's classroom and tomorrow's workplace. In 3D Printing, students will learn how to generate 3D models using a computer-aided design (CAD) software. By the end of the course, students will be able to utilize their knowledge to print an alien life-form of their own design.

#### **Techie Camp: Robotics**

Rising 2-5 | Session 9 | Instructor: TECH CORPS Staff Full (9a-4p) \$385 | No Half +Plus | No Half

Techie Camp programs are designed to engage students in hands-on, interactive STEM-related activities. Students take a deep dive into subject matter and emerge with skills that are useful in today's classroom and tomorrow's workplace. Students will try their hands at basic engineering and programming. They will expand their logical and mechanical thinking skills as they work in teams to design and implement the ultimate robot. Students will discover their inner creativity while developing their ability to troubleshoot dilemmas as they interact with the Lego Mindstorms EV3 components.

#### **Ukulele Madness: Play and Sing!**

Rising 3-5 | Session 6 | Instructor: Bill Walker Full (9a-4p) \$335 | No Half +Plus | No Half

Join the ukulele craze! We will learn basic chords, melodies, strumming and picking patterns, bass lines, and beginning blues lead playing. Song material will include traditional folk songs, blues, and contemporary songs in a variety of styles. We will learn to coordinate playing and singing at the same time. By the end of the week, we will record everything on high quality digital recording equipment and produce a CD or online album of all of our work. Course fee includes cost of ukulele that students get to take home at the end of the week.

#### Where in the World is...? Virtual Trips to 5 Continents

Rising K-2 | Session 10 | Instructor: Sesan Badejo, Ph.D.
Full (9a-4p) \$260 | Half +Plus (9a-1:30p) \$160 | Half (9a-11:30a) \$130
Using audio-visual methods, students will explore important landmarks including pyramids, lighthouses, towers, museums, and opera houses in a few countries in each continent. Then we will select a very prominent landmark in each continent for detailed study with age-appropriate information about its origin, condition, and relevance today. We will create a model of each of the landmarks using a variety of art materials. Students will also create a summary book where they will write about the landmarks and illustrate with relevant pictures. Each day of the program will be dedicated to a specific continent and the selected landmark for that continent. **Students** are required to pack a nut free lunch each day.

#### Where in Time are We?

Rising K-4 | Session 3 | Instructor: Jessica Espasandin Full (9a-4p) \$270 | No Half +Plus | No Half

Summertime got you down? Tired of the same old neighborhood, same old camp? Ever consider TIME TRAVEL? Join us on a week-long exploration of world history using the latest in time travel technology (created by YOU!) Ancient civilizations? We've got that. Dark Ages? We've got that, too. Dinosaurs? (gulp!) Bring your sense of adventure and your imagination! Here we go!

#### **Work and Play with STEAM**

Rising 3-5 | Session 4 | Instructor: Michelle Schroeder
Full (9a-4p) \$270 | Half +Plus (9a-1:30p) \$165 | Half (9a-11:30a) \$135
Explore the world of Science, Technology, Engineering, Art and Math with the freedom to fail and reimagine, redesign, and try again. We work in teams and individually to complete thoughtful challenges in a variety of settings with the help of engineers from Ohio State University, US Sailing Camp, and the Byrd Polar Research Center. Let's have fun and learn together.

#### Young Engineer's Cornucopia

Rising 2-5 | Session 7 | Instructor: SIMPLR STEAM Playground Staff Full (9a-4p) \$295 | No Half +Plus | No Half

The SIMPLR approach to inspiring children to pursue engineering is through learning, building, and playing. This camp will introduce students to various technologies that inspire awe and curiosity such as drones, 3D printing, programming, robotics, virtual and augmented realities, and more. Through exciting, hands-on activities, we'll begin to understand how engineers use these technologies to solve problems and to make the world a better place.

#### **Young Superstar Academy**

Rising 1-4 | Session 8 | Instructors: Amy McLaughlin & Michelle Schroeder Full (9a-4p) \$290 | No Half +Plus | No Half

Does your child have the Broadway itch? Do they sing along constantly to Disney tunes and pop stars in the car? Do they enjoy being a ham? Then look no further! Mrs. Michelle Schroeder and Mrs. Amy McLaughlin will present a one-week workshop that brings together all of the elements of theatre, dance, and music, in a caring, supportive, and fun environment. Children in grades 1-4 of all talents and experience are called to come together to learn all aspects of musical theatre. First time budding actors and actresses will be nurtured along as they gain confidence, and experienced young thespians will be challenged to stretch their talents. All participants will receive training in acting, basic stage make-up and/or costuming, dance and stage movement, expression, and singing both individually and in a group. In our grand finale on Friday afternoon, all participants will perform in our special mini-musical!

#### **Young Thespians Acting Camp**

Rising 2-5 | Session 2 | Instructor: Mckenzie Vaughn Full (9a-4p) \$260 | No Half +Plus | No Half

In Young Thespians Acting Camp, students will learn how to have strong stage presence, great reading skills, improvisation skills, and character development. Students will immerse themselves during the week in fun theatre games, great concentration games, and interactive warm up activities. Students should wear comfortable clothing and closed-toe shoes that are good for moving in. No flip flops.

#### **Athletics & Sports Clinics**

#### **Artistic Swimming: A Synchronized Swimming Experience**

Rising 1-6 | Session 7, 9 | Instructor: Ohio Coralinas Synchro Staff Full (9a-4p) \$285 | Half +Plus (9a-1:30p) \$175 | Half (9a-11:30a) \$145 Swimming, Dance, and Gymnastics - Synchronized Swimming combines all three of these great activities into one fun experience! Using games, props, and music, we will explore the artistic side of swimming. During the course of the week, campers will learn synchronized swimming skills, all while putting together a special water show to be performed on Friday for parents and friends! Campers should be able to swim the length of the pool (approximately 25 yards) unassisted and be comfortable in the deep end.

#### Boys' Baseball PM Clinic / Sports & More AM Camp

Rising 3-8 | Session 2

Clinic Instructor: Tyler Kuhn / Sports & More Instructor: Tyler Verhoff
Clinic Only (1:30p-4p) \$170 | Clinic +Plus (11:30a-4p) \$200 | Full (9a-4p) \$285
Join us for a week full of baseball fun! As a former professional baseball
player and NCAA All-American, Tyler Kuhn will be sharing the knowledge he
has gained through his years of playing and coaching in an action-packed
week for players of all skill levels. Players can expect to improve their
fundamental skills through various drills and simulated game situations on
Columbus Academy's baseball field. It will be a week filled with learning and
fun! Participants are required to bring their own baseball glove, water
bottle, and sunscreen. Cleats and baseball bats are optional.
Please Note: To make a full day schedule, Sports Clinics can only
be paired with our Sports & More program or another Sports Clinic
occurring in the same week. Please see page 28 for the Sports & More
class description.

#### Boys' Basketball PM Clinic / Sports & More AM Camp

Rising 3-8 | Session 3

Clinic Instructor: Jeff Warstler / Sports & More Instructor: Tyler Verhoff
Clinic Only (1:30p-4p) \$170 | Clinic +Plus (11:30a-4p) \$200 | Full (9a-4p) \$285
The Columbus Academy basketball program will once again host its clinic
for all boys entering third through eighth grade. We encourage participation
from young men with positive attitudes who are interested in having a great
time, improving their skills, and learning more about playing this ultimate
team game! Through a combination of drills, stations, and individual and
team games, boys' head basketball coach Jeff Warstler, members of the CA
coaching staff, special guest speakers, and players from the CA basketball
program will teach the basic yet crucial fundamentals of basketball, namely
ball handling, passing, shooting, and defense. *Participants are required to*bring a nut free snack, water bottle, and towel.

Please Note: To make a full day schedule, Sports Clinics can only be paired with our Sports & More program or another Sports Clinic occurring in the same week. Please see page 28 for the Sports & More class description.

#### **Chiller Intro to Ice Skating**

Rising K-5 | Session 9, 10 | Instructor: Chiller Staff Full (9a-4p) \$350 | No Half +Plus | No Half

This camp will introduce your child to ice skating, no experience required! In addition, this camp will engage them in fun activities, games, and projects related to ice skating. Camp includes at least two hours of

ice skating per day instructed by our professional skating coaches. Off-ice activities include indoor and outdoor games, projects related to skating, as well as guest appearances by local experts. Your child will receive a skating evaluation at the end of camp. **Students are required to pack a peanut and tree nut fee lunch each day.** 

# This is a traveling/off-site program.

#### Columbus Crew SC Soccer AM Clinic / Sports & More PM Camp

Rising K-5 | Session 3

Clinic Instructor: Columbus Crew SC Player Development Staff Sports & More Instructor: Tyler Verhoff

Clinic Only (9a-11:30a) \$170 | Clinic +Plus (9a-1:30p) \$200 | Full (9a-4p) \$285 Columbus Crew SC Developmental Camps focus on player development through a core foundation of soccer skills in a challenging and fun learning environment. By promoting maximum touches on the ball, incorporating professional instruction, teaching challenging new exercises and guiding competitive, small-sided games, the Crew SC camp staff will help each player broaden their skill set and discover a love for the sport of soccer. A wide range of technical training exercises will be incorporated including dribbling, passing, receiving, and finishing.

Please Note: To make a full day schedule, Sports Clinics can only be paired with our Sports & More program or another Sports Clinic occurring in the same week. Please see page 28 for the Sports & More class description.

#### **CrossFit for Kids**

Rising K-5 I Session 5 (M-T, R-F) I Instructor: Matt Wilson / CrossFit New Albany Full (9a-4p) \$230 | Half +Plus (9a-1:30p) \$145 | Half (9a-11:30a) \$115 | This program will focus on moving properly with movements such as squats, lunges, jumps, push ups, pull ups, and running. Our goal is to help each child reach their potential in a fun and challenging environment. Our coaches are trained to be able to work with a mixture of athletes with specific goals to those just looking to be fit and have fun. Fitness games and nutrition tips will also be incorporated throughout the week.

#### Football AM Clinic / Sports & More PM Camp

Rising K-5 | Session 2

Clinic Instructor: Chuck Simpson / Sports & More Instructor: Tyler Verhoff Clinic Only (9a-11:30a) \$170 | Clinic +Plus (9a-1:30p) \$200 | Full (9a-4p) \$285 Join Columbus Academy coaches for a week of football fundamentals and learn more about how to play the game of football. You will learn the proper technique for throwing, catching, and kicking a football, as well as the basic skills required to play various offensive and defensive positions. Once you have been through this clinic, you will have a better understanding of the game of football. *Recommended attire is shorts and t-shirts, and participants are required to wear athletic shoes; cleats and mouthpieces are optional.* 

Please Note: To make a full day schedule, Sports Clinics can only be paired with our Sports & More program or another Sports Clinic occurring in the same week. Please see page 28 for the Sports & More class description.

#### **Fun-Chucks**

Rising 2-4 | Session 2 | Instructor: Jared Circle/ Koguryo Martial Arts Rising 3-5 | Session 9 | Instructor: Jared Circle/ Koguryo Martial Arts Full (9a-4p) \$275 | Half +Plus (9a-1:30p) \$175 | Half (9a-11:30a) \$145 Jump up, kick back, whip around, and SPIN! Fun-Chucks camp combines great FUN with SAFE Nunchuks training! We will learn some great nunchaku skills for fun and defense and learn a little about the history of this farm tool turned weapon of defense. Students will get their own foam safety training 'chucks to keep working on their skills after camp and will get a chance to perform what they have learned on stage at the Friday Showcase. *Course fee includes the cost of Nunchuks.* 

#### **Fundamentals of the Game**

Rising 3-5 | Session 3 | Instructor: Luke Barricklow
Full (9a-4p) \$260 | Half +Plus (9a-1:30p) \$160 | Half (9a-11:30a) \$130
Students will learn the fundamentals of several different sports. They will be able to play a variety of sports including soccer, basketball, football, baseball, tennis, golf, volleyball, and lacrosse. During each day, they will be taught all of the different skills needed to play each sport through various drills, games, and fun competitions. Students will culminate each day with live games in their respective sports.

#### Girls' Basketball PM Clinic / Sports & More AM Camp

Rising 2-8 | Session 1 (M-W, F)

Clinic Instructor: JoAnne Adams & Heather Gepper

Sports & More Instructor: Tyler Verhoff

Clinic Only (1:30p-4p) \$135 | Clinic +Plus (11:30a-4p) \$165 | Full (9a-4p) \$230 She shoots, she scores! Be a basketball star at CA. This girls' basketball clinic will involve learning and utilizing fundamental basketball skills. Girls will learn and practice ball skills, shooting skills, and basic fundamental principles in various drills and game situations. The clinic is designed for experienced players to improve on their skills, as well as for beginners to learn about the game of basketball. Come on in and see just how fun and rewarding basketball can be!

Please Note: To make a full day schedule, Sports Clinics can only be paired with our Sports & More program or another Sports Clinic occurring in the same week. Please see page 28 for the Sports & More class description.

#### Girls' Field Hockey AM Clinic / Sports & More PM Camp

Rising 2-8 | Session 1 (M-W, F)

Clinic Instructor: JoAnne Adams / Sports & More Instructor: Tyler Verhoff
Clinic Only (9a-11:30a) \$135 | Clinic +Plus (9a-1:30p) \$165 | Full (9a-4p) \$230
We are excited to announce that this year's clinic is back at Columbus
Academy. We are thrilled to use the beautiful Carlin Fields at CA. Be a part
of the tradition at Columbus Academy by playing the sport of field hockey
from State Championship winning coaches and top notch players. This clinic
is a great way to learn the dynamic sport of field hockey. Clinic sessions are
creatively designed for both beginning and intermediate players. We strive
to teach the hockey basics: dribbling, passing, receiving, pulls, dodges,
and more for younger players while preparing older girls for middle school
competition. It doesn't matter if you are a first year player or an experienced
middle school veteran, we will help you improve your game! We can't wait

to share our love of the game on the turf fields at CA this summer. If you need to purchase equipment, please contact Coach Adams at Adams@columbusacademy.org.

Please Note: To make a full day schedule, Sports Clinics can only be paired with our Sports & More program or another Sports Clinic occurring in the same week. Please see page 28 for the Sports & More class description.

#### Girls' Volleyball AM Clinic / Sports & More PM Camp

Rising 2-8 | Session 4

Clinic Instructor: Heather Gepper / Sports & More Instructor: Tyler Verhoff Clinic Only (9a-11:30a) \$170 | Clinic +Plus (9a-1:30p) \$200 | Full (9a-4p) \$285 Come join the fun with the lifetime sport of volleyball! This is a great way to introduce young children to volleyball by using team building activities and learning valuable skills. Come check out just how fun volleyball can be! In this program, girls will learn how to pass, set, hit, serve, and play in group situations. There will be coaches, as well as Columbus Academy Upper School players assisting the younger participants.

Please Note: To make a full day schedule, Sports Clinics can only be paired with our Sports & More program or another Sports Clinic occurring in the same week. Please see page 28 for the Sports & More class description.

#### **Gym Skills: Acrobatic**

Rising 3-5 | Session 7 | Instructor: Gym Skills Staff
Full (9a-4p) \$285 | Half +Plus (9a-1:30p) \$175 | Half (9a-11:30a) \$145
Acrobatic gymnastics combines dance, gymnastics, skills, and
synchronization. In this camp, athletes will be working together to create
pyramids and other balancing acts! We start at the beginner level and work
up with the athlete's confidence. Athletes will also work on their tumbling
and basic gymnastics skills. Acrobatic camp teaches core fundamentals in
choreography, agility, balance, strength, and grace!

#### **Gym Skills: Cheerleading**

Rising 3-5 | Session 1 (M-W, F) | Instructor: Gym Skills Staff
Rising K-2 | Session 5 (M-T, R-F) | Instructor: Gym Skills Staff
Full (9a-4p) \$230 | Half +Plus (9a-1:30p) \$145 | Half (9a-11:30a) \$115
Come join Gym Skills Cheerleading for an exciting cheerleading program!
Have fun while learning the moves of real high school and college
cheerleaders. You will learn motions, jumps, chants, cheers, and a dance in
a non-competitive environment from an instructor who is a former college
cheerleader and current coach. You will leave camp with a heart full of spirit
and a head full of memories!

#### **Gym Skills: Gymnastics**

Rising K-2 | Session 8 | Instructor: Gym Skills Staff
Full (9a-4p) \$285 | Half +Plus (9a-1:30p) \$175 | Half (9a-11:30a) \$145
Come join Gym Skills Gymnastics for an awesome gymnastics and fitness
program! Have fun with handstands, cartwheels, backbends, handsprings,
and more in a non-competitive environment. We will start by warming up
and stretching to keep our bodies safe, then learn about different kinds
of balances, use all kinds of equipment, and experiment with springs and
landings. On Friday, we will visit the Gym Skills facility located in Gahanna!
Children will work on gymnastics activities such as a trampoline, loose foam
pit, cargo net, beam, rings, spring floor, and more. Your child will walk out of
class feeling like a winner!

#### **History and Sport of Archery**

Rising 3-5 | Session 4, 6 | Instructor: Charles Brodhead Full (9a-4p) \$290 | Half +Plus (9a-1:30p) \$175 | Half (9a-11:30a) \$145 | Humans have used archery since the dawn of time; first for hunting, then for warfare, and in modern times, for sport. There are many occasions when archery has changed the course of history; not many Olympic sports can claim this grand heritage. Campers will experience first-hand one of our oldest sports through daily study, practice, and challenges.

#### Jedi Camp

Rising 2-5 | Session 8 | Instructor: Royal Arts Fencing Academy Staff Full (9a-4p) \$285 | No Half +Plus | No Half

Now is your chance to be a Jedi or Sith. This Star Wars themed week lets you into the world of Star Wars and lightsaber combat. We use safe weapons and fencing masks for protection. All equipment is provided and classes are taught by professionally trained fencing and martial art coaches. **Students are required to wear athletic shoes and socks.** 

#### **Korean Martial Arts**

Rising K-4 | Session 6 | Instructor: Jared Circle/ Koguryo Martial Arts Rising 3-5 | Session 8 | Instructor: Jared Circle/ Koguryo Martial Arts Full (9a-4p) \$300 | Half +Plus (9a-1:30p) \$200 | Half (9a-11:30a) \$170 Campers will get a solid foundation and introduction to various martial arts systems from Korea including Tang Soo Do, Hap Ki Do, and more! In addition to martial arts training, lessons on Korean culture, history, geography, and language will be a part of the course. All participants will receive a uniform and will be given the option to demonstrate what they have learned in the Friday Showcase, including board breaking! Students should bring a water bottle, nut-free snacks, and shoes that are easy-on-easy-off as we train traditional style, in our bare feet. Course fee includes cost of uniform.

#### **Learn to Sail**

Rising 3-5 | Session 6, 10 | Instructor: Hoover Sailing Club Staff Full (9a-4p) \$325 | No Half +Plus | No Half

Hoover Sailing Club has offered sailing instruction for Central Ohio youth for over 45 years. Your child will experience the joy of skippering a dinghy from our fleet during his or her very first lesson. Our experienced US Sailing certified staff will teach basic safety and boat skills. Your child will learn to sail up-wind, down-wind, tack, jibe, and recover from a capsize. Our picturesque property and remodeled facilities will provide your youngster with a week he or she will remember for years to come. Students are required to pack a peanut and tree nut free lunch, and bring your own USCG approved life jacket. Sailing is a very physical activity; occasional bumps and bruises can occur. Please advise your child's counselor if there are any issues of which we might need to be aware. A Hoover Sailing Club release form is also required for every participant and will be distributed via email before camp begins.

This is a traveling/ off-site program.

#### Move Well!

Rising K-4 | Session 5 (M-T, R-F) | Instructor: Leah Kaiser Full (9a-4p) \$210 | Half +Plus (9a-1:30p) \$135 | Half (9a-11:30a) \$105 | Learn to be well and move well! Through this activity-based camp, students will learn about wellness and the different areas or dimensions that make up their well-being. Each morning we will begin with a warm-up using canned goods of corn and baked beans for weights (yum!)! Throughout the week, we will play different games (think Survivor and Amazing Race) while learning about nutrition, exercise, mindfulness, volunteering, and also exercising our brains. At the end of the week, we'll take a field trip to a local food pantry to

learn more about the pantry and donate our weights (canned goods). Don't wait, sign up to join the fun!

#### **Olympic Fencing**

Rising 2-5 | Session 7 | Instructor: Royal Arts Fencing Academy Staff Full (9a-4p) \$285 | No Half +Plus | No Half

Have you ever wanted to be Zorro, d'Artagnan, the Dread Pirate Roberts, Captain Jack Sparrow, Robin Hood, or a Jedi Knight? Learn the noble art of fencing, including information about swords, moves, competitions, and future opportunities for Fencing Sport Scholarships. This course is specially created for participants of all fencing and athletic levels. On Friday, students will participate in a real fencing tournament! Fencing equipment is provided. **Students are required to wear athletic shoes and socks.** 

#### Once Upon a Time at Fairy Tale Farm

Rising K-2 | Session 2, 6 | Instructor: Fairy Tale Farm Staff Full (9a-4p) \$350 | No Half +Plus | No Half

This camp is a real fairy tale! Campers will spend the week at the 30-acre Fairy Tale Farm. Campers will create their own fairy tale book by recording their daily adventures at the farm. Each day campers will have a lesson in horse safety, a mini riding lesson, participate in an educational craft or activity, and learn about the tack and equipment. There is even a scavenger hunt! Campers must wear closed-toe shoes and long pants to ride and may pack shorts to change into after riding. Students are required to pack a nut free lunch each day and bring plenty of water.

This is a traveling/ off-site program.

#### **Royal Knights of Fairy Tale Farm**

Rising 3-5 | Session 4 | Instructor: Fairy Tale Farm Staff Full (9a-4p) \$350 | No Half +Plus | No Half

This camp is a knight's tale! Campers will spend the week at the 30-acre Fairy Tale Farm and learn about how horses were used in medieval times. Campers will have a daily mini riding lesson, a lesson in horse safety, participate in an educational craft or activity, and learn about the tack and equipment. We will have a jousting expert to show us how knights used their swords on horseback for sport! *Campers must wear closed-toe shoes and long pants to ride and may pack shorts to change into after riding. Students are required to pack a nut free lunch each day and bring plenty of water.* 

**➡** This is a traveling/ off-site program.

#### **Skateboarding**

Rising K-4 | Session 2 | Instructor: Chris Higgins Rising 5-9 | Session 3 | Instructor: Chris Higgins Full (9a-4p) \$295 | No Half +Plus | No Half

Come join us and learn the basics and more of skateboarding, one of the fastest growing sports in the world. While we will cover safety, equipment, and skateboarding etiquette, the emphasis will be on having fun and learning by spending as much time on our boards as possible. It doesn't matter if you are a first-time skater or a more experienced rider, this program will have something for everyone. Field trips to area skate parks will round out this exciting program. Skaters are required to wear a helmet and bring their own skateboards; knee pads and elbow pads are recommended.

#### Soccer AM Clinic / Sports & More PM Camp

Rising K-8 | Session 1 (M-W, F)

Clinic Instructor: Ron Leach / Sports & More Instructor: Tyler Verhoff
Clinic Only (9a-11:30a) \$135 | Clinic +Plus (9a-1:30p) \$165 | Full (9a-4p) \$230
No matter your level of experience in soccer, everyone will take home
valuable skills from this soccer clinic. Whether you are a beginner and
want to learn the basics or if you have already played organized soccer, we
can help take you to the next level. We will focus on the fundamentals of
soccer, basic individual skills, basic team tactics, instruction on the rules
of the game, and mini scrimmages. Each day of this clinic will provide
a fun learning environment about the game of soccer. If you need to
purchase equipment, please contact Coach Leach at Ron\_Leach@

columbusacademy.org.

Please Note: To make a full day schedule, Sports Clinics can only be paired with our Sports & More program or another Sports Clinic occurring in the same week. Please see below for the Sports & More class description.

#### **Sports & More**

Rising K-5 I Session 6, 8, 9 I Instructor: Tyler Verhoff & TBA Full (9a-4p) \$260 I Half +Plus (9a-1:30p) \$160 I Half (9a-11:30a) \$130 Throughout each week, we will be exploring a variety of athletic games such as ultimate kickball, whiffle ball, soccer, floor hockey, capture the flag, and much more. Campers will learn material about how to stay fit and take care of their bodies. Fun fact: Campers will walk/run a minimum of four miles per day! Our primary focus and goals for the summer will be good sportsmanship, good nutrition, fitness, cooperation, and, of course, fun!

Students are required to bring a water bottle and wear athletic shoes - no flip flops or sandals.

#### Tennis AM Clinic / Sports & More PM Camp

Rising 1-8 | Session 2

Clinic Instructor: Jeff Warstler / Sports & More Instructor: Tyler Verhoff
Clinic Only (9a-11:30a) \$170 | Clinic +Plus (9a-1:30p) \$200 | Full (9a-4p) \$285
Join Jeff Warstler of Columbus Academy for an intensive tennis
extravaganza! Tennis is not just a country club sport; it is fun for the whole
family! You will learn the fundamentals of tennis such as stroke production,
footwork, strategy, and an understanding of the court. Once you have been
through this clinic, you will have a better understanding of the sport and,
hopefully, a true love of tennis. *Participants are required to bring their*own tennis racket and water bottle.

Please Note: To make a full day schedule, Sports Clinics can only be paired with our Sports & More program or another Sports Clinic occurring in the same week. Please see the Sports & More class description on this page.

#### There is No "I" in Team

Rising 3-5 | Session 7 | Instructor: Luke Barricklow
Full (9a-4p) \$260 | Half +Plus (9a-1:30p) \$160 | Half (9a-11:30a) \$130
In this camp, students will learn how to work as a team both in team
building activities and team sports. Each day there will be several different
fun group activities where students will have the chance to work as a team
to complete various tasks and games as well as a scavenger hunt towards
the end of the week. Along with these endeavors, students will be able to
pick a certain team sport they want to play each day to utilize and put these

skills into practice. Options for the team sports may include whiffle ball, ultimate football, ultimate Frisbee, kickball, soccer, basketball, and volleyball. **Students are required to bring a water bottle and wear athletic shoes-no flip flops or sandals.** 

#### Wrestling AM Clinic / Sports & More PM Camp

Rising K-7 | Session 4

Clinic Instructor: Sean Silver / Sports & More Instructor: Tyler Verhoff Clinic Only (9a-11:30a) \$170 | Clinic +Plus (9a-1:30p) \$200 | Full (9a-4p) \$285 Want to learn about wrestling, one of the first and most popular sports in the world? This program gives children of any size or ability the chance to learn the basics of the sport in a safe and fun environment while also helping them with strength, flexibility, sportsmanship, and self-confidence. Wrestlers will receive their own headgear and will get to participate in a tournament followed by a medal ceremony at the end of the week. Each wrestler will be placed in a group appropriate to their age and skill level. Wrestlers are required to bring a water bottle; wrestling shoes and mouth guard are optional.

Please Note: To make a full day schedule, Sports Clinics can only be paired with our Sports & More program or another Sports Clinic occurring in the same week. Please see page 28 for the Sports & More class description.

### Swimming Lessons

#### **Greater Columbus Swim School**

Rising K-8 | Session 1-10 | Instructor: Greater Columbus Swim Team of Ohio 8a-9a and/or 4p-5p \$65/week (Sessions 1 and 5: \$52/week)

The Greater Columbus Swim Team of Ohio teaches Columbus Academy instructional swim lessons in a fun, yet challenging atmosphere. Swim lessons will take place at Columbus Academy Pool on CA's campus. The pool depth ranges from 3ft – 10ft. Participants are observed and placed in appropriate levels according to their current skill level. They engage in the fundamentals of swimming most appropriate for their ability. Swimmers will be consistently monitored for skill acquisition in order to ensure that they are continually challenged in the pool as their skill level increases. Beginning swimmers will learn the most basic skills needed to become selfsufficient in the water, while swimmers with slightly more advanced skills will be progressed through a series of eight levels, focusing on the proficient acquisition of all four of the competitive swimming strokes (those used in the sport of swimming). Participants will receive a skills accomplishment report at the end of each weekly session. Swimmers will have a great time, will be challenged, and will learn valuable skills. *This program can be added to* any week's programming. There is a maximum of 16 children per time slot and spaces fill quickly. Please see the Lower School registration form and check the appropriate time that fits with your schedule.

## **ONLINE REGISTRATION**

## You can...

- Filter classes by grade, program title, or session
- · View current class availability
- · Pay by credit card or e-check

## 7 Simple Steps!

- 1. Visit www.columbusacademy.org
- 2. From the menu bar, select School

  Life, followed by Summer Experience
- 3. Click Online Registration
- Create a My Backpack Account
   If you have an account from previous years or you are
   a current CA family, use your login information.
- Click the link to begin a 2018 registration
- Complete student biographical and medical information, then select classes
- 7. Pay online and submit classes

Please note that registration is not complete until payment is received. Submitting classes without payment does not reserve space in a class.

#### **HOURS OF OPERATION** Before Care 7:00 am - 8:30 am Pre-K Half Day 8:30 am - 11:30 am Pre-K Half +Plus 8:30 am - 1:30 pm Pre-K Full Day 8:30 am - 4:00 pm Rising K-9 Check-in 8:30 am - 9:00 am Rising K-9 Half Day 9:00 am - 11:30 am Rising K-9 Half +Plus 9:00 am - 1:30 pm Rising K-9 Full Day 9:00 am - 4:00 pm After Care 4:00 pm 6:00 pm

## JOIN US FOR OUR FAMILY ORIENTATION!

### **SATURDAY, APRIL 28TH 2-4PM**

Join us to get a first-hand look at the facilities and talk to CA staff supporting Lower School programming this summer.

Bring your children and enjoy interacting with teachers, get familiar with the space and partake in a few fun children's activities!

Summer Experience Director, Alyssa King, will also be there to answer any questions and lead you through an example day!

#### REGISTRATION DEADLINES AND FEE ASSESSMENT

Registration is not complete until payment is received. All fees are due at the time of registration. Deadlines are May 17, 2018, for sessions 1 through 5 and June 21, 2018, for sessions 6 through 10. Cancelations or changes made prior to the appropriate deadline will incur no penalty and will be refunded in full. Cancelations made after the deadline will be refunded at 25% of the program fee. If a cancelation is made after the camp's start date, there will be no refund issued. If late registrations are received after the deadline, camp fees increase by 10%. Changes to schedules made after the deadline will be charged a non-refundable fee of \$25 per child registered plus any difference in camp fees.

#### MIDDLE SCHOOL GENERAL INFORMATION

# Faculty, Staff and Sr. Counselors

CA Summer Experience employs current CA Faculty and Staff members as well as highly qualified outside sources as teachers of the Summer Experience programs. Sr. Counselors are typically local college students who have been hired after an extensive interview and training process. Sr. Counselors are assigned to camps each week and will accompany your child all day during their respective camp. CA Summer Experience also employs ample administrative staff to support daily programming.

#### Communication

Upon registration with full payment, you should receive a confirmation email from Summer\_Experience@columbusacademy.org with your child's class schedule and additional information. You can expect communication via email from your child's teacher the Friday prior to camp starting and the Wednesday during the respective camp week. If registration is received late, there may be a delay in this communication.

#### **Facilities**

A majority of programs are held on CA's beautiful 231-acre campus that consists of a six-lane indoor pool, computer labs with iMac computers, nature trails, outdoor classroom space, low ropes elements, eight tennis courts, Schoedinger Theatre seating 430, two full-length gymnasiums, a weight room, a ceramics studio, five art studios, three libraries, five playgrounds, eight science labs, four soccer fields, two turf fields, an all-weather track, a full service dining hall, three music rooms, and two baseball fields. The campus may be accessed from the West on Cherry Bottom Road or from the East via Beecher Road off of Hamilton Road. (Please refer to the campus map on the inside of the back cover.)

### **Field Trip and Off-Site Transportation**

Columbus Academy utilizes school bus rental as a means of transportation for field trips and off-site programs. All drivers have proof of credentials and background checks. CA also has a fleet of 7 passenger vans that will be used for smaller traveling groups. All drivers are employees of Columbus Academy and are van-certified.

#### Middle School Sample Daily Schedule

Check-in	8:30 am	_	9:00 am
AM Themed Programming	9:00 am	-	11:30 am
Lunch Rotation	11:30 am	_	1:30 pm
(Lunch / Free Choice Activity)			
PM Themed Programming (continued)	1:30 pm	_	4:00 pm

Note- Middle School Half and Half +Plus options would end at 11:30 am and 1:30 pm respectively; see below for more details.

### Half Day and Half +Plus Programs

Some programs offer a half day and half +plus option. Please see course listings for availability. Half day programs include the morning themed programming session from 9:00 am to 11:30 am. Half +plus programs include the morning themed programming from 9:00 am to 11:30 am PLUS lunch and free choice activity from 11:30 am to 1:30 pm. Half day and half +plus programs cannot be combined with other full, half, or half +plus programs.

# **Extended Care Programs**

Available on a pre-registration or drop-in basis, Before Care and After Care are held from 7:00 am to 8:30 am and 4:00 pm to 6:00 pm, respectively. Before Care offers a variety of quiet activities for your child as he or she gets ready for the day. After Care features exciting themed activities as well as

quiet places for children to explore and reflect on the experiences they have had at CA. *Parents MUST pick up their children from After Care by 6:00 pm. Parents that do not pick up their children by the end of After Care will be charged \$1.00 per minute beyond 6:00 pm.* If Before or After Care are not needed for the full week, proration is available by contacting our office at (614) 509-2267. Please understand there can be no proration for the combo pricing.

Before Care\$50 per week\$10 per dayAfter Care\$62.50 per week\$12.50 per dayBefore and After Care Combo\$85 per week5 day option only

Before / After Care is best accessed by parking in the Academy Hall Parking Circle near the main entrance to the school. Follow the **ORANGE** signage into the Theatre entrance of the Lower School to the Before / After Care room.

Parents must come into the After Care room and provide a photo ID to sign out their child each day.

#### Lunch

Lunch is provided by Columbus Academy's Dining Service for **most** of the programs and is built into the price of the camp for Sessions 1-9. Session 10 camps will <u>all</u> be required to pack a lunch as the Dining Hall will remain closed August 6-10. Most off-site camps require students to bring a lunch; please check individual course descriptions for lunch specifications. During Sessions 1-9, CA offers a hot main dish including vegetarian options, as well as a salad bar, pasta bar, and deli bar. We also do our best to accommodate all dietary requests / restrictions. Please contact our office if you have additional questions related to dietary concerns. Children are welcome to pack a lunch if they wish, but the lunch must be peanut and tree nut free. **Allergy Policy: Columbus Academy Summer Experience is peanut and tree nut free.** 

#### Daily Drop-off/Pick-up

There will be signage all around campus to help direct parking, as well as a color coded system to follow from the parking areas to help guide you to the correct entrance. Please see the CA campus map on the inside of the back cover for general parking information. Middle School will follow the BLUE signage.

Check-in for Middle School (rising 6th through 9th grade) programs is between 8:30 am and 9:00 am in the gym of the Athletic Complex and / or the Barton Room. Any change in the check-in area will be consistent throughout the week and communicated via email prior to the week of camp. Middle School parents / guardians should follow campus signage to the Middle School parking area (Parent Hall Parking Lot) and escort children into the building no earlier than 8:30 am on the first day of camp; children may be dropped off at the MS circle after the first day. There will be CA Staff available to help parents and students get to their check-in areas. Students will check-in directly with their Sr. Counselor inside the gym or Barton Room. Any student who arrives prior to 8:30 am and is not accompanied by an adult will be escorted to Before Care and charged the daily rate of \$10.

Pick-up is between 4:00 pm and 4:15 pm in the gym of the Athletic Complex and / or the Barton Room. Any change in the pick-up area will be consistent throughout the week and communicated via email prior to the week of camp. Parents or guardians will need to come into the gym and provide a photo ID to sign children out. If someone other than a parent / guardian will be picking up your child, and you have not completed an authorized pick up list, please see a staff member at drop-off. If your child is not picked up by 4:15 pm, he or she will be taken to After Care, at which time you will be charged the daily rate of \$12.50.

#### Late Drop-off/Early Pick-up

If it is necessary to drop off or pick up your child at any time other than the designated camp times, the Floating Counselor is available to help with these transitions. If you know this information ahead of time, you may write it on the sheet provided at the Help Desk outside the gyms. You may also contact the Floating Counselor any time during camp hours at 614-653-3117 to arrange a pick-up or drop-off. *Note: Early pick ups are not available after 3:30pm.* 

#### **Friday Showcase**

Some of our camps perform in our weekly Friday Showcase to share their new skills or creations with their parents and fellow campers. All parents/families are welcome to attend. These shows are held in Schoedinger Theatre and typically begin at 3:15 pm on Friday afternoons. Information regarding the Friday Showcase will be communicated via email and CA Summer Experience's Facebook page.

#### What to Wear/Bring

Campers should wear comfortable, weather-appropriate clothing and shoes, and should also consider bringing a bookbag, water bottle and sunscreen to camp each day. Please check the course descriptions to see if any other materials are needed for each individual program. If the student is planning to participate in free swim for their free choice activity, campers should also pack a bathing suit, towel and plastic bag for wet clothes. Should a child misplace an item, there will be a Lost & Found table located near the Athletic Complex lobby throughout the summer. Columbus Academy is not responsible for any lost personal items.

#### **Free Choice Activity**

Students participating in half +plus or full day programs on campus will have a free choice activity period before or after their lunchtime. Campers may choose from the following daily options: free swim, computer lab, outdoor free play, or quiet reading and crafting room. Children participating in the free swim option will need to bring a bathing suit and towel each day they wish to swim, along with a plastic bag for their wet clothes at the conclusion of swim.

#### **Electronics Policy**

With the increase in the technology around us, electronics are no longer prohibited at camp; however, we expect that these devices be put away unless specifically required for a camp or in the case of an emergency. We have designated screen time during Before and After Care for those who wish to participate. Check-in/out in the gyms will be strictly enforced as "no device zones".

#### **Discipline Action Plan and Termination**

Attendees who are found to bully or harass others will generally be subject to serious disciplinary action, including prohibition from further attendance. Children will receive one warning and CA Summer Experience reserves the right to remove any camper from our program for disciplinary reasons. If a child is removed for disciplinary reasons, there will be no refund.

#### **Important 2018 Policies**

Based on parental feedback and continuous improvement efforts, please note the following Columbus Academy policies:

# SPORTS CLINICS

- Sports Clinics are joining forces with a Sports & More camp to offer a consistent full day option.
- Sports Clinics can <u>not</u> be paired with a camp other than Sports
   More or another Sports Clinic to make a full day schedule.

#### **OTHER NOTABLE CHANGES**

- Check-in / out in the gyms will be strictly enforced as "NO DEVICE ZONES" to foster an environment of building relationships and encouraging children to interact with each other, counselors and teachers.
- Parents are required to show a photo ID every day to sign out their child from camp.
- For Session 10, <u>all</u> students will be required to pack a lunch; the Dining Hall will remain closed August 6-10.

#### FEES, CANCELATIONS AND DEADLINES

Course fees are located in the course descriptions and registration pages. Whether submitting a paper form or registering online, **registration is not complete until payment is received.** Cancelations or changes made prior to the appropriate deadline will incur no penalty and will be refunded in full. Cancelations made after the deadlines will be refunded at 25% of the program fee. Please understand that after these deadlines, we have made firm financial commitments to our faculty and staff, in addition to purchasing materials for the class. If a cancelation is made after the camp's start date, there will be no refund issued. Changes made to schedules after the deadlines will be charged a non-refundable fee of \$25 per child plus any difference in camp fees. If late registrations are received after the deadlines, camp fees increase by 10%.

**DEADLINES:** May 17th for Sessions 1-5 and June 21st for Sessions 6-10

# **MIDDLE SCHOOL SUMMER EXPERIENCE**

Programs are in alphabetical order and categorized by Academics, Arts & Sciences, and Athletics programming. The Middle School Registration Form is on page 51. Please note: "rising" indicates the grade your child will be entering in the 2018-2019 school year.

# **Academics**

#### A Way with Words: The Gift of Writing

Rising 6-9 | Session 6, 8 | Instructor: Chiquita Toure
Full (9a-4p) \$260 | Half +Plus (9a-1:30p) \$160 | Half (9a-11:30a) \$130
Are there treasures of creativity buried deep within you? Have you ever been deeply impacted by wonderful writings? Do you yearn to express your voice through the written or oral language to influence others? This camp offers an opportunity for every student to become empowered through the creative expression of the written word. Students will experience writing a variety of genres including free verse poetry, haikus, nested meditations, six word stories, memoirs (creative nonfiction), and description. Each student will learn specific techniques that focus on multisensory details and voice to illuminate their writings. Students can also choose to awaken their writings by performing them as a spoken word piece. At the end of the camp, students will create a compilation of student writings.

#### **Aim High Brain Fitness and Chess**

Rising 6-9 | Session 3 | Instructor: Ihab Ismail Full (9a-4p) \$290 | No Half +Plus | No Half

Your mind is a gift. Are you taking care of it? Discover how your mind learns from you, grows with you, and gives you back what you put into it. Your mind is your palace. Make it clean and sparkly. Have you ever played chess? Or perhaps you are a master? Chess is one of the great games of the mind. It is a game of creativity and memory. Join us for a week-long journey and explore the mind and the game of chess. Let us learn together and challenge each other.

# **Character Study - Creative Writing**

Rising 6-9 | Session 3, 7 | Instructor: Trinity Gephart
Full (9a-4p) \$260 | Half +Plus (9a-1:30p) \$160 | Half (9a-11:30a) \$130
Calling creative writers everywhere! Join me on a character study that will bring your static characters to life! The characters in books are the heart of a good story. It is important that as readers we can identify how characters evolve throughout a story and as writers we can create complex characters that evolve. Although our focus will be on characters, you will find that your story-writing abilities will improve as we journey through this character study.

#### **Egyptian History**

Rising 6-9 | Session 9 | Instructor: Nora Goss

Full (9a-4p) \$260 | Half +Plus (9a-1:30p) \$160 | Half (9a-11:30a) \$130 | In this class, students will learn all about ancient Egypt. From their writings, customs, and leaders to their architectural marvels. We will make our own hieroglyphic tablets, design our own tombs, and investigate other Egyptian treasures!

# **European Renaissance**

Rising 6-9 | Session 7 | Instructor: Nora Goss

Full (9a-4p) \$260 | Half +Plus (9a-1:30p) \$160 | Half (9a-11:30a) \$130 | In this class, we will learn all about the European Renaissance. We will analyze art and architecture from the time period, learn about important people of that time, and conduct our own research on famous inventors of the time period and their creations!

#### Fly with Chinese

Rising 6-9 | Session 5 (M-T, R-F) | Instructor: Na Li

Full (9a-4p) \$210 | Half +Plus (9a-1:30p) \$135 | Half (9a-11:30a) \$105 Have you ever wondered what it would be like to know another language? Come fly with Chinese! Join native Chinese instructor, Na Li, on this weeklong journey through Chinese language and culture. Fly with Chinese is an authentic experience where your child will learn to speak and write Chinese as well as learn the culture of China. In the program, your child will experience hands-on activities such as Chinese calligraphy, Chinese paper folding and other crafts, dancing and music, Chinese chess, and Chinese sports.

#### Harry Potter's Defense Against the Dark Arts

Rising 6-9 | Session 2 | Instructor: Sarah Dove
Full (9a-4p) \$260 | Half +Plus (9a-1:30p) \$160 | Half (9a-11:30a) \$130
In the world around us, sometimes we witness injustice. Through an exploration of a similar moment of injustice in the Harry Potter series, campers will be encouraged to conjure up their own magic through the power of critical thinking in order to provide creative solutions to confronting injustice in the world around them. As a class, we will come up with a strategic flow chart for how the theme of the day could reach a solution that

#### **Harry Potter's Library**

Rising 6-9 | Session 9 | Instructor: Sarah Dove

would dissolve the darkness of injustice.

Full (9a-4p) \$260 | Half +Plus (9a-1:30p) \$160 | Half (9a-11:30a) \$130 | Have you ever found yourself wishing that you could be in the wizarding world of Harry Potter? Look no further! In this camp, students will be taking a closer look at the Harry Potter books in order to learn more about its characters and examine other popular stories that share similarities with the world of Harry Potter. Campers will explore what made Harry Potter so popular all over the world and will have the opportunity to examine cultural themes that reoccur in the series, such as compassion, bravery, unity, and determination. With each theme of the day, we will take a look at the books, films, and crafts that might be found inside the world of Harry Potter!

# **Introduction to Spanish**

Rising 6-9 | Session 1 (M-W, F) | Instructor: Mackenzie Hanna Full (9a-4p) \$210 | No Half +Plus | No Half

This class is for both beginners and those wishing to brush up on their Spanish language skills. Through games, crafts, videos, music, activities, and food, students will learn about the Spanish language and cultures. Students will go home with a great foundation in the language that will prepare them for beginning Spanish in school.

#### **Math Applications**

Rising 6-9 | Session 4, 6 | Instructor: Leslie Hill
Full (9a-4p) \$260 | Half +Plus (9a-1:30p) \$160 | Half (9a-11:30a) \$130
Have you ever asked what ratios and inequalities have to do with reallife? Come explore the answers to these questions when we learn how
the following are related: variability and quality assurance, areas of circles
and search and rescue, and ratios and cycling! Take part in this camp and
explore how these math skills are used in numerous careers. Campers will
enrich their math skills through games, selected activities, and interactive
websites. Students are encouraged to bring a programmable calculator
such as Texas Instrument TI-83 Plus or TI-84.

#### **Media Smarts**

Rising 6-9 | Session 5 (M-T, R-F), 8 | Instructor: Lauren Edmonds 5: Full (9a-4p) \$210 | Half +Plus (9a-1:30p) \$135 | Half (9a-11:30a) \$105 8: Full (9a-4p) \$260 | Half +Plus (9a-1:30p) \$160 | Half (9a-11:30a) \$130 Have you ever really thought about what you watch on TV? Or about what you read and post online? Learn how to find truth in the age of viral videos and "fake news". Develop your writing and critical thinking skills as we analyze advertisements, movies, social media, news sources, and more to understand both the positive and negative messages sent to us through all the technology in our lives.

#### Writer's Workshop

Rising 6-9 | Session 2 | Instructor: Michelle Sabadash Full (9a-4p) \$260 | No Half +Plus | No Half

You think you want to be a writer? Or maybe you already are...In Writer's Workshop, we'll write, share our work, collaborate and prepare a final piece for parents and friends to enjoy. So whether you are addicted to fiction, have the heart of a poet or are ready to join the staff of The Columbus Dispatch, Writer's Workshop is sure to provide the inspiration you need to pursue a writer's life! **Students are required to bring a notebook and a book for quiet reading time.** 

#### **Writing Across Columbus**

Rising 6-9 | Session 10 | Instructors: Lauren Edmonds, Chiquita Toure, & Sarah Weaver Full (9a-4p) \$495 | No Half +Plus | No Half

Calling all writers and artisits! Learn how to write about your surroundings while also experiencing Columbus. Through daily field trips, students will find excitement in the things around their city as they explore, observe, and think creatively. We will focus on short stories, character development, descriptions of scenes, poetry, and much more. For the budding artist, students can stretch their creative muscles and incorporate illustration and design into their work. Students will improve their skills as they learn to describe their surroundings through writing and illustrating. We will travel each day to places that will inspire us such as Thurber House, Columbus Metropolitan Main Library, Topiary Garden, Franklin Park Conservatory, and local Metro Parks. Join us for an adventure of sights, sounds, and WORDS! Students are required to pack a nut free lunch each day. Notebooks and writing utensils will be provided, but students may bring their own supplies as well.

 $\blacksquare$  This is a traveling/off-site program.

#### **Young Journalist**

Rising 6-9 | Session 1 (M-W, F), 4 | Instructor: Jasiliki Davidson 1: Full (9a-4p) \$210 | Half +Plus (9a-1:30p) \$135 | Half (9a-11:30a) \$105 4: Full (9a-4p) \$260 | Half +Plus (9a-1:30p) \$160 | Half (9a-11:30a) \$130 As a Young Journalist, students will spend class time exploring the many aspects of journalism. This will include developing and writing stories as well as creating print, audio, and visual content. Students will learn how to research and present news for radio and TV.

# **Arts & Sciences**

Arts & Sciences classes require dress for mess attire.

#### **Acrylic on Canvas**

Rising 6-9 | Session 4 | Instructor: Ratnamala Deshmukh
Full (9a-4p) \$260 | Half +Plus (9a-1:30p) \$160 | Half (9a-11:30a) \$130
In this camp, you will learn step by step basic techniques and various
styles in acrylic painting. Paintings will be theme-based, and to help with
visualization, we will use clay art effect as well. Students will be encouraged
to be artistic and creative in their ideas. Students will be guided in mixing
colors, creating new shades, patterns and textures. This camp presents a
strong approach for beginners to explore endless ideas to create beautiful
paintings.

#### **Advanced Pastry and Baking**

Rising 6-9 | Session 5 (M-T, R-F) | Instructor: Young Chefs Academy Staff Full (9a-4p) \$230 | No Half +Plus | No Half

Have a passion for baking? This is the perfect camp! We will explore different baking and pastry techniques all week, from sweets to savories and even chocolate and candy garnishes. Students will work independently and in small groups to make their own creations like classic lavender petit fours with homemade lemon filling and buttermilk chocolate doughnut holes with mocha ganache. All levels of experience are welcome, but we ask campers be prepared for a structured class for these advanced recipes. Bring your sweet tooth!

# **Adventures & Survival**

Rising 6-9 | Session 2 | Instructor: TrekNetwork Staff Full (9a-4p) \$595 | No Half +Plus | No Half

Rock climbing, kayaking, and wilderness survival training make for an awesome week of adventure. Join expert guides, explore hidden gems, and experience Ohio's outdoors in a completely different way. Imagine and learn about the edible forest, kayak to a wildlife sanctuary, and climb real rocks. Modules are designed to help participants aim high, achieve success, and gain confidence through fun scenarios. *This camp includes several days of rigorous physical activity and all participants must be able to swim.* 

#### **Aim High STEAM Series: Have FUN Doing Good**

Rising 6-9 | Session 2 | Instructor: Ihab Ismail Full (9a-4p) \$290 | No Half +Plus | No Half

Ready to let off some STEAM? Join us for a fun and productive week of Science, Technology, Engineering, Art, and Math. Want to know more about the complexities of your own DNA? Make a DNA necklace to wow your friends and family! Interested in 3D printing? Plan, program, and design your own keepsake to take home. Get creative with mental math and calculate 3-digit multiplications faster than ever before. Treat your mind with relaxing brain exercises, computer-based games, and learn how to eat and drink well. I am ready to have fun...Are YOU?

#### **Arcade Electronics**

Rising 6-9 | Session 1 (M-W, F) | Instructor: Sciensational Workshops Staff Full (9a-4p) \$250 | No Half +Plus | No Half

Get ready to build and play your own arcade games! You will have at your disposal resistors, switches, wires, LED diodes, transistors, and more. We will program a spinning light fan to display different sayings. Let's also build a Home Run Derby game, see who gets the most home runs before getting ten outs, and a winning song will cheer! If that's not enough, we will also build circuits that can test your memory, play the card game 21, or emit different funky sounds! Play with a disco ball, sirens, or a light show as we learn the effects of the different electronic components and what amps, volts, resistance and power are. Join Sciensational Workshops' way of learning where it is hands-on fun!

#### **Art and Science of Ceramics**

Rising 6-9 | Session 3 | Instructor: Elaine Buss Full (9a-4p) \$290 | No Half +Plus | No Half

In this class, we will learn how the art of ceramics and the science of materials join to make beautiful objects out of clay. We will dig our own clay samples and learn how clay and mud are different. Students will learn to mix their own colored glazes. A special kiln firing of non-traditional materials such as coins, vitamins, food, and rocks will reveal the metals and minerals that are present in ceramics and our world alike. Students will also create their own sculpted clay creations!

#### **Art in Columbus**

Rising 6-9 | Session 10 | Instructors: Cali Sanker & Brittany Schwarck Full (9a-4p) \$495 | No Half +Plus | No Half

Come with us on an adventure around Columbus as we explore aspects of our city's vibrant artistic culture! We will investigate various exhibits at the Columbus Museum of Art, see art and living sculpture at the Franklin Park Conservatory, visit OSU spaces for contemporary art and tour artist studios, and so much more! We will find art around every corner, and make a little art of our own on the way. Columbus has so much to offer, so come along for the ride and don't forget your walking shoes! **Students are required to pack a nut free lunch each day.** 

# This is a traveling/ off-site program.

#### **Artists in Training**

Rising 6-9 | Session 7 | Instructor: Elaine Buss Full (9a-4p) \$270 | No Half +Plus | No Half

Young artists, join us to experiment with many different artistic mediums and techniques. We will find inspiration from the outdoors in "en plein air" paintings. Clay will be used to make a sculpture and functional objects. Students will make their own sketchbooks to record inspirations. We will learn some textile design to create our own tapestry and also learn some basic printmaking techniques. This camp is perfect for budding artists!

#### Be a Junior Counselor at CA

Rising 8-11 | Session 1-10 | Instructor: Jr. Counselor Ambassador Full (9a-4p) \$80/week (Sessions 1 and 5: \$65/week)

Join our dynamic team this summer and put experience on your resume. This opportunity is a hands-on volunteer leadership experience for any student going into eighth through eleventh grade. Duties of a junior counselor include helping with camp activities, supporting a senior counselor, escorting campers, helping with check-in and snack time, and having fun in the sun at Columbus Academy. If you have not had a job before, this program will give you the experience you will need to succeed in your next opportunity and will give you leadership skills that will follow you the rest of your life. By becoming a part of our team, you will have fun, make friends, and learn valuable skills. Each participant will receive a certificate of completion and a review to put in his or her job portfolio. **Students and a parent/guardian are required to attend a mandatory orientation on Saturday, June 2, from 12 to 2 pm. This program is limited to ten participants per week, and spaces fill quickly.** 

#### Beginning Guitar: Play and Sing!

Rising 6-9 | Session 9 | Instructor: Bill Walker Full (9a-4p) \$275 | No Half +Plus | No Half

Got a guitar, but haven't made much progress yet? This is the camp for you! Campers will learn basic chords, strumming and picking patterns, bass lines, and beginning blues solo playing. We will explore traditional American folk songs, blues, and contemporary songs in a variety of styles including pop, rock, alternative, country, and blues as well as learning how to coordinate playing and singing. By the end of the week, we will record everything on high quality digital recording equipment and produce an online album of all of our work. This class will be aimed at beginning players and requires a willingness to sing, but no special singing skills. Campers are required to bring their own acoustic (nylon or steel string) guitar.

#### **Breaking the Fourth Wall Acting Camp**

Rising 6-9 | Session 5 (M-T, R-F) | Instructor: Mckenzie Vaughn Full (9a-4p) \$210 | Half +Plus (9a-1:30p) \$135 | Half (9a-11:30a) \$105 | In Breaking the Fourth Wall Acting Camp, students will immerse themselves in fun and interesting monologues and scenes. Students will strengthen their diction, stage presence, and reading abilities. We will play fun and entertaining theatre games, use interesting theatre warm ups, learn how to audition for a play, and improvise on stage. We will also discuss where great theaters are located in the Central Ohio area! Campers will have the opportunity to perform in the Friday Showcase. *Students should wear comfortable clothing and closed-toe shoes that are good for moving in. No sandals or flip flops.* 

#### **CA Marching Band Camp**

Rising 6-9 | Session 1 (M-W, F) | Instructor: Mckenzie Vaughn Full (9a-4p) \$210 | No Half +Plus | No Half

Ever wondered how the OSU marching band crosses the field with such ease and elegance? Have you ever wanted to learn to play your instrument and march at the same time with songs like Hang on Sloopy, We Will Rock You, or popular music from today's hits by artists such as Justin Bieber, Katy Perry, Selena Gomez or even Fallout Boy? Join us in CA Marching Band Camp, and you will learn to do just that! In this camp, students will play music popular in the marching band world. We will work on our marching technique and perform in the Friday Showcase! Students will be able to learn fun music along with marching and dance steps! **Students should bring their own band instrument (including clarinet, flute, trumpet, trombone, tuba, mellophone, oboe, saxophone). For drummers, please contact our office for more information. Students are required to wear tennis shoes, bring a water bottle and sunscreen; sunglasses and visors are optional.** 

Camp COSI: Design It, Build It, Test It
Rising 6-9 | Session 8 | Instructor: COSI Staff
Full (9a-4p) \$310 | No Half +Plus | No Half

Bring STEAM to life this summer with a one-of-a-kind Camp COSI experience! Together, we'll dive deep into the engineering process to explore how it's at work in the world around us. Each day, we'll walk in the footsteps of a new engineer - civil, biomedical, mechanical, environmental, and aerospace - and test out open-ended challenges. Building bridges and skyscrapers to withstand the wind; designing and marketing our own surgical tools; dissecting wind-up toys to get an up-close look. Camp COSI is presented by COSI Outreach Educators and is always exciting, always

Session: 1 (6/4-8) 2 (6/11-15) 3 (6/18-22) 4 (6/25-29) 6 (7/9-13) 7 (7/16-20) 8 (7/23-27)

electric, and always hands-on. Plus, every camper receives a FREE "BOGO" admission voucher to COSI to keep the learning alive all year long! It's a summer science camp like only COSI can do it!

#### **Camp COSI: Extraordinary Engineering**

Rising 6-9 | Session 10 | Instructor: COSI Staff Full (9a-4p) \$400 | No Half +Plus | No Half

Become a scientist inside one of the world's greatest laboratories: COSI! This incredible engineering camp takes place at COSI where we'll become engineers to design, build, and test out bridges, medical tools, rockets, simple machines, and more. We'll get to explore COSI's exhibition areas as never before, get an up-close look at our galaxy in the Planetarium, get hands-on with COSI's animal collection, and more. It's a summer camp like only COSI can do it. Students are required to pack a nut free lunch each day. ☐ This is a traveling/ off-site program.

☐ This is a traveling/ off-site program.

#### **Camp Pinterest**

Rising 6-9 | Session 1 (M-W, F) | Instructor: Jennifer McGinnis Full (9a-4p) \$230 | Half +Plus (9a-1:30p) \$145 | Half (9a-11:30a) \$115 Camp Pinterest is a week of crafting using inspiration from Pinterest. Students will create a variety of projects using many types of media. Some projects will include crayon melting, wood string art, and painting on canvases. Students will also have the opportunity to find a project on Pinterest they would like to create, and we will take a field trip to a local craft store where students will be able to find materials for their project. It will be a very fun week of crafting and being creative!

#### **Chess Masters**

Rising 6-9 | Session 9 | Instructor: Kyle Jones Full (9a-4p) \$260 | Half +Plus (9a-1:30p) \$160 | Half (9a-11:30a) \$130 Chess Masters provides students with the most advanced curriculum to prepare them for tournament play. Students will be given the necessary tools to be able to create reasonable plans in complex positions. Students will learn advanced tactical themes. Each day students will participate in our very own tournament to put their strategies to the test.

#### **Classic Magic**

Rising 6-9 | Session 6 | Instructor: Carroll Baker Full (9a-4p) \$290 | No Half +Plus | No Half

Children love magic, and they really love learning and performing it! Carroll Baker's classes are a great way for your child to have fun learning to become an amazing magician, performer, and presenter. Beyond the entertainment value, magic helps improve digital dexterity, coordination. visual perception, spatial relationships, critical thinking, creativity, public speaking skills, self-confidence, and imagination. This class will focus on the greatest magic effects of the last 200 years. On the last day of camp, we will perform on stage at the Friday Showcase.

#### **Classical Competition**

Rising 6-9 | Session 7 | Instructor: Franz Gruber Full (9a-4p) \$260 | Half +Plus (9a-1:30p) \$160 | Half (9a-11:30a) \$130

Classical Competition is a playful introduction to Greek and Roman history and culture, with English word power added to the mix. The students will be able to show what they have learned each day playing a buzzer game called Certamen. This fun game is ideal for the young scholar with a classical bent. If your scholar is a Classical

Mythology wizard who is also curious about Greek and Roman history, a Harry Potter or Rick Riordan fan, or just someone who likes to learn more about the classical roots of English words, then we have the game for you. In the end, it all comes down to the buzzer!

#### **Dance Columbus**

Rising 6-9 | Session 10 | Instructors: Chelsea Crabtree & Adam Maynard Full (9a-4p) \$495 | No Half +Plus | No Half

Do you dream of being in a professional dance production? Wonder what it would be like to own a dance studio? Explore Columbus through dance where each day we will focus on a specific area of dance and travel to experience it first-hand. Pilates and ballroom with Inspiration to Movement, musical theater and hip hop with Bartelt Dancers, gymnastics with Gym Skills, and a professional rehearsal and tour of BalletMet to name a few. We will explore the life of professional dancers, teachers, choreographers, and studio owners to experience what it takes to move and groove with the best. Join us on an adventure through dance and leave with the beat in your feet. Students are required to pack a nut free lunch each day.

☐ This is a traveling/ off-site program.

☐ This is a traveling/ off-site program.

#### **Dance Workshop**

Rising 6-9 | Session 9 | Instructor: Mackenzie Hanna Full (9a-4p) \$260 | No Half +Plus | No Half

Dance Workshop is a fun week of intensive dance for beginner to intermediate. Students will learn dance basics like turns, leaps, jumps, and more. Students will improve their skills with across-the-floor exercises and will learn routines of several different dance styles including, but not limited to, jazz, contemporary, and hip hop.

#### Debate

Rising 6-9 | Session 6 | Instructor: Denise Brooks Full (9a-4p) \$260 | No Half +Plus | No Half

Students are given the opportunity to improve their communication skills in a fun and safe environment that promotes risk taking. Each activity is suited to your child's experience level. Students will learn the fundamentals of public speaking and argumentative writing. This camp will help your child develop presentation and debating skills that will build confidence.

# **Discover Graphical and Traditional Robotics Programming**

Rising 6-9 | Session 4 | Instructor: CodeMonster Staff Full (9a-4p) \$390 | No Half +Plus | No Half

Let's build a working robot that campers can take home at the end of the week. We will program the robot graphically and traditionally. This one-of-akind course teaches students robotic programming using a unique approach. We first introduce and discuss all components needed for the robot build before actually building it. Once the robot is completed, we will program the robot in two different ways: the fun graphical drag-and-drop way and the traditional classic way. This robotics camp is fun, engaging, and provides a learning experience for students who love graphical programming as well as for students who are ready to move beyond graphical programming to using professional programming language (c++). No prior knowledge of robotic programming is required.

#### **Discover Ohio**

Rising 6-9 | Session 10 | Instructors: Jasiliki Davidson & Leslie Hill Full (9a-4p) \$550 | No Half +Plus | No Half

Join us on an adventure across Ohio to discover our hidden treasures. In this class, we will travel each day to a "hot spot" that you will want to return to again and again. Trains and boats? We've got them. Rainforests? We've got them. Stingrays? You guessed it. We've got them, too! Roller coasters? Absolutely some of the best! This is a non-stop exploration of the best Ohio has to offer. Students are required to pack a nut free lunch each day. ☐ This is a traveling/ off-site program.

☐ This is a traveling/ off-site program.

# **DIY Fashion**

Rising 6-9 | Session 6 | Instructor: Helma Groot Full (9a-4p) \$290 | No Half +Plus | No Half

In DIY Fashion, you will make and design your own clothes. Every day will hold a new challenge for our students. We will use new and recycled fabrics and clothes to create dazzling designs. You will learn to sew by hand and

on the sewing machine. Those who already know how to sew will improve their amazing skills. We will also study pattern making and materials used in fashion design. You will have the choice to show off your fabulous designs in a fashion show during the Friday Showcase.

#### **DIY Room Decor**

Rising 6-9 | Session 3 | Instructor: Ratnamala Deshmukh
Full (9a-4p) \$285 | Half +Plus (9a-1:30p) \$175 | Half (9a-11:30a) \$145
Utilize this summer to give your room a new look and decorate it with
creative fashions and exciting new ideas like name plaques, inspiring
paintings, wind chimes, bulletin boards, scented candles, wall hangings,
and jewelry boxes. You will be using beads, threads, acrylic paints, canvas,
glitters, studs, craft papers, fabrics, foam board, and more!

#### **Drone Mission Mania**

Rising 6-9 | Session 9 | Instructor: Drobots Staff Full (9a-4p) \$370 | No Half +Plus | No Half

It's all about drone missions as campers will learn the basics of drone technology and safety before taking to the air to fly and code the drones through an abundance of missions. Throughout the week, instructors will pose various challenges that the campers must solve using drones. Missions include: Connect 4, Drone Basketball, King Kong, International Space Station Drone Docking, Harry The Hiker, and more. Students work all week long to prepare for the most enjoyable part of the week...Ultimate Drone Games. Through these games, students collaborate, strategize, and create their own drone missions and then compete against one another. Participants will use the SWIFT programming language to accomplish many of these missions. All campers go home with interactive workbooks and plenty of Drobots Company keepsakes so the memories last long beyond the summer. Drone safety and the social responsibilities of flying drones are included in this program.

# **Drone Racing and Obstacle Course Challenge**

Rising 6-9 | Session 7 | Instructor: Drobots Staff Full (9a-4p) \$370 | No Half +Plus | No Half

Drone Racing is filled with pure action as students enjoy one of the world's fastest growing sports, Drone Racing. Campers will first learn about the basic safety of drone flying and the history behind drone racing as a sport. From there, campers will progress through various skill challenges and learn how to perform various exercises and maneuvers to become familiar with the drone's speed and agility. Flight squads post up against one another in friendly competition when they race themselves and the clock. Students first maneuver the drone through creative obstacle courses before taking on the challenge of flying for speed. Participants contribute fully in this program as they create the design and help build the obstacle course in preparation for the last day's final activities and competition. All campers go home with interactive workbooks and plenty of Drobots Company keepsakes so the memories last long beyond the summer. Drone safety and social responsibilities of flying drones are included in this program.

#### **Drones to the Rescue**

Rising 6-9 | Session 8 | Instructor: Drobots Staff Full (9a-4p) \$370 | No Half +Plus | No Half

Drone search and rescue is a necessity for first responders around the world, adding a new layer of solutions to save lives across the globe. Now campers can take part in and learn from simulated missions during this action-packed, creative, and educational program. Participants will learn to fly drones and rely on their rescue team to collect vital data in specific "rescue areas" to locate "victims" and safely rescue them. We use age-appropriate and cutting-edge technology methods available for creating plans, missions, and maps. Participants will also learn invaluable lessons on how to simply, quickly and accurately make informed and targeted suggestions for real-world positive applications.

#### **Extreme Medical School**

Rising 6-9 | Session 6 | Instructor: Little Medical School Staff Full (9a-4p) \$375 | No Half +Plus | No Half

We offer a one-of-a-kind learning experience for students. This hands-on, in-depth experience puts the student in the role of the physician, complete with a white coat and real stethoscope. Through interactive and creative demonstrations, crafts, and projects, students see how the body works and what goes wrong with disease states. Our "student doctors" not only learn how to use a stethoscope, but also learn what they are hearing when they listen to the heartbeat. We discuss why murmurs sound the way they do and they get their first look at an EKG. As "student surgeons", they learn how to sew like a real surgeon, tie knots, and do a hernia repair with mesh! In the blood section, they make a model of normal blood, and then see first-hand what goes wrong with leukemia and sickle cell disease. We will also focus on the business aspect of Medicine. What does it take to set up and run your own private practice? This is just a sampling of the many exciting topics we will explore during this week.

# **Fabulous Fabrics**

Rising 6-9 | Session 5 (M-T, R-F) | Instructor: Elaine Buss Full (9a-4p) \$215 | No Half +Plus | No Half

Join us to learn a range of fabric decorating and designing techniques! We will learn about making stamps to design a pattern, create a tapestry hanging for our bedrooms, and dye fabric in the sunlight. We will learn traditional Japanese shibori techniques with actual indigo dye. By the end of the week, students will end up with several beautiful functional pieces of textile art, such as scarves, shirts, tote bags, and more!

#### Far Out! Space Inspires Art

Rising 6-9 | Session 8 | Instructor: Andrea Kaiser

Full (9a-4p) \$260 | Half +Plus (9a-1:30p) \$160 | Half (9a-11:30a) \$130 During this week-long class, we'll dive into astronomy basics and make art inspired by the sky! Each child will receive a field notes journal to sketch in throughout the week as we explore the sky's wonders, learn about some of our favorite sky inspired art including Vincent van Gogh's *The Starry Night*, and make new art of our own! Projects will include lino-cut moons, collage sky scenes, an empowering Create Your Constellation creative writing and t-shirt making duo, and more!

#### Fun with Filmmaking

Rising 6-9 | Session 6 | Instructor: Elliot Nick Full (9a-4p) \$260 | No Half +Plus | No Half

Lights, Camera, Action! Discover the fundamentals of filmmaking while shooting your first movie! Whether you're an aspiring actor, director, or camera-person, we have something for you. Students will learn the basics of screenwriting, directing, and editing through theory and practice. The class will work together to write and create a short film of its very own. The week will culminate with a screening of the movie for the rest of Summer Experience to enjoy!

#### **Fun with Photography**

Rising 6-9 | Session 8 | Instructor: Genevieve Adkins

Full (9a-4p) \$260 | Half +Plus (9a-1:30p) \$160 | Half (9a-11:30a) \$130 This class is ideal for anyone wanting to learn about photography in a fun way. Students will learn basic photography techniques and apply them in the field. We will explore the techniques of color, light and shadow, lines, the rule of thirds and positive and negative space. We will practice these skills around the Columbus Academy campus and use them to complete various projects. Our images will then be presented in a gallery-slideshow at the end of the week. Students are required to bring a basic digital camera (the more options on the camera the better, but a basic point-and-shoot will work fine as well).

#### **Game of Drones**

Rising 6-9 | Session 3 | Instructor: SIMPLR STEAM Playground Staff Full (9a-4p) \$295 | No Half +Plus | No Half

Drone racing is the new sport for the 21st century. ESPN is now broadcasting drone races and promoting the best pilots like traditional athletes. But how do you get started in this new age sport? The SIMPLR Game of Drones camp has the answer. During our camp, you will learn how to pilot, build, and race mini quadcopters! We will teach you about the science and technology behind drone racing and develop fledgling pilots and engineers along the way. By the end of the camp, your child will build a drone and pilot it in a drone race using First Person View (FPV) goggles.

#### **Go with the Flow: Creative Painting Techniques**

Rising 6-9 | Session 2, 5 (M-T, R-F) | Instructor: Lavonne Suwalski 2: Full (9a-4p) \$270 | No Half +Plus | No Half 5: Full (9a-4p) \$215 | No Half +Plus | No Half

Take an artistic journey into painting with projects that will tweak the imagination. Have fun with great art materials. Make original paintings using techniques that will inspire your ingenuity. Pour paint, use glue, scrape out shapes and let color flow across paper- all this and more. Each of these techniques will be shown and explored to create your own works of art. Let's just have fun being creative and let your imagination do the work.

#### **How to Draw: Cartoons**

Rising 6-9 | Session 4 | Instructor: Lauren Edmonds

Full (9a-4p) \$260 | Half +Plus (9a-1:30p) \$160 | Half (9a-11:30a) \$130 | Learn how to draw your favorite comic and cartoon heroes in this workshopstyle camp. We will work step by step through the creation process of designing characters, creating comic strips, and making movie posters for your favorite cartoons. All levels of drawing skills are welcome. The only limit is your creativity!

#### **Interpretive Dance**

Rising 6-9 | Session 8 | Instructor: Kathy Mendenhall Full (9a-4p) \$275 | No Half +Plus | No Half

Interpretive Dance is an energetic and creative class that blends ballet, modern, lyrical, and some sign language. Blending these dance forms causes a uniqueness that speaks to each child differently. They are encouraged to flow, within a framework, the way their bodies interpret what they feel, hear, and see with the musical pieces. As we dance and create together, each day brings a special unity, fluidity, and passion that is hard to put into words, but its beauty can be felt and seen. It is truly a great experience! Students are required to wear comfortable clothing that allows for free movement and ballet shoes. Course fee includes cost of costuming for the Friday Showcase.

#### **LEGO Robots BattleBots and Inventions**

Rising 6-9 | Session 9 | Instructor: Robot Academy Staff Full (9a-4p) \$375 | No Half +Plus | No Half

This class encourages creative problem solving while teaching engineering concepts. Students build and program LEGO Robots and compete in several BattleBot championships and win prizes. Students learn about the Mindstorms EV3 programming language and sensors. No experience is necessary — we teach students everything they need to know to put together a winning BattleBot. For the second half of the camp, students have an opportunity to bring their ideas to life! We teach 'rapid prototyping', a technique that involves quickly building prototypes of invention ideas using cardboard, LEGO Robots, or 3D printers. Campers design and build custom inventions and then present their prototypes to a Shark Tank panel (like on the TV show)! Students enjoy presenting stellar pitches to the judges with the help of their new friends and reaping the rewards.

#### Let's See How it is Made

Rising 6-9 | Session 10 | Instructors: TBA Full (9a-4p) \$495 | No Half +Plus | No Half

Have you seen the documentary show *How It's Made*? Come along on an adventure around Columbus to discover the inner workings and behind the scenes of how the things you love are created. Learn about the original ideas that have evolved into marketable products. Let's explore the machinery, engineering, robotics, and genius minds that have worked endlessly to make dreams come alive. *Students are required to pack a nut free lunch each day.* 

☐ This is a traveling/ off-site program.

☐ This is a traveling/ off-site program.

#### **Made From Scratch**

Rising 6-9 | Session 2 | Instructor: Leslie Hill

Full (9a-4p) \$285 | Half +Plus (9a-1:30p) \$175 | Half (9a-11:30a) \$145 | Inspired by Laura Ingalls Wilder's *Little House on the Prairie*, please join us in creating made-from-scratch recipes and other fun and creative DIY household products. We'll prepare ready made mixes which may include a fruit cobbler, deodorant disks to freshen a room, and a body bar to soften your skin.

#### **Magic with Everyday Objects**

Rising 6-9 | Session 4 | Instructor: Carroll Baker Full (9a-4p) \$290 | No Half +Plus | No Half

Children love magic, and they really love learning and performing it! Carroll Baker's classes are a great way for your child to have fun learning to become an amazing magician, performer, and presenter. Beyond the entertainment value, magic helps improve digital dexterity, coordination, visual perception, spatial relationships, critical thinking, creativity, public speaking skills, self-confidence, and imagination. Campers will learn to perform fabulous feats of amazing magic with ordinary objects such as ropes, coins, rubber bands, and more. On the last day of camp, we will perform on stage at the Friday Showcase.

#### **Manga and Anime**

Rising 6-9 | Session 3 | Instructor: Coral Lee Bishop

Full (9a-4p) \$260 | Half +Plus (9a-1:30p) \$160 | Half (9a-11:30a) \$130 Come explore the world of manga and anime! We will spend five days learning about and drawing cartoons in the manga and anime style. We will also discuss how elements of Japanese culture are intertwined in this style. Students will create their own original characters and will use a variety of facial expressions and actions to illustrate scenes. We will also learn about cos-play, cons, and other elements of Japanese current and pop culture as reflected in manga and anime around the world!

# Microscopy: The Unseen World

Rising 6-9 | Session 6 | Instructor: Michael Smith Full (9a-4p) \$330 | No Half +Plus | No Half

Microscopes are a very important aspect of science education. There is a whole world of learning that exists in a drop of water or in a single plant or animal cell. Students will learn the parts of a microscope and how to use it; how to prepare slides and samples from locations on the CA campus grounds; the basics of cell biology and create an actual 3D model of the cell from our observations; and how the microscope is used for real-world disease diagnosis. Lastly, to extend their learning after this class ends, students will be able to take home their own microscope and will earn an Introduction to Microscopy Certificate. *Course fee includes microscope that students get to take home at the end of the week.* 

# **Midwest Foraging**

Rising 6-9 | Session 1 (M-W, F) | Instructor: Leslie Hill Full (9a-4p) \$230 | No Half +Plus | No Half

From fields to woodlands, riverbeds, and lakesides - and even in our own neighborhoods - the beautiful Midwest is rich in delicious wild edibles. -Lisa M. Rose. Inspired by the book Midwest Foraging, join us as we explore our own neighborhoods...perhaps we will find lemon balm and create a tea from the leaves!

# MinecraftEDU Explorations: Traveling into the Future/Robotics Ocean Mission Rising 6-9 | Session 5 (M-T, R-F) | Instructor: Engineering for Kids Staff Full (9a-4p) \$260 | No Half +Plus | No Half

Join us in an apocalyptic future, one where the earth has been ravaged by a series of natural disasters. Each day, students rely on the engineering design process to solve a series of challenges such as building a city on a series of islands, escaping from a bunker on Mt. Everest, and even building a rocket to land on the moon! Through application of engineering principles, students solve numerous challenges as they make their virtual world of Minecraft a safe place for humanity once again. During the LEGO® Robotics Ocean Mission portion, students design and program robots to protect the ocean and ocean life by releasing a dolphin into the ocean, fixing a broken pipeline, and maintaining an oil platform. Students use LEGO® Robotics and computers to learn principles of robotics, computer programming, and teamwork.

#### **Musical Theatre Song and Dance**

Rising 6-9 | Session 3 | Instructor: Sarah Dove Full (9a-4p) \$275 | No Half +Plus | No Half

Do you love to sing? Do you love to dance? If you've answered yes to these questions, this is the camp for you. This camp will allow students to learn song and dance from some of Broadway's favorite musicals while giving everyone a sneak peek into the fun and fast-paced world of musical theatre performance. We'll explore a fusion of acting, singing, and dancing while learning techniques used by some of the best performers on Broadway today. Come join in the fun and learn something special! *Socks or soft dance shoes and a water bottle are required for this class.* 

#### **Nature Drawing and Painting**

Rising 6-9 | Session 9 | Instructor: Rachelle Smith

Full (9a-4p) \$260 | Half +Plus (9a-1:30p) \$160 | Half (9a-11:30a) \$130 | Have you always wished there was a way to combine your love of nature and art? Well, now there is! This week-long camp will allow you to practice painting and drawing outside. We will be painting with watercolors and acrylics and also creating drawings with pastels, pencil and charcoals. Be ready to get in touch with nature and your inner artist.

#### **Neuro Wellness**

Rising 6-9 I Session 1 (M-W, F) I Instructor: Christopher Suozzi Full (9a-4p) \$230 | Half +Plus (9a-1:30p) \$145 | Half (9a-11:30a) \$115 Have you ever asked yourself, what is the most complex living structure in the universe? The answer... the human brain. Embark on a journey through the nervous system and explore its wonders in this neuroscience enrichment class! LEARN anatomy and physiology of the brain and spinal cord with hands-on lab sessions using real human and animal model brains. DEVELOP a powerful posture with functional strength training exercises to prevent head injuries. CREATE your own healthy meals for optimal brain development and performance. Experience this and much more as we demystify the field of neuroscience by kindling students intellectual curiosity in Neuro Wellness!

#### **Neuroscience at OSU**

Rising 6-9 | Session 10 | Instructor: Christopher Suozzi Full (9a-4p) \$310 | No Half +Plus | No Half

Join us for this camp with hands-on lab sessions at OSU where students learn the anatomy of the brain and spinal cord. Activities will include games designed to show how the brain adapts to a changing environment or how we perceive and attend to the world around us as well as presentations on research being carried out by students and faculty members in the Department of Neuroscience. Students will also be engaged in focused discussions on career pathways in neuroscience including those leading to graduate school and medical fields such as medicine, dentistry, nursing, and allied health. Students are required to pack a nut free lunch each day. It is recommended students also bring a notebook for daily reflections.

This is a traveling/ off-site program.

#### **Next Top Chef**

Rising 6-9 | Session 3 | Instructor: Young Chefs Academy Staff Full (9a-4p) \$310 | No Half +Plus | No Half

Do you have what it takes to be the next Top Chef? Join us as we learn different cooking, plating, presentation, and garnishing techniques, while creating impressive and delicious recipes. Each day will consist of a different competition based on popular TV shows including Chopped, Iron Chefs and even Cupcake Wars. Lessons include homemade breads, sauces and international cuisines. Every day is a different challenge and every day has

advanced techniques. At the end of each day, campers will prepare, plate, and present their final dishes to judges to see who is the Top Chef! All experience levels welcome!

# **Radio-Controlled Pepakura Cars**

Rising 6-9 | Session 6 | Instructor: SIMPLR STEAM Playground Staff Full (9a-4p) \$295 | No Half +Plus | No Half

Pepakura is Japanese for "papercraft." More importantly, it is the name of a piece of software that takes 3-dimensional models and turns them into 2-dimensional templates. These templates are then cut, folded, and glued together to recreate the original 3D item in paper form. For this camp, we'll build pepakura shells to put atop our RC car chassis and use them to compete in several competitions! Along the way, we'll explore automobile design considerations and the technology behind radio-controlled vehicles, all while having fun building in the process!

#### Songwriting and Recording with iPads or iPhones

Rising 6-9 | Session 2 | Instructor: Bill Walker Full (9a-4p) \$275 | No Half +Plus | No Half

Always wanted to write songs, but don't know where to start? This is the camp for you! Campers will use iPads or iPhones to generate accompaniment tracks to write to, in whatever style they prefer. We will expand our writing skills while exploring line length and rhythm, rhyming, alliteration, metaphor, and song structure while writing a couple group songs and producing individual pieces. Students will be exposed to a variety of iOS apps that can assist with songwriting and recording. By the end of the week, we will record our group and individual songs and produce a CD or online album of all of our work. This class requires a willingness to sing, but no special singing skills as all campers will be encouraged to both write and sing throughout the week. Students are required to bring their own iPad or iPhone and will also be required to purchase at least one accompaniment app (under \$10) from the list the instructor will provide on the first day of camp. Students will be expected to purchase the app(s) at home and return to camp prepared with the app(s) on day two.

# **Star Wars Tech Builders**

Rising 6-9 | Session 1 (M-W, F) | Instructor: SIMPLR STEAM Playground Staff Full (9a-4p) \$240 | No Half +Plus | No Half

In this themed STEAM camp, students will immerse themselves in the Star Wars universe. The artifacts present in these stories will provide a foundation to explore the technologies of this universe. Participants in this camp will build lightsabers, assemble and program droids, combat in augmented reality Jedi challenges, and more. This camp is great for any student interested in Star Wars, programming, robotics, and making/building.

#### **STEM Lab Experiments**

Rising 6-9 | Session 4 | Instructor: Michael Smith
Full (9a-4p) \$285 | Half +Plus (9a-1:30p) \$175 | Half (9a-11:30a) \$145
Each day will be used to practice an experiment or activity in each area of

STEM: Science, Technology, Engineering and Math. For science, we will use forensic science to solve a mock crime scene investigation (CSI) learning how to identify unknown materials. For technology and math, activities will include basic coding and learning about 3D printing, iPad data presentation, and basic iPad software. For engineering, students will design and build a hovercraft.

# **Street Magic**

Rising 6-9 | Session 10 | Instructor: Carroll Baker Full (9a-4p) \$290 | No Half +Plus | No Half

Children love magic, and they really love learning and performing it! Carroll Baker's classes are a great way for your child to have fun learning to become an amazing magician, performer, and presenter. Beyond the entertainment value, magic helps improve digital dexterity, coordination, visual perception, spatial relationships, critical thinking, creativity, public speaking skills, self-confidence, and imagination. Learn to perform magic like David Blaine and Chris Angel to name just a couple of the best. On the last day of camp, we will perform on stage at the Friday Showcase. *Students are required to pack a nut free lunch each day.* 

#### **String Explosions!**

Rising 6-9 | Session 3 | Instructor: Bill Walker Full (9a-4p) \$275 | No Half +Plus | No Half

Join us for a week of intensive focus on string playing! Enhance your technical skills and musicality on violin, viola, and cello, through various styles of playing including Celtic, Old Time, Jazz and Blues. Learn tunes, learn to create chord accompaniments, explore chop technique, learn to improvise on simple tunes and compose new ones. We will explore double stops, cuts, rolls, slides, trills, and simple shifting. By the end of the week, we will record everything on high quality digital recording equipment and produce an online album of all of our work. This camp is appropriate for students with moderate music reading skills and approximately two years of string classes or lessons. Students are required to bring their own instrument.

### Take the Cake

Rising 6-9 | Session 7 | Instructor: Young Chefs Academy Staff Full (9a-4p) \$295 | No Half +Plus | No Half

Have you ever wondered how to decorate a cake like a pro? In this highly creative and structured class, we'll explore different cake decorating techniques. Each camper will create their very own creations to take home. We'll make an entire beach scene cake, a cupcake flower arrangement, and even a fun twist on burgers and french fries. No prior baking or decorating experience required, but we do ask that campers come ready for a challenge. This camp will take the cake!

#### **Techie Camp: 3D Printing**

Rising 6-9 | Session 2 | Instructor: TECH CORPS Staff Full (9a-4p) \$385 | No Half +Plus | No Half

Techie Camp programs are designed to engage students in hands-on, interactive STEM-related activities. Students take a deep dive into subject matter and emerge with skills that are useful in today's classroom and tomorrow's workplace. In 3D Printing, students will learn how to generate 3D models using a computer-aided design (CAD) software. By the end of the course, students will be able to utilize their knowledge to print an alien lifeform of their own design.

# **Ukulele Madness: Play and Sing!**

Rising 6-9 | Session 7 | Instructor: Bill Walker Full (9a-4p) \$335 | No Half +Plus | No Half

Join the ukulele craze! We will learn basic chords, melodies, strumming and picking patterns, bass lines, and beginning blues lead playing. Song material will include traditional folk songs, rock, blues, and pop songs in a variety of styles. We will learn to coordinate playing and singing at the same time. By the end of the week, we will record everything on high quality digital recording equipment and produce an online album of all of our work. *Course fee includes cost of ukulele that students get to take home at the end of the week.* 

#### Welcome to the Real World

Rising 6-9 | Session 8 | Instructor: Leslie Hill

Full (9a-4p) \$260 | Half +Plus (9a-1:30p) \$160 | Half (9a-11:30a) \$130 A young adult is more confident when equipped with basic life skills. Join this camp and learn how to change a car and bike tire, basic sewing and mending, bake a cake, laundry skills, write a check, and so much more. Gain independence and practice adulting for what you will encounter in the REAL WORLD!

☐ This is a traveling/ off-site program.

☐ This is a traveling/ off-site program.

#### Woodworkers

Rising 6-9 | Session 7 | Instructor: Shaun Ditty Full (9a-4p) \$300 | No Half +Plus | No Half

Participants will learn and explore the tools, concepts, and basic techniques of woodworking. Special attention to tool use and safety will also be addressed. Small projects will be worked on each day, and participants will also work on a single large project they may take home at the end of the session. This is sure to be a fun and exciting time for all ages.

#### **Yoga for Girls**

Rising 6-9 | Session 4 | Instructor: Jenn Gebhart

Full (9a-4p) \$260 | Half +Plus (9a-1:30p) \$160 | Half (9a-11:30a) \$130 Here is a great opportunity to learn the many benefits of yoga in a fun and safe environment. We will explore yoga poses, breathing techniques, play yoga games, journal, and enjoy arts and crafts time. Yoga for Girls can offer your student tools to improve and maintain physical and mental well being. We will take a field trip to Yoga on High allowing the campers to see and experience an in studio yoga class with the instructor. *Campers should dress in comfortable clothing and are required to bring a yoga mat and water bottle each day.* 

# **Athletics & Sports Clinics**

#### **Adventure Sailing**

Rising 6-9 | Session 4, 10 | Instructor: Hoover Sailing Club Staff Full (9a-4o) \$325 | No Half +Plus | No Half

This class is a continuation of the beginner Learn to Sail program offered in Summer Experience. For those that just want more time on the water, we've introduced the Adventure Sailing track, focusing on having fun on the water and alternative sailing and watercraft experiences. Large sailboats, windsurfers, high performance sailing, SUP's, kayaks, long distance sailing adventures, and general messing about in boats will be covered in this session. We'll fly spinnakers on big boats and Hoover Sailing Club's US Sailing Certified Instructors will provide hands-on instruction with the students in this class. We'll even mix in some STEM modules to reinforce some of the advanced topics we'll be teaching in this course. Students are required to have completed at least one session of the beginner Learn to Sail program to enroll in this course. Students also must pack a peanut and tree nut free lunch, and bring your own USCG approved life jacket. Sailing is a very physical activity; occasional bumps and bruises can occur. Please advise your child's counselor if there are any issues of which we might need to be aware. A Hoover Sailing Club release form is also required for every participant and will be distributed via email before camp begins.

 $\blacksquare$  This is a traveling/ off-site program.

#### **Artistic Swimming: A Synchronized Swimming Experience**

Rising 1-6 | Session 7, 9 | Instructor: Ohio Coralinas Synchro Staff Full (9a-4p) \$285 | Half +Plus (9a-1:30p) \$175 | Half (9a-11:30a) \$145 Swimming, Dance, and Gymnastics - Synchronized Swimming combines all three of these great activities into one fun experience! Using games, props, and music, we will explore the artistic side of swimming. During the course of the week, campers will learn synchronized swimming skills, all while putting together a special water show to be performed on Friday for parents and friends! Campers should be able to swim the length of the pool (approximately 25 yards) unassisted and be comfortable in the deep end.

# Boys' Baseball PM Clinic / Sports & More AM Camp

Rising 3-8 | Session 2

Clinic Instructor: Tyler Kuhn / Sports & More Instructor: Tyler Verhoff
Clinic Only (1:30p-4p) \$170 | Clinic +Plus (11:30a-4p) \$200 | Full (9a-4p) \$285
Join us for a week full of baseball fun! As a former professional baseball
player and NCAA All-American, Tyler Kuhn will be sharing the knowledge he
has gained through his years of playing and coaching in an action-packed
week for players of all skill levels. Players can expect to improve their
fundamental skills through various drills and simulated game situations on
Columbus Academy's baseball field. It will be a week filled with learning and
fun! Participants are required to bring their own baseball glove, water
bottle, and sunscreen. Cleats and baseball bats are optional.
Please Note: To make a full day schedule, Sports Clinics can only
be paired with our Sports & More program or another Sports Clinic
occurring in the same week. Please see page 48 for the Sports & More
class description.

#### Boys' Basketball PM Clinic / Sports & More AM Camp

Rising 3-8 | Session 3

Clinic Instructor: Jeff Warstler / Sports & More Instructor: Tyler Verhoff
Clinic Only (1:30p-4p) \$170 | Clinic +Plus (11:30a-4p) \$200 | Full (9a-4p) \$285
The Columbus Academy basketball program will once again host its clinic
for all boys entering third through eighth grade. We encourage participation
from young men with positive attitudes who are interested in having a great
time, improving their skills, and learning more about playing this ultimate
team game! Through a combination of drills, stations, and individual and
team games, boys' head basketball coach Jeff Warstler, members of the CA
coaching staff, special guest speakers, and players from the CA basketball
program will teach the basic yet crucial fundamentals of basketball, namely
ball handling, passing, shooting, and defense. *Participants are required to*bring a nut free snack, water bottle, and towel.

Please Note: To make a full day schedule, Sports Clinics can only be paired with our Sports & More program or another Sports Clinic occurring in the same week. Please see page 48 for the Sports & More class description.

#### **Chiller Intro to Ice Hockey**

Rising 6-9 | Session 10 | Instructor: Chiller Staff Full (9a-4p) \$350 | No Half +Plus | No Half

This camp will introduce your child to ice hockey, no experience required! In addition, this camp will engage them in fun activities, games, and projects related to ice hockey so they can "get inside the game." Camp includes at least two hours of ice skating per day instructed by our professional skating coaches. Off-ice activities include indoor and outdoor games, projects related

Session: 1 (6/4-8) 2 (6/11-15) 3 (6/18-22) 4 (6/25-29) 5 (7/2-6) 6 (7/9-13) 7 (7/16-20) 8 (7/23-27)

to hockey, as well as guest appearances by local experts. Your child will receive a skating and hockey evaluation at the end of camp. Students are required to pack a peanut and tree nut fee lunch each day. **■** This is a traveling/off-site program.

# **Conditioning For Your Sport**

Rising 6-9 | Session 5 (M-T, R-F) | Instructor: Michael Smith Full (9a-4p) \$210 | Half +Plus (9a-1:30p) \$135 | Half (9a-11:30a) \$105 Now you can get better workout results using exercises that are designed just for your sport. In this camp, we will calculate your target heart rate, customize your workout to your specific sport, and learn anatomy important to your conditioning. We will also examine and learn what exercises the pros in your sport are doing. By the end of the week, we will have designed a custom workout that you can build on after the camp, and students will receive a customized, laminated workout plan to take home!

# Girls' Basketball PM Clinic / Sports & More AM Camp

Rising 2-8 | Session 1 (M-W, F)

Clinic Instructor: JoAnne Adams & Heather Gepper

Sports & More Instructor: Tyler Verhoff

Clinic Only (1:30p-4p) \$135 | Clinic +Plus (11:30a-4p) \$165 | Full (9a-4p) \$230 She shoots, she scores! Be a basketball star at CA. This girls' basketball clinic will involve learning and utilizing fundamental basketball skills. Girls will learn and practice ball skills, shooting skills, and basic fundamental principles in various drills and game situations. The clinic is designed for experienced players to improve on their skills, as well as for beginners to learn about the game of basketball. Come on in and see just how fun and rewarding basketball can be!

Please Note: To make a full day schedule. Sports Clinics can only be paired with our Sports & More program or another Sports Clinic occurring in the same week. Please see page 48 for the Sports & More class description.

#### Girls' Field Hockey AM Clinic / Sports & More PM Camp Rising 2-8 | Session 1 (M-W, F)

Clinic Instructor: JoAnne Adams / Sports & More Instructor: Tyler Verhoff Clinic Only (9a-11:30a) \$135 | Clinic +Plus (9a-1:30p) \$165 | Full (9a-4p) \$230 We are excited to announce that this year's clinic is back at Columbus Academy. We are thrilled to use the beautiful Carlin Fields at CA. Be a part of the tradition at Columbus Academy by playing the sport of field hockey from State Championship winning coaches and top notch players. This clinic is a great way to learn the dynamic sport of field hockey. Clinic sessions are creatively designed for both beginning and intermediate players. We strive to teach the hockey basics: dribbling, passing, receiving, pulls, dodges, and more for younger players while preparing older girls for middle school competition. It doesn't matter if you are a first year player or an experienced middle school veteran, we will help you improve your game! We can't wait

to share our love of the game on the turf fields at CA this summer. If you need to purchase equipment, please contact Coach Adams at Adams@ columbusacademy.org.

Please Note: To make a full day schedule, Sports Clinics can only be paired with our Sports & More program or another Sports Clinic occurring in the same week. Please see page 48 for the Sports & More class description.

# Girls' Volleyball AM Clinic / Sports & More PM Camp

Rising 2-8 | Session 4

Clinic Instructor: Heather Gepper / Sports & More Instructor: Tyler Verhoff Clinic Only (9a-11:30a) \$170 | Clinic +Plus (9a-1:30p) \$200 | Full (9a-4p) \$285 Come join the fun with the lifetime sport of volleyball! This is a great way to introduce young children to volleyball by using team building activities and learning valuable skills. Come check out just how fun volleyball can be! In this program, girls will learn how to pass, set, hit, serve, and play in group situations. There will be coaches, as well as Columbus Academy Upper School players assisting the younger participants.

Please Note: To make a full day schedule. Sports Clinics can only be paired with our Sports & More program or another Sports Clinic occurring in the same week. Please see page 48 for the Sports & More class description.

# **History and Sport of Archery**

Rising 6-9 | Session 5 (M-T, R-F), 7 | Instructor: Charles Brodhead 5: Full (9a-4p) \$230 | Half +Plus (9a-1:30p) \$145 | Half (9a-11:30a) \$115 7: Full (9a-4p) \$290 | Half +Plus (9a-1:30p) \$175 | Half (9a-11:30a) \$145 Humans have used archery since the dawn of time; first for hunting, then for warfare, and in modern times, for sport. There are many occasions when archery has changed the course of history; not many Olympic sports can claim this grand heritage. Campers will experience first-hand one of our oldest sports through daily study, practice, and challenges.

#### It's All About the Sticks

Rising 6-9 | Session 8 | Instructor: Nora Goss Full (9a-4p) \$270 | No Half +Plus | No Half

In this class, campers will learn basic and fundamental field hockey and lacrosse skills; it's all about the sticks! Lacrosse skills will include cradling, running with the ball, passing, and shooting. Field hockey skills will include dribbling, pulling, passing, shooting, and maybe a few tricks! *Please make* sure your camper brings their own cleats, shin guards (for field hockey, soccer shin guards will work fine), appropriate activewear, and a water bottle!

#### Learn to Sail

Rising 6-9 | Session 8 | Instructor: Hoover Sailing Club Staff Full (9a-4p) \$325 | No Half +Plus | No Half

Hoover Sailing Club has offered sailing instruction for Central Ohio youth for over 45 years. Your child will experience the joy of skippering a dinghy from our fleet during his or her very first lesson. Our experienced US Sailing certified staff will teach basic safety and boat skills. Your child will learn to sail up-wind, down-wind, tack, jibe, and recover from a capsize. Our picturesque property and remodeled facilities will provide your youngster with a week he or she will remember for years to come. Students are required to pack a peanut and tree nut free lunch, and bring your own USCG approved life jacket. Sailing is a very physical activity; occasional bumps and bruises can occur. Please advise your child's counselor if there are any issues of which we might need to be aware. A Hoover Sailing Club release form is also required for every participant and will be distributed via email before camp begins.

■ This is a traveling/ off-site program.

#### **Olympic Fencing**

Rising 6-9 | Session 6, 9 | Instructor: Royal Arts Fencing Academy Staff Full (9a-4p) \$285 | No Half +Plus | No Half

Have you ever wanted to be Zorro, d'Artagnan, the Dread Pirate Roberts, Captain Jack Sparrow, Robin Hood, or a Jedi Knight? Learn the noble art of fencing, including information about swords, moves, competitions, and future opportunities for Fencing Sport Scholarships. This course is specially created for participants of all fencing and athletic levels. On Friday, the students will participate in a real fencing tournament! Fencing equipment is provided. *Students are required to wear athletic shoes and socks.* 

#### **Power Yoga for Teens**

Rising 6-9 | Session 2 | Instructor: Rachelle Smith Full (9a-4p) \$260 | Half +Plus (9a-1:30p) \$160 | Half (9a-11:30a) \$130 This intensive camp is for yoga enthusiasts of all levels from beginner to advanced. Yoga has many beneficial effects for the body and mind. It can be especially helpful for teens by providing them with important tools for their social-emotional well being. In addition to learning the basics of power yoga, this camp will include journaling, meditation, and inquiry-based discussions. Students are required to bring their own yoga mat.

#### **Ride and Rescue at Fairy Tale Farm**

Rising 6-9 | Session 3 | Instructor: Fairy Tale Farm Staff Full (9a-4p) \$350 | No Half +Plus | No Half

Come and learn how we care for our rescue horses! Campers will meet our vets, farriers, and dentists to see how they care for our rescues. Campers will also learn about how to feed and care for these horses on a daily basis. They can meet, groom, and even ride some of our rescue graduates. Campers will have a daily mini riding lesson, a lesson in horse safety, participate in an educational craft or activity, and learn about the tack and equipment. Campers must wear closed-toe shoes and long pants to ride and may pack shorts to change into after riding. Students are required to pack a nut free lunch each day and bring plenty of water.

This is a traveling/ off-site program.

#### Skateboarding

Rising 5-9 | Session 3 | Instructor: Chris Higgins Full (9a-4p) \$295 | No Half +Plus | No Half

Come join us and learn the basics and more of skateboarding, one of the fastest growing sports in the world. While we will cover safety, equipment, and skateboarding etiquette, the emphasis will be on having fun and learning by spending as much time on our boards as possible. It doesn't matter if you are a first-time skater or a more experienced rider, this program will have something for everyone. Field trips to area skate parks will round out this exciting program. Skaters are required to wear a helmet and bring their own skateboards; knee pads and elbow pads are recommended.

### Soccer AM Clinic / Sports & More PM Camp

Rising K-8 | Session 1 (M-W, F)

Clinic Instructor: Ron Leach / Sports & More Instructor: Tyler Verhoff
Clinic Only (9a-11:30a) \$135 | Clinic +Plus (9a-1:30p) \$165 | Full (9a-4p) \$230
No matter your level of experience in soccer, everyone will take home

valuable skills from this soccer clinic. Whether you are a beginner and want to learn the basics or if you have already played organized soccer, we can help take you to the next level. We will focus on the fundamentals of soccer, basic individual skills, basic team tactics, instruction on the rules of the game, and mini scrimmages. Each day of this clinic will provide a fun learning environment about the game of soccer. If you need to purchase equipment, please contact Coach Leach at Ron\_Leach@columbusacademy.org.

Please Note: To make a full day schedule, Sports Clinics can only be paired with our Sports & More program or another Sports Clinic occurring in the same week. Please see below for the Sports & More class description.

#### **Sports & More**

Rising 6-9 | Session 6-9 | Instructors: Luke Barricklow & Tyler Verhoff Full (9a-4p) \$260 | Half +Plus (9a-1:30p) \$160 | Half (9a-11:30a) \$130 Throughout each week, we will be exploring a variety of athletic games such as ultimate kickball, whiffle ball, soccer, floor hockey, capture the flag, and much more. Campers will learn a lot of material about how to stay fit and take care of their bodies. Fun fact: Campers will walk/run a minimum of four miles per day! Our primary focus and goals for the summer will be good sportsmanship, good nutrition, fitness, cooperation, and, of course, fun! Students are required to bring a water bottle and wear athletic shoes - no flip flops or sandals.

# **Tennis AM Clinic / Sports & More PM Camp**

Rising 1-8 | Session 2

Clinic Instructor: Jeff Warstler / Sports & More Instructor: Tyler Verhoff
Clinic Only (9a-11:30a) \$170 | Clinic +Plus (9a-1:30p) \$200 | Full (9a-4p) \$285
Join Jeff Warstler of Columbus Academy for an intensive tennis
extravaganza! Tennis is not just a country club sport; it is fun for the whole
family! You will learn the fundamentals of tennis such as stroke production,
footwork, strategy, and an understanding of the court. Once you have been
through this clinic, you will have a better understanding of the sport and,
hopefully, a true love of tennis. *Participants are required to bring their*own tennis racket and water bottle.

Please Note: To make a full day schedule, Sports Clinics can only be paired with our Sports & More program or another Sports Clinic occurring in the same week. Please see the Sports & More class description on this page.

#### **Viking Athletic Performance**

Rising 6-9 | Session 5 (M-T, R-F) | Instructor: Mark Hammond Full (9a-4p) \$230 | Half +Plus (9a-1:30p) \$145 | Half (9a-11:30a) \$115 Join Coach Mark Hammond for a week of learning, working, and fun in Columbus Academy's strength and conditioning center. Students will have the opportunity to learn, apply, and practice concepts of human movement, strength and conditioning for sports, and injury prevention strategies for athletics. Students should be prepared for three portions of learning including classroom time, a body weight workout applying concepts learned, and games that are applicable to content learned. *Students should bring a water bottle and wear athletic shoes - no flip flops or sandals.* 

# Wrestling AM Clinic / Sports & More PM Camp

Rising K-7 | Session 4

Clinic Instructor: Sean Silver / Sports & More Instructor: Tyler Verhoff
Clinic Only (9a-11:30a) \$170 | Clinic +Plus (9a-1:30p) \$200 | Full (9a-4p) \$285
Want to learn about wrestling, one of the first and most popular sports in the
world? This program gives children of any size or ability the chance to learn
the basics of the sport in a safe and fun environment, while also helping
them with strength, flexibility, sportsmanship, and self-confidence. Wrestlers
will receive their own headgear and will get to participate in a tournament
followed by a medal ceremony at the end of the week. Each wrestler will
be placed in a group appropriate to their age and skill level. Wrestlers are
required to bring a water bottle; wrestling shoes and mouth guard are
optional.

Please Note: To make a full day schedule, Sports Clinics can only be paired with our Sports & More program or another Sports Clinic occurring in the same week. Please see page 48 for the Sports & More class description.

# **Swimming Lessons**

# **Greater Columbus Swim School**

Rising K-8 | Session 1-10 | Instructor: Greater Columbus Swim Team of Ohio 8a-9a and/or 4p-5p \$65/week (Sessions 1 and 5: \$52/week)

The Greater Columbus Swim Team of Ohio teaches Columbus Academy instructional swim lessons in a fun, yet challenging atmosphere. Swim lessons will take place at Columbus Academy Pool on CA's campus. The pool depth ranges from 3ft - 10ft. Participants are observed and placed in appropriate levels according to their current skill level. They engage in the fundamentals of swimming most appropriate for their ability. Swimmers will be consistently monitored for skill acquisition in order to ensure that they are continually challenged in the pool as their skill level increases. Beginning swimmers will learn the most basic skills needed to become selfsufficient in the water, while swimmers with slightly more advanced skills will be progressed through a series of eight levels, focusing on the proficient acquisition of all four of the competitive swimming strokes (those used in the sport of swimming). Participants will receive a skills accomplishment report at the end of each weekly session. Swimmers will have a great time, will be challenged, and will learn valuable skills. *This program can be added to* any week's programming. There is a maximum of 16 children per time slot and spaces fill quickly. Please see the Middle School registration form and check the appropriate time that fits with your schedule.

# **ONLINE REGISTRATION**

# You can...

- Filter classes by grade, program title, or session
- View current class availability
- Pay by credit card or e-check

# 7 Simple Steps!

- 1. Visit www.columbusacademy.org
- 2. From the menu bar, select School Life, followed by Summer Experience
- 3. Click Online Registration
- Create a My Backpack Account
   If you have an account from previous years or you are
   a current CA family, use your login information.
- Click the link to begin a 2018 registration
- Complete student biographical and medical information, then select classes
- 7. Pay online and submit classes

Please note that registration is not complete until payment is received. Submitting classes without payment does not reserve space in a class.

#### **HOURS OF OPERATION** Before Care 7:00 am - 8:30 am Pre-K Half Day 8:30 am - 11:30 am Pre-K Half +Plus 8:30 am - 1:30 pm Pre-K Full Day 8:30 am - 4:00 pm Rising K-9 Check-in 8:30 am - 9:00 am Rising K-9 Half Day 9:00 am - 11:30 am Rising K-9 Half +Plus 9:00 am - 1:30 pm Rising K-9 Full Day 9:00 am - 4:00 pm After Care 4:00 pm - 6:00 pm

#### REGISTRATION DEADLINES AND FEE ASSESSMENT

Registration is not complete until payment is received. All fees are due at the time of registration. Deadlines are May 17, 2018, for sessions 1 through 5 and June 21, 2018, for sessions 6 through 10. Cancelations or changes made prior to the appropriate deadline will incur no penalty and will be refunded in full. Cancelations made after the deadline will be refunded at 25% of the program fee. If a cancelation is made after the camp's start date, there will be no refund issued. If late registrations are received after the deadline, camp fees increase by 10%. Changes to schedules made after the deadline will be charged a non-refundable fee of \$25 per child registered plus any difference in camp fees.

#### **UPPER SCHOOL GENERAL INFORMATION**

#### Faculty, Staff and Sr. Counselors

CA Summer Experience employs current CA Faculty and Staff members as well as highly qualified outside sources as teachers of the Summer Experience programs. Sr. Counselors are typically local college students who have been hired after an extensive interview and training process. Sr. Counselors are assigned to camps each week and will accompany your child all day during their respective camp. CA Summer Experience also employs ample administrative staff to support daily programming.

#### Communication

Upon registration with full payment, you should receive a confirmation email from Summer\_Experience@columbusacademy.org with your child's class schedule and additional information. You can expect communication via email from your child's teacher the Friday prior to camp starting and the Wednesday during the respective camp week. If registration is received late, there may be a delay in this communication.

#### **Facilities**

A majority of programs are held on CA's beautiful 231-acre campus that consists of a six-lane indoor pool, computer labs with iMac computers, nature trails, outdoor classroom space, low ropes elements, eight tennis courts, Schoedinger Theatre seating 430, two full-length gymnasiums, a weight room, a ceramics studio, five art studios, three libraries, five playgrounds, eight science labs, four soccer fields, two turf fields, an all-weather track, a full service dining hall, three music rooms, and two baseball fields. The campus may be accessed from the West on Cherry Bottom Road or from the East via Beecher Road off of Hamilton Road. (Please refer to the campus map on the inside of the back cover.)

# **Field Trip and Off-Site Transportation**

Columbus Academy utilizes school bus rental as a means of transportation for field trips and off-site programs. All drivers have proof of credentials and background checks. CA also has a fleet of 7 passenger vans that will be used for smaller traveling groups. All drivers are employees of Columbus Academy and are van-certified.

#### **Extended Care Programs**

If extended care is needed for an Upper School student, please contact our office for assistance.

#### Lunch

Lunch is provided by Columbus Academy's Dining Service for **most** of the programs and is built into the price of the camp for Sessions 1-9. Session 10 camps will <u>all</u> be required to pack a lunch as the Dining Hall will remain closed August 6-10. Most off-site camps require students to bring a lunch; please check individual course descriptions for lunch specifications. During

Sessions 1-9, CA offers a hot main dish including vegetarian options, as well as a salad bar, pasta bar, and deli bar. We also do our best to accommodate all dietary requests / restrictions. Please contact our office if you have additional questions related to dietary concerns. Children are welcome to pack a lunch if they wish, but the lunch must be peanut and tree nut free.

Allergy Policy: Columbus Academy Summer Experience is peanut and tree nut free

#### Daily Drop-off/Pick-up

There will be signage all around campus to help direct parking, as well as a color coded system to follow from the parking areas to help guide you to the correct entrance. Please see the CA campus map on the inside of the back cover for general parking information. Upper School will follow the BLUE signage.

Check-in for Upper School (rising 9th through 12th grade) programs is in the Barton Room Lobby unless otherwise specified. Staff will meet with their class and continue on to their assigned classroom. After the first day of class, students may go directly to the appropriate classroom. Upper School parents or students should follow campus signage to the Upper School parking area (Parent Hall Parking Lot). There will be CA Staff available to help students get to their check-in areas.

#### Late Drop-off/Early Pick-up

If it is necessary to drop off or pick up your child at any time other than the designated camp times, the Floating Counselor is available to help with these transitions. If you know this information ahead of time, you may write it on the sheet provided at the Help Desk outside the gyms. You may also contact the Floating Counselor any time during camp hours at 614-653-3117 to arrange a pick-up or drop-off. *Note: Early pick ups are not available after 3:30pm.* 

#### **Electronics Policy**

With the increase in the technology around us, electronics are no longer prohibited at camp; however, we expect that these devices be put away unless specifically required for a camp or in the case of an emergency. We have designated screen time during Before and After Care for those who wish to participate. Check-in/out in the gyms and/or Barton Room will be strictly enforced as "no device zones".

#### **Discipline Action Plan and Termination**

Attendees who are found to bully or harass others will generally be subject to serious disciplinary action, including prohibition from further attendance. Children will receive one warning and CA Summer Experience reserves the right to remove any camper from our program for disciplinary reasons. If a child is removed for disciplinary reasons, there will be no refund.

#### FEES. CANCELATIONS AND DEADLINES

Course fees are located in the course descriptions and registration pages. Whether submitting a paper form or registering online, **registration is not complete until payment is received.** Cancelations or changes made prior to the appropriate deadline will incur no penalty and will be refunded in full. Cancelations made after the deadlines will be refunded at 25% of the program fee. Please understand that after these deadlines, we have made firm financial commitments to our faculty and staff, in addition to purchasing materials for the class. If a cancelation is made after the camp's start date, there will be no refund issued. Changes made to schedules after the deadlines will be charged a non-refundable fee of \$25 per child plus any difference in camp fees. If late registrations are received after the deadlines, camp fees increase by 10%.

**DEADLINES:** May 17th for Sessions 1-5 and June 21st for Sessions 6-10

<u>ATTENTION RISING 9TH GRADERS!</u> In addition to the offerings available to you in the Upper School division, we also have a large array of offerings just for you in the Middle School division! Below is the comprehensive list of camps that we have made available for you! Please refer to pages 38 - 49 for more details.

# **UPPER SCHOOL SUMMER EXPERIENCE**

Programs are in alphabetical order and categorized by Curriculum-Based Offerings, Academics and Arts & Sciences programming. The Upper School Registration Form is on page 59. Please note: "rising" indicates the grade your child will be entering in the 2018-2019 school year.

# Curriculum-Based Offerings

Credit courses can be taken for preview, review, or credit. Only students who successfully complete credit courses will receive the number of credits indicated in the course descriptions. Please check with your child's school prior to registering for these courses, as we do not guarantee that earned credits will transfer to all schools. Columbus Academy will mail a letter for proof of course completion and notification of final grade (if applicable) to your home address by the conclusion of the Summer Experience program in August. A copy of this letter will also be sent to the records department of your child's school.

#### **Feed the Hungry**

Rising 9-12 | Session 5-6 | Instructor: Jessica Espasandin 8:30a-3:30p | \$300 for the two-week program

This community service camp visits a variety of sites that provide support to the hungry in the Columbus community including the Mid-Ohio Food Bank, Meals-On-Wheels/LifeCare Alliance, Westerville Area Resource Ministry, Worthington Food Pantry, YWCA Family Center and local community gardens. At each site, we will learn about the problem of hunger in our community and participate in a variety of tasks to help alleviate this growing social justice problem. Projects will include the planting and harvesting of fresh produce, food sorting and distribution, grocery shopping, and the preparation, delivery, and serving of hot meals to adults and children in a variety of settings. Successful completion of this camp satisfies the Columbus Academy Upper School graduation requirement of 45 hours of off-campus community service hours. Daily attendance during both weeks of camp is mandatory to receive credit - no exceptions. Students are required to pack a peanut and tree nut free lunch and water bottle each day. There is a maximum of 14 students for this program and spaces fill quickly. **■** This is a traveling/off-site program.

#### **Geometry Credit**

Rising 10-12 | Session 2-8 | Instructor: John Street 8:30a-12p | \$825 for the seven-week program Prerequisite: Algebra 1 taken in 9th grade or above.

This course is for high school students who have previously taken Algebra 1 in 9th grade (or later) to gain the skills in geometry and get back on grade level. This course is not an acceleration option for middle school students. In standard-level geometry, students will learn the concepts of Euclidean geometry. Congruency and similarity will be studied within the context of triangles, quadrilaterals, and other polygons. New problem-solving skills are developed in solid geometry, right triangle trigonometry, and analytic and coordinate geometry. The curriculum is designed to incorporate deductive reasoning, algebraic manipulation, and technology as students develop a greater understanding of proofs, logic, observation, measurement and description. Geometry provides the foundational concepts and thought processes required for pre-calculus, calculus and standardized tests. By taking this course, you can earn one credit for high school geometry. Daily attendance is required for credit.

#### **Physical Education Credit**

2-week program | Two weeks for three hours per day Rising 9-12 | Session 2-3 | Instructor: Ron Leach 9a-12p | \$270 for the two-week program Intensive program | One week for seven hours (M-R), four hours (F) Rising 9-12 | Session 4, 6, 7 | Instructors: Ali Hildahl & Mark Slater 8a-3p (M-R) and 8a-12p (F) | \$295 for each one-week program In this class, we will be engaged in sport activity, as well as basic fitness. Tennis, golf, bowling, ultimate frisbee, soccer, softball, basketball, football, and track and field will be some of the sports activities. A half hour lunch is provided for the intensive PE program unless otherwise notified. By taking this class, you can earn one quarter credit for high school Physical Education. Columbus Academy students will earn one unit toward the six-unit graduation requirement. Daily attendance is mandatory to receive credit – no exceptions.

# **Academics**

#### **Aim High College Prep Series: ACT**

Rising 9-12 | Session 1 (M-W, F), 6 | Instructor: Ihab Ismail 1: 9a-2:30p | \$320

6: 9a-2:30p | \$395

This comprehensive, personalized ACT course aims to help each student identify areas of strength and challenge, apply a plan to solidify performance, and measure the progress made in all sections of the ACT. The instructor will connect with each family to gain insight into the student's academic background and learning style and offer recommendations. The objective test date for this training is June 9th, 2018 for Session 1 and July 14th, 2018 for Session 6. *Please note this course is not offered as a continuation or in conjunction with existing CA sponsored test prep programs.* 

# **Arts & Sciences**

# Be a Junior Counselor at CA

Rising 8-11 | Session 1-10 | Instructor: Jr. Counselor Ambassador Full (9a-4p) \$80/week (Sessions 1 and 5: \$65/week)

Join our dynamic team this summer and put experience on your resume. This opportunity is a hands-on volunteer leadership experience for any student going into eighth through eleventh grade. Duties of a junior counselor include helping with camp activities, supporting a senior counselor, escorting campers, helping with check-in and snack time, and having fun in the sun at Columbus Academy. If you have not had a job before, this program will give you the experience you will need to succeed in your next opportunity and will give you leadership skills that will follow you the rest of your life. By becoming a part of our team, you will have fun, make friends, and learn valuable skills. Each participant will receive a certificate of completion and a review to put in his or her job portfolio. Students and a parent/guardian are required to attend a mandatory orientation on Saturday, June 2, from 12 to 2 pm. This program is limited to ten participants per week, and spaces fill quickly.

# REGISTRATION DEADLINES AND FEE ASSESSMENT

Registration is not complete until payment is received. All fees are due at the time of registration. Deadlines are May 17, 2018, for sessions 1 through 5 and June 21, 2018, for sessions 6 through 10. Cancelations or changes made prior to the appropriate deadline will incur no penalty and will be refunded in full. Cancelations made after the deadline will be refunded at 25% of the program fee. If a cancelation is made after the camp's start date, there will be no refund issued. If late registrations are received after the deadline, camp fees increase by 10%. Changes to schedules made after the deadline will be charged a non-refundable fee of \$25 per child registered plus any difference in camp fees.

# **EXPLORE WITH ME: CAREGIVER & BABY**

Ages birth to 3 years

Welcome to our *Explore with Me* (EWM) division at Columbus Academy Summer Experience. This program is designed to give caregivers and babies a place to bond and explore, while offering a low stress environment in which babies can learn and grow individually and socially. Caregivers will also have the opportunity to network and learn many new and exciting activities to do with those in their care. In addition to a lead instructor, there will be a program coordinator present in all classes to assist the caregivers and babies at any point.

EWM classes are offered from 10:30-11:30am, Tuesday through Saturday on Columbus Academy's campus in Gahanna. The campus is accessed from the West on Cherry Bottom Road or from the East via Beecher Road off of Hamilton Road. (Please refer to the campus map on the inside of the back cover.) All *Explore With Me* programs are best accessed by parking in the Family Division parking area in the Academy Hall Parking Circle. Follow the ORANGE signage into the Theatre entrance and into the Explore With Me room.

All EWM classes follow a consistent, yet free-flowing schedule. We understand the babies' attention spans and individual needs will vary and therefore, our class schedule is designed to be flexible and adaptable in order to cater to the needs of our families. The first 15 minutes of the hour is designed to allow caregivers and babies to get acclimated to the classroom environment while socializing with others in the class. The program coordinator will also have manipulatives available as an option during this time. Once everyone is settled in and all of the babies' needs are met, the instructor will lead the themed portion of class, which typically lasts between 25-30 minutes. During the remaining 15 minutes of class, the EWM stations will be open for free play time guided by the program coordinator. Caregivers and babies will be encouraged to interact with each station before ending the class. Stations include, but are not limited to: a soft shape obstacle course, Nessie soft creatures, crawl tunnels, indestructible books, baby musical instruments, soft blocks, tactile balls, and so much more!

One registration accommodates one child and one caregiver. EWM is also intended to be an inclusive "all-in-the-family" experience. If there is more than one caregiver or an older sibling not within the age range of the class, they are also welcome to attend as a guest at no additional charge. Each

class has a full 8-week course fee; however, we understand that many families have varying schedules over the summer. For this reason, if you would need to attend fewer than 8 weeks of programming, please contact the Summer Experience office to discuss options available. *Please note:*Wednesday classes will run for 7 weeks as there is no class on Wednesday, July 4th.

All classes have a suggested age range based on the appropriateness of the activities covered. Please remember our classes are flexible, and we understand that every child develops at his or her own rate. If you register for a class that does not seem developmentally appropriate for your child, we will be happy to work with you to find an alternative option that is a better fit.

#### What are the benefits of programming for very young children?

Connections! Not only with the world around them, but between the child and those that care for them the most. In a world where technology is so important and our attention is being pulled in so many directions, we need to make conscious efforts to connect. These programs offer support in a variety of ways:

- Programming that is age appropriate and flexible
- Connecting to the community
- Providing a baby safe environment to explore and discover
- · Giving parents and caregivers a venue to network, connect and share

# Sensory Sensitive Friendly Classes

This summer, we are continuing to feature programs that will provide parents with options for their children that may have special sensory needs. We have made strong efforts to educate all of our teachers on the needs of the sensory sensitive child. We strive to make sure our environment supports these needs by being conscious of bright lights and noise levels, providing space for necessary breaks, as well as providing a variety of sensory activities for discovery when the child is ready. These enhancements benefit all children, but are essential to those with sensory needs. All classes will have these options, but there are a few that are specifically designed to support children with additional needs. These classes are identified with a  $\odot$ .

Allergy Policy: Columbus Academy Summer Experience is peanut and tree nut free.

#### Explore With Me | Weekly Schedule 6/12/18 - 8/4/18 **Mondays Tuesdays** Wednesdays **Thursdays Fridays** Saturdays 0 Make My Little Music Swim Tumble **Memories** Scientist Together with Me **NO CLASSES** with Me with Me 18 months to birth to birth to walking to 3 years 18 months to 3 vears 5 years 3 years 3 years

All programs meet from 10:30 am - 11:30 am on their respective day of the week.

# **EXPLORE WITH ME**

Programs are organized by day of the week. Explore With Me will use the Family Division Registration Form located on page 69.

# **TUESDAYS**

#### Tumble with Me

Babies/toddlers walking to 3 years old | Sessions 2-9 Tuesdays 10:30-11:30am | \$160 for the 8-week session Instructor: Gym Skills Staff

This is a caregiver participation class designed to welcome very young athletes into the sport using an open play approach. Gymnastics will help establish balance, flexibility, muscle memory, body position, and beginner tumbling. Children will begin to learn exercise while having fun using various shape mats. We stretch, do an obstacle course, and work on bars, beam, and trampoline. In the obstacle course, we walk on the balance beam, climb, hop, log roll, forward roll, backward roll, crawl, donkey kick, and so much more!

# **WEDNESDAYS**

#### My Little Scientist

Ages 18 months to 3 years old | Sessions 2-9 (no class July 4) Wednesdays 10:30-11:30am | \$126 for the 7-week session Instructor: Marsha Martin

Develop an early love of science in your little one! This hands-on, interactive class is designed to introduce your little one to science in an exciting and stimulating way. Each week will be centered around fun themes such as Squishy Science, Around the Farm, Water Water Everywhere, What's the Weather, and much more. Children will have a blast learning about science through exploration, play, and discovery with engaging activities that will help them to better understand the world around us. Caregivers will also receive materials with which to continue weekly exploration at home.

# **THURSDAYS**

# Music Together

Ages birth to 5 years old | Sessions 2-9

Thursdays 10:30-11:30am | \$184 for the 8-week session

Instructor: Kate Cremean

Use your pots and pans for more than making mac and cheese! Music Together is an active approach to teaching music to babies and toddlers. By emphasizing actual music experiences rather than concepts about music, this class introduces children to the pleasures of making music instead of passively receiving it from CDs or TV. Central to the Music Together approach is the idea that young children learn best from meaningful adult role models in their lives. This program brings families together by providing a rich musical environment in the classroom. It also encourages family participation in spontaneous musical activity at home within the context of daily life. Come prepared to make noise, use shakers, and sing! A songbook, CD, and digital download of all music used are included in the class fee. This class offers a multiple-child discount; please contact our office for details: (614) 509-2267.

# **FRIDAYS**

# Make Memories with Me

Ages 18 months to 3 years old | Sessions 2-9 Fridays 10:30-11:30am | \$144 for the 8-week session Instructor: Krystal Mitchell

Get your creative juices flowing in this class that will explore art with you and your young child. In this class, we will get messy with a different medium each week that will result in a keepsake that you and your family will enjoy for years to come. Dress for mess and prepare to be wowed by the masterpieces you will create together.

#### **SATURDAYS**

#### Swim with Me

Ages birth to 3 years old | Sessions 2-9 Saturdays 10:30-11:30am | \$144 for the 8-week session

Instructor: Katie Maloney

Introduce your child to the water and develop basic skills in a sensory sensitive environment. Children will learn to be comfortable in the water through songs, games, and water exploration. This class will provide a safe, supportive, environment with individualized instruction to meet the needs of each child. Children will learn to trust their instructor and their caregivers in the water as well as basic water safety skills. Caregivers will learn songs and games that they can do in the water with their child. We will move at each individual child's pace and do everything we can to make their experience in the water a positive one!

# **GROWN UP & CHILD**

# Parents/caregivers and children ages 5 and up

Work...schedules...dinners...sports...there is so much to do! Let us help you carve out some precious time to spend with those closest to you. In this new *Grown Up & Child* division, we hope to bring families together to experience fun and play in a lighthearted, but very intentional way. Learning a new skill with your child may be the most rewarding thing you will do all year. We will make memories that will live on beyond the summer and may even spark life long connections and engagement.

Grown Up & Child classes are offered at various times each day, Tuesday through Friday, on Columbus Academy's campus in Gahanna. The campus is accessed from the West on Cherry Bottom Road or from the East via Beecher Road off of Hamilton Road. (Please refer to the campus map on the inside of the back cover.) All Grown Up & Child programs are best accessed by parking in the Family Division parking area in the Academy Hall Parking Circle. Follow the ORANGE signage into the Theatre entrance and into the appropriate classroom.

One registration accommodates one child and one caregiver. Each child in attendance should be accompanied by a grown up. If multiple grown ups would like to bring one child, the second grown up can attend at no additional cost. Most classes have a full 8-week course fee; however, we understand that many families have varying schedules over the summer. For this reason, if you would need to attend fewer than 8 weeks of programming, please contact the Summer Experience office to discuss options available. Please note: Wednesday classes will run for 7 weeks as there is no class on Wednesday, July 4th.

All classes have a suggested age range based on the appropriateness of the activities covered. Please remember our classes are flexible, and we understand that every child develops at his or her own rate. If you register for a class that does not seem developmentally appropriate for your child, we will be happy to work with you to find an alternative option that is a better fit.

# What are the benefits of programming for caregivers and children together?

Connections! Not only with the world around us, but between the child and those that care for them the most. In a world where technology is so important and our attention is being pulled in so many directions, we need to make conscious efforts to connect. These programs offer support in a variety of ways:

- Providing a fun learning environment for both parent and child
- · Learning new hobbies and activities to take home together
- Promoting family time and togetherness
- Giving parents and caregivers a venue to network, connect and share

# FEES, CANCELATIONS AND DEADLINES FOR FAMILY DIVISION

Course fees are located in the course descriptions and registration pages. Whether submitting a paper form or registering online, registration is not complete until payment is received. Cancelations or changes (for Family Division only) made prior to Tuesday, May 29th will incur no penalty and will be refunded in full. Cancelations made after this deadline will be refunded at 25% of the program fee. Please understand that after this deadline, we have made firm financial commitments to our faculty and staff, in addition to purchasing materials for the class. If a cancelation is made after the camp's start date, there will be no refund issued. Changes made to schedules after the deadline will be charged a non-refundable fee of \$25 per child plus any difference in camp fees.

**FAMILY DIVISION DEADLINE: MAY 29, 2018** 

# **GROWN UP & CHILD**

Programs are organized by day of the week. Grown Up & Child will use the Family Division Registration Form located on page 69.

#### **TUESDAYS**

#### Handwriting

Grown Up & Child (Grades PK-1) | Sessions 2-9 (no class July 3) Tuesdays 5:30-6:30pm | \$160 for the 7-week session Instructor: Leslie Catlett / The Penmanship Lab

Join our handwriting camp led by occupational therapist Leslie Catlett. We will focus on the building blocks for developmental progression of handwriting skills. Beginner writers will focus on grasp development, letter formation, size, spacing, and sequencing using a multi-sensory approach for uppercase a-z and numbers 1-10. Arts and crafts and gross motor skills will also be incorporated into our time together. Participants will leave with a packet for at home handwriting practice related to the knowledge and skills covered in class each week.

#### **Somatic Movement**

Grown Up & Child (Ages 7 & up) | Sessions 2-9 Tuesdays 5:00-6:00pm | \$160 for the 8-week session Instructor: Sarah Dove

This class will offer parent and child the opportunity to engage in a physical practice that asks the mind and the body to work together in order to communicate with each other. The goal of engaging in somatic (or mind/ body) awareness for parent and child together is to encourage growing relationships based on non-traditional modes of communication. Participants will experience exercises foundational to contact improvisation, a movement practice that utilizes touch to build trust and creativity through shared body space and care. Similar to partner yoga classes, this class will encourage building a partnership, while seeking to tell stories and have conversations with the body. Get ready to work your body and your mind, in conjunction with your family, giving everyone a new approach to building healthy bodies and relationships. Participants should dress comfortably in modest clothing that will provide plenty of potential for full range of motion movement. Please note some sitting or laying might be explored, and therefore, long pants and long sleeves might be preferred for this portion of the class. A water bottle is also recommended.

# **WEDNESDAYS**

#### 3D Printing and Design

Grown Up & Child (Grades 3-8) | Sessions 2-9 (no class July 4) Wednesdays 5:00-6:00pm | \$140 for the 7-week session Instructor: Todd Martin

Calling all designers, inventors, and engineers! Learn how to apply the design process to 3D technologies! 3D Printing & Design is a hands-on, project-based workshop covering the fundamentals of digital 3D design for 3D printing. Participants will learn the basics of 3D design software and various 3D slicing programs. We will also learn how to operate 3D printers and 3D scanners. By the end of the course, each family will gain a deeper understanding of the design process and will create several 3D printed items with which to take home.

#### **Beginning Sewing Costumes and Accessories!**

Grown Up & Child (Grades 2 and up)  $\,\,$  Sessions 2-9 (no class July 4) Wednesdays 6:00-8:00pm  $\,\,$  \$210 for the 7-week session

Instructor: Emily Westenhouser

In Beginning Sewing Costumes and Accessories, we will make AWESOME

costumes! Each class will focus on a different sewing project that will teach students basic hand sewing and machine sewing techniques in simple and creative projects. We will make a fancy hat, super hero cape, fun mask, and decorate a t-shirt to name a few. *All supplies will be provided although students may bring a t-shirt to decorate.* 

# **THURSDAYS**

#### Treat Yourself! Jewelry & Self-Care

Grown Up & Child (Grades 3-8)

Sessions 2, 4, 5, 6, 8 (no class June 21, July 19, August 2) Thursdays 4:30-5:30pm | \$150 for the 5-week session

Instructor: Andrea Kaiser

It's never too early or too late to talk positively about self-care! In this class, grown-up and child will bond over self-care as we explore ways to show ourselves kindness. Some topics we'll cover are positive affirmations, easy breathing exercises you can do anywhere, and treating yourself to aromatherapy with essential oils and lava bead jewelry! Lava is porous in nature which makes it perfect for soaking up essential oils. We'll talk about some key essential oils and their benefits, and we'll make our own personalized lava bead jewelry. Put a few drops of your favorite oils on the lava beads and wear your aromatherapy all day long! Everyone will leave the five weeks with a few completed pieces of jewelry and a starter pack of essential oils to help you continue your self-care!

#### Woodworking

Grown Up & Child (Grades K-3) | Sessions 2-9 Thursdays 5:00-6:00pm | \$160 for the 8-week session Instructor: Shaun Ditty

Participants will learn and explore the tools, concepts, and basic techniques of woodworking. Special attention to tool use and safety will also be addressed. Small projects will be worked on each week. Participants will also work on a single large project they may take home at the end of the session. This is sure to be a fun and exciting time for all ages.

#### **FRIDAYS**

#### You, Me, We! Art Collaboration

Grown Up & Child (Grades K-4)

Sessions 2, 4, 5, 6, 8 (no class June 21, July 19, August 2) Fridays 5:00-6:00pm  $\,\,$  \$100 for the 5-week session

Instructor: Andrea Kaiser

Every child is an artist. The problem is how to remain an artist once we grow up. -Pablo Picasso. In this fun, upbeat class, everyone is an artist! Grown-up and child will work together to create original, collaborative art through exciting partner projects. These projects will include blind contour drawing (how to draw without looking!), swapping to finish each other's art, telling a story together as you draw a picture one line at a time, creating abstract collages with materials you choose for each other, and more! Inspiration is sure to flow both ways!

# **ADULT & SENIOR**

# Adults 18 and up

What have you done for yourself lately? Work, kids, family... Whatever it may be that you choose to focus your time on, we would like to see you do something just for YOU! Stretch your body and mind by joining us this summer in a program that will expand your knowledge, help you gain confidence, learn a new skill and connect with the community. Take time for yourself to grow as an individual and it will be infectious to those around you.

Adult & Senior classes are offered at various times each day, Tuesday through Friday, on Columbus Academy's campus in Gahanna. The campus is accessed from the West on Cherry Bottom Road or from the East via Beecher Road off of Hamilton Road. (Please refer to the campus map on the inside of the back cover.) All Adult & Senior programs are best accessed by parking in the Family Division parking area in the Academy Hall Parking Circle. Follow the ORANGE signage into the Theatre entrance and into the appropriate classroom.

One registration accommodates one adult. Classes have set session lengths and corresponding course fees; however, we understand that many adults have varying schedules over the summer. For this reason, if you would need

to attend fewer than the designated weeks of programming, please contact the Summer Experience office to discuss options available.

#### What are the benefits of programming for adults and seniors?

As an adult, sometimes it is a challenge to unplug and really give back to yourself. Self-care is difficult to schedule and falls last on many people's priority lists, but it is so important for our health and well being. If we do not take care of ourselves, we cannot be the best version of ourselves. These programs offer support in a variety of ways:

- Improving knowledge retention; keeping your mind and body active
- Providing customizable learning experiences
- Broadening your horizons and interests
- · Giving adults a venue to network and connect

Allergy Policy: Columbus Academy Summer Experience is peanut and tree nut free.

# Adult & Senior | Weekly Schedule 6/12/18 - 8/3/18

Mondays	Tuesdays	Wednesdays	Thursdays	Fridays
NO CLASS	Safety Release Floor Dance 6:30-7:30pm 8 WEEKS	Time for Painting 6:00-8:00pm 6 WEEKS	Jewelry & Self Care 6:00-7:00pm 5 WEEKS	An Informed Patient! 5:00-6:00pm 5 WEEKS

# FEES, CANCELATIONS AND DEADLINES FOR FAMILY DIVISION

Course fees are located in the course descriptions and registration pages. Whether submitting a paper form or registering online, registration is not complete until payment is received. Cancelations or changes (for Family Division only) made prior to Tuesday, May 29th will incur no penalty and will be refunded in full. Cancelations made after this deadline will be refunded at 25% of the program fee. Please understand that after this deadline, we have made firm financial commitments to our faculty and staff, in addition to purchasing materials for the class. If a cancelation is made after the camp's start date, there will be no refund issued. Changes made to schedules after the deadline will be charged a non-refundable fee of \$25 per person plus any difference in camp fees.

**FAMILY DIVISION DEADLINE: MAY 29, 2018** 

# **ADULT & SENIOR**

Programs are organized by day of the week. Adult & Senior will use the Family Division Registration Form located on page 69.

# **TUESDAYS**

# **Safety Release Floor Dance Class**

Adults & Seniors | Session Dates: June 12, 19, 26, July 3, 10, 17, 24, 31 Tuesdays 6:30-7:30pm | \$160 for the 8-week session

Instructor: Sarah Dove

As an alternative to yoga or pilates practice, this is a practice that will encourage stretching and strengthening of the body, utilizing its own weight and range of motion. This practice stays close to the floor and uses the body's safe release into the floor to massage the muscles, encouraging greater stretch and flexibility. This provides a new mode of engaging the body for healthy and happy living. *Comfortable, modest, loose fitting clothing should be worn. Because of the body's contact with the floor, long pants and long sleeve shirts are encouraged for a portion of the class. Be sure to bring plenty of water to keep muscles hydrated and lubricated throughout class.* 

#### **WEDNESDAYS**

#### **Time for Painting**

Adults & Seniors | Session Dates: June 13, 20, 27, July 11, 18, 25 Wednesdays 6:00-8:00pm | \$180 for the 6-week session Instructor: Lavonne Suwalski

Have you ever wanted to paint and draw? Or have you ever thought that looks like fun, but I don't know if I'm artistic? We welcome new painters and experienced artists. Come paint with us where each week is a different lesson. Every class begins with demonstrations of techniques so that you will see exactly how to paint and then have time to practice. You will be able to just about finish a painting in each class. Painting can be fun and a great way to express yourself and expand your creative side. All supplies will be provided.

#### **THURSDAYS**

#### Treat Yourself! Jewelry & Self-Care

Adults & Seniors | Session Dates: June 14, 28, July 5, 12, 26 Thursdays 6:00-7:00pm | \$150 for the 5-week session Instructor: Andrea Kaiser

Press pause on your day and come enjoy a relaxing mini-retreat as we explore self-care, aromatherapy, and jewelry making together. We'll explore how to treat ourselves with kindness through positive affirmations, easy breathing exercises you can do anywhere, and aromatherapy with essential oils and lava bead jewelry! Lava is porous in nature which makes it perfect for soaking up essential oils. We'll talk about some key essential oils and their benefits, and we'll make our own personalized lava bead jewelry. Put a few drops of your favorite oils on the lava beads and wear your aromatherapy all day long! Everyone will leave the five weeks with a few completed pieces of jewelry and a starter pack of essential oils to help you continue your self-care!

#### **FRIDAYS**

#### **An Informed Patient!**

Adults & Seniors | Session Dates: June 15, 29, July 6, 13, 20 Fridays 5:00-6:00pm | \$100 for the 5-week session Instructor: Dr. Theresa Ankamah

Are you an informed patient? Do you know what the Top 10 conditions in adults are, and how you can prevent and manage them? In this class, we will touch on these topics in an informative way, along with useful questions for your healthcare provider. At the conclusion of this class, you will be an informed patient with practical tips for everyday application.

Registration is not complete until payment is received. All fees are due at the time of registration. Cancelations or changes (for Family Division only) made prior to Tuesday, May 29th will incur no penalty and will be refunded in full. Cancelations made after this deadline will be refunded at 25% of the program fee. Please understand that after this deadline, we have made firm financial commitments to our faculty and staff, in addition to purchasing materials for the class. If a cancelation is made after the camp's start date, there will be no refund issued. Changes made to schedules after the deadline will be charged a non-refundable fee of \$25 per person plus any difference in camp fees.

## **COLUMBUS ACADEMY TUTORING CENTER**

Welcome to Columbus Academy Tutoring Center. This program has been created to help parents, students, and tutors connect in an organized and efficient way. Through this center, your child will be able to find a tutor that matches his/her needs and can support growth throughout the summer months. Tutors for Columbus Academy Tutoring Center will be located on the CA campus with the use of the appropriate tools and facilities your child needs. Our tutors are experienced teachers with a love for teaching. One-on-one tutoring, as well as group sessions are available.

To get a head start, there is a short request form attached to this section of the brochure. Please fill out the information and send it to: Columbus Academy, Attn: Alyssa King/Tutoring Center, 4300 Cherry Bottom Road, Gahanna, Ohio 43230. We will let you know as soon as possible if we have a tutor that matches your needs and will make the connection. After you have approved the tutor, you will create your summer schedule, sign the contract and be ready to go! If you would like further information or have questions, please feel free to call Columbus Academy at 614-509-2529. We have tutors with skills ranging from Violin to Chemistry!

## **MEET THE TEACHERS**

Please note: teachers may be substituted in the event of extenuating circumstances.

#### A GRADE AHEAD

A Grade Ahead is an educational enrichment program that strives to help students reach their full academic potential since 2001. A Grade Ahead's advanced learning system provides the skills students need to become confident, capable learners who succeed in school and in life. This is A Grade Ahead's third year at Columbus Academy. For more information, please visit www.agradeahead.com.

#### **JOANNE ADAMS**

JoAnne Adams has coached at Columbus Academy for over 20 years. She has coached field hockey, basketball, lacrosse, and track at a variety of levels. Mrs. Adams currently teaches Lower School physical education and coaches middle school lacrosse and field hockey. This is her 14th year coordinating and coaching the Field Hockey Clinic.

## **GENEVIEVE ADKINS**

Genevieve Adkins graduated from Otterbein University with a degree in Molecular Biology and a minor in Photography. She spent years conducting vaccine research at Nationwide Children's Hospital and Battelle Biomedical Research Center before earning her teaching certification in the Sciences. Genevieve teaches Life Science at The Graham School, an alternative, experiential education school in Clintonville. This will be her fourth year teaching at CA Summer Experience. She's excited to share her knowledge and creativity with the students and to see what they will teach her.

## **JORDAN ANKERMAN**

Jordan Ankerman is a fourth grade science and language arts teacher at Licking Heights West Elementary School. She has always had a lifelong love of science and nature. She is passionate about working with kids and can't wait for another great summer at Columbus Academy Summer Experience!

## SESAN BADEJO, Ph.D.

Sesan Badejo is an educator who has taught, tutored, and provided academic advisement to K-16 students. Her professional experience includes six years as an academic advisor on a university campus while also teaching undergraduate students. She loves teaching and facilitating K-12 students' understanding of a variety of subjects including English language arts and social studies in an engaging and fun manner. Sesan has lived, studied, and worked in many cultures and countries in Europe, Africa, and the U.S. She has earned a doctorate degree in Political Science from the University at Albany, State University of New York; a Master of Science, International Relations from the London School of Economics and Political Science (LSE), UK; and a Bachelor of Arts (Hons) French, with a minor in English Language Arts from the University of Ibadan, Nigeria. She is able to communicate effectively and interact respectfully with students, staff, and parents/guardians.

## **CARROLL BAKER**

Carroll Baker is Central Ohio's busiest magician performing at 7 locations of the Old Bag of Nails. He has been part of CA Summer Experience since the program began. Carroll has taught magic to children in after school enrichment programs for over 18 years and performs on the Buckeye cruise each year. More info can be found at www.magicparty.org.

## **BALLETMET**

Since 1978, BalletMet has brought incredible dance to theatres, studios and classrooms in Central Ohio and beyond. Every year, BalletMet inspires nearly 125,000 audience members through local performances at home, touring shows, academy classes, and extensive outreach. BalletMet's Dance Academy provides a comprehensive curriculum with quality and healthful instruction for students of all ages and impacts more than 1,700 students each year. Classes offered include ballet, tap, jazz, and modern dance and are designed for all levels of experience — from the avid dance lover to the aspiring professional. In addition to performances and education, BalletMet impacts the community through free open rehearsals, scholarships, and more. For more information, please visit www.balletmet.org.

#### NATALIE BARKER

Natalie Barker is currently a CA staff member in the Children's After School Experience (CASE) program, and she is new to Summer Experience this year! During the last 20 years, she has been teaching toddlers to school age children in childcare centers. She loves to stimulate creativity through reading and activities that relate to different stories.

#### **LUKE BARRICKLOW**

Luke Barricklow is currently a physical education teacher in Pickerington Local School District. He graduated from the Indiana University of Pennsylvania with a bachelor's degree in Health and Physical Education where he was the president of the club lacrosse team. His teaching background includes working in special education where he was a long-term substitute as an Adapted Physical Educator for the Intermediate Unit 13 in Pennsylvania, as well as one year at Columbus Performance Academy as a physical education teacher. Along with being a teacher, he has also been a head junior varsity lacrosse coach in Pennsylvania, and has also been a coordinator for several youth football camps. He looks forward to another exciting summer at CA.

## **LEAH BAUGHMAN**

Leah Baughman is a first grade teacher at Bloom Carroll Primary. This is her third summer working at Columbus Academy. Leah graduated from The Ohio State University and received her teaching license from Ashland University.

#### **CHARLES BROADHEAD**

Charles Brodhead has been a teacher in the Big Walnut Local District for 24 years now. He has been working with CA Summer Experience since the program began. He holds a Master's degree in Sports Science from Ashland University.

#### **DENISE BROOKS**

Denise Brooks is a Gifted Coordinator in Olentangy Local School District. Denise graduated from University of Cincinnati with a BS in Biology and from Ashland University with a M.ED in Curriculum and Instruction. This is her second summer teaching in CA Summer Experience program. She has over 23 years of experience in working with elementary and middle school age children. As a Gifted Coordinator, Denise spends most of her time creating exciting differentiated real world learning opportunities for students. Denise loves to encourage students to think outside of the box. In her spare time, she enjoys volunteering and taking walks in the parks.

## **ELAINE BUSS**

Elaine Buss has been a professional artist and arts educator since 2010. She has a BFA from Southern Illinois University Edwardsville and will finish her Master of Fine Arts in Spring 2018 from Ohio State University. She has exhibited work internationally, been the recipient of many awards and grants, and participated in numerous exhibitions. Her experiences in the arts have led her to live in North Carolina, Missouri, Nebraska, Massachusetts, Illinois, Ohio, and Italy. This is Elaine's second year teaching in the CA Summer Experience program.

## LYN CAMPBELL

Lyn Campbell has taught a variety of art-themed classes with CA Summer Experience. She has a BFA in Art History and an MA in Journalism with a concentration in Photography and Cinema from Ohio State and completed a teaching program in Visual Art at Otterbein University. She has worked as a photographer for The Ohio State University and an editor for OHIO Magazine. She also was an artist member of the Children of the Future program of the Greater Columbus Arts Council and has taught arts workshops at CCAD, the Wexner Center for the Arts, and the Columbus Museum of Art.

## THE CHILLER

The OhioHealth Chiller Ice Rinks own and/or operate six locations throughout Central Ohio. Established in Dublin in 1993, the Chillers are a sister company of the NHL Columbus Blue Jackets with the mission of growing participation in hockey and skating. We are dedicated to creating and maintaining a fun, family oriented, recreational atmosphere for youth and adults. For information on all of our great programs, please visit www.thechiller.com.

## JARED CIRCLE / KOGURYO MARTIAL ARTS ACADEMY

Master Jared Circle holds black belt ranks in four different Korean Martial Arts systems and brings his expertise and commitment to quality instruction to CA Summer Experience. He also teaches professionally in Central Ohio and has for the past decade. Master Circle travels frequently to Korea for training and has spent more than two years overseas learning and training in the arts he instructs.

## MICHELLE F. CORNELL

Michelle F. Cornell is a drama teacher, director and storyteller who has served children and young people throughout her career. She received an MFA in directing from the Ohio University School of Theater in 1984 and a Masters in Education from SUNY Plattsburg in 1995. She has taught with Columbus Children's Theatre, The McConnell Arts Center and The Delaware Arts Castle. Michelle believes that all students should have the opportunity to explore the limits of their creativity in a supportive environment where all learners can grow and shine!

## COSI

COSI, the Center of Science and Industry located in Columbus, Ohio, is one of the most respected science centers in the nation — engaging more than 33 million people through both on-site and off-site programs since 1964. Parents Magazine named COSI the #1 Science Center in the Country. COSI's programs and world-class experiences inspire an interest in science encouraging people to want to learn more about their world. For additional information, please visit www.cosi.org.

## **CHELSEA CRABTREE**

Chelsea Crabtree is a local dance teacher and choreographer. She has trained in many genres of dance over the past 15 years including jazz, modern, hip hop, contact improvisation, creative movement, and ballet. She studied dance at Columbia College Chicago where she obtained her BA in Dance with an emphasis in Dance Education and Composition.

## KATE CREMEAN / MUSIC TOGETHER

Kate Cremean has been a music educator for 20+ years. Her specialties are private voice, musicianship, choral singing, and choral conducting. Kate is currently working on her Level 1 Certificate in Dalcroze Eurhythmics. Kate also has a passion for musical theatre and is the director of the youth musicals through WPRCT each Spring. In addition to working with singers privately and in the public schools, Kate been blessed to train beginning musicians through the Music Together curriculum.

## **JACLYN DAVIS**

Jaclyn Davis is a freelance craft and sewing teacher in Columbus, Ohio. She teaches a wide range of skills for adults and children. This will be Jaclyn's second summer at Columbus Academy. Jaclyn has a passion for sewing, cooking and crafting and loves sharing that passion and growing young ones' creativity.

## RATNAMALA DESHMUKH

Ratnamala Deshmukh, better known as Mrs. D, has been a member of Columbus Academy staff since 2013. She teaches arts and crafts classes in the After School Activities (ASA) program. This is her third year teaching in Summer Experience. Ratnamala graduated in Fine Arts (BFA) from India.

## KEVIN DONOVAN / COLUMBUS CREW SC

Kevin Donovan is currently the Director of Coaching for Crew SC Player Development. He comes to Crew SC having spent the last three years as the Assistant Coach for the Men's Soccer team at his alma mater Southwestern University in Georgetown, TX. During his time at Southwestern, Donovan helped guide the Pirates to three consecutive conference tournament berths, while coaching 11 players that were named to all-SCAC teams. Kevin is also currently the Head Coach for the boys' soccer team at Upper Arlington High School. In addition to his college and high school coaching experience, Donovan has spent time as a coach and trainer at the club level for over 10 years with Woodbury Soccer Club in Minnesota (2009-2014), the Lions Futball Club in San Antonio, TX (2005-2009), and Lonestar SC in Austin, TX. Donovan has earned his USSF

National "B" License. He also holds his National "C" and "D" Licenses, NSCAA GK Level 1 & Level 2 Diplomas, and has completed a number of youth modules as part of his ongoing coaching education. Donovan received a Bachelor's of Arts in Sociology from Southwestern University in 2005.

#### **SARAH DOVE**

Sarah Dove holds an MA in Dance Theories and Practices from the University of North Carolina at Greensboro and a BA in Music and Business from Otterbein College. She is currently a PhD student and Graduate Teaching Associate in the Department of Comparative Studies at The Ohio State University. As a former student of Columbus Academy Summer Experience, she is excited to enter her second summer as a teacher, where she can instill the same love of learning in both physical and intellectual practice that she cherished during her time as a student.

#### DROBOTS COMPANY

Our mission is to develop and deliver the highest quality, most inspiring, and inventive drone and virtual reality technology experiences to the next generation of visionaries and disruptors—one student at a time. We transition students from being passive consumers of technology into tomorrow's technology creators and innovators. Drobots Company builds inclusive, hands-on, educational, and fun learning environments where students are empowered with the autonomy, tools, and skills they need to reimagine our tech-driven world through the lens of drones, UAVs (unmanned aerial vehicles).

#### LAURA DUSTMAN / BALLETMET

Laura Dustman has been teaching dance for more than 25 years. She enjoys introducing dancers to ballet technique in the studio and taking dance into schools to enhance learning through BalletMet's educational outreach. A Columbus native, Ms. Dustman trained at BalletMet through her high school graduation. She then graduated from The Ohio State University with a Bachelor of Fine Arts in dance education. She has continued to train by becoming an ABT® Certified Teacher in Primary through Level 3 and studying with Dr. Martha Eddy and Pamela Sofras in dance education.

## **LEAH ECARUAN**

Leah Ecaruan currently teaches fifth grade math and science in Columbus. This will be her second year at CA Summer Experience. Leah graduated from the University of Portland in Oregon with a BA in Elementary/Middle School Education and an endorsement in Mathematics.

## LAUREN EDMONDS

Lauren Edmonds is a high school English teacher with a passion for creative expression. She advises her school's newspaper, yearbook, and anime club. This is her fourth summer with Columbus Academy.

## **ENGINEERING FOR KIDS**

Engineering For Kids brings science, technology, engineering, and math (STEM), to kids ages 4 to 14 in a fun and challenging way through classes, camps, clubs, and parties. Engineering for Kids is proud to inspire children to build on their natural curiosity by teaching engineering concepts through hands-on learning. Engineering is, after all, one of the fastest growing industries in the world! For more information, visit our website at www.engineeringforkids.com.

## **MICHELLE FACIANA**

Michelle Faciana received her BS and MEd in Early Education from The Ohio State University. This is her eleventh summer with the Summer Experience program. Michelle just finished her eighth year as the Middle School Technology Specialist at Columbus Academy. She was previously a first grade assistant, kindergarten computer teacher, and assistant in the Lower School CASE program. Michelle is also the author of a children's book, *Snickers' Day Out*.

## ANNA FARMER / OHIO CORALINAS SYNCHRO

Anna Farmer has been involved in Synchronized Swimming for 37 years. This is her third year working with the CA Summer Experience program. She is the head coach of Ohio Coralinas Synchro and is a synchronized swimming judge and clinician as well.

#### **SUE FIGLIK**

Susanne Figlik has been with Columbus Academy Summer Experience since 2010, serving as both PreK Teacher/Coordinator and After Care Coordinator. She enjoys the happy privilege of supporting and supervising both teachers and children as they play and learn together throughout the summer. Mrs. Figlik has been an associate teacher in Columbus Academy's Lower School since 2005, working in second, third, and currently fourth grade. She also holds the position of Children's After School Experience (CASE) supervisor. Prior to this, Mrs. Figlik taught Preschool Special Education with the St. Charles School District in Illinois. Mrs. Figlik received her Bachelor of Arts degree in Russian Studies and did her graduate work in Early Childhood Education with Northern Illinois University.

#### JENN GEBHART

Jenn Gebhart is a registered yoga teacher, and this is her fifth summer working in the CA Summer Experience program. She has been teaching yoga for 14 years and is a Child Light Yoga Teacher and an Urban Zen Integrative Therapist. She enjoys sharing yoga and empowering her students to live their best life.

## THE GREATER COLUMBUS SWIM TEAM OF OHIO (GCSTO)

The Greater Columbus Swim Team of Ohio (GCSTO) is a member of USA Swimming operating year-round and is comprised of athletes between the ages of 6 and 19. GCSTO also operates The Greater Columbus Swim School (GCSS), which operates year round and is comprised of participants from the age of 2 years old through adult. The GCSS operates out of 6 facilities throughout the year and also is the program that runs the swimming lesson programs for the City of Gahanna at both of their outdoor summer pools, in addition to running Columbus Academy's fall and spring ASA programs and the Summer Experience program. Both GCSTO and GCSS are owned and operated by GCSTO head coach, Steve Nye. GCSTO has had at least 20 athletes compete in the US Swimming Olympic Team Selection meets in the past. GCSTO is the age group/senior program of 2000 US Olympian Amanda Adkins. The team has now produced or trained 20 world ranked athletes, 2 Olympic team members, a Pan-American Games medal winner, a Pan-Pacific team member, 3 World Championship team members, 2 Olympic Festival team members, 3 NCAA champions and 3 members of American Record holding relay teams. The Greater Columbus Swim School Program was chosen as central Ohio's #1 lesson program in the 2009 Nickelodeon's Parent's Pick Awards, as "Best of Columbus" in 2011, 2012, 2014, and 2015 by the US Commerce Association, as one of the USA Swimming Foundation's local partner in their national Make A Splash campaign from 2010-2015 and as a 2014-2017 partner for Nationwide Insurance's Autism Speaks Camp Series.

## **HELMA GROOT**

Helma Groot started sewing at a very young age while she was living in the Netherlands. She then moved to Indonesia, Germany, and eventually the U.S., where she graduated from Columbus College of Art and Design with a fine arts degree. While in the Netherlands, she also studied furniture making. After more than 20 years of making her living as an artist, she discovered her love of teaching. She still sews and makes her own artwork, but is also a high school art teacher in Bexley. This is her tenth year teaching summer camp at Columbus Academy.

## FRANZ GRUBER

Franz Gruber is a member of the Columbus Academy faculty. He teaches Latin in the Middle School and has been teaching at Columbus Academy for nearly 20 years. He earned his Ph.D. from Cornell University. This is his fourth summer working in the CA Summer Experience program.

## **GYM SKILLS STAFF**

Gym Skills is a unique business that offers gymnastics, cheerleading, and hip-hop programs. Our coaches are energetic, dedicated to the sports, and have decades of experience. At Gym Skills, we build children's self esteem by creating a positive, non-competitive learning environment. The goal is to have the child walk out of the class feeling like a winner while deepening their understanding of the sport with an emphasis on proper technique!

## MARK HAMMOND

Mark Hammond is a member of the Columbus Academy Athletic Coaching

Staff. This is his first summer teaching in CA Summer Experience. He also leads Columbus Academy student-athletes in their summer athletic development sessions prior to the beginning of the Fall sports season. Mark graduated from The Ohio State University with a BS in Coaching and Management and has been a Certified Strength and Conditioning Specialist since 2006.

#### MACKENZIE HANNA

Mackenzie Hanna is a fourth year Spanish teacher at McCord Middle School in Worthington. This is her second summer working with CA Summer Experience. Along with teaching Spanish, Mackenzie is a dance team coach for Bishop Watterson High School and dance teacher at Bexley's Jeffrey Mansion for the parks and recreation program. Mackenzie is also a company dancer for Columbus' New Vision Dance Company. She is a graduate of Miami University with a BS in Spanish and Spanish Education and was a member of Miami's Vision Dance Company as a choreographer and dancer for four years.

#### **CHRIS HIGGINS**

Chris Higgins has been skateboarding for over 30 years and teaching skateboarding for 17 years. When he is not on his skateboard, he teaches European History and Classical Mythology at Columbus State Community College.

#### **LESLIE HILL**

Having worked as a chemist for approximately 20 years at a local medical nutritional company, Leslie continued her working career as a substitute and part-time teacher. Teaching in a number of districts since 2005, she has worked with students from diverse social and economic backgrounds. Leslie's interests and hobbies span a number of subjects and topics, including instrumental music, commuter and short tour biking, facilitating book discussions, blogging and podcasting. She has worked with CA Summer Experience since 2006. She is a graduate of The Ohio State University with a BA in Chemistry and holds a Long-Term Substitute Teacher License in Integrated Science, Physical Science/Chemistry in the State of Ohio. She has one daughter who graduated from Columbus Academy.

## DR. IHAB ISMAIL

Ihab Ismail is a result-driven educator and consultant. He provides private and small group training and assessments in ACT, SAT, PSAT, mathematics, biology, and chemistry. He also develops and implements STEM workshops to help students see what it is like to be a scientist and critical thinker. His initiatives include collaborations with leading institutions such as Nationwide Children's Hospital to develop programs in science to solve real-life issues. His personalized approach and attention to a student's learning style aims to help the student achieve his or her potential. To learn more, visit www. ihabismailphd.com.

## **CAROLYN I. JONES**

Carolyn I. Jones has been teaching and providing private tutoring lessons in French to children, teens and adults for over five years. Her educational background includes a year of study at the Alliance Française in Paris, France, two years of study at the Sorbonne in Paris, France, and an MA in French and International Policy Studies from the Middlebury Institute of International Studies, at Monterey.

## JAMIE JONES / HOOVER SAILING CLUB

Jamie Jones is in his fifth season as the Program Director of Hoover Sailing Club's Learn to Sail Program and his eighth year working with CA Summer Experience. Prior to taking over as HSC's Program Director, he was the lead instructor in the evening Adult Learn to Sail for eight years. Jamie has been involved in all aspects of the Learn to Sail and Youth Racing programs for over 25 years, including an 11 year run as Head Racing Coach. He's currently the Lead Instructor in the evening adult program, Head Coach for the Denison University Sailing Team, and a proud 1998 graduate of The Ohio State University. He started the High School Sailing Program in the fall of 2015 and currently is Head Coach for eight local high school sailing programs. He currently serves on the US Sailing Community Sailing Committee providing guidance to all Learn to Sail programs in the Midwest and is the Area E Junior Championship Chair and a US Sailing Regional Training Coordinator. When he's not coaching or teaching, he's spending time with his wife and four kids or enjoying time on his sailboat.

#### **KYLE JONES**

Kyle Jones is the chess instructor for the Columbus Academy after-school enrichment program. This is his seventh summer working in the Summer Experience program. Kyle graduated from The Ohio State University with a BS in Psychology, is completing his Master's in Early Childhood Education, and has achieved the title of Candidate Master from the United States Chess Federation. From player to coach, Kyle has been a part of more than 40 state championship titles and 15 national titles. He was crowned the 2015-16 State of Ohio Speed Chess Champion (3rd title overall).

## **ANDREA KAISER**

Andrea Kaiser has always loved to create. She loves textures, colors, and especially loves turning basic materials into new expressions. She runs a handmade jewelry business, Glass Sky Jewelry, with the hopes of emboldening and celebrating the strong, natural spirits of anyone who wears the pieces. Andrea's Summer Experience classes will have the same goal: to encourage your creativity, embolden your spirit, and explore the wonder of every day!

## **LEAH KAISER**

Leah Kaiser is a Health Improvement Client Manager. This is her third summer working in the CA Summer Experience program. She has a degree in Physical Education (K-12) from The Ohio State University and a Masters in Wellness Management from Ball State University. She also is a coach with Jump Start Sports in Gahanna.

#### KATE KAURA

This will be Kate Kaura's third summer teaching in the Columbus Academy Summer Experience program. She is currently pursuing her MA/PhD at The Ohio State University in Comparative Studies and teaches undergraduate courses on culture, world religions, and philosophy. Kate graduated with a BA from The Ohio State University in Comparative and International Studies, while also attending Harvard and Columbia University, and participating in many study abroad programs in India. In her spare time, she teaches yoga to adults and children, but prefers doing animal yoga poses with kids and her twin five-year-old sons!

## **TYLER KUHN**

Tyler Kuhn is a native of Louisville, Kentucky and a graduate of West Virginia University, where he was an All-American baseball player. Tyler was drafted by the Chicago White Sox in the 15th round of the 2008 MLB Draft. He went on to play seven years in the Minor Leagues from Rookie Level through Triple-A, including finishing his career in 2014 with a Canadian baseball team. Tyler is currently the Canal Winchester High School Baseball Coach and also has many years of experience in individual baseball lessons, clinics, and camps. Tyler is excited for his third year of CA Summer Experience!

## **RON LEACH**

Ron Leach has taught physical education at Columbus Academy for over 13 years. He holds a bachelor's degree in physical education and a master's degree in sports science. He is presently the varsity soccer coach as well as the Middle School wrestling and tennis coach at CA.

## LITTLE MEDICAL SCHOOL®

The Little Medical School® brings medicine, science, and the importance of health to children in an entertaining, exciting, interactive, and fun way. Little Medical School® is the only program of its kind in the area that exposes children to the fields of Medicine, Veterinarian, Wilderness, Sports Medicine, Pharmacy, Nursing, and many more programs. Our program is created by board certified physicians and delivered by trained instructors who have a passion for children and science. This is the Little Medical School® 's third year partnering with Columbus Academy Summer Experience. For more information, please visit our website at www.littlemedicalschool.com/columbus or email us at Imscolumbus@littlemedicalschool.com. We look forward to an exciting summer and an opportunity to inspire tomorrow's healthcare professionals today!

## LITTLE SCHOLARS

Little Scholars has worked with more than 10,000 children, providing personalized tutoring, after-school enrichment programs, and summer camps in schools across the country. This is our fifth year offering our summer camps in the CA Summer Experience program.

## **ANDREW MAROTTE**

Andrew Marotte has been teaching music, dance, and theatre for the past 25 years. He teaches private music lessons in piano, guitar, and voice full-time and has taught dance professionally with concentrations in musical theatre, tap, and jazz. Drew has also taught several children's musical theatre camps that encompass all aspects of theatre production including audition, set and prop construction, acting, singing, dancing, and performance.

## MARSHA MARTIN

Marsha Martin is a former Upper School physics teacher at Columbus Academy with a background in engineering. She has volunteered extensively with babies and young children over the course of 25 years and is currently a stay-at-home mom of three. This is her third summer working in the CA Summer Experience program.

#### TODD MARTIN

Todd Martin is in his 12th year at Columbus Academy as a Middle School Science and Engineering teacher. In addition to teaching, he has served as a Science Olympiad coach, Makerspace enthusiast and technology trainer. Todd is an Apple and Google certified teacher and has several years of experience with both robotics and 3D printing and prop making.

#### ADAM MAYNARD / INSPIRATION TO MOVEMENT

Adam Maynard is Director of Ballroom Dance at Inspiration to Movement in Columbus. He competes professionally in the American Smooth style, having been a finalist in many competitions across the United States. Adam has studied under many top ballroom coaches including David Hamilton, Olga Foraponova, Toni Redpath, Ray Rivers, and Mariann Nicole and brings this expertise to his students.

#### JENNIFER MCGINNIS

Jennifer McGinnis teaches fifth grade at Johnstown Elementary. This is her seventh year working in the CA Summer Experience program. She graduated from Cal State Long Beach with a BA in Liberal Studies and a teaching credential in grades K-5.

## **AMY MCLAUGHLIN**

Amy McLaughlin is a member of the Columbus Academy faculty as the Lower School Music Teacher for grades 2-5. This is her thirteenth year working in the CA Summer Experience program. Amy graduated from The Ohio State University with a BM in Vocal Performance, a BME in Music Education specializing in Elementary General Music, and an MME also specializing in Elementary General Music. She lives in Westerville with her family and is addicted to frogs!

## KATHY MENDENHALL

Kathy Mendenhall is currently a CA staff member in the Lower School Children's After School Experience (CASE) program. This is her fourth summer working in the CA Summer Experience program. Kathy studied theatre and music in a vocational performing arts school during high school. She later studied various forms of dance from Irveline's School of Ballet, Dublin Dance Center, and BalletMet for several years.

## KRYSTAL MITCHELL

Krystal is a native of Columbus, Ohio. She has been a part of the Columbus Academy community since 2014. Her professional experience has consisted of teaching kindergarten for seven years. Krystal is passionate about engaging students in authentic learning experiences that heighten their sense of wonder, enthusiasm towards schooling, and comfort with challenges. Furthermore, Krystal has a deep affinity for literacy instruction and equity work in education.

## ANTHONY NG / CODEMONSTER

Anthony Ng is a software developer with a software house for 18 years. This is his second summer working in the CA Summer Experience program. In addition to his full-time work, he runs programming classes for kids at various recreation centers. Anthony graduated from the University of Central Oklahoma with a BS in Computer Science.

#### **ELLIOT NICK**

Elliot Nick is an aspiring cinematographer in Chicago. He is a recent graduate from Northwestern University, where he studied Radio/Television/Film and Chinese Language & Culture. This is his sixth summer working in the CA Summer Experience program.

#### SUSAN POWERS / BALLETMET

Susan Powers has taught ballet in Columbus for more than 30 years. Ms. Powers holds a Bachelor of Science in Education from Butler University and a Master of Arts Education from The Ohio State University. Her dance education training covers a variety of ballet techniques including RAD, Vaganova, and ABT. Having a firm understanding of educational development has helped Ms. Powers cater her classroom plans to early childhood dance studies. In addition to teaching ballet, she has also taught high school art for more than 40 years.

#### **JOEL REED**

Joel Reed is originally from Chicago, Illinois, and he has lived in the Columbus area for five years. This is his second year teaching in Columbus Academy Summer Experience. When he isn't hiking in the woods, he's at home with his wife and four boys or building in his workshop.

## JULIA RICHEY / ROYAL ARTS FENCING ACADEMY

Julia Richey was a 13-year member of the Russian National fencing team. In 2001, she founded Royal Arts Fencing Academy, the longest continuously running fencing academy in the state. She and her team of coaches have produced national medalists and champions multiple times per year for the past nine years. Royal Arts has been doing Summer Experience for 12 years.

## MICHELLE SABADASH

Michelle Sabadash is a professional writer with over twenty years of experience. This is her fifth summer teaching in the CA Summer Experience program. She has a bachelor's degree from Miami University and a master's degree from Harvard University, where she worked as speechwriter to the Dean at Harvard Graduate School of Education. In addition to teaching workshops, she works as a freelance writer, helping education and nonprofit clients such as Ohio Dominican University, City Year and I Know I Can. She lives in Galena with her husband and son, a student at Columbus Academy.

## **CALI SANKER**

Cali Sanker graduated from Ohio State University's Art Education program in 2015. After graduation, Sanker spent a year exploring art experiences with preschool age children. During this time, she focused on a variety of sensory art, child led play, and limitless exploration within the city of Columbus. Cali currently works in a small informal education setting and enjoys spending time making her own art and music.

## MICHELLE SCHROEDER

Michelle Schroeder is a teacher in the Lower School Drama Department at Columbus Academy. This is her fifth summer returning to CA Summer Experience offering classes that combine creativity, dramatic play, history, and science with a whole lot of joy and laughter thrown in there, too. Michelle is the proud mom of Eleanor, wife of Jon, and founding member of Available Light Theatre Company. She is a graduate of The Ohio State University and a 20+ year teacher of theatre for children of all ages. For more information, please visit www.avltheatre.com.

## **BRITTANY SCHWARCK**

Brittany Schwarck is a K-5 art teacher working at Blacklick Elementary in Gahanna. This is her second summer working in the CA Summer Experience program. Brittany graduated from The Ohio State University with a bachelor's degree in Art Education.

## SCIENSATIONAL WORKSHOPS

Sciensational Workshops has been running science enrichment programs for children of elementary age for 35 years. This will be their seventh year with Columbus Academy Summer Experience. Neil Schulman is the director and a former high school chemistry teacher. Sciensational Workshops' programs are hands-on, fun, educational, and follow STEM guidelines.

#### **SEAN SILVER**

Sean Silver coached middle school and varsity wrestling at Columbus Academy for nine years and ran the popular Young Vikes Youth Wrestling program. He is also a Columbus Academy parent and a certified coach with USA Wrestling. This is his ninth year running the Summer Experience Wrestling Clinic. In his ten years of coaching, Sean has stressed the life lessons that extend beyond the mat: self-confidence, fitness, perseverance, discipline, teamwork, and sportsmanship. His view of a successful season is when a wrestler has fun and finishes with more confidence and pride in themselves.

## THE SIMPLR STEAM PLAYGROUND

Our goal at The SIMPLR STEAM Playground, located at 710 Cross Pointe Rd. in Gahanna, is to prepare your child for the future. That means that our classes, which we call labs, are designed to expose your child to the technologies, concepts, and ideas that will impact their lives. These technologies include, but are not limited to, drones, virtual reality, computer science, augmented reality, and 3D printing. Beyond these technologies, we focus on mental development using STEAM (Science, Technology, Engineering, Art, and Math). STEAM is more than simply the content areas that make up the acronym. When children engage in "STEAM activities", they establish and increase their spatial intelligence, which is key in understanding and excelling in ALL aspects of life. Our philosophy centers around the following key areas: spatial intelligence, innovation, making, play, literacy, and reasoning.

## **CHUCK SIMPSON**

Coach Simpson is a member of the Columbus Academy faculty as a Middle School teacher and Upper School Mathematics teacher. He has nearly 20 years of football coaching experience overall and 14 years at Columbus Academy. Coach Simpson completed his undergraduate work at Shawnee State University and his Masters in Curriculum Instruction from Ashland University.

## MICHAEL SMITH

Michael Smith is a certified science teacher and member of the Columbus Academy faculty as Assistant Director of Diversity and Community Life. He is also faculty assistant coach for the Science Olympiad Team. This is his fourth year working with the CA Summer Experience program. Michael graduated from Ohio University with a BS in Zoology/Pre-Physical Therapy and Reading Endorsement. He has worked as a Laboratory Manager prior to earning his Teaching Certification from Capital University.

## **RACHELLE SMITH**

Rachelle Smith is passionate about helping others find their true potential, whether it is in the art studio or in the yoga studio. Rachelle has several years of experience as an art teacher in school settings, and this is her third year teaching for the Columbus Academy Summer Experience program. She holds a BFA in Painting and Drawing and an MA in Art Education from The Ohio State University. In addition, she is also a certified yoga teacher with 200-hour yoga teacher certification.

## JOHN STREET

John Street is in his 17th year as a Columbus Academy faculty member and in his 49th year overall as both a teacher and coach. Of his 49 years, 15 of those were spent at the college level coaching Women's Basketball. He currently teaches Calculus and Psychology. John also has a background in teaching summer Geometry, Algebra I, Advanced Algebra II, AP Statistics, and Precalculus.

## **CHRISTOPHER SUOZZI**

Christopher Suozzi is a premedical student at The Ohio State University. He received his Bachelor of Science degree in neuroscience from Ohio State in 2017. As a student research volunteer in the Department of Anesthesiology at The Ohio State University Wexner Medical Center, Chris engages in translational and clinical research projects. Along with his commitments to the hospital Eucharistic ministry on Sundays and free clinic on Mondays, Chris maintains dedication to advancing the knowledge of the nervous system for students, parents, and teachers throughout the Central Ohio community. This is his second year working with the Columbus Academy Summer Experience program.

## LAVONNE SUWALSKI

Lavonne Suwalski is a retired teacher with over 30 years experience teaching

art in grades 1-12. She has taught fellow artists and students in workshops and lessons across New England and Ohio. She is an accomplished artist whose work has been on display at the Columbus Museum of Art. She is a graduate in fine arts from Emmanuel College Boston and holds a masters degree from Clark University in Worcester MA.

## **TECH CORPS**

TECH CORPS is a non-profit organization dedicated to ensuring K-12 students have equal access to technology programs, skills and resources that enhance early learning and prepare them for college and career. Through the implementation of engaging Computer Science and Technology programs and the deployment of technology- industry volunteers, TECH CORPS programs have impacted thousands of K-12 students in more than 500 schools and non-profit organizations in Ohio, Texas, Georgia, Rhode Island and New Jersey. Techie Camp instructors (TECH CORPS staff) consist of dedicated undergraduate/ graduate computer science and/or engineering students and technology professionals. They are knowledgeable with Programming (C++ and/or Java); Robotics; Flash® Animation and/or Graphic Arts, 2D/3D Video Game Design and 3D Printing. For more information, visit www.techcorps.org.

## MAY THET/ CODEMONSTER

May Thet is a technical professional with a software house for 20 years. This is her second summer working in the CA Summer Experience program. In her free time, she enjoys building crafts with her 9-year-old daughter. May Thet graduated from University of Central Oklahoma with a BS in Computer Science.

#### **CHIQUITA TOURE**

Chiquita Toure is a school librarian at Eastmoor Academy High School with 21 years of teaching experience in grades PreK-12. Her primary teaching assignment included teaching Language Arts in grades six through eight for 13 years. She is a Teacher Writing Consultant with the Columbus Area Writing Project and serves as the advisor of the Warriors Writing Club at Eastmoor and works regularly with the Ohio Writer's Guild. As an alum of the Teacher Leadership Initiative, a collaboration of NEA and Center for Teaching Quality, she is a contributing blogger for Education Week. Chiquita holds a BS in Elementary Education, Master of Education in Policy Analysis both from the University of Illinois at Urbana- Champaign and a Master of Education in Technology and Library Media from Mansfield University. Her certifications are K- 8, PK-12 Library Media.

## **TREKNETWORK**

TrekNetwork leads urban and outbound adventures and team building events across Ohio. Founded in 2011, TrekNetwork is based in Columbus and leads indoor and outdoor events year-round. We're adventure guides, naturalists, artists, and presenters leading rock climbing, rappelling, archery, fishing, and edible forest treks. Our team building activities are unique and ideal for groups of all sizes. Events are customized for each group and often include live acoustic music in a cave or artist led painting in the park. Couples, families, and groups of all kinds use our services to create unique private events that leave lasting memories and enhance connections with nature, friends, colleagues, and family members.

## MCKENZIE VAUGHN

Mckenzie Vaughn is excited for her second year as a Summer Experience teacher! Previously Mckenzie was a senior counselor for Summer Experience for four years. Mckenzie is a 2015 graduate in Music Education from Mount Vernon Nazarene University. In her free time, Mckenzie plays her trumpet in pit orchestras and symphonies as well as participates in acting with many theaters around the Central Ohio area. She loves working with students and teaching them to love and appreciate the arts!

## GAIL VAWTER / ROBOT ACADEMY, LLC

Robot Academy, LLC has been teaching action-packed summer technology camps for twelve years. Students age 5-16 design, build, and program working LEGO Robots using Lego Mindstorms EV3 and create inventions using 3D Modeling/printing. It's the ultimate STEM (Science, Technology, Engineering, and Math) experience. Co-founder and instructor Gail Vawter has worked in the Information Technology industry for over 20 years. With a strong desire to educate our future generation and provide guidance for STEM careers, Gail

co-founded Robot Academy to teach creative problem solving. As a teacher and coach of student science teams, she has won numerous national and global awards with FIRST LEGO League (FLL), NSTA/Toshiba ExploraVision, Christopher Columbus Awards, NASA Space Day, US Army's eCybermission, National Gallery for Young Inventors, and more. Her team's inventions were recognized by the Ohio Senate and Ohio House of Representatives. Gail also judges for FIRST LEGO League and other National competitions, teaches LEGO Robotics afterschool programs, directs Robot Academy's programs, and enjoys providing students with fun and rewarding experiences.

#### **BILL WALKER**

Bill Walker is a 25-year veteran instrumental and vocal music teacher for the Columbus Public Schools, who has also done composing and improvising residencies through the Ohio Arts Council, at The Thurber House, and in Days of Creation Arts Camps. Bill has also composed music for dance in many styles including modern dance at the University of Minnesota and The Ohio State University and a ballet score for a Columbus Dance Theatre ballet. He loves encouraging creative music making in all forms and has also been obsessed with photography since long before the digital age. Having fun with young people exploring music and the visual world is what it's all about for him!

## JEFF WARSTLER

Jeff Warstler has taught summer school programs for the past 15 years. He has been the Columbus Academy Lower School Physical Education teacher for over 15 years. Jeff coached the girls' tennis team at CA for 13 years, along with the boys' tennis team for 10 years. He is currently the Head Boys Basketball Coach for the CA Upper School.

## SARAH WEAVER

Sarah Weaver is a grad student at The Ohio State University. This is her sixth summer working in the CA Summer Experience program. Sarah is studying to be a reading and math teacher for grades 4-9.

## **EMILY WESTENHOUSER**

Emily Westenhouser has worked as an art educator teaching students of all ages, classes in fine art and craft fundamentals for many notable arts organizations including the Wexner Center for the Arts, the McConnell Arts Center, the Greater Columbus Arts Council's Children of the Future Program, and the Decorative Arts Center of Ohio. Sewing has always been an invaluable part of Emily's life and art. She has previously taught costuming for the Summer Experience class Broadway Beat, and this is her second year teaching Beginning Sewing in the Family Division. She holds a BFA from the Columbus College of Art and Design.

## JEFF WHITE

Jeff White is the owner/operator of Archaeology, Can You Dig It? He has been educating students since 1999, and this program was developed in 2009. In the past, he has had the pleasure of working for Columbus Public Schools, Columbus Parks & Recreation, Boonshoft Museum of Discovery, and many other educational institutions. He has over 15 years working as an archaeologist and has worked on over 50 projects located in 16 different states. He loves teaching youth about archaeology/anthropology through a hands-on approach.

## BRENNAN WILLIAMS / COLUMBUS CREW SC

Brennan oversees the camps and training programs at Columbus Crew SC working with over 2000 kids annually. Brennan is a graduate of the University of Findlay where he majored in Marketing and played all four years on the Men's Soccer team as an all-conference forward. Brennan has professional soccer experience playing for the Texas Xtreme of the PASL and Columbus Futsal of MLF. Brennan is currently pursuing his Master's degree in Sports Industry Management at Georgetown University.

## YOUNG CHEFS ACADEMY

Young Chefs Academy is the only cooking school for kids in Columbus! Our cooking classes, birthday parties, and summer camps have been a popular destination for kids ages 4 and up since opening in 2007. Our teachers strive to teach children that cooking is creative, full of discovery, and a ton of fun. Imaginations run wild while kids learn to cook, stir, bake, and develop life long skills and healthy eating habits.
